CITY MANAGER'S REPORT

JANUARY 2025

PRESENTED BY:
SHARON D. SUBADAN
ICMA-CM, MPS, CPM

Greetings, Honorable Mayor and City Council Members,

January represents a time for new beginnings, fresh perspectives, and a kickstart to new goals. My staff and I are eager to accomplish the city's goals as the year begins. We have so much to be proud of as a city and community. I look forward to all the great things ahead in 2025.

We began the year with our City Council Retreat at Lake Lanier. In early January, Georgia experienced a winter storm with a blanket of snow. Another winter storm brought us black ice and freezing temperatures two weeks later. During this time, the Public Affairs team provided timely communication to our community's residents and business owners. Our Public Works Department rose to the occasion with sanding and snow plowing activities that are so unusual in our City. Additionally, our community engagement team provided live assistance to our residents. I want to express my gratitude to our state and local partners and a big THANK YOU to our team: Police, Fire, General Services, Parks & Recreation, who were vigilant in responding to our city's needs and ensuring our community was safe and attended to throughout both storms. Thank you, Mayor and Council, for supporting the decision to close city facilities to ensure the safety of our employees and their families.

On January 13th, we hosted the City Hall Ribbon-Cutting ceremony for our residents, community stakeholders, and businesses to join us as we celebrated re-opening the newly renovated space at 5440 Fulton Industrial Boulevard. The support from the staff and community was outstanding. There's so much to be proud of, but we can all agree that having a Council Chamber is a tremendous upgrade. I can't thank our General Services Director, Gregory Dyson, enough for his hard work, patience, and commitment to this project. It was a heavy lift coinciding with our move to City Administration.

At our first Council meeting in the new Chamber, I presented the 2024 State of the City Administration and 2024 Accomplishments report to you, our residents, and stakeholders. I hope you all have had the opportunity to review the [State of The City Administration 2024](#) report. This was an inspiring showcase of the exceptional achievements across all City of South Fulton departments. From the ground-breaking progress of Public Works to the unwavering dedication of Public Safety, this comprehensive report highlights the tireless efforts of our staff to deliver and enhance the quality of life for every resident.

The city hosted the South Fulton Municipal Association meet-and-greet with State Legislators. I participated in the Georgia Municipal Association (GMA) Cities United Summit. Congratulations to our Parks and Recreation Department for receiving the first Vision City Award. We attended an excellent meeting with the City of South Fulton's State Legislative Delegation and received an update on their response to the City's legislative requests. I was pleased to accept a franchise fee check for \$1.9M from Greystone Power at the end of the month.

Thank you for entrusting us to manage the city's affairs. Please accept this report as a summary of the City's successful outcomes for January FY2025.

A handwritten signature in black ink, appearing to read 'Sharon D. Subadan', written in a cursive style.

Sharon D. Subadan, ICMA-CM, MPS, CPM

City of South Fulton – Mayor & Council Financial Summary (January 31, 2025)

As of January 31, 2025, the City has completed **four months (33.3%) of the fiscal year**, with eight months remaining. The summary below provides an overview of expenditures by category for all Mayor and Council, while the subsequent page presents a breakdown by district and category.

Budget Overview by Category

- **Personnel Services & Employment Benefits**
 - **Modified Budget:** \$484,316.00
 - **YTD Expenditures:** \$171,529.25 (35.4%)
 - **Remaining Balance:** \$312,786.75
- **Purchased/Contracted Services**
 - **Modified Budget:** \$318,502.41
 - **YTD Expenditures:** \$93,315.51 (27.7%)
 - **Encumbered:** \$923.82
 - **Remaining Balance:** \$224,263.08
- **Supplies**
 - **Modified Budget:** \$247,493.59
 - **YTD Expenditures:** \$111,319.08 (48.5%)
 - **Encumbered:** \$500.00
 - **Remaining Balance:** \$135,674.51

Key Insights & Considerations

- **Personnel expenditures** are on track, slightly exceeding the four-month benchmark.
- **Purchased/contracted services** remain under budget, allowing flexibility for future needs.
- **Supplies expenditures** are ahead of schedule, requiring close monitoring.

Note on P-Card Transactions

The January 2025 P-Card transactions are not included in this report. These expenditures must be prepared and uploaded into the financial system before they are reflected in the financial statements. As a result, P-Card expenses will always be reported on a one-month delay.

Further district-specific breakdowns by category are available on the subsequent page.

Increase Community Collaboration & Quality of Life.

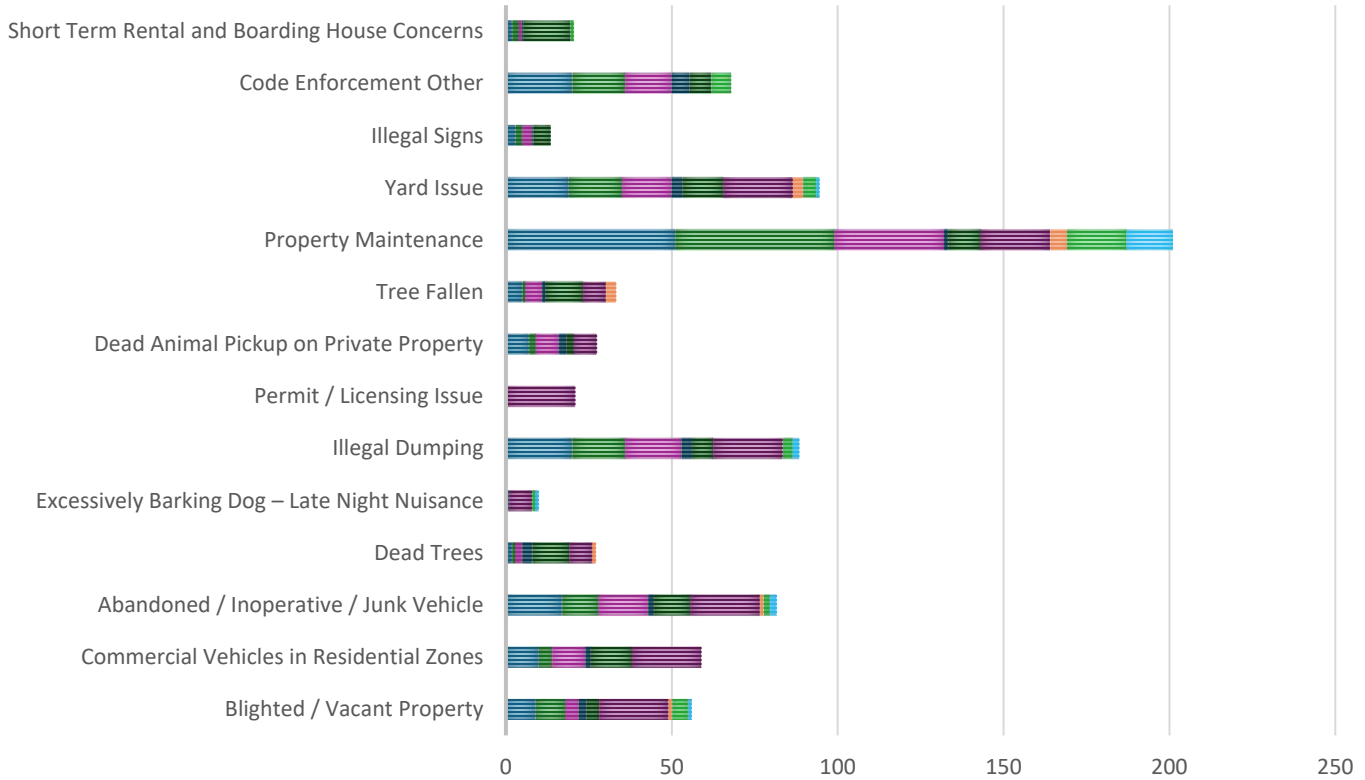

January 2025 Municipal and Code Board Cases

Court Case Results

JANUARY 2025 SEECLICKFIX VIOLATIONS REPORT

"Eradicating Signs in The Right of Way"

In an effort to maintain a clean and safe public environment, Code Enforcement officers removed approximately **425 illegally placed signs** from public rights-of-way throughout the city during the month of January.

We understand that businesses may wish to advertise, however, it's crucial to adhere to city ordinances governing sign placement and usage.

To avoid potential violations and fines, we encourage all businesses to review the relevant city codes regarding signage.

Code Enforcement officers are available to answer any questions and provide guidance on proper sign placement.

Please note that continued violations of sign ordinances may result in further enforcement actions, including fines and potential legal proceedings.

Please Contact Us at **470.586.3657**

"Resident Testimonial: Lake Feldwood Subdivision"

Code Enforcement's Commitment to Cleanliness & Safety

We are thrilled to share this positive feedback from a grateful resident in the Lake Feldwood Subdivision.

"Good morning, all, on behalf of the **Lake Feldwood Subdivision**, I would like to thank all of you for your service to our city; but a special thanks to our **Code Enforcement Director Paul Muhammad and Officer Arnold**. They have worked diligently in our community to bring several properties within compliance. One property was a major concern, **5855 Feldwood Rd**, since it is proximity to Banneker High School and the students would leave school and hang out in this vacant property.

On January 17, 2025, there were 8 students approaching the home, but now that it's boarded up and the brush is trimmed, they all went back on campus. We understand that Fulton County Schools must do their part to solve this problem, but I can say our Code Enforcement has done their part and we are grateful. In all, we had 6 blighted or non-compliance properties in our community as of today there is 1 and it's a burned-out home and Code has an open case on it.

Again, I would like to thank all of you on behalf of our community for your help in protecting and preserving our property values. Have a GREAT week and stay safe."

This resident's testimonial exemplifies our commitment to enhancing the quality of life in every community throughout South Fulton. We will continue to strive for similar positive outcomes in all neighborhoods across our city.

"A Strong Start: Code Enforcement Prioritizes Education in the New Year"

*Townhall Meeting & Virtual HOA Meeting in **District 4**,*

*HOA Meeting with **District 2**, and a*

*Townhall Meeting with **District 6***

As we usher in the new year, Code Enforcement is off to a robust start, prioritizing education and community engagement. We've started with a virtual Town Hall meeting in District 4, fostering open dialogue and sharing vital knowledge.

The residents of District 2 expressed their appreciation for the clarity and compliance our code initiatives have brought to their community.

Lastly, District 6 has recognized Code Enforcement for its exceptional customer service, showcasing the positive impact of our efforts.

Our commitment remains steadfast: education before citation and a focus on compliance over enforcement.

First Demolition of 2025

The first demolition of the year by code enforcement aims to enhance the quality of life in our community and make a great impact. Residents gathered around in number to express their gratitude to the city for addressing the nuisance property at **5420 Westford Circle** in **District 5**

Code Enforcement Has 5 Certified Mold Inspectors

We're thrilled to announce that four of our dedicated Code Enforcement Officers and our Director are now **Certified Residential Mold Inspectors (CRMI)** through the Professional Mold Inspection Institute (PMII)! This certification is a game-changer for our residents, especially those who may be suffering from the effects of mold in their homes. Mold can severely impact families' health and quality of life, particularly children, and many residents cannot afford the necessary inspections.

With our officers now equipped with this essential training, we're poised to take action against slumlords who neglect their responsibilities and leave tenants in unsafe living conditions. PMII is renowned for providing top-notch mold inspection and remediation training, and we are proud to have our team trained by the best in the industry.

This certification not only enhances our enforcement capabilities but also reflects our unwavering commitment to the health and safety of our community. Together, we can ensure every household has a safe and healthy living environment. Let's make a difference!

Goal 1

Invest in Developing Strong Teams

- CDRA holds weekly meetings with department leadership to foster stronger working relationships within the department.
- CDRA moved back into the newly renovated City Hall, which allows for better workflow, functionality, and the ability to serve customers more cohesively.
- Hired new staff that will strengthen our Zoning and Administrative support and efforts.

Goal 2

Grow Infrastructure and Solidify Finances

- The Capital Improvement Element (CIE) will be adopted in the comprehensive plan update. This is required for the city to spend/collect impact fees.

Goal 3

Increase Community Collaboration and Quality of Life

- Secured funding for Community Outreach/Collaboration programs and events for FY25; actively working to design and implement an outreach program.
- The Comprehensive Plan update project is ongoing and will include participation from key stakeholders throughout the community.

Goal 4

Focus on Economic Development

The following activity has taken place thus far in January 2025:

- 20 Business Licenses issued
- 87 Residential Permits issued
- 29 Commercial Permits issued
- 6 Land Disturbance Permits Released
- 6 Pre-Construction Meetings
- 120 Site Inspections Completed

Goal 5

Create an Efficient Government

- CDRA leadership is actively working to update and complete departmental standard operating procedures.

The Department of Cultural Affairs is dedicated to fostering a vibrant, inclusive, and dynamic cultural landscape in South Fulton. We aim to support and promote artistic expression, cultural diversity, and community engagement to enhance the quality of life for all residents.

Team

Actively hiring:

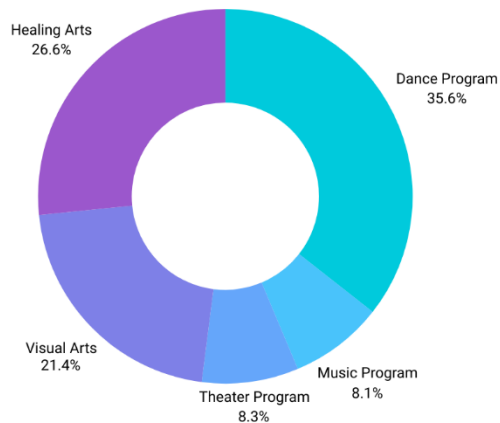

- Facility Maintenance Technician
- Grounds Maintenance Worker
- Audio Visual Technician
- Summer Camp Coordinator
- Summer Camp Assistant

Filled Positions:

- Arts Education Coordinator – Theater
- Public Arts Coordinator
- Cultural Affairs Specialist (2)
- Facility Custodian (2)

- Grounds Maintenance Worker
- Summer Camp Assistant (2)
- Summer Camp Aftercare Assistant (2)

Southwest Arts Center

Dec - Jan Participation		
PROGRAMS	PARTICIPANTS	YTD
Dance Program	273	273
Music Program	62	62
Theater Program	64	64
Visual Arts Program	164	164
Healing Arts Program	204	204
Technology	0	0
Total	767	767

From December to January, the Cultural Affairs Department engaged 767 participants across various programs, including Dance (273), Music (62), Theater (64), Visual Arts (164), and Healing Arts (204). While the Technology Program has yet to launch, participation across all other programs reflects strong community interest and growth as we continue expanding cultural and creative opportunities.

Exhibitions:

The MPINGO Exhibit, which opened on December 7th, celebrated the artistry of 18 Metro Atlanta-based artists through the lens of wood as both medium and theme. Named after the Swahili word for "ebony wood," the exhibit showcased a diverse range of wooden art forms—sculptures, carvings, mixed media, and functional pieces—highlighting themes of resilience, transformation, and identity tied to the African diaspora and the natural world. Enriching programs, including artist-led tours, lectures, and interactive drum workshops, deepened audience engagement. The opening reception, attended by over 60 guests, including the Mayor, underscored the city's dedication to supporting the arts and fostering an inclusive cultural community.

Fulton County Sheriff's Office Swearing-In	Ceremony	228
Retired COSF Employee Birthday Party	Celebration	70
The Body of Nineteen Years	Exhibition	55
		883

In January, the Cultural Affairs Department hosted seven events and performances, drawing a total attendance of 883. Highlights included the Kwanzaa Fusion Performances (340 attendees), the Fulton County Sheriff's Office Swearing-In Ceremony (228 attendees), and the South Fulton Mayors Association Gala (80 attendees). Additionally, two exhibitions, MPINGO (65 attendees) and The Body of Nineteen Years (55 attendees) showcased visual arts, while the department also supported community gatherings such as Officer Chakons' Memorial Service (45 attendees) and a Retired COSF Employee Birthday Celebration (70 attendees). These events reflect the city's commitment to cultural enrichment, civic engagement, and artistic expression.

Wolf Creek Amphitheater

Annual Winterization and Renovations:

Wolf Creek Amphitheater is currently undergoing its scheduled winterization and renovation during the off-season. This essential maintenance ensures the venue remains in optimal condition, prioritizing safety and comfort for audiences and performers alike.

Key renovation highlights include:

- **Modernized Infrastructure:** Upgraded flooring and a redesigned, efficient kitchen.
- **Enhanced Artist & Staff Experience:** Refreshed dressing rooms and improved backstage entryways to optimize operational flow.

These enhancements align with our vision to position Wolf Creek Amphitheater as a premier performance destination. They will elevate the venue's functionality and appeal, ensuring an exceptional experience for artists, staff, and audiences in the upcoming season.

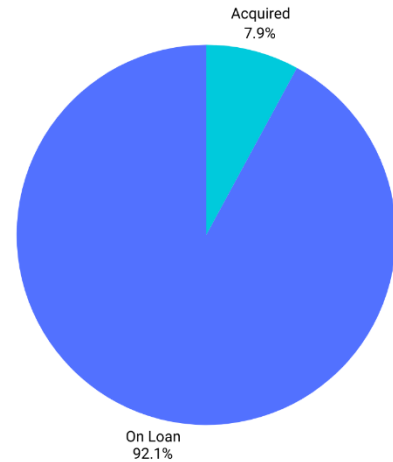

Wolf Creek Amphitheater has onboarded a new Grounds Maintenance Worker to strengthen the venue's upkeep and overall management. This addition reinforces our commitment to maintaining the venue's high standards and readiness for future events. With these upgrades and team improvements, we are poised to deliver a vibrant season of performances, further solidifying Wolf Creek Amphitheater's reputation as a cultural cornerstone in our community.

Public Arts

Cultural Affairs is developing a comprehensive Public Art Catalog to document and manage its growing collection. The catalog includes 22 pieces displayed in City Hall and 16 within the Administration Building, with a total city-owned collection value of **\$8,464**. When factoring in owned and loaned works, the complete collection consists of **38 pieces valued at \$106,770**. This initiative ensures proper stewardship, enhances accessibility, and supports long-term preservation efforts.

In addition to cataloging, the department is establishing Standard Operating Procedures (SOPs) for public art management. These procedures will provide a structured framework for maintaining, cataloging, and acquiring public art, ensuring consistency and sustainability in the city's approach to its collection. By formalizing these processes, the city can better protect its assets and streamline future acquisitions.

To strengthen artist engagement, an Artist Database has been created, currently including over **50 local artists** who have participated in city-hosted exhibitions. This database will serve as a valuable resource for maintaining direct connections with artists, improving communication, and promoting future shows, exhibitions, and public art initiatives. Looking ahead, the department will continue to acquire art for our Public Art Catalog, formalize the SOPs, and continue expanding the Artist Database.

Visual and Digital Media

The Visual and Digital Media Team successfully completed its first livestream coverage of the City Council and Planning Commission meetings from the newly renovated City Hall. This milestone enhances public access and engagement, ensuring greater transparency in city governance. As part of these upgrades, a new introductory video featuring the Mayor and City Council will now play at the beginning of meetings, providing a more structured and informative experience for attendees.

In addition to livestreaming, we have fully implemented wireless presentation capabilities within the City Council and Planning and Zoning meeting rooms, improving efficiency and flexibility for presenters. To accommodate larger audiences, a direct video feed has been integrated into the break room for overflow viewing during Planning and Zoning meetings. These improvements allow for a more seamless meeting experience for both officials and the public.

Looking ahead, we will focus on enhancing sound quality and graphics to further improve the production value of our broadcasts, ensuring an exceptional experience for both online and in-person audiences. These efforts reflect our commitment to utilizing technology to strengthen civic engagement and accessibility.

Invest in Developing Strong Teams

- **Aerotropolis South Fulton Broker's Reception**

Artie Jones III, Director, and Teresa Parhams, Senior Economic Development Department Project Manager, will attend the Aerotropolis South Fulton Broker's Reception on January 29, 2025. The event will allow them to connect with real estate professionals and discuss opportunities for growth in the southern portion of Fulton County and its impact on the City of South Fulton's housing market. Discussion topics will revolve around upcoming developments, strategies to attract quality investments, and ways to enhance available housing options. The event is a key step in strengthening relationships with stakeholders critical to South Fulton's development.

Grow Infrastructure and Solidify Finance

- **Sizemore Urban Design Draft Recommendations**

This month included a detailed review of Sizemore Urban Design's draft recommendations for South Fulton. The proposed plans thoughtfully consider our community's needs, focusing on smart growth, enhanced public spaces, and infrastructure improvements. City management is currently reviewing the draft recommendations before they are presented to residents and stakeholders. Feedback from city management and the community will be essential as we refine these recommendations to ensure they align with our vision for a vibrant and sustainable future.

Increase Community Collaboration and Quality of Life

- **Tour of Homes2 Suites by Hilton in South Fulton**

The newly opened Homes2 Suites by Hilton is an exciting addition to South Fulton. The economic development team toured the facility and was impressed by its modern amenities and focus on sustainability. This development enhances our local hospitality offerings and creates new job opportunities for residents. The property's potential to attract visitors and boost our local economy is promising.

- **Big Peach Running Co. Grand Opening and Ribbon Cutting**

The Economic Development Department participated in the grand opening and ribbon-cutting ceremony for Big Peach Running Co., a new retail store in South Fulton catering to fitness enthusiasts and runners. This event highlighted the growing appeal of our city as a hub for active lifestyles and small businesses. The community's turnout was inspiring, showcasing the support of local entrepreneurs. Big Peach Running Co. is a welcomed addition to our retail landscape.

Focus on Economic Development

- **Atlanta Fed Community Listening Session: Economic Outlook**

This month, the team members had the opportunity to attend the Atlanta Federal Reserve's Community Listening Session, focusing on the economic outlook. The session provided valuable insights into the current economic trends and forecasts that directly impact our community. Key discussions included local employment trends, housing affordability, and strategies to foster inclusive economic growth. Engaging with Federal Reserve representatives and local leaders was a meaningful way to bring South Fulton's voice into broader economic conversations.

- **Cedar Grove Village Project**

The South Fulton Development Authority has approved an inducement resolution for the Cedar Grove Village development. The project will receive \$5.03 million in funding for water and sewer connectivity and parking structure development.

This initiative is part of a larger \$300 million project that includes multifamily townhomes and commercial spaces, contributing to the continued growth and economic development of South Fulton.

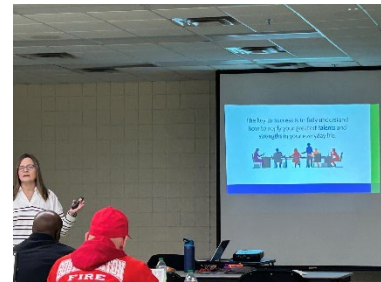

GOAL 1 **Invest in Developing Strong Teams**

The South Fulton Fire & Rescue Department is excited to announce our HazMat Team began training in January. This essential program equips firefighters with the expertise and skills needed to manage hazardous materials incidents safely and effectively.

On Friday, January 24, 2025, the Fire & Rescue Department held an Executive Retreat centered around updates/goals for the department as well as the CliftonStrengths for Teams. This program highlights the importance of understanding individual strengths and leveraging them for better teamwork and collaboration. The four domains of CliftonStrengths are Executing, Influencing, Relationship Building, and Strategic Thinking. These pillars serve as the framework for enhancing team dynamics and achieving shared goals.

GOAL 2

Grow Infrastructure and Solidify Finances

The department is making notable progress in advancing the Fire Headquarters project by focusing on technology and maximizing the use of space of the proposed structure. The department met with the Project Management team on January 8th and 22nd, 2025. As this project progresses, we remain steadfast in our commitment to leveraging innovation.

The department continues to make progress on the upgrades to Fire Station No. 6, to make it more functional and modernized. Progress has been a great morale booster for the team. Additionally, requests have been made to maintain Fire Stations 2, 5, 6, 7, 8, and 11, including repairs to bay heaters and roofs. A new generator has also been ordered for Fire Station No. 5. The department takes great pride in ensuring all stations are well-maintained and up to standard.

The team also met with E-One to begin designing and building our Hazardous Material Apparatus, which will enhance the department's ability to respond effectively to hazardous material emergencies.

GOAL 3

Increase Community Collaboration and Quality of Life.

The department continued its dedication to the community by actively participating in District 4's Food Giveaway. This initiative allowed the department to foster stronger community relationships, enhance public awareness about our services, and demonstrate our commitment to serve beyond emergency response.

On January 9, 2025, the team met with the Sandtown Community during their association meeting to discuss winter weather preparedness and preparations. As a department, our goal is to be proactive.

The Emergency Management Team led the city through two winter storms in January, continuing their efforts to teach and train personnel on emergency management. During the last storm, they coordinated with Atlanta Watershed to deliver and distribute two pallets of water to residents who experienced water outages. They also worked with Milton and Cobb County Road crews to clear road ice. The team collaborated with the Parks & Recreation Department and the Police Department to open two warming stations for residents during the freezing weather.

GOAL 4

Focus on Economic Development

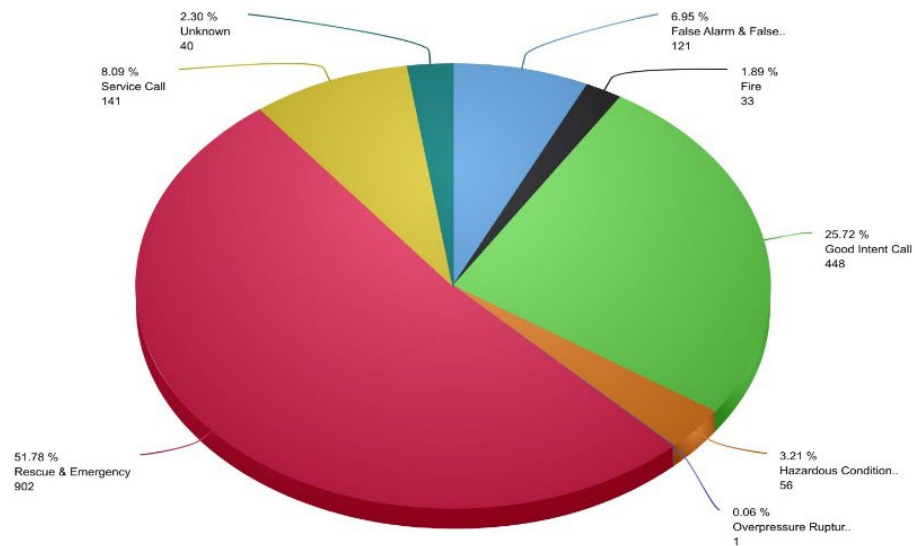

The South Fulton Fire & Rescue Department contributes to the broader economic health of the community through fire safety education and prevention initiatives. We aim to improve the overall safety and attractiveness of the city, thereby resulting in economic growth.

The following data reflects the period of January 1, 2025, to January 27, 2025. There have been (203) fire inspections and a total of (1,742) incidents. Fire investigators completed (6) investigations in January. There were (4) Compliance Investigations completed. Approximately 51.78% of calls responded to pertained to Rescue & Emergency.

GOAL 5 **Create an Efficient Government**

The South Fulton Fire & Rescue Department is committed to fostering efficient governance by integrating cutting-edge equipment and technology into its operations, propelling the department toward excellence in service delivery. As a result, we can improve the delivery service time as well as handle the increasing demands of the community.

The chart below represents the response time per station. Station 7 had the shortest response time of 13 minutes and 52 seconds.

Total number of calls: **1,742**

Average response time is **16:05**

District Information: District 1
Council Person: Catherine Rowell

Trammell Crow Park Sidewalk Repairs & Replacement:

- Correction: The civil design has not yet been awarded, as GS is value-engineering the design scope to reduce the estimated cost.

- **Total Cases:** 125
- **Liable:** 12 individuals were found liable.
- **Not Liable:** 28 individuals were found not liable.
- **Paid on the Day:** 3 individuals immediately paid their fines.
- **Failure to Appear (FTA):** 41 individuals did not attend court hearings.

Nuisance and Abatement Calendar:

- There were **no hearings scheduled** for the Nuisance and Abatement calendar this month.

Code Enforcement Calendar:

- The **Code Enforcement calendar** was **canceled** due to inclement weather.

Total Citations on the January 2025 Calendar:

- There was a total of **2,158 citations** scheduled for hearings in January 2025.

**Event: Welcome All Park
Hot Cocoa and Jazz Date: January 3, 2025**

Event Details

- **Location:** Welcome All Park
- **Attendance:** Approximately 150 participants, including musicians, families, community members, Elected Officials, and staff.
- **Activities & Highlights:**

Opening Remarks: Recognition of Elected Officials, Community Leaders, musicians, and staff. The people who made this event possible include dedicated Leadership and Staff who worked tirelessly to ensure that it was a world-class event.

- ❖ We look forward to a future filled with more community events like these, which provide wonderful opportunities to enjoy fellowship.

Key Accomplishments

1. Community Engagement

Community members joined in fellowship to enjoy hot cocoa, delightful treats, and heartfelt music.

2. Facilities Utilization

- Optimized using Welcome All Park's facilities, including the front lobby for refreshments.
- Maintained clean, safe, and welcoming spaces for all attendees.

3. Positive Feedback

- Received overwhelmingly positive feedback from participants, attendees, and community stakeholders.
- Noted as a wonderful and warm event for the Parks & Recreation Department by many attendees.

Event: Parks and Recreation Proclamation
Date: January 14th, 2025

Event Details

- **Location:** South Fulton City Hall
- **Attendance:** Approximately 60 participants, including elected officials, community members, guests, and City staff.
- **Activities & Highlights:**
 - ❖ **Proclamation Award:** The Honorable Councilwoman Catherine Rowell and Council gave recognition to The Department of Parks and Recreation for outstanding programs and accomplishments. Offering recognition to all Parks and Recreation employees and staff.
 - ❖ **Proclamation Award:** The Honorable Councilwoman Catherine Rowell and the Council recognized Sandtown Park's (Age 7 Group) Football team, coaches, and parents for a Superbowl Championship. They were presented with Championship rings, bags, and Letter Jackets.

Key Accomplishments

4. Community Engagement

- Fostered a strong sense of unity and pride within the South Fulton community.
- Engaged participants, families, and staff through inclusive activities and heartfelt tributes.
- Conducted strategic outreach via social media platforms, email lists, and partnerships with the community to display accomplishments.

5. Facilities Utilization

- Benefited from using the newly christened City of South Fulton's City Hall.

6. Recognition of Excellence

- Recognition of The Department of Parks and Recreation for outstanding programs and accomplishments. Offering recognition to all Parks and Recreation employees and staff.
- Recognition of Sandtown Park's (Age 7 Group) Football team, coaches, and parents for a Superbowl Championship. They were presented with Championship rings, bags, and Letter Jackets.

7. Positive Feedback

- Received overwhelmingly positive feedback from participants, attendees, and community stakeholders.
 - Noted as a highlight of the year for the Parks & Recreation Department by many attendees.
-

Event: Parks & Recreation Warming Station Date: January 21st thru 24th, 2025

Event Details

- **Location:** Burdett Park, Welcome All Park
- **Attendance:** Approximately 40 participants including Police, Fire, Park Rangers, Parks Staff, Recreational Staff, and 4 participants from the "housing challenged" community.
- **Activities & Highlights:**
 - ❖ Burdett Park and Welcome All Park served as daytime and overnight warming stations for 72 continuous hours helping those in the community who are "housing challenged".

Key Accomplishments

8. Community Engagement

- Engaged participants to offer refuge from the elements of the extremely bitter cold and wintery weather.
- Police and Park Rangers contacted participants via social media platforms, email lists, and partnerships with the community to display accomplishments.

9. Facilities Utilization

- Benefited from the use of the Burdett and Welcome All Park.

10. Recognition of Excellence

- Recognition of Parks and Recreation employees for maintaining a continuous 72 straight hours of refuge.
- Recognition of Police, Fire, and Park Rangers for traversing the formidable conditions to make contact and help with those in need.

11. Positive Feedback

- Received overwhelmingly positive feedback from attendees.

Event: GMA Vision City Awards Banquet
Date: January 26th, 2025

Event Details

- **Location:** The Omni Hotel (Grand Ball Room)
- **Attendance:** Approximately 500 participants, including Georgia Municipal Association members, elected officials, employees, and staff of cities throughout the State.
- **Activities & Highlights:**
 - ❖ **GMA Awards Luncheon:** Recognition of all State Municipalities, elected officials, employees, and programs having displayed key contributions to society through groundbreaking programs.
 - ❖ **Award Presentation:** The City of South Fulton was recognized with the City's first "Vision City Award" for the Parks and Recreation Program "Balling With A Purpose (BWAP) Workforce Academy.

Key Accomplishments

1. **Community Engagement**

- Will perpetuate a strong sense of pride within the South Fulton community.

2. **Recognition of Excellence**

- City of South Fulton was recognized with the City's first "Vision City Award" for the Parks and Recreation Program "Balling With A Purpose (BWAP) Workforce Academy. The GMSA paid tribute to **Parks and Recreation Department** for their transformational leadership and insight into more nontraditional programs.

3. **Positive Feedback**

- Received overwhelmingly positive feedback from colleagues, attendees, and GMA leadership.
- Leadership, employees, and staff share the recognition and will highlight this to serve as motivation to keep pursuing world class programs and activities for our community.

Goal 1

Invest in Developing Strong Teams

The Police Department conducted a Physical Agility Test. There were thirty-eight (38) attendees. We currently have sixty-three (63) sworn vacancies and one (1) pending civilian position. The next hiring board will be scheduled for March 2025.

Goal 2

Grow Infrastructure and Solidify Finances

The Police Department was awarded the State of Georgia Public Safety & Community Violence Reduction Grant, which will fund violence reduction initiatives such as gunshot detection, license plate reader cameras, and surveillance cameras.

Goal 3

Increase Community Collaboration and Quality of Life

The Police Department participates in several community events and works closely with HOAs and business groups to improve quality of life. Just a few of many are mentioned below.

Goal 4

Focus on Economic Development

The Police Department issued alcohol work permits and inspected businesses to ensure they are in compliance with applicable laws.

Goal 5

Create an Efficient Government

The Police Department created a Field Inspections and Accreditation Unit to develop policies in accordance with "best practices" to operate more efficiently and effectively.

Police Department Guiding Principles

SOUTH FULTON POLICE DEPARTMENT

"The South Fulton Police Department has been developed with 21st Century Policing Principles in mind. The Police Department will continue to evolve in this direction as staff seeks to create efficiencies through the use of technological advances"

Chief Keith Meadows
South Fulton Police Department

21st Century Policing Pillars

1. Building Trust & Legitimacy
2. Policy & Oversight
3. Technology & Social Media
4. Community Policing & Crime Reduction
5. Training & Education
6. Officer Wellness & Safety

Slow Your Roll Campaign

 **The Holidays May Be Over, But Our Mission Continues!** 

The South Fulton Police Department is keeping the momentum going with our 'Slow Your Roll' initiative! Over the next several months, our officers will be laser-focused on addressing speeding and enhancing road safety across South Fulton.

Through strategic enforcement measures and community engagement, we're working to make our roads safer for everyone. Let's all do our part—drive responsibly and remember to Slow Your Roll!

Chief of Police Keith Meadows, along with the City of South Fulton Police Department and the community, are mourning the loss of a remarkable individual, Mr. Reginald Tatum.

Reginald Tatum, was highly regarded in the community as a father, uncle, mentor, advocate, and, in many ways, the unofficial Chief of Police. He maintained direct communication with Chief Meadows, frequently calling, attending community meetings, visiting, and sharing insights on questions, comments, or concerns.

His impact on people and the community created a sense of family for everyone he encountered. Please continue to pray for the Tatum family during this challenging time.

Reginald Tatum, your presence will be deeply missed.

❄️ OPERATION SNOWFALL ❄️

Police Chief Keith Meadows and the entire South Fulton Police Department worked tirelessly to prepare for "Operation Snowfall"!

A special acknowledgment goes to Captain Nicholas Williams, who has developed the Incident Action Plan and collaborated with Command Staff and External Partners to guarantee that all necessary precautions are in place for the safety and well-being of residents.

The City of South Fulton Police Department was dedicated to ensuring the safety and preparedness of South Fulton residents during the winter storm.

🍳 Breakfast is served! 🌶️

We want to take a moment to express our deepest gratitude to the incredible teams working the Gold Days and Grey Nights shifts. We especially want to thank Capt. A. Massey and Capt. C. Flornory.

Your dedication and tireless efforts during these challenging winter conditions have not gone unnoticed. Whether battling freezing temperatures, icy roads, or long hours, you've shown remarkable resilience and teamwork to ensure everything runs smoothly.

Thank you for going above and beyond to keep us moving forward. Your hard work truly warms our hearts in this cold weather!

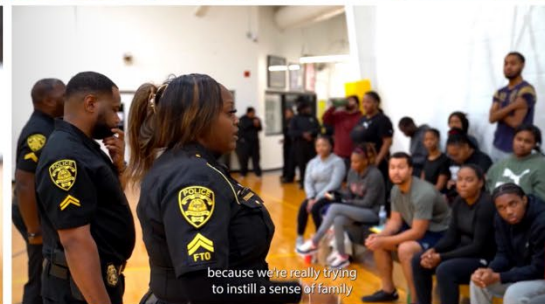

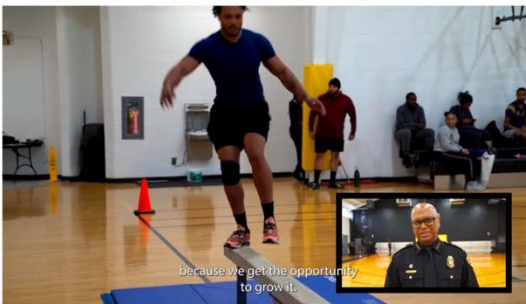

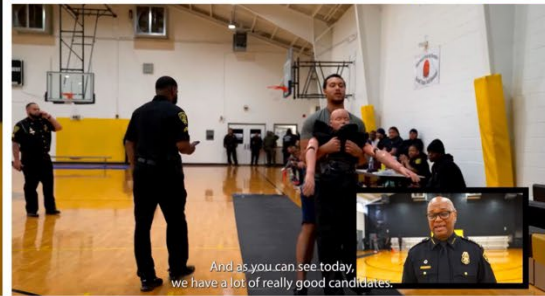

🏆 BRAVO AWARD 🏆

Our Bravo Outstanding Service Award goes to Sgt. Lakeisha Riley for her continuous effort and substantial contributions to inclement weather operations last week and her role within our law enforcement agency. Thank you for all that you do!

PHYSICAL AGILITY TEST

The South Fulton Police Department Physical Agility Test was a huge success!

1. Fire Rescue requests the approval to purchase an EMS Vehicle from FastLane Emergency Vehicles. The purchase will involve a Ford F-250 pick-up truck, fully equipped with a pull-out workstation, to serve as a dedicated response vehicle for the three shift Fire EMS Captains. This acquisition is essential to enhancing the operational effectiveness, efficiency, and safety of our emergency medical services (EMS) response and incident management capabilities. This vehicle is included in the EMS expansion initiative. The vehicle is being procured under the HGAC Buy Cooperative purchasing agreement; the cost is not to exceed \$135,000; the funding is located in the FY 2025 CIP line item 3520-54-2200 (EMS Vehicle).

2. The Public Works Department is requesting Council approval the ranking for Request For Proposal Number (RFP) 24-32, Right Of Way Acquisitions and Management Services, for Consultant Services are: Ranked Number one – Atlas Technical Consultants, LLC. The annual contract amount, not to exceed, is Seven Hundred Fifty Thousand Dollars (\$750,000.00).

3. The Public Works Department is requesting Council approval for ITB 24-35 Cochran Road over Camp Creek. The project includes replacing the existing substandard bridge over Camp Creek with a new concrete deck bridge structure. The proposed typical section consists of two 11' travel lanes with curb and gutter and a 2 ft stamped concrete buffer. The project also includes all necessary striping and signage as well as grading and ditches. Five-foot sidewalks will be constructed on both shoulders for the length of the project. The scope of work also includes roadway improvements to include full-depth paving a section of Cochran Road starting 220-ft southwest of the new bridge and ending with more full-depth paving of Cochran Road 200-ft northeast of the new bridge. Finally, Streetlights will be installed throughout the length of the project.

The Contract shall be for the duration of the construction schedule, approximately Five Hundred Forty-seven (547) calendar days. The proposed vendor, Southeastern Development, Inc. was the lowest responsive/responsible bidder with the amount \$3,894,560.01. The recommended award includes a 10% contingency, at a total of \$4,284,016.01. Project is 80% Federal funded and 20% Local Funds. GDOT will provide a Construction Agreement (CA) for 80% Federal funds, which fully construction of the project is pending execution of CA. The 80% will be received as reimbursement basis as the construction project progresses.

This project is contingent upon the approval of GDOT's funding award and the formal acceptance of the award by the City Council. No construction activities shall commence until all required agreements have been fully executed and the City has received official authorization to proceed from GDOT. Should the funding mechanism for this project change, the matter must be brought back before the City Council for approval of the revised funding structure.

4. The Public Works Department is requesting Council approval to amend the construction contract with SD&C for the TSPLOST-II project on Fairburn Road, Phase II, to include a \$385,833.00 change order. This change is necessary to ensure the water main in the City of Atlanta remains operational during construction.

Atlanta's Department of Watershed Management has reviewed and approved the change order request, which will be reimbursed under a fully executed intergovernmental agreement (IGA) between the City of South Fulton and the City of Atlanta. This IGA provides up to \$2,429,000.00 in reimbursements for adjustments to Atlanta's facilities as part of this project.

The original contract, dated February 13, 2024, was valued at \$9,204,703.64. On October 22, 2024, the Council approved a \$117,438.80 reduction due to a design change. With the addition of the \$385,833.00 change order, the revised contract total will be \$9,473,097.84.

Breakdown of the Revised Contract Value:

- Original Contract Value: \$9,204,703.64
- Design Change Credit: -\$117,438.80
- Proposed Change Order (City of Atlanta Water Main): +\$385,833.00
- Revised Contract Total: \$9,473,097.84

Upon Council approval, the Public Works Department will issue a revised purchase order to SD&C to reflect the updated amount.

January 2025 - CM Monthly Report Update

ID	Solicitation #	Bid Title	Status
1	RFP 24-26	Indefinite Quantity Construction Contract	Met with Director and ASM to discuss way ahead for RFP 24-26. Posted RFP on agenda via Civic Clerk for Jan 28, 2025 Council Meeting.
2	PSA	Shock Fitness Studio Health @ Wellness Community Program	Contract signed by vendor. Waiting CM approval.
3	Invoice Mod	Southwest Arts Center	Received updated invoice from vendor on 1/27. Forwarded to CA Director for approval.
4. Continued to review vendor application forms; process and setup new vendors.			
5. Continued verification and validation (V&V) of vendors data in Edmunds.			
6. Continued to answer customer inquiries on procurement and financial-related issues.			
7. Researched best practices for standardizing the RFQ process.			
8. Researched contracts with videotelephony(Zoom) capabilities. Awaiting response from Dekalb County on possibility of piggyback.			
9. Created RFQ template for the COSF's procurement office to request vendor service quotes. (75% complete)			

Also, we have contracts that are in the renewal phase:

24-09P Indefinite Quantity Construction Contract	Lichty Commercial Construction
Transportation Consulting Services	Rednink Consulting Firm, LLC
Traffic Signal Electrical Facility Parts	Temple, Inc.
Welcome All Park Demolition & Rebuild Contract	Paryani Real Estate, LLC
23-11-5P Citywide Office Supplies	Staples

GOAL 1

Invest in Developing Strong Teams

The Public Affairs Department is dedicated to fostering a cohesive, servant-leader environment built on trust and cooperation. We are committed to upholding a shared vision that aligns with our community's values while maintaining the highest standards of professionalism. Through collaborative efforts and transparent communication, we strive to support and uplift each other, ensuring our collective success and positive impact on the City of South Fulton.

GOAL 2

Grow Infrastructure and Solidify Finances

The Public Affairs Department is committed to strengthening our financial infrastructure by building and diversifying revenue sources. Our goal is to ensure financial adequacy and stability, thereby reducing dependence on any single source. Through strategic planning and innovative approaches, we aim to create a sustainable financial foundation that supports the continued growth and prosperity of the City of South Fulton.

GOAL 3

Increase Community Collaboration and Quality of Life

The Public Affairs Department is dedicated to strengthening relationships with our county, state legislators, and surrounding municipalities. By taking a regional approach to services. We aim to launch initiatives and drive changes that enhance the quality of life in the City of South Fulton, including improvements in public safety. Through collaboration and shared goals, we are committed to creating a safer, healthier, and more vibrant community for all residents.

GOAL 4

Focus on Economic Development

The Public Affairs Department is focused on promoting a healthy and prosperous economy by supporting small businesses, entrepreneurs, tourism, and public-private partnerships. We are dedicated to defining and showcasing the unique identity of the City of South Fulton and effectively marketing it to stakeholders. Through strategic initiatives and collaborations, we aim to create a vibrant economic environment that benefits all members of our community.

GOAL 5

Create an Efficient Government

The Public Affairs Department is committed to creating efficient internal operations and systems to deliver high-quality municipal services. Our goal is to improve the quality of life for residents and businesses in the City of South Fulton by ensuring that our government functions smoothly and effectively, meeting the needs of our community with professionalism and excellence.

DISCIPLINE HIGHLIGHTS FROM JANUARY 2025

Press Releases/Feature Stories/Media Alerts

1. **'Bring One for the Chipper' Comes to the City of South Fulton – 1/2/25**
 - Community event promoting tree recycling during the post-holiday season.
2. **City of South Fulton City Hall to Reopen After Renovations and Improvements – 1/9/25**
 - Announcement regarding the reopening of City Hall following recent upgrades.
3. **Media Alert: City of South Fulton Establishing Virtual Emergency Operations Center & Closing City Offices in Response to Winter Storm – 1/9/25**
 - City responds to winter storm with precautionary closures and establishment of virtual emergency operations.
4. **District 7 Councilwoman Linda Becquer-Pritchett Named Mayor Pro Tem for 2025 – 1/17/25**
 - Acknowledging the appointment of District 7 Councilwoman as Mayor Pro Tem for the year.
5. **Media Alert: D1 & D2 Senior Valentine's Day Party – Post by 1/31/25**
 - Upcoming event details for Districts 1 & 2's Valentine's Day celebration for seniors.
6. **City of South Fulton's District 1 Councilwoman Dr. Catherine Rowell and the Cascade Business and Merchants Association Seeking Volunteers for Community Clean-Ups – Post by 1/31/25**
 - Call for volunteers to participate in community clean-up efforts, led by Councilwoman Dr. Rowell.

Social Media Posts

1. **Trash Collection & Merk Miles Reopening Graphic – Jan. 23**
 - Informative post about trash collection updates and Merk Miles reopening.

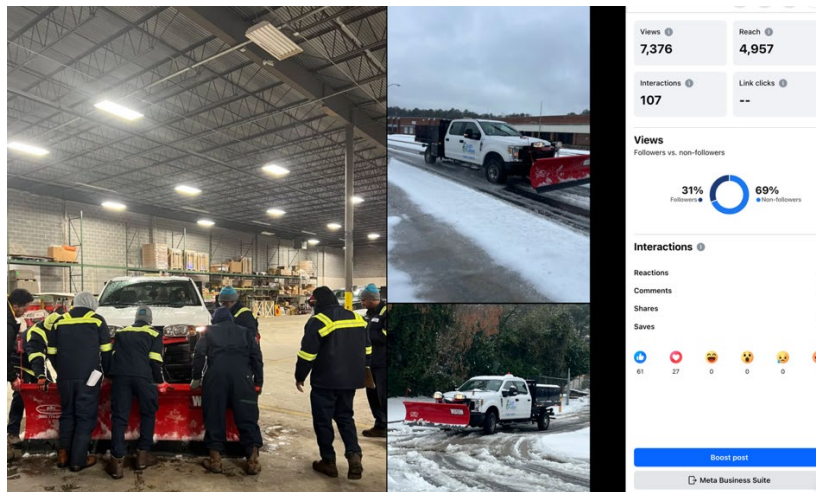

2. **City Hall Reopening Graphic – Jan. 23**

- Visual announcement celebrating the reopening of City Hall after renovations.

3. **Winter Weather Graphic with NWS Map**

- Winter weather advisory with a National Weather Service map shared for public awareness.

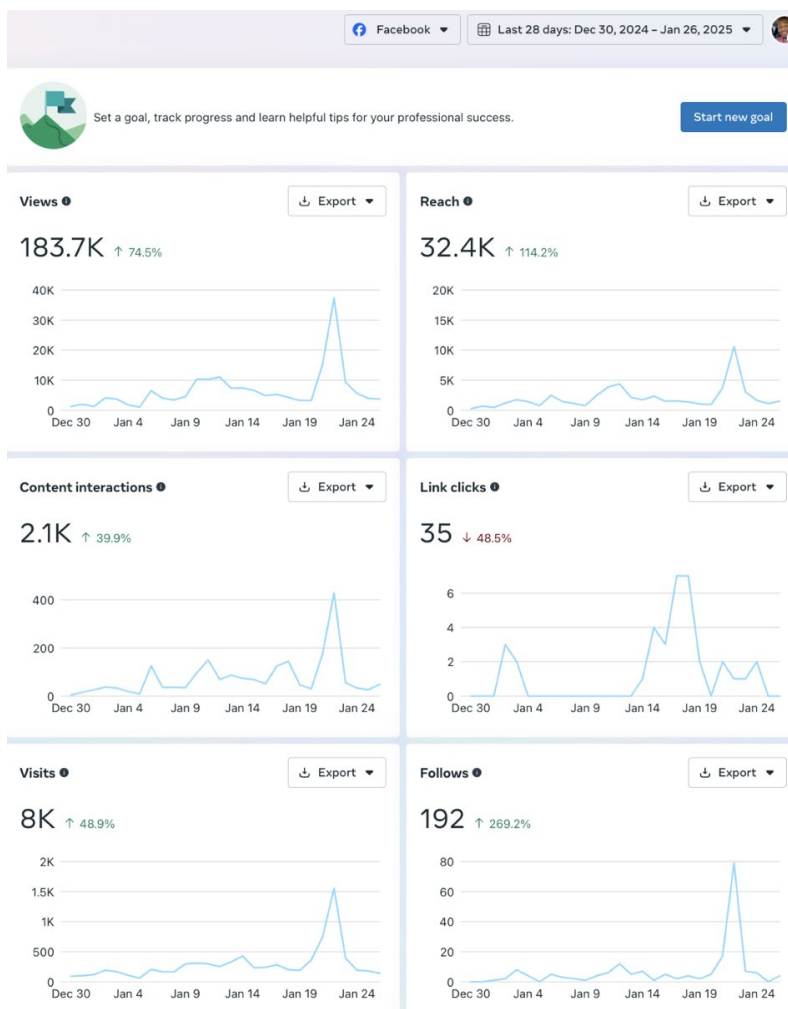

4. **Additional Winter Storm Graphics – Jan. 10**

- Graphics to keep residents informed of the ongoing storm and its impact.

Media Coverage and Analytics

- **Total Mentions:** 89, up by 17% from the previous period.
- **Top Mentions:** WSB-TV, LaGrange Daily News, Fox 5 Atlanta.
- **High Mentions:** 18 mentions on **January 17**, primarily surrounding the Mayor's appointment and winter storm response.
- **Top Social Media Platform:** **X (formerly Twitter)** – 4.5K shares, marking a 39% increase.
- **Highest Social Distribution:** **New York Post** with 3.3K shares on X (total: 3.3K shares).
- **Greatest Reach:** **MSN.com** with 123.2M across multiple articles, including a feature on the mayor's spending controversy and South Fulton's winter weather leadership.

Key Stories

1. **South Fulton Mayor's Spending Controversy**
 - Mayor Khalid Kamau is under scrutiny for alleged misuse of \$26,000 in taxpayer funds, with discussions about accountability and governance.

The following is the end of January 2025 Transportation Update Report. The (*) mark indicates updated information from the December 2025 report. This report overviews sixty-two (62) projects for the City of South Fulton. The report will detail projects in TSPLOST I, TSPLOST II, Capital Improvement, State, and Federal funding within Public Works in the following stages:

- | | |
|------------------------|---------------------------------|
| 1. Planning: | Two (2) total projects. |
| 2. Design: | Thirty-six (36) total projects. |
| 3. ITB/ Out-to-Bid: | *Three (3) total projects. |
| 4. Under Construction: | *Fourteen (14) total projects. |
| 5. Completed: | *Seven (7) total projects. |

1. Planning Phase (2 projects) Projects in the planning phase have project scopes, Right-Of-Way (ROW) and land acquisition assumptions, and project cost estimates. However, a design engineering firm or consulting firm still needs to evaluate the projects.

- **Capital Improvement Projects (1)**

- **RG-165.** Ridge Rd gravel paving project. A joint venture with the city of East Point to pave approximately 700 feet of Ridge Road. The City of South Fulton portion is from the East Point city limits to Will Lee Rd. A Request For Qualifications (RFQ) has yet to be issued.

- **TSPLOST II Project (1)**

- A tiered approach was used to advance projects from the planning phase. The scopes of Operational/Safety Improvement (OSI), Pedestrian/ Bike Improvement (PBI), and Bridge (B) projects were evaluated and moved into the design phase and towards advertising for construction. Signal Upgrades (SU) will follow. Once the design consultants are assigned, project estimates and a schedule will be done.
- **SU-711.** Cascade Rd signal communication upgrades at all intersections from the Atlanta city limits to New Hope Rd, excluding those signals already upgraded. Design engineering will start once a design consultant is brought on. The estimated cost is \$2.4 million, with design engineering estimated to start in early Spring 2025 and construction anticipated to start in Spring 2026.

2. Design Phase (36 projects). Projects in the design phase will move towards construction once the design has been completed, ROW plans certified, and land parcels have been acquired. Then, the Intent To Bid (ITB) for the construction phase will begin.

- **Capital Improvement Projects (CIP) (5)**

- The below projects are in preliminary design. Once the concept review plans are accepted and public input is evaluated, the design consultant will provide an updated schedule and cost estimates.
- **RG-160.** Jones Road Paving and possible Culvert replacement impacting Districts 3 and 4. Jones Road has two segments that are unpaved and need to be paved. The design consultant should consider any improvements needed at the intersection with Hall Road, a 4-way stop controlled. Additionally, it should consider coordination with a planned GDOT roundabout project at the intersection with Campbellton-Fairburn Road (SR92). Ten parcels are estimated to be acquired. RSH is the design consultant. *The preliminary design cost is \$538,268, with construction estimated to start in Fall 2026. A portion of the construction cost is expected to be paid by Union City through an Intergovernmental Agreement (IGA). The concept report is under review.
- **RG-164.** Oxford Rd. A one-half-mile unpaved residential street, a cul-de-sac originating from West Stubbs Rd in District 2. ROW needs are being evaluated. Khafra Engineering is the design consultant. *The preliminary design cost is \$149,277, with construction estimated to start in Spring 2026. The concept report is under review, and once accepted, a public input open house will be scheduled.
- **RG-163.** Thames Rd. A 1600-ft gravel road that originates at Butner Rd. At the intersection with Butner Rd., a complete street design, including sidewalks, will be implemented. The rest of Thames will have a rural street design with street lanes. ROW needs are being evaluated. Khafra Engineering is the design consultant. *The preliminary design cost is \$158,886, with construction estimated to start in Spring 2026. The concept report is under review, and once accepted, a public input open house will be scheduled.
- **RG-162.** Rocky Head Rd. A 900-ft. unpaved residential street connecting Owl Rock Rd and Union Rd. ROW needs are being evaluated. Khafra Engineering is the design consultant. *The design cost is \$110,134, with construction estimated to start in Spring 2026. The concept report is under review, and once accepted, a public input open house will be scheduled.

- **RG-161.** Hall Rd. An approximately one-mile unpaved road needs paving and improvement, including sidewalks and other upgrades. The current bridge over Line Creek may need to be replaced. A hydrology study is required to determine if replacing the bridge with a culvert is feasible. Additionally, the intersections of Hall Rd with Jones Rd and Ridge Rd will need to be improved. Another segment, approximately 1.75 miles long, is currently paved but requires the addition of sidewalks on both sides and other necessary upgrades. It's important to note that the intersection with HWY 92 – Campbelltown-Fairburn Rd. is part of a GDOT Roundabout project that needs to be coordinated into this project. ROW needs are being evaluated. *RSH is the design consultant; the preliminary design cost is \$711,960, with construction estimated to start in Summer 2026. The concept report is under review, and once accepted, a public input open house will be scheduled.
-
- **Federal/State Projects in the design phase (7)**
- **PI0019647.** This GDOT-managed project will improve SR 70 /Fulton Industrial Blvd at Westpark Place intersection. The aim is to increase the sight distance for turning-lane motorists by offsetting the left turn lanes on Fulton Industrial Blvd. A Restricted Crossing U-turn (RCUT) intersection will also be added to ease congestion and accidents coming from Westpark Place. According to GDOT, design engineering has begun, and the concept report is approved. The estimated cost is \$2.6 million, with construction estimated to start in early 2027. The project is 105 feet long. GDOT estimates four parcels to be acquired.
- **PI0019841.** This GDOT-managed project will improve SR 138/Jonesboro Rd at CR 581/Bethsaida Rd intersection. The aim is to install a multi-lane roundabout. According to GDOT, this safety project is in the concept phase and is estimated to cost \$3.4 million, with construction estimated to start in Spring 2027. The project is 105 feet long. GDOT estimates nine parcels to be acquired and is working on the Field Survey Summary. Design engineering has begun. The concept report is approved.
- **T-285.** A proposed roundabout will be constructed at the intersection of SR 92, Butner Rd, and Ridge Rd. (1/2 mile), including streetlights. All parcels have been acquired. AECOM is in final design and is working on addressing comments received during the field plan review. GDOT completed the Final Design Phase Summary. *The estimated construction let date by GDOT is June 2025, for a total estimate of \$6.8 million. The project is estimated to take fifteen months to complete once it is under construction.
- **T-265.** Sidewalks and landscaping will be installed on both sides of Old National Highway from Flat Shoals Rd to Jonesboro Rd., with signal upgrades at Bethsaida Rd, Creel Rd, Woodward Rd, McGhee Landing, and Flat Shoals Rd in Districts 6 and 7. GDOT is in the final design review and approval phase. ROW certification is pending. Funding for this project is through the ARC's Last Mile Connectivity Program. The estimated cost is \$6.1 million, with \$1.2 million in local funding. Atlas is the design firm working on this project. *The design is estimated to be complete by February 2025, with construction let in June 2025.

- **T-281.** Fulton Industrial Blvd sidewalks between Lakeview Court and Westpark for 0.95 miles and the Fulton Industrial Blvd @ Cascade Road intersection improvements for 0.4 miles in District 1 will be let together for construction. *Design engineering is estimated to be completed in September 2025. All agreements between the City and GDOT are in place, and the City approved the Concept reports. Both projects are part of the Fulton Industrial Community Improvement District (FICID). Projects will be let for construction through the FICID; South Fulton is listed as the local Municipality and funded through the ARC's Last Mile Connectivity Program. *The estimated total cost is \$9.2 million, with \$20% in local (TSPLOST I & FICID) funds—Kimley-Horn & Associates, Inc., awarded as the Project Engineer (PE). *The design is estimated to be complete by Fall 2025, with estimated construction let in June 2026.

- **OSI-605.** SR 92 @ Jones Rd and SR 92 @ Demooney Rd intersections improvements, including installing two roundabouts. The total project length is 4040 feet, and it will be managed and funded under GDOT's safety program. Short-term and intermediate-term solutions have been developed to address safety and operational concerns, such as clearing vegetation and temporary traffic signals. There may be some lane closures during the project. The estimated construction let date, according to GDOT, is January 2027, with an estimated cost of \$8.1 million, with \$52K in local TSPLOST I Funds. AECOM, awarded as the PE. There are eleven parcels to be acquired.

- **B-502.** Bethsaida Rd over Morning Creek Bridge will be replaced, and sidewalks will be added. The project length is a quarter of a mile. GDOT will manage and fund this project under its Local Bridge Replacement Program. According to GDOT, the construction let date is Summer 2025. The estimated cost is \$5.1 million, with the city funding \$50k towards ROW acquisition. CHA Consulting, awarded as PE. There will be a detour during the bridge construction. Sixteen parcels are to be acquired.

- **TSPLOST II Projects in the Design phase (18).** The City Council approved several design consulting firms for standby design engineering services. Contracts have been executed, Public Works engaged the firms for design analysis, and most projects have been awarded. Project cost estimates are subject to change as the design process continues.

<u>Project Name</u>	<u>Cost Est.</u>
T-288 (B-510). Stacks Rd Bridge Replacement over CSX Railroad. Design was awarded to Atlas for \$240K, estimated to be completed by October 2025. CSX is reviewing the concept report. A PIOH was held on December 18 th , informing the public of traffic study findings. *Construction is estimated to start in late Summer 2026.	*\$4.7MM
OSI-631. Union Road at Thames Road Intersection Improvements will include a roundabout, sidewalks, and streetlights. Design was awarded to AEI, with design completion in Fall 2025. Eleven parcels are estimated to be acquired. The design cost is \$195K. A PIOH was held on December 16 th to inform the public of the findings of the traffic study. *Construction is estimated to start in late Spring 2026.	*\$1.1MM
OSI-629. Ono Rd/Hobgood Rd to Rivertown Road intersection improvement, including roundabout, sidewalks, and streetlights. Design, for \$258K, was awarded to AEI, with design completion in fall 2025. Eighteen parcels are estimated to be acquired.	*\$4MM
OSI-628. Old Fairburn Road at Thaxton Road intersection improvements to include roundabout alternatives, sidewalks, and streetlights. Design, for \$235,400, was awarded to Khafra, with design completion in Spring 2025. Twelve parcels are estimated to be acquired.	*\$4.1MM
OSI-622. Butner Road at Aldredge Rd intersection improvements, including roundabout alternatives, sidewalks, and streetlights. Design, for \$234,740, awarded to Khafra. Estimated design completion is summer 2026, with construction let in October 2026. Two parcels are estimated to be acquired.	*\$3.1MM
OSI-600. Bethsaida Road at Creel Road/West Rd intersection improvements, including roundabout alternatives, sidewalks, and streetlights. *Design, for \$237,160, awarded to AEI. *The estimated design completion is December 2025. Anticipated construction to start in Summer 2026. Fifteen parcels are estimated to be acquired.	*\$3MM
OSI-623. Bethlehem Rd at Cedar Grove Rd intersection improvements, including roundabout alternatives, sidewalks, and streetlights. *Design, for \$218k, awarded to Khafra. Estimated design completion by Fall 2026. Anticipated construction to start at the end of 2026. Eleven parcels are estimated to be acquired.	\$2.9MM
OSI-620. Aldredge Rd at Merk Rd intersection improvements, including a roundabout, sidewalks, and streetlights. Design awarded to AEI. *The design cost is \$248,160, with completion by early 2026. Ten parcels are to be acquired. A PIOH was held on December 16 th to inform the public of the findings of the traffic study. *Anticipated construction to start in Spring 2026.	\$1.9MM
PBI-914. Fill in sidewalk gaps within the existing sidewalk network on Union Rd, from Campbellton Road to Vandiver Road. Design awarded to Khafra Engineering. Fourteen parcels are to be acquired. Estimated Design completion by Fall 2025. *The design cost is \$231,076. *Anticipated construction to start in Spring 2026.	\$3.4MM

B-508. Koweta Road Bridge Over Deep Creek Replacement. AEI was selected as the design consultant. Estimated Design completion by Spring 2026. *The design cost is \$218,750. *Anticipated construction to start in Fall 2026.	*\$3MM
B-505. Derrick Road Bridge Over Deep Creek Tributary Replacement. AEI was selected as the design consultant. *Estimated Design completion by Summer 2025. The design cost is \$218,750. *Anticipated construction to start in Summer 2026.	\$3MM
PBI-906. Welcome All Rd sidewalks (1.5 miles) from Roosevelt Hwy to Will Lee Rd. RFQ for Design was advertised at the end of May 2024. Design Quotes received on July 8th were evaluated; a design consultant has not been awarded.	\$3.6MM
PBI-911. Merk Rd sidewalk (1.25 miles) from Camp Creek Parkway to Alredge Rd. RFQ for Design was advertised at the end of May 2024. Design Quotes received on July 8th were evaluated; a design consultant has not been awarded.	\$4.2MM
PBI-910. Fill in sidewalk gaps, approx. $\frac{3}{4}$ of a mile within the existing sidewalk network on Jerome Rd from Old Notional Hwy to Old Bill Cook Rd. RFQ for Design was advertised at the end of May 2024. Design Quotes received on July 8th were evaluated; a design consultant has not been awarded.	\$1.8MM
PBI-908. Flat Shoals Rd sidewalks (2.5 miles) from Old National Hwy to Buffington Rd. RFQ for Design was advertised at the end of May 2024. Design Quotes received on July 8 th were evaluated. RS&H was selected as the design consultant. *The design cost is \$651,240. *Anticipated construction to start in 2028.	\$6.4MM
PBI-903. Cascade Rd sidewalk (3 miles) from the City of Atlanta Limits to Fulton Industrial Blvd. RFQ for Design was advertised at the end of May 2024. Design Quotes received on July 8 th were evaluated. RS&H was selected as the design consultant. *The design cost is \$675.012. *Anticipated construction to start in 2028.	\$6.9MM
PBI-902. Bethsaida Rd sidewalk (1.5 miles) from Old National Hwy to Nunn Woods Way. RFQ for Design was advertised at the end of May 2024. Design Quotes received on July 8 th were evaluated. AEI/STV was selected as the design consultant. *The design cost is \$675.012. Estimated Design completion by Summer 2025. *Anticipated construction to start Fall 2026.	\$4.6MM
B-599. Oglesby Rd. Bridge/Culvert over a tributary for Morning Creek is a *quick-response bridge replacement project. This bridge needs replacement but must have traffic accessibility throughout the project, as this is the only way over this tributary for residents on Oglesby Road. *AEI was selected as the design consultant. *The design cost is \$202K. Estimated Design completion by Spring 2026 *Anticipated construction to start in Summer 2026.	*\$2.1MM

- **TSPLOST I Projects in the Design phase (6)**

<u>Project Name</u>	<u>Cost Est.</u>
OSI-618. The design of the Welcome All Rd @ Scarborough Rd intersection improvement, including a roundabout and sidewalks, has been completed by AEI. ROW phase. Acquiring nine parcels. The design was completed for \$141,335 and let for construction, estimated in summer 2025, after ROW certification.	\$2.9MM
OSI-616. *The design of Stonewall Tell Road at Jones Road/Pittman Road intersection improvement, which includes a roundabout and sidewalks, has been completed by AEI. ROW phase. Acquiring ten parcels. The design was completed for \$131,445. Advertise for construction, estimated to be Fall 2025, after ROW certification.	\$3.4MM
OSI-608. The final design of the intersection improvement of Enon Road at Stonewall Tell Road, including roundabouts, streetlights, and sidewalks. Jacobs Engineering is the engineer of record. The design cost is \$133,814. ROW phase. Acquiring seven parcels with design completion by summer 2025. Construction is estimated to start in early 2026.	*\$2.7MM
OSI-607. The final design of the Demooney Rd @ West Stubbs Rd intersection improvement includes a roundabout, streetlights, and sidewalks. The design cost is \$139,679. ROW phase. Acquiring four parcels with design completion in May 2025. Jacobs Engineering is the engineer of record. Construction is estimated to start in August 2025.	*\$2.6MM
OSI-603. *The Final Design of Butner Rd @ Pittman Rd intersection improvements, including a roundabout, sidewalks, and streetlights. Acquiring nine parcels with design completion by October 2025. *AEI was selected as the design consultant. *The design cost is \$133,722. Construction is estimated to start in January 2026.	\$3.3MM
OSI-601 (B-500). Final design of Butner Road @ Camp Creek Parkway intersection improvement & bridge replacement, including sidewalks and trail path. Projects are scheduled to be let together for construction in Spring 2025 once the ROW phase is complete. Two parcels are left to acquire. *The design engineer for the bridge replacement is Atlas for \$177,346. The design engineer for the intersection is AEI for \$81,500.	*\$7.6MM

3. ITB/ Out-To-Bid (3) Projects. Projects in this phase are getting ready to go through or are in the bid process. The next phase is the construction phase.

- **TSPLOST II Projects in ITB (1)**

- **T-270 (B-504).** *The Design Engineering for Demooney Rd over Deep Creek Bridge Replacement, which has sidewalks on both sides, is complete. *Long Engineering was the design consultant for \$260K. The project is in the ROW phase. Once the five parcels are acquired, the project will enter the ITB phase for construction. The estimated construction let date is Fall 2025. The total estimated cost is \$3.2 million.

- **TSPLOST I Projects in ITB (2)**

- **OSI-700.** The Final design of Flat Shoals Road Signal Upgrades and fiber communications from Mallory Rd to Old National Hwy is scheduled to be complete by the end of January 2025. *All six parcels have been acquired. *Jacobs Engineering is the design consultant for \$341,597. The City will prepare an ITB for advertisement once the signal permits are complete. The estimated cost is *\$3.7 million.
- **OSI-617.** The final design of the Welcome All Rd @ Jailette Rd intersection improvement, including sidewalks and streetlights, is complete. All four parcels were acquired. *Atlas is the design consultant for \$117,185. Once final utility coordination is done, the city will prepare an ITB for advertising. Construction is estimated to begin in February 2025, and the estimated cost is \$2.3 million.

4. Under Construction *(14) Projects

- **Federal/State *(7)**

- ***T-277.** The **Cochran Rd bridge over Camp Creek** will be replaced. The bridge will have lighting, sidewalks, and new roadway approaches. Fulton County donated the last parcel on May 1, 2024, completing the ROW acquisition. This project is funded 80% by ARC and 20% by local funds. Southeastern Development, Inc. is the proposed vendor for \$3,894,560.01 plus a 10% contingency for a construction total of \$4,284,016.01. Construction activities will start once all agreements with GDOT are in place, a contract is fully executed with the vendor, and a Notice to Proceed (NTP) is issued.

- **T-280.** Oakley Road over Broadanax Creek bridge replacement. This GDOT-managed project includes sidewalks on both sides. The project completion date has been extended to December 20, 2024. Williams Contracting Company, LLC has the contract at \$1,992,985.75. The project is funded through ARC's Roadway/ Bridge Upgrade program with GDOT let. The total cost is \$3,292,985.75 million, with \$50K in local funding. A detour was estimated to start June 6, 2024. *As of December 3, 2024, a utility issue has delayed the detour's start. GDOT will update the project completion date.
- **T-273.** Buffington Road from Rock Quarry Road to SR 14/US 29 is being upgraded. The bridge over South Fulton Parkway will be replaced. **T-272.** Additionally, Buffington Road from Royal South Parkway to Rock Quarry Road is undergoing upgrades, including shoulder sidewalks and operational improvements at each intersection. Both projects are in District 5 and are GDOT-managed. C.W. Matthews has been awarded both contracts for \$42.5 million, with \$3.1 million in local funding for utilities. The expected construction completion date is August 2026. The project is on target with all parcels acquired. Utility relocation, storm drain installation, and retaining wall construction are ongoing. Throughout the construction process, temporary lane closures, traffic shifts, and detours may be implemented to ensure the safety of everyone in the area. However, no closures will occur from 6 am to 9:30 am and 4 pm to 6 pm, Monday through Friday.
- **T-266.** The sidewalk project along New Hope Rd between Campbellton Rd and Danforth Rd will include a roundabout at Boat Rock Road. It is 80% Funded through the ARC's Last Mile Connectivity Program and 20% in local funds. On March 19th, 2024, DAF Concrete, Inc. was awarded the contract for \$3,301,268 plus a 10% contingency. NTP was given on November 21, 2024. * Anticipated completion date of November 2025.
- **OSI-624.** Converting Roosevelt Highway at Washington Rd signalized T intersection into a single-lane roundabout and other improvements. This is a GDOT-managed project. GDOT issued the NTP to Knight & Associates on November 30, 2023. The construction completion date is on track for September 30, 2025. According to GDOT, the total cost is \$6,774,387.63, plus \$684,300 in local funding for utilities.
- **RS-417.** Full-depth Reclamation (Pavement Rehab) of 11 locations in the Fulton Industrial Blvd area in District 1 for 2.7 miles. There will be deep base repair where needed, along with milling and resurfacing. Those roads are Frederick Ct, Waterfront Dr, Wharton Dr, Indeco Blvd, E. Great Southwest Pkwy, Westgate Dr, Bucknell Ct, Villanova Dr, Loyola Dr, Fisk Dr, and Greensboro Dr. The project was awarded to Atlanta Paving and Concrete Contractors, Inc. in an amount not to exceed \$2,956,048.40 plus 10% contingency for a total of \$3,251,653.24. A PO was prepared for East Great Southwest Pkwy and Villanova Dr. using ARPA funds. NTP was granted to the contractor on November 14th, 2024. There are nine more road projects for which to prepare purchase orders (PO).

- **Capital Improvement Projects (1)**

- **T-284.** The Kimberly Rd at Cascade Rd intersection improvement projects will include a new traffic signal, repaving, and intersection striping. All parcels have been acquired. DCBC, LLC was awarded the contract for \$621,957.80, plus a 10% contingency for a total award of \$684,153.58. The total project cost, including design, is \$740,553.58. The estimated completion date is June 16, 2025.

- **TSPLOST II Projects (2)**

- **OSI-613 (615).** The Design is complete to improve the Stonewall Tell Rd @ Union Rd intersection, including streetlights, sidewalks, and a roundabout—also, the Old Fairburn Road @ Union Road intersection improvement. Due to proximity, the projects were advertised as a single project for construction. The bid closed on September 24, 2024. The estimated cost was \$4.3 million. *City Council awarded the contract to Summitt Construction & Development. LLC at the November 12, 2024, City Council meeting for \$3,493,926.51 plus a 10% contingency and a pre-construction meeting with the vendor in January 2025. *Construction is estimated to be completed by March 2026.
- **T-271 (B-506).** Fairburn Road upgrades from Cascade Rd to North Utoy Creek include sidewalks, North and South Utoy Creek bridge replacements, turn lanes, and other improvements in District 1. SD and C, Inc. was awarded the contract for \$8,454,703.64 with a contingency of 750,000. The total estimated cost is \$9,723,473. The estimated completion date is May 30, 2025.

- **TSPLOST I Projects (4)**

- **PBI-900.** Sidewalks and streetlights along both sides of Danforth Rd extending from Cascade Rd to Rehoboth Circle in District 1. CMC, Inc. has the contract for \$1,394,740. The total cost is \$1,770,551 million. *The project's estimated completion date was the end of 2024. The remaining sidewalk installation has continued after utility relocation, and the project completion date is to be determined.
- **OSI-614.** Rivertown Road @ Cedar Grove Road intersection improvement, including a sidewalk and a roundabout in District 4. It was approved for construction at the October 10, 2023, City Council meeting to CMC, Inc. for \$2,786,641.10. The total cost is \$2,932,191.10. The construction completion date is on target for March 3, 2025. Utility installation is ongoing.
- **OSI-602.** Butner Road @ Union Road intersection improvement will include streetlights and the addition of a roundabout to address congestion and reduce the severity of accidents at this intersection, sidewalks, and other improvements impacting districts 2 and 3. SD and C were approved for construction for \$3,813,696. A fully executed contract is in place. NTP was issued on January 22, 2024. The total cost is \$4,065,625. The construction completion date is February 28, 2025. The detour started March 19th on Union Road, north of the intersection.

- **P-901.** Enon Road sidewalks, along with streetlights on both sides, from Lynarbor Ln to Sanford J. Jones Blvd. will impact District 2. AEI is the Engineer of Record. The contract was awarded to DAF Concrete, Inc. for \$3,583,350 with a 10% contingency. The total estimated cost is \$4.2 million. NTP was granted on March 28, 2024, with an estimated completion date of October 15, 2025. *The project is ahead of schedule; utility pole removal and working through the punch item list remain.

5. Completed Projects *(7)

- **City of Atlanta funded project (1)**

- **T-283.** A Culvert was replaced at the crossing of Loch Lomond Trail over Kimberly Creek. The City of Atlanta (COA) funded the installation of the culvert due to damage caused by a COA water main break.

- **LMIG funded project (1)**

- **Stacks FDR.** Full-depth Reclamation of Stacks Rd from Feldwood Rd to 1,000 feet west of Mallory Rd in District 5, with widening, paving, and striping. The project was awarded to Atlanta Paving and Concrete Construction, Inc. in an amount not to exceed \$688,506.90 plus 10% contingency for a total of \$757,357.59. *The project closing cost was \$757,352 plus 44,225 in CEI services.*2020 LMIG State Funds were used to fund this project. The project was completed on September 30, 2024.

- **TSPLOST 1 Project (2)**

- **OSI-604.** Improvements to the Campbellton Rd @ Stonewall Tell Rd intersection, including sidewalks, turn lanes, four streetlights, and a new traffic signal in Districts 1 and 2. CMC, Inc. was awarded the contract for \$3,174,180. *The total cost is estimated at \$3,361,538. Greystone Power activated the signal and turned the streetlights on, and a new alignment of Stonewall Tell Rd is in place. The construction part of the project came in under budget at \$2,917,114.04.
- ***B-501.** Enon Road over Camp Creek Tributary bridge replacement and sidewalks in District 1 was approved for construction and awarded to Baldwin Paving Co., Inc. for \$1,814,805.02. NTP was issued on January 24, 2024. The total cost is \$2,137,978.02. A groundbreaking ceremony was held on April 26th. Due to utility delays, the construction completion date is estimated at the end of January 2025. There will be a complete bridge closure for 2-3 months, but efforts are being made to minimize the detour length to reduce inconvenience for all travelers on this route. *The new culvert has been installed and is open to traffic.

- **TSPLOST 2 Project *(3)**

- **RC-127.** The Gullatt Rd. The full-depth reclamation project occurred from the I-85 bridge to McClarin Rd, next to the railroad tracks just before Roosevelt Highway. Gullatt Rd is partially in the City of South Fulton and partially in the City of Fairburn. An IGA was signed between both cities. The City of Fairburn let the project for construction, which was awarded to Blount Construction. The City of South Fulton was responsible for 50% or \$337,306 of the construction cost (\$674,612) on the Gullatt Rd part of the project. The contractor must complete the work within 180 days of the July 8th, 2024, NTP by the City of Fairburn. *The project was completed on November 15, 2024.
- **TSPLOST II Resurfacing.** There were 63 resurfacing projects throughout the City: Dist. 1(10), Dist. 2(7), Dist. 3(10) Dist. 4(12), Dist. 5(7), Dist. 6(8), and Dist. 7(6). Three (3) more projects intersect districts. All three are in District 3 and intersect Districts 2, 4, and 5. The 3-Tier Resurfacing Contract was approved for ER Snell for \$21,726,739.66. NTP was executed, starting with Tier 1's 27 resurfacing projects. Tier 2's 18 resurfacing projects started in March 2024, and Tier 3's 18 resurfacing projects started in June 2024. The updated Resurfacing Program schedule shows that all three tiers are completed.
- ***T-276 (B-503).** Cochran Rd Bridge over Deep Creek replacement project in Districts 2 and 4. BRTU was awarded the contract for \$3,895,677.40 on September 26, 2023. *The culvert was installed by the end of 2024, and the total cost, including design, is \$4,171,626.

JANUARY 2025

One Department * One Mission * One Team

INTRODUCTION

The Public Works Department is pleased to release the Project Updates Report for the various divisions- Planning, Capital, TSPLOST, and Engineering, Construction Operations and Maintenance, Traffic Operations & Maintenance, and Solid Waste.

The report is a reference document for all active projects in the City of South Fulton that are in various stages of implementation that include procurement, design, right-of-way acquisition, construction, and maintenance. Also, it outlines other standalone activities/programs, i.e., streetlights, utilities, and traffic calming.

The document is broken into three sections as outlined below:

- SeeClickFix allows residents and business owners to provide City of South Fulton staff with pictures, specific descriptions, and other valuable information needed to get the job done efficiently.
- Transportation Section contains information related to Construction Operations & Maintenance, Traffic Operations & Maintenance, and Utilities. A summary of the Capital Improvement (CIP) and TSPLOST projects is included; however, the factsheets are omitted from this report. Instead the department launched a web-based real time project reporting tool using this [link](#) available on the Public Works homepage.
- The Solid Waste section updates the reader on the residential collection program in the city.

Noteworthy accomplishments include:

- At the January 14th regular meeting, Mayor and Council awarded Southeastern Site Development, Inc the construction contract for replacing the bridge on Cochran Road over Camp Creek
- GDOT led a final field plan review on the T 265 Old National Highway Improvements project.
- The Enon Road Over Camp Creek Culvert project is complete and is being prepared for a February ribbon cutting ceremony.

SECTION I:

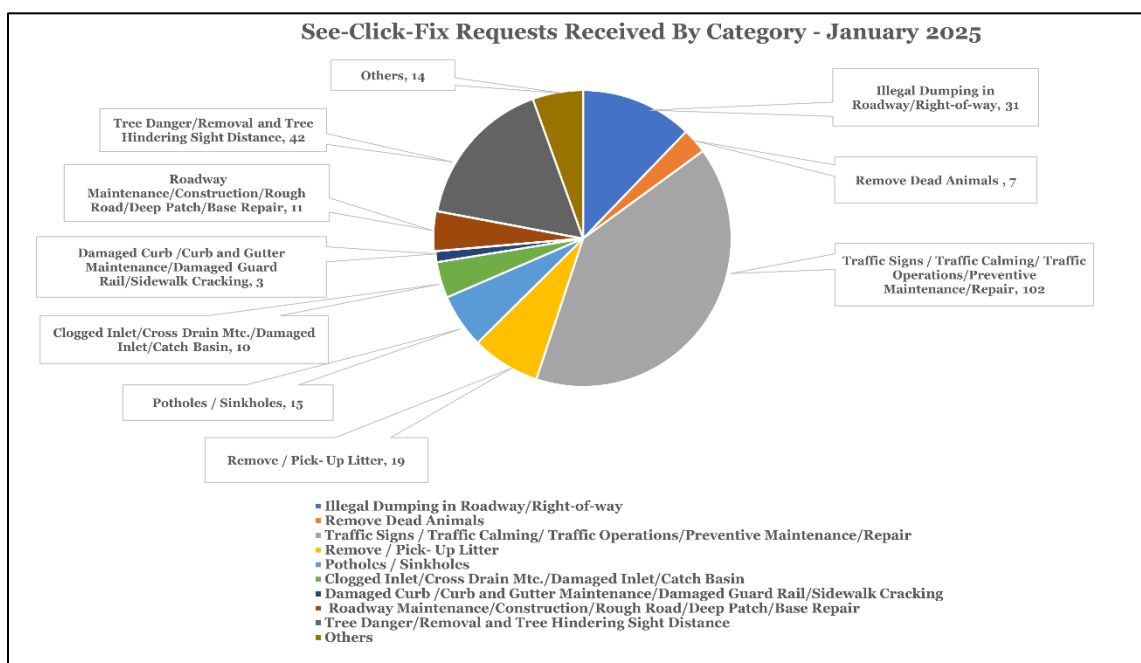

SeeClickFix

The City of South Fulton (COSF) 311 platform provides City officials with a centralized issue management system to manage issues from creation to resolution - engaging City of South Fulton residents throughout the process. The COSF mobile app and web tools allow residents and business owners to provide City of South Fulton staff with pictures, specific descriptions, and other valuable information needed to do the job efficiently. In addition, residents may seek information about city services or report non-emergency incidents by calling the city's **24-hour 311 Call Center at (470) 552-4311**.

SECTION II:TRANSPORTATION

City of South Fulton Public Works Department

CAPITAL AND T-SPLOST TRANSPORTATION UPDATES

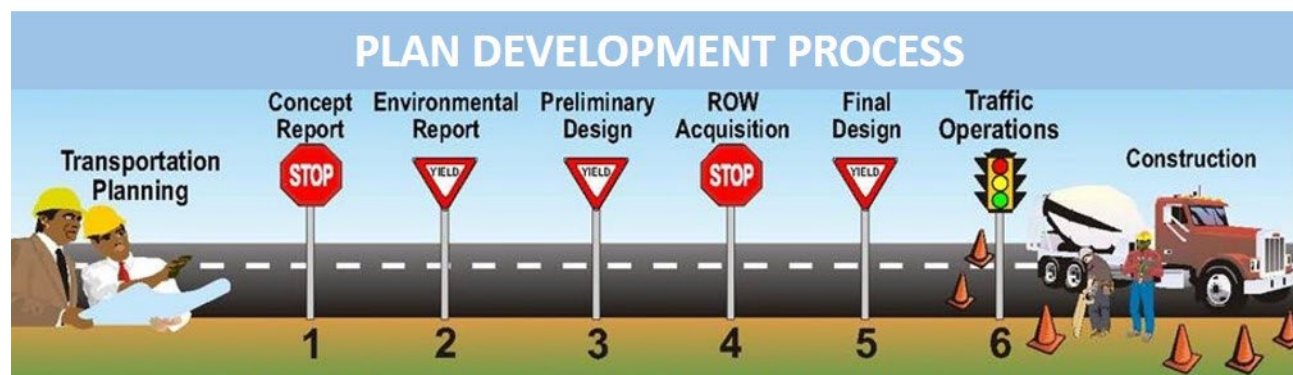

The City of South Fulton has a Capital and TSPLOST Program for implementing design projects that have been identified by City staff and stakeholders as a priority. Funding comes from the General Fund, TSPLOST sales tax collections and some Federal money.

TSPLOST-I program started on April 1, 2017, and ended on March 31, 2022. TSPLOST-II program tax collections started on April 1, 2022, and will end in 2027. TSPLOST-I projects are being prioritized for completion and all TSPLOST-II projects will soon be in the concept or preliminary design stage.

The delivery of projects is centered around GDOT's Plan Development Process (PDP). This process typically consists of the four major phases: Design, Environmental Clearance, Right-of-Way (Services and Acquisition) and Construction (including CEI). Additional details of these phases are depicted below, which detail the project development process utilized by Public Works.

The plan development process, start to finish, is illustrated below:

TSPLOST I: Construction

Separate reports on active construction projects follow this section of the monthly report.

TSPLOST I: Projects moving toward Construction

SU-700 – Flat Shoals Road ATMS – The designer is completing the required revisions to the GDOT Encroachment permit. The city will prepare an ITB for advertising once the signal plans revisions are completed.

OSI-617 – welcome All Road at Jaillette Road - The City of Atlanta Department of Watershed Management is finalizing an IGA agreement to be approved by the Council before the city prepares and advertises an ITB.

Federally Funded Projects.

T-266 – New Hope Sidewalks – The selected contractor, DAF Concrete will be mobilizing and starting clearing work in February.

T-277 – Cochran Road over Camp Creek (Bridge) – GDOT is working to validate the bids on this project. GDOT will send the city a construction agreement for Mayor and Council approval, prior to to city issuing notice to proceed to contractor.

T-265 – Old National Highway Sidewalks – GDOT programmed Letting June 2025; Final Plans are being developed from the FFRP review. The city and the design consultant are finalizing ROW and utility certification items.

TSPLOST II and Capital Projects

Aldredge Road at Merk Road, Union Road at Thames Road, and Ono Road/Hobgood Road at Rivertown Road will be moving into design.

Bethsaida Road at Creel West and Bethlehem Road at Cedar Grove Road are in the Concept development and alternative selection stage and will soon be advancing to public meetings. Designs will be validated and authorized after concept completion and public meetings.

Butner Road at Aldredge Road and Old Fairburn Road at Thaxton Road, and Union Road Sidewalk, are in revision by the design consultant. Designs will be validated and authorized after concept completion and public meetings.

The Jones Road and Hall Road gravel road paving and culvert replacement projects are ready for a public information open house i(PIOH) as early in March. Design will be validated and authorized after concept.

Rocky Head Road, Thames Drive, and Oxford Road concepts are ready for public information open house i(PIOH) as early in March. Design for all three projects will be validated and authorized after concept.

Bethsaida Road sidewalks is under concept development.

Cascade Road and Flat Shoals Road sidewalks will soon be moving into concept design phase.

Derrick Road over Deep Creek Tributary (TSPLOST II), Koweta Road over Deep Creek Tributary (TSPLOST II), and Oglesby Road over Morning Creek Tributary bridges will soon enter the concept design phase, having finished survey activity.

The Fulton Industrial Boulevard area full depth reclamation project (RS-417) continues. Great Southwest Parkway is complete, Villanova Drive is scheduled for the week of February 17th, and other streets will be starting after its conclusion.

GDOT Projects within South Fulton

PI0011845/OSI-624: SR 14 at Washington Road Roundabout - In construction. The contractor recently installed storm drainpipe and poured concrete for sidewalk. The design team will present the new plans for the drainage issues in February.

PI0013809: SR 14/US 29 at CSX #638610Y - In construction - 3% complete. This project that is partially in South Fulton will replace a bridge located on State Route 14/US 29 between Mallory Road and Welcome All Road over CSX Railroad in Fulton County.

PI0013938 & PI0013939/T-272 & T-273: Buffington Road Projects - In construction. Contractor continuing traffic control, grading and erosion control throughout project. Construction of Type P1 & Type P2 Concrete Retaining Wall. Project is 25% complete and on schedule for completion in the summer of 2026.

PI0015593/T-285: SR 92 @ Butner Road/Ridge Road Roundabout – Final Design and ROW Acquisition continuing while planning a February 2025 Let date.

PI0015642/T-280: Oakley Road over Broadanax Creek - Project completion TBD. A stop work order was issued due to ongoing right-of-way acquisition concerns. The ROW acquisitions are almost complete - all parcels are with the attorney for closing

PI0016605/B 502: Bethsaida Road over Morning Creek – Project is in final design and on schedule for a July 2025 Let date.

PI0017398/OSI-605: SR 92 @ Jones Road/Demooney Road Roundabout – Design continuing with a PFPR held in January 2025; ROW Authorization expected by January 2026. Let Date early 2027.

PI0019647: FIB and Westpark – Concept is under development. Next milestone is the preliminary plan review in May 2025.

PI0019841: SR 138 at Bethsaida Road – Concept is under development. Project is 6 months behind schedule, but the intent is to catch up by the time of preliminary plan review.

Bridge Repairs and Maintenance – The following work remains on the original contract - CSX Railroad review of the work that remains on two bridges and the design of a partial wingwall replacement on a third bridge. Additional bridge work on eleven bridges has been approved by the City Council and a new purchase order is under development.

SECTION IIA: CONSTRUCTION OPERATIONS

Right of Way Maintenance is required to provide safe and multi-use roadsides. A well-maintained right of way promotes a positive quality of life and is integral to the other functions such as utility installations, vehicle emergencies and sign placements. Right of way Maintenance serves to maintain a safe zone adjacent to the road pavement, improves drainage of stormwater from the road surface, and creates an attractive vista along road corridors. Accomplishments this month include:

SECTION IIB: TRAFFIC OPERATIONS

City of South Fulton Public Works Department **TRAFFIC OPERATIONS**

The Traffic Operations Crew is on constant patrol in the City of South Fulton to ensure that all signs and signals are clear to see and work properly. This consists of approximately 35,000 static signs, 66 Traffic Signals, 14 Traffic Beacons, 40 School Flashers and numerous Solar Flashing signs. In the month of January 2025, the Traffic Operations Department acquired 101 new requests and closed 96, as listed below.

SECTION IIC: UTILITY PERMITS

UTILITY PERMITS

Purpose of utility permits is to help the City of South Fulton staff track and manage construction operations more efficiently. Each utility permit contains a unique reference number, special requirements before/ during operation, procedures, and contact information in case of emergencies. All this information is essential when dealing with construction operations in our Right of Way.

Permits	Locations	Scope of Work	Status
RWEP-001	3858 Kastler Dr.	Water meter install	Complete
RWEP-002	8232 Walnut Hall Dr.	Water meter install	Complete
RWEP-003	8207 Bluewater Dr.	Water meter install	Complete
RWEP-004	4267 Matisse Lane	Water meter install	Complete
RWEP	5341	Water meter install	Complete
RWEP-006	6913 Winchester Place	Water meter install	Complete
RWEP-007	6899 Plymouth Dr.	Water meter install	Complete
RWEP-008	4735 Ben Hill Rd Atlanta, GA 30349	Installation of one (1) ALPR on behalf of the City of South Fulton Police Department. Installation will be on 12 ft Flock pole & will be fully solar powered.	Complete
RWEP-009	4640 Union Rd SW College Park, GA 30349	Installation of two (2) ALPRs on behalf of South Fulton PD. Both locations will be installed on 12ft Flock poles and are fully solar powered.	Complete
RWEP-010	Pleasant Hill Rd and Willow Park Blvd	Comcast is to overlash 819' of new 48-count fiber to existing GPC and ATT poles then riser down 25' and pull 396' new 48-count fiber through existing conduit.	Hasn't Started
RWEP-011	395 Berkshire Pl	Comcast is to excavate, bore and install 200' of new 0.875" coax cable through new 2" conduit along Berkshire Pl to complete node split.	In Progress
RWEP-012	Surrey Trl and Britley Ter	Comcast is to overlash 2331' of new 48-count fiber to existing GPC and ATT poles within the row of Surrey TRL and Britley Ter to complete node split.	Hasn't Started

Permits	Locations	Scope of Work	Status
RWEP-013	6687 Crane Ave	Comcast is to excavate, bore and install 781' of new 0.875" coax cable through new 2" conduit along Crane Ave and Berkshire Pl to complete node split	Hasn't Started
RWEP-014	4850 Tulane Drive SW Atlanta, Georgia 30336	City of Atlanta, Department of Watershed Management reported to EPD finding a break on the existing 60" Effluent Discharge from the Utoy Creek WRC. Utilizing technology and field investigation, DWM thoroughly surveyed eight manholes, approximately seven thousand linear feet of piping from the Utoy Creek WRC to the outfall on the Chattahoochee River.	Complete
RWEP-015	4850 Stonewall Tell Rd	We will first be saw cutting the road and hydro-excavating the existing water main. This will be followed by tapping the existing water main and routing the new waterline across the road. We will then backfill with rock, pour concrete and plate the road to allow the concrete to set. Lastly, we will be working on the edge of the road to install and tie into the COA water vaults.	Complete
RWEP-016	6930 Dodd Rd	Comcast is to rise down 25' from an Existing GPC pole and excavate, bore and install 128' new 0.625" coax cable.	Hasn't Started
RWEP-017	2725 Creel Rd	Comcast is to riser down 25' then excavate, bore, & install 216' new 0.625" UG coax cable to be pulled through new 2" conduit within the ROW of Creel Rd to provide service to 2725 Creel Rd.	Hasn't Started
RWEP-018	Westgate Dr, Atlanta, GA 30336; ~113' East of Fulton Industrial Blvd SW SR 70 CL	Open trench 6' and directional bore 70' of 4" MHP PLS gas main. Open trench 42' of 2" HP STL gas main to retire and install new above ground regulator station. Retire existing below ground regulator station, 2" MHP STL, 2" HP STL, and 4" MHP PLS gas mains.	In Progress
RWEP-019	400 Fisk Dr SW	Comcast is to excavate, cut, & install 200' new 24ct fiber cable to be pulled through new 2" conduit within the ROW of Fisk Dr SW to provide service to 400 Fisk Dr SW.	In Progress
RWEP-020	4585 Jones Road extending east approximately 4,156' (0.8 miles) to 6380 Jones Road	Changeout the existing 4 ACSR single phase 25 KV distribution conductor to new 477 ACSR three phase 25 KV distribution conductor that crosses over and parallels Jones Road from 4585 Jones Road to 6380 Jones Road.	Hasn't Started
RWEP-021	Washington Rd at North Commerce Dr	Comcast is to overlash 825' new 48ct fiber to existing GPC poles within the row of Washington RD to complete node split.	Hasn't Started

Permits	Locations	Scope of Work	Status
RWEP-022	2805 Flat Shoals Rd	Comcast is overlash 100' 48ct fiber to existing GPC poles then riser down 25' and excavate, bore and install 2905' new 48ct fiber to be pulled through new 2" conduit within the row of flat Shoals Rd, Shenfield In and Shenfield Dr to complete a node split.	In Progress
RWEP-023	Along W Stubbs Rd, Wrotham Cir & Absinth Dr.	Comcast is to overlash 186' new 48-ct fiber to existing GSPC poles then riser down 25'. Excavate, bore, and install 668' new 48-ct fiber to be pulled through new 2" conduit then pull 450' new 48ct fiber through existing roll duct within the row of W Stubbs rd., Wrotham Cir and Absinth Dr to complete a node split.	In Progress
RWEP-024	Cedar Grove Rd South Fulton Ga 30213	Comcast is to overlash 6210' new 24-count fiber to existing GPC poles within the row Of Cedar Grove Rd and Short Rd to complete node split.	In Progress
RWEP-025	365 Patton Dr SW	Comcast is to pull 1289' new 0.875" UG coax cable to through existing conduit within the row of Patton Dr SW to provide service to 365 Patton Dr SW.	Complete
RWEP-026	Fairburn Rd SW & Cascade Rd; Starting 590' South of Cascade Rd CL, continuing North 2755'	Directional bore ~2951' and open trench 304' of 6" MHP STL gas main in order to renew existing gas main. Tie-in to existing 6" MHP PLS gas main.	Complete
RWEP-027	4730 Diann Dr SW Atlanta, GA 30349. Berryhill Ct is nearest intersection	New 118' x 1/2" Plastic Gas Service to 4730 Diann DR SW Atlanta, GA 30349.	In Progress
RWEP-028	3280 Stonewall Tell Rd	Comcast is to overlash 264' new 0.625" coax cable then build 316' new 0.25" strand and 0.625" coax cable to existing GSPC poles or riser down 25' and excavate, bore, & install 72' new 0.625" ug coax cable to be pulled through new 2" conduit within the ROW of Stonewall Tell Rd to provide service to Stonewall Tell Rd.	In Progress
RWEP-029	4225 Flat Shoals Rd South Fulton, GA 30291	Install MARTA bench at stop 213481 - Flat Shoals Rd & Mallory Rd, with sidewalk connection.	Hasn't Started
RWEP-030	3100 Stonewall Tell Rd Atlanta Ga, 30349	Request Road Closure at 3100 Stonewall Tell Rd for utility line crossing.	Hasn't Started

SECTION IID: STREETLIGHTS

City of South Fulton Public Works Department

STREETLIGHTS

The Streetlight Program is established to address the need for adequate illumination of public streets or roadways within the City of South Fulton. The goal is to aid in the safety and systematic movement of vehicular traffic within the public traveled roadway. Lighting on roadways is not provided for personal security, such as lighting of yards, driveways, or private property. In-house staff assesses requests from residents, conducts field visits and works with power companies to address inquiries for new lights, repairs, and upgrades.

On July 9, Mayor and Council approved a resolution adopting the Streetlight Masterplan. The masterplan provides options for street and pedestrian light poles, styles, spacing, lighting technology and control, and appropriate lighting levels for various locations such as: state roads, arterials minor residential streets, major street corridors including those with existing and proposed bike lanes, controlled intersections, roundabouts, uncontrolled pedestrian crossings, transit station street areas, and parks.

Additionally, the city is looking at various alternatives to upgrade the infrastructure, including solar lights. The city has spoken with a vendor with a good experience record in providing high-quality solar lighting solutions. Two TSPLOST projects where the city has investigated the possibility of solar lighting are the combined OSI 601/OSI615 Old Fairburn Road-Stonewall Tell Road at Union Road roundabouts projects for overhead lighting and the P 901 Enon Road Sidewalk project for pedestrian scale lighting. Procurement options include a monthly fee to the power company or a one-time upfront purchase and installation cost to consider for each. Time to break even on the investment is 8-10 years.

Lastly, the department is finalizing a design build ITB to address solar technology within the city that would include purchase, installation, and maintenance.

Requests for streetlights- new and upgrades- received to date are detailed in Exhibit A. There is an ample number of streetlights proposed during the construction of our capital and TSPLOST projects. The estimated number of lights, by project id, are listed in Exhibit B.

STREETLIGHT INQUIRY/APPROVED LOG

SECTION III:

SOLID WASTE COLLECTIONS

Solid Waste/Public Works is responsible for overseeing solid waste management within the city limits for both commercial and residential properties. This includes conducting educational outreach, organizing recycling events, managing the operations of the Merk Miles Citizens Convenience Center, providing solid waste services for city facilities, and collecting franchise fees.

Residential Cart Delivery

January marks the fourth month of internal operations. Below are the production figures for the months of January and February.

Table 1. COSF Cart Delivery and Maintenance

Service Complaints				Total Since
Item	Nov	Dec	Jan	November 2024
New Construction	42	56	60	158
Replaced Carts	25	57	56	138
Repaired Carts	23	26	49	98
Total				394

Source: COSF Solid Waste

Residential Solid Waste Program

Requests for Service

We provide weekly service to nearly 40,000 residents. On average, 56 new homes are added to our service each month. This supports Goals 1 and 3 for January.

Table 2. Requests for Service

Requests for Service			Average Since
Item	Dec	Jan	June 2023
Back Door Service	1	12	13
Extra Cart Request	11	44	55
New Construction-Add New Service	9	60	69
Bulk Scheduled Service Requests	50	222	272

Source: TracEZ

Special Events

January events included the Chipper Event, which took place on January 4th. Fifty-one (51) residents attended the event. The Paper Shred Event originally scheduled for January 11, 2025, was postponed due to a winter storm, and the new date is yet to be determined.

Looking ahead to February, the upcoming events are as follows: District 7 Paper Shred Event scheduled for February 08th at Tri Counties Plaza and District 1 Paper Shred Event, scheduled for February 22nd at Sandtown Plaza.

Complaints

The number of repair and replacement requests, as well as complaints regarding missed back door and curbside garbage service, saw an increase due to the two winter storms. For further details, please refer to Table 2.

Table 3: Monthly Complaints by Category

Service Complaints		Average since June 2023	
Item	Dec	Jan	
Missed Bulk	0	1	1
Damaged Cart - Repair or Replace	1	49	50
Missed Back Door Garbage	0	61	61
Missed Curbside Garbage	16	142	158
Waste Administration - Spills / Litter	0	8	8

Site Amenities

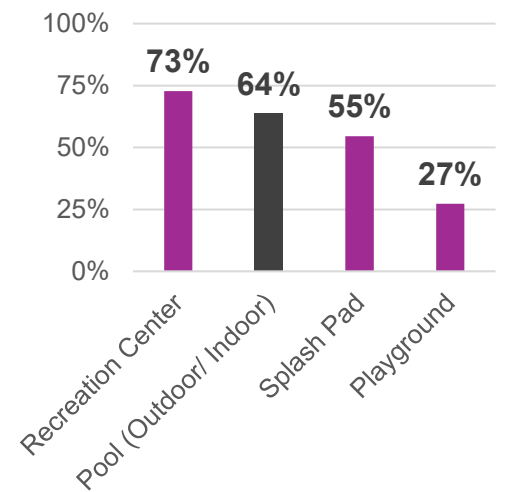

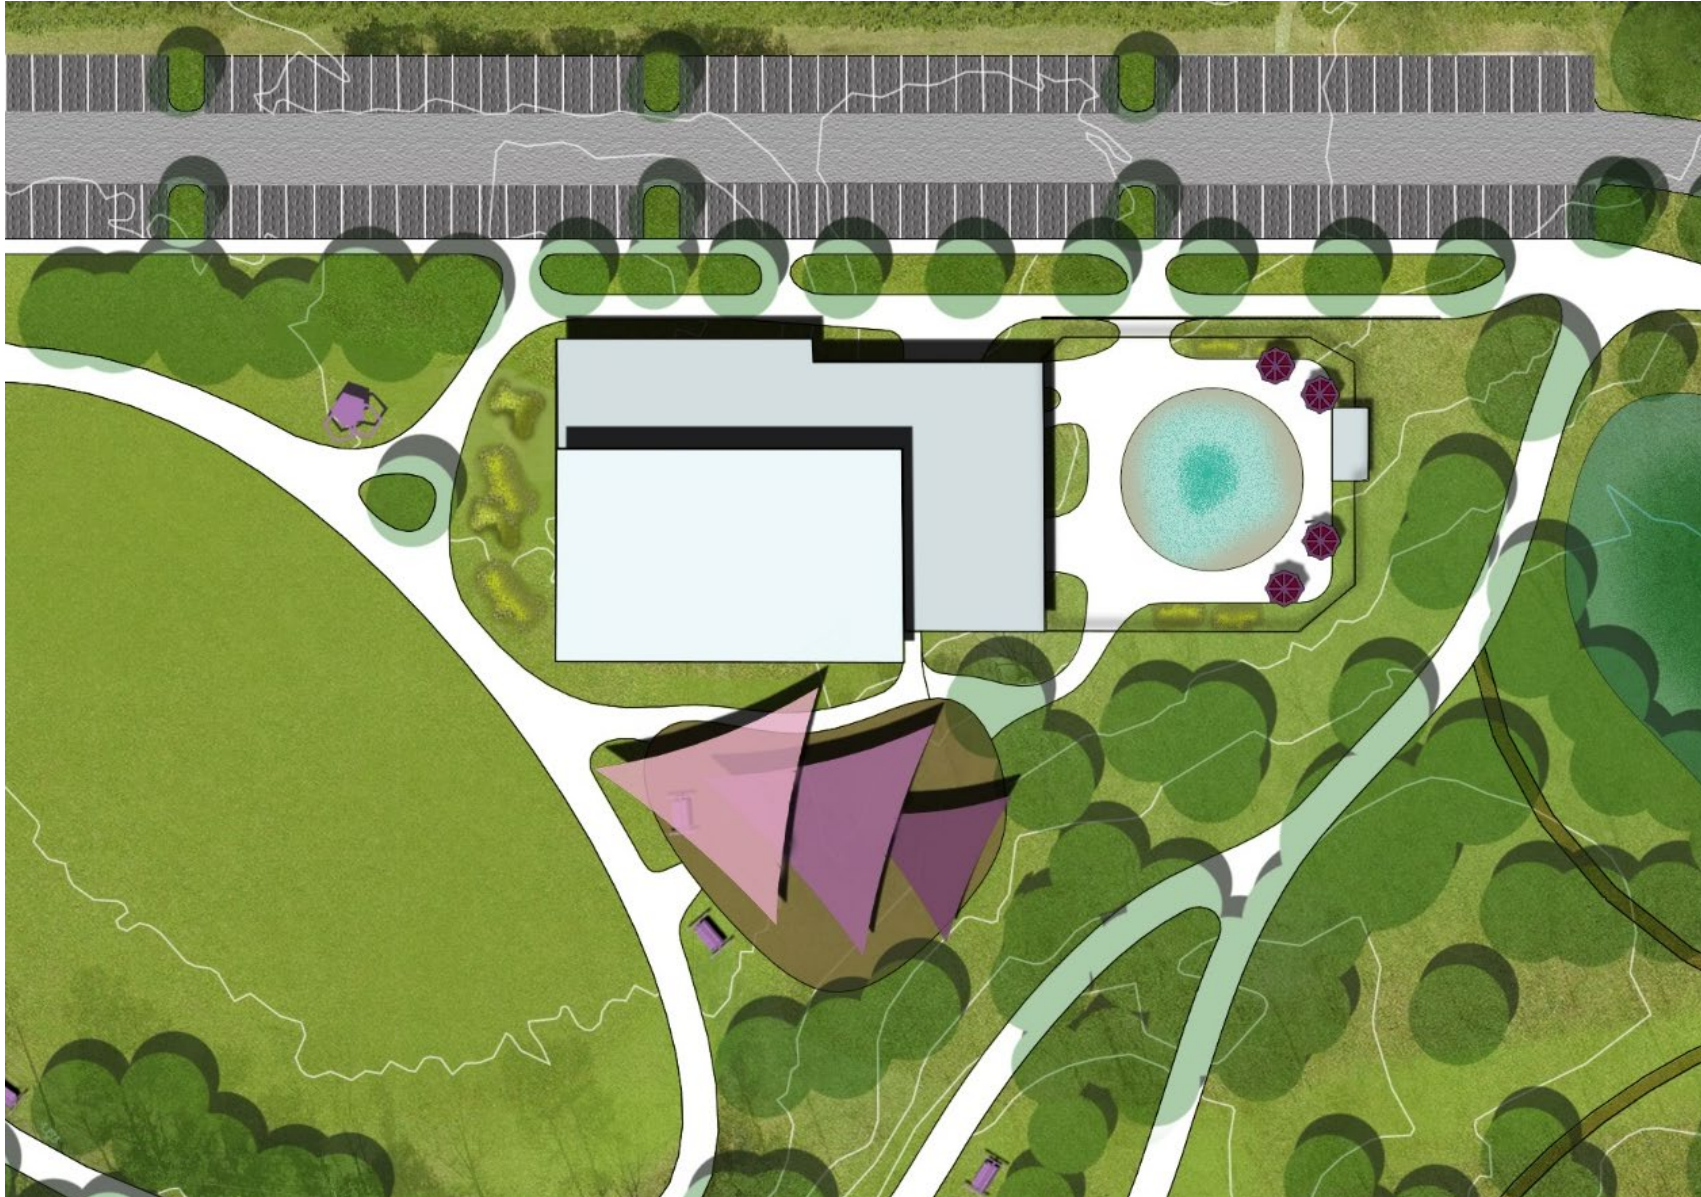

- 1) Open Lawn
- 2) Pavilion
- 3) Basketball Court
- 4) Multi-Use Path Network

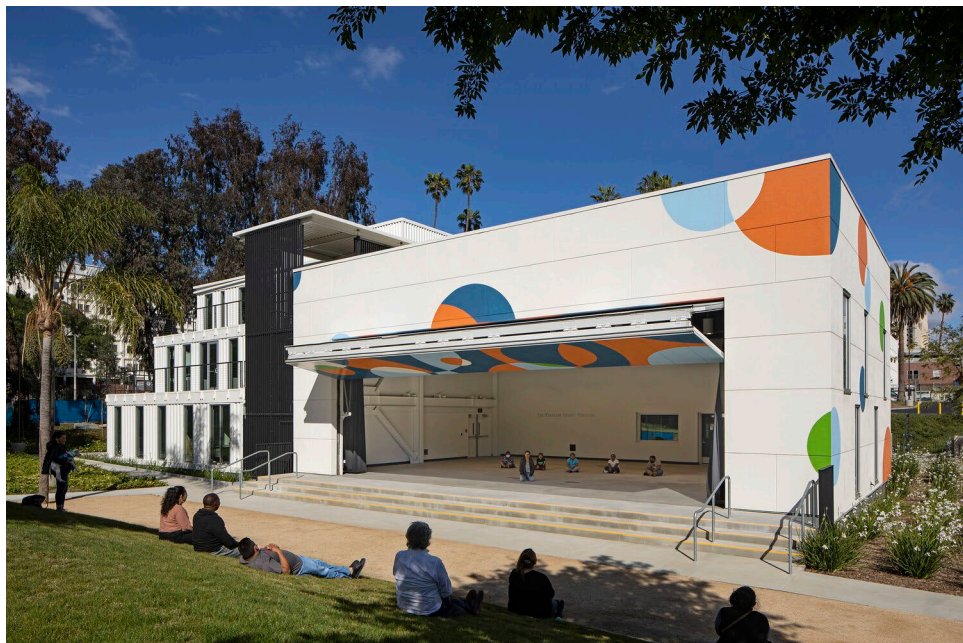

- 5) Dog Park
- 6) Stormwater
- 7) Nature Trails

- 8) Parking
- 9) Recreation Center with
Splashpad and Playground
- 10) Fire Station

CONCEPT 1 | PHASE 1 Recreation Center (16,000 sf) + Splashpad + Playground + Expanded Parking

CONCEPT 1 | PHASE 1

Recreation Center
(16,000 sf)
+ Splashpad
+ Playground
+ Expanded Parking

CONCEPT 2 | PHASE 1 Recreation Center w/ Indoor Pool (20,000 sf) + Playground + Expanded Parking

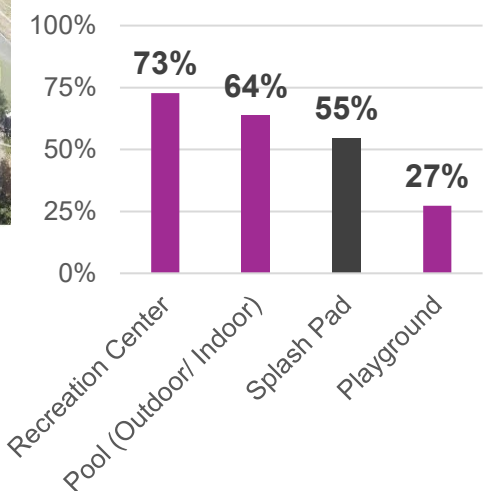

Site Amenities

- 1) Open Lawn
- 2) Pavilion
- 3) Basketball Court
- 4) Multi-Use Path Network

- 5) Dog Park
- 6) Stormwater
- 7) Nature Trails

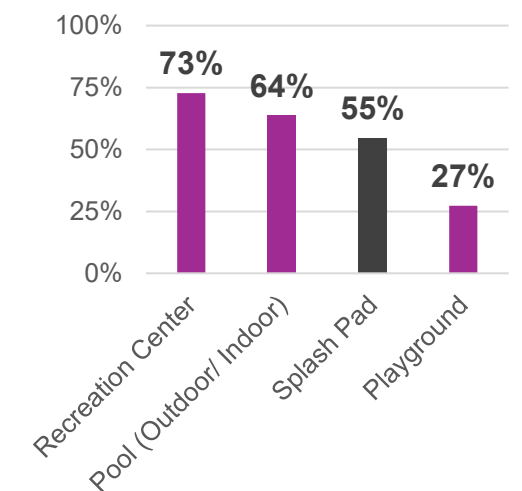

- 8) Parking
- 9) Recreation Center with Indoor Pool
- 10) Fire Station

CONCEPT 2 | PHASE 1

Recreation
Center w/
Indoor Pool
(20,000 sf)
+ Playground
+ Expanded
Parking

CONCEPT 2 | PHASE 1

Recreation Center w/
Indoor Pool
(20,000 sf)
+ Playground
+ Expanded Parking

CONCEPT 3 | PHASE 1

Recreation Center w/
Indoor Pool (20,000 sf)
+ Splash Pad
+ Expanded Parking

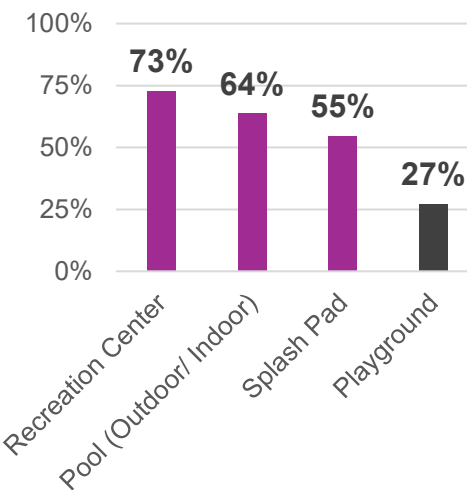

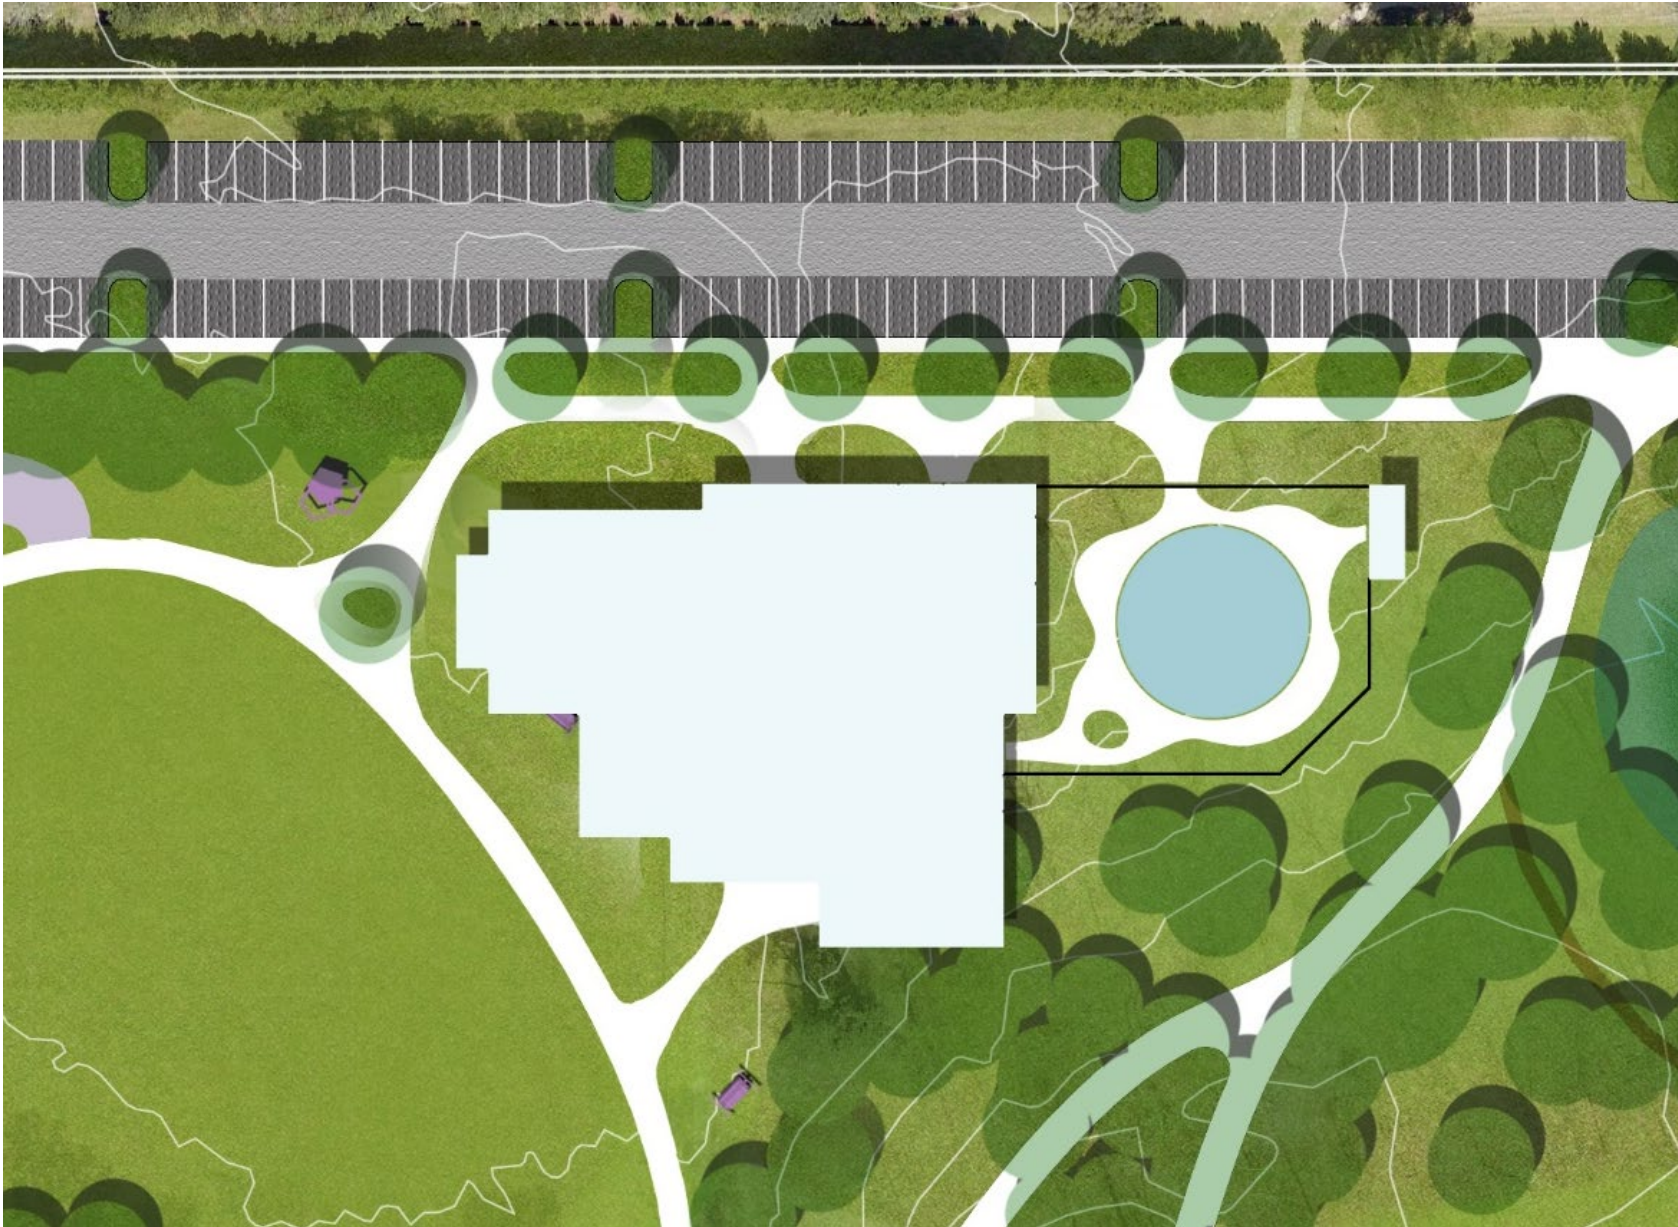

Site Amenities

- 1) Open Lawn
- 2) Pavilion
- 3) Basketball Court
- 4) Multi-Use Path Network

- 5) Dog Park
- 6) Stormwater
- 7) Nature Trails

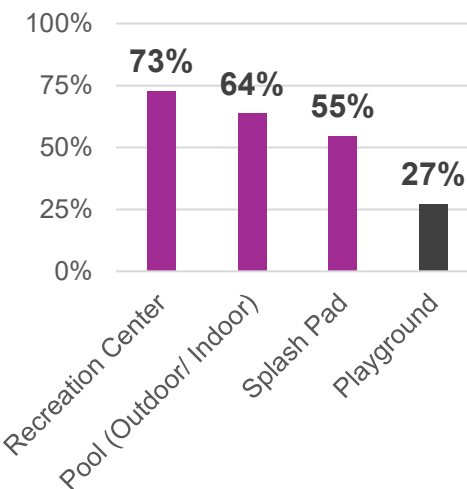

- 8) Parking
- 9) Recreation Center with Indoor Pool
- 10) Splash Pad
- 11) Playground

CONCEPT 3 | PHASE 1

Recreation
Center w/
Indoor Pool
(20,000 sf)
+ Splash Pad
+ Expanded
Parking

CONCEPT 3 | PHASE 1

Recreation Center w/
Indoor Pool
(20,000 sf)
+ Splash Pad
+ Expanded Parking

PHASE 1 OPINION OF PROBABLE COSTS

SITE WORK	\$145,000
RECREATION CENTER	\$10,000,000
HARDSCAPE	\$260,000
SPLASHPAD	\$500,000
