OCTOBER
2024

CITY MANAGER'S REPORT

PRESENTED BY:
SHARON D. SUBADAN
ICMA-CM, MPS, CPM

Greetings, Honorable Mayor and City Council Members,

In the month of October, we honored all those affected by **breast cancer**. Wearing **pink** is a small gesture as we join countless numbers in fighting the good fight by raising awareness, supporting survivors, and celebrating those who lost their battle.

Happy National Code Enforcement Month! As we celebrate our fantastic team of Code enforcement officers, I want to recognize and honor their dedication and commitment to maintaining the health, safety, and welfare of our residents and businesses. Recently, in partnership with local vendors, our code enforcement's "Code Cares" initiative addressed essential repairs for a CoSF homeowner. Nine windows, two doors, and a repair to the exterior siding ensured the homeowner could meet local building codes while enhancing neighborhood aesthetics.

I want to thank our Code Enforcement team for their commitment to excellence and all they do to ensure the City of South Fulton is a safe place to live, work, and do business.

The Georgia Parks and Recreation Association Program of the Year Winner is our very own Parks & Recreation department in recognition of the Workforce Academy and Balling with a Purpose Program at Burdette Park. A big congratulations to the Parks & Recreation team.

The City of South Fulton was awarded a grant for \$1,080,072 by the Georgia Department of Natural Resources Georgia Outdoor Recreation Legacy Partnership Program to develop trails around Burdette Park. The grant has a match for a total project of \$2,160,144.00. Additionally, we were notified on October 25, 2024, that we are the recipients of the FY2024 State Homeland Security Program (SHSP) Grant for South Fulton Fire Rescue, totaling \$20,000.

On October 3rd, the City launched its new electric vehicle initiative and celebrated "EV Day"! This is not only a significant step toward a greener future. By embracing electric vehicles, the City of South Fulton is reducing its carbon footprint and setting a standard for a cleaner tomorrow.

October 7-11, the City celebrated our Community Relations & Services (CRS) department in observance of National Customer Service Appreciation Week. The Mayor & Council recognized the CRS team with a proclamation acknowledging their hard work and commitment to our City – honoring their contributions, and highlighting the importance of their hard work. Thank you, ladies, for your passion and dedication to service.

The Strategic Planning initiative is well on its way. Lionheart Consulting has met with the Citizen Advisory Committee for the past month. I had the opportunity to meet the committee, provide them with an overview of the City's progress, and answer questions regarding our operations and efforts to improve City services.

Congratulations to our Leadership Academy graduates who completed Fire Rescue's Advanced Leadership program. Employees from various city departments, as well as a participant from College Park, gained valuable knowledge that will help them as they seek to advance in their professional careers.

Also, congratulations to Martin Salamanca, who was recognized as the Employee of the Month R.I.S.E. award recipient.

I provided you with a City Hall renovation update. As the remodeling is nearing completion, please be reminded that it is an active construction site, and unsupervised visits are prohibited.

Leadership Retreat – CM & Directors/Deputy Directors

I was honored to attend the following events representing the City of South Fulton.

- The Council for Quality Growth's 2024 Four Pillar Tribute honored the legacy of Herman J. Russell Sr. and the Russell Family.
- The Hometown Connection & South Fulton Municipal Association Meeting
- The 4th Annual Aerotropolis Honors is an event that recognizes and celebrates the hard work and dedication of industry leaders.

Thank you for entrusting us to manage the city's affairs. Please accept this report as a summary of the City's successful outcomes for October FY2024.

Sharon D. Subadan, ICMA-CM, MPS, CPM

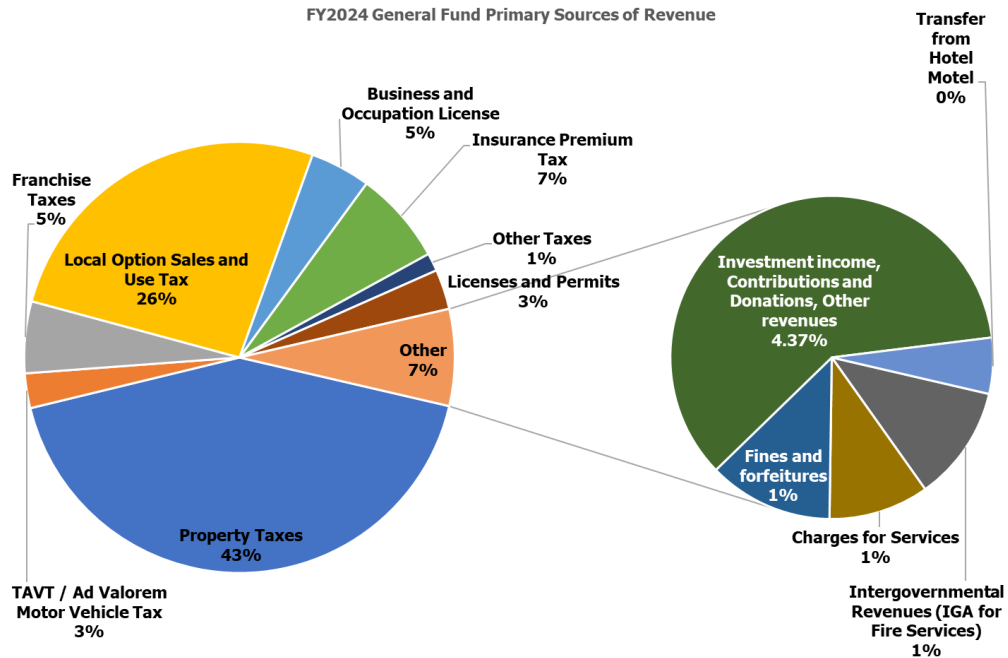

**General Fund Summary of Revenues

NOTES:

General Fund Summary Revenues:

Property Taxes collected as of October 2024, were \$7.450 million (12% of \$60.990M FY2025 budget) compared to \$6.054 million (10% of \$59.5M FY2024 budget) in the prior fiscal year for the same month.

Motor Vehicle Title Ad Valorem Tax (TAVT) revenue was \$252 thousand (7% of the \$3.7 million FY2025 budget) compared to \$256 thousand (15% of the \$1.7 million FY2024 budget).

Franchise Tax revenue collected during October 2024 was \$176 thousand (2% of the \$7.7 million FY2025 budget) compared to \$516 thousand (7% of the \$7.1 million FY2024 budget) for the same month in the previous fiscal year.

Local Option Sales Taxes (LOST) collected during October 2024 were \$2.876 million (8% of the \$37.682 million FY2025 budget) compared to \$2.972 million (9% of the \$33.7 million FY2024 budget). Rolling twelve-month comparison as of October was down slightly \$36.12M compared to \$36.16M for the twelve months ended September 2024.

Business and Occupation License revenues for October 2024 were \$131 thousand (2% of the \$6.5 million FY2025 budget). January through May is the renewal period and is also when we receive the bulk of revenue for this category.

Insurance Premium Taxes posted for October 2024 were \$10.309 million (\$309 thousand or 3% over the \$10 million FY2025 budget).

Other Taxes collected for October 2024 were \$139,605 (up 6.6\$ or \$8,635 from \$130,970) for the same month in the prior fiscal year.

License and Permit revenues collected were \$687 thousand in October 2024 (16% of the \$4.291 million FY2025 budget). The budget for this category was increased to \$4,291,250 (4.8% or \$195,900) from the \$4,095,350 FY2024 budget.

NOTES – Continued

Intergovernmental Agreements (IGA's – Fire Services)

The city has two intergovernmental agreements for fire services, one with Fulton County and one with the City of Atlanta (mutual aid). The budget for this category was increased by \$300 to \$1.2 million from \$900 thousand in the prior fiscal year.

Charges for Services revenues for October 2024 were \$41,773 (4% of the \$1.044 million FY2025 budget). Revenue was down \$24 thousand (-36%) compared to \$65,738 for the same month in the prior fiscal year.

Fines and Forfeitures FY2025 budget was increased by \$1 million to \$1.3 million from \$300 thousand FY2024 budget. Collections are being deposited into the designated Municipal Court bank account. Monthly reconciliations and allocations have not been completed.

Investment Earnings / Income revenues were \$372 thousand (6% of the \$6.2 million FY2025 budget).

Hotel Motel Tax the City estimates revenue of \$582K for FY2025 (budget).

The Budgeted Use of Reserves will continue to amortize over twelve months using the straight-line method to recognize revenue. We will monitor general fund capital spending trends to the straight-line amortization. Amounts will be trued up or down to match current spending trends.

Rolling Twelve Month as of October 2024, the graph shows twelve months of performance regardless of the month or fiscal year. A rolling twelve-month historical summation measures the total of the previous twelve months. Therefore, in the current fiscal year, LOST revenue is trending at \$36.1 million.

Jr Code Officer Initiative: Empowering Youth as Community Champions

Our Code Enforcement team recently visited **Renaissance Middle School Career Day** to inspire the next generation of community stewards. Through interactive sessions, students learned about:

- **Understanding Local Laws:** The basics of local ordinances and codes.
- **Problem-Solving Skills:** How to address minor code violations constructively.
- **Community Pride:** The importance of keeping neighborhoods clean and safe.

By equipping these young minds with knowledge and skills, we're fostering a new generation of ambassadors dedicated to creating vibrant, thriving communities.

Code Enforcement : Listening, Learning, and Serving

October was a month packed with community engagement, showcasing a united front among Code Enforcement, Public Works, and Police. We participated in town hall meetings in Districts 6 and 1, emphasizing **"Compliance Over Enforcement."** Our goal? To ensure everyone understands the rules that keep our neighborhoods strong.

The response was overwhelming, with residents eager to discuss their concerns and learn more. It's a testament to the trust we're building and our commitment to serving the community.

Beyond the town halls, we joined Councilwoman Gumbs for a ride-along in District 2. This gave us a firsthand look at problem areas and the progress being made.

And that's not all! Our Customer Relations & Service (CRS) team was on hand to share exciting news about the revamped SeeClickFix system. This powerful tool lets citizens report issues and track progress, making it easier than ever to keep our city looking its best. The residents of the City of South Fulton are valuable to us.

Code Enforcement Educational Enhancement with GEORGIA ASSOCIATION OF BUSINESS TAX OFFICIALS (GABTO)

The Georgia Association of Business Tax Officials (GABTO) certification event is a professional development opportunity for individuals working in the field of business taxation in Georgia. This year, the event was attended by the Code Enforcement Director, CDRA Director, and several Code Officers.

The event focuses on:

- **Updates on tax laws and regulations:** Keeping attendees informed about the latest changes in state and federal tax laws, as well as any relevant court rulings or regulations.
- **Best practices and industry trends:** Sharing insights and strategies for effective business tax administration, including topics like audit techniques, compliance measures, and emerging technologies.
- **Networking opportunities:** Providing a platform for tax professionals to connect with colleagues, share experiences, and build relationships within the industry.
- **Continuing education:** Offering opportunities to earn continuing education credits required for maintaining professional certifications.

Topics learned at conference:

Topics discussed at the GABTO Conference included alcohol regulation and compliance, active shooter training, COAM machines, human trafficking and illicit massage businesses, a business meeting with board member elections, and updates from the Department of Public Health on tattoo studios and mobile operations.

Nuisance & Abatement Update

The FY25 Nuisance and Abatement Docket brought a wave of activity, with several cases reaching a decisive conclusion.

Demolition Orders:

- **5420 Westford Cir (District 5):** Judge Sheridan granted the city an order to demolish the property, signaling the end of the blight on this district.
- **2545 Hallie Mill (District 6):** Another demolition order was issued by Judge Sheridan, ensuring a safer and more aesthetically pleasing neighborhood.
- **4956 Zone Ave (District 1):** The city secured a demolition order for this property, addressing a long-standing nuisance in the area.
- **6915 Cavender Dr (District 2):** A previously granted demolition order (September 25, 2024) was reaffirmed, marking a significant step in revitalizing the district. **Clean up has started 10/24/2024**

Continued Cases:

- **5375 Orly Ter (District 6):** The case was adjourned to the November 13th docket for further proceedings.
- **110 Pebble Beach Ct (District 5):** The property owner has pledged to maintain the vegetation on this vacant land. The case will be revisited on November 13th to assess progress.
- **3215 Cadiz Cir (District 6):** The city will continue efforts to contact the property owner. If unsuccessful, a demolition order will be sought on November 13th.
- **4175 Demooney Rd (District 4):** The case was postponed due to the attorney's absence in another court. A new hearing date will be set for November 13th.
- **3685 Thaxton Rd (District 3):** The elderly owner plans to demolish the property but faced technical difficulties in attending court. An in-person hearing is scheduled for October 21st or November.

Other Notable Cases:

- **2245 Enon Rd (District 1):** The owner of the partially burned structure has been ordered to obtain a building permit or face city intervention to secure the property.
- **1435 Loch Lomond Tr (District 1):** The property owner is currently maintaining the property, resolving the nuisance issue.

Goal 1

Invest in Developing Strong Teams

- CDRA holds bi-weekly meetings with department leadership to foster stronger working relationships within the department.
- The leadership team works towards development goals and creates team-building activities.
- CDRA is actively trying to fill positions to build a strong and proficient team of leaders and staff.

Goal 2

Grow Infrastructure and Solidify Finances

- The capital improvement element (CIE) will be adopted in the comprehensive plan update. This is required for the city to spend/collect impact fees.

Goal 3

Increase Community Collaboration and Quality of Life

- Secured funding for Community Outreach/Collaboration programs and events for FY25, actively working to design and implement an outreach program.
- CDRA participated in a joint-venture meeting with City Leadership, the School Board, and State Legislatures to discuss growth and expansion in District 4
- Kicked off the Comprehensive Plan update project. The comprehensive plan will include multiple community engagement opportunities.

Goal 4

Focus on Economic Development

The following activity has taken place thus far in FY25:

- 68 Business Licenses Issued
- 92 Residential Permits Issued
- 30 Commercial Permits Issued
- 4 Land Disturbance Permits Released
- 2 Pre-Construction Meetings
- 6 Pre-Development Meetings
- 120 Site Inspections Completed

Goal 5

Create an Efficient Government

- CDRA leadership is actively working to update and complete departmental standard operating procedures.

The Department of Cultural Affairs is dedicated to fostering a vibrant, inclusive, and dynamic cultural landscape in South Fulton. We aim to support and promote artistic expression, cultural diversity, and community engagement to enhance the quality of life for all residents.

Team

Actively hiring:

- Part-Time Public Arts Coordinator
- Arts Education Coordinator – Theatre
- Administrative Coordinator

The Visual and Digital Media positions are filled.

Exhibits:

Etienne Jackson's *Nine by Nine* marks his first sculpture exhibition in ten years, featuring nine new works that explore themes of identity, memory, and resilience. The opening was well-attended, with notable guests like sculptor/professor George Beasley. An artist talk moderated by curator Kevin Sipp provided insights into Jackson's creative process and the meaning behind the pieces. *Nine by Nine* highlights Jackson's return to the art scene and his continued influence in contemporary sculpture.

Rites, Rituals & Resonance by Christopher Swain is a powerful exhibition showcasing photographs and artifacts from ritual ceremonies in Benin. Through striking imagery and cultural objects, Swain captures the region's deep spiritual traditions and practices, offering viewers a window into the resonance of Beninese rites. The exhibit highlights the beauty and significance of these rituals, preserving and celebrating their cultural importance.

October Programs and Performances:

Events	Event Type	Attendees
Nine by Nine	Exhibit	92
Rites, Rituals, & Resonance (A Love Letter to Benin)	Exhibit	805
The O.Z.	Stage Production	598
Early Voting	Voting	5106
	Total	6601

The Department of Cultural Affairs was thrilled to support Axam Theatre Dance Experience's production of *The O.Z.*, a vibrant performance designed to engage students and the wider public. This innovative family programming captivated audiences with its dynamic choreography and storytelling and fostered an appreciation for the arts among younger generations. Both student matinees were highly successful, and the public performance was well attended.

Wolf Creek

This summer, the Wolf Creek Amphitheatre and over 20,000 guests buzzed with energy as we hosted a successful concert series that brought our community together. The lineup included vibrant celebrations of culture and music, starting with our Juneteenth festivities and followed by the

diverse sounds of the A-Town Music Festival. Funk Fest brought unforgettable performances, while Azucar captivated audiences with its infectious rhythms. Jam for Justice entertained, enlightened, and facilitated essential conversations. This series has laid a strong foundation for future seasons.

Facilities:

- Renovations backstage will begin on November 1st.

Visual and Digital Media

The Visual and Digital Media team has successfully tested and operated the travel kit for streaming and intends to use it for all Planning Commission meetings going forward. A comprehensive plan is being developed for meetings in government-operated facilities with Ethernet access. Secured static IP addresses have been acquired at the Southwest Arts Center and Burdett Recreation Center to ensure a smooth and reliable streaming experience.

The team is also progressing with the completion of Council Chambers at FIB.

This month, the Economic Development Department remained active in supporting community growth and business development through various initiatives.

Sponsorship Events

A proud sponsor of the **4th Annual Aerotropolis Honors**, where former Airport General Manager Balram "B" Bheodari was celebrated for his impactful contributions to the southside community. Additionally, the Old National District was a sponsor at the **Greater South Fulton Chamber Golf Tournament**, which they also attended, strengthening community ties.

Business Development and Recognitions

In partnership with the University of Georgia's Small Business Development Center, the economic development department hosted two planned sessions in the Small Business Development Series. These sessions, "**Strategize your Business Success**" and "**Crafting a Marketing Plan for Success**," provided essential resources and insights to local entrepreneurs, equipping them with the tools needed to grow their businesses.

As part of the recognition efforts, the Economic Development Department facilitated the **Second Annual Impact Awards nomination process**. With nominations closed, the community has begun voting to recognize outstanding businesses in the area.

Community Engagement Events

Community engagement efforts were equally robust.

1. The Old National District and Red Oak Historical District hosted their final **Farmers Market** of the summer, which brought fresh local goods and supported small vendors.
2. The Red Oak Historical District launched its first **Food Truck Friday**, a successful event that drew more people to the area and highlighted local small businesses.
3. The **Sizemore Group held three community meetings**, allowing residents to voice their values, concerns, and visions for their neighborhoods.
4. Planning is underway for the **Old National District's "Tacos n' Treats" Halloween celebration**, which promises to be a festive and family-friendly event for the community. These efforts reflect our continued commitment to fostering economic growth and supporting community engagement across the region.

Environmental Initiatives

This month, the department also continued its efforts to support environmental initiatives.

We are submitting a Brownfield Grant application through Stantec, which is assisting with submittal services at approximately \$10,000. The scope of services includes kick-off and bi-weekly check-in calls, reviewing EPA guidelines, and drafting and revising the grant application based on feedback from the City of South Fulton. Stantec is drafting the application (Task 3), which the grants team will review before final submission. This grant is an important step in addressing brownfield sites within the city as we continue to assess the inventory of locations needing redevelopment and remediation.

District Information: **District 1**
Council Person: **Catherine Rowell**

Trammell Crow Park Canopy Installation:

- The Shade Sail Canopies installation was completed.

Trammell Crow Park Sidewalk Repairs & Replacement:

- The task order for the stand-by civil consultant will be issued the week of September 23. Again, it will be for the design services, including a limited site topographic survey.

Trammell Crow Park Restroom Repairs & Renovations:

- The purchase order for the restroom repair and renovation has been issued. The contractor is assembling the finish selections for the city's approval.

Park Ranger Station at the Sandtown Recreation Center:

- The police department has furniture in storage, and they intend to move over to the space. The city's sign vendor is designing the signage for the glass doors.
- The roof repairs for the gym were reportedly completed on September 24, 2024. However, a short-intensity rainfall on the morning of the 25th revealed that the roof still had leaks. The roofing contractor has been notified.

Southwest Arts Center Studio Building Renovations:

- The second phase of the flooring installation for the studio building has been completed, and the project is in the punch-list phase. Baseboards and ceiling tiles damaged during the installation of the HVAC systems are being replaced. In addition, the HVAC contractor is replacing floor times that they damaged during the installation as well
- The installation of the two 20-ton HVAC units was completed.
- The contractor is finalizing the landscape design for the entry to the site.

Southwest Arts Center Theater Building Renovations:

- Chiller #2 is scheduled to be delivered around November 15, 2024.
- The purchase order for the renovation design was issued to Gardner, Spencer, Smith, Tench, & Jarbeau.

City Hall (5440 Fulton Industrial Blvd.):

- The renovation of the space is ongoing and appears to be on schedule.

District Information: **District 2**
Council Person: **Carmalitha Gumbs**

Wolf Creek Amphitheater:

- Cultural Affairs has postponed the start of the final phase of the backstage renovations until October 5, 2024, after the conclusion of the summer concert series.
- Milling of the front parking areas has been completed.
- Repaving began on September 23rd and is scheduled to be completed the first week of October. The contractor delayed the paving to allow time for the police pursuit certification and graduation to be completed so that the repaving could proceed without interruption. The front access road will be repaved later this fall when it is not scheduled for Fulton County police pursuit training.
- The installation of solar lighting in the backstage parking lots and the access road has started and is ongoing. The solar fixtures have been delivered, and the poles are expected to be delivered the week of October 6th. The foundations for the poles have been poured and are curing.

District Information: **District 3**
Council Person: **Helen Willis**

South Fulton Tennis Center:

- General Services continues working with Georgia Power to resolve the power supply issue for the canine crossing dog park security cameras. We are investigating running a new power feed from one of the existing panel boxes on site. This issue remains unresolved.

Welcome All Pool Renovations & Repairs:

- Re-surfacing the pool's interiors with the Diamond Bright system was completed.
- The re-tiling of the pool deck is nearly completed, with grouting of the deck tiles scheduled for the week of September 23rd.
- New pool equipment (benches, railings, ADA Lifts, land markers, diving platforms, and coat hooks) have been ordered.
- The plumbing in men's and women's locker rooms is being repaired. In addition, tile repairs are being made.
- The city logo has been completed, but the swim team logo will be delayed until the scoreboards are installed so that the logo can be properly framed.

District Information: **District 4**
Council Person: **Jacey Sebastian**

Fire Station #6 Renovations:

- Construction has begun. The initial erosion control measures are expected to be installed by September 30, 2024.

Wilkerson Mill Park Sidewalk Repairs:

- The sidewalk replacement work has been completed. Refreshing of the landscape areas near the sidewalk will commence shortly.

District Information: **District 5**
Council Person: **Keosha Bell**

Old National Park Lighting Repairs:

- The extended inactivity at the site required a new electrical service to be established with Georgia Power, which has been completed.

District Information: **District 6**
Council Person: **Natasha Williams-Brown**

Creel Park Community Building Renovations:

- The roof of the community building is scheduled to commence the week of September 23rd, pending the delivery of the new shingles.
- The HVAC system is in satisfactory condition and under five years old. However, the system will undergo preventive maintenance during the renovation.
- The renovation of the community building's interior is postponed until early November after the election. Early voting will begin on October 15, 2024.

District Information: **District 7**
Council Person: **Linda Pritchett**

Municipal Court Space at The Crestwood Event Center:

- The court's administrative offices were improved on September 16, 2024. The office security measures will begin in late September: installation of a card access system, interior security cameras, and secure internet access.
- New furniture is being ordered, and a limited amount of the existing city hall furnishings is scheduled to be moved to the new offices.
- The landlord will submit estimates from their sign vendor to install an LED monument sign for the courts before the end of the month. The city is also obtaining estimates for the sign.

Fire Station Expanded maintenance – All Districts:

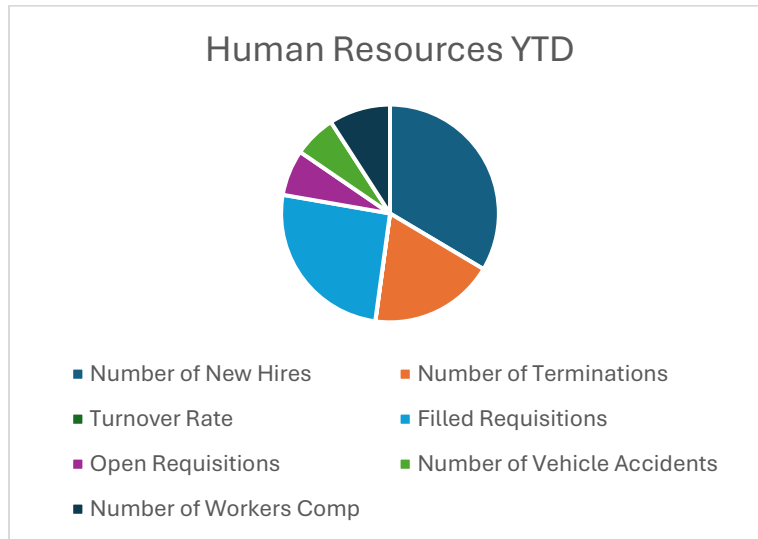

- The maintenance and renovation for Fire Stations #3, #4, #5, #7, #8, and #11 is ongoing.

Property Acquisitions:

- We acquired the Cedar Grove Road on September 20th.
- We expect to execute the PSA for Will Lee Road before the end of the month.

Fleet Vehicle Acquisitions & Retirement:

- We retired four vehicles from the Code Enforcement Department and replaced them with Escapes.
- We purchased one new Ford F-250 for fleet maintenance.
- We are auctioning 14 surplus vehicles and heavy trucks this month.

Procurement and Contracts – October 08, 2024

1. Request to purchase SFPD Fleet Outfitting Services & Equipment from Dana Safety Supplies \$400,280.00 (Traffic Camera Fund #212).
2. Request to Enter into an Agreement with Flock Safety for 30 New LPR Cameras (\$109,500.00 first year only – Traffic Camera Fund #212)

Procurement and Contracts – October 22, 2024

1. The Police Department requests Council approval to accept the \$280,676.00 2024/2025 HEAT Grant award from the Governor's Office of Highway Safety (GOHS) for the South Fulton Police Department. This grant is 100% reimbursable of the approved federal funds allocated. No matching funds are needed.

The program is designed to reduce motor vehicle crashes, injuries, and fatalities by high visibility enforcement targeting impaired drivers, speeders, aggressive/distracted drivers, and motorists who fail to utilize safety devices.

2. The Police Department requests approval to purchase a National Integrated Ballistic Information Network (NIBIN) machine from Forensic Technology, Inc., utilizing federal funds from the FY24 OJP Byrne Discretionary Grant for a total price of \$251,739.00. No matching funds are needed.
3. The Police Department requests Council approval to accept a donation from FY America, LLC for three (3) less lethal pepper ball launchers for Police Department operations and training. Estimated Value - \$6,000.00
4. The Information Technology Department is requesting the Council to approve the contract renewal for our Geographical Information Systems with Environmental Systems Research Institute, Inc. (ESRI), Contract Number 99999-AWP02242017-001 for an annual total not to exceed \$95,000 and the option to renew for (two) 2 years. The contract will be effective upon council approval and signature processing and expires 12 months from the agreement's signing date.

The scope of services for contract 99999-AWP02242017-001 is for Geographical Information System (GIS) services. Upon Council approval, staff will process a purchase order for \$87,600.00, budgeted in fiscal year 2025.

5. The Public Works Department is requesting the City Council's approval of the first amendment of City Contract ITB 23-85 Fairburn Road Improvement Project Phase II, which was awarded to SD&C Inc. on February 13, 2024. The Contractor has provided a Value Engineering proposal that allows for a cost credit of approximately \$117,438.80. The amendment provides an update on the scope of services for materials and bridge design.

General Services/Cultural Affairs

1. The General Services Department requests approval to amend the piggyback agreement with Johnson Control, Inc. to provide the City with HVAC Systems and related services. The agreement is a "piggyback" of the Contract Agreement for RFP #070121, issued by Sourcewell, a municipal purchasing cooperative. The amendment shall be for a total amount not to exceed \$1,000,000.00, with the option to renew it for an additional one (1) year term.
2. The General Services and Cultural Affairs Departments request approval to enter into an agreement with Atlanta Sound Works, Inc. to provide audiovisual solutions for city facilities. The agreement is a "piggyback" of the State Contract #99999-SPD-SPD0000210-0004, issued by the State of Georgia. The contract is for a total amount not to exceed \$500,000.00, with the option to renew for additional terms on a year-to-year basis by giving the Contractor written notice of the renewal decision at least sixty days before the initial or renewal term expires.

Public Works

1. The Public Works Department is requesting Council approval to renew the second-year term contract according to the Professional Service Agreement (PSA) for Comprehensive Landscape Services (Right-of-Way Maintenance) and Supplemental Litter Removal Services, between Brightview, LLC and the City of South Fulton, authorizing the Mayor to execute same; and authorizing the City Manager to execute all administrative and budgetary actions related to the Agreement.

The scope of services for March to October is to mow, edge as applicable, trim, blow, and spray weeds every 2 weeks. Change 32 city-owned trash cans during each visit. From November to February, services will continue but focus on leaf and litter removal. Private property areas, HOAs, and commercial areas are not included. The overall mileage of right-of-way maintenance comprises approximately 250 miles, including state roads within the city limits and the Wolf Creek multi-use trail. Roundabouts and the Cascade median areas are maintained weekly.

The Public Works Department also recommends amending its contract to add weekly litter pickups for the roads listed in the PSA. The Public Works budget was approved to provide their proposed contract at an amount not to exceed \$1,308,321.36 Monthly—\$109,026.78 (October 1, 2024 – September 30, 2025).

2. The Public Works Department is requesting the City Council's approval to "Piggyback" the term Master Service Agreement (MSA) according to a Request for Proposal (RFP) to develop a Stormwater Master Plan (SWMP) & Feasibility Study with Integrated Science and Engineering Inc. and the City of South Fulton, authorizing the Mayor to execute the same; and authorizing the City Manager to execute all administrative and budgetary actions related to the Agreement for a total amount, not to exceed, of Two Hundred Fifty Thousand Dollars (\$250,000.00). American Rescue Plan Act (ARPA) funding will be utilized to develop the SWMP & Feasibility Study.

Public Safety

1. The Police Department requests Council approval to purchase 50 new portable radios and 69 in-car radios from Motorola for new officers and vehicles. The total cost is \$795,892.43, which covers the device and programming.

This vendor is registered with Sourcewell, and their contract number is 042021-MOT. The City of South Fulton is a member of Sourcewell, and our ID number is 177950.

This funding is budgeted in the Traffic Camera Fund #212.

2. Under the City Council's acceptance of an FY2024 Congressional Grant for \$805K at the 9/26/23 Meeting (Item #23), the Police Department requests ratification approval to purchase ten 2024 Chevrolet Tahoes for SFPD sworn staff from Hardy Chevrolet Buick GMC for a unit cost of \$54,655.70 and a total cost not to exceed \$546,557.00, utilizing grant funding from the FY2024 OJP Byrne Discretionary Grant from Rep. David Scott - US Congress. (GA Contract #99999-001-SPD000183-0002).

Strategic Goal 3: GOAL 3 Increase Community Collaboration and Quality of Life.

Parks & Recreation "Trunk & Treat Event"

I am pleased to report the successful turnout and impact of a recent community event held at Welcome All Park, one of our municipal Parks & Recreation facilities. The event attracted approximately 750 residents, highlighting our community's enthusiasm and the significance of our parks as central gathering spaces.

Event Details:

- **Location:** Welcome All Park
- **Attendance:** Approximately 750 participants, representing a broad cross-section of our community.
- **Activities & Highlights:** The event featured a variety of activities aimed at engaging families, children, and adults, including food vendors, live entertainment, community resource booths, and recreational activities suitable for all ages.

Key Observations:

- **Community Engagement:** This event demonstrated the community's active participation and interest in our Parks & Recreation programming. Attendees expressed appreciation for the opportunity to gather and enjoy the park facilities.
- **Facilities Utilization:** Welcome All Park efficiently accommodated the large crowd with well-managed logistics, security, and event flow, underscoring our department's capability to handle high-attendance events.
- **Positive Feedback:** Attendees provided positive feedback on the facility's amenities and expressed interest in future events. This feedback further supports the community's appreciation for the city's investment in Parks & Recreation resources.

CITY OF SOUTH FULTON Georgia Recreation & Park Association (GRPA)

Winning the GRPA Program of the Year award for our Workforce Academy and "Balling with a Purpose" initiatives is a tremendous honor and a testament to the unwavering dedication and hard work that our entire team brings to Georgia Recreation Parks Association (GRPA) programming in the state of Georgia. These programs have truly impacted the lives of many, helping young people gain valuable skills, mentorship, and opportunities that support their growth and success, we have graduated 75 students.

Our department had the privilege of attending the award ceremony, accompanied by Mayor Khalid Kamau and Councilwoman Keosha Bell. Their support underscores the importance of our work and the positive impact we strive to make in the community. We are incredibly proud of this recognition, and we look forward to continuing to serve our residents with excellence and innovation in Parks and Recreation.

Goal 1

Invest in Developing Strong Teams

The Police Department has twenty-one (21) recruits in the academy, five (5) awaiting the start of the next police academy, and eighteen (18) in the field training program. Four (4) officers were sworn in during the month of October.

Goal 2

Grow Infrastructure and Solidify Finances

The Police Department was awarded the State of Georgia Public Safety & Community Violence Reduction Grant, which will fund violence reduction initiatives such as gunshot detection, license plate reader cameras, and surveillance cameras.

Goal 3

Increase Community Collaboration and Quality of Life

The Police Department participates in a number of community events and works closely with HOAs and business groups to improve quality of life. Just a few of many are mentioned below.

Goal 4

Focus on Economic Development

The Police Department issued alcohol work permits and inspected businesses to ensure they are in compliance with applicable laws.

Goal 5

Create an Efficient Government

The Police Department created a Field Inspections and Accreditation Unit to develop policies in accordance with "best practices" to operate more efficiently and effectively.

Police Department Guiding Principles

SOUTH FULTON POLICE DEPARTMENT

"The South Fulton Police Department has been developed with 21st Century Policing Principles in mind. The Police Department will continue to evolve in this direction as staff seeks to create efficiencies through the use of technological advances"

Chief Keith Meadows
South Fulton Police Department

21st Century Policing Pillars

1. Building Trust & Legitimacy
2. Policy & Oversight
3. Technology & Social Media
4. Community Policing & Crime Reduction
5. Training & Education
6. Officer Wellness & Safety

Project Lifesaver

South Fulton Police officers who have completed training for Project Lifesaver!

Project Lifesaver is a vital program that helps us locate missing individuals with cognitive disorders, such as Alzheimer's, Autism, or Down syndrome, who wander away from home. Our trained officers are now equipped with the skills and technology to respond and reunite these individuals with their families quickly.

But that's not all! Our officers didn't just stop at completing the training; they also became certified instructors! They'll now be able to train other officers within our agency, expanding our capacity to serve and protect our community.

This achievement demonstrates our department's commitment to serving and protecting our most vulnerable community members while investing in our officers' growth and ability.

Tropical Storm Helene

Joint Operations Center

South Fulton Public Safety Leaders shared a Joint Operations Center preparing for Tropical Storm Helene. As Helene approached, SFPD actively worked through the storm alongside other City departments to support our community. Officers responded to emergency calls, assisted with medical crises, and kept roads as clear as possible.

Our Joint Operations Center was fully operational. Teams monitored the situation, coordinated responses, and ensured that critical information flowed smoothly.

Life Saver Award

Chief of Police, Keith Meadows and the City of South Fulton Police Department recognized Detective Jason Blount for his remarkable bravery and quick thinking on Interstate 20. He witnessed a black SUV involved in a collision, resulting in the vehicle flipping over.

Without hesitation, Detective Blount sprang into action and rescued a 4-year-old girl from the wreckage. His heroic efforts prevented further injury and showcased the dedication and commitment we strive for in our department.

Major A. English surprised and recognized Detective Blount in front of his peers with the LifeSaver Award.

South Fulton Police Department Awarded \$280,676.00 Grant for Local DUI Enforcement

The Governor's Office of Highway Safety has announced that the South Fulton Police Department is one of 26 law enforcement agencies in Georgia to receive a Highway Enforcement of Aggressive Traffic grant for the Federal 2025 Fiscal Year. Referred to as a H.E.A.T. grant, the South Fulton Police Department's award totals \$280,676.00.

The goal of the H.E.A.T. program is to combat crashes, injuries, and fatalities caused by impaired driving and speeding, while also increasing seatbelt use and educating the public about traffic safety and the dangers of DUI.

The South Fulton Police Department H.E.A.T Unit will use the grant from GOHS to develop and implement strategies to reduce local traffic crashes due to aggressive and dangerous driving behaviors.

H.E.A.T. grants fund specialized traffic enforcement units in counties throughout the state. The program was designed to assist Georgia jurisdictions with the highest rates of traffic crashes, injuries, and fatalities with grants awarded based on impaired driving and speeding data.

As law enforcement partners in the Drive Sober or Get Pulled Over DUI campaign and the Click It or Ticket seatbelt campaigns, the South Fulton Police Department will also conduct mobilizations throughout the year in coordination with GOHS's year-round waves of high visibility patrols, multi-jurisdictional road checks, and sobriety checkpoints.

🎓🚓 CITIZEN'S ACADEMY 🚓🎓

16 residents from across South Fulton attended the second session of our Citizens Academy! Over the coming weeks, participants will get an inside look at how we handle use of force, train officers, and review body camera footage.

The Citizen's Academy prepares one citizen from each district to sit on the Response to Resistance Review Board, where they'll help review use of force cases involving our officers.

🚓 Bravo Awards 🚓

At the South Fulton Police Department, we recognize excellence whenever possible. This week, several of our officers went above and beyond in their respective departments, and we couldn't be prouder of their dedication and hard work.

The Bravo Award is a special recognition given to officers who demonstrate exceptional performance, leadership, and commitment to the the team while ensuring the safety and well-being of the citizens of South Fulton.

South Fulton Police Department proudly collaborated with the City of Atlanta Police Department, Gwinnett County Police Department, and numerous other metro Atlanta law enforcement agencies to demonstrate our support for the LGBTQ+ community.

This event holds great significance for our department, showcasing our progress in promoting inclusion, acceptance, and unity within our communities and the law enforcement sector. Joining in Pride alongside so many other agencies underscore our dedication to building connections and standing together in solidarity for equal rights.

Chief of Police Keith Meadows, Lead LGBT Law Enforcement Liaison Sergeant Kevin Turner, and the entire South Fulton Police Department take immense pride in the advancements our agency has achieved and the journey ahead as we continue to embrace and celebrate diversity.

Faith & Blue

We had an amazing time connecting with our community, enjoying great activities, and strengthening the bond between residents and law enforcement.

District 1 Town Hall Meeting.

Major G. Johnson, Major A. English, Major C. Kailimai, Captain D. Rogers, and Deputy Chief of Staff K. Arnold provided essential insights to the residents regarding crime trends, statistics, upcoming events, the Citizens Academy, and Neighborhood Walk & Talks. The Majors also shared their contact information and discussed the introduction of our new foot and bike patrol units and the commitment to increase patrol cars in the neighborhoods.

GCIC Team Bravo Award

At the City of South Fulton Police Department, we firmly believe in celebrating excellence whenever possible. Members of our GCIC Team exceeded expectations in their respective roles, and we couldn't be prouder of their dedication and hard work.

The Bravo Award recognizes individuals who exhibit outstanding performance, leadership, and commitment to the team.

District 5 Voter Registration Event

SFPD officers safeguarded voter advocates in District 5, empowering citizens to exercise their right to vote.

Camera Sharing Program

The Police Department has launched a camera-sharing program where residents and business owners can register their cameras and/or integrate them into our real-time crime center. This will allow the police department to investigate crimes more efficiently.

GOAL 1

Invest in Developing Strong Teams

The Public Affairs Department is dedicated to fostering a cohesive, servant-leader environment built on trust and cooperation. We are committed to upholding a shared vision that aligns with our community's values while maintaining the highest standards of professionalism. Through collaborative efforts and transparent communication, we strive to support and uplift each other, ensuring our collective success and positive impact on the City of South Fulton.

GOAL 2

Grow Infrastructure and Solidify Finances

The Public Affairs Department is committed to strengthening our financial infrastructure by building and diversifying revenue sources. Our goal is to ensure financial adequacy and stability, thereby reducing dependence on any single source. Through strategic planning and innovative approaches, we aim to create a sustainable financial foundation that supports the continued growth and prosperity of the City of South Fulton.

GOAL 3

Increase Community Collaboration and Quality of Life

The Public Affairs Department is dedicated to strengthening relationships with our county, state legislators, and surrounding municipalities. By taking a regional approach to services, we aim to launch initiatives and drive changes that enhance the quality of life in the City of South Fulton, including improvements in public safety. Through collaboration and shared goals, we are committed to creating a safer, healthier, and more vibrant community for all residents.

GOAL 4

Focus on Economic Development

The Public Affairs Department is focused on promoting a healthy and prosperous economy by supporting small businesses, entrepreneurs, tourism, and public-private partnerships. We are dedicated to defining and showcasing the unique identity of the City of South Fulton and effectively marketing it to stakeholders. Through strategic initiatives and collaborations, we aim to create a vibrant economic environment that benefits all members of our community.

GOAL 5

Create an Efficient Government

The Public Affairs Department is committed to creating efficient internal operations and systems to deliver high-quality municipal services. Our goal is to improve the quality of life for residents and businesses in the City of South Fulton by ensuring that our government functions smoothly and effectively, meeting the needs of our community with professionalism and excellence.

DISCIPLINE HIGHLIGHTS FROM OCTOBER 2024

During October, the City of South Fulton's Department of Public Affairs had a highly productive month, marked by these key achievements:

Public Relations

In October, Public Relations completed 14 press releases and feature stories, significantly boosting the City of South Fulton's media presence. Between September 27 and October 26, online interactions reached 16,302, marking a 4% increase from the previous period. Most conversations (61%) took place on unofficial channels, with FOX 5 Atlanta leading at 19%. Positive sentiment outpaced negative sentiment by a 3:1 ratio, with 17% of discussions being positive and only 5% negative. The city received 223 mentions throughout the month, with notable coverage on October 15 when South Fulton declared "Jermaine Dupri Day." Top positive stories highlighted the city's eco-sustainability efforts through its Electric Vehicle Initiative and the Parks and Recreation Department's state recognition. Meanwhile, critical narratives included topics on police department changes and safety concerns. Leading publications mentioning South Fulton were Yahoo! News, LaGrange Daily News, FOX 5 Atlanta, and WSB-TV.

Events and Programs

In October, the Events and Programs Manager was pivotal in organizing and supporting 34 city events for the City of South Fulton. Key achievements included coordinating EV Media Day with multiple departments and contractors, securing food trucks and community partnerships for Food Truck Thursday, and launching the "Pink the City Out" Breast Cancer Awareness Initiative with a featured panel. The Manager also collaborated on Customer Service Appreciation Week, initiated plans for Fire Truck Reveal Day, and prepared for the Grand Re-Opening of City Hall. Further support extended to HR's holiday party coordination and YEEk Fest, where the Manager handled logistics and vendor arrangements. Additionally, the Manager facilitated Edmunds System requests and ensured coverage from Photography, Police, Fire, and Parks and Recreation, contributing to the month's successful event execution.

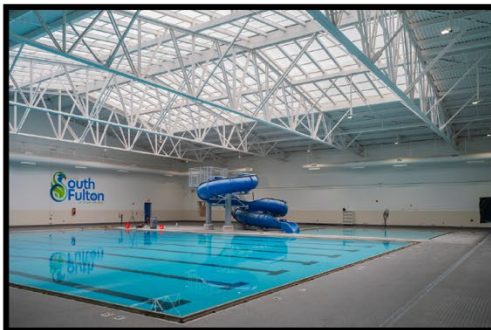

Communications and social media

In October, the City of South Fulton shared over 74 social media posts across various platforms, engaging the community through diverse content. A top-trending feature story spotlighted code enforcement officials partnering with local vendors to support essential home repairs, achieving an impressive reach of 11,625, with 132 interactions and 12 shares. Another highlight celebrated South Fulton native and Olympic track star Christian Coleman, with posts about him reaching over 4,315 people and generating 146 interactions. The city also effectively communicated public safety information, such as a boil water advisory from the Department of Watershed Management, which had a reach of 2,917 and 60 interactions. These posts reflect the city's efforts to engage residents through meaningful stories and essential updates.

Visual and Digital Media

OCTOBER'S TOP PHOTOS

The following is the end of October 2024 Transportation Update Report. The (*) mark indicates updated information from the previous report. This report overviews *sixty-two (62) projects for the City of South Fulton. The report will detail projects in TSPLOST I, TSPLOST II, Capital Improvement, State, and Federal projects within Public Works within the following stages:

1. Planning: *Two (2) total projects.
2. Design: *Thirty-six (36) total projects.
3. ITB/ Out-to-Bid: *Four (4) total projects.
4. Under Construction: Sixteen (16) total projects.
5. Completed: *Four (4) total projects.

1. Planning Phase (2 projects) Projects in the planning phase have project scopes, Right-Of-Way (ROW) and land acquisition assumptions, and project cost estimates. However, a design engineering firm or consultant has not evaluated the projects.

- **Capital Improvement Projects (1)**

- **RG-165. Ridge Rd gravel paving project.** A joint venture with the city of East Point to pave approximately 700 feet of Ridge Road. The City of South Fulton portion is from the East Point city limits to Will Lee Rd. A Request For Qualifications (RFQ) has yet to be issued.

- **TSPLOST II Project (1). Details below.**

- A tiered approach was used to advance projects from the planning phase. The scopes of Operational/Safety Improvement (OSI), Pedestrian/ Bike Improvement (PBI), and Bridge (B) projects were evaluated and moved into the design phase and towards advertising for construction. Signal Upgrades (SU) will follow. Once the design consultants are assigned, project estimates and a schedule will be made.
- **SU-711. Cascade Rd signal communication upgrades** at all intersections from the Atlanta city limits to New Hope Rd, excluding those already upgraded. Design engineering will start once a design consultant is brought on. *The estimated cost is \$2.4 million, with design engineering starting in early Spring 2025.

2. Design Phase (36 projects). Projects in the design phase will move towards construction once the design has been completed, ROW plans are certified, and land has been acquired or condemned. Then, the Intent To Bid (ITB) phase will begin.

- **Capital Improvement Projects *(5)**

- **RG-160. Jones Road** Paving and possible Culvert replacement impacting Districts 3 and 4. Jones Road has two segments that are unpaved and need to be paved. The design consultant should consider any improvements needed at the intersection with Hall Road, a 4-way stop controlled. Additionally, it should consider coordination with a planned GDOT roundabout project at the intersection with Campbellton-Fairburn Road (SR92). Ten parcels are estimated to be acquired. RSH is the design consultant. The estimated design cost is \$538K. The concept report is under review. A public input open house is tentative for *January 2025.
- **RG-164. Oxford Rd.** A one-half-mile unpaved residential street, a cul-de-sac originating from West Stubbs Rd in District 2. ROW needs are being evaluated. Khafra Engineering is the design consultant. The estimated design cost is \$150K. The concept report is under review, and once accepted, a public input open house will be scheduled.
- **RG-163. Thames Rd.** A 1600-ft gravel road that services one address that originates at Butner Rd. At the intersection with Butner Rd., a complete street design, including sidewalks, will be implemented. The rest of Thames will have a rural street design with street lanes. ROW needs are being evaluated. Khafra Engineering is the design consultant. The estimated design cost is \$159K. *Total cost estimate, including construction, is \$5.4 million. The concept report has been accepted, and a public input open house will be scheduled. *Cost and schedule are subject to change.
- **RG-162. Rocky Head Rd.** A 900-ft. unpaved residential street connecting Owl Rock Rd and Union Rd in Districts 1 and 2. ROW needs are being evaluated. Khafra Engineering is the design consultant. The estimated design cost is \$110K. *The total cost estimate, including construction, is \$3.15 million. *The concept report has been accepted, and a public input open house will be scheduled. *Cost and schedule are subject to change.
- **RG-161. Hall Rd.** An approximately one-mile unpaved road needs paving and improvement, including adding sidewalks on both sides and other necessary upgrades. The current bridge at Line Creek may need to be replaced. Still, a hydrology study is required to determine if replacing the bridge with a culvert is feasible. Additionally, the intersections of Hall Rd with Jones Rd and Ridge Rd will need to be improved. Another segment, approximately 1.75 miles long, is currently paved but requires the addition of sidewalks on both sides and other necessary upgrades. It's important to note that the intersection with HWY 92 – Campbelltown-Fairburn Rd. is part of a GDOT Roundabout project that needs to be coordinated into this project. ROW needs are being evaluated. RSH is the design consultant, and the estimated design cost is \$712K. *The total cost estimate is \$13.3 million. *The concept report is complete, and the Public input open house is tentative for *January 2025.

- **Federal/State Projects in the design phase *(7)**

- **PI0019647.** Improvement of **Fulton Industrial Blvd/SR 70 at Westpark Place** intersection. The aim is to increase the sight distance for turning-lane motorists by offsetting the left turn lanes on Fulton Industrial Blvd. A Restricted Crossing U-turn (RCUT) intersection will also be added to ease congestion and accidents coming from Westpark Place. According to GDOT, design engineering has begun. *The concept report is approved. The estimated cost is \$2.6 million. The project is 105 feet long. GDOT estimates four parcels to be acquired.
- **PI0019841.** Improvement of **SR 138/Jonesboro Rd at Bethsaida Rd** intersection. The aim is to install a multi-lane roundabout. According to GDOT, this safety project is in the concept phase and is estimated to cost \$3.4 million. The project is 105 feet long. GDOT estimates nine parcels to be acquired and is working on the Field Survey Summary. Design engineering has begun, and a project schedule will emerge once the concept is approved.
- **T-285.** A roundabout in District 4 will be constructed at the intersections of SR 92, Butner Rd, and Ridge Rd. (1/2 mile), including streetlights. *All parcels have been acquired. AECOM is in final design and is working on addressing comments received during the field plan review. GDOT completed the Final Design Phase Summary. The estimated construction let date by GDOT is February 2025, for an estimated \$6.8 million. *The project is estimated to take fifteen months to complete once it is under construction.
- **T-265.** Sidewalks and landscaping will be constructed on both sides of Old National Highway from Flat Shoals Rd to Jonesboro Rd. The project will include signal upgrades at Bethsaida Rd, Creel Rd, Woodward Rd, McGhee Landing, and Flat Shoals Rd in Districts 6 and 7. GDOT is in the final design review and approval phase. Two parcels are yet to be acquired for the project. Funding for this project is through the ARC's Last Mile Connectivity Program. The estimated cost is \$5.3 million, with \$1.2 million in local funding. Atlas is the design firm working on this project. The anticipated construction let date is June 2025. However, once the last two parcels are acquired, the project can move to the ITB phase to let for construction in late 2024.
- **T-281.** Fulton Industrial Blvd sidewalks between Lakeview Court and Westpark for *0.95 miles and the Fulton Industrial Blvd @ Cascade Road intersection improvements for 0.4 miles in District 1 *will be let together. Design engineering is ongoing. All agreements between the City and GDOT are in place, and the City signed off the Concept reports. Both projects are part of the Fulton Industrial Community Improvement District (FICID). Projects will be let for construction through the FICID; South Fulton is listed as the local Municipality and funded through the ARC's Last Mile Connectivity Program. The estimated total cost is \$5 million, with \$1 million in local TSPLOST I and FICID (20% matching) funding. Kimley-Horn & Associates, Inc., awarded as the Project Engineer (PE). *A public information open house is in the planning stages. *Tentative for November.
- **OSI-605.** SR 92 @ Jones Rd and SR 92 @ Demooney Rd intersections improvements, including installing two roundabouts. The total project length is 4040 feet, and it will be managed and funded under GDOT's safety program. Short-term and intermediate-term solutions have been developed to address safety and operational concerns, such as clearing

vegetation and temporary traffic signals. There may be some lane closures during the project. The estimated construction let date, according to GDOT, is January 2027, with an estimated cost of \$8.1 million. A preliminary Field Plan Review will be held at GDOT in December 2024. *AECOM, awarded as the PE. *There are eleven parcels to be acquired.

- **B-502.** Bethsaida Rd over Morning Creek bridge will be replaced, and sidewalks will be added. The project length is a quarter of a mile. GDOT will manage and fund this project under its Local Bridge Replacement Program. According to GDOT, the construction let date is Summer 2025. The estimated cost is \$5.1 million, with the city funding \$50k towards ROW acquisition. CHA Consulting, awarded as PE. *There will be a detour during the bridge construction.
- **TSPOST II Projects in the Design phase *(18) Details below.** *The City Council approved three design consulting firms for standby design engineering services. Contracts have been executed, and Public Works engaged the firms for design analysis. The design will undergo validation and authorization this fall after the concept is developed for the following projects. Public Input Open House will follow, and ROW plans can be developed. *Project cost estimates are subject to change as the design process continues.

<u>Project Name</u>	<u>Cost Est.</u>
T-288. Stacks Rd Bridge Replacement over CSX Railroad. The design is estimated to be completed by October 2025. CSX is reviewing the concept report.	\$4.6MM
OSI-631. Union Road at Thames Road Intersection Improvements will include a roundabout, sidewalks, and streetlights. The design was awarded to AEI. The estimated design completion is Fall 2025. Eleven parcels are estimated to be acquired.	\$2.9MM
OSI-629. Ono Rd/Hobgood Rd to Rivertown Road intersection improvement, including roundabout, sidewalks, and streetlights. *Design, for \$258k, was awarded to AEI. The estimated design completion is fall 2025. eighteen parcels are estimated to be acquired.	\$3.6MM
OSI-628. Old Fairburn Road to Thaxton Road intersection improvements, including roundabout alternatives, sidewalks, and streetlights. *Design was awarded to Kafra. The estimated design completion is spring 2025. Two parcels are estimated to be acquired.	\$2.9MM
OSI-622. Butner Road at Aldredge Rd intersection improvements, including roundabout alternatives, sidewalks, and streetlights. Design awarded to Kafra. Estimated design completion is summer 2026. Two parcels are estimated to be acquired.	\$2.9MM
OSI-600. Bethsaida Road at Creel Road/West Rd intersection improvements, including roundabout alternatives, sidewalks, and streetlights. Design awarded to AEI. Estimated design completion is *December 2025. Fifteen parcels are estimated to be acquired.	\$3.5MM
OSI-623. Bethlehem Rd at Cedar Grove Rd intersection improvements, including roundabout alternatives, sidewalks, and streetlights. Design awarded to Kafra. Estimated design completion by Summer 2026. Eleven parcels are estimated to be acquired.	\$2.9MM
OSI-620. Aldredge Rd at Merk Rd intersection improvements, including a roundabout, sidewalks, and streetlights. Design awarded to AEI. Design completion by late Fall 2025. Opportunity for public input. Ten parcels are to be acquired.	\$3.5MM
PBI-914. Fill in sidewalk gaps within the existing sidewalk network on Union Rd, from Campbellton Road to Vandiver Road. Design awarded to Khafr Engineering. Fourteen parcels are to be acquired. Estimated Design completion by Summer 2025.	\$2.3MM

B-508. Koweta Road Bridge Over Deep Creek Replacement. RFQ for Design was advertised at the end of May 2024. Design Quotes received on July 8th were evaluated, and a design consultant started on August 30 th , 2024.	\$3.5MM
B-505. Derrick Road Bridge Over Deep Creek Tributary Replacement. RFQ for Design was advertised at the end of May 2024. Design Quotes received on July 8th were evaluated, and a design consultant started on August 30 th , 2024.	\$3MM
PBI-906. Welcome All Rd sidewalks (1.5 miles) from Roosevelt Hwy to Will Lee Rd. RFQ for Design was advertised at the end of May 2024. Design Quotes received on July 8th were evaluated, and a design consultant started on August 30 th , 2024.	\$3.5MM
PBI-911. Merk Rd sidewalk (1.25 miles) from Camp Creek Parkway to Alredge Rd. RFQ for Design was advertised at the end of May 2024. *Design Quotes received on July 8th were evaluated, and a design consultant started on August 30 th , 2024.	\$4.2MM
PBI-910. Fill in sidewalk gaps, approx. ¾ of a mile within the existing sidewalk network on Jerome Rd from Old Notional Hwy to Old Bill Cook Rd. RFQ for Design was advertised at the end of May 2024. *Design Quotes received on July 8th were evaluated, and a design consultant started on August 30 th , 2024.	\$1.8MM
PBI-908. Flat Shoals Rd sidewalks (2.5 miles) from Old National Hwy to Buffington Rd. RFQ for Design was advertised at the end of May 2024. Design Quotes received on July 8 th were evaluated. The design was awarded to RS&H in September 2024.	\$6.4MM
PBI-903. Cascade Rd sidewalk (3 miles) from the City of Atlanta Limits to Fulton Industrial Blvd. RFQ for Design was advertised at the end of May 2024. Design Quotes received on July 8 th were evaluated. The design was awarded to RS&H in September 2024.	\$6.9MM
PBI-902. Bethsaida Rd sidewalk (1.5 miles) from Old National Hwy to Nunn Woods Way. RFQ for Design was advertised at the end of May 2024. Design Quotes received on July 8 th were evaluated. The design was awarded to AEI/STV in September 2024.	\$4.6MM
*B-599. Oglesby Rd. Bridge/Culvert over a tributary for Morning Creek. This bridge needs replacement but must have traffic accessibility throughout the project, as this is the only way over this tributary for residents on this road. A design consultant has been selected.	*\$2.3MM

- **TSPLOST I Projects in the Design phase (6) Details below**

<u>Project Name</u>	<u>Cost Est.</u>
OSI-618. The final design of the Welcome All Rd @ Scarborough Rd intersection improvement includes a roundabout and sidewalks. ROW phase. Acquiring nine parcels with design completion by November 1, 2024. *Advertise for construction, estimated to be in late summer 2025.	\$2.6MM
OSI-616. The final design of Stonewall Tell Road at Jones Road/Pittman Road intersection Improvement includes a roundabout and sidewalks. ROW phase. Acquiring ten parcels with design completion by November 1, 2024. *Advertise for construction, estimated to be fall 2025.	\$3.1MM
OSI-608. The final design is to be completed by Fall 2024 for the intersection improvement of Enon Road at Stonewall Tell Road, including roundabouts, streetlights, and sidewalks. Jacobs Engineering is the engineer of record. ROW phase. Acquiring seven parcels with design completion by summer 2025. *Advertise for construction, estimated to be late 2025.	\$3.1MM

OSI-607. The final design of Demooney Rd @ West Stubbs Rd intersection improvement includes a roundabout, streetlights, and sidewalks. ROW phase. Acquiring four parcels with design completion by Spring 2025. Jacobs Engineering is the engineer of record. *Advertise for construction, estimated to be summer 2025.	*\$2.8MM
OSI-603. Butner Rd @ Pittman Rd intersection improvements, including sidewalks and streetlights. *Acquiring nine parcels. The added roundabout design for this project has caused a redesign and pushed design completion to October 2025. *Advertise for construction, estimated to be early 2026.	*\$3.3MM
OSI-601 (B-500). Final design of Butner Road @ Camp Creek Parkway intersection improvement & bridge replacement, including sidewalks and trail path. GDOT has safety concerns for this intersection and may coordinate a quick-fix project. Projects are scheduled to be let together for construction in early 2025. ROW phase. Two parcels are left to acquire.	\$4.4MM

3. ITB/ Out-To-Bid (4) Projects. Projects in this phase are getting ready to go through or are in the bid process. The next phase is the construction phase.

- **Federal/State Projects Out-To-Bid (1)**

- **T-277.** The Cochran Rd bridge over Camp Creek in District 2 will be replaced. The bridge will have lighting, sidewalks, and new roadway approaches. Fulton County donated the last parcel on May 1, 2024, completing the ROW acquisition. *The construction let date was October 10, 2024, and bids are due November 6th, 2024. The project is funded through ARC's Roadway/ Bridge Upgrade program with local construction let. The estimated total cost is \$3.9 million, with \$422K in local funding towards construction.

- **TSPLOST II Projects in ITB (1)**

- **T-270 (B-504).** The design for Demooney Rd over Deep Creek Bridge Replacement, which has sidewalks on both sides, is complete. *The project is in the ROW phase. Once the five parcels are acquired, the project will enter the ITB phase for construction. The estimated construction let date is Fall 2025. The estimated cost is \$3.2 million.

- **TSPLOST I Projects in ITB (2)**

- **SU-700.** The final design of Flat Shoals Road Signal Upgrades and fiber communications will be from Mallory Rd to Old National Hwy. *Once the signal permits are approved, the City will prepare an ITB for advertising in November 2024. The estimated cost is \$4 million.
- **OSI-617.** The final design of Welcome All Rd @ Jaillette Rd intersection improvement, including sidewalks and streetlights. All four parcels were acquired. The City will prepare an ITB for advertising once final utility coordination is done. *Estimated October 2024 Construction let date. Once the contract is awarded by the Council and signed, the Notice To Proceed (NTP) will be sent to the approved contractor, estimated in January 2025. The estimated cost is *\$2.3 million.

4. Under Construction *(16) Projects

- **Federal/State *(6)**

- **T-280.** Oakley Road over Broadanax Creek bridge replacement in District 7. This GDOT-managed project includes sidewalks on both sides. The project completion date has been extended to *December 20, 2024. Williams Contracting Company, LLC has the contract at \$1,992,985.75. The project is funded through ARC's Roadway/ Bridge Upgrade program with GDOT let. The total cost is \$3,292,985.75 million, with \$50K in local funding. A detour was estimated to start June 6, 2024. As of September 3, 2024, a ROW issue and a utility issue have delayed the detour's start. GDOT will update the project completion date.
- **T-273.** Buffington Road from Rock Quarry Road to SR 14/US 29 is being upgraded. The bridge over South Fulton Parkway will be replaced. **T-272.** Additionally, Buffington Road from Royal South Parkway to Rock Quarry Road is undergoing upgrades, including shoulder sidewalks and operational improvements at each intersection. Both projects are in District 5 and are GDOT-managed. C.W. Matthews has been awarded both contracts for \$42.5 million, with \$3.1 million in local funding for utilities. The expected construction completion date is August 2026. *The project is on target with all parcels acquired. Utility relocation, storm drain installation, and retaining wall construction are ongoing. Throughout the construction process, temporary lane closures, traffic shifts, and detours may be implemented to ensure the safety of everyone in the area. However, no closures will occur from 6 am to 9:30 am and 4 pm to 6 pm, Monday through Friday.
- **T-266.** The sidewalk project along New Hope Rd between Campbellton Rd and Danforth Rd will include a roundabout at Boat Rock Road in District 1. It is 80% Funded through the ARC's Last Mile Connectivity Program and 20% in local funds. On March 19th, 2024, DAF Concrete, Inc. was awarded the contract for \$3,301,268 plus a 10% contingency. NTP will follow the contract signing. *Construction activity is estimated to start in November 2024.
- **OSI-624.** Converting Roosevelt Highway at Washington Rd signalized T intersection into a single-lane roundabout and other improvements in District 3. This is a GDOT-managed project. GDOT issued the NTP to Knight & Associates on November 30, 2023. The construction completion date is September 30, 2025. According to GDOT, the total cost is \$6,774,387.63, plus \$684,300 in local funding for utilities.
- **RS-417.** Full-depth Reclamation (Pavement Rehab) of 11 locations in the Fulton Industrial Blvd area in District 1 for 2.7 miles. There will be deep base repair where needed, milling, and resurfacing. Those roads are Frederick Ct, Waterfront Dr, Wharton Dr, Indeco Blvd, E. Great Southwest Pkwy, Westgate Dr, Bucknell Ct, Villanova Dr, Loyola Dr, Fisk Dr, and Greensboro Dr. The project was awarded to Atlanta Paving and Concrete Contractors, Inc. in an amount not to exceed \$2,956,048.40 plus 10% contingency for a total of \$3,251,653.24. LMIG State Funds will fund this project.

- **Capital Improvement Projects (1)**

- **T-284.** The Kimberly Rd at Cascade Rd intersection improvement projects will include a new traffic signal, repaving, and intersection striping. All parcels have been acquired. DCBC, LLC was awarded the contract for \$621,957.80, plus a 10% contingency for a total award of \$684,153.58. The total project cost, including design, is \$740,553.58. The estimated completion date is July 2025.

- **TSPLOST II Projects (3)**

- **T-276 (B-503).** Cochran Rd Bridge over Deep Creek replacement project in Districts 2 and 4. BRTU was awarded the contract for \$3,895,677.40 on September 26, 2023. The project is scheduled to be completed by the end of 2024, and the total cost, including design, is \$4,171,626. The culvert is being installed.
- **T-271 (B-506).** Fairburn Road upgrades from Cascade Rd to North Utoy Creek include sidewalks, North and South Utoy Creek bridge replacements, turn lanes, and other improvements in District 1. SD and C, Inc. was awarded the contract for \$8,454,703.64 with a contingency of 750,000. The total estimated cost is \$9,723,473. The estimated completion date is *May 30, 2025.
- **RC-127.** The Gullatt Rd. Full-Depth Reclamation project will occur from the I-85 bridge to McClarin Rd, next to the railroad tracks just before Roosevelt Highway. Gullatt Rd is partially in the City of South Fulton and partially in the City of Fairburn. An IGA was signed between both cities. The City of Fairburn led the construction project awarded to Blount Construction. The City of South Fulton will be responsible for 50% or \$337,306 of the construction cost (\$674,612) on the Gullatt Rd part of the project. The contractor must complete the work within 180 days of the July 8th, 2024, NTP by the City of Fairburn.

- **TSPLOST I Projects *(6)**

- **PBI-900.** Sidewalks and streetlights along both sides of Danforth Rd extending from Cascade Rd to Rehoboth Circle in District 1. CMC, Inc. has the contract for \$1,394,740. The total cost is \$1,770,551 million. The project's estimated completion date is December 2024. Sidewalk installation continues with utility relocation.
- **OSI-614.** Rivertown Road @ Cedar Grove Road intersection improvement, including a sidewalk and a roundabout in District 4. It was approved for construction at the October 10, 2023, City Council meeting to CMC, Inc. for \$2,786,641.10. The total cost is \$2,932,191.10. The construction completion date is March 2025. Utility relocation and grading are continuous.

- **OSI-602.** Butner Road @ Union Road intersection improvement will include streetlights and the addition of a roundabout to address congestion and reduce the severity of accidents at this intersection, sidewalks, and other improvements impacting districts 2 and 3. SD and C were approved for construction for \$3,813,696. A fully executed contract is in place. NTP was issued on January 22, 2024. The total cost is \$4,065,625. The construction completion date is February 2025. The detour started March 19th on Union Road, north of the intersection. Utility relocation, storm drain, and waterline installations are ongoing.
- **B-501.** Enon Road over Camp Creek Tributary bridge replacement and sidewalks in District 1 was approved for construction and awarded to Baldwin Paving Co., Inc. for \$1,814,805.02. NTP was issued on January 24, 2024. The total cost is \$2,137,978.02. *Due to utility delays, the construction completion date is estimated to be January 2025. There will be a complete bridge closure for 2-3 months, but efforts are being made to minimize the detour length to reduce inconvenience for all travelers on this route. A groundbreaking ceremony was held on April 26th. Utility work is ongoing.
- **P-901.** Enon Road sidewalks, along with streetlights on both sides, from Lynarbor Ln to Sanford J. Jones Blvd. to impact District 2. AEI is the Engineer of Record. The contract was awarded to DAF Concrete, Inc. for \$3,583,350 with a 10% contingency. The total estimated cost is \$4.2 million. NTP was granted on March 28, 2024, with an estimated completion date of October 15, 2025. Utility relocation and sidewalk placement are ongoing.
- ***OSI-613.** The Design is complete to improve the Stonewall Tell Rd @ Union Rd intersection, including streetlights, sidewalks, and a roundabout—also, the Old Fairburn Road @ Union Road intersection improvement. Due to proximity, the projects were advertised as a single project for construction. The bid closed on September 24, 2024. The estimated cost was \$4.3 million. *The Notice To Proceed (NTP) will follow the signing of the contract with the council-approved vendor.

5. Completed Projects (4)

• City of Atlanta funded project (1)

- **T-283.** A Culvert was replaced at the crossing of Loch Lomond Trail over Kimberly Creek. The City of Atlanta (COA) funded the installation of the culvert due to damage caused by a COA water main break in District 1.

• LMIG funded project (1)

- **Stacks FDR.** Full-depth Reclamation of Stacks Rd from Feldwood Rd to 1,000 feet west of Mallory Rd in District 5, with widening, paving, and striping. The project was awarded to Atlanta Paving and Concrete Construction, Inc. in an amount not to exceed \$688,506.90 plus 10% contingency for a total of \$757,357.59. *LMIG State Funds were used to fund this project. The project was completed on September 30, 2024.

• TSPLOST 1 Project (1)

- **OSI-604.** Improvements to the Campbellton Rd @ Stonewall Tell Rd intersection, including sidewalks, turn lanes, four streetlights, and a new traffic signal in Districts 1 and 2. CMC, Inc. was awarded the contract for \$3,174,180. *The total cost is estimated at \$3,361,538. Greystone Power activated the signal and turned the streetlights on, and a new alignment of Stonewall Tell Rd is in place. *The construction part of the project came in under budget at \$2,917,114.04.

- ***TSPLOST 2 Project (1)**

- ***TSPLOST II Resurfacing.** *There are 63 resurfacing projects throughout the City: Dist. 1(10), Dist. 2(7), Dist. 3(10) Dist. 4(12), Dist. 5(7), Dist. 6(8), and Dist. 7(6). Three (3) more projects intersect districts. All three are in District 3 and intersect Districts 2, 4, and 5. The 3-Tier Resurfacing Contract was approved for ER Snell for \$21,726,739.66. NTP was executed, starting with Tier 1's 27 resurfacing projects. *Tier 2's 18 resurfacing projects started in March 2024, and Tier 3's 18 resurfacing projects started in June 2024. *The updated Resurfacing Program schedule shows that all three tiers are completed.

DEPARTMENT OF PUBLIC WORKS

Antonio M. Valenzuela, Director

Jim Martinez, Deputy Director

INTRODUCTION

The Public Works Department is pleased to release the Project Updates Report for the various divisions- Planning, Capital, TSPLOST, and Engineering, Construction Operations and Maintenance, Traffic Operations & Maintenance, and Solid Waste.

The report is a reference document for all active projects in the City of South Fulton that are in various stages of implementation that include procurement, design, right-of-way acquisition, construction, and maintenance. Also, it outlines other standalone activities/programs, i.e., streetlights, utilities, and traffic calming.

The document is broken into three sections as outlined below:

- SeeClickFix allows residents and business owners to provide City of South Fulton staff with pictures, specific descriptions, and other valuable information needed to get the job done efficiently.
- Transportation Section contains information related to Construction Operations & Maintenance, Traffic Operations & Maintenance, and Utilities. A summary of the Capital Improvement (CIP) and TSPLOST projects is included; however, the factsheets are omitted from this report. Instead, the department launched a web-based real time project reporting tool using this [link](#) available on the Public Works homepage.
- The Solid Waste section updates the reader on the residential collection program in the city.

Noteworthy accomplishments include:

1. The Stacks Road Full Depth Restoration project has been completed.
2. Utility owners completed their work on the Enon Road Culvert Replacement and the bridge has been removed in preparation for placement of the new culvert. Enon Road is closed to thru traffic at the bridge.
3. OSI 613 Old Fairburn Road at Union Road/Stonewall Tell Invitation to Bid had ten bidders respond and the selected bidder is on the docket to be approved by Council in November.

SECTION I:

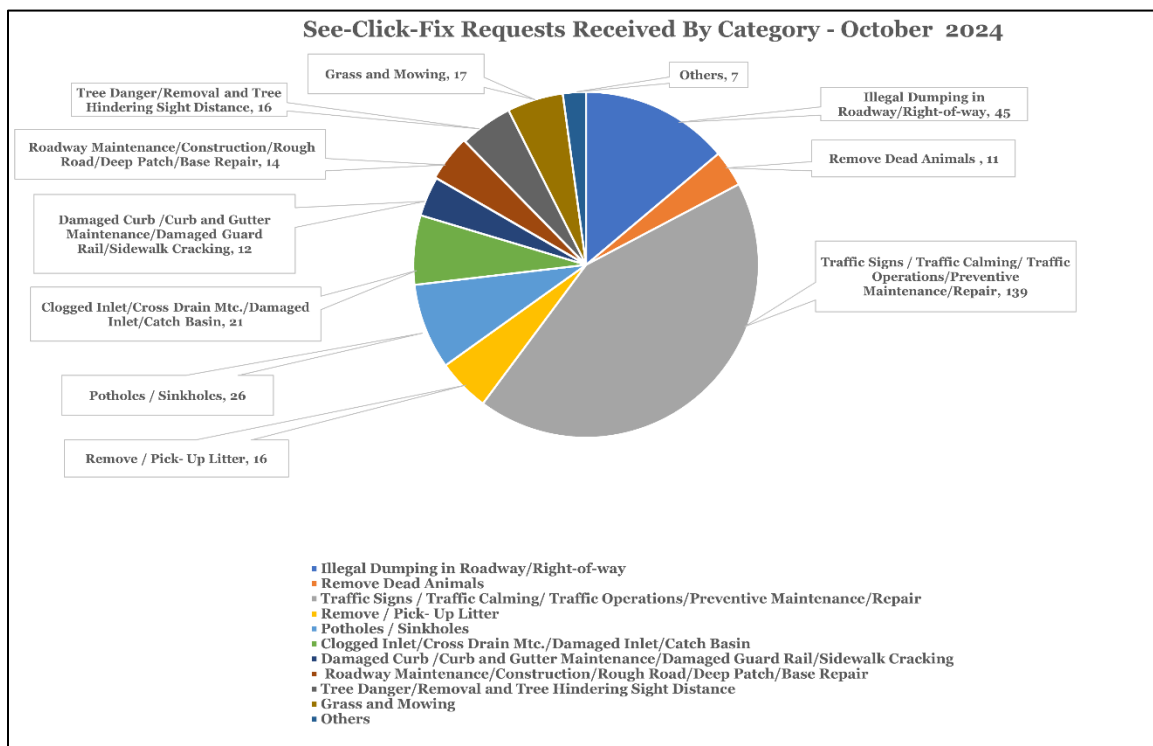

SeeClickFix

The City of South Fulton (COSF) 311 platform provides City officials with a centralized issue management system to manage issues from creation to resolution - engaging City of South Fulton residents throughout the process. The COSF mobile app and web tools allow residents and business owners to provide City of South Fulton staff with pictures, specific descriptions, and other valuable information needed to do the job efficiently. In addition, residents may seek information about city services or report non-emergency incidents by calling the city's **24-hour 311 Call Center at (470) 552-4311**.

SECTION II:TRANSPORTATION

City of South Fulton Public Works Department

CAPITAL AND T-SPLOST TRANSPORTATION UPDATES

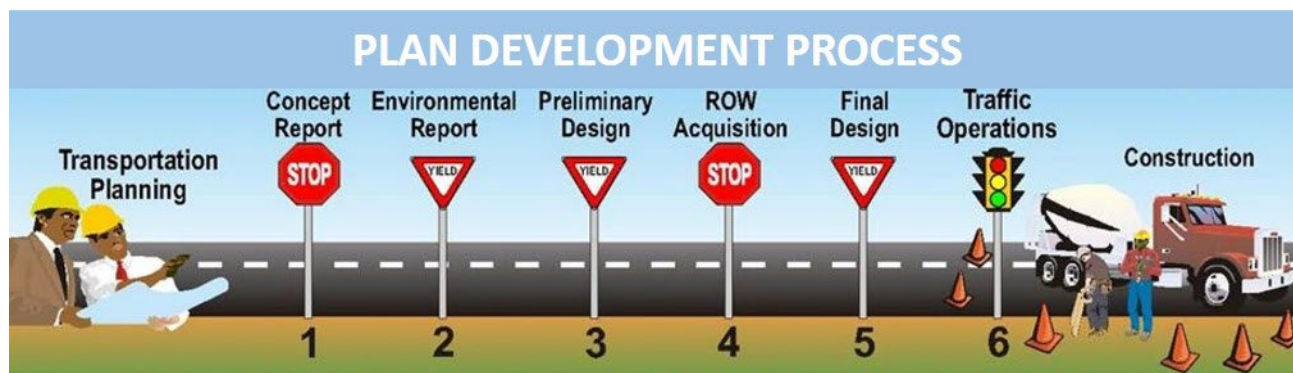

The City of South Fulton has a Capital and TSPLOST Program for implementing design projects that have been identified by City staff and stakeholders as a priority. Funding comes from the General Fund, TSPLOST sales tax collections and some Federal money.

TSPLOST-I program tax collections ended in 2022 and TSPLOST-II collections started in 2022 and will end in 2027. TSPLOST-I projects are being prioritized for completion and TSPLOST-II projects will soon be in the concept stage.

The delivery of projects is centered around GDOT's Plan Development Process (PDP). This process typically consists of the four major phases: Design, Environmental Clearance, Right-of-Way (Services and Acquisition) and Construction (including CEI). Additional details of these phases are depicted below, which detail the project development process utilized by Public Works.

The plan development process, start to finish, is illustrated below:

TSPLOST: Projects under construction

B 501 – Enon Road over Camp Creek Tributary (Bridge): There is currently a detour that will last up to 60 days to complete the bridge construction.

B 503 – Cochran Road over Deep Creek (Bridge): The contractor is working to begin placing the sections of the precast three-sided bridge the week of November 4th.

OSI 602 - Butner Road at Union Road (Roundabout): AT&T is completing their relocations to the new power poles on the poles. Asphalt paving is to begin on the north half of the roundabout. Contractor planning the transition to the south side of Union Road once old poles are removed and paving complete on the north side.

OSI 614 – Rivertown Road at Cedar Grove Road (Roundabout): GreyStone is working to properly relocate power poles so that all aerial utilities can move in advance of completing the middle of the roundabout construction. Coordination with the next-door construction of the fire station expansion has been successful. Aerial lines are being raised higher to provide adequate clearance.

P 900 – Danforth Road Sidewalks: Georgia Power is completing their pole and line relocations which will be followed by Comcast and AT&T. After old pole removal, the contractor will place the remaining sidewalk and drainage sections.

P 901 – Enon Road Sidewalks – The contractor has completed additional segments of the sidewalk work, but some areas are waiting on a few remaining utility relocations and guardrail coordination.

B 506 – Fairburn Road, Phase II (Bridge, Sidewalks, and signal upgrade) – The contractor is continuing to place sidewalk, curb and gutter, where possible. Other utilities are designing their relocations including City of Atlanta water, Georgia Power, AT&T, Comcast, and Atlanta Gas and Light. A significant effort will involve the placement of a bypass line for the water main in the vicinity of the bridges.

T 284 – Kimberly Road – The Pre-Construction meeting has been held and mobilization by the contractor will begin soon.

OSI 613 – Old Fairburn Road/Stonewall Tell Road at Union Road – Recommendations of the lowest most responsive bidder is scheduled for November 12th Council Meeting.

TSPLOST I: Projects moving toward construction

SU 700 – Flat Shoals Road ATMS – The GDOT Encroachment permit is expected to be submitted for GDOT approval in November, after which the city will prepare an ITB for advertising once the signal permits are completed.

OSI 617 – Welcome All at Jaillette Road – Several utilities have recently submitted their relocation plans. Some final consultant coordination with utilities remains before the city prepares and advertises an ITB.

Federally Funded Projects.

T 266 – New Hope Sidewalks – Final items are being prepared to grant the contractor, DAF Concrete, their NTP. Construction kickoff activities anticipated by early November.

T 277 – Cochran Road at Camp Creek (Bridge) – Bids will be received by November 6th , afterwards the city will select a contractor to perform the construction work.

T 265 – Old National Highway Sidewalks – GDOT programmed Letting June 2025; Consultant has completed final plan for review and acquisition of GDOT encroachment permit. Final items being prepared to obtain ROW Certification.

TSPLOST II and Capital Projects

Seven TSPLOST II Intersection Improvement projects - Bethsaida Road at Creel West, Aldredge Road and Merk Road, Bethlehem Road and Cedar Grove Road, Butner Road at Aldredge Road, Old Fairburn Road at Thaxton Road, Ono Road/Hobgood Road at Rivertown Road, Union Road at

Thames Road and one Sidewalk project – Union Road are in the Concept development and alternative selection stage and will soon be advancing to public meetings. Design will be validated and authorized after concept.

The Jones Road and Hall Road paving and culvert replacement projects are in a design effort through concept which is being refined with new survey data before an expected joint public meeting in January. Design will be validated and authorized after concept.

Rocky Head Road, Thames Drive, and Oxford Road are in the design effort through concept – reports are under review for alternative selection after which public meetings will be held. Design will be validated and authorized after concept.

GDOT Projects within South Fulton

T272/T273: Buffington Road Projects - Road widening and sidewalks ROW clearance continue in advance of both overhead and underground utility work. Work on retaining walls is continuing. Projected completion in the summer of 2026.

T 280: Oakley Road over Broadanax Creek - Project completion TBD, with a detour still on-hold pending GDOT resolving a ROW issue and a Comcast utility issue.

T-285: SR 92 @ Butner Road/Ridge Road Roundabout – Final Design and ROW Acquisition continuing while planning a February 2025 Letting.

OSI 605: SR 92 @ Jones Road/Demooney Road Roundabout – Design continuing with a PFPR to be held December 2024; ROW Authorization expected by January 2026. Let Date early 2027.

OSI 624: SR 14 at Washington Road Roundabout construction continues with grading operations with a projected completion in late 2025.

PI0019647: FIB and Westpark – Concept is under development.

PI0019841: SR 138 at Bethsaida Road – Concept is under development.

Bridge Repairs and Maintenance – Work on 32 bridges has been completed. The contractor has presented a design for the CSX Railroad to review for work on two bridges and is waiting on a design of a partial wingwall replacement on a third bridge. Additional bridge work is being prepared through a change order soon to be presented to the Council for approval.

Scope of Work Performed This Month

Work items performed between the monthly report dates detailed above:

- * Water main relocations completed 10/10/2024.
- * 60-day road closure and detour enacted 10/14/2024.
- * Removed existing bridge and excavated/installed diversion channel.
- * Began installing precast culvert sections 10/28/2024.

Progress and Schedule

The Physical Project Status is **18%** completed as of the period ending date above.

The targeted Project Schedule Status was predicted to be **100%** as of the period ending date above.

Project delays have been related to weather as well as unforeseen utility delays related to water and AT&T. Contract time extension request is in progress received 10/22/2024 (under review). Anticipated new completion date of 03/04/2025.

Scope of Work Planned For Next Month

- * Complete Culvert installtion and backfill.
- * Construct remaining 18 inch storm drain "B" Line .
- * Prepare for construction of new roadway over culvert and install guardrail in preparation to reopen the roadway.

Scope of Work Performed/Planned This Month

Work items performed between the monthly report dates detailed above:

- * Completed pile cap foundation concrete pour on Bent-2
- * Started back fill on Bent-2
- * Started Three-sided precast Bridge installation,
- * Erosion control maintenance / Silt fence after hurricane flooding.
- * Continue 24/7 pumping of stream and ground water.
- * Established bypass pump station after heavy flooding and re-set up pumps.

Progress and Schedule

The Physical Project Status is 60% completed as of the period ending date above.

The targeted Project Schedule Status was predicted to be **90%** as of the period ending date above.

Project delays have been related to Weather condition (Rain), Flooding, Dewatering, Ground water, Nature of unsuitable soil foundation, the necessity to build dam to bypass the water due to the existing stream bed being higher than designed.

Hurricane Helene caused significant flooding in the area and loss of Contractor's equipment and disrupted contractor's schedule

Scope of Work Planned for Next Month

Work items planned for next month:

- * Complete Three-sided precast Bridge Installation.
- * Complete structural Back fill around the bridge on both Bent-1(South Side) and Bent2(North Side)
- * Start Rip rap installation
- * Continue dewatering during activities at work zone.
- * GAB installation
- * Asphalt paving, as weather allows

Scope of Work for this Month

Work Breakdown Structure (WBS) and performance report:

- Relocation of 1 Water meter on Butner Road as per change order by City of Atlanta Watershed.
- Commence Traffic Circle Installation
- Installation 4" stamped concrete in 2' wide beauty strip
- Maintain Erosion and Traffic Control
- Installation of Storm Drainage Structures at Driveways (STA: 23+04RT and STA: 24+58RT)
- Refresh and Compact G.A.B installation on the Northside of the Project to receive asphalt base when utility poles are removed

Progress and Schedule

As of the time of this report our estimated level of completion is **62%** of the entire project. Project delays have been related to unforeseen utility delays related to ATT relocating in 3-4 weeks.

Scope of Work Planned For Next Month

Work items performed between the monthly report dates detailed above:

- Complete all water installations.
- Commence Asphalt installation on compacted G.A.B surface on Northside of Project
- Implement Traffic Shift within 4-5 weeks due to AT&T and GreyStone pole relocation.
- Commence curb and gutter, driveway, and sidewalk installation (STA: 16+00LT to 19+00LT and 21+00RT to 25+52RT)
- Maintenance of Erosion Control Installations
- Maintain Traffic Control

Scope of Work Performed This Month

Work items performed between the monthly report dates detailed above:

- * Poured Curb and Gutter in roundabout to include truck apron STA 20+00.
- * Poured curb and gutter 17+00 to 20+00 .
- * Grading and subgrade preparation STA 13+00 to STA 19+00, STA 23+00 to 21+00, and STA 40+00 to STA 44+00. Placed GAB at same.
- * Waterline relocation to fire station completed STA 18+00.
- * Working to obtain easement on Parcel 2 for the relocation of Greystone Power pole and guy wires. Fulton County Board to review on 10/02/2024.

Progress and Schedule

The Physical Project Status is **28%** completed as of the period ending date above.

The targeted Project Schedule Status was predicted to be **71%** as of the period ending date above.

Project delays have been related to unforeseen utility delays related to water, cable, and power and obtaining easement from Fulton County on Parcel 2 (still waiting).

Scope of Work Planned For Next Month

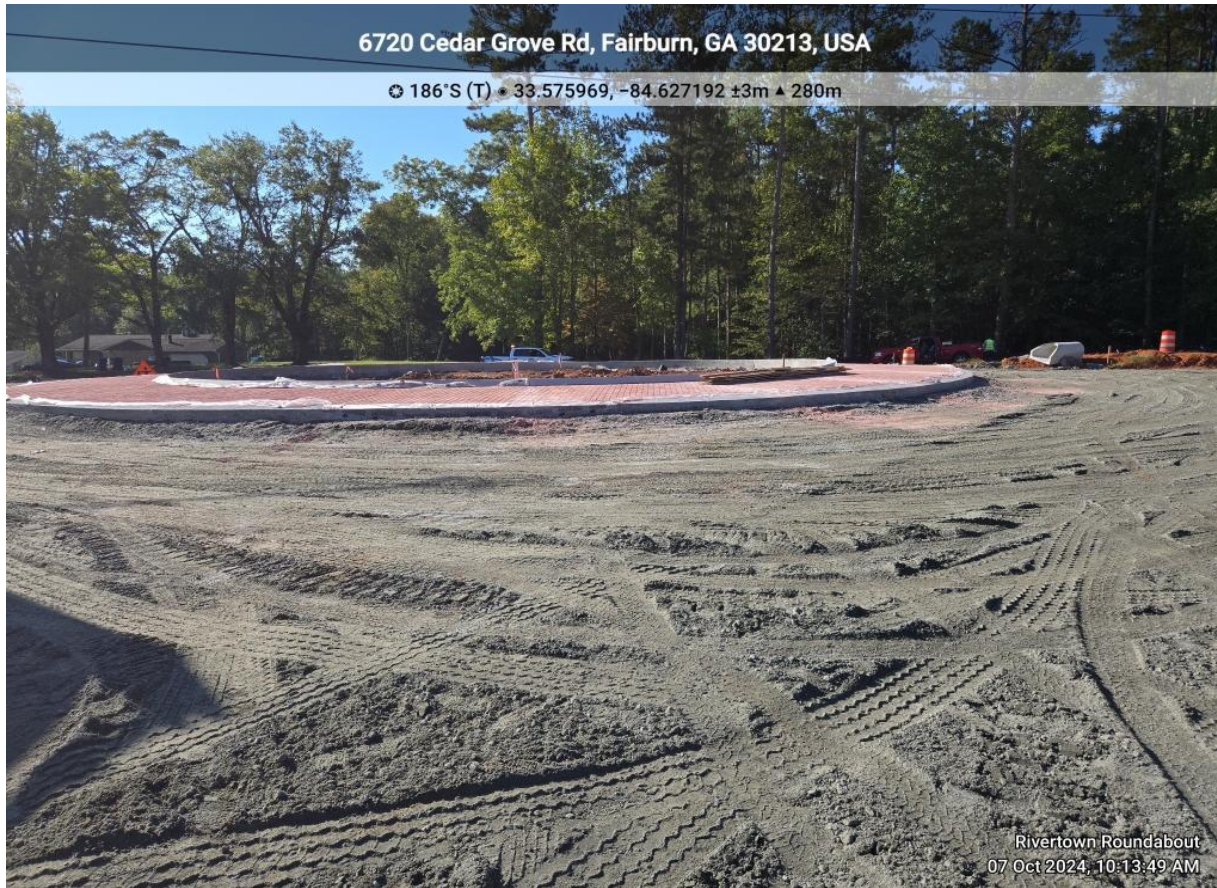

- * Continue subgrade construction and GAB installation working around final utility relocations required.
- * Complete curb and gutter and 18 inch storm drain system from STA 15+50 to STA 18+00.
- * Install side drain pipes, curb and gutter, and continue grading and drainage to include finish grading for shift to Stage 2.
- * Coordinate with Fire Station #6 construction project to provide proper tie-ins and prevent delays/conflicts including relocation of power poles and guys.

WUCS	Siddharth Balar	678-283-5760	CMC, Inc.

Scope of Work Performed This Month

Work items performed between the monthly report dates detailed above:

- Work on hold due to pending Utility relocation. (Comcast and AT&T needs to complete their relocation off the pole line and Ga Power to come back to remove poles in conflict with sidewalk construction.)
- No activity. Storm drainage C5.1-C5.2 is on hold due to underground power cable and pole that needs to relocate.
- Storm drainage A1-A2 on hold. CMC Inc submitted the RFI for Storm drainage A1-A2. Designer sent recommendation and will be installed next month.
- Sod installed on majority of the area. Waiting for all utilities to be clear.

Progress and Schedule

The Physical Project Status is **80%** completed as of the period ending date above.

Project delays have been related to unforeseen utility delays related to water, cable, gas, and power.

Scope of Work Planned For Next Month

Work items performed between the monthly report dates detailed above:

- Waiting for Utility and Lighting work to finish so remaining concrete, storm drainage and Sod work can finish.
- Install Storm drainage A1-A2

Scope of Work Performed This Month

Work items performed between the monthly report dates detailed above:

- * Installed 18 inch RCP storm drain "B" line 315+00 to 306+00.
- * Installed curb and gutter and sidewalks from STA 300+00 to STA 320+00 & 200+00 to 220+00.
- * Installed guardrail STA 262+00 to STA 255+00.
- * Raised parapet and wingwalls to retain slope STA 228+00 and 327+00.
- * Installed curb and gutter, sidewalks, valley gutters and driveways from STA 315+00 to STA 308+00.
- * Constructed slopes and shoulders, installed sod, grassing, and mats STA 333+00 to STA 345+00 and 233+00 to 245+00.

Progress and Schedule

The Physical Project Status is **73%** completed as of the period ending date above.

The targeted Project Schedule Status was predicted to be **37%** as of the period ending date above.

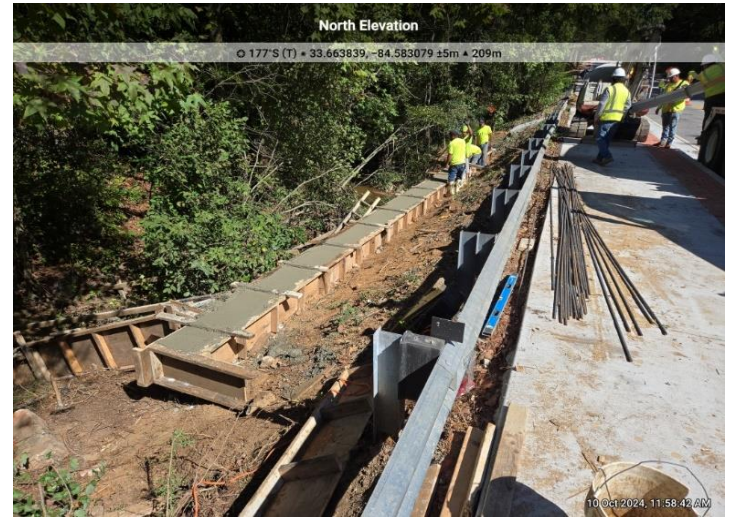

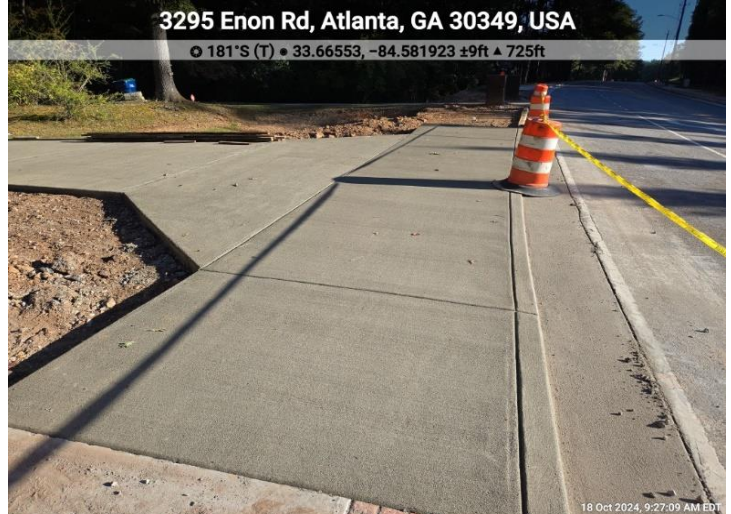

Scope of Work Planned For Next Month

- * Complete "B Line" storm drain system 18 & 24 inch from STA 305+00 to STA 315+00.
- * Complete curb and gutter and sidewalk from STA 317+00 to STA 305+00.
- * Complete finish grading in areas requiring grassing and prepare for installation of remaining 2 ft. beauty strip and remaining guardrail.

Scope of Work Performed This Month

Work items performed between the monthly report dates detailed above:

- Sidewalk projected and completed; between stations 149+75 to 151+31.32; then between stations 51+16 to 53+00; and then between stations 153+40 to 155+05
- One wheelchair ramp completed at structure B-1
- Grading, filling GAB, installing curb/gutter between stations 48+00 to 150+25
- Storm drain and structures installation completed: Structure C-1
- Spillway completed at structure C-1

Progress and Schedule

- **60%** completion of grading, GAB, Curb & Gutter, sidewalk installation and Storm drain installation.
- GA Power relocation, AT&T, Comcast, and Gas line work completed 0%
- 25% water lines relocated and adjusted valve box to grade.

Scope of Work Planned For Next Month

Work items performed between the monthly report dates detailed above:

- All types of Utility lines are major hindrances to this project. (Gas lines, water lines, Comcast lines, ATT lines and Atlanta light power lines. Request is therefore putting before the City Project Manager to enforce any compliances that will augment the progress of the project.
- **PROJECT PROJECTIONS: -**
- Grading, filling GAB and Installing Curb and Gutter at Cascade and Fairburn intersection
- Demolish existing Curb and gutter from station 144+42 to 147+00
- Reinstalling Curb and Gutter, sidewalk, and stamped concrete from station 153+57 to 155+05
- Installing stamped concrete from station 155+05 to 162+00

Progress Photos are below:

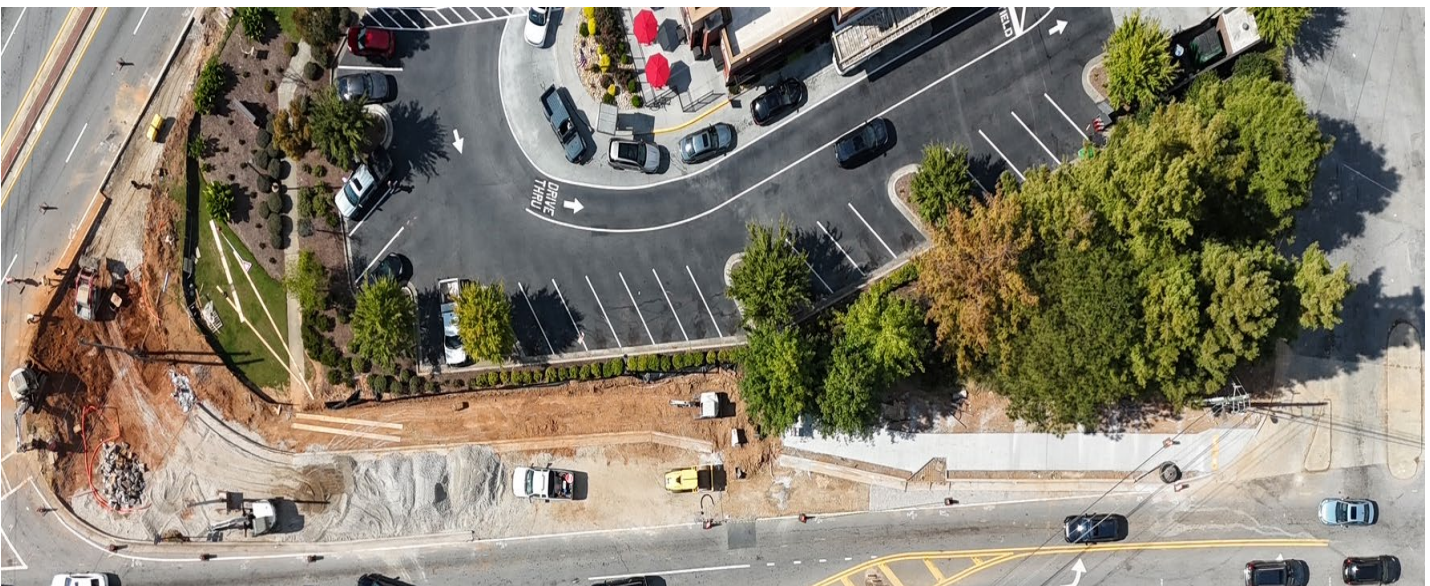

- Grading for sidewalk, beauty strip and realignment of the right turn lane

SECTION IIA: CONSTRUCTION OPERATIONS

Right of Way Maintenance is required to provide safe and multi-use roadsides. A well-maintained right of way promotes a positive quality of life and is integral to the other functions such as utility installations, vehicle emergencies and sign placements. Right of way Maintenance serves to maintain a safe zone adjacent to the road pavement, improves drainage of stormwater from the road surface, and creates an attractive vista along road corridors. Accomplishments this month include:

SECTION IIB: TRAFFIC OPERATIONS

City of South Fulton Public Works Department **TRAFFIC OPERATIONS**

The Traffic Operations Crew is on constant patrol in the City of South Fulton to ensure that all signs and signals are clear to see and work properly. This consists of approximately 35,000 static signs, 64 Traffic Signals, 16 Traffic Beacons, 40 School Flashers and numerous Solar Flashing signs.

In the month of October 2024, the Traffic Operations Department has acquired 119 new requests and has closed 110. The following is the number of materials used.

	District						
	1	2	3	4	5	6	7
ANCHOR	7	5	5	4	8	6	3
POST	5	4	3	4	8	6	2
REPAIRED	7	10	9	3	9	8	7
INSTALLED	10	8	12	8	10	9	9
REMOVED	7	5	9	3	2	2	7
SIGNAL	2	1	0	0	0	0	0
OTHER	4	2	0	0	0	4	3
CLEANED	10	6	7	8	6	8	6

These are the special projects that Traffic Operations are currently working on or completed this past month.

DECISION MEMO

To: Mayor and Council

Through: Dr. Marc Antonie Cooper, Assistant City Manager

From: Antonio Valenzuela

Date: October 28, 2024

Subject: **TRAFFIC CALMING PROGRAM – OCTOBER UPDATE**

The Department is pleased to provide an update on the Traffic Calming Program that includes our accomplishments for the month of October, ongoing projects, requests to date, and upcoming meetings.

1. Accomplishments

a. Public Information Meetings (PIM) Held

The Department didn't hold any PIM in October

b. Installation of Speed Tables

As shown in Exhibit A, Georgia Paving installed:

- Four (4) speed tabled Shamrock Drive in the Retreat at Jones Mill in District 3 on October 17.
- Three (3) speed tables on Bellwood Circle in Stonewall Manor Subdivision in District 3 on October 18.
- Two (2) Speed tables on Cavender Drive in The Falls at Cascade Palms Subdivision in District 2 on October 21.

2. Requests to Date

A list of requests to date, including status is tabulated as Exhibit B.

3. Upcoming Installations

Staff is currently drafting an Invitation-to-Bid (ITB) to solicit the services of a vendor to install speed tables in the Woodside Hills and Sandtown Center subdivision. The Goal is to advertise and, award to the lowest bidder, and install the speed tables in November.

Should you have any questions or comments, please free to contact me at (470) 809-7451 or at Antonio.Valenzuela@cityofsouthfultonga.gov

Traffic studies are conducted based on the evaluation of day-to-day traffic concerns, and considering requests from the residents in the City of South Fulton. Recommendations are made for the installation of traffic control and traffic calming devices. Types of traffic studies include All-Way Stop Warrant Studies, Traffic Signal Warrant Studies, and Traffic Calming Studies. These studies follow the federal Manual on Uniform Traffic Control Devices (MUTCD) standards and Georgia Department of Transportation (GDOT) standards. The goal of these studies is to improve the mobility, safety, and capacity of the city's infrastructure.

Traffic Studies completed – October 2024

1. Pinetree and the Meadows of Pinetree HOA Subdivision (Kimberly Mill Road) – Traffic Engineering Study

During the week of October 7, 2024, Staff conducted a traffic engineering study along Kimberly Mill Road in the Pinetree and Meadows of Pinetree subdivision. Based on speed data analysis and the city's traffic calming policy (2024-004), it is recommended that traffic calming measures are warranted on Kimberly Mill Road. In accordance with Section 9 of the ordinance, staff will develop a traffic calming conceptual plan to identify traffic calming measures that can be implemented to mitigate the speeding problem identified by the data collected.

SECTION IIC: UTILITY PERMITS

UTILITY PERMITS

Purpose of utility permits is to help the City of South Fulton staff track and manage construction operations more efficiently. Each utility permit contains a unique reference number, special requirements before/ during operation, procedures, and contact information in case of emergencies. All this information is essential when dealing with construction operations in our Right of Way.

Permits	Locations	Scope of Work	Status
RWEP-855	2310 Kingston Dr	Comcast is to excavate, bore, & install 4455' new 24ct fiber to be pulled through new 2" conduit within the row Old Campbelltown Rd SW, Red Hibiscus Ct, and Old Kingston Dr to provide service to 2310 old Kingston Dr.	Complete
RWEP-856	8975 Clark Rd	Install 35/5 service pole to feed a light pole, that sits 15' E.O.P. Light pole will sit 30' off DOT R.O.W. shining towards the house.	Hasn't Started
RWEP-857	305 Bucknell CT SW	Comcast is to excavate, & install 5' new 0.625" UG coax cable to be pulled through new 2" conduit within the ROW of Bucknell Ct SW to provide service to 305 Bucknell CT SW	Complete
RWEP-858	Castleton Dr.: 8243, 8245, 8236, 8234, & 8230	Water meter install	In progress
RWEP-859	3408 & 3412 Ripple Loop	Water meter install	Hasn't Started
RWEP-860	Ripple Way: 6218, 6222, & 6226	Water meter install	Complete
RWEP-861	2685 Jerome Rd	Water meter install	Hasn't Started
RWEP-862	8815 Gullatt Rd	Water meter install	Hasn't Started
RWEP-863	6590 Jones Rd to 6610 Bobby John Rd	Comcast to build 1299' of new .25 strand and .625 coax to existing poles, within the ROW of Bobby John Rd., to provide new service	Hasn't Started
RWEP-864	5185 Cascade Rd - 1339' Southwest of Carlo Woods Dr SW CL	Directional bore 64' of 1/2" MHP PLS gas service to provide natural gas to the residential site	Hasn't Started
RWEP-865	2888 W Stubbs	Comcast is to over-lash 773' new 24ct fiber to existing GSPC poles then riser down 25', excavate, bore, & install 237' new 24ct fiber to be pulled through new 2" conduit within the ROW of W Stubbs Rd to provide service to Twin Shoals at 2888 W Stubbs Rd	In Progress
RWEP-866	6590 Jones Rd to 6610 Bobby John Rd	Comcast of Georgia to build 1299' of new .25 strand and .625 coax to existing poles, within the row of Bobby John Rd, to provide new service	Hasn't Started

Permits	Locations	Scope of Work	Status
RWEP-867	33.749748 - 84.551069 (4670 Fulton Industrial Blvd)	Relocation of 1 solar powered ALPR due to damaged camera. Previous location approved/installed 33.749916 - 84.551203. Request to relocate to 33.749748 - 84.551069 (4670 Fulton Industrial Blvd). The installation will be on 12ft flock pole and solar powered.	Hasn't Started
RWEP-868	Kensington Ct	Comcast will excavate, bore, & install 129' new 0.625" UG coax cable to be pulled through a new 2" conduit within the ROW of Kensington Ct to replace existing damaged cable.	In Progress
RWEP-869	5155 Water Run Ct - Lakeside Estates Subdivision	Install 1565' x 2" gas plastic main - Install 75' x 1/2" gas plastic service to 21 lots. Street cuts may be required.	Hasn't Started
RWEP-870	Between 6585 and 6600 Plummer Rd	Greystone power will change out existing poles in the ROW. Poles are decaying at the top and below ground level.	Complete
RWEP-871	8275 Rivertown Road, Fairburn, Ga, 30213	Pulling three-phase tap and a single-phase across Rivertown Rd to serve as the riser poles on the back side of the loop for the Brooke at Rivertown subdivision development.	In Progress
RWEP-872	5800 Tulane Dr SW	Comcast will pull 275' new 24ct fiber through existing roll duct within the ROW of Great Southwest Pkwy SW to provide service to 5800 Tulane Dr SW.	In Progress
RWEP-873	6040 Park Close	Comcast to excavate, bore, & install 49' new 0.625" coax cable to be pulled through new 2" conduit within the ROW of Park Close to replace existing damaged cable.	Complete
RWEP-874	5920 Tulane Dr SW	Comcast to pull 100' new 24ct fiber through existing roll duct within the ROW of 5920 Tulane Dr SW	Complete
RWEP-875	Work begins 190' East of Cascade Pkwy along both sides of Cascade Rd Right of Way	Georgia Power to install 2 new 45' wood poles and 111' of 3-1/0ACSR+1/0ACSRN OH Wire along and across Cascade Rd Right of Way to service a new development. Total footage 111'.	Hasn't Started
RWEP-876	Begins 530' west of Jaillette Rd SW on the north side of Welcome All Rd - Ends approx. 778' west of Jaillette Rd SW on the south side of Welcome All Rd	Georgia Power to install 286' of 3-1000ALLC underground electric conductor along and across Welcome All Rd in order to service a new customer.	Hasn't Started
RWEP-877	Begins 450' north of Roosevelt Hwy on the east side of Welcome All Rd - Ends 1127' south of Scarborough Rd SW on the west side of Welcome All Rd	Georgia Power to replace 22, 40' to 50' wood poles; 6 out of right of way, with 60' wood poles and install 3474' of 3-397AL + 4/0ALN overhead electrical conductor along and across Welcome All Rd to service new customer.	Complete

Permits	Locations	Scope of Work	Status
RWEP-878	2504 Hughes Ct SW	Comcast to excavate, bore and install 125' new 0.625" ug coax to be pulled through new 2" conduit within the row of Hughes Ct SW to repair existing damaged cable	Complete
RWEP-879	3155 Old Jonesboro Rd Fairburn, GA 30213	Comcast to over-lash, pull thru, and install a 1824' 24CT of .5 fiber cable along 10 existing poles and in existing 2" conduit, including 1822' over-lash and 2' pull thru in existing ROW. Then continue construction on private property to service 3155 Old Jonesboro Rd.	Complete
RWEP-880	1503 Fairburn Rd. SW at City Limits north along Fairburn Rd. SW to Utoy Springs Rd. SW; then, northeast along Utoy Springs Rd. SW to Cascade Rd.; then, west approx. 100' to existing Bandwidth IG hand hole	Placement of 3994' of 3-1.5 " HDPE conduits (1 e/w 1728 fiber optic cable, 1 vacant e/w tracer wire and 1 vacant e/w mule tape) and 4 36"x60"x36" hand holes. GA-FC-LH-10	In Progress
RWEP-881	4107 Danforth Rd SW, - 784' east of Reunion Pl SW CL	Directional bore - 57' of 1/2" MHP PLS gas service to provide natural gas to the residential site. Tie-in to the existing 4" MHP STL gas main	Hasn't Started
RWEP-882	7876 Plantation Rd, from intersection with Oakley Industrial Blvd, continuing south for 541' to new subdivision	Open trench 585' of 4" MHP PLS gas main and 12' of 2" MHP PLS gas main extend existing gas main system and provide natural gas to new subdivision. Tie-in to the existing 6" MHP PLS gas main.	In Progress

SECTION IID: STREETLIGHTS

City of South Fulton Public Works Department

STREETLIGHTS

The Streetlight Program is established to address the need for adequate illumination of public streets or roadways within the City of South Fulton. The goal is to aid in the safety and systematic movement of vehicular traffic within the public traveled roadway. Lighting on roadways is not provided for personal security, such as lighting of yards, driveways, or private property. In-house staff assesses requests from residents, conducts field visits and works with power companies to address inquiries for new lights, repairs, and upgrades.

On July 9, Mayor and Council approved a resolution adopting the Streetlight Masterplan. The masterplan provides options for street and pedestrian light poles, styles, spacing, lighting technology and control, and appropriate lighting levels for various locations such as: state roads, arterials minor residential streets, major street corridors including those with existing and proposed bike lanes, controlled intersections, roundabouts, uncontrolled pedestrian crossings, transit station street areas, and parks.

Additionally, the city is looking at various alternatives to upgrade the infrastructure, including solar lights. The city has spoken with a vendor with a good experience record in providing high-quality solar lighting solutions. Two TSPLOST projects where the city has investigated the possibility of solar lighting are the combined OSI 601/OSI615 Old Fairburn Road-Stonewall Tell Road at Union Road roundabouts projects for overhead lighting and the P 901 Enon Road Sidewalk project for pedestrian scale lighting. Procurement options include a monthly fee to the power company or a one-time upfront purchase and installation cost to consider for each. The return on investment is 8-10 years. The department received a quote from the vendor for both locations that is currently being evaluated by staff.

Requests for streetlights- new and upgrades- received to date are detailed in Exhibit A. There is an ample number of streetlights proposed during the construction of our capital and TSPLOST projects. The estimated number of lights, by project id, are listed in Exhibit B.

SECTION III:

SOLID WASTE COLLECTIONS

The City of South Fulton Public Works is tasked with regulating solid waste activities inside the city limits for commercial and residential properties. This includes education and outreach, recycling events, operations of Merk Miles Citizens Convenience Center, solid waste services for city facilities, and collection of franchise fees.

Transition of Residential Cart Delivery Update

Solid Waste recently hired an employee responsible for cart delivery. The intent is to improve customer service by reducing the time to complete requests for cart delivery and repair.

Solid Waste began delivering carts on October 22. Please welcome Damion Wynter to our team.

Residential Solid Waste Program

Requests for Service

Requests for service numbers have normalized. We service over 40,000 residents every week, in addition to 60 new home requests for solid waste service for the first time per month. On average 63 new homes are added for service monthly. This addresses Goals 1 and 3.

Table 1: Monthly Requests for Service from TracEZ

Requests for Service				Average Since June 2023
Item	Aug	Sept	Oct	
Back Door Service	2	2	5	5
Extra Cart Request	43	20	26	132
New Construction-Add New Service	51	60	60	63
Bulk Scheduled Service Requests	361	322	399	334

Source: TracEZ

Special Events

The next Paper Shredding and Recycling Event will be held with District 3 on Saturday, October 26 at Welcome All Park. A joint event with Fulton County will be held November 15th at Cedar Grove Park from 9-12 noon.

Complaints

Damaged cart complaint levels continue to remain low. Missed Back Door and all other complaints remain flat. Please see Table 2.

Table 2: Monthly Complaints by Category

Service Complaints				Average since
Item	Aug	Sept	Oct	June 2023
