FEBRUARY 2025

Ribbon cutting Ceremony at Enon Rd over Camp Creek Tributary

One Department * One Mission * One Team

DEPARTMENT OF PUBLIC WORKS

Antonio M. Valenzuela, Director

Jim Martinez, Deputy Director

INTRODUCTION

The Public Works Department is pleased to release the Project Updates Report for the various divisions- Planning, Capital, TSPLOST, and Engineering, Construction Operations and Maintenance, Traffic Operations & Maintenance, and Solid Waste.

The report is a reference document for all active projects in the City of South Fulton that are in various stages of implementation that include procurement, design, right-of-way acquisition, construction, and maintenance. Also, it outlines other standalone activities/programs, i.e., streetlights, utilities, and traffic calming.

The document is broken into three sections as outlined below:

- SeeClickFix allows residents and business owners to provide City of South Fulton staff with pictures, specific descriptions, and other valuable information needed to get the job done efficiently.
- Transportation Section contains information related to Construction Operations & Maintenance, Traffic Operations & Maintenance, and Utilities. A summary of the Capital Improvement (CIP) and TSPLOST projects is included; however, the factsheets are omitted from this report. Instead the department launched a web-based real time project reporting tool using this [link](#) available on the Public Works homepage.
- The Solid Waste section updates the reader on the residential collection program in the city.

Noteworthy accomplishments include:

February Project Highlights

- B-501 Enon Culvert had a Ribbon-cutting ceremony, February 19th.
- A Construction kickoff meeting for OSI 613/615 Old Fairburn/Stonewall Tell at Union Road was held February 25th.
- P 900 Danforth Road Sidewalk has reached substantial completion and a ribbon cutting ceremony is being planned.

SECTION I:

SeeClickFix

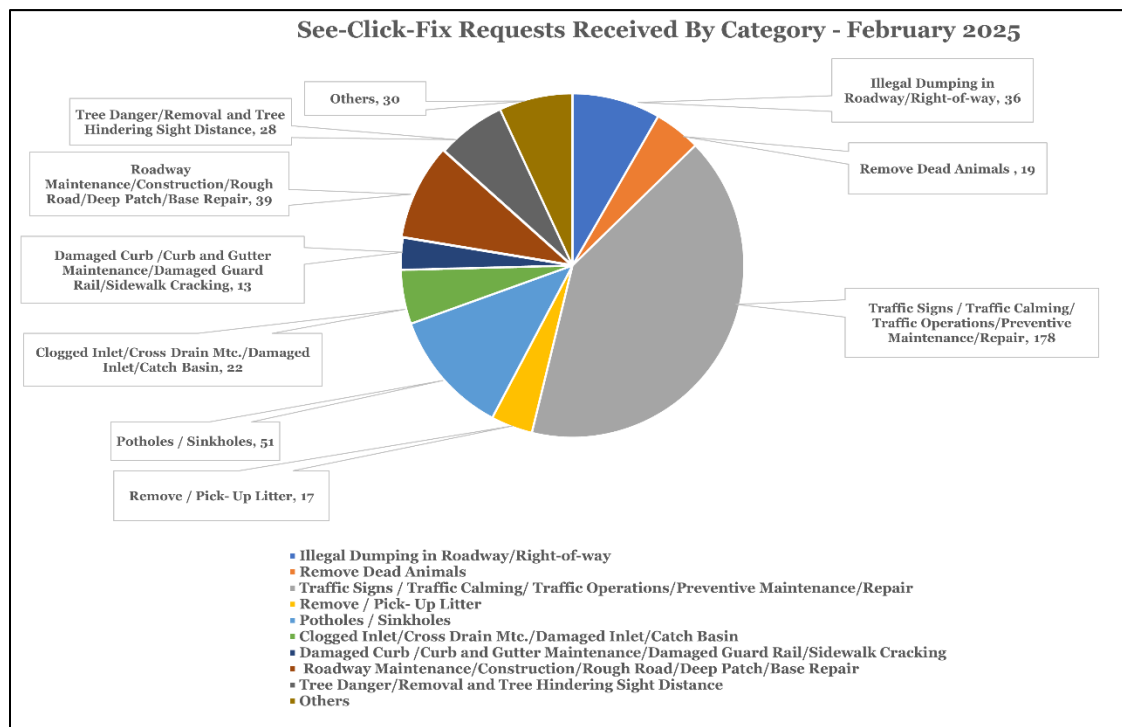

City of South Fulton Public Works Department

SeeClickFix

The City of South Fulton (COSF) 311 platform provides City officials with a centralized issue management system to manage issues from creation to resolution - engaging City of South Fulton residents throughout the process. The COSF mobile app and web tools allow residents and business owners to provide City of South Fulton staff with pictures, specific descriptions, and other valuable information needed to do the job efficiently. In addition, residents may seek information about city services or report non-emergency incidents by calling the city's **24-hour 311 Call Center at (470) 552-4311**.

Summary of SCF Requests

SCF	February 2025	Year to date
Total Requests Received	433	745
Open	67	73
Closed	366	672

Note: Category Others include Bridge Maintenance, Manhole Covers, Street Lights, and Street Flooding

SECTION II:TRANSPORTATION

CAPITAL AND T-SPLOST TRANSPORTATION UPDATES

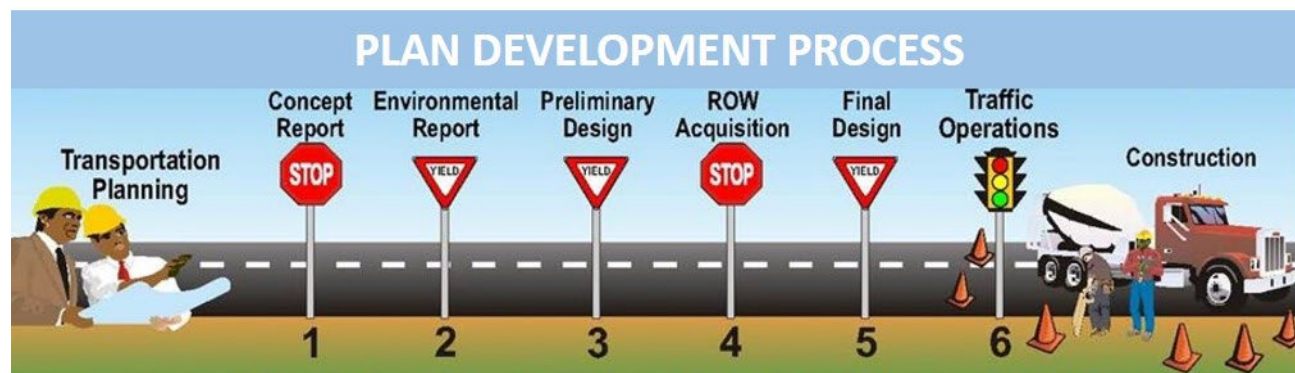

The City of South Fulton has a Capital and TSPLOST Program for implementing design projects that have been identified by City staff and stakeholders as a priority. Funding comes from the General Fund, TSPLOST sales tax collections and some Federal money.

TSPLOST-I program tax collections started in 2017 and ended in 2022, and TSPLOST-II program tax collections started in 2022 and will end in 2027. TSPLOST-I projects are being prioritized for completion and all TSPLOST-II projects will be in the concept or preliminary design stage.

The delivery of projects is centered around GDOT's Plan Development Process (PDP). This process typically consists of the four major phases: Design, Environmental Clearance, Right-of-Way (Services and Acquisition) and Construction (including CEI). Additional details of these phases are depicted below, which detail the project development process utilized by Public Works.

The plan development process, start to finish, is illustrated below:

TSPLOST I: Projects moving toward Construction

OSI 613/615 – Old Fairburn/Stonewall Tell at Union Road – The contractor has started mobilizing to begin work on this project. A kickoff meeting was held in January.

ISU-700 – Flat Shoals Road ATMS – The designer is completing the required revisions to the GDOT Encroachment permit. The final Right of Way parcel is in closing. The city will prepare an ITB for advertising once the signal plans revisions are completed.

OSI-617 – Welcome All at Jailette Road – two utilities have been requested to provide confirmation of no facilities or to send relocation plans. The City of Atlanta Department of Watershed Management is finalizing an IGA agreement to be approved by the Council before the city prepares and advertises an ITB.

Federally Funded Projects.

T-266 – New Hope Sidewalks – The contractor is mobilizing to begin clearing the Right-of-Way for the project so the utilities can begin their work. A groundbreaking ceremony is planned for later in March.

T-277 – Cochran Road at Camp Creek (Bridge) – GDOT is preparing the authorization to award which will precede City Council approval. Expecting to have a groundbreaking ceremony in late March.

T-265 – Old National Highway Sidewalks – GDOT programmed Letting June 2025; The city and the design consultant are finalizing ROW and utility certification items.

TSPLOST II and Capital Projects

Three TSPLOST II Intersection Improvement projects - Aldredge Road and Merk Road, Union Road and Thames Road, and Ono Road/Hobgood Road at Rivertown Road recently advanced to preliminary design. One Bridge Replacement project – Stacks Road over CSX RR also started preliminary design.

One TSPLOST II Intersection Improvement project - Bethsaida Road at Creel West and one Sidewalk project – Union Road are in the Concept development and alternative selection stage and will be soon advancing to public meetings. Designs will be validated and authorized after concept completion and public meetings.

Three TSPLOST II Intersection Improvement projects - Butner Road at Aldredge Road, Bethlehem Road, and Cedar Grove Road, and Old Fairburn Road at Thaxton Road - are in revision by the design consultant for further next steps. Designs will be validated and authorized after concept completion and public meetings.

One TSPLOST-II Sidewalk project - Bethsaida Road is under concept development.

Two TSPLOST II Sidewalk projects – Cascade Road and Flat Shoals Road will be soon entering the concept design stage in preparation for public meetings.

Three Bridge/Culvert projects – Derrick Road (TSPLOST II), Koweta Road (TSPLOST II), and Oglesby recently entered the concept design phase.

The Jones Road and Hall Road paving and culvert replacement projects are being prepared for a joint public meeting. Design will be validated and authorized after concept.

Three gravel road paving projects - Rocky Head Road, Thames Drive, and Oxford Road are being prepared for public meetings. Rocky Head will have a joint public meeting with Union Road Sidewalk. Design for all three projects will be validated and authorized after concept.

GDOT Projects within South Fulton

PI0011845/OSI-624: SR 14 at Washington Road Roundabout construction continues with grading operations with a projected completion in late 2025.

PI0013938 & PI0013939/T-272 & T-273: Buffington Road Projects - Road widening and sidewalks ROW clearance continues in advance of both overhead and underground utility work stage continues. Work on retaining walls is continuing. Projected completion in the summer of 2026.

PI0015593/T-285: SR 92 @ Butner Road/Ridge Road Roundabout – has a June 2025 Letting.

PI0015642/T-280: Oakley Road over Broadanax Creek - Project completion TBD, with a detour still on-hold pending GDOT resolving a ROW issue and a Comcast utility issue.

PI0017398/OSI-605: SR 92 @ Jones Road/Demooney Road Roundabout – Design continuing following the PFPR that was held December 2024; ROW Authorization expected by January 2026. Let Date early 2027.

PI0019647: FIB and Westpark – Concept is under development.

PI0019841: SR 138 at Bethsaida Road – Concept is under development.

Bridge Repairs and Maintenance – Work on the Mallory Road Bridge is ready to proceed. CSX Railroad review of the work that remains on the Cascade Road bridge and the selection of a design consultant for the partial wingwall replacement on a third bridge at Burdett Road remain. Additional bridge work on eleven bridges was granted NTP to Massana Construction in February and work will begin in March.

Scope of Work Performed/Planned This Month

Work items performed between the monthly report dates detailed above:

- Continue landscaping area backfill
- Continue Installation of GAB on Roadway section.
- Continuing ditch work
- Continue Rip rap stone and filter fabric Installation along stream banks slope,
- Completed Storm Drainage work

Progress and Schedule

The Physical Project Status is **78%** completed as of the period ending date above.

The targeted Project Schedule Status was predicted to be **100%** as of the period ending date above.

Project delays have been related to Weather conditions – rain and flooding.

Scope of Work Planned for Next Month

Work items planned for next month:

- Complete riprap installation
- Complete landscape preparation for permanent grassing
- Asphalt paving, if weather allows
- Install permanent grassing
- Install the Right of Marking
- Install signing, Marking, and Guardrails
- Completion of the Project

Scope of Work for this Month

Work Breakdown Structure (WBS) and performance report:

1. Erosion Control and Traffic Control Maintenance
2. Seed for Permanent Grassing (40+70 to 23+00), including Mulching
3. Fill in holes on roadway as a result of pole removal by Greystone
4. Removal of silt fence STA 21+00 To STA26+00 RT, STA30+00 To STA38+00.
5. Grading on Shoulder and Driveway.

Progress Schedule

At the time of this report the estimated level of completion is **69%** of the entire project.

At this stage of the project, we are waiting for the go-ahead from the City of South Fulton to implement the necessary road closure for new traffic pattern to take effect. With this in place, we can then complete all the outstanding work on the project.

Scope of Work Planned For Next Month.

This is subject to the completion of the relocation of the utility poles

1. Continue asphalt work on roadways and driveways.
2. Completion of traffic circle construction.
3. Permanent grassing on slopes.
4. Completion of curb and gutter and sidewalk installation.
5. Traffic and Erosion control maintenance.
6. Continue installation of Drainage Structures and Storm Drain installation (B-12 to B-13, B-13 to B-14, B-14 to B-15)

Progress Photos are attached on the following pages

SD&C on-site grading radius for truck apron (40+00 to 18+00) and roadway along Butner Road and Union Road

SD&C on-site removing silt fence from established vegetation areas (15+80 to 17+00) on Butner Road and Union Road

Greystone on site removing old AT&T poles from within the roadway

AT&T on-site removing aerial lines for cut over to new poles throughout project

AT&T is working on corrective list items for underground wiring along Butner Road and Union Road

WUCS	Siddharth Balar	678-283-5760	CMC, Inc.

Scope of Work Performed This Month

Work items performed between the monthly report dates detailed above:

- * Completed Stage 1A construction required to implement first traffic shift to Stage 1.
- * Installed offsite detour and staging traffic control with temporary striping and signs. Offsite detour implemented 01/16/2025 (60 day time limit).
Completed utility relocations for Greyatone Power, Greystone Fiber, and Zayo. AT&T began relocations 01/27/2025. After AT&T only remaining UTL will be Comcast. All relocations must be completed by 03/15/2025 prior to next Stage traffic shift. UTL delays will push this shift date to April 15, 2025.
- * Remove existing asphalt paving STA 12+80 - 22+00. Install storm drain pipe from A3 to A3-1 to A3-2. Awaiting UTL Relocations in this area.

Progress and Schedule

The Physical Project Status is **62%** completed as of the period ending date above.

The targeted Project Schedule Status was predicted to be **100%** as of the period ending date above.

Project delays have been related to unforeseen utility delays related to water, cable, and power and obtaining easement from Fulton County on Parcel 2.

Scope of Work Planned For Next Month

- Work towards completing Stage 1 construction and install required for traffic shift to Stage 2
- * projected to occur on April 15, 2025. Note Stages 2,3,&4 should occur within a 30-day duration and the majority of the work is performed in Stage 1A & Stage 1.
- * Complete relocation of AT&T and Comcast.
- * Coordinate with Fire Station #6 construction project to provide proper tie-ins and prevent delays/conflicts .

Scope of Work Performed This Month

Work items performed between the monthly report dates detailed above:

- Work on hold due to pending Utility relocation. (Comcast and AT&T needs to complete their relocation off the pole line and Ga Power to come back to remove poles in conflict with sidewalk construction.)
- No activity. Storm drainage C5.1-C5.2 is on hold due to underground power cable and pole that needs to relocate.
- Storm drainage A1-A2 on hold. CMC Inc submitted the RFI for Storm drainage A1-A2. Designer sent recommendation and will be installed next month.
- Sod installed on majority of the area. Waiting for all utilities to be clear.

Progress and Schedule

The Physical Project Status is **80%** completed as of the period ending date above.

Project delays have been related to unforeseen utility delays related to water, cable, gas, and power.

Scope of Work Planned For Next Month

Work items performed between the monthly report dates detailed above:

- Waiting for Utility and Lighting work to finish so remaining concrete, storm drainage and Sod work can finish.
- Install Storm drainage A1-A2

SECTION IIA: CONSTRUCTION OPERATIONS

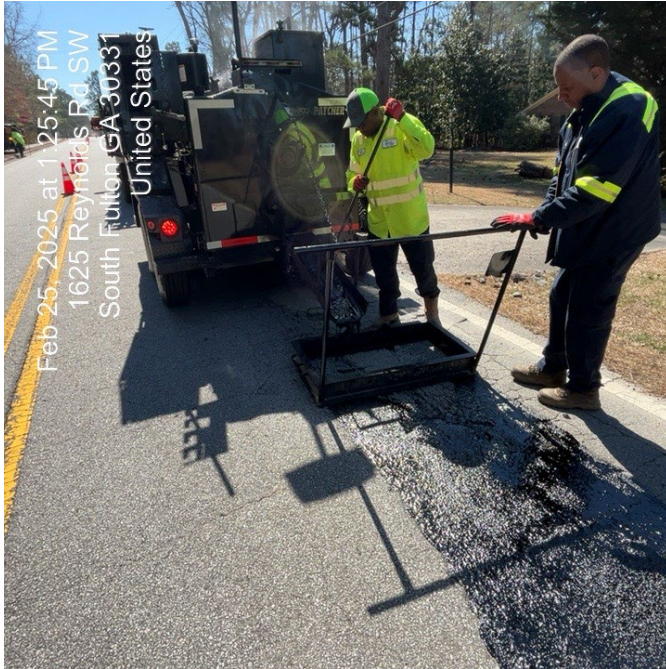

Right of Way Maintenance is required to provide safe and multi-use roadsides. A well-maintained right of way promotes a positive quality of life and is integral to the other functions such as utility installations, vehicle emergencies and sign placements. Right of way Maintenance serves to maintain a safe zone adjacent to the road pavement, improves drainage of stormwater from the road surface, and creates an attractive vista along road corridors. Accomplishments this month include:

Number of Storm Drains Maintained: 18

SECTION IIB: TRAFFIC OPERATIONS

City of South Fulton Public Works Department **TRAFFIC OPERATIONS**

The Traffic Operations Crew is on constant patrol in the City of South Fulton to ensure that all signs and signals are clear to see and work properly. This consists of approximately 35,000 static signs, 66 Traffic Signals, 14 Traffic Beacons, 40 School Flashers and numerous Solar Flashing signs.

The following is what each category is used for and what they represent.

- **Other Traffic Operations Issues** is used for anything that doesn't fall into a specific category.
- **Sign – Other Sign Down/Missing** is used for missing signs, installing new signs, replacing or upgrading signs. If there are other signs on that post, the crew will clean them.
- **Sign – Preventative Maintenance** is used for the cleaning and straightening of signs.
- **Sign - Stop/Yield Sign Down/Missing** is used for responding to or finding STOP sign or YIELD sign that has been knocked down or missing. This category is responded to as an emergency any time.
- **Signal - In Flash or Dark** is used to let us know that the traffic signal is flashing all RED lights, or no lights are visible. This category is responded to as an emergency at any time.
- **Signal - Other Issues** are used to let us know if there are any other problems with the Traffic Signal. There can be that there is an LED bulb not working, if the crosswalk is being problematic, sitting at a signal too long or just not changing.

In the month of February 2025, the Traffic Operations Department acquired 205 new requests and closed 207. The following are the 207 See Click Fix with the Categories that Traffic Operations **responded to and completed** this past month.

Number of Other Traffic Operations Issues: 5

SECTION IIC: UTILITY PERMITS

UTILITY PERMITS

Purpose of utility permits is to help the City of South Fulton staff track and manage construction operations more efficiently. Each utility permit contains a unique reference number, special requirements before/ during operation, procedures, and contact information in case of emergencies. All this information is essential when dealing with construction operations in our Right of Way.

Permits	Locations	Scope of Work	Status
RWEP (25)-043	5300 Buffington Rd and across from 4900 Buffington Rd, Atlanta, GA 30349	Georgia Power needs to replace 1 45ft wood pole with a 50ft wood pole and 1 40ft wood pole with a 45ft wood pole along Buffington Rd to provide space for a new attachment to meet NESC and pole owner requirements.	Complete
RWEP (25)-044	7200 BRADFORD WAY	AT&T to lash 18,774' of new fiber aerial fiber cable to existing pole line, place handholes, directional bore 3,882' of new buried fiber cable and 1,367' of innerduct to provide fiber service.	Complete
RWEP (25)-045	2725 Creel Rd	Comcast is to rise down 25' from an existing pole then excavate, & install 151' new 0.625" ug coax cable to be pulled through new 2" conduit within the ROW of Creel Rd to provide service to 2725 Creel Rd.	Complete
RWEP (25)-046	Multiple locations - see site maps	On behalf of South Fulton PD, installation of 4 automatic license plate reader camera. Fully solar powered and will be installed on a 12FT Flock pole.	In progress
RWEP (25)-047	3701 Great Dr. Atlanta, GA 30349	Comcast is to bore and install a total of 813' new .625 coaxial cable in new 2" conduit including 813' bore in existing ROW servicing near 3701 The Great Dr, Atlanta, GA 30349.	Hasn't Started
RWEP (25)-048	1690 New Hope Rd SW, Atlanta, GA 30331	Install 156' x 1.25" plastic service line to customer address location and retire existing 156' x 1/2" plastic service line.	Complete

SECTION IID: STREETLIGHTS

City of South Fulton Public Works Department

STREETLIGHTS

The Streetlight Program is established to address the need for adequate illumination of public streets or roadways within the City of South Fulton. The goal is to aid in the safety and systematic movement of vehicular traffic within the public traveled roadway. Lighting on roadways is not provided for personal security, such as lighting of yards, driveways, or private property. In-house staff assesses requests from residents, conducts field visits and works with power companies to address inquiries for new lights, repairs, and upgrades.

On July 9, Mayor and Council approved a resolution adopting the Streetlight Masterplan. The masterplan provides options for street and pedestrian light poles, styles, spacing, lighting technology and control, and appropriate lighting levels for various locations such as: state roads, arterials minor residential streets, major street corridors including those with existing and proposed bike lanes, controlled intersections, roundabouts, uncontrolled pedestrian crossings, transit station street areas, and parks.

Additionally, the city is looking at various alternatives to upgrade the infrastructure, including solar lights. The city has spoken with a vendor with a good experience record in providing high-quality solar lighting solutions. Two TSPLOST projects where the city has investigated the possibility of solar lighting are the combined OSI 601/OSI615 Old Fairburn Road-Stonewall Tell Road at Union Road roundabouts projects for overhead lighting and the P 901 Enon Road Sidewalk project for pedestrian scale lighting. Procurement options include a monthly fee to the power company or a one-time upfront purchase and installation cost to consider for each. Time to break even on the investment is 8-10 years.

Lastly, the department is finalizing a design build ITB to address solar technology within the city that would include purchase, installation, and maintenance.

Requests for streetlights- new and upgrades- received to date are detailed in Exhibit A. There is an ample number of streetlights proposed during the construction of our capital and TSPLOST projects. The estimated number of lights, by project id, are listed in Exhibit B.

SECTION III:

SOLID WASTE COLLECTIONS

The City of South Fulton Public Works is tasked with regulating solid waste activities inside the city limits for commercial and residential properties. This includes education and outreach, recycling events, operations of Merk Miles Citizens Convenience Center, solid waste services for city facilities, and collection of franchise fees.

Residential Cart Delivery

The Solid Waste Team is now fully staffed. Please welcome Victor Carter Jr. to the team! The following represent deliveries and services performed by the team.

Table 1. Services Performed by Solid Waste Team

Services Performed				Total Since November 2024
Item	Dec	Jan	Feb

CITY MANAGER'S REPORT

FEBRUARY 2025

Presented by:
SHARON D. SUBADAN
ICMA-CM, MPS, CPM

Greetings, Honorable Mayor and City Council Members,

As we recognize February as Black History Month, I want to take the opportunity to thank you all for your leadership and contributions to the great City of South Fulton. We honor those who served, sacrificed, and paved the way for us during this time. February also highlights National Heart Month, which is dedicated to raising awareness about heart health and preventing heart disease. This month, our staff had the opportunity to attend a lunch & learn segment with a heart expert representative from the Engagement Health Group and show our support for wearing RED on Fridays.

I was also honored to attend the Senior Valentine's Day Party hosted by Districts 1 and 2. The opening night of "Jaja's African Braiding" was a wonderful evening with the Southwest Arts Center community. This lively play invites you to step into a vibrant hair salon in Harlem, where a community of West African immigrant hair braiders weaves together humor and heart in a celebration of artistry and resilience.

On February 19th, several staff members and I attended the South Metro Development Outlook Conference with you. I represented the city by moderating a session titled "National Economic Growth: Finance & Business Strategies for Future Development in South Metro." The panel discussed key financial strategies, investment opportunities, and sustainable business models shaping the region's economic future.

On February 20th, we celebrated the ribbon-cutting ceremony for Enon Road over the Camp Creek Tributary in record-low temperatures. This project reflects the city's continuous efforts to improve transportation and infrastructure.

The University of Georgia (UGA) Carl Vinson Institute of Government facilitated the first of a three-part Planning University series with Planning and Zoning 101 training for the City's leaders, Planning Commission, and Zoning Board of Appeal members. The training will help members tackle important planning and zoning decisions in our city.

The community engagement portion of the Comprehensive Development Plan has started. These meetings allow residents to provide input on the city's future developments and land use designations.

The final draft of the Strategic Plan was presented during the February 25th work session. We eagerly await the Mayor and Council's final approval in March to outline a roadmap of the City's aspirational goals for the next five years.

I was pleased to accept a franchise fee check for \$3.3 million from Georgia Power. This is a budgeted item and is the largest in our history.

Professional development is one of the drivers of employee retention, improving job performance and skill set, and career advancement. I am happy to announce that I have renewed my ICMA Credentialed Manager status to demonstrate my commitment to continuing education.

Thank you for entrusting us to manage the city's affairs. Please accept this report as a summary of the City's successful outcomes for February FY2025.

A handwritten signature in black ink, appearing to read "Sharon D. Subadan", with a stylized flourish at the end.

Sharon D. Subadan, ICMA-CM, MPS, CPM

ACTIONPLAN

PURCHASING CARD, PROCUREMENT,
AND FINANCE CONCERNS

Purchasing Card Program Update

The City of South Fulton has taken decisive steps to enhance oversight, compliance, and operational efficiency of our Purchasing Card (P-Card) program and related administrative concerns.

In January, the City engaged Baker Tilly Advisory Group to thoroughly review the City's P-Card program. Within 150 days, the following areas will be covered: policy compliance assessment, transaction analysis, procedure development, and actionable recommendations. My team and I will meet bi-weekly with Baker Tilly's representatives until completion.

To ensure compliance with monthly transactions beginning with January '25, the City has contracted with Bambo Sonaik, CPA LLC, an internal audit firm. The firm reviews every transaction to assist with policy enforcement, compliance, resource management, and efficiency and provides feedback to the City Manager. Reminders have been provided to all users regarding the timely completion of reconciliations and best practices. The goal is to increase compliance. For the last two weeks in February, all reconciliations were completed in the three business days outlined by policy. My team and I will regularly meet with the internal audit firm for the contract term. We are actively recruiting for a Procurement Compliance Officer position to assume these duties in the future.

Additionally, pursuant to Council direction, a team of forensic auditors from Baker Tilly is auditing the Mayor's P-Card transactions. Work is underway to retrieve all supporting documentation.

These efforts will tackle both immediate and long-term issues, enhancing financial accountability, optimizing resource use, and fostering public confidence in the City's management of purchasing card activities. In advance of the final reports, we are taking steps to re-educate users, refine our procedures, and take corrective actions as needed.

There has been considerable public interest, including from the media, in the use of P-Cards. We are committed to presenting audit recommendations and instituting recommended actions as appropriate.

Procurement Concerns

We are actively recruiting a permanent Procurement Director. The next director will prioritize completing a Procurement Manual, including P-Card procedures.

Finance Concerns

The FY'23 and FY'24 external audits continue to be a priority. The auditors have added a P-Card transaction review to their work plan in light of recent events.

The transition of our ERP from Edmunds to Tyler is finally becoming a reality. We expect the new system to be in place in April. This will enable Finance to manage and report on our financial status more accurately and eliminate manual processes that are subject to error. Training is underway for Finance staff. A separate update will be provided regarding this significant change in our operation.

City of South Fulton – Mayor & Council Financial Summary (February 28, 2025)

As of February 28, 2025, the City has completed **five months (41.7%) of the fiscal year**, with seven months remaining. The summary below provides an overview of expenditures by category for all Mayor and Council, while the subsequent page presents a breakdown by district and category.

Budget Overview by Category

- **Personnel Services & Employment Benefits**
 - **Modified Budget:** \$484,316.00
 - **YTD Expenditures:** \$213,010.40 (44.0%)
 - **Remaining Balance:** \$271,305.60
- **Purchased/Contracted Services**
 - **Modified Budget:** \$318,502.41
 - **YTD Expenditures:** \$105,888.72 (33.2%)
 - **Encumbered:** \$1,909,.42
 - **Remaining Balance:** \$210,704.27
- **Supplies**
 - **Modified Budget:** \$247,493.59
 - **YTD Expenditures:** \$91,113.82 (36.8%)
 - **Encumbered:** \$1,144.02
 - **Remaining Balance:** \$155,235.75

Key Insights & Considerations

- **Personnel expenditures** are on track, slightly exceeding the five-month benchmark.
- **Purchased/contracted services** remain under budget, allowing flexibility for future needs.
- **Supplies expenditures** are ahead of schedule, requiring close monitoring.

Note on P-Card Transactions

The February 2025 P-Card transactions are not included in this report. These expenditures must be prepared and uploaded into the financial system before they are reflected in the financial statements. As a result, P-Card expenses will always be reported on a one-month delay.

Further district-specific breakdowns by category are available on the subsequent page.

NOTES:

General Fund Summary Revenues:

Property Taxes collected as of January 2025 were \$56.231 million (92% of the \$60.990M FY2025 budget) compared to \$52.1 million (88% of the \$59.5M FY2024 budget) in the prior fiscal year for the same period.

Motor Vehicle Title Ad Valorem Tax (TAVT) revenue was \$1.057 million (28% of the \$3.7 million FY2025 budget) compared to \$786 thousand (46% of the \$1.7 million FY2024 budget).

Franchise Tax revenue collected as of January 2025 was \$2.743 million (36% of the \$7.7 million FY2025 budget) compared to \$2.703 million (38% of the \$7.1 million FY2024 budget) for the same period in the previous fiscal year.

Local Option Sales Taxes (LOST) collected as of January 2025 were \$12.607 million (33% of the \$37.682 million FY2025 budget) compared to \$12.484 million (37% of the \$33.7 million FY2024 budget). The rolling twelve-month comparison in January was up by \$1 million at \$36.7 million compared to \$35.7 million for the twelve months ending December 2024.

Business and Occupation License revenues as of January 2025 were \$598 thousand (9% of the \$6.5 million FY2025 budget), unchanged from December 2024. We receive the bulk of revenue for this category during the renewal period from January through May.

Insurance Premium Taxes posted as of January 2025 were \$10.323 million (\$323 thousand or 3% over the \$10 million FY2025 budget).

Other Taxes collected as of January 2025 were \$601,149 (up \$36,165 or \$6.3% from \$569,984 for the same month in the prior fiscal year).

License and Permit revenues collected were \$2.1 million as of January 2025 (49% of the \$4.291 million FY2025 budget), unchanged from December 2024. The budget for this category was increased to \$4,291,250 (4.8% or \$195,900) from the \$4,095,350 FY2024 budget.

Intergovernmental Agreements (IGA's – Fire Services)

The city has two intergovernmental agreements for fire services, one with Fulton County and one with the City of Atlanta (mutual aid). The budget for this category increased by \$300 to \$1.2 million from \$900 thousand in the prior fiscal year.

Charges for Services revenues as of January 2025 were \$261 thousand (25% of the \$1.044 million FY2025 budget). Revenue was down \$96 thousand (-27%) compared to \$358 thousand for the same period in the prior fiscal year.

Fines and Forfeitures: The FY2025 budget was increased by \$1 million to \$1.3 million from \$300,000 in the FY2024 budget. Collections are being deposited into the designated Municipal Court bank account. Monthly reconciliations and allocations have not been completed.

Investment Earnings / Income revenues were \$1.668 million (27% of the \$6.2 million FY2025 budget).

Hotel Motel Tax: The city estimates revenue of \$582K for FY2025 (budget).

The Budgeted Use of Reserves is an estimate for FY2025. We will monitor general fund capital spending trends. The amount will be trued up or down at the close of the FY2025 fiscal year in conjunction with the financial closing process.

Rolling Twelve Months as of January 2025: The graph shows twelve months of performance regardless of the month or fiscal year. A rolling twelve-month historical summation measures the total of the previous twelve months. Therefore, in the current fiscal year, the LOST revenue trend is \$36.7 million.

General Fund Summary of Expenditures by (Department): The following departments have open purchase orders of January 31, 2025:

Increase Community Collaboration & Quality of Life.

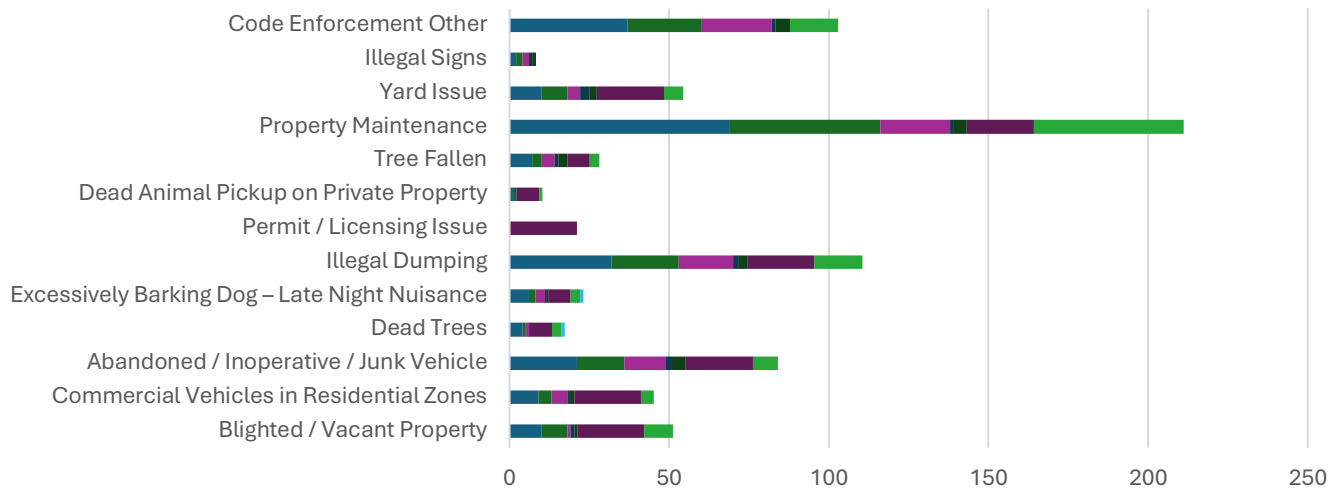

February 2025 Municipal and Code Board Cases

Court Case Results

February 2025 SeeClickFix Violations Report

Dear Residents,

We understand that in the past, some of you have experienced frustration with the SeeClickFix process, particularly regarding concerns being closed without adequate follow-up. We value your feedback and have taken significant steps to improve the system and ensure greater transparency and accountability, especially within our Code Enforcement department.

We've completely revamped the process to provide you with a clearer understanding of how your concerns are addressed. Here's a breakdown of the new, streamlined SeeClickFix workflow:

The New SeeClickFix Process:

1. **You File a Complaint:** You submit your concern through SeeClickFix as usual.
2. **Routing:** Your complaint is immediately routed to the Code Enforcement Officer responsible for the specific zone where the issue is located.
3. **Officer Notification:** The Officer receives an email notification alerting them to the new complaint.
4. **Acknowledgement:** The Officer acknowledges receipt of your complaint directly within SeeClickFix.
5. **On-Site Investigation:** Within 24 to 48 hours, the Officer will visit the property to investigate the reported issue.
6. **Progress Update & Findings:** If violations are found, the Officer will change the status of your SeeClickFix request to "In Progress" and provide a detailed update on their findings within the platform.
7. **Compliance Notice:** The Officer will add a note to SeeClickFix indicating that the violator has 10 days to achieve compliance.
8. **Court Preparation:** If compliance is not achieved within the 10-day timeframe, the Officer will begin preparing the case for court.
9. **Court Notification:** You will receive an update in SeeClickFix notifying you that the matter is being prepared for court, including the date and time of the docket, should you wish to attend.
10. **Court Outcome Update:** Following the court hearing, the Officer will update SeeClickFix with the court's decision, which may include a Failure to Appear, a fine, or an extension for compliance, depending on the violation.
11. **Closure:** If the court's decision is a Failure to Appear or a fine has been levied, the SeeClickFix request will be closed with a final update.

Building Stronger Communities: Code Enforcement's Proactive Approach

Code Enforcement is significantly expanding its community outreach efforts. On February 27, 2025, we successfully hosted both an HOA & Community Education workshop, featuring presentations from the Fire Department, and a Walden Park Townhall meeting with Code Board member participation. These events fostered productive dialogue, addressing residents' questions and concerns, and generated enthusiastic support for ongoing initiatives. Code Enforcement prioritizes community education and engagement, recognizing the importance of informed residents in maintaining a clean and safe environment.

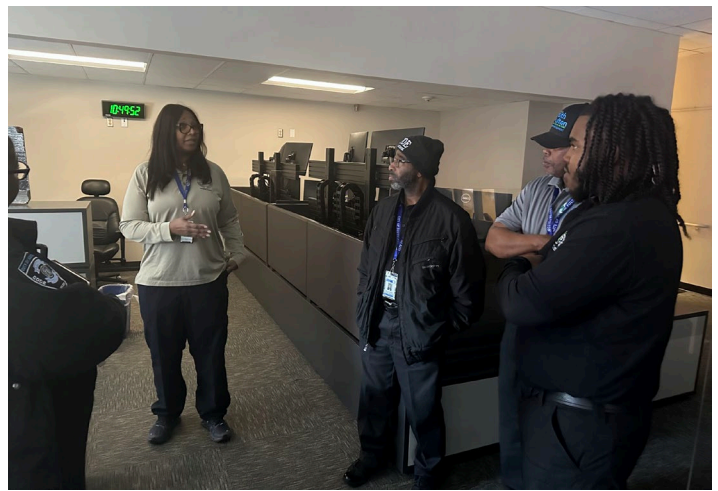

"Code Enforcement Jr. CEO Initiative Visits Career Day at Sandtown Middle"

Code Enforcement presented at Sandtown Middle School's career day, highlighting community cleanliness and safety, and sharing practical tips for student involvement. Code Enforcement staff was allowed to visit various classes to speak to students. The students enjoyed the information and support they received. This type of engagement gave students a better idea of why Code Enforcement is important and how they can help keep a clean & safe community. Emphasis was placed on "Improving The Quality of Life"

Field Watch: Code Enforcement & 911 Dispatch Training for Safety

To enhance field officer safety, Code Enforcement and 911 Dispatch have implemented a cross-training efforts featuring in-person sessions. These sessions allow Code Enforcement to demonstrate field protocols and procedures directly to dispatch personnel, ensuring they understand the context and importance of location monitoring and emergency response coordination. Simultaneously, 911 Dispatch informs Code Enforcement how their protocols support field safety, fostering a comprehensive understanding of mutual support.

Goal 1

Invest in Developing Strong Teams

- CDRA holds weekly meetings with department leadership to foster stronger working relationships within the department.
- CDRA held its first internal bi-monthly departmental meeting to keep staff updated and informed.

Goal 2

Grow Infrastructure and Solidify Finances

- The capital improvement element (CIE) will be adopted in the comprehensive plan update. This is required for the city to spend/collect impact fees.
- Held opening public hearing for impact fee study which, if adopted, will allow the city to collect fees from developers for capital improvements.

Goal 3

Increase Community Collaboration and Quality of Life

- The Comprehensive Plan update project is ongoing and will include participation from key stakeholders throughout the community. The website is now live and available to the public for up-to-date information regarding the 5-year update.
- Partnered with Parks and Recreation to hold the first of two visioning community engagement sessions at Sandtown on February 18th. Approximately 50 participants attended.
- Partnering with Economic Development to hold the second visioning community engagement session.
- Partnered with Trees Atlanta for tree planting at the Cascade Library Pocket Park.
- Participated in the 2025 Fulton County Homeless Point-in-Time Count.

Goal 4

Focus on Economic Development

The following activity has taken place thus far in February 2025:

- 34 Business Licenses Issued
- 176 Residential Permits Issued
- 39 Commercial Permits Issued
- 4 Land Disturbance Permits Released
- 6 Pre-Construction Meetings
- 9 Pre-Development Meetings
- 12 Pre-Conceptual Meetings
- 300 Site Inspections Completed

Goal 5

Create an Efficient Government

- We collaborated with public works to submit the annual MS4 report and we submitted our bi-annual report to GSWCC.

The Department of Cultural Affairs is dedicated to fostering a vibrant, inclusive, and dynamic cultural landscape in South Fulton. We aim to support and promote artistic expression, cultural diversity, and community engagement to enhance the quality of life for all residents.

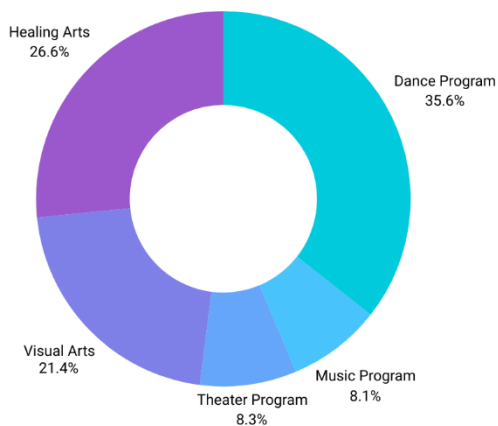

Team

Actively Hiring:

- Video and Digital Media Specialist
- Audio Visual Technician
- Summer Camp Coordinator
- Summer Camp Assistant
- Part-Time Custodian

Southwest Arts Center

Jan - Feb Participation		
PROGRAMS	PARTICIPANTS	YTD
Dance Program	273	273
Music Program	62	62
Theater Program	64	64
Visual Arts Program	164	164
Healing Arts Program	204	204
Technology	0	0
Total	767	767

From December to February, the Cultural Affairs Department engaged 767 participants across various programs, including Dance (273), Music (62), Theater (64), Visual Arts (164), and Healing Arts (204). While the Technology Program has yet to launch, participation across all other programs reflects strong community interest and growth as we continue expanding cultural and creative opportunities.

Exhibitions:

SewJourners Quilting Guild's *Uncommon Threads XXI*city

The *Uncommon Threads XXI* exhibition by the SewJourners Quilting Guild has been a vibrant and inspiring showcase, filling the studio building with color, texture, and creativity. Since the opening reception on February 2nd, which welcomed over 60 attendees, the exhibition has continued to draw visitors eager to experience the artistry and storytelling woven into each quilt.

The quilts have brought new life to the space, transforming the hallways into a dynamic gallery of fabric and craftsmanship. Students of all ages have been captivated by the intricate designs, exploring the exhibition with curiosity and appreciation. *Uncommon Threads XXI* is more than just a display—it celebrates tradition, innovation, and the enduring power of quilting as an art form.

Clothes Story *Draped in History*

Draped in History, Clothes Story's latest exhibition opened on February 11th. This powerful showcase highlights the stories and clothing of African American women from 1890 to 1963, offering a glimpse into how fashion reflects resilience, identity, and societal change.

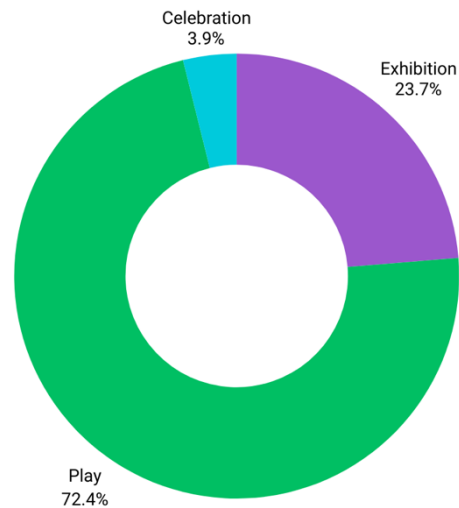

Through beautifully recreated garments and historical narratives, *Draped in History* explores how African American women have used style as a form of self-expression, resistance, and empowerment. From the turn of the century to the Civil Rights Movement, each piece tells a story of perseverance and transformation. This exhibition is a tribute to the legacy of Black women in history, weaving together the threads of culture, struggle, and triumph through the language of fashion.

February Events and Performances		
Events	Event Type	Attendees

Jaja's African Hair Braiding Perf.	Play	201
Jaja's African Hair Braiding Perf.	Play	310
Jaja's African Hair Braiding Perf.	Play	177
	Total	1931

In February, the Cultural Affairs Department hosted several events and performances, drawing a total attendance of 1931. Highlights included the *(Sankofa) A Celebration of Our Legacy! A Vision for Our Future!* by the Kuumba Story Tellers (53 attendees), the Valentine's Day jazz concert (24 attendees), as well as two exhibitions, *UNCOMMON THREADS* (453 attendees) and *Draped in History* (225 attendees). We have seen incredible attendance with the return of True Colors Theatre Company to SWAC with their production of *Jaja's African Hair Braiding* (1159 attendees).

Wolf Creek Amphitheater

Winterization efforts are progressing as planned, with critical tasks such as water shutoff and facility maintenance underway. Some activities, including inventory updates and minor repairs, are monitored to ensure completion. General Services is addressing outstanding maintenance needs, structural repairs, and furniture cleaning. Operational improvements are being implemented, including securing supply storage, updating facility equipment, and refining maintenance schedules.

Preparations for upcoming events such as Juneteenth, National Night Out, and the Azucar Festival are underway. The artist selection process is being revised, and emergency response teams have held important planning meetings. Facility scheduling, procurement, and vendor processes are being reviewed to enhance operational efficiency. Pending action items, including equipment replacements and the development of event standard operating procedures, remain top priorities as the team works toward continued improvements and strategic optimization.

COSF Art Collection

Cultural Affairs is continuing to develop a comprehensive Public Art Catalog. The catalog includes 22 pieces displayed in City Hall and 16 within the Administration Building, with a total city-owned collection value of \$8,464. When factoring in owned and loaned works, the collection consists of 38 pieces valued at \$106,770.

An Artist Database has been created to strengthen artist engagement. It currently includes over 50 local artists who have participated in city-hosted exhibitions. A call to artists is active and will be utilized to identify future exhibitors further and expand the database.

Visual and Digital Media

Since transitioning to the new City Hall, the Visual and Digital Media Stream Team has significantly increased viewership. This boost in audience engagement is primarily attributed to the upgraded environment and the current high-quality broadcasts. YouTube thumbnails have been enhanced to improve the viewer experience further to differentiate between City Council meetings and Zoning and Planning sessions.

In line with a commitment to accessibility, Closed Captions have been enabled to ensure ADA compliance. As we continually upgrade equipment and refresh our graphical elements, we update our Standard Operating Procedures at City Hall to maintain seamless operations. Additionally, we're archiving all streamed meetings.

Grand Openings and Business Expansions

The Economic Development Department proudly participated in the grand opening of the UPS Store on Old National. This new addition brings valuable services to the community, supporting local businesses and residents.

We also celebrated the grand re-opening of Gocha's Breakfast Bar. Through a successful expansion, Gocha's added an additional 1,600 square feet, doubling the kitchen size and increasing seating capacity. This expansion is a testament to the continued growth and success of businesses in South Fulton.

Community Engagement & Outreach

Director Artie Jones represented the department at the South Fulton Downtown Development Retreat, engaging with board members to discuss strategies for future economic growth and investment.

Director Jones also served as a guest speaker at the South Fulton Human Services Coalition meeting, where he provided insights on economic development and its significant impact on the city's progress.

The department participated in the South Metro Development Outlook Conference, joining several board members from the South Fulton Development Authority, South Fulton Downtown Development Authority, Red Oak District Advisory Board, Old National Advisory Board, and C.O.R.E. Alliance. This collaborative effort reinforced our commitment to regional economic development and networking with industry leaders.

Upcoming Initiatives

In partnership with the South Fulton Development Authority, the department is preparing to host a Check Ceremony for recipients of the ARPA Facade Grant Award. This initiative supports local businesses in enhancing their storefronts, contributing to a more vibrant and inviting commercial landscape.

GOAL 1

Invest in Developing Strong Teams

The South Fulton Fire Rescue Department proudly graduated sixteen (16) certified EMT and EMT-A Firefighters on Friday, February 7, 2025. This milestone celebrates their dedication and countless hours of rigorous training, preparing them to serve the constituents of South Fulton with skill and commitment.

The department is also anticipating the 2025 Advanced Leadership Program kickoff on Thursday, February 27, 2025. This program is designed to develop and enhance participants' leadership skills, equipping them with advanced techniques to improve decision-making, communication, and effectiveness in their professional roles.

GOAL 2

Grow Infrastructure and Solidify Finances

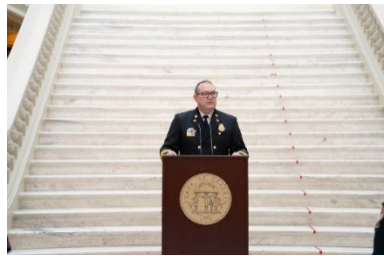

Expanding infrastructure and solidifying the Fire Department's financial stability requires a strategic approach that includes optimizing resources and fostering partnerships.

The department continues progressing on the Fire Headquarters project by focusing on technology and maximizing the proposed structure's use of space. The department met with the Project Management team on February 12th and 19th to discuss the project and view plans for the property, including training pads, extrication pads, and more.

GOAL 3

Increase Community Collaboration and Quality of Life.

On Tuesday, February 4th, Chief Jones attended Firefighter Recognition Day at the State Capitol, where he engaged with representatives to discuss fire and EMS initiatives.

On Thursday, February 6, 2025, the Fire Department attended the Sandtown Community Association's virtual monthly meeting to engage with residents, discuss community concerns, and provide updates on fire safety initiatives. This meeting served as an opportunity to strengthen the relationship between the South Fulton Fire Rescue Department and the community, fostering transparency and collaboration. On Thursday, February 13, 2025, Chief Jones attended the Region 3 EMS meeting to discuss EMS response in South County and the City of South Fulton. On Thursday, February 20th, the Emergency Management team met with community members at the Sandtown Community Center to discuss an upcoming CERT class to prepare the community for an event or disaster adequately.

GOAL 4

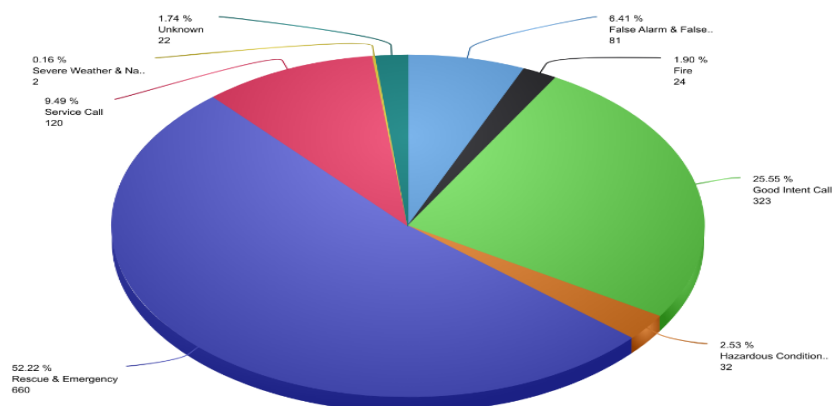

Focus on Economic Development

The South Fulton Fire Rescue Department is vital to the city's economic development by fostering a safe and resilient community. The department enhances public safety, protects property, and minimizes business disruptions through proactive fire prevention, safety education, and risk reduction initiatives.

The following data reflects the period from February 1, 2025, to February 20, 2025. There have been one hundred sixty-one (161) fire inspections and a total of (1,264) incidents. Fire investigators have completed eight (8) investigations in February thus far. Approximately 52.27% of calls responded to Rescue & Emergency.

GOAL 5

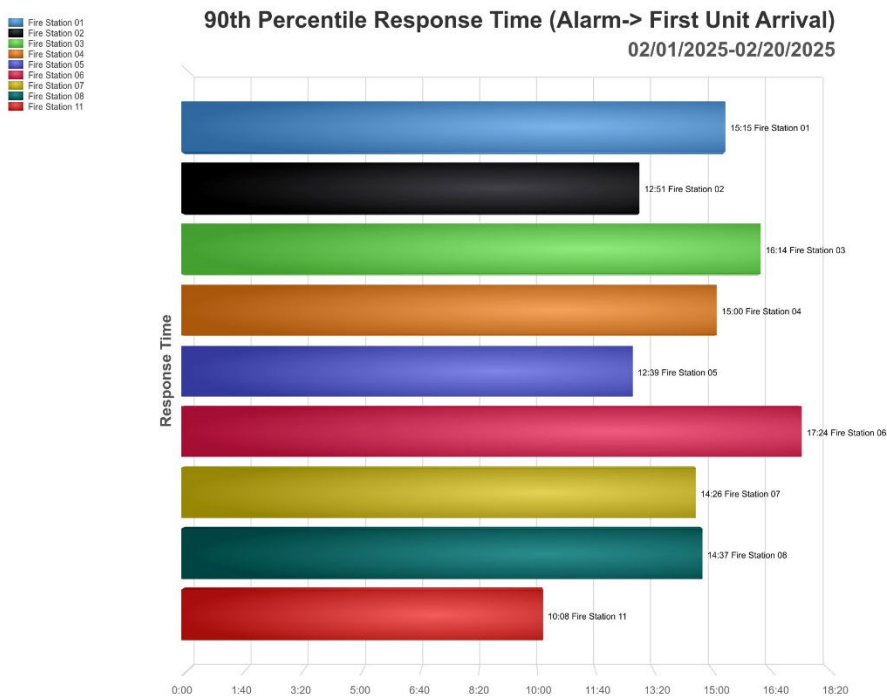

Create an Efficient Government

The Fire and Police Department met with IXP Corporation on Wednesday, February 12, 2025, to discuss the Communication Master Plan. The IXP team was able to tour the proposed temporary Communications space in the Administration Building. This meeting aimed to enhance and improve communication infrastructure and ensure seamless coordination between emergency services. By working with IXP Corporation, the departments are taking proactive steps to modernize communication networks, ultimately improving efficiency, situational awareness, and emergency response capabilities for the City of South Fulton.

On Monday, February 10th, the third and final Rescue went into service at Station 11. This initiative is to improve our response times and assist with medical transport if necessary to save lives. Furthermore, the increase in staffing will assist in improving our ISO rating.

On Monday, February 24th our fully staffed HazMat Unit will go into service at Station 11. This will provide coverage to Fulton Industrial Blvd, Charlie Brown Airport, and the rest of the city for response. This allowed us to move the ladder to Station 4 to increase coverage for the ladder response.

The chart below represents the response time per station from February 1, 2025, to February 20, 2025. Station 11 had the shortest response time, 10 minutes and 8 seconds. The average response time for this month is 14:12, which is an improvement from January's average response time of 16:05.

Total number of calls: **1,257**

Average response time is **14:17**

District Information: **District 1**
Council Person: **Catherine Rowell**

Trammell Crow Park Sidewalk Repairs & Replacement:

- GS is value-engineering the design scope to reduce the estimated cost. No activity during the month.

Trammell Crow Park Restroom Repairs & Renovations:

- Completed and accepted.

Park Ranger Station at the Sandtown Recreation Center:

- Furniture selection has been initiated. Existing surplus furniture from City Hall will be used.

Southwest Arts Center Studio Building Renovations:

- The plan review with the District Representative has been finalized. A request to expand the design to include the remaining landscaped areas on site will be discussed with the CM.
- GS is waiting for the landscaper's estimate regarding the requested design expansion.

Southwest Arts Center Theater Building Renovations:

- The renovation design by Gardner, Spencer, Smith, Tench, & Jarbeau is ongoing. We are reviewing and finalizing the finishes for the project.

Sandtown Park Renovations & Upgrades:

- The cabinets were installed.
- The stainless-steel countertops are scheduled to be installed on 2/27/2025.
- The concession stand's toilets and plumbing fixtures were installed. The stainless-steel partitions are scheduled to be installed during the week of February 24, 2025.
- The touch-up coat for the epoxy flooring was completed.
- The grills for the new pavilion were ordered.

City Hall (5440 Fulton Industrial Blvd.):

- City Hall was re-opened to the Public.
- The first City Council Meeting was held on January 14, 2025.
- Minor punch list items are being completed.
- The stainless-steel restroom partitions for the employee restrooms will be installed the week of January 27, 2025.
- Temporary day porter services will begin on January 27, 2025.

District Information: **District 2**
Council Person: **Carmalitha Gumbs**

Wolf Creek Amphitheater:

- The new cabinets were installed. The city is reviewing options for the knobs.
- The installation of the window blinds has been completed.
- The restroom accessories have been installed.
- A custom exhaust fan was ordered for the stage restroom because the exhaust hole is larger than a standard fan.

Fire Headquarters & Public Safety Training Facility:

- The civil site design is in progress.
- The amended RFQ was released and posted to Bidnet.com.
- The pre-proposal conference was conducted.

Cliftondale Classroom Building Renovations:

- The community engagement process has been scheduled to begin in early March 2025.
- The design estimate from our stand-by architectural team has been received and submitted for approval.
- The estimate for select demolition has been received and submitted for approval.

Cliftondale Community Building Design & Site Improvements:

- The community engagement process has been scheduled to begin in early March 2025.

District Information: **District 3**
Council Person: **Helen Willis**

South Fulton Tennis Center:

- The Parks & Recreation Department has proposed converting the clay courts into hard courts due to low public use and the need for more hard courts.
- The city's electrical engineer has submitted the canine crossing dog park electrical load calculations to Georgia Power for review. The review is ongoing.

Welcome All Pool Renovations & Repairs:

- The pool was re-opened.
- The purchase order for skylight wet glazing was issued. The work is scheduled to begin in early March 2025.
- Repairs to the pool locker rooms are currently 55% complete. The ceilings are scheduled to be painted on February 28, 2025, and the lockers will be delivered and installed between March 14 and March 16, 2025.

District Information: **District 4**
Council Person: **Jacey Sebastian**

Fire Station #6 Renovations:

- Construction is ongoing.

Cedar Grove Park Community Building Design & Site Improvements:

- The council approved the final design configuration.
- GS solicited our stand-by architectural firms for design proposals.

District Information: **District 5**
Council Person: **Keosha Bell**

Old National Park Lighting Repairs:

- We are still waiting for Georgia Power to install the new electric meter before service can be reestablished.

District Information: **District 6**
Council Person: **Natasha Williams-Brown**

Creel Park Community Building Renovations:

- The finish selections are being finalized.
- Select demolition has been completed.
- The project is now 90% complete, with appliance installation and the final sound test of the fire alarm system scheduled for February 26, 2025.
- A replacement window that was broken during shipping has been ordered, which is delaying the installation and final exterior painting until the replacement window is delivered and installed.

Municipal Court Space at The Crestwood Event Center:

- The owner has approved the tinted glass request.
- GS has requested estimates for tinted glass for the entry doors and a plexiglass divider for the front counter.

District Information: **District 7**
Council Person: **Linda Becquer Pritchett**

Police Headquarters Complex:

- The civil site design is in progress.
- The amended RFQ was released and posted to Bidnet.com.
- A second pre-proposal conference was held for the amended RFQ.

Municipal Court Building – 7335 Old National Highway:

- GS has requested proposals from one of our stand-by architectural teams for the invasive building assessment and the building's final interior design.

2855 West Road Passive Park:

- The design proposal has been received and submitted for approval.

Other Departmental Activities:

Fire Station Expanded maintenance – All Districts:

- The work at Fire Station #1 has been completed.
- The contractor has delivered color samples for the epoxy flooring at Fire Station #2. They are coordinating with the Fire Department to have the station occupants relocated for the installation of the new flooring.
- GS is soliciting estimates for repairing or replacing the awning above the side entry door of Fire Station #2.
- The work at Fire Station #3 has been completed. A deductive change order is being prepared to remove the truck exhaust system.
- The stainless-steel bathroom partitions for Fire Station #4 are scheduled to be installed the week of February 24, 2025. The custom vanity skirt has been installed.
- The work at Fire Station #5 has been completed.
- The restroom entry door and pedestrian bay door replacements for Fire Station #7 are scheduled for the week of February 24, 2025. The demolition of the restroom vanity and wall repairs have been completed.
- The stainless-steel urinal partition for Fire Station #8 has been ordered and is scheduled to be delivered and installed the week of February 24, 2025.
- A deductive change order is being prepared for the truck exhaust system replacement for Fire Station #11. The remainder of the work has been completed.

Property Acquisitions:

- 5605 Campbellton Road was acquired.
- Union & Wallace Road – PSA is being prepared for execution.
- Wolf Creek Amphitheater—Negotiations with the County regarding the post-transfer lease of the public safety building and parking lot are ongoing.

Fleet Vehicle Acquisitions & Retirement:

- The installation of the Samsara Fleet management software is ongoing. The fleet maintenance staff will perform the remaining installations.

- Samsara will be installed in every pool vehicle, regardless of use.
- Fleet has solicited estimates from state vendors for three F-150 Lightnings, three Ford Mach Es, one F-250 Extended-Cab pickup, and one F-350 extended-cab pickup. The EVs will replace three pool sedans and provide additional vehicles for the facility technicians. The F-250 and F-350 will be assigned to the fleet managers for the Police and Fire Departments.
- The council approved the contract amendment to purchase four (4) street sweepers for the public works department.
- The purchase order for the street sweepers will be issued by February 28, 2025.

City-Wide Mold Assessment, Remediation, and Biological Cleaning:

- The air sampling of city facilities is ongoing and should be completed by the end of next week.
- The remediation of Fire Station #5 is scheduled to begin on February 28, 2025.
- The schedule for the remediation and biological cleaning of the remaining Fire Stations is being finalized.
- The remediation and biological cleaning plans for other tested facilities are being finalized.

Metric	Total
# of New Hires	62 YTD
# of Terminations	18 YTD: 11 Voluntary and 7 Involuntary
Turnover Rate	2.58% YTD
Filled Requisitions	48 YTD
Open Requisitions	45
Training	Defensive Driving, Heart Health
# of WC Incidents	3 February; 9 YTD
# of Vehicle Accidents	3 February; 8 YTD

GOAL 1

Invest in Developing Strong Teams

Setting and reviewing Director performance goals and encouraging them to check in with their team's goals.

GOAL 3

Increase Community Collaboration and Quality of Life

Met with Clayton State University and Georgia State University to build internship partnerships. Attended the Black Student Alliance Business Fair and GSU Career and Internship Fair.

GOAL 5

Create an Efficient Government

Onboarded 42 new hires this month, including 27 Firefighter Recruits.

Happy Black History Month from the City of South Fulton Municipal Court!

As we celebrate Black History Month, the City of South Fulton Municipal Court proudly honors African American leaders' rich history, achievements, and contributions to our legal community and our nation. This month provides an opportunity to reflect on the legacies of excellence, resilience, and empowerment that have shaped our society.

We recognize and celebrate the many African American legal scholars, innovators, activists, and visionaries who have paved the way for future generations and left an enduring impact on every aspect of our lives.

To name a few, Jane Bolin was the first black female judge in the United States and the first black woman to graduate from Yale University. Charles Hamilton Houston was a mentor to Thurgood Marshall and a graduate of Harvard Law School. He played a pivotal role in dismantling Jim Crow Laws and earned the title of "The Man Who Killed Jim Crow."

In this spirit of celebration, we reaffirm our commitment to justice, equality, and inclusion for all. Let us unite as a community to continue lifting Black excellence and ensuring that every voice is heard, respected, and valued.

February 2025 Court Case Summary

- **Citations Issued:** A total of **1,240 citations** were written during January 2025.
- **Cases Closed or Adjudicated through Probation:** **711 cases** were closed or adjudicated through probation.

School Zone Calendar:

- **Total Cases:** 32
- **Liable:** 5 individuals were found liable.
- **Not Liable:** 5 individuals were found not liable.

Nuisance and Abatement Calendar:

- There were **no hearings scheduled** for the Nuisance and Abatement calendar this month.

Code Enforcement Calendar:

- The Code Enforcement Calendar consisted of 318 citations with 87 defendants issued by Code Enforcement. Ten defendants took pleas, twenty-three cases were rescheduled, fourteen were Failure to Appear, and one Bench Warrant was issued.

Total Citations on the January 2025 Calendar:

- There are a total of **2,100 citations** scheduled for hearings in February 2025.

Strategic Goal 3: Increase Community Collaboration and Quality of Life.

Parks & Recreation Youth Basketball All-Star Weekend 2/8/25

The **City of South Fulton Youth Basketball All-Star Weekend** is an exciting showcase of young talent. It features a slam dunk contest, 3-point shootout, parents vs. coaches game, skills and drills challenge, and the highly anticipated All-Star Game. This event highlights our youth athletes' hard work and dedication while bringing the community together for a day of competition, sportsmanship, and fun.

Event Details:

- **Location:** Sandtown Park Gym
- **Attendance:** Approximately 150 participants represent a broad community cross-section.
- **Activities & Highlights:** All-Star activities included a 3-Point Shootout, Slam Dunk Contest, Skills & Drills Challenge, Parents vs Coaches Game, and the 2nd Annual All-Star Game featuring the top athletes of the 2025 Season competing for 1st place awards.

Key Observations:

- **Community Engagement:** This event fosters community spirit by bringing together players, parents, coaches, and local supporters. The parents vs. coaches' game adds an interactive and fun element, strengthening relationships between families and program staff.
- **Facilities Utilization:** The All-Star Game maximizes the use of the City of South Fulton's recreational facilities, showcasing their role as hubs for youth development, athletic training, and community events.
- **Positive Feedback:** Participants and spectators consistently praise the event's energetic atmosphere, well-organized competitions, and opportunities for youth to shine. Parents appreciate the emphasis on skill development, teamwork, and positive mentorship, making it a highlight of the youth basketball season.

CITY OF SOUTH FULTON "District 5 Soulful Bingo" 2/8/25

Partnered with Councilwoman Keosha Bell to make this a successful event. Her support underscores the importance of our work and the positive impact we strive to make in the community daily.

Event Details:

- **Location:** Burdett Park
- **Attendance:** Approximately 100 participants represent a broad community cross-section.
- **Activities & Highlights:** Bingo aimed at engaging families, children, and adults, including food and prizes.

Key Observations:

- **Community Engagement:** Soulful Bingo fostered a sense of togetherness among senior residents, offering them an opportunity to socialize, build friendships, and enjoy a lively atmosphere filled with music, laughter, and excitement.
- **Facilities Utilization:** The event showcased the City of South Fulton's commitment to serving its senior community by utilizing local recreational facilities as welcoming spaces for entertainment, engagement, and wellness activities.
- **Positive Feedback:** Participants expressed gratitude for the well-organized event, highlighting the enjoyable games, great company, and thoughtful accommodations. Many attendees appreciated the city's dedication to providing meaningful programs that enhance their quality of life.

CITY OF SOUTH FULTON "Warming Station" 2/19/25 thru 2/22/25

The **City of South Fulton Warming Station** provided a safe and warm refuge for **four individuals** in the South Fulton community during harsh weather conditions. This initiative ensured those in need had access to shelter, warmth, and essential resources during the coldest nights.

Event Details:

- **Location:** Burdett Park, Welcome All Park
- **Attendance:** Approximately forty (40) participants, including Police, Fire, Park Rangers, Parks Staff, Recreational Staff, and four (4) from the "housing challenged" community.
- **Activities & Highlights:** Burdett Park and Welcome All Park served as daytime and overnight warming stations for 72 continuous hours helping those in the community who are "housing challenged".

Key Observations:

Community Engagement:

- Engaged participants to offer refuge from the elements of the extremely bitter cold and wintery weather.
- Police and Park Rangers contacted participants via social media platforms, email lists, and partnerships with the community to display accomplishments.

Facilities Utilization:

- Benefited from the use of the Burdett and Welcome All Park.

Recognition of Excellence:

- Recognition of Parks and Recreation employees for maintaining a continuous seventy-two (72) straight refuge hours.
- Recognition of Police, Fire, and Park Rangers for traversing the formidable conditions to make contact and help with those in need.

Positive Feedback:

- Received overwhelmingly positive feedback from attendees.

Goal 1

Invest in Developing Strong Teams

The Police Department conducted a Physical Agility Test. There were thirty-eight (38) attendees. We currently have forty-four (44) sworn vacancies and one (1) pending civilian position. We are presently processing seven (7) candidates. The next hiring board will be scheduled for March 14, 2025.

Goal 2

Grow Infrastructure and Solidify Finances

The Police Department was awarded the State of Georgia Public Safety & Community Violence Reduction Grant, which will fund violence reduction initiatives such as gunshot detection, license plate reader cameras, and surveillance cameras.

Goal 3

Increase Community Collaboration and Quality of Life

The Police Department participates in several community events and works closely with HOAs and business groups to improve quality of life. Just a few of many are mentioned below.

Goal 4

Focus on Economic Development

The Police Department issued alcohol work permits and inspected businesses to ensure they complied with applicable laws.

Goal 5

Create an Efficient Government

The Police Department created a Field Inspections and Accreditation Unit to develop policies following "best practices" to operate more efficiently and effectively.

Police Department Guiding Principles

SOUTH FULTON POLICE DEPARTMENT

"The South Fulton Police Department has been developed with 21st Century Policing Principles in mind. The Police Department will continue to evolve in this direction as staff seeks to create efficiencies through the use of technological advances"

Chief Keith Meadows
South Fulton Police Department

21st Century Policing Pillars

1. Building Trust & Legitimacy
2. Policy & Oversight
3. Technology & Social Media
4. Community Policing & Crime Reduction
5. Training & Education
6. Officer Wellness & Safety

 Slow Your Roll Campaign

The South Fulton Police Department keeps the momentum going with our 'Slow Your Roll' initiative! Over the next several months, our officers will be laser-focused on addressing speeding and enhancing road safety across South Fulton.

We're working to make our roads safer for everyone through strategic enforcement measures and community engagement.

Let's all do our part—drive responsibly and remember to Slow Your Roll!

Honoring True Heroes!

Congratulations to officers POI A. Ford, Cpl. M. Paul, Sgt. Harris and POI S. Collins have been awarded the Bravo Award for their life-saving actions!

On January 26, 2025, a 911 call reported a male subject attempting to take his own life. Upon arriving at the scene, Officers POI S. Collins, POI A. Ford, Cpl. M. Paul and Sgt. T. Harris witnessed the victim, switching to a second attempt. Without hesitation, the officers acted swiftly and immediately administered lifesaving medical aid. Their quick response successfully revived the victim and sustained him until Fire and Grady EMS arrived. Their bravery, quick thinking, and compassion helped prevent a tragedy and gave someone a second chance at life.

This well-deserved recognition is a testament to their unwavering dedication to protecting and serving our community.

HEROES FOR HUNGER

Community Care Day was a success! South Fulton Police Department and Heroes for Hunger partnered with the College Park Police Department. Thank you, Cpl. Garvin and Sgt. Paniagua for playing a huge part in bringing community engagement. Together, we're making a difference.

FOX5 Atlanta highlighted the South Fulton Police Department's adoption of Project Lifesaver, a program designed to safeguard individuals with cognitive conditions such as autism, Alzheimer's, and Down Syndrome who may wander and become lost.

This story features Devon Lee, a dedicated mother whose son Kyle, diagnosed with non-verbal autism, inspired the department to implement this life-saving initiative. Project Lifesaver uses innovative tracking technology to reduce rescue times and provide families with peace of mind. With a 100% success rate in over 4,600 searches nationwide, this program is essential for protecting our loved ones.

Sign Up Today!

The South Fulton Police Department aims to register South Fulton children and adults in this program. To register your loved one, visit the link below:

Congratulations to:

Captain Norris and Lieutenant Esprit on their first day at Georgia Law Enforcement Command College at Columbus State University!

The Georgia Law Enforcement Command College is a prestigious program designed to equip law enforcement leaders with the skills, knowledge, and expertise needed to excel in their roles. This investment in leadership development is crucial to shaping the future of the South Fulton Police Department.

We're proud to have Captain Norris and Lieutenant Esprit represent South Fulton in this esteemed program.

We wish them the best of luck as they embark on this journey!

The South Fulton Police Department is taking officer training to the next level with cutting-edge TASER certification! Our officers are sharpening their skills with state-of-the-art virtual reality technology, providing realistic, scenario-based training to ensure the highest level of preparedness in the field.

This immersive experience enhances split-second decision-making, de-escalation techniques, and public safety outcomes—all in a controlled, high-tech environment.

A Sweetheart Celebration to Remember!

The Senior Valentine's Sweetheart Day Party at Enon Ranch was a beautiful afternoon filled with love, laughter, and unforgettable moments! Hosted by Councilwomen Catherine Rowell & Carmalitha Gumbs and proudly presented by The City of South Fulton, this event celebrated our incredible seniors with music, dancing, delicious food, and heartfelt connections.

From joyful smiles to sweet dance moves, the energy in the room was truly magical!

Thank you to everyone who joined us in making this day so special. Until next time, keep spreading love!

Major Jubal Rogers took the podium at Georgia Law Enforcement Command College at Columbus State University to share his expertise during the Essential Skills for Professional Management course.

We're thrilled to have leaders like Major Rogers shaping the future of law enforcement!

Major Pritchett and Detective Blount from our Criminal Investigations Division recently spoke at *A Senior Experience*, an event sponsored by Councilmember Jacey Sebastian, sharing valuable tips on how to spot and avoid scams. They covered everything from phishing emails to fraudulent phone calls, helping attendees stay one step ahead of scammers.

Remember—if something sounds too good to be true, it probably is! Stay alert, ask questions, and never share personal information with unknown sources.

Collaboration in Action!

Our NET (NIBIN Enforcement Team) recently visited the Chattanooga Police Department's esteemed Gun Team to network and learn from their expertise in combating gun violence.

The CPD Gun Team is a specialized unit that leverages intelligence and ballistic forensics to track down perpetrators and bring them to justice.

We're grateful for the opportunity to gain insight into their cutting-edge strategies to enhance our efforts in reducing gun violence.

Thank you, CPD Gun Team, for your innovative work and commitment to keeping our communities safe!

Join Us for a Walk and Talk!

Meet Chief Meadows and the Command Staff of the City of South Fulton Police Department. Take a refreshing stroll through the plaza while supporting local businesses. This is a fantastic opportunity to engage with community leaders, share your questions, voice your concerns, and connect with your neighbors.

Location: 50-Yard Line Sports Bar-Grill parking lot.

7490 Old National Hwy, Riverdale, GA 30296

A promotional poster for a 'Walk and Talk' event. The poster has a black background with yellow geometric shapes. On the left, a yellow hexagon contains the text 'walk and talk' in a stylized font, with a silhouette of a person walking. Below this, in white text, is 'CHIEF MEADOWS AND THE COMMAND STAFF EDITION'. Further down, in white text, is 'WEDNESDAY, MARCH 5, 2025' and '11:30 AM'. At the bottom left, in white text, is 'TRI COUNTY STATIONS PLAZA DISTRICT 7 OLD NATIONAL HIGHWAY/ 50 YARD LINE PARKING LOT'. On the right side, there is a photograph of Chief Keith Meadows in a police uniform, standing outdoors. Below the photo, in white text, is 'Join Us for a Walk and Talk! Come meet Chief Meadows and the Command Staff of the City of South Fulton Police Department. Support local businesses while enjoying a healthy stroll through the plaza. This is a great opportunity to discuss any questions, comments, or concerns from the community.' At the bottom right, there is a yellow and black police badge logo for the City of South Fulton, GA, with the text 'POLICE' and 'SOUTH FULTON GA'. To the right of the badge, in white text, is 'KEITH MEADOWS Chief of Police'.

A. Procurement and Contracts

1. Request Council Selection of Cedar Grove Community Center Project Design Rendering.

Background:

The Cedar Grove Community Center Project is a key initiative under the City of South Fulton's FY25 Capital Improvement Plan (CIP) and Parks Master Plan. This project is designed to meet the growing recreational, educational, and social needs of the Cedar Grove community. As part of the development process, three design renderings will be presented to the City Council for a vote. Each option includes a state-of-the-art recreation center, with unique features tailored to enhance community engagement and promote healthy lifestyles.

This project reflects the city's commitment to expanding recreational opportunities, creating inclusive spaces, and fostering community development. The final design will be selected based on council's input to ensure it aligns with the city's vision and community needs.

Project Overview:

The Cedar Grove Community Center will serve as a vibrant hub for recreation, education, and community activities. The facility is designed to support diverse age groups, offering a wide range of programs that promote physical health, personal growth, and social connection.

Design Options for Council Vote:

1. Option 1: \$8,365,700

- o Recreation Center
- o Large Playground

2. Option 2: \$16,877,000

- o Recreation Center
- o Splash Pad

3. Option 3: \$17,115,000

- o Recreation Center with Indoor Pool
- o Playground Outside

Site Amenities (Included in All Options):

- Open Lawn
- Pavilion

- Basketball Court
- Multi-Use Path Network
- Dog Park (with separate sections for small and large dogs)
- Stormwater Management Features
- Nature Trails
- Parking

2. The General Services Department requests Council approval to award Request for Proposal 24-26 (Indefinite Quantity Construction Contract) aims to establish a group of indefinite quantity construction contracts that the City of South Fulton may access to complete repair, maintenance, renovations, and new construction projects at competitively solicited prices. The contractors will also assist the department with the deferred maintenance of city facilities.

The following seven vendors: SoCo Contracting Company, Inc., UJAMAA Construction, Lefko Group, Inc., Synergy Development Partners, LLC, Benning Construction Company, Public Facilities & Services, and Prime Contractors, Inc. may be awarded contracts up to \$3 million annually. The contracts will be for three years with two one-year extension options. Funding for these contracts will come from the approved operating and capital improvement project (CIP) budgets for Fiscal Year 2025 through FY 2029. However, the city does not guarantee work assignments or annual spending for any contract. The selected vendors represent the top seven rated respondents out of fifteen, achieving 85% or higher evaluation scores. General Services aimed to have ten standby contractors available, and three standby contractors are already engaged through a piggyback contract in support of the City of South Fulton. Fulton.

3. The General Service Department requests Council approval to amend the construction contract GA-A07-040820-PAR with Paryani Real Estate LLC for Fire Station #6, located at 6720 Cedar Grove Rd. This amendment includes additional work totaling \$650,000.00, which consists of the following:

- Removing extra dirt/earth to achieve the proper elevation.
- Installing a new emergency generator, as the existing generator is undersized and beyond its useful life.
- Increasing the size of the existing detention pond.
- Redesigning the parking lot to coordinate with a roadwork project.
- Removing trees and brush.
- Installing black vinyl fencing.
- Adding additional overhead doors.
- New landscaping will be implemented due to modifications to the parking lot.
- Covering various permit fees, including Land Development Permit (LDP), building permit, fire site plans, and Arborist plan review.
- Making site plan changes that require additional grading, staking, silt fencing, tree preservation, and rip-rap.
- Securing a performance bond.

The original contract, dated October 13, 2023, was valued at \$1,996,701.00. With the requested amendment of \$650,000.00, the revised contract total will be \$2,646,701.00.

Breakdown of the Revised Contract Value:
Original Contract Value: \$1,996,701.00

Proposed Contract Amendment (Paryani Real Estate LLC): +\$650,000.00
Revised Contract Total: \$2,646,701.00

Upon Council approval, the General Services Department will issue a revised purchase order to Paryani Real Estate LLC to reflect the updated amount.

4. The Public Works Department is requesting the City Council's approval to "Piggyback" the term contract pursuant to a State Contract 99999-001-SPD0000177-0009, Tractors, Mowers, and Earthmoving Equipment with Environmental Products Group, Inc. and the City of South Fulton, authorizing to purchase two (2) Madvac LS 175s Mini Street Sweepers and two (2) Regenerative Air Sweepers. The total cost is not to exceed \$1,057,258.00.

February 2025 - CM Monthly Report Update

ID	Solicitation #	Bid Title	Status
1	RFP 25-XX	Wayfinding and Gateway Signage Plan	Met with Director on Friday, February 21, 2025. The draft is being reviewed and will be posted this week.
2	ITB 24-36	Deep Base Patching	Draft was reviewed and will be posted on Tuesday, February 25, 2025.
3.	RFP 24-26	Indefinite Quantity Construction Contract	Awaiting vendors to return the signed contracts.
4.	RFP25-XX	COSF Demolition Project	Awaiting the department.
5. Continued to review vendor application forms; process and setup new vendors.			
6. Continued verification and validation (V&V) of vendors data in Edmunds.			
7. Continued to answer customer inquiries on procurement and financial-related issues.			
8. Researched best practices for standardizing the RFQ process.			
9. Centralized Janitorial Services – RFP is being reviewed by the Department Director.			
10. PSA Shock Fitness. Approved, signed and moving forward.			

Department of Public Affairs Monthly Report – February 2025

Overview

The month of February marked a period of progress and innovative outreach for the Department of Public Affairs. Our team executed a series of high-impact initiatives that enhanced both internal capabilities and public engagement. These accomplishments reflect our commitment to transparency and community participation and set a strong foundation for future endeavors.

1. Intensive Media Training for City Council Members

In a concerted effort to refine our leadership's communication skills, the Department of Public Affairs coordinated media training sessions for City Council members with expert guidance from CNN media trainers. Each council member participated in nearly two hours of tailored training, which included:

- **Simulated Interview Scenarios:** Members engaged in realistic, high-pressure situations to practice responding confidently to diverse questions.
- **On-Camera Techniques:** Emphasis was placed on body language, tone modulation, and clear articulation of key messages.
- **Constructive Feedback:** Trainers provided immediate, detailed feedback on performance, helping council members refine their public speaking and media interaction strategies.

This intensive training initiative has equipped our leadership with valuable insights and advanced skills to better represent the City of South Fulton in the public arena, ensuring more effective and confident communication with residents and the media.

2. Launch of Video Signage at Southwest Arts Center

In a bid to enhance community engagement through innovative communication channels, we successfully launched dynamic video signage at the Southwest Arts Center. This new installation serves multiple functions:

- **Real-Time Updates:** The signage provides up-to-date information on events, community announcements, and city initiatives, ensuring that visitors are always informed.
 - **Enhanced Visitor Experience:** By integrating visually appealing graphics with timely information, the signage creates a vibrant, interactive environment that encourages deeper community involvement.
 - **Promotion of Local Events:** The tool serves as a central hub for showcasing the diverse cultural and artistic offerings at the Southwest Arts Center, thereby fostering greater local participation.
-

3. Debut of the "Firsthand" Video Series

February witnessed the launch of the "Firsthand" video series, an initiative designed to spotlight the city's progress from the unique perspectives of our department heads. Key highlights of the series include:

- **In-Depth Departmental Insights:** Each episode delves into the specific advancements, challenges, and future plans of various city departments, providing a transparent look at our operational strategies.
- **Storytelling and Engagement:** The series uses engaging narratives and behind-the-scenes footage to humanize our efforts and make policy discussions more accessible to the public.
- **Data-Driven Content:** By incorporating quantitative results and qualitative experiences, "Firsthand" demonstrates how strategic initiatives translate into real-world improvements in community life.

The video series reinforces our commitment to accountability and transparency and serves as an inspirational resource for residents eager to learn about the inner workings of their city government.

4. Sponsorship and Success at the SMDO Conference

Our active sponsorship of the SMDO Conference further underscored the department's role in promoting the City of South Fulton's vision. The key achievements at the event were:

- **State-of-the-Art Booth:** The City's new booth featured cutting-edge promotional materials and interactive displays designed to attract and engage a diverse audience.
- **High Foot Traffic:** The booth's innovative design and strategic location resulted in substantial visitor engagement, drawing in a significant number of conference attendees.
- **Robust Public Interest:** Numerous inquiries were received regarding the City's strategic initiatives, demonstrating that our message resonated strongly with stakeholders and potential partners.

This presence at the SMDO Conference not only elevated the City's profile but also paved the way for future collaborations and community partnerships.

Conclusion

February has been a transformative month for the Department of Public Affairs. Through strategic media training, the innovative deployment of video signage, the launch of a compelling video series, and a highly successful conference sponsorship, we have reinforced our commitment to fostering an engaged, informed, and forward-thinking community. As we build on these successes, our ongoing efforts will continue to promote transparency, drive innovation, and enhance the quality of life for all residents of the City of South Fulton.

Events & Program Management/Photography and Videography Highlights

- Enon Road over Camp Creek Tributary Ribbon Cutting
- Food Truck Thursday: Food Truck Thursday continued to be a community/staff favorite this month!
- Wellness Activities: Coordinated wellness activities in partnership with the HR Wellness Team for the year ahead.

Photography and Videography Coverage: (9 events photographed during February)

- D7 Police Townhall II
- Sandtown Community Meeting
- Fire Recruit Graduation Ceremony
- D1 & D2 Senior Valentine Sweetheart Day Party
- D5 Senior Bingo
- D4 Chat and Chew
- D6 Food Distribution
- D3 Townhalls and more.

Photo and Video Sessions

- (41) new employees photographed and (2) updated headshots for the leadership team.
- Firsthand: E-One 75-Foot Engine with Chief Jones
- City Manager's Welcome to New Employees

Press Releases, Feature Stories, and Media Alert Highlights

- City of South Fulton got mentioned a total of **294 times (appearance in articles)**, up by **41%** since the previous month.
- **WATL-TV, LaGrange Daily News and Fox 5 Atlanta** were the publications that mentioned City of South Fulton the most.
- City of South Fulton got mentioned **221** times on February 6.
- City of South Fulton approximately reach in articles **440.5 million**, down from previous month.
- The top key message associated with the City of South Fulton was **economics** with **220 mentions**.
- MSN mentioned City of South Fulton with the largest reach of all at **127.2 million**.

Website Content Updates

Updated and added events to the calendar, including:

- Sandtown Community Meeting.
- Old National Farmers Market.
- Economic Development Lunch.
- South Fulton Development Authority.
- District 1/District 2 Healthy South Fulton.
- District 6 Townhall Meeting.
- Office Closure update.
- Placed the **City Manager's video** on the website.
- Updated **Councilwoman Keosha B. Bell's** Constituent Services Representative Philip Whatley's contact number.
- Made updates to the **CDRA website** under **Land Development**.
- Updated the calendar for **City Council Meeting Schedules**.
- Removed **District 7 & HOA Townhall** from the calendar.
- Added **District 6 Townhall Meeting** to the calendar.
- Moved **Economic Development Lunch and Learn** to drafts.
- Added **District 7 events** to the calendar.
- Reviewed website redesign reference site for the city.

Reports & Data Management

- Added **MS4 Annual Report** to the website.
- Updated **City Manager Report page** with the latest report.
- Checked the current **Google Analytics integration** for website tracking.
- Exported **Google Analytics data**, reformatted it with graphs to analyze **City Council page views**.
- Formatted **Google Analytics data** for **Public Works**.

Website Maintenance & Improvements

- Added a **meeting link** for all **SFDA Monthly Meetings**.
- Removed the **old website banner** from the homepage.
- Checked and updated **all City Council work sessions and Zoning hearings** locations, times, and changes per the new approved schedule.
- Reviewed and provided feedback on **City Council webpages**.
- Created a **transparency sub-page** for the website.
- Removed the **Welcome All Pool Re-opening** recurring event from the calendar.

Press Releases & News Updates

- Posted **Red Oak press release** on the website.
- Added **City Council Lifts Mayor's Restrictions** press release.
- Later removed the **City Council Lifts Mayor's Restrictions** press release.
- Added **Burn Awareness Week** to the website.
- Posted **Butner Rd at Union Rd Roundabout Construction Update** press release.

Meetings & Reviews

- Attended **SMDO meeting**.
- Reviewed **SMDO talking points** documents.
- Attended **CivicPlus Mass Notification Demo** meeting.
- Worked with **Kasi** to upload homepage video banner footage.
- Reviewed and updated certain sections of the **homepage**.

Firsthand Video Series: Enhancing Transparency and Community Engagement

The City of South Fulton is launching "**Firsthand**," a new monthly video series designed to provide residents with direct updates on city projects, initiatives, and developments. Each episode will feature city department heads sharing firsthand insights into their areas of responsibility, ensuring that residents receive timely and transparent information. These short, engaging videos—approximately 45 seconds long—will be available on the city's website and social media platforms, making it easy for residents to stay informed.

Led by the Department of Public Affairs, "**Firsthand**" will spotlight various city departments, including Public Works, Public Safety, Economic Development, and Community Development. The goal is strengthening the connection between city leadership and residents while promoting accountability and trust. The first episode is set to launch in February, and City Council members are encouraged to help spread awareness about this initiative to enhance community engagement and accessibility.

The following is the end of February 2025 Transportation Update Report. The (*) mark indicates updated information from the January 2025 report. This report overviews sixty-two (62) projects for the City of South Fulton. The report will detail projects in TSPLOST I, TSPLOST II, Capital Improvement, State, and Federal funding within Public Works in the following stages:

- | | |
|------------------------|-----------------------------------|
| 1. Planning: | Two (2) total projects. |
| 2. Design: | Thirty-seven (37) total projects. |
| 3. ITB/ Out-to-Bid: | *Two (2) total projects. |
| 4. Under Construction: | *Fourteen (14) total projects. |
| 5. Completed: | *Seven (7) total projects. |

1. Planning Phase (2 projects) Projects in the planning phase have project scopes, Right-Of-Way (ROW) and land acquisition assumptions, and project cost estimates. However, a design engineering firm or consulting firm still needs to evaluate the projects. Once the design consultants are assigned, project estimates and a schedule will be done.

- **Capital Improvement Projects (1)**

- **RG-165.** Ridge Rd gravel paving project. A joint venture with the city of East Point to pave approximately 700 feet of Ridge Road. The City of South Fulton portion is from the East Point city limits to Will Lee Rd. A Request For Qualifications (RFQ) has yet to be issued.

- **TSPLOST II Project (1)**

- **SU-711.** Cascade Rd signal communication upgrades at all intersections from the Atlanta city limits to New Hope Rd, excluding those signals already upgraded. Design engineering will start once a design consultant is brought on. *The estimated cost is \$2.4 million, with design engineering estimated to start in Fall 2025 and construction anticipated to start in Summer 2027.

2. Design Phase (37 projects). Projects in the design phase will move towards construction once the design has been completed, ROW plans certified, and land parcels have been acquired. The cost estimates and project schedule are subject to change.

- **Capital Improvement Projects (CIP) (5)**

- The below projects are in preliminary design. Once the concept review plans are accepted and public input is evaluated, the design consultant will provide an updated schedule and cost estimates.
- **RG-160.** Jones Road will be paved and have a culvert replaced, affecting Districts 3 and 4. Two unpaved segments of Jones Road require paving. The design consultant will evaluate any necessary improvements at the intersection with Hall Road, a 4-way stop. Coordination with a planned GDOT roundabout project at the intersection with Campbellton-Fairburn Road (SR 92) should be considered. Ten parcels are estimated to be acquired. *RSH is the design consultant for \$538,268, with construction projected to begin in Fall 2026 and be completed by the end of 2027. *The estimated total cost is \$13.1 million. *A portion of the construction cost, estimated at \$3.65 million, is expected to be covered by Union City through an Intergovernmental Agreement (IGA).
- **RG-164.** Oxford Rd. is a one-half-mile unpaved residential street that functions as a cul-de-sac originating from West Stubbs Rd in District 2. The right-of-way needs are currently being evaluated. Khafra Engineering serves as the design consultant. The preliminary design cost is \$149,277, and construction is estimated to begin in Spring 2026. *The concept report has been reviewed, and a public input open house (PIOH) will be scheduled. *The estimated cost is \$5.6 million.
- **RG-163.** Thames Rd. A 1600-ft gravel road that originates at Butner Road. At the intersection with Butner Road., a complete street design, including sidewalks, will be implemented. The rest of Thames will have a rural street design with street lanes. ROW needs are being evaluated. Khafra Engineering is the design consultant for \$158,886, with construction estimated to start in Spring 2026. *The concept report has been reviewed, and a PIOH will be scheduled. *The estimated cost is \$5.3 million.
- **RG-162.** Rocky Head Rd. A 900-ft. unpaved residential street connecting Owl Rock Rd and Union Rd. ROW needs are being evaluated. Khafra Engineering is the design consultant for \$110,134. *The concept report has been reviewed, and a PIOH will be scheduled. Construction is estimated to start in Spring 2026. *The estimated cost is \$3.7 million.

- **RG-161.** Hall Rd. An approximately one-mile unpaved road needs paving and improvement, including sidewalks and other upgrades. The current bridge over Line Creek may need to be replaced. A hydrology study is required to determine if replacing the bridge with a culvert is feasible. Additionally, the intersections of Hall Rd with Jones Rd and Ridge Rd will need to be improved. Another segment, approximately 1.75 miles long, is currently paved but requires the addition of sidewalks on both sides and other necessary upgrades. It's important to note that the intersection with HWY 92 – Campbelltown-Fairburn Rd. is part of a GDOT Roundabout project that needs to be coordinated into this project. ROW needs are being evaluated. *RSH is the design consultant; the preliminary design cost is \$711,960, with construction estimated to start in Fall 2026. *The concept report has been reviewed, and a PIOH will be scheduled. *The estimated cost is \$15.6 million.

- **Federal/State Projects in the design phase (7)**

- **PI0019647.** This GDOT-managed project will enhance the intersection of SR 70 and Fulton Industrial Blvd at Westpark Place. The aim is to improve sight distance for motorists in the turning lanes by offsetting the left turn lanes on Fulton Industrial Blvd. A Restricted Crossing U-turn (RCUT) intersection will also be implemented to alleviate congestion and reduce accidents from Westpark Place. *Design and ROW certification are expected to be completed by Fall 2027. *The estimated cost is \$2.6 million, with construction projected to start in early 2028. The project spans 105 feet, and GDOT anticipates acquiring four parcels.
- **PI0019841.** This GDOT-managed project will improve SR 138/Jonesboro Rd at CR 581/Bethsaida Rd intersection. The aim is to install a multi-lane roundabout. According to GDOT, this safety project is estimated to cost \$3.4 million, with construction estimated to start in *Fall 2027. The project is 105 feet long. GDOT estimates nine parcels to be acquired and is working on the Field Survey Summary. *Design engineering and ROW certification are estimated to be completed by Spring 2027.
- **T-285.** A proposed roundabout will be constructed at the intersection of SR 92, Butner Rd, and Ridge Rd. (1/2 mile), including streetlights. All parcels have been acquired. AECOM, the design engineering firm, completed the design. GDOT completed the Final Design Phase Summary. *The next phase is to advertise for construction. *The total estimate is \$6.8 million. The project is estimated to take fifteen months to complete once it is under construction.
- **T-265.** Sidewalks and landscaping will be installed on both sides of Old National Highway from Flat Shoals Road to Jonesboro Road, along with signal upgrades at Bethsaida Road, Creel Road, Woodward Road, McGhee Landing, and Flat Shoals Road in Districts 6 and 7. GDOT is currently in the final design review and approval phase. ROW certification and utility certification are nearing completion. Funding for this project is provided by the ARC's Last Mile Connectivity Program. The estimated cost is \$5.5 million, which includes \$1.6 million in local funding. Atlas is the design firm for this project, with a contract worth \$274,159. The construction letting by GDOT is scheduled for June 2025.
- **T-281.** Fulton Industrial Blvd sidewalks between Lakeview Court and Westpark for 0.95 miles and the Fulton Industrial Blvd @ Cascade Road intersection improvements for 0.4 miles in District 1 will be let together for construction. *Design engineering is estimated to

be completed in September 2025. All agreements between the City and GDOT are in place, and the City approved the Concept reports. Both projects are part of the Fulton Industrial Community Improvement District (FICID). Projects will be let for construction through the FICID; South Fulton is listed as the local Municipality and funded through the ARC's Last Mile Connectivity Program. The estimated total cost is \$9.2 million, with \$20% in local (TSPLOST I & FICID) funds—Kimley-Horn & Associates, Inc., awarded as the Project Engineer (PE). *The design is estimated to be complete by Fall 2025, with estimated construction starting May 2026.

- **OSI-605.** SR 92 @ Jones Rd and SR 92 @ Demooney Rd intersections improvements, including installing two roundabouts. The total project length is 4040 feet, and it will be managed and funded under GDOT's safety program. Short-term and intermediate-term solutions have been developed to address safety and operational concerns, such as clearing vegetation and temporary traffic signals. There may be some lane closures during the project. *The estimated construction let date, according to GDOT, is January 2027, with an estimated cost of \$8.1 million, with \$52,250 in local TSPLOST I Funds. AECOM, awarded as the PE. There are eleven parcels to be acquired.
- **B-502.** Bethsaida Rd over Morning Creek Bridge will be replaced, and sidewalks will be added. The project length is a quarter of a mile. GDOT will manage and fund this project under its Local Bridge Replacement Program. According to GDOT, the construction let date is Summer 2025. The estimated cost is \$5.1 million, with the city funding \$50k towards ROW acquisition. CHA Consulting, awarded as PE. There will be a detour during the bridge construction. Sixteen parcels are to be acquired.

- **TSPOST II Projects in the Design phase (19).** The City Council approved several design consulting firms for standby design engineering services. Contracts have been executed, Public Works engaged the firms for design analysis, and most projects have been awarded. Project cost estimates are subject to change as the design process continues.

<u>Project Name</u>	<u>Cost Est.</u>
T-288 (B-510). Stacks Rd Bridge Replacement over CSX Railroad. Design engineering was awarded to Atlas for \$240K, estimated to be completed by November 2025. A PIOH was held on December 18 th , informing the public of traffic study findings. *Construction is estimated to start in August 2026.	\$4.7MM
OSI-631. Union Road at Thames Road Intersection Improvements will include a roundabout, sidewalks, and streetlights. The design was awarded to AEI, with design completion in Fall 2025. Eleven parcels are estimated to be acquired. The design cost is \$194,700. A PIOH was held on December 16 th to inform the public of the findings of the traffic study. *Construction is estimated to start in February 2026.	*\$907K
OSI-629. Ono Rd/Hobgood Rd to Rivertown Road intersection improvement, including roundabout, sidewalks, and streetlights. Design, for \$258,060, was awarded to AEI, with design completion in fall 2025. Eighteen parcels are estimated to be acquired.	*\$3.7MM
OSI-628. Old Fairburn Road at Thaxton Road intersection improvements to include a roundabout, sidewalks, and streetlights. Design, for \$235,400, was awarded to Khafra, with design completion in Spring 2025. Twelve parcels are estimated to be acquired.	\$4.1MM
OSI-622. Butner Road at Aldredge Rd intersection improvements, including roundabout alternatives, sidewalks, and streetlights. Design, for \$234,740, was awarded to Khafra. Estimated design completion is summer 2026, with construction let in October 2026. Two parcels are estimated to be acquired.	*\$3MM
OSI-600. Bethsaida Road at Creel Road/West Rd intersection improvements, including roundabout alternatives, sidewalks, and streetlights. *Design, for \$237,160, awarded to AEI. *The estimated design completion is December 2025. Anticipated construction to start in Summer 2026. Fifteen parcels are estimated to be acquired.	*\$2.8MM
OSI-623. Bethlehem Rd at Cedar Grove Rd intersection improvements, including roundabout alternatives, sidewalks, and streetlights. *Design, for \$218k, awarded to Khafra. Estimated design completion by Fall 2026. Anticipated construction to start at the early part of 2027. Eleven parcels are estimated to be acquired.	*\$2.5MM
OSI-620. Aldredge Rd at Merk Rd intersection improvements, including a roundabout, sidewalks, and streetlights. Design awarded to AEI. *The design cost is \$248,160, with completion by early 2026. Ten parcels are to be acquired. A PIOH was held on December 16 th to inform the public of the findings of the traffic study. *Anticipated construction to start in Spring 2026.	*\$1.6MM
PBI-914. Fill in sidewalk gaps within the existing sidewalk network on Union Rd, from Campbellton Road to Vandiver Road. Design awarded to Khafra Engineering. Fourteen	*\$3.6MM

parcels are to be acquired. Estimated Design completion by Fall 2025. The design cost estimate is \$231,076. *Anticipated construction to start in Spring 2026.	
B-508. Koweta Road Bridge Over Deep Creek Replacement. AEI was selected as the design consultant. Estimated Design completion by Spring 2026. *The design cost is \$218,750. *Anticipated construction to start in Fall 2026.	*\$3MM
B-505. Derrick Road Bridge Over Deep Creek Tributary Replacement. AEI was selected as the design consultant. Estimated Design completion by Summer 2025. The design cost estimate is \$218,750. Anticipated construction to start in Summer 2026.	*\$2.9MM
PBI-906. Welcome All Rd sidewalks (1.5 miles) from Roosevelt Hwy to Will Lee Rd. RFQ for Design was advertised at the end of May 2024. Design Quotes received on July 8th were evaluated; a design consultant has not been awarded.	\$3.6MM
PBI-911. Merk Rd sidewalk (1.25 miles) from Camp Creek Parkway to Alredge Rd. RFQ for Design was advertised at the end of May 2024. Design Quotes received on July 8th were evaluated; a design consultant has not been awarded.	\$4.2MM
PBI-910. Fill in sidewalk gaps, approx. $\frac{3}{4}$ of a mile within the existing sidewalk network on Jerome Rd from Old Notional Hwy to Old Bill Cook Rd. RFQ for Design was advertised at the end of May 2024. Design Quotes received on July 8th were evaluated; a design consultant has not been awarded.	\$1.8MM
PBI-908. Flat Shoals Rd sidewalks (2.5 miles) from Old National Highway to Buffington Road. RS&H was selected as the design consultant for \$651,240, with anticipated construction to start in 2028.	*\$6.5MM
PBI-903. Cascade Rd sidewalk (3 miles) from the City of Atlanta Limits to Fulton Industrial Blvd. RS&H was selected as the design consultant for \$675,012. *Anticipated construction to start in 2028.	\$6.9MM
PBI-902. Bethsaida Rd sidewalk (1.5 miles) from Old National Hwy to Nunn Woods Way. RFQ for Design was advertised at the end of May 2024. Design Quotes received on July 8 th were evaluated. AEI/STV was selected as the design consultant. *The design cost is \$431,749. Estimated Design completion by Summer 2025. *Anticipated construction to start in early 2026 and take a year to complete.	*\$4.7MM
B-599. Oglesby Rd. Bridge/Culvert over a tributary for Morning Creek is a quick-response bridge replacement project. This bridge needs replacement but must have traffic accessibility throughout the project, as this is the only way over this tributary for residents on Oglesby Road. AEI was selected as the design consultant. The design cost is \$202K. Estimated Design completion by Spring 2026. Anticipated construction to start in *late Summer 2026.	\$2.1MM
T-270 (B-504). The Design Engineering for Demooney Rd over Deep Creek Bridge Replacement, which has sidewalks on both sides, is complete. Long Engineering was the design consultant for \$260K. The project is in the ROW phase. Once the five parcels are	\$3.7MM

acquired, the project will enter the ITB phase for construction. The estimated construction start date is December 2025.

- **TSPLOST I Projects in the Design phase (6)**

<u>Project Name</u>	<u>Cost Est.</u>
OSI-618. The design of the Welcome All Rd @ Scarborough Rd intersection improvement, including a roundabout and sidewalks, has been completed by AEI. ROW phase. Acquiring nine parcels. The design was completed for \$141,335 and let for construction, estimated in *August 2025, after ROW certification.	*\$2.7MM
OSI-616. The design of Stonewall Tell Road at Jones Road/Pittman Road intersection improvement, which includes a roundabout and sidewalks, has been completed by AEI. ROW phase. Acquiring ten parcels. The design was completed for \$131,445. Advertise for construction, estimated to be *November 2025, after ROW certification.	*\$3.2MM
OSI-608. The final design of the intersection improvement of Enon Road at Stonewall Tell Road, including roundabouts, streetlights, and sidewalks. Jacobs Engineering is the engineer of record for \$133,814. ROW phase. Acquiring seven parcels with design completion by summer 2025. Construction is estimated to start in January 2026.	*\$2.7MM
OSI-607. The final design of the Demooney Rd @ West Stubbs Rd intersection improvement includes a roundabout, streetlights, and sidewalks. The design cost is \$139,679. ROW phase. Acquiring four parcels with design completion in May 2025. Jacobs Engineering is the engineer of record. Construction is estimated to start in August 2025.	\$2.6MM
OSI-603. The final design of the intersection improvements at Butner Rd @ Pittman Rd includes a roundabout, sidewalks, and streetlights. Acquiring nine parcels with design completion by October 2025. AEI was selected as the design consultant for \$133,722. Construction is estimated to start in January 2026.	\$3.3MM
OSI-601 (B-500). Final design of Butner Road @ Camp Creek Parkway intersection improvement & bridge replacement, including sidewalks and trail path. Projects are scheduled to be let together for construction in Spring 2025 once the ROW is certified. Two parcels are left to acquire. *The design engineer for the bridge replacement is Atlas for \$177,346. The design engineer for the intersection is AEI for \$81,500.	*\$7.6MM

3. ITB/ Out-To-Bid (2) Projects. Projects in this phase are getting ready to go through or are in the bid process. The next phase is the construction phase.

- **TSPLOST I Projects in ITB (2)**

- **SU-700.** The Final design of Flat Shoals Road Signal Upgrades and fiber communications from Mallory Rd to Old National Hwy is scheduled to be complete by the end of January 2025. All six parcels have been acquired. *Jacobs Engineering is the design consultant for \$341,597. The City will prepare an ITB for advertisement once the signal permits are complete. *Construction is estimated to begin in Spring 2025, and the estimated cost is \$3.7 million.
- **OSI-617.** The final design of the Welcome All Rd @ Jailette Rd intersection improvement, including sidewalks and streetlights, is complete. All four parcels were acquired. *Atlas is the design consultant for \$117,185. Once final utility coordination is done, the city will prepare an ITB for advertising. *Construction is estimated to begin in Spring 2025, and the estimated cost is \$2.3 million.

4. Under Construction *(14) Projects

- **Federal/State *(7)**

- ***T-277.** The **Cochran Rd bridge over Camp Creek** will be replaced. The bridge will have lighting, sidewalks, and new roadway approaches. Fulton County donated the last parcel on May 1, 2024, completing the ROW acquisition. This project is funded 80% by ARC and 20% by local funds. Southeastern Development, Inc. is the proposed vendor for \$3,894,560.01 plus a 10% contingency for a construction total of \$4,284,016.01. A Notice to Proceed (NTP) was issued, and construction is estimated to be complete by the end of January 2026.
- **T-280.** Oakley Road over Broadanax Creek bridge replacement. This GDOT-managed project includes sidewalks on both sides. The project completion date has been extended to December 20, 2024. Williams Contracting Company, LLC has the contract at \$1,992,985.75. The project is funded through ARC's Roadway/ Bridge Upgrade program with GDOT let. The total cost is \$3,292,985.75 million, with \$50K in local funding. A detour was estimated to start June 6, 2024. *As of the end of 2024, a utility issue has delayed the detour's start. GDOT will update the project completion date.
- **T-273.** Buffington Road from Rock Quarry Road to SR 14/US 29 is being upgraded. The bridge over South Fulton Parkway will be replaced. **T-272.** Additionally, Buffington Road from Royal South Parkway to Rock Quarry Road is undergoing upgrades, including shoulder sidewalks and operational improvements at each intersection. Both projects are in District 5 and are GDOT-managed. C.W. Matthews has been awarded both contracts for \$42.5 million, with \$3.1 million in local funding for utilities. The expected construction completion date is August 2026. The project is on target with all parcels acquired. Utility relocation, storm drain installation, and retaining wall construction are ongoing. Throughout the construction process, temporary lane closures, traffic shifts, and detours may be implemented to ensure

the safety of everyone in the area. However, no closures will occur from 6 am to 9:30 am and 4 pm to 6 pm, Monday through Friday.

- **T-266.** The sidewalk project along New Hope Rd between Campbellton Rd and Danforth Rd will include a roundabout at Boat Rock Road. It is 80% Funded through the ARC's Last Mile Connectivity Program and 20% in local funds. On March 19th, 2024, DAF Concrete, Inc. was awarded the contract for \$3,301,268 plus a 10% contingency. NTP was given on November 21, 2024. The anticipated completion date is November 2025.
- **OSI-624.** Converting Roosevelt Highway at Washington Rd signalized T intersection into a single-lane roundabout and other improvements. This is a GDOT-managed project. GDOT issued the NTP to Knight & Associates on November 30, 2023. The construction completion date is on track for September 30, 2025. According to GDOT, the total cost is \$6,774,387.63, plus \$684,300 in local funding for utilities.
- **RS-417.** Full-depth Reclamation (Pavement Rehab) of 11 locations in the Fulton Industrial Blvd area in District 1 for 2.7 miles. There will be deep base repair where needed, along with milling and resurfacing. Those roads are Frederick Ct, Waterfront Dr, Wharton Dr, Indeco Blvd, E. Great Southwest Pkwy, Westgate Dr, Bucknell Ct, Villanova Dr, Loyola Dr, Fisk Dr, and Greensboro Dr. The project was awarded to Atlanta Paving and Concrete Contractors, Inc. in an amount not to exceed \$2,956,048.40 plus 10% contingency for a total of \$3,251,653.24. A PO was prepared for East Great Southwest Pkwy and Villanova Dr. using ARPA funds. NTP was granted to the contractor on November 14th, 2024. There are nine more road projects for which to prepare purchase orders (PO).

- **Capital Improvement Projects (1)**

- **T-284.** The Kimberly Rd at Cascade Rd intersection improvement projects will include a new traffic signal, repaving, and intersection striping. All parcels have been acquired. DCBC, LLC was awarded the contract for \$621,957.80, plus a 10% contingency for a total award of \$684,153.58. The total project cost, including design, is \$740,553.58. The estimated completion date is June 16, 2025.

- **TSPLOST II Projects (1)**

- **T-271 (B-506).** Fairburn Road upgrades from Cascade Rd to North Utoy Creek include sidewalks, North and South Utoy Creek bridges replacements, turn lanes, and other improvements. SD and C, Inc. was awarded the contract for \$8,454,703.64 with a contingency of 750,000. The total estimated cost is \$9,723,473. *Utility relocation is ongoing. The estimated completion date is May 30, 2025.

- **TSPLOST I Projects (5)**

- **OSI-613 (615).** Improvement of the Stonewall Tell Rd at Union Rd intersection, including streetlights, sidewalks, and a roundabout—also, the Old Fairburn Road @ Union Road intersection improvement. Due to proximity, the projects were advertised as a single project

for construction. The bid closed on September 24, 2024. The estimated cost was \$4.3 million. *City Council awarded the contract to Summitt Construction & Development. LLC at the November 12, 2024, City Council meeting for \$3,493,926.51 plus a 10% contingency and a pre-construction meeting with the vendor in January 2025. *Construction is estimated to be completed by March 2026.

- **PBI-900.** Sidewalks and streetlights along both sides of Danforth Rd extending from Cascade Rd to Rehoboth Circle in District 1. CMC, Inc. has the contract for \$1,394,740. The total cost is \$1,770,551 million. *The project's estimated completion date was the end of 2024. The remaining sidewalk installation has continued after utility relocation, and the project completion date is to be determined.
- **OSI-614.** Rivertown Road @ Cedar Grove Road intersection improvement, including a sidewalk and a roundabout in District 4. It was approved for construction at the October 10, 2023, City Council meeting to CMC, Inc. for \$2,786,641.10. The total cost is \$2,932,191.10. The construction completion date is on target for March 3, 2025. Utility installation is ongoing.
- **OSI-602.** Butner Road @ Union Road intersection improvement will include streetlights and the addition of a roundabout to address congestion and reduce the severity of accidents at this intersection, sidewalks, and other improvements impacting districts 2 and 3. SD and C were approved for construction for \$3,813,696. A fully executed contract is in place. NTP was issued on January 22, 2024. *The total cost is \$4,065,625. Union Road will be temporarily closed, and a detour will occur from March 10, 2025, through April 25, 2025.
- **P-901.** Enon Road sidewalks, along with streetlights on both sides, from Lynarbor Ln to Sanford J. Jones Blvd. will impact District 2. AEI is the Engineer of Record. The contract was awarded to DAF Concrete, Inc. for \$3,583,350 with a 10% contingency. The total estimated cost is \$4.2 million. NTP was granted on March 28, 2024, with an estimated completion date of October 15, 2025. The project is ahead of schedule; utility pole removal and working through the punch item list remain.

5. Completed Projects *(7)

• City of Atlanta funded project (1)

- **T-283.** A Culvert was replaced at the crossing of Loch Lomond Trail over Kimberly Creek. The City of Atlanta (COA) funded the installation of the culvert due to damage caused by a COA water main break.

• LMIG funded project (1)

- **Stacks FDR.** Full-depth Reclamation of Stacks Rd from Feldwood Rd to 1,000 feet west of Mallory Rd in District 5, with widening, paving, and striping. The project was awarded to Atlanta Paving and Concrete Construction, Inc. in an amount not to exceed \$688,506.90 plus 10% contingency for a total of \$757,357.59. *The project closing cost was \$757,352 plus 44,225 in CEI services. 2020 LMIG State Funds were used to fund this project. The project was completed on September 30, 2024.

• TSPLOST 1 Project (2)

- **OSI-604.** Improvements to the Campbellton Rd @ Stonewall Tell Rd intersection, including sidewalks, turn lanes, four streetlights, and a new traffic signal in Districts 1 and 2. CMC, Inc. was awarded the contract for \$3,174,180. The total cost is estimated at \$3,361,538. Greystone Power activated the signal and turned the streetlights on, and a new alignment of Stonewall Tell Rd is in place. The construction part of the project came in under budget at \$2,917,114.04.
- **B-501.** Enon Road over Camp Creek Tributary bridge replacement and sidewalks in District 1 were approved for construction and awarded to Baldwin Paving Co., Inc. for \$1,814,805.02. NTP was issued on January 24, 2024. The total cost is \$2,137,978.02. A groundbreaking ceremony was held on April 26th. *A ribbon-cutting ceremony was held this month to open the bridge officially. The new culvert has been installed and is open to traffic.

• TSPLOST 2 Project *(3)

- **RC-127.** The Gullatt Rd. The full-depth reclamation project occurred from the I-85 bridge to McClarin Rd, next to the railroad tracks just before Roosevelt Highway. Gullatt Rd is partially in the City of South Fulton and partially in the City of Fairburn. An IGA was signed between both cities. The City of Fairburn let the project for construction, which was awarded to Blount Construction. The City of South Fulton was responsible for 50% or \$337,306 of the construction cost (\$674,612) on the Gullatt Rd part of the project. The contractor must complete the work within 180 days of the July 8th, 2024, NTP by the City of Fairburn. The project was completed on November 15, 2024

- **TSPLOST II Resurfacing.** *There were 63 resurfacing projects throughout the City: Dist. 1(11), Dist. 2(7), Dist. 3(11) Dist. 4(12), Dist. 5(7), Dist. 6(7), and Dist. 7(6). Two (2) more projects intersect districts. Both are in District 3 and intersect Districts 4 and 5. The 3-Tier Resurfacing Contract was approved for ER Snell for \$21,726,739.66. NTP was executed, starting with Tier 1's 27 resurfacing projects. Tier 2's 18 resurfacing projects started in March 2024, and Tier 3's 18 resurfacing projects started in June 2024. The updated Resurfacing Program schedule shows that all three tiers are completed.
- **T-276 (B-503).** Cochran Rd Bridge over Deep Creek replacement project in Districts 2 and 4. BRTU was awarded the contract for \$3,895,677.40 on September 26, 2023. The culvert was installed by the end of 2024, and the total cost, including design, is \$4,171,626.

PROJECT LIFE SAVER STRATEGY PLAN

PRESENTED BY:
CHIEF OF POLICE KEITH MEADOWS
CAPTAIN NICHOLAS WILLIAMS

**COUNCILMAN SEBASTIAN, THANK YOU
FOR LEADING THIS INITIATIVE FOR THE
CITY OF SOUTH FULTON COMMUNITY!**

PROJECT LIFESAVER

FOR CITY OF SOUTH FULTON

Project Lifesaver effectively locates wandering adults and children using personalized wristbands that emit tracking signals. When a loved one goes missing, the City of South Fulton Police Department trained search and rescue teams respond with specialized equipment, reducing search times from hours to under 30 minutes.

The program has around 1,700 participating agencies across the U.S., Canada, and Australia, achieving over 3,800 rescues in 22 years with a 100% success rate.

MESSAGE FROM CITY OF SOUTH FULTON POLICE DEPARTMENT

Eligibility

The safety of the residents of the City of South Fulton is our highest priority. We welcome Alzheimer's disease, autism, and Down syndrome. We will also consider people who have other disorders that may cause them to chronically wander and become lost.

To enter someone into the City of South Fulton Project Lifesaver program, the following requirements must be met:

- The client must be a resident of the City of South Fulton
- The client must have a legally responsible caregiver willing to place the client in the program.
- Clients and caregiver must abide by the conditions of the program and contract.
- Completion of the the application process.

ABOUT OUR MARKETING STRATEGY

Emphasize raising awareness among caregivers and potential clients regarding the program's effectiveness in swiftly locating individuals with cognitive conditions who may wander. Highlight the peace of mind it offers by showcasing the program's high success rate, rapid response times, and specialized training for first responders. Utilize community outreach, collaborations with healthcare providers, and emotional storytelling to connect with your target audience.

“

The search times for certified Project Lifesaver agencies have been reduced from hours, potentially days, down to minutes. Recovery times for Project Lifesaver agencies average 30 minutes, which is 95% less time than standard operations without Project Lifesaver.

—Project Lifesaver International

”

OUR TARGET

Caregivers of:

01

ALZHEIMER'S DISEASE

02

DEMENTIA

03

AUTISM

04

DOWN SYNDROM

AUTISM

Alzheimers

MESSAGING

CITY OF SOUTH FULTON POLICE DEPARMTMENT

OUR FOCUS

Peace of Mind

Highlight the reassurance and peace of mind that comes from knowing you can swiftly locate a loved one if they happen to wander off.

Proven Effectiveness

Emphasize the program's impressive success rate and average rapid rescue times.

Specialized Training

Emphasize that first responders receive specialized training to use tracking technology effectively.

Community Support

Highlight the teamwork among law enforcement, healthcare professionals, and families to promote safety.

OUR MARKETING CHANNELS

WEBSITE AND SOCIAL MEDIA

- Develop engaging content, success stories, and testimonials to showcase on the Project Lifesaver website and across social media platforms.

PUBLIC RELATIONS

- Distribute press releases, propose stories to local media outlets, and engage in pertinent health and safety events.

COMMUNITY OUTREACH

- Conduct presentations at senior centers, support groups, healthcare facilities, and community organizations.
- Engage in health fairs and awareness events.
- Partner with local media for news stories and interviews.

DIGITAL MARKETING

- A dedicated website providing comprehensive details about the program, the enrollment process, and testimonials
- Social media campaigns showcasing success stories and experiences from caregivers
- Targeted online advertising aimed at specific demographics

EDUCATIONAL MATERIALS

- Create brochures, flyers, and informative videos that outline the program and highlight its advantages.

"Key marketing tactics" are actionable steps companies use to promote products or services, achieve marketing goals, and include social media campaigns, email marketing, SEO, paid advertising, content creation, and influencer collaborations. These tactics are the tools for executing a broader marketing strategy.

KEY MARKETING TACTICS

- 01

Case Studies
Share authentic stories of successful rescues accomplished through Project Lifesaver.
- 02

Personal Testimonies
Showcase testimonials from caregivers who have gained advantages from the program.
- 03

Awareness Campaigns
Leverage both social media and traditional media to promote awareness of wandering risks and highlight the Project Lifesaver solution.
- 04

Training Workshops
Organize training sessions for law enforcement and healthcare professionals to effectively use Project Lifesaver technology.

REQUEST FOR PROJECT LIFESAVER TRANSMITTER KITS

WE KINDLY ASK THAT EACH COUNCIL MEMBER TAKE INTO ACCOUNT THE ALLOCATION OF FUNDS FOR PROJECT LIFESAVER TRANSMITTER KITS FOR EVERY DISTRICT.

URGENT NEED

We currently have a waiting list of potential Project Lifesaver clients, as we have distributed all the transmitters from our initial purchase. These additional kits are crucial to meet the growing demand and ensure timely support for individuals with autism, Alzheimer's disease, and other conditions that may cause wandering.

IMPORTANCE OF YOUR CONTRIBUTION

Each council member's contribution will play a vital role in sustaining and expanding this life-saving program. By allocating funds for these transmitter kits, you will:

- *Enhance public safety and provide peace of mind for families in need*
- *Support individuals with disabilities and their caregivers*
- *Demonstrate your commitment to improving the quality of life for all members of our community*

DETAILS

Each kit costs:
\$347.00

Total cost per district:
\$1,735.00

Transmitter One Year Kit (30 Day Oval Style)

Price: \$347.00

SKU: CSOTX.2-YR

Qty: 1 Add To Cart

Description

**** REPLACES CSOTX.1 12M ****Includes one 30 Day PLI programmable 216 Mhz Data Transmitter (DTM), one battery cap with "O" Ring, 12 month supply of batteries and 1/2" bands, one transmitter and transmitter tester. (specify nylon or vinyl bands). Transmitter has a 5 year warranty.

“

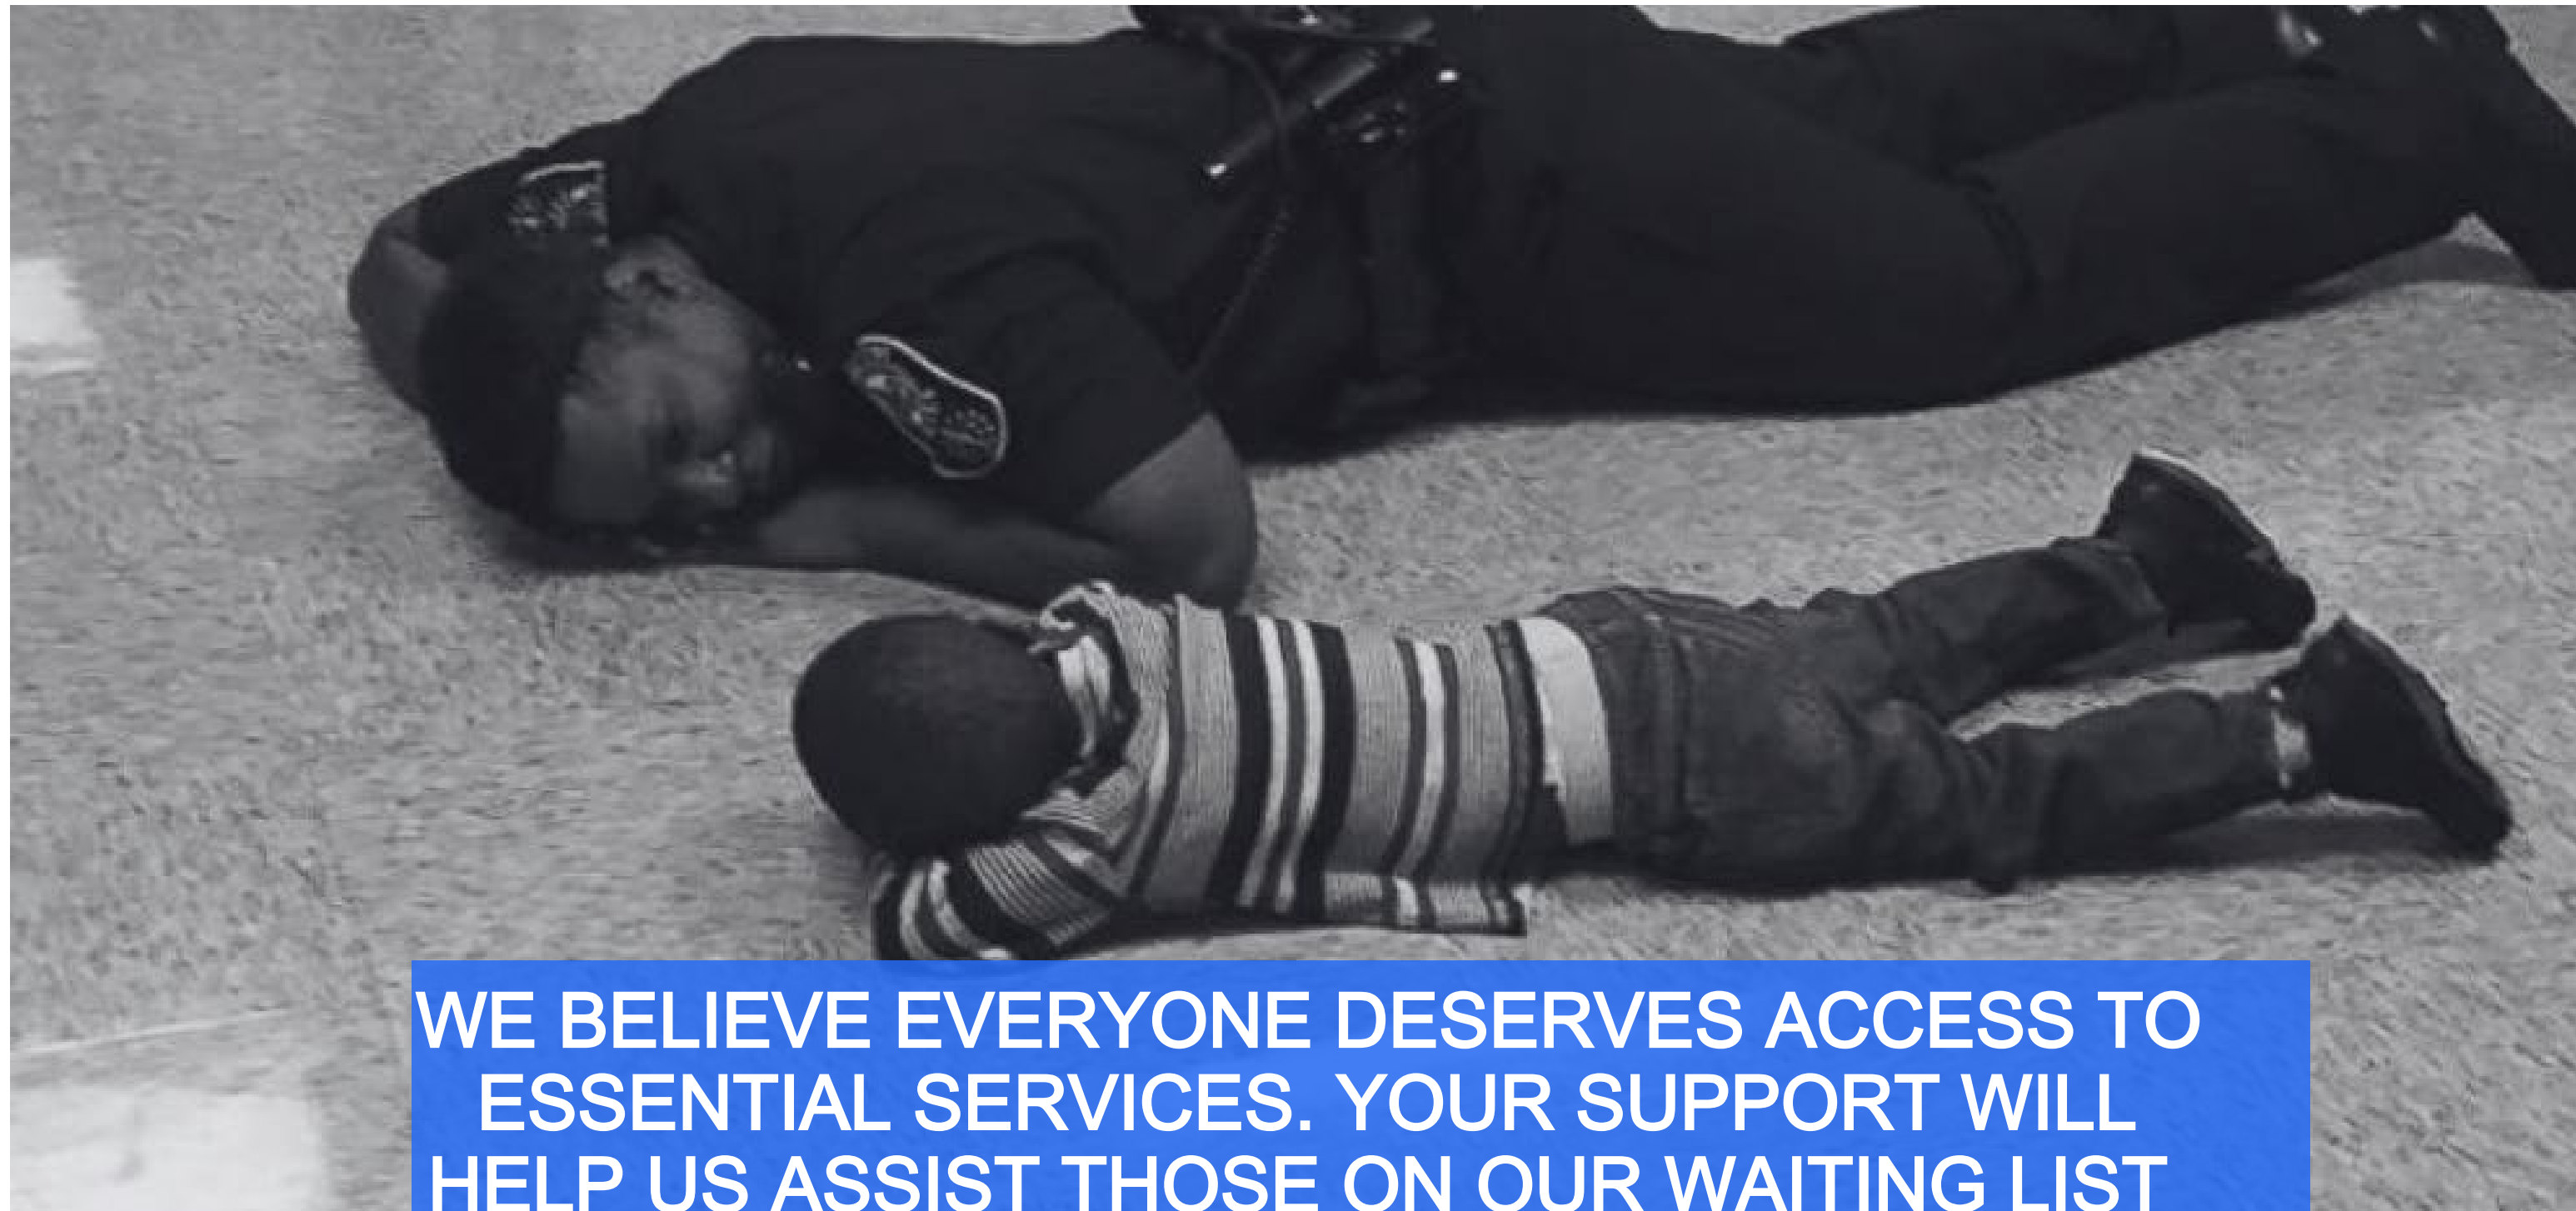

Kyle and I had the opportunity to be on television advocating for an important cause close to our heart! I spoke about how we advocated for our local police department to implement "Project Lifesaver". A life-saving program designed to help locate individuals with autism who may wander or go missing. As a parent/advocate, I believe this program will make a huge difference for families in our city.

A huge thank you to Chief Keith Meadows, Captain Nicholas Williams, and Councilman Jaceey Sebastian for supporting this initiative and to FOX 5 Atlanta for giving me the platform to share our story. Let's keep pushing for change and ensuring our community is a safer, more inclusive place for everyone!

THANK YOU to Mr. Kyle Christopher! A extremely blessed child who lives a beautiful purposeful life. Not only did he help to implement this program but he also has his own day in City of South Fulton (Kyle Watson's Day of Awareness). Kyle motivates me daily to stay committed to this journey that God chose for us. There's nothing easy about our life but moments like this sure makes the challenges and sacrifices worth it.

-Devon Lee
