CITY MANAGER'S REPORT

PRESENTED BY:

SHARON D. SUBADAN

ICMA-CM, MPS, CPM

JUNE 2025

Greetings, Honorable Mayor and City Council Members,

June marks the start of summer, bringing unpredictable weather from hot temperatures to thunderstorms, which cause trees to fall throughout the City. As always, staff are prepared to handle all storm-related issues immediately.

I was pleased to speak at the town hall meetings for residents in Districts 3 and 5, and Dr. Cooper took part in the town hall meeting for District 6. On June 9th, we held the FY26 Budget Retreat at Foxhall Resort in Douglasville, Georgia. The purpose was to give a thorough budget overview and gather feedback from the Mayor and Council.

I am proud to share that Yolanda D. Hyman, our Community Relations and Services (CRS) director, earned her Certificate in Innovative Government Leadership from Georgetown University in Washington, DC, and graduated on June 3rd. I am proud of Yoli's hard work and dedication to leadership and service excellence.

I attended the Gettysburg Leadership Institute from June 10 to 13, 2025. This three-day course focused on enhancing my leadership skills as City Manager, covering topics like leadership styles, decision-making, and communication techniques. The goal was to help participants gain insights into personal leadership growth, organizational effectiveness, and historical leadership lessons.

Our 2025 Juneteenth celebration occurred on June 14th at Wolf Creek Amphitheater. Although we planned an exciting evening with artists and activities, bad weather forced us to end the event early. I want to thank the Public Affairs and Cultural Affairs teams for their efforts in organizing a great event.

On June 18th, I, along with council members and community representatives, attended the ribbon-cutting ceremony for Butner Road at the Union Road Roundabout. Our Public Works Director, Antonio Venezuela, and his team led this important achievement.

I want to congratulate the Public Affairs Department on receiving five Communicator Awards for 2025. This well-deserved honor highlights their hard work.

Thank you for trusting us to manage the city's affairs. Please accept this report as a summary of the city's successful June FY25 results.

A handwritten signature in black ink, appearing to read 'Sharon D. Subadan'.

Sharon D. Subadan, ICMA-CM, MPS, CPM

ACTIONPLAN

PURCHASING CARD, PROCUREMENT,
AND FINANCE CONCERNS

Purchasing Card Program Update – June '25

Due to the actions taken by the City of South Fulton to enhance oversight, the operational efficiency of our Purchasing Card (P-Card) program, and the levels of compliance continue to demonstrate improvement.

As of June 27th, the compliance calculation decreased from 80% in April to 73% in May and to 53% in June. The leading driver of this reversal is missing or inadequate documentation, which increased from 15% to 35%. To reverse this unacceptable trend, department directors have been directed to clear, by July 11th, all outstanding non-compliant transactions in their departments that are correctable [i.e., sales tax payments and software purchases are not deemed correctable, while missing or inadequate documentation is]. Cardholders who do not clear their correctable transactions will have their P-Cards suspended until corrected. From now on, cardholders who habitually make non-compliant purchases will face card suspension or revocation. The Bambo Sonaïke, CPA, acting as Internal Auditor and P-Card Administrator, continues to provide technical assistance to cardholders, and the Procurement Department is developing a robust training program.

Currently, there is active recruitment for a Procurement Compliance Officer to assume future P-Card auditing, administration, and training duties.

My team and I continue to meet regularly with the internal audit firm to identify and address issues that can be improved. Last month, we transitioned to an approver model where P-Card transactions are reviewed and approved at the department head level and entered into Truist. We also requested that Truist provide a new P-Card with "Tax Exempt" and our tax-exempt number embossed on it. The new cards will be received in a few weeks and should reduce instances of erroneously paying Georgia sales tax.

On July 22nd, the Baker Tilly Advisory Group will present to the Council a report that assesses policy compliance, provides a high-level analysis of transactions, and actionable recommendations. We are working with them on proposed revisions to the ordinance and resolution that authorize and implement the P-Cards, and also drafting a procedures manual. My team and I will continue to meet bi-weekly with Baker Tilly's representatives until completion.

These efforts tackle both immediate and long-term issues, enhance financial accountability, optimize resource use, and foster public confidence in the City's management of purchasing card activities. As noted above, even before the final reports are submitted, we are taking steps to train users, refine our procedures, and take corrective actions as needed.

Additionally, pursuant to Council direction, a team of forensic auditors from Baker Tilly is auditing the Mayor's P-Card transactions. Their report will also be presented to the Council on July 22nd.

There has been considerable public interest, including from the media, in the use of P-Cards. We are committed to presenting audit recommendations and instituting recommended actions as appropriate.

Procurement Concerns

William Whittiker, the new Director of Procurement, has been with the organization for about six weeks and has extensive procurement experience and experience running P-Card programs. He is working to fill vacant positions, train existing staff to upgrade their skills by attaining certifications in procurement and contracting, establish clear work processes, and completing a Procurement Manual that will include procedures for P-Card use. He also provides leadership in the area of P-Card compliance.

Finance Concerns

The FY'23 and FY'24 external audits continue to be a priority. In light of recent events, the auditors have added a P-Card transaction review to their work plan and several other transactions. They have opined that elected officials should not have access to create or approve documents or transactions in the financial system.

The transition of our ERP from Edmunds to Tyler is underway. All users received significant training in March, and the new system will be in place in April. This will enable Finance to manage and report on our financial status more accurately and eliminate manual processes that are subject to error. We closed the month with a "financial blackout" to transition from one financial system to another.

We also intend to deploy a transparency model that will be available in Tyler after the full implementation of the first phase of the ERP is completed.

MAYOR & COUNCIL

NOTES:

General Fund Summary Revenues:

Property Taxes collected as of May 2025 were \$59.55 million (98% of the \$60.990 million FY2025 budget) compared to \$55.07 million (93% of the \$59.5M FY2024 budget) in the prior fiscal year for the same period.

Motor Vehicle Title Ad Valorem Tax (TAVT) revenue was \$2.305 million (62% of the \$3.7 million FY2025 budget) compared to \$2.383 million (140% of the \$1.7 million FY2024 budget).

Franchise Tax revenue collected as of May 2025 was \$6.602 million (86% of the \$7.7 million FY2025 budget) compared to \$6.366 million (90% of the \$7.1 million FY2024 budget) for the same period in the previous fiscal year.

Local Option Sales Taxes (LOST) collected as of May 2025 were \$24.259 million (64% of the \$37.682 million FY2025 budget) compared to \$24.002 million (71% of the \$33.7 million FY2024 budget). The rolling twelve-month comparison in May remained unchanged at \$37 million compared to \$36 million for the same twelve months in the prior year.

Business and Occupation License revenues as of May 2025 were \$5.5 million (85% of the \$6.5 million FY2025 budget), down \$100 thousand (-1.8%) from \$5.6 million compared to May 2024. We receive the bulk of revenue for this category during the renewal period from January through May.

Insurance Premium Taxes posted as of May 2025 were \$10.337 million (\$337 thousand or 3% over the \$10 million FY2025 budget).

Other Taxes collected as of May 2025 were \$866,794 (up \$267,728 or \$44.7% from \$599,066 for the same month in the prior fiscal year).

License and Permit revenues collected as of May 2025 were \$3.9 million (90% of the \$4.291 million FY2025 budget), up \$1.3 million or 50% compared to \$2.6 million in the prior year. The budget for this category was increased to \$4,291,250 (4.8% or \$195,900) from the \$4,095,350 FY2024 budget.

NOTES – Continued

Intergovernmental Agreements (IGA's – Fire Services)

The city has two intergovernmental agreements for fire services, one with Fulton County and one with the City of Atlanta (mutual aid). The budget for this category was increased by \$300 to \$1.2 million from \$900 thousand in the prior fiscal year.

Charges for Services revenues as of May 2025 were \$621 thousand (59% of the \$1.044 million FY2025 budget). Revenue was down by -\$36 thousand (-5.5%) compared to \$657 thousand for the same period in the prior fiscal year.

Fines and Forfeitures: The FY2025 budget was increased by \$1 million to \$1.3 million from \$300,000 in the FY2024 budget. Collections are being deposited into the designated Municipal Court bank account. Monthly reconciliations and allocations have not been completed.

Investment Earnings / Income revenues were \$3.3 million (52% of the \$6.2 million FY2025 budget. Earnings are down \$1.1 million (-25%) compared to \$4.4 million in the prior year.

Hotel Motel Tax: The city estimates revenue of \$582K for FY2025 (budget).

The Budgeted Use of Reserves is an estimate for FY2025. We will monitor general fund capital spending trends. The amount will be adjusted up or down at the close of the FY2025 fiscal year in conjunction with the financial closing process.

Rolling Twelve Months as of May 2025: The graph shows twelve months of performance regardless of the month or fiscal year. A rolling twelve-month historical summation measures the total of the previous twelve months. Therefore, the LOST revenue trend is \$37 million in the current fiscal year.

South Fulton Leads The Way! Code Enforcement Officers Earn Key Soil & Erosion Certification

Five more of the City of South Fulton's dedicated Code Enforcement Officers have successfully earned their prestigious **Soil & Erosion Control "Red Card" Certification** from the Georgia Soil and Water Conservation Commission. This advanced training significantly strengthens our commitment to environmental stewardship and the sustainable growth of our city.

The "Red Card" Advantage for South Fulton

This certification empowers our Code Enforcement team to proactively protect South Fulton's natural assets and enhance our quality of life. Our officers can now:

- **Champion Environmental Protection:** Expertly identify and address sediment runoff and soil degradation, safeguarding our waterways, greenspaces, and local ecosystems.
- **Strengthen Development Standards:** Ensure all development adheres to the highest standards of soil and erosion control, minimizing environmental impact.
- **Preserve City Infrastructure & Property Values:** Actively prevent erosion to protect public infrastructure and private property from costly damage.
- **Enhance Water Quality:** Prevent pollutants and sediment from entering our streams and rivers, contributing to cleaner, healthier water for all residents.
- **Lead with Proactive Compliance:** Offer informed guidance and take swifter action to prevent erosion violations, fostering responsible land management city-wide.

The City of South Fulton's Code Enforcement Department continues to raise the bar, with this new certification underscoring their dedication to building a safer, more beautiful, and environmentally resilient South Fulton. Join us in celebrating their outstanding achievement!

South Fulton Code & Police Officers Save Toddler from Highway Danger

Receive Medal of Honor

SOUTH FULTON, GA – On Friday, June 7, the quick thinking and rapid response of South Fulton Code Enforcement Officers Lovell, Arnold, Napper, and Wilson, in collaboration with the South Fulton Police Department, led to the safe rescue of a three-year-old girl found wandering unsupervised near a busy highway.

Code Enforcement Officers wear many hats and are often the first face of the city a resident sees, responding to a wide array of community needs. Officers Lovell and Arnold, stationed nearby, exemplified this diverse role by reacting swiftly to a child's report in the street. They located the young girl, wearing only a diaper, running towards Old National Highway, and quickly secured her before she reached the dangerous road.

After ensuring the child's safety, Officers Arnold, Lovell, and Napper, alongside SFPD, canvassed the area to locate the parents, while Officer Wilson remained with the child and an SFPD officer. Officer Wilson successfully located the child's mother, who was later taken into custody for neglect.

This incident powerfully highlights our officers' dedication, rapid response, and collaborative spirit in ensuring the safety and well-being of South Fulton's community members. They truly go above and beyond, demonstrating their commitment to our city in every situation.

South Fulton Code Enforcement Shines at Georgia Municipal Association Conference!

We are incredibly humbled and honored to share that the City of South Fulton's Code Enforcement Director delivered a powerful presentation at the recent Georgia Municipal Association (GMA) Conference this past Monday. Our own Director of Code Enforcement, along with the respected President of the Georgia Association of Code Enforcement (GACE), had the privilege of speaking to a distinguished group of city officials from across the state, including City Managers, Mayors, and Council Members.

The City of South Fulton was well-represented, with several Council Members present to fully support our director as he highlighted the city's innovative approach to code enforcement.

The engagement during the session was outstanding. The attentiveness of the attendees was noticeable; it truly felt as if everyone was "glued to their seats!" We explored actionable strategies for developing impact-driven code enforcement programs and discussed how strong code enforcement can better serve and uplift communities. It was inspiring to see civic leaders from different municipalities demonstrating such a strong commitment to improving their code enforcement efforts for the community's benefit. A sign of our success is that several other Georgia municipalities have shown a keen interest in having Director Muhammad demonstrate how to "polish up" their own code enforcement divisions, directly adopting South Fulton's successful approach.

Our sincere thanks go to GMA, Pete Pyrzenski, and City Manager Sharon Subadan for the generous invitation and the valuable platform to share these important insights. We are truly grateful to be part of discussions that actively strengthen and empower municipalities across Georgia.

Strong Action Taken: June Nuisance & Abatement Hearing Targets Problem Properties in South Fulton

Judge Sheridan granted abatement orders at the June 2025 Nuisance & Abatement hearing, underscoring the **City of South Fulton's proactive stance against blight and neglect**. These hearings are a cornerstone of our strategy, as **robust nuisance and abatement programs are essential for maintaining public health, ensuring safety, and preserving the quality of life** in our communities. By addressing these issues, we deter crime, enhance property values, and create more livable neighborhoods for everyone.

Key properties receiving orders include:

- **6080 Koweta Rd: Demolition** ordered.
- **195 Old Fairburn Close: Demolition** ordered.
- **3215 Cadiz Cir:** An order was issued to **abate the severe vegetation**. Efforts are ongoing to find a beneficiary for the deceased owner; if none is found, a **demolition order will be pursued**.
- **7789 Cedar Grove:** This property is **pending a demolition order** due to the owner's consistent failure to appear in court.
- **Camelot Building 9: Demolition** ordered.

The work continues, with approximately **15 properties** expected to appear on July's upcoming Nuisance & Abatement calendar, reflecting our dedication to a safer and more beautiful South Fulton.

SeeClickFix Report 4/1/2025-6/30/2025

Requests created by Category

Days to Close by Category

Goal 1

Enhance Government Efficiency and Productivity

- Onboarded an additional Business Tax Inspector

Goal 2

Increase Community Collaboration and Improve Quality of Life

- Four pre-conceptual meetings were held for applicants interested in various projects within the city.
- Held two pre-development meetings for applicants ready to submit for permitting for various projects within the city.
- Partnered with Fulton County Library at Wolf Creek to hold "Recommendation Meeting" for the Comprehensive Plan Update. Approximately 40 participants attended.
- Partnered with Fairfield Inn to hold the second "Recommendation Meeting" for the Comprehensive Plan Update. Approximately 30 participants attended.
- Held the City's 1st "Housing Roundtable" at the Economic Development Office. The discussion included representatives from the Atlanta Regional Commission, Compass, the KIND Team, and House ATL. The metrics from the City's Housing Assessment were discussed, and there was a specific focus on the future diversification of the City's housing stock.

- Participated in the Georgia Department of Transportation road safety audit of a portion of Roosevelt Highway to evaluate potential traffic improvements.

Goal 3

Enhance the City's Financial Stability and Economic Diversification

- Completed all City Council bus tours for all districts for visual recommendations for the Comprehensive Plan Update. Each Councilperson led the tour to highlight the strengths and weaknesses of their respective Districts.
- Held a stakeholder engagement meeting with representatives from the agricultural community for recommendations for the Comprehensive Plan Update.
- Facilitated the first meeting of the Impact Fee Advisory Committee. The committee comprises citizens appointed by the Council to review and recommend the imposition of development impact fees.

Goal 4

Strengthen and Expand Infrastructure to Support Sustainability

The following activity has taken place thus far in May 2025:

- 39 Business Licenses Issued
- 257 Residential Permits Issued
- 45 Commercial Permits Issued
- 3 Land Disturbance Permits Released
- 6 Pre-Conceptual Meetings
- 2 Pre-Development Meetings
- 215 Site Inspections Completed
- 30 Arborist Site Inspections

The Department of Cultural Affairs is dedicated to fostering a vibrant, inclusive, and dynamic cultural landscape in South Fulton. We aim to support and promote artistic expression, cultural diversity, and community engagement to enhance the quality of life for all residents.

Southwest Arts Center

Staffing: Currently hiring a Cultural Affairs Manager

June Event Attendance

Events	Event Type	Attendees
Election Day	Elections	223
Red Thread Exhibition	Reception	50
Summer Arts Youth Camp	Summer Camp	87
Total		360

While renovations are in full swing, the facility continues to host minimal events. The Studio Building had one exhibit, summer camps, and same-day elections.

Southwest Arts Center renovations:

Education:

With the conclusion of Spring Classes, the Cultural Affairs Department served 855 participants across its five core programs. The Healing Arts with 213 participants, followed by Dance (287), Visual Arts (183), Theatre (88), and Music (84). The June launch of the Summer

Programs	May Spring Classes	June Summer Youth Camp	YTD
Dance	287	57	617
Music	84	60	206
Theatre	88	57	209
Visual Arts	183	61	408
Healing Arts	213	0	417
Total	855	235	1857

Youth Arts Camp brought in 174 participants, with strong engagement in Dance (57), Music (60), Theatre (57), and Visual Arts (61). Year-to-date participation now stands at 1,857, reflecting steady community interest in arts programming and a successful transition into summer offerings.

Exhibitions:

Thursday, June 20th, we welcomed over 45 guests to the opening reception of *The Red Thread*, our annual Juneteenth exhibition. This year's show expanded beyond its traditional roots in quilting to include works from a diverse range of visual artists, all interpreting the theme of connection, memory, and cultural resilience through the symbolic imagery of a red "thread" connecting our stories across generations, through bloodlines, spiritual lineage, memory, struggle, and celebration.

Guests enjoyed powerful quilts from the SewJourners Quilter's Guild alongside mixed media works, paintings, and installations that reflected deeply personal and historical narratives. The evening was filled with meaningful conversations, community pride, and a shared recognition of the enduring threads that tie generations together.

Wolf Creek Amphitheater

Wolf Creek Amphitheater has successfully hosted five events this season, with ten additional performances scheduled through its conclusion. Despite being shortened due to inclement weather, the recent Juneteenth Festival was well-received by attendees and vendors, many of whom expressed satisfaction with their experience before the disruption.

Operations continue to be refined through inter-departmental coordination, and the team remains committed to the facility's ongoing maintenance, upkeep, and improvement. This includes performing necessary repairs and proactively addressing emerging issues to ensure a safe, welcoming, and well-maintained environment for guests and performers. Navigating this peak period, the focus will remain on balancing concert series preparation with responsive, high-quality facility management.

Public Art

Public Art assisted in coordinating the first meeting of the City of South Fulton Public Art Commission for 2025 on June 19th. Public Art will work closely with the Public Art Commission to schedule and document regular meetings and support potential events, workshops, and public art installations.

Public Art is acquiring \$83,000 worth of artwork on loan and for display in City Hall. The department continues to curate the rotation of art within City Hall and the Administration Building. The City of South Fulton's Call for Artists remains ongoing, with over 15 artists to support and develop the call this month.

Visual and Digital Media

The Visual and Digital Media Stream successfully broadcast the COSF Juneteenth Festival to the public for the first time. This achievement has greatly enhanced accessibility for audiences within our community and worldwide.

Significant upgrades were made to the City Hall control room, including a dedicated mini-PC for managing Voting, Clock, and Cue orders. The team also designated all video elements, such as intro videos, Zoom on source, and presentation graphics, to a separate device. This added flexibility to the control room's capabilities.

The online audience continues to grow steadily as the community discovers various ways to access vital information. This growth highlights the efforts of our city officials to ensure that South Fulton remains a city on the rise.

Initiatives

Theatre/Studio Building Renovations at Southwest Arts

Renovations have begun on the theatre building at Southwest Arts Center, with a planned completion in September. The upgrades will include updated bathrooms in the Studio building and a completed Black Box Theatre.

Art Acquisition

We are acquiring art to expand the City's collection and bringing in new pieces on loan to enhance our properties.

Outreach Expansion

Chalk the Block is scheduled for 2026, and the department is developing the first City of South Fulton storytelling festival.

Local Artist Engagement

Through the Call to Artists, we have identified local artists whose works will be used in the City's collection.

Grants

In collaboration with the Grants Team, we are applying for an NEA match grant to install a sculpture created by a city citizen at Southwest Arts Center.

Red Oak District – Summer Series Kickoff: "Soul in the Park"

Date: Friday, June 20

Location: Welcome All Park

Event Type: Community Engagement / Summer Series Launch

Event Overview:

The Red Oak District kicked off its Summer Series with "Soul in the Park," drawing over **150 residents** for an evening of music, food, and community connection.

Small Business Highlights:

Local Vendors Featured: 8 small businesses showcased their offerings, including hand-scooped ice cream, fresh-pressed juices, snacks, and savory bites.

- **Exposure & Revenue:** Vendors reported steady foot traffic and strong sales throughout the evening.
- **Business Visibility:** The event provided a valuable platform for entrepreneurs to connect with new customers in a high-traffic, family-friendly setting.

Entertainment & Engagement:

- **Live Performances:** **Anna Field and Planet Allstarz** energized the crowd.
- **Family Activities Zone:** Created a welcoming environment for all ages.

Impact:

The event fostered community connection, promoted local businesses, and provided a safe and vibrant environment for families to gather and celebrate.

Old National District – Summer Shop Local Campaign & Local 1st Milestone Celebration

Campaign Launch: June 2024

Initiative Type: Small Business Promotion / Community Engagement

Event Overview:

The Old National District officially launched its **Summer Shop Local Promotion** as part of the **Local 1st initiative**. The campaign aims to boost visibility and sales for local businesses throughout the summer by encouraging residents to shop, dine, and engage with entrepreneurs within their community.

Key Highlights:

- **Local 1st Business Directory:** The campaign spotlighted the newly expanded **Local 1st Business Directory**, which now features over **150 businesses** in and around the Old National District.
- **Local 1st Giveaway:** As part of the promotion, a community-wide **Local 1st Giveaway** was launched, offering prizes to shoppers who supported the participating businesses.
- **1K Celebration:** The campaign proudly surpassed **1,000 directory visits** since launch, marking a significant milestone in digital engagement and community buy-in.

Impact:

- **Increased Traffic:** Business owners reported increased foot traffic and sales tied to the campaign's promotional efforts.
- **Community Engagement:** Social media engagement and local participation grew significantly, reinforcing neighborhood pride and the importance of supporting local commerce.
- **Business Visibility:** The directory and giveaway gave dozens of businesses direct marketing exposure, helping to sustain economic momentum in the corridor.

C.O.R.E. Alliance Advisory Board Report

Date: Wednesday, June 25, 2025

Location: Economic Development Office

The C.O.R.E. Alliance Advisory Board convened on Wednesday, June 25, 2025, to conduct official business and establish leadership for the upcoming year. During the meeting, the newly seated board successfully completed the election of staggered member terms and appointed new officers.

Board Structure Updates:

- **Board Terms:** Members were assigned one-year, two-year, and three-year terms to ensure continuity and rotation moving forward.
- **Officer Elections:** The board unanimously elected new officers to serve for the 2025–2027 term, demonstrating a strong foundation for leadership and collaboration.

This marked a significant step in formalizing board governance and aligning members with the organization's mission to support economic growth and community revitalization efforts.

Next Steps:

The next board meeting will review the C.O.R.E. Alliance Action Plan for **Q3 and Q4**, including updates on small business support initiatives, community programming, and economic development goals for the remainder of the year.

ARPA Façade Grant Program - Status Update as of June 30, 2025

The ARPA Façade Grant Program continues to make a meaningful visual and economic impact throughout both districts, supporting storefront upgrades and advancing the City of South Fulton's commercial revitalization goals.

Program-to-Date Highlights:

- **Total Funds Disbursed:** \$122,687.38
- **Remaining Funds Available:** \$49,368.55

Completed Improvements Include:

- Installation of new business signage
- Addition of awning structures for weather protection and brand visibility
- Replacement of exterior doors
- Parking lot repainting and striping for enhanced customer access
- Landscaping upgrades to improve curb appeal
- Window enhancements with custom graphics for branding and visual interest

Enhance Government Efficiency & Productivity

Throughout June, the South Fulton Fire Rescue Department has been dedicated to enhancing government efficiency and productivity by streamlining operations through standardized procedures, leveraging technology, and conducting proactive fire prevention outreach.

The department hosted the EMS Task Force Pediatric Training from June 3rd to June 5th, 2025. This training further enhanced the preparedness and capabilities of emergency medical personnel to serve the community's youngest residents. The department can demonstrate its commitment to providing high-quality care for all age groups by equipping responders with advanced pediatric protocols and scenario-based training.

On June 27th, the department will hold a meeting of the Strategic Planning Committee to review its strategic plan once again. This ongoing assessment ensures the plan stays aligned with departmental goals, operational needs, and community priorities.

Performance data is essential for guiding decision-making as part of these efforts. The chart below shows the average response time per station from June 1–22, 2025, providing a clear snapshot of the department's productivity. This data reflects operational efficiency and supports ongoing improvements in emergency response across the City of South Fulton. Station 11 recorded the shortest response time at 12 minutes and 9 seconds. The overall average response time for this period is 15 minutes.

Total num

0

GOAL 2

Increase Community Collaboration and Improve Quality of Life.

With summer in full swing, the South Fulton Fire Rescue Department geared up for Camp E.M.B.E.R.S., a weeklong initiative led by Firefighter (FF) Shameka Rhodes. Held from June 9th to June 13th, 2025, the camp provided teen girls with hands-on exposure to careers in public safety. FF Rhodes and various department members dedicated their time and expertise to inspiring and educating the next generation of public safety professionals.

On Saturday, June 14, 2025, South Fulton Fire Rescue Department members also assisted with the Juneteenth Celebration at Wolf Creek. Later in the month, on Friday, June 20th, the department supported the Soul at the Park event, continuing its commitment to community engagement and public safety at large-scale gatherings.

GOAL 3

Enhance the City's Financial Stability and Economic Diversification through Strategic Leadership and Community Partnership

The fire department enhances the city's financial stability and economic diversification through strategic leadership and strong community partnerships by promoting public safety, reducing risks, and supporting business continuity. The department manages resources and personnel to support a safer, more resilient community attractive to residents and businesses. The department's recent activity and performance metrics reflect this commitment to safety and operational efficiency.

The following data reflects the period of June 1, 2025, to June 22, 2025. There have been 88 fire inspections and a total of 1,410 incidents. Fire investigators have completed 1 investigation in June thus far. Approximately 49.65% of calls responded to pertain to Rescue & Emergency.

GOAL 4

Strengthen and Expand Infrastructure to Support Sustainability

The Fire Department continues to make progress on the fire headquarters project. On Monday, June 16 and Wednesday, June 18, Chief Jones took part in the Evaluation Committee Interviews for the Fire Headquarters. Regarding Fire Station No. 6, work resumed in the first week of June and is on schedule with a planned completion date of August 1.

**District Information: District 1****Council Person: Catherine Rowell**

- Southwest Arts Center (SWAC): Permit issuance was confirmed on June 25. Selective demolition began on the theatre building. The finish selections were reviewed and approved. Vendor packages and POs were issued for various furniture and fixtures suppliers.
- Sandtown Park: The painting of Pavilions 1 and 2 and the gazebo is complete. Fence installation has been completed. The design of the skybox has commenced and is ongoing.
- City Hall: The EV chargers have been installed and await power distribution boxes from GA Power.
- The City's Mechanical contractor performed assessments and preventative maintenance on all rooftop units and completed repairs on one of the units. The elevated humidity levels are likely caused by an opening in the wall separating CH from the adjoining warehouse. General Services will be soliciting estimates from insulation contractors to close this opening.

District Information: District 2**Council Person: Carmalitha Gumbs**

- Fire Headquarters & Public Safety Training Complex: The Civil consultant has submitted the complete site design plans at 100%. The Land Disturbance and Arborist permits were submitted on June 16, and the erosion control permit was submitted on June 30. The site plans will be forwarded to the Georgia Soil and Water Commission for approval on July 2. RFP 25-01 evaluation interviews were held on June 16, and the Selection Committee completed the evaluation process on June 24. The recommended design builder will present to the City Council on July 8.
- Wolf Creek: Georgia Power requested that the location of EV chargers be relocated to the front of the parking lot.
- General Services is requesting quotes from qualified vendors for a fire alarm system assessment. LED bulbs are being replaced. All emergency lights have been updated and are now operational.
- Cliftondale Community Building: Conceptual designs were updated. New concepts were presented in advance of the July 15 community meeting. Interior square footage, trail layout, and site layout adjustments are in progress.
- Cliftondale Classroom Building: The construction documents are scheduled to be completed by July 11, 2025. The finish selections are being finalized.

District Information: District 3**Council Person: Helen Z. Willis**

- Welcome, All Community Building: The Pool Pak HVAC repairs, including the coil replacement, were completed as of June 22. The system has been confirmed to operate within the manufacturer's parameters, and environmental improvements have been observed. The GSD is assessing engineered solutions to support the work of the Pool Pak, as the leading cause of high humidity levels and water temperature in the pool is radiant heat from sun exposure through the skylight. The repairs to the elevator were completed. While operational, modernization of the elevator will begin after the execution of the contract between Schindler and the City.
- HVAC control upgrades are nearly done. Replacement quotes were obtained for AHU valves and PIU 13. The locker room repairs were completed. Additional work was requested for the locker platforms to improve the installation's aesthetics. Boiler water mixing valves were replaced. The PM submitted a new work proposal for additional renovations to the community building. The proposal is being reviewed by management.
- 4800 Campbell Welcome Center: The sewer easement survey was completed, and documentation is being drafted to obtain the easement. The site design and architectural revisions have advanced to the 95%-completion stage.

District Information: District 4**Council Person: Jaceey Sebastian**

- Fire Station #6: Occupants are scheduled to relocate to the new extension on July 8th. Following the relocation of fire personnel, the renovation of the existing building will commence. FD management has completed their punch list walk; GSD will conduct a walkthrough to prepare the final punch list. The renovations remain on schedule to be completed by August 22, 2025.
- Wilkerson Mill Park Mini Pitch Installation: The agreement has been executed, and installation from the National Soccer Foundation will begin in September.
- Cedar Grove Community Building: The schematic design process is ongoing.

District Information: District 5**Council Person: Keosha Bell**

- Burdette Gym: Planning continues for gym and park enhancements. The HUD Environmental reviews for the CDBG grant were completed.

District Information: District 6**Council Person: Natasha Williams-Brown**

- Creel Park: Interior furnishings were delivered and installed in mid-June. Pavilion woodwork touch-ups were completed. The electrical installation and activation of the LED monument sign were completed. The HUD Environmental reviews for the CDBG grant were completed.
- Old National Park: Trenching and conduit placement for the EV chargers were completed. Charger delivery and installation are scheduled for mid-July. The HUD Environmental reviews for the CDBG grant were completed.
- Fire Station #7: The land purchase has been completed. The design will use the standard Four Bay Fire Station template from Fire Station #10. Design work is scheduled to begin in October 2025.

District Information: District 7**Council Person: Linda Becquer Pritchett**

- Police Headquarters Complex: The Civil consultant has submitted the complete site design plans at 100%. The Land Disturbance and Arborist permits were submitted on June 16, and the erosion control permit was submitted on June 30. The site plans will be forwarded to the Georgia Soil and Water Commission for approval on July 2. RFP 25-02 evaluation interviews were held on June 16, and the Selection Committee completed the evaluation process on June 24. The recommended design builder will present to the City Council on July 8.
- 7335 Old National Hwy: Interior demolition pricing has been returned from standby contractors. Mold and abatement needs have been identified, and coordination with Health & Safety is ongoing.
- 2855 West Road (Passive Park): Design kickoff held, and the design work is ongoing.
- Fire Station #10: The site design is ongoing. The PO for the pre-engineered metal warehouse building was issued. The Geotechnical investigation has started.

Citywide & Cross-District Initiatives

- **Fleet Management**

- 87 SolarWinds work orders have been completed. Fuel usage is 3,500 gallons of diesel and 9,340 gallons of unleaded. Fleet maintenance software platforms have been evaluated, and a recommendation has been made to the City Manager and the IT Department.

Strategic Goals: 1, 4

- **Environmental Health, Safety & Compliance**

- Mold remediation is nearing completion. Demolition planning for 7335 Old National, 6161 Campbellton, and 2855 West Rd will be completed in early July. *Strategic Goals: 2, 4*

- **Sustainability Initiatives**

- EV charger installations are scheduled at 11 Georgia Power Make-Ready sites.
- Mapping for holiday lighting has been completed for all council districts. Coordination with the power companies is ongoing.
- LED audits for parks and fire stations are in progress.
- Plans for solar upgrades are in place for the Police and Fire HQs, Fire Station 6, Fire Station 10, and Fire Station 7.
- Camera systems are scoped for EV charger locations.

Strategic Goal: 4

The Grants Department is committed to pursuing funding opportunities to support South Fulton's infrastructure, programmatic, and operational needs and implementing and enhancing process improvements to streamline the grants management pre- and post-award cycle.

Strategic Plan Alignment:

- Goal 1: Enhance government efficiency and productivity
- Goal 3: Enhance the City's Financial Stability and Economic Diversification through Strategic Leadership and Community Partnership

Key Achievements

- Awarded the EPA Brownfields Assessment Grant for \$500,000
- Received notification that the following projects have been selected to move to the next phase of federal appropriation consideration:
 - Stormwater Improvement Project; and Safe Roads Initiative Team Project
- Submitted applications for the following grant opportunities in June 2025:
 - ICMA Economic Mobility & Opportunity Special Assistants Grant to support Workforce Development
 - U.S. DOT FY 25 Safe Streets and Roads for All Grant to fund a COSF Vision Zero Master Plan
 - GDOT 2025 Local Road Administration Funding for roadway resurfacing projects
- Finalized the Local Maintenance and Improvement Grant internal audit for Program Years 2020 – 2023

FY 25 Performance Metrics as of June 2025

- Number of Grant Applications Submitted: **17**
- Number of Grant Applications Under Development: **Four (4)**
- Number of Awarded Grants/Entitlement Funding Pending Funding Agreements: **Seven (7)**
 - *Total Pending Award Amount: \$6,688,539. Refer to Table 2 for a detailed breakdown.*
- Number of Active Grants in the Implementation Phase: **19**
 - *Active Grant Portfolio Remaining Budget \$15,494,865 (total project budget – expenditures) Refer to Table 3 for a detailed breakdown*

Active Grants Portfolio by Funding Type Breakdown (%)

GOAL 1

Enhance Government Efficiency and Productivity

Onboarded 24 full-time employees in June.

GOAL 2

Increase Community Collaboration and Improve Quality of Life

Men's Health Awareness Lunch and Learn.

GOAL 1: Invest in Building Strong Teams. Foster a cohesive, servant-leader environment of trust and collaboration; adhere to a shared vision while upholding the highest standards of professionalism.

GOAL 3: Increase Community Collaboration and Enhance Quality of Life. Strengthen relationships with our county and state legislators and neighboring municipalities to support the City of South Fulton in adopting a regional approach to services. Initiate programs and implement changes to improve our quality of life, including public safety.

Event: Father's Day Bingo
Date: June 7th, 2025

- **Location:** Burdett Park
- **Attendance:** Approximately 150 participants.
- Father's Day Bingo successfully brought together community members for an enjoyable and festive evening. Participants connected over dinner, music, and games, fostering a sense of belonging and social cohesion.

- **Location:** Sandtown Park, Burdett Park, Welcome All Park
- **Attendance:** Approximately 250 participants.
- Camps offer various games, sports, and activities for kids aged 6-12. Offers joint educational programs and hosts enrichment events with libraries and schools. Fire and Police are invited for safety discussions and to educate kids on community roles.

Event: Spectrum Explorers Autism Camp
Dates: June 2nd – June 13th, 2025
June 30th – July 11th, 2025

- **Location:** Chattahoochee Hills Elementary School
- **Attendance:** Approximately 25 participants.
- Autism summer camp offers benefits tailored to the unique needs of autistic children. These benefits include a safe environment to explore, social skill development, routine structure, skill building, and inclusion.

Event: Turham Tennis Tournament
Date: June 13th – 15th, 2025

- **Location:** South Fulton Tennis Center
- **Attendance:** Approximately 600 participants inside and outside the State, including athletes, families, and community members.
- A USTA Level 4 tournament is a section-level event for more serious players aged 18 and under, attracting intermediate to advanced players. This tournament is designed to help players build their rankings for potential qualification into higher-level, national competitions.

Event: Basketball With A Purpose (BWAP) Championship Game
Date: June 20th, 2025

- **Location:** Burdett Park
- **Attendance:** Approximately 170 participants, including guests.
- The Championship Game is part of the Workforce Academy's broader mission to support underserved young adults by offering wrap-around services that enhance career readiness and reduce street involvement. Players received electrical certification and job placement assistance with "It's Electric", contributing to long-term financial stability and local Workforce Development.

Event: Atlanta Dream Free Basketball Tournament
Date: June 26th, 2025

- **Location:** Sandtown Park
- **Attendance:** Approximately 25 participants.
- The Atlanta Dream Professional Women's Basketball Team of the WNBA conducted a free clinic for girls aged 10-14. Besides learning fundamental skills, participants benefited by connecting with positive role models, building confidence, developing leadership skills, and walking away with exclusive Dream gear and prize giveaways.

Police Department

Goal 1

Enhance Government Efficiency and Productivity

The Police Department's Field Inspections and Accreditation Unit continues to develop and review policies following "best practices" to work more efficiently and effectively.

Goal 2

Enhance Community Collaboration and Boost Quality of Life

The Police Department engages in numerous community events and collaborates with HOA's and local business groups to enhance quality of life. A few examples are listed below.

Goal 3

Enhance the City's Financial Stability and Economic Diversification

The South Fulton Police Department received the State of Georgia Public Safety & Community Violence Reduction Grant, which funds initiatives like gunshot detection, license plate reader cameras, and surveillance cameras. The department continues to use this grant to support public safety efforts, reduce crime, and boost the city's economic stability by creating a safer environment for residents and businesses.

Goal 4

Strengthen and Expand Infrastructure to Support Sustainability

The South Fulton Police Department collaborated with the city's Technology Department to upgrade its mobile data terminals and add connectivity to the mobile command vehicle. This enhancement enables real-time data sharing and communication during major incidents, natural disasters, or large-scale events, supporting more effective emergency response and management. The mobile command vehicle's connectivity also facilitates interagency coordination and situational awareness, improving public safety and community resilience.

Police Department Guiding Principles

SOUTH FULTON POLICE DEPARTMENT

"The South Fulton Police Department has been developed with 21st Century Policing Principles in mind. The Police Department will continue to evolve in this direction as staff seeks to create efficiencies through the use of technological advances"

Chief Keith Meadows
South Fulton Police Department

21st Century Policing Pillars

1. Building Trust & Legitimacy
2. Policy & Oversight
3. Technology & Social Media
4. Community Policing & Crime Reduction
5. Training & Education
6. Officer Wellness & Safety

 Slow Your Roll Campaign

The South Fulton Police Department is keeping the momentum going with our 'Slow Your Roll' initiative! Over the next several months, our officers will be laser-focused on addressing speeding and enhancing road safety across South Fulton.

We're working to make our roads safer for everyone through strategic enforcement measures and community engagement. To do our part, drive responsibly and remember - Slow Your Roll!

Pride Month

We proudly stand with our LGBTQ+ community in celebrating love, identity, and inclusion. At SFPD, we believe everyone deserves to live and love with dignity and pride — today and every day. We're building a safer, stronger, and more inclusive South Fulton for all.

Swearing-In Ceremony

We welcomed new officers into our law enforcement family during a heartfelt Swearing-In Ceremony in June. Surrounded by proud family, friends, and fellow officers, these brave men and women took their solemn oath to serve and protect our community with integrity, courage, and commitment. Chief Keith Meadows led the ceremony, highlighting the dedication and character it takes to wear the badge.

Rick Ross Car & Bike Show Old National Corridor Detail

Led by Incident Commander, Captain Nic Williams, the detail brought together officers, traffic/crowd control units, emergency personnel, and support teams to align on operational, logistics, and intelligence plans in response to the Rick Ross Car & Bike Show.

SFPD delivered a flawless operation with ZERO critical incidents, keeping the City of South Fulton safe and services uninterrupted!

Running 4 Heroes

On June 10th, the South Fulton Police Department was moved and inspired by the powerful gesture of Youth Runner Andrew, who completed a one-mile run in honor of our fallen hero, Captain Helio Garcia III.

With every stride, Andrew carried the spirit and memory of Captain Garcia, demonstrating the impact his service and sacrifice continue to have on our community, especially its youth. His dedication is a reminder that the legacy of our officers lives on in the next generation's hearts.

We sincerely thank Andrew and his family for this touching tribute. Your act of remembrance means the world to our department and to the memory of a great leader and friend.

Resolution Presented to Lt. Cook

The South Fulton Police Department was proud to honor one of our own at the "Honoring a Community Hero" event hosted by State Representative Lydia Glaize of District 67.

During this heartfelt ceremony, Lieutenant Cook was recognized for his outstanding dedication and service to the community. He was presented with a commendation from Governor Brian Kemp and a formal resolution by Representative Lydia Glaize, honoring his unwavering commitment to public safety and leadership within our city.

This event truly showcased Lt. Cook's impact on the lives he serves. We are very proud of his accomplishments and grateful for the ongoing support from our elected leaders and community partners.

Please join us in congratulating Lt. Cook on this well-deserved honor!

Congratulations to our Graduates

Please join us in congratulating Cpl. F. Grant and Sgt. K. Turner on successfully completing the FBI-LEEDA Trilogy and earning their Trilogy Awards!

The Trilogy Award is a prestigious honor awarded for completing FBI-LEEDA's Supervisor Leadership Institute, Command Leadership Institute, and Executive Leadership Institute. These intensive programs are designed to develop strong, effective leaders at all levels of law enforcement.

Their dedication to professional growth and leadership excellence reflects the high standards of the South Fulton Police Department and our commitment to serving our community with integrity and purpose.

New Episode of Chief's Corner!

In this powerful installment, the Chief explains the three key traits that shape strong and effective leadership within our Command Staff: hunger, humility, and smart.

Whether climbing the ranks or growing in any field, these principles are essential for success and service. Tune in and take notes — leadership starts from within!

<https://www.facebook.com/share/v/1C5S2L9VRe/?mibextid=wwXIfr>

HUMILITY IS THE OPPOSITE OF ARROGANCE OR PRIDE.
IT INVOLVES RECOGNIZING ONE'S LIMITATIONS AND IMPERFECTIONS,
HAVING AN ACCURATE SELF-PERCEPTION,
AND FOCUSING ON OTHERS RATHER THAN ONESELF.

1. ITB 25-08: Flat Shoals Road ATMS – SU 700

This project involves upgrading traffic signals, including installing new mast arm poles, cabinets, detection systems, signal heads, back plates, pedestrian signals, and pavement markings at twelve intersections. Additionally, fiber communications will be installed along Flat Shoals Road, from Mallory Road to Old National Highway.

2. ITB 25-09: Old National Highway Sidewalks

This project is federally funded and must comply with all federal regulations. It includes a 2.6-mile sidewalk project that features a transit-oriented streetscape along both sides of Old National Highway (S.R. 279), starting at Flat Shoals Road and extending to Jonesboro Road. Proposed improvements include sidewalks that are 5 to 6 feet wide and a 2-foot stamped concrete strip installed behind the existing curb. Landscaping will also be added on both sides of Old National Highway. Signal upgrades will be made at the following intersections along Old National Highway: Bethsaida Road, Creel Road, Woodward Road, and McGhee Landing.

GOAL 1

Enhance Government Efficiency and Productivity

The Public Affairs Department is committed to creating efficient internal operations and systems to deliver high-quality municipal services. Our goal is to improve the quality of life for residents and businesses in the City of South Fulton by ensuring that our government functions smoothly and effectively, meeting the needs of our community with professionalism and excellence.

GOAL 2

Increase Community Collaboration and Improve Quality of Life

The Public Affairs Department is dedicated to strengthening relationships with our county and state legislators and surrounding municipalities to aid the City of South Fulton in taking a regional approach to services. Launch initiatives and create change to improve our quality of life, including public safety.

GOAL 3

Enhance the City's Financial Stability and Economic Diversification

The Public Affairs Department is committed to strengthening our financial infrastructure by building and diversifying revenue sources. The focus is on promoting a healthy and prosperous economy by supporting small businesses, entrepreneurs, tourism, and public-private partnerships. We are dedicated to defining and showcasing the unique identity of the City of South Fulton and effectively marketing it to stakeholders. Through strategic initiatives and collaborations, we aim to create a vibrant economic environment that benefits all members of our community.

GOAL 4

Strengthen and Expand Infrastructure to Support Sustainability

The Public Affairs Department is dedicated to strengthening relationships with our county, state legislators, and surrounding municipalities. By taking a regional approach to services, we aim to launch initiatives and drive changes that enhance the quality of life in the City of South Fulton, including improvements in public safety. Through collaboration and shared goals, we are committed to creating a safer, healthier, and more vibrant community for all current and future residents.

PUBLIC AFFAIRS – June 2025 Accomplishments

In June 2025, the Public Affairs Department made significant strides in advancing the City's strategic goals through impactful communications, community engagement, digital enhancements, and public outreach. Our efforts aligned with the City's strategic goals of government efficiency, community collaboration, economic diversification, and sustainable infrastructure. This summarizes the department's activities, key accomplishments, and performance metrics.

OFFICIAL PHOTO GALLERY

Events

- (16) events photographed this month
- (7) events photographed this month by Kasi
- Edited (9) events this month on behalf of vendor photographers

Photo Sessions

- (13) new employees photographed
- Photographed city acquisitions

Goal 1: Enhance Government Efficiency and Productivity

Website Updates & Digital Communication Improvements

- City Website Enhancements
 - Updated City Calendar with community and district-specific events.
 - Refreshed departmental pages (Police, Public Works, Procurement).
 - Uploaded the City Manager's Monthly Report.
 - Launched the **SOFU Case Studies Page** to highlight successful city initiatives.
 - Created a **Legal Notice page** on the CDRA section for better compliance and transparency.

Press Releases and Alerts Issued

- City Council Recess Announcement
- Juneteenth Solid Waste Collection Schedule
- Road Closure & Ribbon Cutting for Butner Rd at Union Rd
- Amnesty Week Media Advisory
- Municipal Court Clerks Week Recognition
- Data Center Town Hall feature stories

Internal Operations Support

- Provided photography and media coordination for internal and public meetings, including:
 - Public Works Information Open Houses (Oxford Rd, Jones Rd, Hall Rd, WEWATTA Street)
 - Budget Book (FY 2024-25)

Goal 2: Increase Community Collaboration and Improve Quality of Life

Community Events Supported

- Citywide & District Events
 - Supported 30+ events with logistics, coverage, or promotion, including:
 - Juneteenth

- Food Distribution (D1)
- Town Halls (D1, D3, D4, D6, D7)
- Slingfest (D4)
- Magnolia Club Senior Fair (D2)
- Soul at the Park
- Summer Series Events
- Cultural Affairs:
 - Chalk the Block
 - Soul Food & R&B Festival
 - Teen Empowerment
- Community Cleanups
- **Photography/Media Coverage Provided**
 - Camp Embers Fire Graduation
 - Coffee with a Cop (D6)
 - Farmers Markets (Old National, Fresh Market Thursdays)
 - Recycle & Shred Events (D5, D7)

Community Announcements & Engagement

- Red Oak Farmers Market
- Food Truck Series
- Wolf Creek Concert Series (ATL Rodeo, Southern Soul Fest)
- Summer Activity Lineup Press Coverage & Graphics Campaign

Goal 3: Enhance the City's Financial Stability and Economic Diversification Marketing & Promotional Efforts

- Featured local events and business initiatives to encourage tourism and local spending:
 - Red Oak Summer Series
 - D3 Young Boss Festival (entrepreneurial youth event)
 - Farmers Markets and Pop-Up Events across districts

Strategic Storytelling & Public Image

- Drafted "SOFU Success Stories" and FY 24-25 Budget Book features to highlight progress and transparency for city-wide beautification and litter control.
- Promoted EPA Brownfields Assessment Grant (\$500K awarded) to position the City as a forward-looking and environmentally responsible entity.

Top Social Media Content – Economic Development Focus

- **Construction Jobs Post:** [6,601 Views](#) (Facebook)
- **Billboard & "Clean SOFUSO" Campaign:** [2,244 Views](#) (Instagram)
- Grant features gained traction across LinkedIn, expanding professional and stakeholder reach.

Goal 4: Strengthen and Expand Infrastructure to Support Sustainability

Public Works & Environmental Messaging

- Promoted and staffed (photography) multiple Public Works Information Open Houses (Oxford, Hall, Jones, WEWATTA St.)
- Shared solid waste updates for Juneteenth closure/delays as a pop-up on the website
- Supported D1 & D6 Food Distribution events
- Recycle & Shred Event in D7
- Road Reopening Alerts (Rivertown Road) and temporary closure notices

Infrastructure-Related Communications

- **Butner Road & Union Road Roundabout Ribbon Cutting**
 - Covered ceremony, posted social graphics, and ensured media attention.
- Developed cohesive messaging for upcoming infrastructure projects and service interruptions.

Performance Metrics & Analytics – Social Media Overview (June 2025)

The Public Affairs Department effectively used media, community engagement, and strategic storytelling to advance the City of South Fulton's priorities in June 2025. All initiatives are closely linked to strategic pillars, positioning the City for inclusive, informed, and forward-looking growth.

We will continue refining our digital platforms, expanding partnerships, and launching targeted campaigns to build community trust, transparency, and economic opportunity.

The following is the end-of-June 2025 Transportation Update Report. The (*) mark indicates updated information from the May 2025 report. This report overviews sixty-two (62) projects for the City of South Fulton. The report will detail projects in TSPLOST I, TSPLOST II, Capital Improvement, State, and Federal funding within Public Works in the following stages:

- | | |
|------------------------|------------------------------------|
| 1. Planning: | Three (3) total projects. |
| 2. Design: | *Thirty-three (33) total projects. |
| 3. ITB/ Out-to-Bid: | *Four (4) total projects. |
| 4. Under Construction: | Thirteen (13) total projects. |
| 5. Completed: | Nine (9) total projects. |

1. Planning Phase (3 projects) Projects in this phase have defined scopes and cost estimates. However, they still require evaluation by a design engineering firm. Once design consultants are assigned, project estimates and a schedule will be provided.

- **TSPLOST II Projects (3)**

- **PBI-906.** Welcome All Rd sidewalks (1.5 miles) from Roosevelt Hwy to Will Lee Rd. Design quotes have been evaluated, and a design firm is anticipated to be awarded in June 2025. *Design engineering is anticipated to start in July 2025. The estimated total cost is \$3.7 million, with the construction phase funding of \$3,267,384 deferred to future funding.
- **PBI-911.** Merk Rd sidewalks (1.25 miles) from Camp Creek Parkway to Aldredge Rd. Design quotes have been evaluated, and a design firm is anticipated to be awarded in June 2025. *Design engineering is anticipated to start in July 2025. The estimated total cost is \$4.2 million, with the construction phase funding of \$3,888,540 deferred to future funding.
- **PBI-910.** Fill in sidewalk gaps, approximately $\frac{3}{4}$ of a mile within the existing sidewalk network on Jerome Rd from Old Notional Hwy to Old Bill Cook Rd. Design quotes received have been evaluated, and a design firm is expected to be awarded soon. *Design engineering is anticipated to start in July 2025. The estimated total cost is \$1.8 million.

2. Design Phase (33 projects). Projects in this phase will transition to construction once the design is complete, the Right-Of-Way (ROW) plans have been certified, and the land parcels have been acquired. The cost estimates and project schedule are subject to change.

- **Capital Improvement Projects (CIP) (5)**

- The gravel road projects listed below are in preliminary design. Once the concept review plans are accepted and public input is evaluated, the design consultant will provide an updated schedule, cost estimates, and a ROW plan.
- **RG-160.** Two segments of Jones Rd need paving, and a culvert needs replacing. RSH, the design consultant, will assess necessary improvements at the 4-way stop at Hall Road, considering a planned GDOT roundabout at Campbellton-Fairburn Road (SR 92). Ten parcels are expected for acquisition. The design engineering cost is \$538,268, with construction estimated to begin in the Fall of 2026. The total estimated cost is \$13 million, with an estimated \$3.65 million in construction expenses funded by Union City via an Intergovernmental Agreement (IGA). *A public input open house (PIOH) occurred on June 12, 2025, where RSH provided drawings and discussed with Public Works staff, city leaders, community leaders, and citizens what improvements could be made in the area.
- **RG-164.** Oxford Rd is a half-mile unpaved residential street that functions as a cul-de-sac originating from West Stubbs Rd. ROW needs are currently being evaluated. Khafra Engineering serves as the design consultant. Preliminary design cost is \$149,277. Design completion is expected by the end of 2025, and construction is estimated to begin in Spring 2026. The concept report has been reviewed, *and a PIOH was held on June 10, 2025, where Khafra provided drawings and discussed potential improvements with Public Works staff, city leaders, community leaders, and local citizens. The estimated cost is \$5.6 million.
- **RG-163.** Thames Rd, a 1600-ft gravel road, will have a complete street design, including sidewalks, implemented at the intersection with Butner Rd. ROW needs are being evaluated. Khafra Engineering is the design consultant for \$158,886. Design completion is expected by the end of 2025, with construction estimated to commence in Spring 2026. *The concept report has been reviewed, and a PIOH was held on May 29, 2025, where Khafra provided drawings and discussed potential improvements with Public Works staff, city leaders, community leaders, and local citizens. The estimated cost is \$5.3 million.
- **RG-162.** Rocky Head Rd. A 900-ft. unpaved residential street connecting Owl Rock Rd. and Union Rd. ROW needs are being evaluated. Khafra Engineering is the design consultant for \$110,134, with design completion by the end of 2025. The concept report has been reviewed, and a PIOH was held on May 29, 2025, where Khafra Engineering provided drawings and discussed potential improvements with Public Works staff, city leaders, community leaders, and local citizens. Construction is estimated to start in Spring 2026. The estimated cost is \$3.7 million.

- **RG-161.** Hall Rd. A one-mile unpaved road will be paved, have sidewalks, and other improvements. The existing bridge over Line Creek may need to be replaced. Moreover, the intersections with Jones Rd and Ridge Rd will require enhancements. Another segment, approximately 1.75 miles long, is currently paved but needs the addition of sidewalks and other essential upgrades. ROW needs are being assessed. RSH is the design consultant for \$711,960, with completion expected by Summer 2026 and construction to start by Fall 2026. The concept report has been reviewed, and *PIOH occurred on June 11, 2025, where RSH provided drawings and discussed potential improvements with Public Works staff, city leaders, community leaders, and local citizens. The estimated cost is \$15.9 million.

- **Federal/State Projects (5)**

- **PI0019647.** This GDOT-managed project will enhance the intersection of SR 70 and Fulton Industrial Blvd at Westpark Place. The aim is to improve sight distance for motorists in the turning lanes by offsetting the left-turn lanes on Fulton Industrial Blvd. A Restricted Crossing U-turn (RCUT) intersection will also be implemented to alleviate congestion and reduce accidents from Westpark Place. The estimated cost is \$2.6 million, with construction projected to start in early 2027. *The project spans 1900 feet and is in preliminary design, with GDOT anticipating acquiring four parcels during the ROW phase.
- **PI0019841.** This GDOT-managed project will improve Jonesboro Rd at Bethsaida Rd intersection. The aim is to install a multi-lane roundabout. According to GDOT, this safety project is estimated to cost \$5.6 million, with construction estimated to start in Spring 2027. The project is 1584 feet long. *GDOT estimates four parcels along Jonesboro Rd need to be acquired *and is in preliminary design. *The PIOH meeting was held at the end of March 2025, and the input has been evaluated. *Construction projected to start in Spring 2027.
- **T-281.** The improvements to the Fulton Industrial Blvd sidewalks between Lakeview Court and Westpark, as well as the improvements to the Fulton Industrial Blvd at Cascade Rd intersection, will be included as one project for construction. All agreements between the City and GDOT are in place, and the City has approved the Concept reports. Both projects are part of the Fulton Industrial Community Improvement District (FICID). Projects will be let for construction through the FICID; South Fulton is listed as the local Municipality and funded through the ARC's Last Mile Connectivity Program. *The estimated total cost from GDOT is \$9.2 million, with \$1 million coming from local funds. Kimley-Horn & Associates, Inc. is the Project Engineer (PE). The design is estimated to be completed by November 2025, with construction scheduled to begin in June 2026 and is expected to take approximately one year to complete.

- **OSI-605.** SR 92 @ Jones Rd and SR 92 @ Demooney Rd intersections improvements, including installing two roundabouts. The total project length is 4040 feet, and it will be managed and funded under GDOT's safety program. Short-term and intermediate-term solutions have been developed to address safety and operational concerns, including clearing vegetation and implementing temporary traffic signals. There may be some lane closures during the project. The design is estimated to be completed by 2026, with the construction expected to start by *early 2027. The estimated cost is \$11 million, with \$52,250 allocated from TSPLOST I Funds. AECOM is the PE. There are *twenty-one parcels estimated by GDOT to be acquired.
- **B-502.** Bethsaida Rd over Morning Creek Bridge will be replaced, and sidewalks will be added. The project length is a quarter of a mile. GDOT will manage and fund this project under its Local Bridge Replacement Program. According to GDOT, the project is in final design, and the construction let date is *August 2025. The estimated cost is \$5.1 million, with the city funding \$50k towards ROW acquisition. CHA Consulting is the PE. There will be a detour during the bridge construction. Sixteen parcels are to be acquired.
- **TSPPOST II Projects (16).** The City Council approved several design consulting firms for standby design engineering services. The following projects were awarded. Project cost estimates and schedules have been updated and are subject to change.

<u>Project Name</u>	<u>Cost Est.</u>
T-288 (B-510). Stacks Rd Bridge Replacement over CSX Railroad. Design engineering was awarded to Atlas for \$240K and to* CSX Transportation for \$27,550 from the Public Works' General Fund, with an estimated completion date of Spring 2026. A PIOH was held on December 18 th , informing the public of traffic study findings. ROW plans are being developed, with an estimated construction date of early 2027.	\$5MM
OSI-631. Union Rd at Thames Rd intersection improvements will include a roundabout, sidewalks, and streetlights. The design was awarded to AEI, with design completion in early 2026. Eleven parcels are estimated to be acquired. The design cost is \$194,700. A PIOH was held on December 16 th to inform the public of the findings of the traffic study. The estimated start of construction date is late 2026.	\$1.1MM
OSI-629. Ono Rd/Hobgood Rd at Rivertown Rd intersection improvement, including a roundabout, sidewalks, and streetlights. Design, for \$258,060, was awarded to AEI, with design completion in Spring 2026. *Preliminary plans were submitted to the city for review on June 11, 2025. Eighteen parcels are estimated to be acquired. Construction is estimated to start in 2027.	*\$4MM
OSI-628. Old Fairburn Rd at Thaxton Rd intersection improvement will include a roundabout, sidewalks, and streetlights. ROW plans are being developed. The design, awarded to Khafra for *\$196,625, is estimated to be completed in the fall of 2026, with an estimated construction start date in the spring of 2027.	*\$4.3MM

OSI-622. Butner Rd at Aldredge Rd intersection improvements, including roundabout alternatives, sidewalks, and streetlights. *ROW plans are being developed. The design, awarded to Khafra for *\$196,965, is estimated to be completed in Fall 2026, with an estimated construction start date in early 2027.	*\$3.1MM
OSI-600. Bethsaida Rd at Creel Rd/West Rd intersection improvements, including roundabout alternatives, sidewalks, and streetlights. The design, awarded to AEI for \$237,160, is estimated to be completed by the end of 2025, with an estimated construction date in 2028. *A PIOH is planned for July 10, 2025.	\$3MM
OSI-623. Bethlehem Rd at Cedar Grove Rd intersection improvements, including roundabout alternatives, sidewalks, and streetlights. *The design, for \$189,750, was awarded to Khafra and is estimated to be completed in Fall 2026, with an estimated construction start date of early 2027. Two parcels are estimated to be acquired.	\$2.7MM
OSI-620. Aldredge Rd at Merk Rd intersection improvements, including a roundabout, sidewalks, and streetlights. The design was awarded to AEI for \$248,160, with completion by November 2025. Ten parcels are to be acquired. A PIOH was held on December 16 th to inform the public of the findings of the traffic study. Anticipated construction to start in Fall 2026.	\$1.9MM
PBI-914. Fill in sidewalk gaps within the existing sidewalk network on Union Rd from Campbellton Rd to Vandiver Rd. The design was awarded to Khafra. ROW plans are being developed. Estimated Design completion by early 2026. The design cost estimate is \$398,280. Anticipated construction to start in early 2027.	\$5.2MM
B-508. Koweta Rd Bridge Over Deep Creek Replacement. AEI is the design consultant for \$218,750. Estimated Design completion by early 2026. Anticipated construction to start in Fall 2026.	*\$3.2MM
B-505. Derrick Rd Bridge Over Deep Creek Tributary Replacement. AEI is the design consultant. Estimated Design completion by early 2026. The design cost estimate is \$218,750. Anticipated construction to start in Fall 2026.	\$2.9MM
PBI-908. Flat Shoals Rd sidewalks (2.5 miles) from Old National Hwy to Buffington Rd. RS&H is the design consultant for *\$451,385. The design is estimated to be completed by summer 2027, with an anticipated construction start in early 2028. The construction phase estimated cost of \$5,992,080 will be deferred to future funding.	\$6.5MM
PBI-903. Cascade Rd sidewalk (3 miles) from the City of Atlanta Limits to Fulton Industrial Blvd. RS&H is the design consultant for *\$581,035. The design is estimated to be completed by summer 2027, with anticipated construction start in early 2028. The construction phase estimated cost of \$6.1 million will be deferred to future funding.	\$6.8MM
PBI-902. Bethsaida Rd sidewalk (1.5 miles) from Old National Hwy to Nunn Woods Way. AEI/STV is the design consultant for \$431,749. Estimated design completion by the end of 2025, with construction to start in early 2026. *PIOH scheduled for July 10, 2025.	\$4.8MM

B-599. Oglesby Rd Bridge/Culvert over a tributary of Morning Creek is a quick-response bridge replacement project. This bridge will have accessibility throughout the project. AEI is the design consultant for \$202,917. Estimated Design completion by early 2026, with construction to start in early 2027.	\$2.3MM
T-270 (B-504). The Design Engineering for the Demooney Rd over Deep Creek Bridge Replacement, which features sidewalks on both sides, is complete. Long Engineering was the design consultant for \$284,625 from the *Public Works' General Fund. The project is in the ROW phase. Once the *two remaining parcels are acquired, the project will enter the Invitation To Bid (ITB) phase for construction. The estimated start date for construction is November 2025.	\$3.2MM

- **TSPLOST I Projects in the Design phase (7)**

<u>Project Name</u>	<u>Cost Est.</u>
OSI-619. The design of the Butner Rd at West Stubbs Rd intersection improvement to improve safety and capacity is underway by AEI for \$47,326.90, anticipated to be completed by Spring 2026. \$4.8 million of the total estimate is in the construction phase and will be deferred to future funding.	\$5.5MM
OSI-618. The design of the Welcome All Rd at Scarborough Rd intersection improvement, including a roundabout and sidewalks, has been completed by AEI for \$141,335. ROW acquisition phase with five of nine parcels acquired. Construction is estimated to start in early 2026.	\$2.9MM
OSI-616. The design of Stonewall Tell Rd at Jones Rd/Pittman Rd intersection improvement, which includes a roundabout and sidewalks, has been completed by AEI for \$131,445. ROW acquisition phase with four of nine parcels acquired. Construction is estimated to start in Spring 2026. \$1 million of the estimated total will be funded by Fund 212 (Camera Funds).	\$3.4MM
OSI-608. The design for the intersection improvement of Enon Rd at Stonewall Tell Rd, including a roundabout, streetlights, and sidewalks, *has been completed by Jacobs Engineering for \$133,814. *The ROW acquisition phase of seven parcels is underway, with construction estimated to start in Summer 2026. Construction phase funding of \$2.6 million is being moved to TSPLOST II funding.	\$2.9MM
OSI-607. The design of the Demooney Rd @ West Stubbs Rd intersection improvement, which includes a roundabout, streetlights, and sidewalks, *has been completed by Jacobs Engineering for \$139,679. *The ROW acquisition phase of seven parcels is underway, with three remaining. Construction is estimated to start in November 2025.	\$2.7MM
OSI-603. Butner Rd at Pittman Rd intersection improvement includes a roundabout, sidewalks, and streetlights. AEI is the design consultant for *\$143,672, with completion expected by the end of 2025. Construction is estimated to start in early 2027.	\$3.4MM

OSI-601 (B-500). Butner Rd at Camp Creek Parkway intersection improvement and bridge replacement, including sidewalks and trail path access. Both projects are scheduled to be advertised together for construction in July 2025. Atlas, the design engineer for the bridge replacement project, is in the* final design phase for \$177,346. The ROW acquisition phase has two parcels remaining to be acquired. AEI, the design firm for the intersection project, *has completed the design for \$81,500. The ROW phase is also complete. Construction is anticipated to start in *late August 2025.	\$7.6MM
---	----------------

3. Intent-To-Bid (ITB)/ Out-To-Bid *(4) Projects. Projects in this phase are either preparing to go through the bid process or are currently in the bid process. The next phase is the construction phase.

- **Federal Projects *(2)**

- ***T-265.** Sidewalks and landscaping will be installed on both sides of Old National Highway from Flat Shoals Rd to Jonesboro Rd, along with signal upgrades at Bethsaida Rd, Creel Rd, Woodward Rd, McGhee Landing, and Flat Shoals Rd. GDOT is currently in the final design review and approval phase. ROW certification and utility certification are nearing completion. Funding for this project is provided by the ARC's Last Mile Connectivity Program. The estimated cost is \$5.4 million, which includes \$1.6 million in local funding. Atlas is the design firm for this project, with a contract worth \$274,159. *The project was let for construction on June 13, 2025, with bids closing July 16, 2025. *The project will take a year to complete once the NTP is given to the City Council-approved construction vendor.
- **T-285.** An *elliptical roundabout will be built at the intersection of SR 92, Butner Rd, and Ridge Rd (1/2 mile), along with streetlights. *ROW phase complete. AECOM, the design engineering firm, has completed the design. *GDOT closed the bid on June 13, 2025. The total estimate is \$6.8 million. The project is estimated to take fifteen months to complete once construction begins.

- **TSPLOST I Projects (2)**

- **SU-700.** Flat Shoals Road Signal Upgrades and fiber communications from Mallory Rd to Old National Hwy design were *completed by Jacobs Engineering for \$341,597. *ROW phase complete. *The city advertised for construction on June 13, 2025, and bids are due by July 22, 2025. *Construction is estimated to begin once the Notice To Proceed (NTP) is granted to the City Council-awarded vendor. The estimated total cost is \$4.1 million, and it is anticipated to take approximately one year to complete.
- **OSI-617.** Welcome All Rd at Jaillette Rd intersection improvement, including sidewalks and streetlights, *was completed by Atlas for \$117,185. *ROW phase completed. Once final utility coordination with the City of Atlanta's Department of Watershed Management is done, the city will prepare the ITB for advertising. Construction is estimated to begin in Summer 2025, with an estimated cost of \$2.6 million.

4. Under Construction (13) Projects

- **Federal/State (7)**

- **T-277.** The Cochran Rd bridge over Camp Creek is being replaced. The bridge will have lighting, sidewalks, and new roadway approaches. This project is funded 80% by ARC and 20% by local funds. Southeastern Development, Inc. is the construction vendor for \$3,894,560.01, plus a 10% contingency, for a total construction cost of \$4,284,016.01. Construction is estimated to be completed by June 2026.
- **T-280.** Oakley Road over Broadanax Creek bridge replacement. This GDOT-managed project includes sidewalks on both sides. Williams Contracting Company, LLC has the contract at \$1,992,985.75. The project is funded through ARC's Roadway/ Bridge Upgrade program with a GDOT let. The total cost is \$3,292,985.75 million, with \$50K in local funding. *The detour starts on June 6, 2025, and the project's anticipated completion is by the end of 2025.
- **T-273.** Buffington Rd from Rock Quarry Rd to SR 14/US 29 is being upgraded. The bridge over South Fulton Parkway will be replaced. **T-272.** Additionally, Buffington Road, from Royal South Parkway to Rock Quarry Rd, is undergoing upgrades, including shoulder sidewalks and operational improvements at each intersection. Both projects are GDOT-managed. C.W. Matthews has been awarded both contracts, totaling \$42.5 million, with \$3.1 million in local funding allocated for utilities. The expected completion date for construction is November 2026. Utility relocation, storm drain installation, and retaining wall construction are ongoing. Throughout the construction process, temporary lane closures, traffic shifts, and detours may be implemented to ensure the safety of everyone in the area. However, no closures will occur from 6:00 a.m. to 9:30 a.m. and 4:00 p.m. to 6:00 p.m., Monday through Friday.
- **T-266.** The sidewalk project along New Hope Rd between Campbellton Rd and Danforth Rd will include a roundabout at Boat Rock Road. It is 80% funded through the ARC's Last Mile Connectivity Program and 20% funded locally. On March 19, 2024, DAF Concrete, Inc. was awarded a contract for \$3,301,268, plus a 10% contingency. NTP was given on November 21, 2024. The anticipated completion date according to GDOT is Spring 2026.
- **OSI-624.** Converting Roosevelt Highway at Washington Rd signalized T-intersection into a single-lane roundabout and other improvements. This is a GDOT-managed project. GDOT issued the NTP to Knight & Associates on November 30, 2023. The construction completion date is on track for September 30, 2025. According to GDOT, the total cost is \$6,774,387.63, plus \$684,300 in local funding for utilities.
- **PI0013809.** Bridge Replacement on SR 14/US 29 between Mallory Road and Welcome All Road over CSX Railroad, including sidewalks. The bridge will be constructed adjacent to the existing one to facilitate traffic flow. The project has a total project length of 0.417 miles. CMES, Inc. was awarded the contract for \$17,539,855. The NTP was issued on September 11, 2024, and is scheduled for completion by the end of September 2027.

- **Capital Improvement Projects (1)**

- **T-284.** The Kimberly Rd at Cascade Rd intersection improvement projects will include a new traffic signal, repaving, *upgrading the sidewalk, and intersection striping. DCBC, LLC was awarded the contract for \$621,957.80, plus a 10% contingency for a total award of \$684,153.58. The total project cost, including design, is \$740,553.58. The estimated completion date is June 16, 2025.

- **TSPLOST II Projects (3)**

- **TSPLOST II Resurfacing.** There were 63 resurfacing projects throughout the city in all seven districts. The 3-phase Resurfacing Contract, which included corridors, subdivisions, and toppings, was approved for ER Snell for \$21,726,739.66. The resurfacing project started in March 2024 and was completed by August 2024. The City Council amended the contract through a project funding adjustment and amendment action on May 13, 2025, to add funding of \$3,350,211.03 with a contingency of \$335,021, for a total amended amount of \$3,685,232.13. This action increased the total contract value not to exceed \$25,411,971.79. At the end of May 2025, the contractor was granted an NTP to finish repaving subdivisions from the original 2024 resurfacing list.
- **T-271 (B-506).** Fairburn Rd upgrades from Cascade Rd to North Utoy Creek include sidewalks, replacements of the North and South Utoy Creek bridges, addition of turn lanes, and other improvements. SD and C, Inc. was awarded the contract for \$8,454,703.64, with a contingency of \$750,000. The total estimated cost is \$9,723,473. Utility relocation and bridge work are ongoing. The estimated completion date is May 2026.
- **RS-417.** Full-depth Reclamation (Pavement Rehab) of 11 locations in the Fulton Industrial Blvd area in District 1 for 2.7 miles. There will be deep base repair where needed, along with milling and resurfacing. Those roads are Frederick Ct, Waterfront Dr, Wharton Dr, Indeco Blvd., East Great Southwest Pkwy, Westgate Dr, Bucknell Ct, Villanova Dr, Loyola Dr, Fisk Dr, and Greensboro Dr. The project was awarded to Atlanta Paving and Concrete Contractors, Inc. for an amount not to exceed \$2,956,048.40, plus a 10% contingency, totaling \$3,251,653.24. Within this contracted amount is \$1.84 million in Local Maintenance and Improvement Grant (LMIG) funds. Purchase orders were prepared and an NTP was granted on November 14, 2024, for East Great Southwest Pkwy (completed) and Villanova Dr. (Completed). An NTP was also given at the end of May 2025 for the remaining nine locations. *Construction to be completed by November 14, 2025.

- **TSPLOST I Projects (2)**

- **OSI-613 (615).** Improvement of the Stonewall Tell Rd at Union Rd intersection, including streetlights, sidewalks, and a roundabout—also, the Old Fairburn Rd at Union Rd intersection improvement. Due to proximity, the projects were advertised as a single project for construction. The bid closed on September 24, 2024. The estimated cost was \$4.3 million. City Council awarded the contract to Summit Construction & Development. LLC at the

November 12, 2024, City Council meeting for \$3,493,926.51 plus a 10% contingency, and a Notice To Proceed (NTP) was given in January 2025. Construction is estimated to be completed by April 2026.

- **OSI-614.** Rivertown Rd at Cedar Grove Rd intersection improvement, including a sidewalk and a roundabout in District 4. It was approved for construction at the October 10, 2023, City Council meeting to CMC, Inc. for \$2,786,641.10. The total cost is \$2,932,191.10. The construction completion date is *July 2025, weather permitting. *Rivertown is now open.

5. Completed Projects (9)

- **City of Atlanta funded project (1)**

- **T-283.** A Culvert was replaced at the crossing of Loch Lomond Trail over Kimberly Creek. The City of Atlanta (COA) funded the installation of the culvert due to damage caused by a COA water main break.

- **Federal/State funded project (1)**

- **Stacks FDR.** Full-depth Reclamation of Stacks Rd from Feldwood Rd to 1,000 feet west of Mallory Rd in District 5, with widening, paving, and striping. The project was awarded to Atlanta Paving and Concrete Construction, Inc. in an amount not to exceed \$688,506.90 plus 10% contingency for a total of \$757,357.59. *The project closing cost was \$757,352 plus \$44,225 in CEI services. 2020 LMIG State Funds were used to fund this project. The project was completed on September 30, 2024.

- **TSPLOST 1 Project (5)**

- **OSI-604.** Improvements to the Campbellton Rd at Stonewall Tell Rd intersection, including sidewalks, turn lanes, four streetlights, and a new traffic signal in Districts 1 and 2. CMC, Inc. was awarded the contract for \$3,174,180. The total is \$3,361,538. Greystone Power activated the signal and turned the streetlights on; a new alignment of Stonewall Tell Road is now in place. The construction part of the project came in under budget at \$2,917,114.04.
- **B-501.** Enon Rd over Camp Creek Tributary bridge replacement and sidewalks in District 1 were approved for construction and awarded to Baldwin Paving Co., Inc. for \$1,814,805.02. NTP was issued on January 24, 2024. The total cost is \$2,137,978.02. A groundbreaking ceremony was held in April 2024, and a ribbon-cutting ceremony was held in February 2025. The new culvert has been installed and is open to traffic.
- **PBI-900.** Sidewalks and streetlights along both sides of Danforth Rd, extending from Cascade Rd to Rehoboth Circle in District 1, are complete. CMC, Inc. has the contract for \$1,394,740. The total cost is \$1,770,551 million. *Project completed on March 26, 2025.

- **P-901.** Enon Rd sidewalks, along with streetlights on both sides, from Lynarbor Ln to Sanford J. Jones Blvd will impact District 2. AEI is the Engineer of Record. The contract was awarded to DAF Concrete, Inc. for \$3,583,350 with a 10% contingency. The total estimated cost is \$4.2 million. NTP was granted on March 28, 2024. *The project is substantially complete as of March 27, 2025, with Public Works and the vendor working through the punch item list. Ribbon Cutting on April 17th, 2025.
- **OSI-602.** The Butner Rd at Union Rd intersection improvement project is* complete. It includes streetlights, a roundabout to address congestion and reduce the severity of accidents at this intersection, as well as sidewalks and other improvements that impact Districts 2 and 3. SD and C completed construction for \$3,813,696. NTP was issued on January 22, 2024. The total cost was \$4,065,625. *Ribbon Cutting held on June 18, 2025.
- **TSPLOST 2 Project (2)**
 - **RC-127.** The Gullatt Rd full-depth reclamation project occurred from the I-85 bridge to McClarin Rd, next to the railroad tracks just before Roosevelt Highway. Gullatt Rd is partially in the City of South Fulton and partially in the City of Fairburn. An IGA was signed between both cities. The City of Fairburn let the project for construction, which was awarded to Blount Construction. The City of South Fulton was responsible for 50% or \$337,306 of the construction cost (\$674,612) on the Gullatt Rd part of the project. The contractor must complete the work within 180 days of the July 8th, 2024, NTP by the City of Fairburn. The project was completed on November 15, 2024
 - **T-276 (B-503).** Cochran Rd Bridge over Deep Creek replacement project in Districts 2 and 4. BRTU was awarded the contract for \$3,895,677.40 on September 26, 2023. The culvert was installed by the end of 2024, and the total cost, including design, is \$4,171,626.

DEPARTMENT OF PUBLIC WORKS

Antonio M. Valenzuela, Director

Jim Martinez, Deputy Director

INTRODUCTION

The Public Works Department is pleased to release the Project Updates Report for the various divisions- Planning, Capital, TSPLOST, and Engineering, Construction Operations and Maintenance, Traffic Operations & Maintenance, and Solid Waste.

The report is a reference document for all active projects in the City of South Fulton that are in various stages of implementation that include procurement, design, right-of-way acquisition, construction, and maintenance. Also, it outlines other standalone activities/programs, i.e., streetlights, utilities, and traffic calming.

The document is broken into three sections as outlined below:

- SeeClickFix allows residents and business owners to provide City of South Fulton staff with pictures, specific descriptions, and other valuable information needed to get the job done efficiently.
- The Transportation Section contains information related to Construction Operations & Maintenance, Traffic Operations & Maintenance, and Utilities. A summary of the Capital Improvement (CIP) and TSPLOST projects is included; however, the factsheets are omitted from this report. Instead, the department launched a web-based real time project reporting tool using this [link](#) available on the Public Works homepage.
- The Solid Waste section updates the reader on the residential collection program in the city.

Noteworthy accomplishments

- Ribbon cutting for OSI 602 Buther Road at Union Road Roundabout was held June 18th.
- Sidewalk placement began on the T 266 New Hope Road project – Curb and Gutter placement continues.
- The T 284 Kimberly Road Signal project is at substantial completion pending striping at Danforth Road intersection and staging of new signal.
- Bid advertisement for the SU 700 Flat Shoals Road ATMS and T 265 Old National Highway Upgrades projects occurred.
- A July 10th public meeting is scheduled for the Bethsaida Rd Sidewalks and the Bethsaida Rd/ Creel Rd Intersection Improvement at the Love T. Nolan Elementary

SECTION I:

Finance

The Department is managed and operated through Local General Fund, T-SPLOST I&II, State and Federal funds. The administrative team is responsible for providing financial services support to ensure effective, efficient and accurate financial information is maintained for the Department. Performing this task in an effective and efficient manner will ensure that the department finances are accurate and up to date, assuring vendors and suppliers are paid within the established time limits.

In FY 2025, the total budget (Purchased Contracted Services, Supplies, and Capital outlays) for the department is \$64.7M. Solid Waste Division accounts for 15% of the budget. PO encumbrances and paid Invoices for the month of May are depicted below.

SECTION II:

SeeClickFix

City of South Fulton Public Works Department

SeeClickFix

The City of South Fulton (COSF) 311 platform provides City officials with a centralized issue management system to manage issues from creation to resolution, engaging City of South Fulton residents throughout the process. The COSF mobile app and web tools allow residents and business owners to provide City of South Fulton staff with pictures, specific descriptions, and other valuable information needed to do the job efficiently. In addition, residents may seek information about city services or report non-emergency incidents by calling the city's **24-hour 311 Call Center at (470) 552-4311**.

Summary of SCF Requests

SCF	June 2025	Year to date

Closed	356	2,582

Note: Category Others include Manhole Covers, Street Lights, Shoes hanging from power lines, and Street flooding

SECTION III:TRANSPORTATION

City of South Fulton Public Works Department

CAPITAL AND T-SPLOST TRANSPORTATION UPDATES

The City of South Fulton has a Capital and TSPLOST Program for implementing design projects that have been identified by City staff and stakeholders as a priority. Funding comes from the General Fund, TSPLOST sales tax collections and some Federal money.

TSPLOST-I program tax collections started in 2017 and ended in 2022, and TSPLOST-II program tax collections started in 2022 and will end in 2027. TSPLOST-I projects are being prioritized for completion and all TSPLOST-II projects will be in the concept or preliminary design stage.

The delivery of projects is centered around GDOT's Plan Development Process (PDP). This process typically consists of the four major phases: Design, Environmental Clearance, Right-of-Way (Services and Acquisition) and Construction (including CEI). Additional details of these phases are depicted below, which detail the project development process utilized by Public Works.

The plan development process, start to finish, is illustrated below:

TSPLOST I: Projects Moving Toward Construction

- SU-700 – Flat Shoals Road ATMS – The project is being advertised for a July 22nd letting after which an award will be made.
- OSI-617 – Welcome All at Jaillette Road – Pending final utility certification the city will prepare and advertise an ITB.
- B-500/OSI-601 Butner Road at Camp Creek (bridge replacement and intersection improvement) – Final design, utility coordination and ROW acquisition continue in advance of advertisement later this year.

Projects in Right-of-Way (ROW) Acquisition

- OSI-616 – Jones Road at Pittman Road/Stonewall Tell Road (TSPLOST-I) – Continuing in ROW Acquisition and final utility coordination before advertisement.
- OSI-618 – Welcome All Road at Scarborough Road/Jailette Road (TSPLOST-I) – Continuing in ROW Acquisition and final utility coordination before advertisement.
- T-270 – Demooney over Deep Creek (Capital Design/T-SPLOST-II Construction) – Continuing in ROW Acquisition before advertisement.
- OSI 607 – Demooney Road at West Stubbs Road (TSPLOST-I) – Continuing in ROW Acquisition and final utility coordination before advertisement.
- OSI 608 – Emon Road at Stonewall Tell Road (TSPLOST-I Design/T-SPLOST-II Construction) – Continuing in ROW Acquisition and final utility coordination before advertisement.

TSPLOST II: Projects in Concept/Design

Intersection Improvement Projects

- OSI-620 – Aldredge Road and Merk Road – Continuing work on preliminary design before a plan review.
- OSI-629 – Ono Road/Hobgood Road at Rivertown Road – Preliminary plans are under review.
- OSI-631 – Union Road and Thames Road – Continuing work on preliminary design before a plan review.
- OSI 600 – Bethsaida Road at Creel West – Will hold a July 10th public meeting. Design will be validated and authorized afterwards.
- OSI 622 – Bethlehem Road at Cedar Grove Road – Concept in further revision by the design consultant before alternative selection and public meeting.
- OSI 623 – Butner Road at Aldredge Road– Concept in further revision by the design consultant before alternative selection and public meeting.
- OSI 628 – Old Fairburn Road at Thaxton Road – Concept in further revision by the design consultant before alternative selection and public meeting.

Sidewalk Projects

- P-914 – Union Road – Continuing in Concept development. After a public meeting, design will be validated and authorized.
- P 902 – Bethsaida Road - Will hold a July 10th public meeting. Design will be validated and authorized afterwards.
- P 903 – Cascade Road – Continuing in the concept development phase.
- P 908 – Flat Shoals Road – Continuing in the concept development phase.

Bridge/Culvert Replacement Projects

- T-288 – Stacks Road over CSX RR – Continuing work on preliminary design before a plan review.
- B-505 – Derrick Road over Deep Creek Tributary – Concept design phase nearing completion for city review.
- B-508 – Koweta Road over Deep Creek - Concept design phase nearing completion for city review.
- B-599 – Oglesby Road over Morning Creek Tributary - Concept design phase nearing completion for city review.

Federally Funded Projects

- T-266 – New Hope Road Sidewalks – is in construction and a monthly report is included.
- T-277 – Cochran Road at Camp Creek (Bridge) – GDOT to award the NTP for construction. Expecting to have a groundbreaking ceremony following contractor mobilization.
- T-265 – Old National Highway Sidewalks – GDOT programmed Letting is June 2025; GDOT finalizing the authorizing of funds and the NTP to advertise for bids.

Gravel Road Projects

The department held a public meeting for the following projects.

- RG 160 – Jones Road – June 12th
- RG 161 – Hall Road – June 11th
- RG 162 – Rocky Head Road – May 29th
- RG 163 – Thames Road - May 29th
- RG 164 – Oxford Road – June 5th

Design will be validated and authorized afterwards.

Bridge Repairs and Maintenance

Work continues on three bridges from the 2021 GDOT bridge repair set. Two of these (Mallory and Cascade) are in coordination with the CSX railroad and are requiring extra days of CSX flagman coordination to complete. They are 90% complete. One bridge (Burdett) will require a partial wing wall repair that is nearing design completion. The 2023 GDOT bridge work started in March – 13 of 14 bridges are now complete. One bridge is waiting on a new guardrail installation.

GDOT Projects Within South Fulton

- PI0011845/OSI-624: SR 14 at Washington Road Roundabout construction continues with grading operations with a projected completion in late 2025.
- PI0013938 & PI0013939/T-272 & T-273: Buffington Road Projects - Contractor continues installing BMP's throughout project. Water Quality monitoring, Traffic Control & Erosion Control throughout project. Storm Drain installation in progress. Projected completion in the fall of 2026.
- PI0016605/B-502: Bethsaida Rd (CR 581) over Morning Creek – has a June 2025 Letting.
- PI0015593/T-285: SR 92 @ Butner Rd/Ridge Rd Roundabout – Has a June 2025 Letting, plans have been submitted.
- PI0015642/T-280: Oakley Road over Broadanax Creek – Bridge replacement - ROW issue has been resolved, and construction has been given notice to proceed pending completion of utility relocation. There is a planned detour July 7th until October 6th. Project completion date is December 31, 2025.
- PI0017398/OSI-605: SR 92 @ Jones Road/Demooney Road Roundabout – Design continuing following the PFPR that was held December 2024; ROW Authorization expected by January 2026. Let Date early 2027.
- PI0019647: FIB and Westpark – Median conversion and R-CUT Design underway. PFPR was held 4/21/25.
- PI0019841: SR 138 at Bethsaida Road – Concept is under development and a public meeting was held in March 2025. Letting is expected in 2027.
- PI0013809: SR 14 / US 29 @ CSX Bridge Replacement: Contractor has submitted a change order for additional work and disposal of UST's. Grading of slopes and storm drain work continues.
- PI0013724: SR 279 @ Jolly Road/ Sullivan Road Pedestrian improvements: Construction in the center lane is ongoing near Jolly Road including drainage work. Mill & inlay and construction of a raised median will follow.

Scope of Work Performed This Month

Work items performed between the monthly report dates detailed above:

- * Clearing and grubbing complete
- * Silt fence, check dams, and other Stage 1A erosion control completed
- * Cut trees removed from site

Progress and Schedule

The Physical Project Status is 23% completed as of the period ending date above.

The targeted Project Schedule Status was predicted to be 36% as of the period ending date above.

Scope of Work Planned For Next Month

- * Stage 1 grading for storm drainage, curb, and sidewalk installation
- * Erosion control 7 day inspection
- * Utility relocations

Scope of Work Performed This Month

Work items performed between the monthly report dates detailed above:

- * Stage 4 construction began
- * Curb and gutter installation completed on the east side of Rivertown Rd and Cedar Grove Rd
- * Asphalt base and binder completed on Rivertown Rd east.
- * Rivertown Rd opened to traffic 6/16. The roundabout is now fully open from all directions
- * Storm drainage installation continued

Progress and Schedule

The Physical Project Status is 96% completed as of the period ending date above.

The targeted Project Schedule Status was predicted to be 100% as of the period ending date above.

Project delays have been related to unforeseen utility delays related to water, cable, and power and obtaining easement from Fulton County on Parcel 2.

Scope of Work Planned For Next Month

- * Complete sidewalk installation
- * Install concrete medians
- * Final course asphalt placement throughout the project limits
- * Permanent striping and final grassing and stabilization

Scope of Work Performed This Month

Work Breakdown Structure (WBS) and performance report:

- SD&C and their sub-contractor T&J prepared to perform relocation water meters.
- SD&C and their sub-contractor T&J performed pothole and hydro-vac work for water meter relocation
- Erosion control and onsite maintenance performed by contractor

Progress and Schedule

- The Physical Project Status is 66% completed as of the period ending date above; Grading, Curb & Gutter, Sidewalk Installation, Traffic Signal Installation and Storm Drain Installation.
- GA Power utility poles relocate, 0% complete, AT&T and Comcast completion 0%.
- Project delays have been related to Georgia Power utility relocation, and street light poles relocations.
- Proposed 30 inch water main Bypass installation has been changed to a Jack and Bore method

Scope of Work Planned for Next Month

- Grading, Placing G.A.B and Continuing Constructing Sidewalk, Color Stamped Concrete Beauty Strip and Medians; Pavement widening from Station: 146+00 LT to 147+00 LT and 49+00 RT to 50+00 RT, 145+17RT to 145+60 RT, 50+81 to 51+40RT
- Relocate Fire Hydrant and Water Meters
- Relocation of Backflow Preventor at Walgreens.
- Water mains Bypass installation.
- Build a dam on South Utoy Creek.
- Relocate Georgia Power utilities
- Erosion Control

Progress Photos are attached on the following pages

Bypass Casing Fabricate

Pump set up to work

Meeting on-site with SD&C, T&J, City of Atlanta Watershed and Property Owner adjacent to Walgreens about water meter relocation/backflow

FIB FDR - ITB #24-16

SECTION IIIA: CONSTRUCTION OPERATIONS

Right of Way Maintenance is required to provide safe and multi-use roadsides. A well-maintained right of way promotes a positive quality of life and is integral to the other functions such as utility installations, vehicle emergencies and sign placements. Right of way Maintenance serves to maintain a safe zone adjacent to the road pavement, improves drainage of stormwater from the road surface, and creates an attractive vista along road corridors. Accomplishments this month include:

Number of Potholes Repaired: 45

SECTION IIIB: TRAFFIC OPERATIONS

City of South Fulton Public Works Department

TRAFFIC OPERATIONS

The Traffic Operations Crew is on constant patrol in the City of South Fulton to ensure that all signs and signals are clear to see and work properly. This consists of approximately 35,000 static signs, 69 Traffic Signals, 14 Traffic Beacons, 42 School Flashers and numerous Solar Flashing signs.

The following is what each category is used for and what they represent.

- **Traffic Operations - Other** is used for anything that doesn't fall into a specific category.
- **Sign – Other Sign Down/Missing** is used for missing signs, installing new signs, replacing or upgrading signs. If there are other signs on that post, the crew will clean them.
- **Sign – Long Term Repair** is used to keep a request open until the sign can be obtained and installed.
- **Sign – Preventative Maintenance** is used for the cleaning and straighting of signs.
- **Sign - Stop/Yield Sign Down/Missing** is used for responding to or finding STOP sign or YIELD sign that has been knocked down or missing. This category is responded to as an emergency.
- **Signal - In Flash or Dark** is used to let us know that the traffic signal is flashing all RED lights, or no lights are visible. This category is responded to as an emergency.
- **Signal - Other Issues** is used to let us know if there are any other problems with the Traffic Signal, this can include a LED bulb not working, if the crosswalk is being problematic, or the signal not changing.

This month, the Traffic Operations Department acquired 143 new requests and closed 141.

The following are 141 SeeClickFix items, along with Categories that Traffic Operations **responded to and completed** this past month.

Examples of work completed this past month are highlighted in Exhibit A.

SECTION IIIC: UTILITY PERMITS

UTILITY PERMITS

Purpose of utility permits is to help the City of South Fulton staff track and manage construction operations more efficiently. Each utility permit contains a unique reference number, special requirements before/ during operation, procedures, and contact information in case of emergencies. All this information is essential when dealing with construction operations in our Right of Way.

Permits	Locations	Scope of Work	Status
RWEP(25)-176	From the intersection of Jailette Rd & Welcome All Rd to 4675 Stonewall Tell Rd	Instead of turning off Welcome All Rd down Scarborough Rd, we would like to continue north on Jailette Rd turning down Pullen Ln, continuing on Diann Dr and Greentree Trail, then turning west on Old Fairburn Rd and continuing south on Union Rd and Stonewall Tell Rd ending at 4675 Stonewall Tell Rd.	Complete
RWEP(25)-177	Starting at 6380 Jones Road and extending east approximately 3,800' (0.72 miles) across Stonewall Tell Road to 4218 Pittman Road	Installing a new three phase, 25KV,1000 MCM underground primary distribution line along the edge of DOT Road Right-of-Way paralleling and crossing under Jones Road, Derrick Road and Stonewall Tell Road with the final destination at Pittman Road.	Complete
RWEP(25)-178	1845 Westgate Pkwy SW	Comcast is to pull 184' new 24ct fiber Through existing conduit within the Row of Westgate Pkwy SW to provide services.	Complete
RWEP(25)-179	6474 E Stubbs Rd Atlanta Ga 30349.	Run New Gas Service line to Residence	In progress
RWEP(25)-180	4762 Bakers Ferry Rd SW	Comcast is to build 195' New 0.25" strand & 0.625" Coax cable on existing GPC Poles within the row of boulder Park Dr SW to provide service to 4762 Bakers Ferry Rd SW -	Hasn't Started
RWEP(25)-181	5525 Westfield Dr	Comcast is to pull 5' new 24-count Fiber through existing conduit within the row of Westfield Dr to provide Service to 5525 Westfield Dr.	Complete
RWEP(25)-182	1072, 1074 & 1080 Lupo Loop Palmetto GA 30268	Run 3 Long side gas services to residential customers.	Complete

RWEP(25)-184	McLarin Rd; ~3419' northeast of Gullatt Rd CL	Open trench 922' and directional bore 685' of 4" MHP PLS gas main.	Complete

Permits	Locations	Scope of Work	Status
RWEP(25)-185	Great SW Pkwy SW, Atlanta, GA 30336; 100' northwest of Fulton Industrial Blvd SR70 CL.	Open trench and place ~70' of 4" MHP PLS gas main to relocate existing gas main due to retiring regulator station.	In Progress
RWEP(25)-186	Butner Road Over Camp Creek	Bridge Replacement	In Progress
RWEP(25)-187	400 Colgate Dr, Atlanta, GA 30336	Heaton Erecting, Inc. to place two AC Units onto the roof of the CKS Packaging building located at 400 Colgate Drive.	Complete
RWEP(25)-188	3250 Thicket Lane Atlanta, GA 30349	Install 1.25" plastic gas service to customer	Complete
RWEP(25)-189	Wewatta St @ Thaxton Rd	Installation of 1 automatic license plate reader camera. Fully solar powered and will be installed on a 12FT Flock pole.	Hasn't Started
RWEP(25)-190	180 Basie Ct, South Fulton, GA 30213	Directional Bore to install 3380ft of Greystone fiber. / Installation of new fiber pedestals.	In Progress
RWEP(25)-191	4762 Bakers Ferry Rd SW	Comcast is to riser down 25' from an existing GPC pole and excavate & install 120' new 0.625" ug coax cable to be pulled through new 2" conduit.	Hasn't Started
RWEP(25)-192	4850 Stonewall Tell Rd	Comcast is to excavate and install 32' new 24-count fiber to be pulled through new 2" conduit within the row of Scarborough Rd to provide service to 4850 Stonewall Tell Rd.	In Progress
RWEP(25)-193	5941 Clifftondale Dr, South Fulton, GA 30349	Directional bore to install 2-2" HDPE conduits and pull new 1-24CT Greystone fiber	In Progress
RWEP(25)-194	6884 Foxfire Pl, South Fulton, Ga 30349	Directional bore and trench install 2-2" HDPE conduits and pull new 1-24ct Greystone fiber.	Hasn't Started
RWEP(25)-195	6129 Old National Hwy	Gas leak discovered at the intersection of Flat Shoals RD @ Old National Hwy. This is the Chevron gas station.	Complete
RWEP(25)-196	5405 Milam Rd	Comcast is to excavate, bore and install 123' new 24ct ug fiber to be pulled through new 2" conduit within the row of Milam Rd to provide service to 5405 Milam Rd.	In Progress
RWEP(25)-197	4275 Shirley Dr SW	Comcast is to install 731' of new 24ct fiber through existing 2" conduit then excavate, & install 193' of new 24ct fiber through new 2" conduit then pull 5' new 24ct fiber through existing 4" conduit within the ROW of Shirley Dr NW to provide service to 4275 Shirley Dr SW.	Hasn't Started
RWEP(25)-198	3825 Gracious Dr, Atlanta, GA 30349	Directional bore to install 2-1.5" HDPE conduits and pull 1-24CT Greystone fiber optic cable.	Hasn't Started

SECTION IIID: STREETLIGHTS

City of South Fulton Public Works Department

STREETLIGHTS

The Streetlight Program is established to address the need for adequate illumination of public streets or roadways within the City of South Fulton. The goal is to aid in the safety and systematic movement of vehicular traffic within the public traveled roadway. Lighting on roadways is not provided for personal security, such as lighting of yards, driveways, or private property. In-house staff assesses requests from residents, conducts field visits and works with power companies to address inquiries for new lights, repairs, and upgrades.

Last year, Mayor and Council approved a resolution adopting the Streetlight Masterplan. The masterplan provides options for street and pedestrian light poles, styles, spacing, lighting technology and control, and appropriate lighting levels for various locations such as: state roads, arterials minor residential streets, major street corridors including those with existing and proposed bike lanes, controlled intersections, roundabouts, uncontrolled pedestrian crossings, transit station street areas, and parks.

Additionally, the city is looking at various alternatives to upgrade the infrastructure, including solar lights. The city has spoken with a vendor with a good experience in providing high-quality solar lighting solutions. Two TSPLOST projects where the city has investigated the possibility of solar lighting are the combined OSI 601/OSI615 Old Fairburn Road-Stonewall Tell Road at Union Road roundabouts projects for overhead lighting and the P 901 Enon Road Sidewalk project for pedestrian scale lighting. Procurement options include a monthly fee to the power company or a one-time upfront purchase and installation cost to consider for each. Time to break even on the investment is 8-10 years.

Lastly, the department is developing a priority list to install and/or upgrade streetlights on all corridors with proposed and existing sidewalks, State routes, and intersections. All sidewalk projects will also include pedestrian lights. Upon completion, staff will meet with the power companies to draft an implementation plan that will include costs and schedules.

Requests for streetlights- new and upgrades- received to date are detailed in Exhibit A. There is an ample number of streetlights proposed during the construction of our capital and TSPLOST projects. The estimated number of lights, by project id, are listed in Exhibit B.

SECTION IV:

SOLID WASTE COLLECTIONS

Solid Waste Group Purpose and Responsibilities

The City of South Fulton Solid Waste Group is responsible for managing and regulating solid waste services within the city limits. Solid Waste is supported through the Solid Waste Enterprise fund. Specific responsibilities include managing residential solid waste, residential bulk collections, commercial collections, convenience cans, education and outreach. The group also operates the Merk Miles Citizens Convenience Center. This report covers the period of May 26 through June 25.

Our recycling trial program was launched at Fire Station 11 June 24.

Residential Service

Residential service includes weekly garbage and monthly bulk collection activities. In June, all key categories for requests were up, including newly constructed homes and bulk requests. These requests show that new homes coming online remain strong and likely people are aware and know how to request Bulk Service.

Requests for Service				
Item	Apr	May	Jun	YTD
Back Door Service	4	4	9	26
Extra Cart Request	46	44	63	174
New Construction-Add New Service	41	41	55	215
Bulk Scheduled Service Requests	46	366	439	1074
Totals	137	455	566	1489

Source: TracEZ

Service Complaints

Service complaints were also up in June, especially Missed Curbside Garbage. This normally occurs during holidays. There were two federal holidays during this time.

Service Complaints				
Item	Apr	May	Jun	YTD
Missed Bulk	0	1	12	29
Damaged Cart - Repair or Replace	44	37	25	502
Missed Curbside Garbage	158	118	234	2227
Waste Administration - Spills / Litter	4	2	1	23
Totals	206	158	272	2781

Source: TracEZ

Deliveries and Maintenance

Deliveries and maintenance continue to grow. These activities are led by internal staff. Activities include servicing convenience cans throughout the city, maintaining the recycling program and the repair and replacement of carts.

Deliveries and Maintenance				
Item	Apr	May	Jun	YTD
New Construction Home Deliveries	41	41	55	137
Replaced Carts	52	37	25	114
Repaired Carts	44	37	25	106
Convenience Can Servicing	128	128	160	416
Recycling Container Service	0	0	3	3
Totals	265	243	268	1082

Source: Solid Waste Group

Merk Miles Citizens Convenience Center

The City of South Fulton operates the Merk Miles Citizens Convenience Center through a third party vendor. This facility accepts Municipal Solid Waste (MSW), Construction Debris (C&D) and recycling. Data is reported through May 2025. Recycling continues to grow. The total number of cars service remains flat but the amount per weight per vehicle continues to grow.

Merk Miles Recycling & Municipal Solid Waste Activity						
Recycling Activities	Jan	Feb	Mar	Apr	May	YTD
Total Number of Recyclers	552	594	810	797	1321	4,074
Recycling Collected (Tons)	8	18	44	38	16	123
MSW Collection Activities						
	Jan	Feb	Mar	Apr	May	YTD
Total Number of Vehicles Serviced	1578	1627	2201	2140	2289	9835
Total Solid Waste Collected (Tons)	196.30	229.07	295.72	277.90	279.00	1,278

Events and Activities in June

Education

The Solid Waste Department mailed 40,000 flyers to South Fulton residents with billing updates, bulk collection information, and the 123 easy steps for proper trash receptacle use.

Special Events

Solid Waste supported the District 5 Community Clean-Up on May 29th at Camelot. The next Paper Shredding/Recycling Event is with District 7 on July 26.

We are
**CONNECTING
EVERYONE
TO THE
CHATTAHOOCHEE**

THROUGH THE GENEROSITY OF OUR SUPPORTERS:

WE'VE COMPLETED OVER

5,000 projects
parks, trails, schoolyards,
and iconic outdoor places

GENERATED OVER

\$84B in public funding for
parks and access to
lands and waters

AND CREATED ACCESS TO OVER

3.7 million acres
of public land

Our History in Georgia

The BeltLine

Commissioned Alex Garvin's study and acquired \$47 million of land for new parks and trail to help create Atlanta's defining public space.

Chattahoochee River

Preserved 18,000 acres and 80 miles of riverfront along the Chattahoochee River.

MLK National Historic Park

TPL was instrumental in the creation of this National Historical Park preserving the legacy of a civil rights icon.

Cumberland Island

Acquired the first 2,200 acres to help create the Cumberland Island National Seashore.

THE CHATTAHOOCHEE RIVERLANDS

Chattahoochee Camp+Paddle Trail

- 48-Mile Chattahoochee Camp & Paddle Trail between City of Atlanta and Carroll County
- Two dedicated overnight camp sites with group camping and one stopover for three-night, four-day journey.
- Amenities: ADA accessible kayak launches or boat access, picnic shelter, primitive camp sites, trails, restrooms and showers, fire pit and grilling area, pedestrian circulation, parking
- Total Budget: \$5,312,000
 - GOSP Grant: \$2,138,000
 - Philanthropic Match \$3,174,000
- Partners:
 - Cities of Atlanta and Chattahoochee Hills, Fulton County and Carroll County
 - Georgia Rivers
 - Birds Georgia
 - Trees Atlanta
 - Chattahoochee Riverkeeper

Campbellton Park

What TPL Promised...

What TPL Delivered...

New RiverLands Park

Amenities

- New Park Entrance, Parking Lot, and River Access Road
- Picnic Pavilion with ADA Restrooms/Shower and Bottle Filler
- Patio with Seat Walls and Grill Area
- Natural Stone Grand Stair and Rock Scramble
- ADA Circulation – Hard and Soft Surface Trails
- Campsites and ADA Campsite
- ADA Kayak Launch & Kayak Rack
- Gathering Area/Overlook with Fire Pit
- Woodland Restoration

New RiverLands Park

What TPL Promised...

What TPL Delivered...

An aerial photograph of a river winding through a dense forest. The river is a vibrant blue, contrasting with the surrounding green and brown trees. The forest is a mix of evergreen and deciduous trees, with some bare branches visible. The river flows from the top right towards the bottom left of the frame.

Acquiring land for park development

Working with TPL

McIntosh Reserve Park & Trails Master Plan

South Fulton's Regional Riverfront Park

370+/- Acres & 2 miles of Riverfront

- Adjacent to the DNR Boat Ramp
- Ideal for trailhead + park amenities + trail connectivity
- Apx. \$15,000,000 to acquire *TBD by appraisal & due diligence
- TPL will provide acquisition & funding support
 - No cost for TPL's support
 - Georgia Outdoor Stewardship Program

What are we asking?

TPL's Commitment:

- Acquisition project management
- Funding support
- Public engagement
- Site development support
- Future Riverlands connectivity

South Fulton's Commitment:

- Own and operate the park
- Memorandum of Intent with TPL for project support
- \$5M allocated over 5 years for acquisition match funding
- Willing to develop site into regional riverfront park
