WHEREAS, Physician is licensed to practice medicine and prescribe drugs without restriction in the state of Georgia;

NOW, THEREFORE, in consideration of those premises and of the mutual covenants and conditions hereinafter set forth and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, COSF Fire Dept. and Physician agree as follows:

1. POSITION DESCRIPTION

Physician will handle clinical guidance and operations, including the following:

- (1) Medical Guidance Documents
 - Annually review and approve medical guidance documents, including standing orders, disaster planning and management. Assist in assuring compliance with applicable rules and regulations of the State Office of Trauma and EMS.
- (2) Online Direction
 - Provide mechanism for online-medical direction when requested by COSF Fire Dept. personnel and, as requested by COSF Fire Dept., provide 24-hour access to an on-call physician.
- (3) Personnel
 - Recommend training, and credentialing standards for COSF EMS Fire Dept. personnel based on nationally recognized standards
 - Exercise official authority to limit the medical activities of patient care providers for cause secondary to deviation from clinical standards of practice or failure to meet training standards, to include requirements for remedial clinical education and/or training. Such directives restricting medical practice will comply with the authority provided to EMS medical directors under State of Georgia Rules and Regulations and will be provided to COSF Fire Dept. administrative leadership for implementation.

- (4) Field Activities
 - May respond on scene to observe, assist, assess, and direct patient care delivered by COSF Fire Dept. personnel when available
- (5) Quality Assurance and Patient Care Reports (PCR)
 - Formulate audit filters based on high risk and critical case types
 - Conduct a critical review, in conjunction with QA staff, of all PCRs on patient care cases from which a complaint has been filed
 - Assist staff in development of patient care/medical standards that reflect the goals and expectations of the EMS system and its local community
- (6) Patient Care Complaints
 - Participate in the investigation of all externally and internally generated incident reports regarding patient care with respect for departmental due process policies .
Provide co-representation of COSF Fire Dept. in all meetings with medical representatives of other organizations resulting from EMS personnel- patient interactions
- (7) Discipline
 - Participate in review of personnel incidents involving possible violations of COSF Fire Dept, medical guidance documents by COSF Fire Dept. medical providers and exercise authority to limit medical care activities of such providers as appropriate and consistent with State of Georgia Rules and Regulations, as described above under "Personnel"
 - Participate in appeals of EMS personnel from decisions to restrict or deny patient care/medical privileges
 - Review and approve of the remediation process for EMS patient care personnel infractions
 - Recommend all EMS personnel for certification, re-certification, or de-certification to the appropriate EMS certifying body, state or national
- (8) EMS Education and Training
 - Participate in the formulation and approval of orientation programs for COSF EMS Fire Dept. EMS personnel
 - Review the formulation of all COSF EMS Fire Dept. training programs in conjunction with Department training staff
 - Review testing materials used in the evaluation of COSF EMS Fire Dept. personnel
- (9) Communications and Medical Priority Dispatch
 - Participate in development of standards and protocols for call prioritization, prearrival instructions, first responder activation guidelines, and response mode
- (10) Community representation and advocacy

- Interact with regional, state, and local EMS authorities to contribute to ensuring that standards, needs, and requirements are met and that resource utilization serves to optimize efficient and effective medical care
- Maintain liaison with the medical community including, but not limited to, hospitals and emergency department staffs, physicians, out-of-hospital providers, and nurses as well as local, regional, state, and national professional medical organizations • Serve as an advocate for efficient and effective emergency medical services throughout the service, municipality, region and state • Represent COSF Fire Dept. at select meetings involving matters related to EMS medical issues and related public policy development

11. COMPENSATION

As compensation for the duties of serving as Medical Director, COSF Fire Dept. shall pay \$30,000/year spent on the duties as specified herein. Compensation shall be paid on a biannual basis (March 1, 2018 and October 1, 2018).

111. INDEMNIFICATION AND INSURANCE

After exhaustion of insurance coverage covering the Physician, Physician shall indemnify, defend and hold COSF Fire Dept. and its officers, shareholders, directors, employees, agents and affiliates harmless from and against any and all costs, liabilities, losses and expenses, including, but not limited to, reasonable attorneys' fees resulting from or arising out of valid claim, valid suit, valid action, valid arbitration or valid proceeding brought by a third party against COSF Fire Dept. due to Physician's acts or omissions related to this Agreement.

COSF Fire Dept. will provide insurance coverage for Physician covering Physician's responsibilities as a Medical Director as specified in this Agreement and will provide a defense for claims, suits, or actions arising out of Physician's responsibilities as a Medical Director as specified in this Agreement. The purchase of insurance and the furnishing of certificates as required herein shall not be in satisfaction of Physician's obligations hereunder or in any way modify or limit Physician's agreement to indemnify, defend, and hold COSF Fire Dept. harmless as described herein.

After exhaustion of insurance coverage covering the COSF Fire Department, COSF Fire Department shall indemnify, defend and hold Physician harmless from and against any and all costs, liabilities, losses and expenses, including, but not limited to, reasonable attorneys' fees resulting from or arising out of a valid claim, valid suit, valid action, valid arbitration or valid proceeding brought by a third party against Physician due to COSF Fire Department's or its agents' acts or omissions related to this Agreement.

IV. REFERRALS

The parties agree that no part of this Agreement shall be construed to induce or encourage referral of patients or the purchase of healthcare services or supplies. The parties

acknowledge that there is no requirement under this Agreement or any other agreement between the parties that either party refer any patients to any healthcare provider or purchase any healthcare goods or services from any source. No payment made under this Agreement shall be in return for such referral or purchase.

V. TERM AND TERMINATION

The term of this Agreement shall be for a period of one (1) years commencing as of the effective date set forth above.

VI. GOVERNING LAW

This Agreement shall be governed by and construed, interpreted, and enforced according to the laws of the State of Georgia, without regard to its conflicts or choice of law principles.

VII. ENTIRE AGREEMENT

This Agreement constitutes the entire understanding of the parties and supersedes all prior negotiations and agreements between the parties, both oral and written.

VIII. SEVERABILITY

If any term or provision of this Agreement shall be held to be invalid, illegal or unenforceable, the remaining terms and provisions of this Agreement shall remain in full force and effect, and such invalid, illegal or unenforceable provision shall be deemed not to be a part of this Agreement.

IX. SURVIVAL

No termination or expiration of this Agreement shall affect any obligations that by their terms or nature must extend beyond the date of termination to be effective.

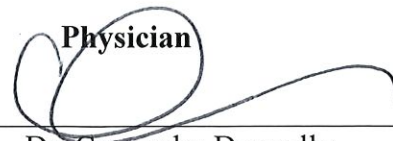

X. INDEPENDENT CONTRACTOR

Physician is acting, in performance of the services under this Agreement, as an independent contractor, on a non-exclusive basis, and nothing contained in this Agreement shall be construed as creating an employment relationship, agency, partnership, or joint venture between the parties.

IN WITNESS WHEREOF, the parties of this Agreement have caused this Agreement to be as of the day and year first above written.

INTERGOVERNMENTAL AGREEMENT

This Agreement is made and entered into this 26th day of February 2018, by and between THE CITY OF SOUTH FULTON, GEORGIA, a municipal corporation existing under the laws of the State of Georgia (referred hereto as "the City") and FULTON COUNTY, GEORGIA, a political subdivision of the State of Georgia (referred hereto as "the County").

WITNESSETH

WHEREAS, the City and County have contiguous boundaries; and

WHEREAS, the County is a constitutionally created political subdivision of the State of Georgia; and

WHEREAS, the City is a municipality organized under the Laws of the State of Georgia, acting by and through its duly elected City Council; and

WHEREAS, the Georgia Constitution, ARTICLE IX, § 2, ¶ 3 prohibits cities and counties from exercising governmental authority within each other's boundaries except by intergovernmental agreement or as otherwise provided by law; and

WHEREAS, the County and City desire to enter into an Intergovernmental Agreement for the City to provide fire protection, fire suppression, emergency medical response, community risk reduction, disaster mitigation, rescue, hazardous material response, technical rescue, ancillary fire services and support assistance, and first response non-transport emergency medical services within specific boundaries of the County for a period commencing upon execution of this Intergovernmental Agreement ("IGA") and ending on December 31, 2018. This Agreement may renew on January 1st of each successive year for up to two (2) years only by written consent of the parties. This Agreement may not be renewed or enforced beyond December 31, 2020; and

WHEREAS, the County and the City resolve to provide the best possible protection to their citizens to prevent disastrous incidents from occurring and maximize life-saving and property-saving opportunities when disastrous incidents do occur by sharing and using their resources in the most effective and efficient manner possible; and

WHEREAS, the City maintains and staffs a fire department for fire protection, fire suppression, emergency medical response, community risk reduction, disaster mitigation, rescue, hazardous material response, technical rescue, ancillary fire services and support assistance, and first response non-transport emergency medical services; and

WHEREAS, the County owns and maintains fire suppression, protection, prevention, rescue, emergency medical response, hazardous material response, technical rescue and ancillary fire services and support equipment; and

NOW THEREFORE, in consideration of the mutual covenants contained herein, and for other good and valuable consideration, the parties hereto agree as follows:

PURPOSE AND INTENT- 1.0

1(a): The purpose of this Agreement is for the City to provide fire protection, fire suppression, emergency medical response, community risk reduction, disaster mitigation, rescue, hazardous material response, technical rescue, ancillary fire services and support assistance, and first response non-transport emergency medical services within specific areas of the County, as defined in Addendum A to this Agreement, for a period of time commencing the 26th day of February, 2018.

1(b): The City, therefore, agrees to provide the specific areas of the County with services consistent with the overall quality of services provided throughout the City. Those services provided by the City will include, but not be limited to:

1(b)(1): Public education and safety services in the specific areas of the County covered by this Agreement which is consistent with those provided in other areas of the City;

1(b)(2): Maintenance, care, and upkeep of County Fire Department Equipment and property leased by the County to the City to support the specific areas of the County covered by this Agreement. A complete list of provided equipment, real estate, and resources is attached to this Agreement as Addendum B. The City agrees to pay the County the payoff amount for all leased vehicles transferred herein;

1(b)(3): Operation consistent with the County's Fire Rescue Standard Operating Procedures;

1(b)(4): Inspection and enforcement of the County Fire Codes within the area defined in Addendum A, via a designated Fire Marshal. Any fines or fees charged pursuant to these functions will be remitted to the County; and

1(b)(5): Operation in conjunction with the County Information Technology Infrastructure, including but not limited to RMS and fire applications.

1(c): The County will pay for the costs of providing such services as agreed upon within this Agreement and cooperate with the City in the provision of these fire rescue services.

TERMS AND DEFINITIONS – 2.0

For the purposes of this Agreement, the following terms shall be defined as:

2(a): *Call-For-Service* means a request received from the public through the 911 system requiring a Fire Department Services response or assistance.

2(b): *Fire and Rescue Department Services* means fire protection, fire suppression, emergency medical response, community risk reduction, disaster mitigation, rescue, hazardous material response, technical rescue, ancillary fire services and support assistance, and first response non-transport emergency medical services provided by City Fire Department members.

2(c): *Fleet and Rescue Maintenance* means preventative maintenance, safety inspections and minor repairs for City and County fire trucks other motor vehicles, facilities, and equipment operated for the purpose of fulfilling obligations under this Agreement.

COMPENSATION – 3.0

3(a): For fire and rescue services to be rendered pursuant to this Agreement, the County shall pay to the City an annual amount of Three Million Seven Hundred and no/100 Dollars (\$3,700,000.00) which shall be remitted to the City in monthly payments of Three Hundred Eight Thousand Three Hundred Thirty-Three and 33/100 Dollars (\$308,333.33) starting March 1, 2018, after receipt of an invoice for the same from the City. All invoices shall be submitted to:

Fulton County Department of Finance
141 Pryor Street, SW, Suite 7001
Atlanta, Georgia 30303

3(b): The parties agree that the annual amount of this IGA is subject to an increase based upon the consumer price index due to the effect of inflation on the real value of money. Should the annual amount need to be modified in any manner, the modification shall be agreed upon by both the County and the City.

3(c): The County shall provide leased equipment and facilities for the assets listed on Addendum B, for no additional fee as a part of the consideration for the City providing services to the specific areas of the County defined in Addendum A. The County will retain ownership of Fire Stations # 11 and # 19 and allow the City to use those facilities to provide services to the specific areas of the County defined in Addendum A.

3(d): The County will waive and forego any fees to which it is entitled from the City for the City's use of facilities and equipment relating to the Plummer Road Fire Station (Station # 13) and the adjacent maintenance facility which is located in the City, but provides services to areas of both the City and the County.

3(e): The City of South Fulton is responsible for all fire-related costs and charges incurred by the County which relate to the services provided to the City of South Fulton and which were incurred before February 26, 2018. The County will promptly remit invoices for such charges to the City Fire Chief or his/her designee upon receipt of the charge. The City Fire Chief or his / her designee will notify the County of each approval within ten business days of receipt. The City shall provide the County with a contact person to coordinate the payment of all invoices for fire related services incurred prior to February 26, 2018.

3(f): The County agrees to transfer the SAFER Grant to the City. The City agrees to employ the County employees funded through the SAFER Grant as of the transfer date. The City agrees to be responsible for payment of any accrued but unused leave of SAFER Grant employees from the SAFER Grant funds transferred pursuant to this Agreement.

3(g): Any grant funds received by the County to operate and maintain fire and emergency equipment will be remitted to the City from the County, as appropriate.

3(h): The City agrees to track and account for all fines and fees recovered by the Fire Marshal as a result of inspections and enforcement of the County Fire Codes within the area defined in Addendum A. The City will remit these amounts to the County within thirty (30) days of receipt.

3(i): Nothing herein shall operate to bar recovery of funds by either jurisdiction from any state or federal agency under any existing statutes.

CITY FIRE DEPARTMENT SERVICES - 4.0

4(a): The City Fire Department will automatically respond and utilize resources when providing fire protection, fire suppression, emergency medical response, community risk reduction, disaster mitigation, rescue, hazardous material response, technical rescue, ancillary fire services and support assistance, and first response non-transport emergency medical services in the contiguous geographic service areas of Fulton County defined in Addendum A, on a continual 24-hour per day basis in accordance with Georgia law, County Ordinances and City Ordinances.

4(b): The City Fire Department shall provide the equivalent of comparably equipped unit(s) as determined by ICS-420-1 and existing units being utilized by the County; and staffed with a minimum of three members in each instance of emergency based on local conditions at the time of emergency.

4(c): The City Fire Department units will respond to all calls-for-service within the specific jurisdictional limits of the County identified in Addendum A, as dispatched through the County's 911 system.

4(d): The City Fire Department unit(s) shall be deemed the primary responder in the areas identified in Addendum A and shall make every reasonable effort to meet all existing performance metrics as noted for EMS and Fire with response targets of 7:59 and 8:12 minutes or less respectively while maintaining safe operations, consistent with the departmental average response time.

4(e): The City Fire Department will respond to and render aid in emergency, life-saving and in-progress fire incidents occurring inside the boundaries of the County, and to locations covered by existing County mutual aid agreements.

4(f): The City Fire Department units shall make every reasonable effort to maintain an average emergency response time goal of 8 minutes or less, 90% of the time while maintaining safe operations, consistent with the departmental average. The City shall have the opportunity to provide exceptions to response time issues, i.e., natural and man-made disasters, interruption of voice or data transmission, storms and road closures. If the City consistently fails to meet the levels of service outlined herein, which failure has been communicated in writing by action of the Fulton County Board of Commissioners to the City on more than one occasion, the City Fire Chief, City Manager and Fulton County Manager will meet to address the causes and remedies for the response time issues. If the issues cannot be resolved to the County's satisfaction consistent with the terms of this Agreement, the failure to address the service delivery standards specified herein shall be a material breach of this Agreement and serve as a basis for termination of the Agreement at the County's discretion.

ANCILLARY FIRE SERVICES – 5.0

5(a): The City will provide ancillary services to the contiguous geographic service area of Fulton County as defined in Addendum A, pursuant to the terms of this Agreement, the

consideration for which has been calculated as part of the payment provided in Section 3. In addition to fire suppression and rescue services, the City Fire Department's operations include arson investigation; public education and community risk reduction; safety and member services including training; advanced life support services; hazardous materials amelioration; technical rescue services; homeland security efforts; and other services targeted to prevent accident and injury by raising public awareness of potential fire hazards and by identifying non-compliant situations.

5(b): The City will provide fire safety inspections and fire code enforcement within the contiguous geographic service areas of Fulton County, as defined in Addendum A, during this Agreement. Revenue generated from fire safety inspections shall be remitted to the County.

5(c): During the pendency of this Agreement, the City will provide the same administrative and support services attendant to the operation of a Fire Department.

5(d): The City is financially responsible for the replacement of vehicles or other fire equipment necessary to perform the City's obligations under this Agreement that become damaged or inoperable during the term of this Agreement. Normal wear and tear and maintenance costs are included in the fee paid by the County for fire services.

MANAGEMENT OF FIRE RESCUE SERVICES – 6.0

6(a): The City Fire Chief will direct the daily fire department operations in the area of the County as defined in Addendum A, effectuate the County's fire prevention priorities, manage the delivery of fire department services, and ensure that the comprehensive fire and emergency medical needs of the areas of the County, as defined in Addendum A, are adequately met.

6(b): All City Fire Department personnel assigned to the service areas of Fulton County defined in Addendum A, as well as any other sworn personnel firefighting and support personnel shall remain under the command of the City's Fire Chief.

6(c): The City Manager will promptly address concerns expressed by the Fulton County Manager regarding the performance of fire department personnel pursuant to the City's written personnel policies and procedures.

6(d): In the event the Fulton County Manager becomes dissatisfied with the performance of any sworn or civilian personnel assigned to the County, the County Manager shall discuss the concerns with the City Manager, as appropriate. The City Manager shall provide the County Manager with prompt written notice of any resignation, or termination of Fire Department personnel assigned to the services areas of Fulton County as defined in Addendum A.

EQUIPMENT – 7.0

7(a): The City shall provide uniformed firefighters, of any rank, with the City's own standard support equipment necessary to carry out the services functions contemplated by this Agreement.

7(b): The City shall furnish and maintain in good working condition for the benefit of the County,

all necessary emergency communication facilities and equipment necessary and proper to perform the services, duties and responsibilities described in this Agreement.

7(c): Each City fire engine, ladder truck and battalion vehicle shall be furnished with standard support equipment as necessary and appropriate to carry out services contemplated by this Agreement.

RECORDKEEPING AND REPORTING – 8.0

8(a): The City Fire Department will work with the County to address all state record requirements.

8(b): The City shall prepare and deliver quarterly reports to the Fulton County Director of Emergency Management or his/her designee. The reports shall describe the type and number of calls for fire and first responder non-transport emergency medical services responded to by the City Fire Department within the area covered by this Agreement.

8(c): Except as limited by any provision of state or federal law, the County may request, review and access data and City records to ensure compliance with this Agreement.

8(d): The City Fire Department shall document incidents within the area covered by this Agreement using the equipment and records management system (RMS) provided by the County. The City shall be responsible for all costs associated with the RMS system.

EVENT OF DEFAULT – 9.0

An event of default shall mean a material breach of this Agreement follows:

9(a): The City:

1. repeatedly disregards local priorities established by the Fulton County Board of Commissioners which the City is required to observe by this Agreement and which have been communicated in writing by action of the Fulton County Board of Commissioners to the City on more than one occasion; or
2. The City consistently fails to meet the levels of service outlined in this Agreement which failure has been communicated in writing by action of the Fulton County Board of Commissioners to the City on more than one occasion.

9(b): The County fails to make prompt payment as required in Section 3.0.

9(c): If an event of default occurs pursuant this Agreement, the non-defaulting party shall have the right in its sole discretion to terminate this Agreement pursuant to Section 13.

THIRD PARTY BENEFICIARIES – 10.0

This Agreement shall not be construed as or deemed to be, an agreement for the benefit to any third party or parties, and no third parties shall have any right of action hereunder for any cause whatsoever.

TERM OF AGREEMENT – 11.0

11(a): This Agreement shall commence upon its approval and appropriate recording in the minutes by the respective governing bodies of the parties. Renewal of this Agreement shall require written notice by both the County and the City and shall not be automatic.

11(b): Nothing in this article shall preclude termination pursuant to section 13.

ENTIRE AGREEMENT – 12.0

12(a): This Agreement shall constitute the entire Agreement between the parties and no modification thereof shall be binding unless evidenced by a subsequent signed written agreement.

12(b): This Agreement shall be the sole instrument for the provision of emergency fire and rescue services between the parties.

TERMINATION – 13.0

13(a): Either Party to this Agreement may terminate the Agreement by giving not less than ninety (90) days advance written notice to the other party.

13(b): Upon termination of this Agreement, the County will be eligible for a pro-rated reimbursement of funds for service(s) not provided under this Agreement.

SEVERABILITY OF TERMS – 14.0

In the event any part or provision of this Agreement is held to be invalid, the remainder of this Agreement shall not be affected thereby and shall continue in full force and effect.

GOVERNING LAW – 15.0

This Agreement shall be governed in all respects by the laws of the State of Georgia.

IN WITNESS WHEREOF, we have caused this Agreement to be executed on the date appearing above.
