CITY MANAGER'S REPORT

PRESENTED BY:
SHARON D. SUBADAN
CITY MANAGER

**SEPTEMBER
2025**

Greetings, Honorable Mayor and City Council Members,

September has been marked by significant milestones for our city.

In addition to hosting a public safety facilities tour for residents in August, we held a Public Safety and Millage Rate Cap information and feedback session on Wednesday, September 3rd. Several residents and CoSF staff attended the event. Residents submitted comment cards, asked questions, and received feedback from the Mayor, City Council, City Manager, the city's financial advisor and bond counsel, as well as leaders in Public Safety.

I want to express my appreciation to our committed residents. Their engagement in the millage rate cap process was invaluable. Based on their feedback, we worked toward a balanced solution that reflects both fiscal responsibility and community priorities.

On September 4th, the Mayor and Council, along with city leaders, held a joint meeting with the South Fulton Development Authority to discuss development projects and opportunities for collaboration.

I extend my sincere gratitude to the Mayor and Council for your unanimous approval of the FY26 budget, totaling \$425 million—the largest in our city's history. This significant milestone reflects your steadfast leadership and commitment to advancing the community's priorities. This budget provides the necessary resources to complete key projects and advance our strategic objectives. I also want to recognize Chief Financial Officer Althea Philord-Bradley and her team for their exceptional leadership in guiding the budget process.

In other positive news, we successfully negotiated more affordable health insurance options for the organization, with no changes to plan design and no increase in employee contributions by moving to Anthem (Blue Cross/Blue Shield) Health under a self-insured medical, dental, and vision funding plan. This is a progressive step toward managing our future benefit plan costs. Additionally, AFLAC will offer voluntary benefits. There will be no change to life and disability coverage, which will remain with New York Life.

As the nation pays tribute to the bravery and sacrifice of the heroes of September 11, 2001, I would like to thank our Police and Fire personnel as they reflected during the "Beyond the Call of Duty 9/11 Remembrance Ceremony" honoring the lives lost in our community and nationwide.

In alignment with our strategic goal to **"Increase community collaboration and improve quality of life,"** I am pleased to share that Wilkerson Mill Park is now home to a new soccer mini-pitch, officially unveiled on Tuesday, September 16th. I want to acknowledge the U.S. Soccer Foundation, Genesis, and the MLS Players Association for their generous contributions that made this possible. This donation will create meaningful opportunities for children ages 5–14 in our community to engage in soccer and enjoy the benefits of active recreation. The ribbon-cutting ceremony was a well-deserved celebration, attended by community members, families, and children eager to participate in this exciting addition to the park.

On September 18th, it was an honor to join many city leaders, community members, and staff at the Azucar Gala hosted by the Mayor Pro Tem. Thank you for acknowledging Dr. Cooper and me and for providing attendees with an unforgettable Latino cultural experience.

During the fourth week of the month, I traveled to Washington, D.C., with the Council to advocate for our city's priorities and pursue federal funding to support ongoing strategic initiatives. The FY26 earmark requests focused on stormwater repair and replacement projects, traffic enforcement initiatives, and the scoping project for Riverside Drive widening.

On September 25th, ACM Cooper, ACM Davis, and I attended the Aerotropolis Honors. I was delighted to speak on behalf of the city during this momentous occasion honoring Dr. Stuart Gulley, former president of Woodward Academy.

Director Valenzuela, the GDOT District 7 Chief Engineer, Paul Denard, and I shared important updates and answered questions regarding upcoming infrastructure projects during the District 2 town hall meeting hosted on September 30th.

Please note that the City has received grant award disbursements totaling **\$5,296,072.70** through the State **Local Maintenance and Improvement Grant (LMIG)** and **Local Road Assistance (LRA)** programs for fiscal years **2024 and 2025**. These funds will be used for pavement projects that have been previously identified.

Thank you for trusting us to manage the city's affairs. Please accept this report of the city's September '25 results.

PURCHASING CARD, PROCUREMENT,
AND FINANCE CONCERNS

Purchasing Card Program Update – September '25

The City's Purchase Card (P-Card) program faces compliance challenges. Corrective actions are yielding improvement. The compliance rate for the P-Card program has shown fluctuations over recent months. Over the past five months, the average compliance rate was 79%. Our goal is to achieve a compliance rate of greater than 90%. The areas of most significant non-compliance last month were unclear and non-conclusive purchases at 6% (down from 7% in July) and a lack of proper documentation at 6% (up from 5%). The rate of inappropriate payment of sales tax dropped from 7% to 2% of transactions. Eliminating or substantially reducing non-compliance in these areas moves us closer to achieving that goal. We expect to see substantial decreases in these areas in the October report as we begin suspending the P-Cards of serial violators.

Compliance Overview

Month	Compliance Rate
April	80%
May	73%
June	84%
July	75%
August	81%

Corrective & Preventive Actions

To address these compliance challenges, staff have initiated the following corrective and preventive actions:

- Approver Model-- Department head approvals are fully operational. The Approver Model requires that a first approver review cardholders' P-Card transactions to ensure compliance with policies and legal requirements. The model provides dual accountability. The separation of duties provision prevents a single individual from approving and benefiting from a purchase, reducing conflicts of interest and increasing transparency.
- Weekly Notice List—The Procurement Director is notified each week of Cardholders missing receipts, late reconciliations, other specific outstanding items, and due dates. The director is reaching out to first-level approvers of lagging approvals to encourage timely reviews. The Internal Auditor is providing notification and assistance to elected cardholders.
- Escalation -- Beginning in September, Procurement notified some cardholders of the possibility that their cards were in danger of suspension after two weekly cycles without resolution.
- Sales Tax – Refunds -- The Procurement Department began assisting cardholders in applying for and receiving refunds of sales tax.
- Non-Conclusive Purchases -- The IT Department continued the process of, where practical, assisting cardholders to migrate from individual agreements for software applications, to city-level agreements. Amendments to the P-card policy will be recommended to address situations where it's not practical.

Procurement Concerns

Director of Procurement William Whitaker continues recruitment, staff certifications, and training. Recruitment of new buyers and a Procurement Compliance Officer are directly linked to compliance improvements. Additional staff capacity allows for more thorough transaction review, timely reconciliations, and proactive cardholder training. This staffing investment is expected to improve compliance ratings by reducing delays and oversight gaps. A new Buyer I has joined the Procurement Department team, and an offer has been made to a candidate for the Procurement Compliance Officer, who is expected to join the team in late October.

NOTES:

General Fund Summary Revenues:

Property Taxes collected as of August 2025 were \$60.132 million (99% of the \$60.989 million FY2025 budget) compared to \$55.941 million (94% of the \$59.5M FY2024 budget) in the prior fiscal year for the same period.

Motor Vehicle Title Ad Valorem Tax (TAVT) revenue collected was \$3.071 million (82% of the \$3.7 million FY2025 budget) compared to \$3.237 million (190% of the \$1.7 million FY2024 budget).

Franchise Tax revenue collected as of August 2025 was \$8.45 million (110% of the \$7.7 million FY2025 budget) compared to \$6.69 million (94% of the \$7.1 million FY2024 budget) for the same period in the previous fiscal year.

Local Option Sales Taxes (LOST) collected as of August 2025 were \$33.327 million (88% of the \$37.682 million FY2025 budget) compared to \$33.108 million (98% of the \$33.7 million FY2024 budget). The rolling twelve-month comparison in August remained unchanged at \$37 million compared to \$36 million for the same twelve months in the prior year.

Business and Occupation License revenues as of August 2025 were \$6.714 million (103% of the \$6.5 million FY2025 budget), up \$198 thousand (3.04%) from \$6.515 million compared to August 2024. We receive the bulk of revenue for this category during the renewal period from January through May.

Insurance Premium Taxes posted as of August 2025 were \$10.337 million (\$337 thousand or 3% over the \$10 million FY2025 budget), unchanged from last month.

Other Taxes collected as of August 2025 were \$985,195 (up \$186,099 or 23.29% from \$799,096 for the same period in the prior fiscal year).

License and Permit revenues collected as of August 2025 were \$5.185 million (121% of the \$4.29 million FY2025 budget), up \$1.289 million or 33% compared to \$3.896 million in the prior year. The budget for this category was increased to \$4,291,250 (4.8%, or \$195,900) from \$4,095,350 in the FY2024 budget.

NOTES – Continued

Intergovernmental Agreements (IGA's – Fire Services)

The city has two intergovernmental agreements for fire services, one with Fulton County and one with the City of Atlanta (mutual aid). The budget for this category was increased by \$300 to \$1.2 million from \$900 thousand in the prior fiscal year.

Charges for Services revenues as of August 2025 were \$889 thousand (85% of the \$1.044 million FY2025 budget). Revenue was up \$73 thousand (8.9%) compared to \$816 thousand for the same period in the prior fiscal year.

Fines and Forfeitures: The FY2025 budget was increased by \$1 million to \$1.3 million from \$300,000 in the FY2024 budget. Collections are being deposited into the designated Municipal Court bank account. Monthly reconciliations and allocations have not been completed. Transactions are accounted for in the Municipal Courts Fund (a custodial fund-type). Revenues for FY2025 as of August are estimated at \$1.538 million (up \$485 thousand or 51%) compared to \$1.054 million for the same period in the prior year.

Investment Earnings / Income revenues were \$3.919 million (65% of the \$6.046 million FY2025 budget). Earnings are down \$1.796 million (-31.42%) compared to \$5.715 million in the prior year. The line includes \$996 thousand in other revenues.

Hotel Motel Tax: The city estimates revenue of \$582K for FY2025 (budget).

The Budgeted Use of Reserves is an estimate for FY2025. We will monitor general fund capital spending trends. The amount will be adjusted up or down at the close of the FY2025 fiscal year in conjunction with the financial closing process.

Rolling Twelve Months as of June 2025: The graph displays a 12-month performance period, regardless of the specific month or fiscal year. A rolling twelve-month historical summation measures the total of the previous twelve months. Therefore, the LOST revenue trend is \$37 million in the current fiscal year.

September 2025 Municipal and Code Board Cases

Court Case Results

End-of-Fiscal Year Report: Keeping Our Community Compliant

Overview

This report summarizes our performance in managing and resolving community code compliance and enforcement cases over the past fiscal year. Our team handled a significant volume of cases, working to ensure a safe and compliant living environment for all residents.

Key Results

We processed a total of **1,554 cases** this year, including violations brought before both the Code Board and Municipal Court.

- **Overall Resolution Rate:** We successfully resolved or achieved partial compliance on **49.10%** of all cases handled. This means nearly half of all cases saw meaningful action taken to address the violation.
- **Full Compliance Achieved:** Of all cases, **35.30%** (548 cases) achieved **full compliance**, meaning the violation was completely corrected.

Case Volume Summary

Our total volume of 1,554 cases was processed through two venues:

- **Code Board Cases:** 977 violations.
- **Municipal Court Cases:** 577 violations.

Looking Ahead

While we are pleased with the nearly 50% resolution rate, our work continues. As of the end of the fiscal year, **683 cases remain either non-compliant or are still ongoing** in the enforcement process. These cases are a priority for the new year, and our team will continue to focus on enforcement and resolution to ensure every resident is upholding community standards.

Significance of the “SeeClickFix” Quantitative Report

The **SeeClickFix Quantitative Report** is an essential data source, providing clear, numerical evidence of the compliance issues impacting our community as reported directly by citizens.

The most critical finding from this report is that violations categorized under "**Maintenance of Property**" account for the largest volume and highest frequency of submissions by a substantial margin. This **quantitative data** confirms, without ambiguity, that property maintenance issues are the **number one operational challenge** and the top priority concern for our residents.

This report serves as the data foundation for our strategy: it **mandates and justifies** our current and future allocation of resources, staffing, and enforcement efforts specifically toward property. F

Goal 1

Enhance Government Efficiency and Productivity

- Filled the following Vacant Roles within the Engineering Division:
 - Civil Engineer
 - Administrative Assistant
 - Development Site Inspector
- Held quarterly staff Meetings to improve communication within the department and cohesion within the divisions.

Goal 2

Increase Community Collaboration and Improve Quality of Life

- Held four Pre-Conceptual Meetings for applicants interested in various projects within the city.
- Held two pre-development meetings for applicants who were ready to submit for permits for various projects within the city.

Goal 3

Enhance the City's Financial Stability and Economic Diversification

The City of South Fulton hosted a site visit with the GICH Selection Committee and Community Housing Team as part of the 2026 GICH Cohort.

The purpose of the visit is to:

- Meet with the City's Community Housing Team and learn more about South Fulton's housing priorities.
- Review the City's efforts to address housing affordability, housing choice, and equitable redevelopment, focusing on the Old National Corridor.
- Tour key sites that illustrate challenges such as aging multifamily developments, blight, vacancies, housing diversity gaps, and infrastructure needs, as well as opportunities for revitalization and reinvestment.

Participation in the GICH program would provide South Fulton with technical assistance, training, and access to state resources such as CHIP and LIHTC to strengthen housing strategies and support long-term affordability.

Goal 4

Strengthen and Expand Infrastructure to Support Sustainability

The following activity has taken place thus far in September 2025:

- 10 Business Licenses Issued
- 245 Residential Permits Issued
- 50 Commercial Permits Issued
- 5 Land Disturbance Permits Released
- 4 Pre-Conceptual Meetings
- 2 Pre-Development Meetings
- 6 Pre-Construction Meetings
- 338 Site Inspections Completed
- 28 Arborist Site Inspections

Goal 2:

Increase Community Collaboration and Improve Quality of Life

On September 3rd, Community Relations and Services Division staff members assisted with the Public Safety and Millage Rate Information session by greeting guests upon arrival and facilitating public comment cards. This exemplified our commitment to helping residents and providing excellent customer service. Additionally, the Program and Performance team has created a communication process for closed cases within the SeeClickFix platform, ensuring customer satisfaction.

City-wide Customer Service Training

"Raising the Service Standard"

This month, we conducted the second training session with 17 participants. We sincerely thank our guest facilitator, Bryan Davis, Deputy Director of General Services, whose expertise and engaging style fostered a fun and productive learning environment. Participants also valued the thoughtful video message from City Manager Subadan, which enriched the session.

Participants Feedback

How could the training be improved?

"It was great! No improving suggestions at this time."

"n/a"

"Possibly condense the content for 1.5 to 2 hours max to include the HR portion "

"Sample videos of customer service interactions."

"Other than mild technology issues, nothing! It was great. "

"Na"

The Department of Cultural Affairs is dedicated to fostering a vibrant, inclusive, and dynamic cultural landscape in South Fulton. We aim to support and promote artistic expression, cultural diversity, and community engagement to enhance the quality of life for all residents.

Currently Hiring: House Manager contractors for the Southwest Arts Center and Part-Time Custodian.

Southwest Arts Center

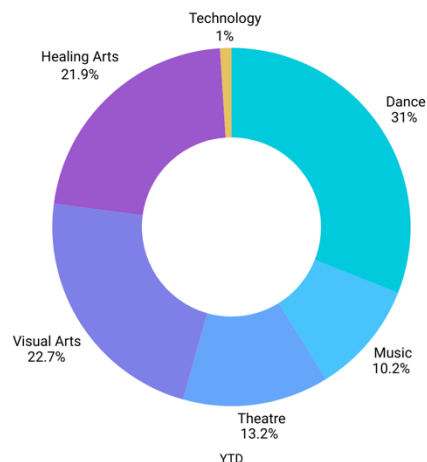

The Kuumba Storytellers of Georgia held their annual fundraising event in our Dance Studio with a strong turnout for the organization. Renovations to the Studio Building restrooms are expected to be completed by the end of September, while theatre renovations continue. Scheduled maintenance for the Studio Building includes cleaning and repainting the breakroom hallway wall, patching, and touch-up painting in the main hallway. The air conditioning units, repaired on September 12, have been functioning well and will continue to be monitored. The Atlanta Quilt Festival concluded on September 6, drawing over 1,700 visitors—marking one of the most successful editions of the event to date.

September Event Attendance

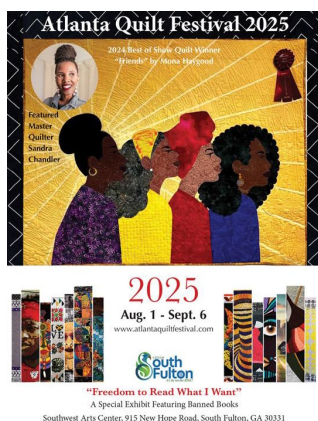

Events	Event Type	Attendees
Atlanta Quilt Festival Ceremony	Closing Ceremony	42
Kuumba Storytellers Fundraiser	Fundraiser	29
Atlanta Quilt Festival Exhibition	Gallery Exhibition	1720
	Total	1791

Education:

From January through September 2025, the Department of Cultural Affairs recorded 2,724 participants across all programs. The Dance Program led with 844 participants, followed by Visual Arts (619), Healing Arts (596), Theatre (360), and Music (277). Technology, a newer program area, has engaged 28 participants to date. Participation has remained strong across all sessions, with notable increases during the spring and fall, reflecting consistent community demand for arts and cultural programming.

Exhibitions:

The Atlanta Quilt Festival concluded with a vibrant closing ceremony celebrating community, artistry, and tradition. Guests gathered to honor the creativity of quilters from across the region, with special recognition given through the *People's Choice Awards*. Attendees voted throughout the exhibition, and the top three quilts were announced to resounding applause. The 1st, 2nd, and 3rd place awards were presented to three talented quilters whose work reflected technical mastery and storytelling through fabric. The evening closed with gratitude to all participating artists, volunteers, and community members who made the festival a success, and with anticipation for next year's celebration of quilting excellence.

A Pop-Up Gallery event was held at the South Fulton Tennis Center featuring artist Lloyd Harold. The event included a display of selected works by the artist, offering attendees an opportunity to view his recent creations in a community setting. In addition to the exhibition, Harold facilitated a tennis-themed make-and-take watercolor activity, providing participants with a hands-on art experience that connected the venue's theme with creative expression.

Wolf Creek Amphitheater Wolf Creek Amphitheater is nearing the conclusion of its 2025 concert season. This month, the Azúcar Music Festival was successfully hosted, featuring exceptional performances and a safe, incident-free experience for all attendees. To close out the month, the highly anticipated Funk Fest, presented by Omega 14, promises to deliver another vibrant and engaging event for the community.

Beyond event programming, ongoing property maintenance has remained a key focus. Repairs within the current budget have been

addressed, while larger-scale improvements are scheduled to begin in October with the arrival of new funding. Beautification efforts also continue to ensure the venue remains welcoming, functional, and prepared to support future events.

Public Art

Public Arts is discussing with Parks and Recreation and two art organizations, *Art in the Paint* and *Art N sit ATL*, to bring public art projects into the City of South Fulton. *Art in the Paint* is a not-for-profit organization that transforms basketball courts into vibrant canvases where art and athletics converge, creating spaces that serve as cultural landmarks and places of physical well-being. Public Arts has also been in continued contact with the remaining members of the Public Art Commission and attempted to facilitate a discussion hosted by the District 2 Commission Member; however, attendance was too low to hold the meeting. Public Arts is soft-launching a new pop-up program, *Culture on the Rise*, beginning with a pop-up art gallery and watercolor workshop featuring a local South Fulton artist and instructor at the South Fulton Tennis Center on Saturday, September 27, and Sunday, September 28. This initiative is designed to introduce more culture and art into the City while activating different community spaces to unite residents.

Visual and Digital Media

The Visual & Digital Media Stream Team welcomed Specialist Amari Hicks, whose extensive audio engineering experience and service-first mindset enhance the team's mission. A significant milestone was achieved with the successful livestream of South Fulton's first joint meeting between the City Council and the South Fulton Development Authority, increasing access and transparency. In collaboration with Enon Baptist Church, a Millage Rate town hall was aired for the first time, allowing residents who could not attend in person to engage with this critical discussion. The month concluded with the livestream of South Fulton's annual Azúcar Festival from Wolf Creek Amphitheater, extending the celebration to a broader regional audience. As the city grows, the team remains prepared to scale coverage, innovate workflows, and improve access to vital city information for all residents.

Initiatives

Theatre/Studio Building Renovations at Southwest Arts

Renovations continue at the Southwest Arts Center. The upgrades will include updated bathrooms in the Studio building and the completed Black Box renovation.

Art Acquisition

More Public Art opportunities are being explored to expand the art created and acquired throughout all seven districts.

Outreach Expansion

Collaboration meetings are being held with Metro Atlanta arts organizations to create activations and satellite programming within the city.

Local Artist Engagement

Through the Call to Artists, we have identified local artists whose works will be used in the City's collection. Artists from this program are currently on display in City facilities.

Grants

Facilities grants have been submitted for future additional upgrades to the Southwest Arts Center campus.

Georgia Economic Development Association (GEDA) Conference

The City of South Fulton was well represented at the Georgia Economic Development Association (GEDA) Conference, held September 17–19. In addition to the Economic Development staff, more than 15 board members from the Old National District (OND) Advisory Board, C.O.R.E. Alliance Advisory Board, South Fulton Development Authority (SFDA), and South Fulton Downtown Development Authority (SFDDA) participated.

The conference provided valuable opportunities to:

- Strengthening regional relationships
- Gather insights into future initiatives
- Explore best practices in economic development

South Fulton Means Business: Business Accelerator

The Economic Development Department hosted the **second session** in the *South Fulton Means Business: Business Accelerator* series. This session focused on **using AI in the workplace** and how it supports entrepreneurs.

- **Total Registrants:** 40 participants enrolled in the program to date
- **Impact:** The Accelerator continues to provide practical tools and resources that help small businesses and entrepreneurs build capacity and competitiveness.

Georgia Initiative for Community Housing (GICH) Kick-Off Meeting

The Economic Development Department, in partnership with the Community Development and Regulatory Affairs (CDRA) Department, hosted the **kick-off session of the Georgia Initiative for Community Housing (GICH)**.

- **Focus Area:** Old National District
- **Purpose:** To create strategies that enhance housing opportunities, strengthen neighborhoods, and improve the quality of life for residents.

Aerotropolis Honors

On September 25th, the City Management team, along with representatives from the OND Advisory Board, C.O.R.E. Alliance Advisory Board, SFDA, and SFDDA, attended the 5th Annual Aerotropolis Honors. The City of South Fulton served as one of the sponsors for the event, which recognized outstanding leadership and service across the region. As such, City Manager Sharon D. Subadan was invited to provide opening remarks to the attendees.

Old National District (OND)

The Old National District Advisory Board sponsored **the Old National Merchants Association 5K**, supporting community wellness and engagement while showcasing local businesses.

Red Oak District Advisory Board

- From August 25th to 28th, staff and board members attended the **Georgia Downtown Association Conference**. During the conference, connections were made with **Cherie Bennett, Director of the Office of Downtown Development**, and a follow-up meeting was scheduled to discuss next steps toward *Main Street Affiliation*.
 - Preparations are underway for the **Red Oak Fall Festival**, with marketing scheduled to launch on October 1.
-

South Fulton Development Authority (SFDA)

At the September 4th regular meeting, SFDA:

- Amended its bylaws to align per diem payments language with the City's per diem policy
- Received project updates and provided input on future development strategies

Also, on September 4th, the **SFDA and City Council held a joint meeting** to discuss the progress of active economic development projects.

In addition, several SFDA members attended the **mandatory Development Authority Training** facilitated by the University of Georgia Carl Vinson Institute of Government.

South Fulton Downtown Development Authority

The South Fulton Downtown Development Authority attended the International Economic Development Council Conference in Detroit, MI, from September 14th to 17th.

Key takeaways included:

- Innovative approaches to downtown revitalization and placemaking.
- Best practices for supporting small businesses and entrepreneurs.
- Strategies for leveraging public-private partnerships to drive growth.
- Insights into national economic trends and their local impacts.

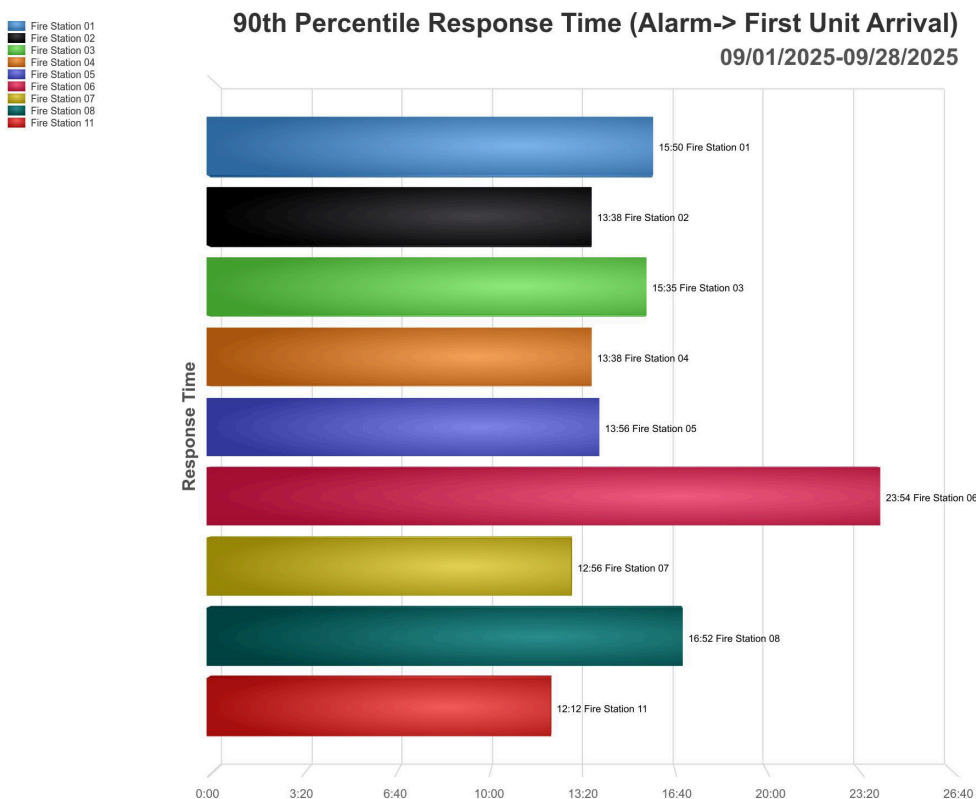

GOAL 1

Enhance Government Efficiency & Productivity

In alignment with our commitment to government efficiency and productivity, South Fulton Fire Rescue continues to prioritize prevention, rapid response, and collaboration. Through inspections, education, training, and community outreach, the Department has reduced risks and strengthened public preparedness. These efforts not only lower costs but also build community trust and contribute to the city's overall growth.

Performance data is critical in guiding efficiency and productivity. The chart below illustrates the average response time per station from September 1–28, 2025. This data highlights operational efficiency and supports continuous improvements in emergency response across the City of South Fulton. Station 11 recorded the shortest response time at 12 minutes, 12 seconds, while the overall average response time during this period was 15 minutes, 23 seconds.

Total number of calls: **1,746**

Average response time is **15:23**

GOAL 2

Increase Community Collaboration and Improve Quality of Life.

In September 2025, the Fire Department participated in several community events, including the International Cultural Festival, the Azúcar Festival, and the 5K Health and Wellness Day. Our involvement extended beyond providing support in the capacity of Emergency Management; it also allowed us to witness and celebrate the community coming together to honor diverse cultures and traditions.

The Department also continues to highlight personnel who go above and beyond through the Earn Your Shield recognition program. On September 10, 2025, Chief Jones recognized Fire Station 3, Shift B (Engine 3 and Med 1), for their life-saving efforts during a cardiac arrest call on August 23. The crew acted with urgency and precision by taking over compressions, securing an airway, and initiating IV lines, which ultimately saved a life.

In addition, Chief Jones plans to honor Engine 5 and Med 2, Shift A, for providing high-quality CPR during a cardiac arrest on August 19, 2025. Working alongside Grady EMS, the units' coordinated efforts also saved a life.

GOAL 3

Enhance the City's Financial Stability and Economic Diversification through Strategic Leadership and Community Partnership

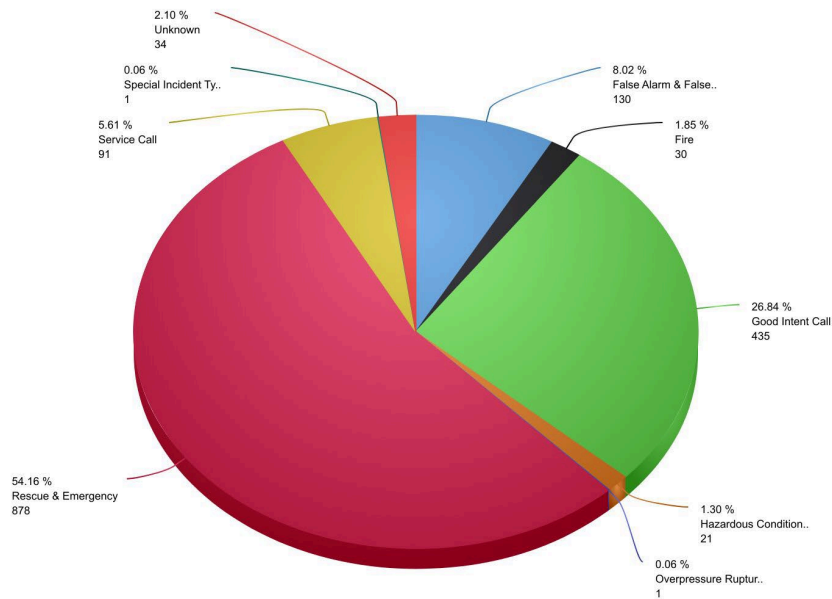

The fire department contributes to the city's financial stability and economic diversification through strategic leadership and strong community partnerships. By promoting public safety, reducing risks, and supporting continuity of operations, the department helps create a safer, more resilient community that is attractive to both residents and businesses. This commitment to safety and operational efficiency is evident in the department's recent activities and performance metrics.

The following data reflects the period from September 1, 2025, to September 28, 2025. There have been 214 fire inspections and a total of 1,746 incidents. Fire investigators have completed two investigations in September thus far. Approximately 54.64% of calls pertained to Rescue & Emergency.

GOAL 4

Strengthen and Expand Infrastructure to Support Sustainability

The Fire Department continues to make progress on the Fire Headquarters project. On September 9, 2025, the South Fulton City Council approved the issuance of the Series 2025 Revenue Bonds for the construction and equipping of the City of South Fulton Public Safety Facilities Project, which includes the new Fire Headquarters. In addition, Fire Station No. 6 is preparing for its official reveal on Friday, October 10, 2025, marking another milestone in the Department's commitment to enhancing facilities and strengthening service delivery.

Monthly Status Update | September 2025

District Information: District 1

Council Person: Catherine Rowell

- Southwest Arts Center (SWAC): The design team is addressing punch list corrections and final finish adjustments identified during the recent walkthrough. Coordination with the contractor continues to resolve the remaining items before closeout. The project has been progressing with the installation of chairs, decorative elements in the lobby, and tiling in all the restrooms. General Services has received a proposal and design for phase 1 landscaping to present to the District Representative. City leadership is reviewing specifications of electrical upgrades to move the remainder of the project forward.
- Sandtown Park: After receiving the final design and proposals from our standby Designers, GSSTJ was advised to move forward with securing the land disturbance permit to maintain project momentum. Concurrently, the City is evaluating and addressing stormwater infrastructure issues identified during the design review to ensure compliance with proper site drainage before construction activities commence.
- City Administration Building: The parking lot reconfiguration has been completed. The hand railing for the new concrete steps was installed on September 5. The landscaping is nearing completion, and the front and side wall areas, which are currently painted black, will be repainted in early October to match the final building finish.

District Information: District 2

Council Person: Carmalitha Gumbs

- Fire Headquarters & Public Safety Training Complex: The GSWCC approved the Erosion Control Plans for the Public Safety Training Facility on September 5. The retaining wall permit was issued on September 16. The Design-Builder's contract and the City's Master Agreement are nearing completion, following multiple review cycles between the Program Management Team, General Services, and the Procurement Department. Final revisions were provided on September 25, with execution expected once all comments are reconciled.
- Wolf Creek – The LED bulb replacement project has advanced to a feasible extent currently. Further work is on hold pending completion of the property transfer.
- Cliftondale Community Building: The schematic design package for the Cliftondale Community Building was distributed on October 4 by the designer, following earlier coordination meetings. The package addresses prior comments from City staff and the design team and is now under internal review before moving to the design development phase.
- Cliftondale Classroom Building: The project was awarded to Prime Contracting, and a preconstruction meeting was held on September 15. The building permit has been received, and the contractor has provided a mobilization date of October 20, with discussions underway to begin earlier. The project remains on track for the building to be operational by mid-December

District Information: District 3**Council Person: Helen Z. Willis**

- Welcome, All Community Building: Multiple bids were received for the installation of fencing around the pool slide to mitigate potential injury hazards from exposed metal corners. Cover Care LLC of Smyrna was identified as the most responsive and responsible bidder following a site visit. Procurement is finalizing vendor documentation to confirm the installation schedule and project completion timeline.
- The State inspectors have provided a window for the temporary permit inspection scheduled for early October. The contract is still being reviewed by procurement for finalization.
- A section of the retaining wall at Welcome All Park experienced a structural failure and has been scheduled for repair by one of the City's standby contractors. Work is expected to begin the first week of October to restore stability and ensure site safety.
- Welcome All Community Building-HVAC System: The purchase order for the Air Handling Unit replacement will be issued in early October. Once the custom unit is ordered, the contractor will provide a final replacement schedule. The outdated pumps and associated valves are scheduled for replacement during the second week of October.
- 4800 Campbell Welcome Center: The project will be competitively bid on Bidnet.com and distributed to the City's standby contractors in October. A finish selection meeting was conducted on September 11, with City Leadership and the City's Facilities Architect. The consulting engineer submitted the sewer easement drawings to the City of East Point on September 26, 2025; however, the submittal was initially rejected. Following discussions, East Point agreed to allow the city to resubmit the drawings. Still, it indicated that the permit will not be approved until a General Contractor is formally assigned and has assumed responsibility for the project. The revised easement drawings were refiled on September 29 for review.

District Information: District 4**Council Person: Jaceey Sebastian**

- Cedar Grove Park Community Building: On September 24, General Services met with the consulting teams to align on the exterior design concept and the City's quality standards for the project. The schematic renderings were received on October 3, and the team is awaiting City approval to proceed to the Design Development phase.
- Fire Station #6: Fire Administration and General Services continue to conduct punch walks and meetings to progress the project closer to completion. Millwork, tilework, and utility installation are underway in phase 2 of the renovation. Blinds and furniture have been ordered, and the design for the artwork is in progress. Public Affairs has begun coordinating the ribbon-cutting for early October.
- The mini-pitch ribbon cutting was held on September 16, 2025. The U.S. Soccer Foundation provided positive feedback about the interactions with the community.

District Information: District 5
Council Person: Keosha Bell

- Burdett Gym: The trail improvement project grant agreement was approved by the City Council during the September 17th meeting. The playground equipment procurement was released for public bid in September, and the City is awaiting vendor responses for evaluation.

District Information: District 6
Council Person: Natasha Williams-Brown

- Old National Park: The six EV charger installations (GA Power Make-Ready Program) are scheduled for early October.

District Information: District 7
Council Person: Linda Becquer Pritchett

- Municipal Courts Build Out: Demolition, cleanup, and initial mold remediation were completed on September 19, with post-testing identifying limited areas needing further treatment. The contractor is scheduled to return to complete remediation and secure final clearance, after which construction activities will resume.
- 2855 West Road (Passive Park): The designer is advancing the final design documentation, which will require a wetlands delineation and buffer variances as part of the permitting process. To address these requirements, the designer has submitted a proposal for subconsultant services to support the necessary environmental and permitting work. Bi-weekly coordination meetings continue to monitor progress.
- Fire Station #10: The consulting program manager received the foundation plans from ClearSpan, which were distributed to the City's Facilities Architect for review. Coordination with the civil engineer regarding the GSWCC permit continues, which remains in progress. The City's Facilities Architect and the consulting program manager met last week to discuss the overall project design, next steps, and how the warehouse interior MEP design will be integrated through General Services.
- Police Headquarters Complex: The GSWCC permit for the site development was filed in early September, with the initial set of review comments expected in early October. The Design-Builder's contract and the City's Master Agreement are in the final review phase between Procurement, General Services, and PMT, with execution anticipated once comments are reconciled.

Citywide & Cross-District Initiatives

- **Fleet Management**

- **Fleet activity:** 44 maintenance and repair tasks were completed in SolarWinds across Fire Rescue, Public Works, Parks & Recreation, Code Enforcement, and General Services.
- **Preventive Maintenance:** Conducted for Fire Rescue, General Services, and Parks & Recreation units to maintain operational readiness.
- **Vehicle Inventory:** Fleet managers continue to update inventory with the most accurate information to provide to the master list.
- **Fuel Usage:** ~5,223 gallons diesel; ~11,587 gallons unleaded.
- The Fleet Division will continue coordinating with relevant departments to finalize installations of Samsara and ensure all new equipment is fully operational and compliant with City standards.

Strategic Goals: 1, 4

- **Health, Safety & Compliance**

- City Hall: Indoor air quality (IAQ) testing was completed, and results continue to be within acceptable ranges for office occupancy; the latest samples confirmed no concerns.
- No IAQ issues were observed during daily walkthroughs, and indoor particulate levels remain consistent with usual outdoor sources.
- Property Management has removed the previously installed dehumidifiers; General Services is now solely monitoring conditions daily as we work on the permanent path forward.
- Daily monitoring includes temperature, relative humidity, and dew point, with adjustments made as needed to maintain a safe and healthy environment.
- Coordination with the General Services team ensures building access and operational continuity while maintaining environmental stability.
- The scope of work for the City's fire safety system is currently being refined. Once finalized, the project will be issued for public bidding in accordance with City procurement procedures.

Strategic Goal: 4

- **Sustainability Initiatives**

EV Charger Installations:

- The **4715 Administration Building** layout is being redesigned to add two additional Level 2 chargers.
- **City Hall** and **SWAC** are pending commissioning; new SIM cards have been ordered.
- **Welcome All Park** and **Mason Rd Tennis Center** have energized sites with chargers and signage installed, awaiting final wiring approval and meter installation.
- **Trammell Park** and **Creel Park** installations are complete, pending Georgia Power's scheduled outages for energization.
- **Sandtown** and **Old National Parks** have completed boring, while **Burdett Gym** is undergoing metering redesign by Georgia Power.
- **Wolf Creek** installation has not yet started.

Lighting and Energy Efficiency:

- A quote from **Brown Electric (\$39,485)** was received for installing 149 lights, with additional bids pending.
- **LED replacements** are complete at **Fire Stations 4 and 11**, the **Fleet Maintenance Building**, and the **South Fulton Tennis Center**.
- The next phase will address **field lighting upgrades** at **Welcome All Park**, with **pole inspections** underway at **Old National Park** to ensure structural integrity.

Additional Efforts:

- Coordination with utility providers continues for **holiday lighting schedules**.
- Facilities and IT are working jointly to **install camera systems** at EV charger locations for monitoring and security.
- The **roof evaluation program** has been completed, and implementation plans are being developed for prioritized repairs.

Strategic Goal: 4

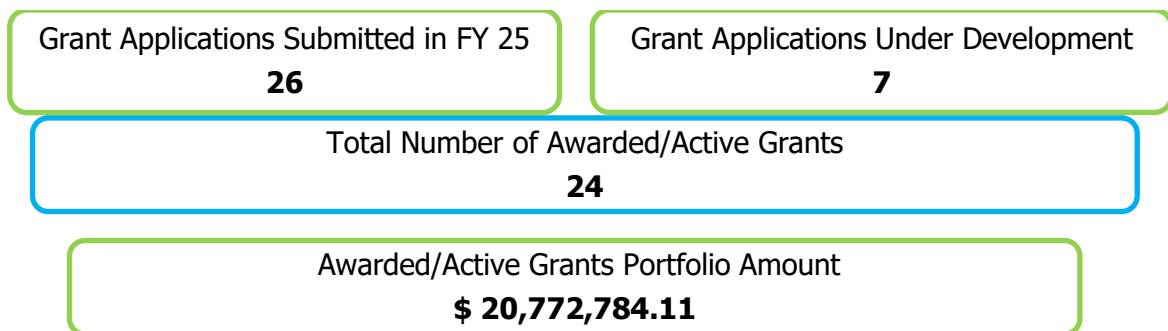

Grants Report Strategic Plan Alignment

- Goal 2: Increase Community Collaboration & Improve Quality of Life
- Goal 3: Enhance the City's Financial Stability and Economic Diversification through Strategic Leadership and Community Partnership
- Goal 4: Strengthen and Expand Infrastructure to Support Sustainability

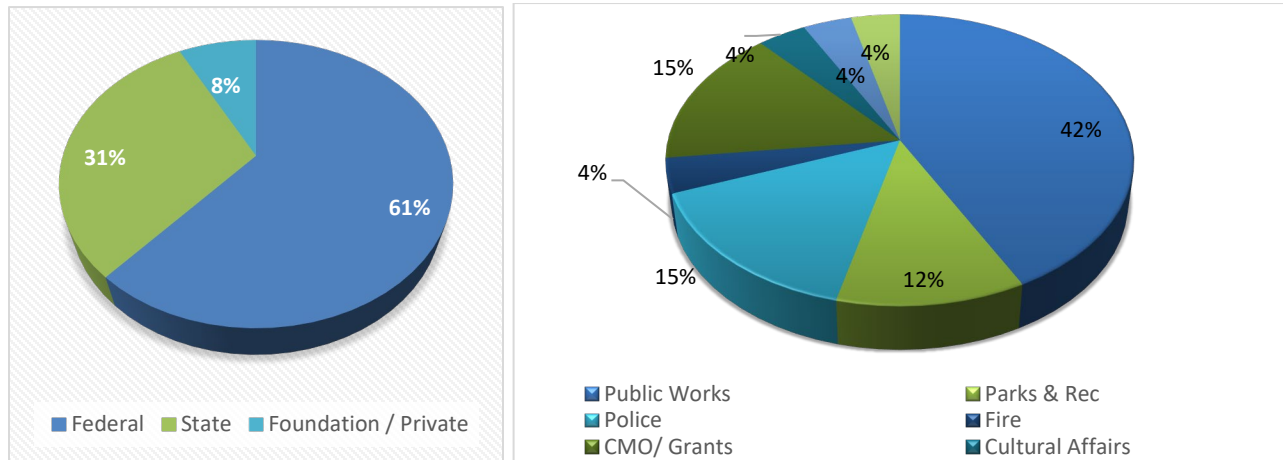

Key Achievements in September 2025

- Coordinated the City Council's DC Advocacy trip in collaboration with The Ferguson Group, LLC, and AR Long Company
- GDOT disbursed the City's Local Maintenance & Improvement Grant (LMIG) and Local Road Assistance (LRA) allocations for Fiscal Years (FY) 2024 and 2025, totaling \$5,296,072.70
- Submitted three grant applications for funding requests totaling \$1,767,275.58.
 - Georgia Council for the Arts Cultural Facilities Grant (\$20,500)
 - FY 26 Local Maintenance and Improvement Grant (\$1,592,575.58)
 - Recycling and Waste Diversion Grant (\$154,200)

GOAL 1

Enhance Government Efficiency and Productivity

The Wellness Committee brought Jet Dental to COSF to offer free preventive dental cleanings at City Hall.

HR also partnered with Community Relations and the Service Division to offer Raising the Service Standard Training, which included a component of Professionalism in the workplace.

GOAL 2

Increase Community Collaboration and Improve Quality of Life

Shock Fitness Studio Memberships Offered to staff

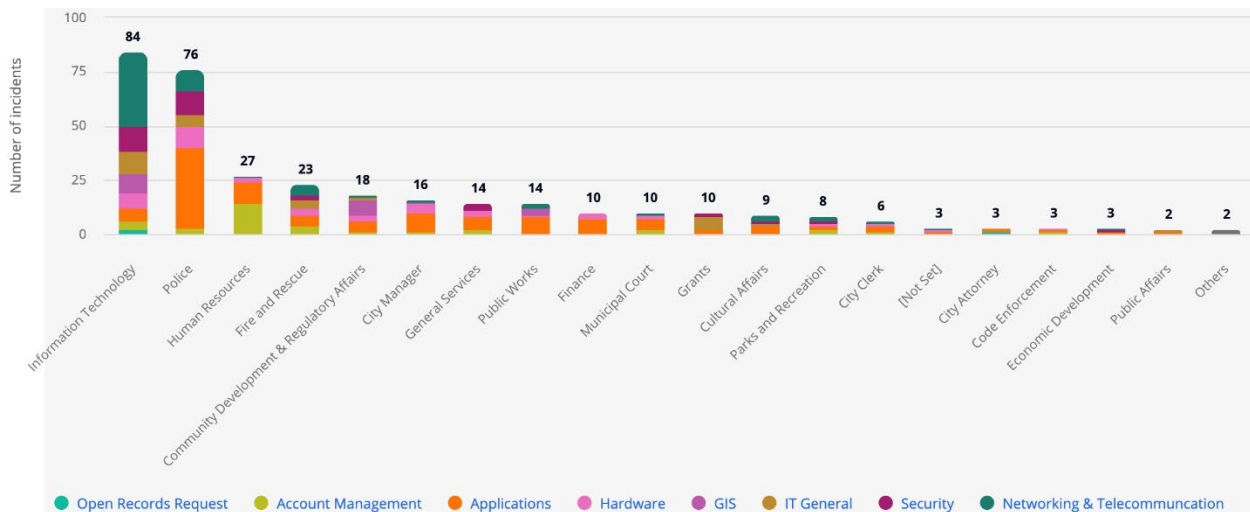

Report

Executive Summary:

The IT Department provides secure, innovative, and scalable foundation technology services and guides the enhancement of city technology. With various technology projects, we are working to improve city services overall.

GOAL 1: Enhance Government Efficiency and Productivity

Tickets:

GOAL 2: Increase Community Collaboration and Improve Quality of Life

Camera Project:

Pending Sites	Completed Sites	Sites on Hold	Cameras Installed
5	24	12	433

Camera/Access Control Project Pending Notes:

SITE	Status Notes
Parks – Old National Park	Underground locates being reviewed for installation to begin.
Parks – Trammel Crow Park	Installation ongoing
SF Tennis Center & Dog Park	On hold due to power issues (being addressed by Georgia power).
Fire Stations (1, 3, 5, 6, 7, 8)	On hold
South West Arts	Pending
Parks - Clifftondale	On hold
Parks Maintenance	On hold
Boat Rock	On hold

GOAL 3: Enhance the City's Financial Stability and Economic Diversification through Strategic Leadership and Community Partnerships**Tyler ERP Pro:***Update:*

- The Tyler ERP Pro 10 rollout continues to progress as planned. Working with the implementation team to update approval paths, processes, and training.

Ancillary Modules – Status & Next Steps

- Bank Reconciliation (Finance): In Progress
- Tyler Payments (IT & Finance): Legal Review
- Fixed Assets (Finance, Purchasing): Pending – July implementation
- Grant/Project Accounting: Pending – July implementation
- Inventory (All): Pending – July implementation
- Insights: Pending final legal review and processing

Tyler EP&L – Development System Configuration

Purpose: Streamline development financial tracking.

Update: The project is ongoing. IT's next steps are facilitating final testing and scheduling training and Go Live.

PA - Mass Notification

Purpose: Is to improve emergency communications and city notifications.

Update: The system is configured pending department-specific SOPs.

Sanitation Merk Mile Road Data Collection

Purpose: Update sanitation data methods.

Update: Project planning has commenced to update data collection practices.

CAD/RMS Replication Database

Purpose: Strengthen CAD/RMS reliability.

Update: The project has been completed, and system integrations are ongoing.

GOAL 4: Strengthen and Expand Infrastructure to Support Sustainability

Procure – A Construction Management Software (CIP Projects)

Purpose: Simplify CIP project management.

Update: System provisioning is ongoing.

Enhance Government Efficiency and Productivity

South Fulton Municipal Court plays a vital role in supporting the City's broader vision of efficient and effective governance through its strategic goals. The Court continues to enhance government operations in the following keyways:

1. Streamlining Judicial Processes

By leveraging virtual court sessions, offering multiple calendars, and digitizing case management, the Municipal Court reduces wait times, increases accessibility, and allows for faster case resolution, all of which contributes to a more productive government system.

2. Ensuring Timely and Fair Resolutions

The Court is committed to resolving cases promptly, which serves the public interest and helps manage resources more effectively. Timely case resolution reduces backlogs and allows the city to focus on being proactive in the community.

3. Promoting Transparency and Accountability

Transparent court procedures and clear communication with the public reinforce trust in government institutions. The Court's commitment to providing interpreters, up-to-date calendars, and accessible hearings ensures that all residents can engage with the justice system fairly.

4. Supporting Interdepartmental Coordination

The Court works closely with Code Enforcement and Public Safety departments to maintain high community standards. This collaboration streamlines enforcement and resolution, helping the city operate more cohesively.

Increase Community Collaboration and Improve Quality of Life

The Court's strategic goals are closely aligned with the City's broader efforts to engage the community and create a safer, more connected South Fulton by:

1. Promoting Fairness and Accessibility

The Court is committed to ensuring that all residents, regardless of background, can access justice fairly and efficiently. With virtual court options, Interpreters, and flexible hearing schedules, the Court removes barriers and strengthens the connection between government and the people it serves.

2. Community-Focused Programs

By creating initiatives like Amnesty Week and having alternative sentencing options such as Diversion programs for first-time Shoplifters and individuals under the age of 21, it helps reduce recidivism.

3. Enhancing Transparency and Public Trust

A transparent court process, where procedures are clearly communicated and rights are respected, builds public trust. That trust is the foundation for greater civic engagement and long-term partnerships between the City and its residents.

4. Supporting Safer, Healthier Neighborhoods

By working closely with Code Enforcement and Public Safety, the Court helps uphold standards directly impacting residents' day-to-day lives, from property upkeep to noise violations. This contributes to cleaner, safer, and more livable communities.

Enhance the City's Financial Stability and Economic Diversification through Strategic Leadership and Community Partnership

The Municipal Court is a strategic partner in supporting the City's financial health and long-term economic growth. Through its focused goals and operational priorities, the Court plays a meaningful role in advancing financial stability and economic diversification across the City.

1. Improving Fine and Fee Collection Efficiency

By modernizing payment systems and streamlining case management, the Court ensures the timely and consistent collection of fines, fees, and penalties.

2. Reducing Case Backlogs and Operational Delays

Efficient calendar management, virtual hearings, and targeted enforcement of no-show cases help reduce operational costs while increasing overall productivity. Fewer delays mean less strain on resources and a more cost-effective judicial process.

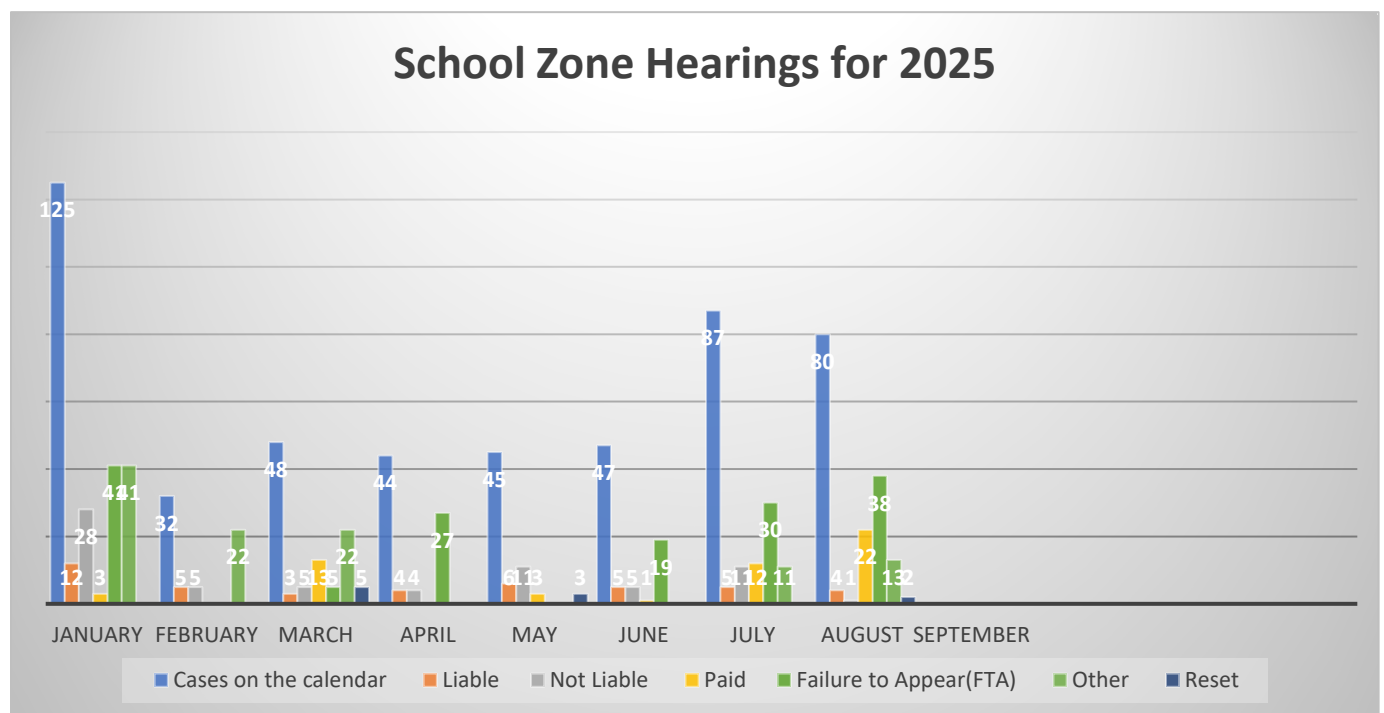

School Zone Cameras:

School Zone cameras are now fully active. Please slow down and stay alert when passing through school zones. Our children's safety depends on our care and attention when driving.

Let's work together to keep our roads safe for **students, families, and educators**.

School Zone Calendar:

No School Zone calendars for September 2025.

- Blue:** Total number of violations on the calendar.
- Orange:** Individuals found liable after a hearing.
- Grey:** Individuals found not liable after a hearing.
- Yellow:** Individuals who paid their fine on the day of their court appearance rather than proceeding to trial.
- Green:** Individuals who Failed to Appear (FTA) for their scheduled court date.

These figures reflect our continued focus on safety and accountability in designated school zones.

Nuisance and Abatement Cases:

September 17, 2025 Nuisance and Abatement 9:00 am Calendar

2224 Bethsaida Road – Order Granted for Demolition.

2234 Bethsaida Road – Order Granted for Demolition.

2458 Garnet Ave. – Maintenance and Repairs satisfied. Property in compliance, case closed.

3023 Demooney Road – City order granted to maintain Vegetation case reset to November.

3215 Cadiz Circle – Administrative Warrant. Case reset to October.

3423 Demooney Road – Attorney conflict; reset to October.

3750 Pebble Beach – Monitoring progress reset to October.

4335 Roosevelt Highway – Demolition Granted.

4900 Delano Road – The city will continue to monitor the property. Reset to November.

5400 Cascade Road – Reset to October.

5920 Old Carriage – Demolition granted.

6310 Cedar Hurst Trail – Abatement order to maintain vegetation.

6355 Kimberly Mill Road – Defendant responsible for maintaining the vegetation. Demolition will be done by the defendant.

6650 Cedar Hurst Trail – 30 days to secure entry. Reset to October.

6755 Camp Valley Road – Reset to October.

7072 Bells Way – Order to complete demolition and vegetation.

7362 Poppy Way – Demolition granted.

7915 Rivertown Drive – Order for the city to maintain the property.

885 New Hope Road—An administrative Warrant was requested to check the property's structural integrity. The calendar was reset to October.

September 17, 2025 Nuisance and Abatement 1:00 pm Calendar

5565 Old National Hwy (Camelot Property) – Order to abate debris, vegetation, and abandoned vehicles for 90 days.

5565 Old National Hwy (Clubhouse) Water issue abated. Reset to the October calendar.

Code Enforcement:

In our efforts to uphold code compliance, we remain committed to the safety of our community by ensuring these cases are in compliance and resolved in a timely manner.

 **Code Enforcement Calendar Overview:** For August, the Code Enforcement calendar was as follows:

- 68 defendants were scheduled for court.
- 210 citations were issued

 **Court Activity Summary**

- The outcomes for the 48 defendants are detailed below:
 - 8 Defendants met compliance; pleaded and paid their fine.
 - 2 Cases were reset for a Bench Trial.
 - 17 Defendants Failed to Appear (FTA).
 - 12 Cases reset for the October calendar.
 - 5 Cases Reset for the November Calendar.
 - 7 Reset for the December Calendar.
 - 2 Request for a Bench Trial.
 - 8 Cases dismissed.

Municipal Court Cases Entered and Disposed of in 2025:

Court Calendar Days:

- **Monday**
 - Bench Trials: Held on the 2nd and last Monday of the month.
 - Plea & Arraignment: Spanish Interpreter available on the last Bench Trial Date of the month.
- **Tuesdays and Thursdays:**
 - Plea & Arraignment: Virtual Sessions at 9:00 AM and 1:00 pm.
- **Wednesday:**
 - School Zone Hearings: 1st Wednesday of the month.
 - Nuisance and Abatement Calendar: 3rd Wednesday of the month.
 - Code Enforcement Calendar: Last Wednesday of the month at 9:00 am (in person).
 - Probation Revocation Hearings: Last Wednesday of the month at 1:00 pm (in-person).
- **Thursdays:**
 - Plea & Arraignment Calendars are at 9:00 am and 1:00 pm on Tuesdays and Thursdays. Plea and Arraignment calendars are held virtually.
- **Monday, Wednesday, and Friday:**
 - First Appearance Calendar: Held virtually at 1:00 pm. for jail cases.

*In-person hearings are held at the Crestwood location:

6524 Old National Hwy

South Fulton, Georgia 30349

(470) 809-7400 (Office)

GOAL 2 Increase Community Collaboration and Improve Quality of Life

Bid Whist Tournament

We are pleased to report that Parks and Recreation hosted a Bid Whist Tournament for more than 50 seniors and community members at Creel Park. This program engaged residents in a safe and fun activity, fostered fellowship, strengthened community bonds, and promoted active lifestyles among participants.

Event Details:

- **Dates:** September 2, 2025
- **Location:** Creel Park Recreation Center
- **Attendance:** 50 plus participants, representing our community.
- **Highlights:** Parks & Recreation Department conducted a Bid Whist Tournament for local Seniors and Community members. Prizes were awarded to the champions, and food was served for all.
- **Key Observations:** Resident excitement in participation remains strong
- **Community Engagement:** Attendees expressed appreciation for the opportunity to be engaged in a safe and fun activity in their community.

GOAL 2 Increase Community Collaboration and Improve Quality of Life

Basketball with a Purpose Teen League Playoffs and Championship Game

Parks and Recreation, in partnership with It's Electric, engaged local teens in a program that combined basketball activities with introductory electrical training. This initiative fostered community pride while creating pathways for youth to explore future career and economic opportunities. The championship game served as the culmination of the athletic season as well as the instructional session.

Event Details:

- **Date:** September 4, 2025
- **Location:** Burdett Park Recreation Center
- **Attendance:** 120 plus participants
- **Highlights:** Through a partnership with 'It's Electric' and local stakeholders, Parks and Recreation engaged teens in a program that combined basketball with hands-on electrical training, building community pride and strengthening collaborative partnerships while simultaneously conducting a Championship Event.

Key Observations:

- **Community Engagement:** The event highlighted strong community participation, with attendees expressing appreciation for the Parks and Recreation facility and enthusiasm for progress in their neighborhood.
- **Positive Feedback:** The event saw strong community participation, with attendees expressing appreciation for the Parks and Recreation facility and enthusiasm about personal, team, and neighborhood progress.

GOAL 1 Enhance Government Efficiency and Productivity

Event Details:

- **Dates:** September 11-14, 2025
- **Location:** South Fulton Tennis Center
- **Attendance:** 200 participants.
- **Highlights:** The HBCU National Championship Tennis Tournament was a three-day event that brought together student-athletes from Historically Black Colleges and Universities nationwide. Hosted in a safe, spirited, and competitive atmosphere, the tournament showcased high levels of athletic skill, teamwork, and sportsmanship where players competed fiercely for National recognition.
- **Key Observations:** Over a dozen Historically Black Colleges and Universities were in attendance and highlighted throughout the event.
- **Community Engagement:** Coaches and administrators from these Universities engaged with community members and youth, while parents expressed their appreciation for the City's dedication to expanding higher education opportunities through athletics.

GOAL 2 Increase Community Collaboration and Improve Quality of Life

South Fulton Homecoming – Pep Rally and Flag Football Games

We are pleased to share the Inaugural South Fulton Flag Football League

Event Details:

- **Dates:** September 13, 2025
- **Location:** Welcome All Park Recreation Center
- **Attendance:** 300 plus participants, parents, and community members representing a broad cross-section of our community.
- **Highlights:** The Grand Opening featured members from all walks of life aimed at engaging families, children, and seniors, enjoying a Pep Rally and Opening Weekend of Flag Football Games.

Key Observations:

- **Community Engagement:** This event demonstrated the community's active participation and interest in our Parks & Recreation Inaugural Flag Football Program. Attendees expressed excitement for the opportunity to see their children in a safe, family-oriented, and fun program in their community.
- **Facilities Utilization:** Welcome All Park efficiently accommodated the crowd with well-managed logistics, security, and event flow, underscoring our department's capability to handle athletic leagues and activities.
- **Positive Feedback:** Attendees provided positive feedback on the facility's amenities and expressed interest in upcoming weeks. This feedback further supports the community's appreciation for the city's investment in Parks & Recreation staff and programs.

Saturday School

The Parks and Recreation Department strives to advance youth development through innovative programming. The Saturday School initiative provides students in grades 3 through 8 with free academic support outside of the classroom, including one-on-one tutoring, homework assistance, test preparation, and educational assessments. In partnership with local Schools and Certified Fulton County School Teachers, the department promotes and fosters initiatives that strengthen academic success, foster community pride, and expand pathways for academic success for youth in our community.

Event Details:

- **Dates:** First & Third Saturdays in September
- **Location:** Sandtown Park, Burdett Park, Welcome All Park
- **Attendance:** 60 participants
- **Highlights:** Parks and Recreation advanced youth development through Saturday School, providing free tutoring, test preparation, and one-on-one academic support for students in grades 3–8.

Key Observations: Children were actively engaged in learning. Enthusiastic certified teachers were phenomenal in their effort to assist children in learning.

- **Community Engagement:** The event highlighted strong community participation, with parents expressing appreciation for the Parks and Recreation efforts and enthusiasm for their children’s educational progress.
- **Positive Feedback:** There was strong community participation in Saturday School, and attendees expressed gratitude and excitement about the fact that their children could get the necessary extra academic support for free.

Goal 1: Enhance Government Efficiency and Productivity

The South Fulton Police Department is committed to strengthening operational efficiency by leveraging data-driven deployment strategies, streamlining case management systems, and enhancing officer training programs. These efforts ensure that resources are effectively utilized to deliver timely and professional services to the community.

Goal 2: Increase Community Collaboration and Improve Quality of Life

The Police Department will continue to build and maintain partnerships with community stakeholders through proactive outreach programs, youth engagement initiatives (PAL), and neighborhood watch (HOA) collaborations. Our focus is to reduce crime, increase transparency, and foster trust, thereby improving the overall quality of life for our residents.

Goal 3: Enhance the City's Financial Stability and Economic Diversification

The South Fulton Police Department supports economic growth by ensuring safe business and commercial districts while also focusing on fiscal responsibility. By assigning officers based on crime trends, using technology to reduce paperwork, and managing overtime more effectively, we reduce unnecessary spending while continuing to provide high-quality police services. These efforts create a safe and stable environment that attracts investment and supports the City's long-term financial health.

Goal 4: Strengthen and Expand Infrastructure to Support Sustainability

The Police Department is focused on sustaining long-term public safety through strategic investments in personnel and facilities. This includes recruitment and retention initiatives to build a stable workforce, modernizing our training programs to meet evolving community needs, and strengthening partnerships with regional agencies to ensure coordinated responses during emergencies. Additionally, with the approval of our new headquarters, we are preparing to expand and modernize our operational infrastructure, which will enhance service delivery and provide a lasting foundation for the department's future growth.

Police Department Guiding Principles

SOUTH FULTON POLICE DEPARTMENT

"The South Fulton Police Department has been developed with 21st Century Policing Principles in mind. The Police Department will continue to evolve in this direction as staff seeks to create efficiencies through the use of technological advances"

21st Century Policing Pillars

1. Building Trust & Legitimacy
2. Policy & Oversight
3. Technology & Social Media
4. Community Policing & Crime Reduction
5. Training & Education
6. Officer Wellness & Safety

Public Safety Tour

On Friday, August 29, 2025, South Fulton residents joined us on a bus tour of our fire and police facilities. They got a firsthand look at our first responders' daily challenges and why investing in new headquarters and training spaces is so important.

It was an eye-opening experience that showed how crucial it is to give our police officers and firefighters the tools and environments they need to keep our community safe and effective. Major Jubal Rogers, who works at the Roosevelt Precinct located at 3435 Roosevelt Hwy, specifically highlighted the shortcomings of the Field Operations Division. Some of the key concerns include:

- Insufficient space for interviews: The roll call room doubles as an interview room for detectives, posing officer safety risks because suspects cannot be adequately contained.
- Overcrowded offices: Major Rogers shares a small office with Captain U. Norris, while 20 supervisors share another office with two desks.
- Limited amenities: There's only one restroom for all officers, and inmates must share facilities.

These conditions show we need better infrastructure to support the department's operations.

Investing in new facilities would enhance officer safety, efficiency, and overall effectiveness in serving the South Fulton community.

Guardian of the Innocent Award

The South Fulton Police Department proudly congratulates Lt. P. Triplett on receiving the Guardian of the Innocent Award, presented by Frank J. Mazzilli, Public Safety Manager of the Fulton Industrial Boulevard Improvement District, with the support of COSF District 1 Council Member Dr. Catherine Foster-Rowell. Lt. P. Triplett earned this honor through his quick thinking and dedication during a critical incident on July 5, 2025. While assisting with an investigation, Lt. P. Triplett recognized a young female who had been providing false information. Drawing on his knowledge of a prior case, he was able to identify her as a missing juvenile from an Atlanta Police Department case. Through his intervention, he discovered that the young girl was a victim of sex trafficking and uncovered critical information that connected the case to additional victims. The swift action ensured the juvenile's safety and provided vital leads that will aid in rescuing others. This award is a testament to Lt. P. Triplett's unwavering commitment to protecting the most vulnerable in our community. His courage, dedication, and vigilance truly embody what it means to serve and protect. We also extend our sincere thanks to Council Member Dr. Catherine Foster-Rowell for her support in recognizing this extraordinary act of service.

H.E.A.T. Unit Community Engagement

Cpl. J. Clayton and Cpl. D. Harris from the South Fulton Police Department's H.E.A.T. Unit are out spreading the word about the dangers of distracted driving and the importance of following this law. Distracted driving can lead to devastating consequences, including crashes, injuries, and fatalities. The 'Hands Free Georgia Act' prohibits drivers from holding or supporting a wireless telecommunications device or a stand-alone electronic device while operating a vehicle.

Recognition

Congresswoman Lucy McBath proudly recognized Sergeant M. Cooper and Investigator R. Johnson on the House floor for their extraordinary bravery and selfless service.

On August 16, 2025, Sgt. Cooper and Inv. Johnson responded to a serious rollover accident on Campbellton-Fairburn Road and Hall Road. Acting without hesitation, they worked together to rescue five individuals—including two toddlers and three adults—trapped inside the overturned vehicle. Their quick thinking, professionalism, and courage exemplify the highest standards of public service and reflect the very best of the South Fulton Police Department.

Humans X Law Season 1, Episode 2

Highlights an incredible act of bravery and compassion by Captain Craigory Harper of the South Fulton Police Department. A newborn is alive today thanks to his quick thinking and decisive action. While wrapping up his shift, Captain Harper noticed a car pull into the precinct parking lot. A frantic mother rushed to him, pleading for help—her baby wasn't breathing. Without hesitation, Captain Harper sprang into action. This remarkable story is a powerful reminder of the humanity behind the badge and the life-saving impact our officers have every day.

Humans X Law Season 1, Episode 2

Humans x Law | Season 1, Episode 3

In this episode, we spotlight two of South Fulton's finest—Sgt. Cooper and Cpl. Johnson—whose quick action and bravery saved the lives of children and adults during a car rollover crash. Their courage in the face of danger reminds us that behind the badge are human beings dedicated to protecting and serving our community every single day.

Watch their powerful story in Episode 3 of our Humans x Law series.

Humans X Law Season 1, Episode 3

Georgia Records Association Annual Conference

Members of our Administrative and Records team represented the City of South Fulton at the Georgia Records Association Annual Conference in Peachtree City, GA. 📁 ✨

The conference brought together professionals from across the state to focus on records management, explore emerging trends, and share best practices in the field.

We are proud of our team for their commitment to excellence and professional growth:

👉 L to R: Damaine Cole-Aubert (City Clerk's Records Administrator), Syndie Cooper (Open Records Coordinator), Natassja Holmes (Criminal Information Systems Technician), Aurelia Gray (Office of the Chief Administrative Coordinator), Sharion Mallory (Records Administrative Assistant), Latasha Childress (Open Records Administrator), and Ann-Marie Dixon (Records Administrative Assistant).

👏 Thank you for the important work you do every day in support of transparency, accountability, and service to our community!

Kyle Watson Appreciation Day

We celebrated Kyle Watson Appreciation Day, honoring a remarkable young boy with autism whose story inspired change and awareness in our community. After a pivotal moment that highlighted the need for better understanding and training, the South Fulton Police Department now requires autism training for all officers, ensuring safer interactions for individuals on the spectrum. The day was marked with a special award recognizing Kyle's strength, resilience, and positive impact. The certificate presented to Kyle reads: "In honor of Kyle's extraordinary bravery and the meaningful work inspired by his journey. This day is dedicated to raising awareness about autism and celebrating Kyle, whose strength and determination continue to inspire the community. We further commend the South Fulton Police Department for its commitment to specialized training for officers, and we affirm our shared dedication to fostering a more equitable and just community for all individuals, including those with autism."

Kyle's journey also led to the creation of Project Lifesaver, a program that helps locate residents prone to wandering. We're grateful for the support of Councilman Jaceey Sebastian, Mayor Khalid Kamau, and PAL Executive Director Veronica Carew, who joined us to celebrate this momentous occasion. Kyle also received the "Light in Blue" Award from PAL Executive Director Veronica Carew. Let's continue to promote autism awareness and support individuals with developmental challenges in our community!

Agreement with NGT Group LLC

1. The City Council has approved a vital step to improve traffic flow and safety along Flat Shoals Road. The City will move forward with a \$4.2 million contract to install an Advanced Traffic Management System (ATMS). This project will modernize traffic signals, enhance safety, and reduce congestion for drivers. This investment reflects our continued commitment to building safer, more efficient roadways for our residents and visitors.

2. Procurement Activity Update

During this report period, the City issued 320 Purchase orders totaling \$2,262,451.75. The majority of activity supported the Police Department, and significant investment in public safety equipment reflected the City's commitment to enhancing community safety.

GOAL 1

Enhance Government Efficiency and Productivity

The Public Affairs Department is committed to creating efficient internal operations and systems to deliver high-quality municipal services. Our goal is to improve the quality of life for residents and businesses in the City of South Fulton by ensuring that our government functions smoothly and effectively, meeting the needs of our community with professionalism and excellence.

GOAL 2

Increase Community Collaboration and Improve Quality of Life

The Public Affairs Department is dedicated to strengthening relationships with our county and state legislators and surrounding municipalities to aid the City of South Fulton in taking a regional approach to services. Launch initiatives and create change to improve our quality of life, including public safety.

GOAL 3

Enhance the City's Financial Stability and Economic Diversification

The Public Affairs Department is committed to strengthening our financial infrastructure by building and diversifying revenue sources. Focus is on promoting a healthy and prosperous economy by supporting small businesses, entrepreneurs, tourism, and public-private partnerships. We are dedicated to defining and showcasing the unique identity of the City of South Fulton and effectively marketing it to stakeholders. Through strategic initiatives and collaborations, we aim to create a vibrant economic environment that benefits all members of our community.

GOAL 4

Strengthen and Expand Infrastructure to Support Sustainability

The Public Affairs Department is dedicated to strengthening relationships with our county, state legislators, and surrounding municipalities. By taking a regional approach to services, we aim to launch initiatives and drive changes that enhance the quality of life in the City of South Fulton, including improvements in public safety. Through collaboration and shared goals, we are committed to creating a safer, healthier, and more vibrant community for all current and future residents.

PUBLIC AFFAIRS – August 2025 Accomplishments

This report outlines the Public Affairs Department's activities for September 2025 and demonstrates how each action aligns with and supports the city's four strategic goals.

Events

The Public Affairs Department managed and provided support for the following events, with each

activity contributing to one or more of the strategic goals. The team provided photographic coverage and coordination with police, fire, and Parks and Recreation.

- **Mini Pitch Ribbon Cutting at Wilkerson Mill Park** (District 4) - Aligns with **Goal 2** by providing a new recreational space and **Goal 4** by improving park infrastructure.
- **D2 and Fulton County Event** - Aligns with **Goal 2** by strengthening intergovernmental collaboration.
- **D4 Patriots Day Post Request** - Aligns with **Goal 2** by fostering a sense of community and civic pride.
- **ED: South Fulton Means Business** - Aligns with **Goal 3** by supporting local businesses and economic development.
- **OND Farmers Market** - Aligns with **Goal 2** by creating community gathering spaces.
- **D5 "Reflections" Mother & Daughter Luncheon** - Aligns with **Goal 2** by promoting community engagement and quality of life.
- **D6 Press Conference** - Aligns with **Goal 1** by ensuring clear and efficient communication of government affairs.
- **D4 International Cultural Festival** - Aligns with **Goal 2** by celebrating diversity and community.
- **D6 Health & Wellness Day** - Aligns with **Goal 2** by promoting public health and well-being.
- **D7 Azucar Fest** - Aligns with **Goal 3** by promoting tourism and cultural events.
- **Red Oak Community Clean Up** - Aligns with **Goal 2** by encouraging community collaboration and improving quality of life.
- **Public Works: Wilkerson Mill Park Community Meeting** - Aligns with **Goal 4** by engaging residents on infrastructure projects.
- **D3 Fresh Market** - Aligns with **Goal 2** by supporting local food initiatives.
- **Public Works: Sierra Estates Community Meeting** - Aligns with **Goal 4** by engaging residents on infrastructure projects.
- **D4 Intl Cultural Market** - Aligns with **Goal 3** by supporting local entrepreneurs and tourism.
- **D6 Food Distribution** - Aligns with **Goal 2** by addressing community needs.
- **D1 Bingo** - Aligns with **Goal 2** by providing social activities for residents.
- **D6 Senior Resource Expo** - Aligns with **Goal 2** by supporting the city's senior population.
- **Atlanta Funk Fest** - Aligns with **Goal 3** by promoting tourism and economic activity.
- **ED: Ready, Set, Work! Job Readiness Boot Camp** - Aligns with **Goal 3** by supporting workforce development.
- **D2 Town hall/GDOT** - Aligns with **Goal 2** by collaborating with state agencies and **Goal 4** by discussing transportation infrastructure.

- **Public Works: Stonewall Manor Community Information Meeting** - Aligns with **Goal 4** by informing residents on infrastructure.
- **D1 Community Clean Up** - Aligns with **Goal 2** by fostering community pride.

Media Relations

- **Press Releases & News Updates**
 - **City of South Fulton Announces City Council's Adoption of \$425M FY26 Budget** - Directly supports **Goal 3** by communicating financial stability.
 - **City of South Fulton Approves FY26 Budget and Secures \$96M Financing with No Millage Rate Cap Change** - Directly supports **Goal 3** by highlighting responsible financial management.
 - **Temporary Road Closure for New Roundabouts and Temporary Road Closure Near Old Fairburn and Stonewall Tell Roads** - Directly supports **Goal 4** by informing residents about infrastructure projects.
 - **COSF Hosting 3rd Annual Azucar Music Festival Spotighting Latin Culture, Music, & Cuisine** - Directly supports **Goal 3** by promoting tourism and the city's unique identity.
 - **Feature Story for Fire Department About Life Save Award** (Not Released Yet) - Directly supports **Goal 2** by celebrating public safety heroes.

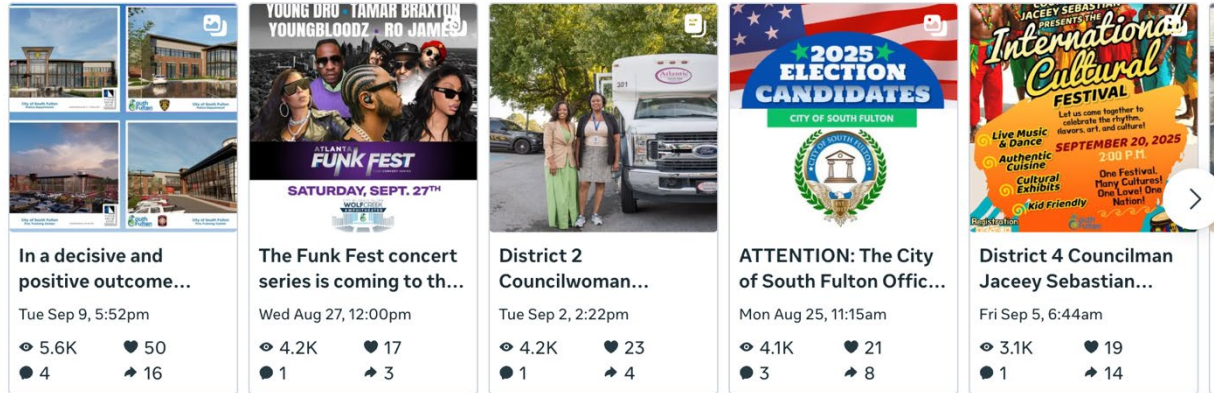

Website and Social Media Performance

Website

- **Website Content Updates:**
 - Updated the City Calendar with over 15 events.
 - Updated **Grants, Crime Stats, Public Works,** and **Budget** webpages.
 - Uploaded the City Manager's Monthly Report for August.
 - Removed and replaced broken links.
 - **Impact:** These actions ensure accurate, timely information is available to the public, directly supporting **Goal 1** and enhancing government efficiency.

Photography/Videography

For a comprehensive visual record of the month's activities, we invite you to access the official photo and video gallery. This curated collection provides a detailed view of key events and initiatives.

To view the full gallery, please click this [PHOTOS](#) link. This resource is maintained in accordance with departmental data management protocols and is intended for official use and informational purposes.

- **Events Photographed:** The department documented **17 events**, including the **Mini Pitch Ribbon Cutting** and community clean-ups. This visual content serves to promote the city's commitment to improving quality of life, aligning with **Goal 2** and **Goal 4**.
- **Photo Sessions:**
 - **15 new employees photographed** - Supports **Goal 1** by creating a professional image for the city's workforce.
 - **Photographed officers for Representative McBath's Police Personnel Appreciation** - Aligns with **Goal 2** by highlighting public safety collaboration.
- **Miscellaneous:**
 - Gathered photos for a **recruitment brochure** - Supports **Goal 1** by aiding in talent acquisition.
 - Gathered photos for the **District 4 Fire Department** - Supports **Goal 2** and **Goal 4** by showcasing public safety infrastructure and personnel.

The following is the Transportation Update Report for September 2025. The (*) mark indicates updated information from the August 2025 report. This report provides a detailed overview of sixty-four (64) projects for the City of South Fulton in TSPLOST I, TSPLOST II, Capital Improvement, State, and Federal funding within Public Works in the following stages:

- | | |
|------------------------|---------------------------------|
| 1. Planning: | Zero (0) total projects. |
| 2. Design: | Thirty-six (36) total projects. |
| 3. ITB/ Out-to-Bid: | *Two (2) total projects. |
| 4. Under Construction: | *Fifteen (15) total projects. |
| 5. Completed: | Eleven (11) total projects. |

1. Planning Phase (0 projects). Projects in this phase will have defined scopes and cost estimates. However, they will require evaluation by a design engineering firm. Once design consultants are assigned, project estimates and a schedule will be provided.

2. Design Phase (36 projects). Projects in this phase will transition to construction once the concept reports are reviewed, the design is complete, the Right-of-Way (ROW) plans have been certified, and the land parcels have been acquired. The cost estimates and project schedule are subject to change.

- **Capital Improvement Projects (CIP) (5) -Gravel Road projects**

- **RG-160.** Two segments of Jones Rd need paving, and a culvert needs replacing. RSH, the design consultant, will evaluate improvements at the Hall Road 4-way stop, considering a planned GDOT roundabout at Campbellton-Fairburn Road (SR 92). Ten parcels are expected for acquisition. Engineering costs are \$538,268, with construction estimated to begin fall 2026. The total estimated cost is \$13 million, with an estimated \$3.65 million in construction expenses to be funded by Union City via an Intergovernmental Agreement (IGA). A public input open house (PIOH) occurred on June 12, 2025, where RSH presented drawings and discussed potential improvements with the public.
- **RG-164.** Oxford Rd is a half-mile unpaved residential street that functions as a cul-de-sac originating from West Stubbs Rd. ROW needs are currently being evaluated. Khafra Engineering is the design consultant for \$149,277. Design is expected to be completed by the end of 2025, with construction estimated to begin in spring 2026. A PIOH was held on June 10, 2025, where Khafra provided drawings and discussed potential improvements with the public. The concept report has been reviewed *and finalized. The estimated cost is \$5.6 million.

- **RG-163.** Thames Rd, a 1600-ft gravel road, will have a complete street design, including sidewalks, implemented at the intersection with Butner Rd. ROW needs are being evaluated. Khafra Engineering is the design consultant for \$158,886. Design completion is expected by the end of 2025, with construction estimated to commence in spring 2026. The concept report has been reviewed *and finalized. A PIOH was held on May 29, 2025, where Khafra provided drawings and discussed potential improvements with the public. The estimated cost is \$5.3 million.
- **RG-162.** Rocky Head Rd. A 900-ft. unpaved residential street connecting Owl Rock Rd. and Union Rd. ROW needs are being evaluated. Khafra Engineering is the design consultant for \$110,134, with design completion by the end of 2025. The concept report has been reviewed *and finalized. A PIOH was held on May 29, 2025, where Khafra Engineering provided drawings and discussed potential improvements with the public. Construction is estimated to start in spring 2026. The estimated cost is \$3.7 million.
- **RG-161.** Hall Rd. A one-mile unpaved road will be paved, have sidewalks, and other improvements. The existing bridge over Line Creek may need to be replaced. Moreover, the intersections with Jones Rd and Ridge Rd will require enhancements. Another segment, approximately 1.75 miles long, is currently paved but needs the addition of sidewalks and other essential upgrades. ROW needs are being assessed. RSH is the design consultant for \$711,960, with completion expected by summer 2026 and construction to begin by fall 2026. The concept report has been reviewed *and finalized. A PIOH occurred on June 11, 2025, where RSH provided drawings and discussed potential improvements with the public. The estimated cost is \$15.9 million.

- **Federal/State Projects (5)**

- **PI0019647.** This GDOT-managed project will enhance the intersection of Fulton Industrial Blvd at Westpark Place by improving sight distance for motorists in the turning lanes by offsetting the left-turn lanes on Fulton Industrial Blvd. A Restricted Crossing U-turn (RCUT) intersection will be implemented to alleviate congestion and reduce accidents from Westpark Place. The estimated cost is \$2.6 million, with construction projected to start early 2027 for \$2 million. The project spans 1900 feet, with GDOT anticipating acquiring four parcels during the ROW phase. Design engineering was authorized for \$622,727. The Preliminary Field Plan Review (PFPR) has been completed.
- **PI0019841.** This GDOT-managed project will improve Jonesboro Rd at Bethsaida Rd intersection by installing a multi-lane roundabout. According to GDOT, this safety project is estimated to cost \$5.6 million, with construction estimated to start in spring 2027 and take two years to complete for \$4.1 million. The project is 1584 feet long. GDOT estimates four parcels along Jonesboro Rd need to be acquired. Design engineering was authorized at a cost of \$700K. The PIOH meeting was held on March 26, 2025, and the input has been evaluated.

- **T-281.** The Fulton Industrial Blvd sidewalks between Lakeview Court and Westpark, and the Fulton Industrial Blvd at Cascade Rd intersection improvements (**T-282**), will be let as one project for construction. All agreements between the City and GDOT are in place, and the City has approved the Concept reports. Both projects are part of the Fulton Industrial Community Improvement District (FICID). Projects will be let for construction by GDOT through the FICID; South Fulton is listed as the local Municipality and funded through the ARC's Last Mile Connectivity Program. The estimated total cost from GDOT is \$9.2 million, with \$1 million coming from local funds. Kimley-Horn & Associates, Inc. is the design engineer. The design is estimated to be completed by November 2025, with construction scheduled to begin in June 2026, and is expected to take approximately one year to complete.
- **OSI-605.** SR 92 @ Jones Rd and SR 92 @ Demooney Rd intersections improvements, including installing two roundabouts. The total project length is 4040 feet, and it will be managed and funded under GDOT's safety program. Short-term and intermediate-term solutions have been developed to address safety and operational concerns, including clearing vegetation and implementing temporary traffic signals. There may be some lane closures during the project. The design is estimated to be completed by June 2026, with construction expected to commence in *spring 2027. The estimated cost is *\$13 million, with \$52,250 allocated from TSPLOST I Funds. AECOM is the design engineer. It is estimated that GDOT will acquire eleven parcels.
- **TSPOST II Projects (19).** The City Council approved several design consulting firms for standby design engineering services. The following projects were awarded. Project cost estimates and schedules have been updated and are subject to change.

<u>Project Name</u>	<u>Cost Est.</u>
PBI-906. Welcome All Rd sidewalks (1.5 miles) from Roosevelt Hwy to Will Lee Rd is designed AEI/STV with completion expected by the end of 2026. They are developing the concept report; cost estimates and schedules will be updated. The estimated construction phase funding of \$3,267,384 has been deferred to future funding.	\$3.7M
PBI-911. Merk Rd sidewalks (1.25 miles) from Camp Creek Parkway to Aldredge Rd. The design was awarded to AEI/STV, with completion expected by *summer 2026. The concept report has been developed. The estimated construction phase funding of \$3,888,540 has been deferred to future funding.	\$4.2M
PBI-910. Fill in sidewalk gaps, approximately ¾ of a mile within the existing sidewalk network on Jerome Rd from Old Notional Hwy to Old Bill Cook Rd. Design engineering was awarded to RS&H, with design completion by the *summer of 2026. The estimated construction phase funding of \$1,633,692 has been deferred to future funding. RS&H is developing the concept report, and cost estimates and schedules will be updated.	\$1.8M
T-288 (B-510). Stacks Rd Bridge Replacement over CSX Railroad. Design engineering was awarded to Atlas for \$240K and to CSX Transportation for \$27,550 from the Public Works' General Fund, with an estimated completion date *of spring 2026. A PIOH was held on	\$5MM

December 18, 2024, to inform the public of the traffic study findings. The concept has been approved. ROW plans are being developed, with an estimated construction let in 2026.	
OSI-631. Union Rd at Thames Rd intersection improvements will include a roundabout, sidewalks, and streetlights. AEI is the design consultant with completion in early 2026 for \$194,700. Eleven parcels are estimated to be acquired. A PIOH was held on December 16, 2024. Plans are under review. The estimated start of construction is late 2026.	*\$1.7MM
OSI-629. Ono Rd/Hobgood Rd at Rivertown Rd intersection improvement, including a roundabout, sidewalks, and streetlights. AEI is the design consultant for \$258,060, with completion in spring 2026, with an estimated construction start in *fall 2027. Plans were reviewed, and a field review is underway. Eighteen parcels are estimated to be acquired.	\$3.9MM
OSI-628. Old Fairburn Rd at Thaxton Rd intersection improvement will include a roundabout, sidewalks, and streetlights. The design, awarded to Khafra for \$196,625, is estimated to be completed in the fall of 2026, with an estimated construction start date in the spring of 2027. The concept report is being finalized. *PIOH will follow.	\$4.3MM
OSI-622. Butner Rd at Aldredge Rd intersection improvements, including roundabout alternatives, sidewalks, and streetlights. The design, awarded to Khafra for \$195,965, is estimated to be completed in fall 2026, with an estimated construction start date in *summer 2027. The concept report is being finalized. *PIOH will follow.	\$3.2MM
OSI-600. Bethsaida Rd at Creel Rd/West Rd intersection improvements, including roundabout alternatives, sidewalks, and streetlights. The design, awarded to AEI for \$237,160, is estimated to be completed by the end of 2025, with an estimated construction date in early 2028. A PIOH was held on July 10, 2025.	\$3MM
OSI-623. Bethlehem Rd at Cedar Grove Rd intersection improvements, including roundabout alternatives, sidewalks, and streetlights. The design, for \$189,750, was awarded to Khafra and is estimated to be completed by Fall 2026, with an estimated construction start in *2028. There is a potential concept change with this project, which may cause a delay in design and construction.	\$2.7MM
OSI-620. Aldredge Rd at Merk Rd intersection improvements, including a roundabout, sidewalks, and streetlights. The design was awarded to AEI for \$248,160, with completion by November 2025. In the ROW phase, ten parcels are to be acquired. A PIOH was held on December 16, 2024, to inform the public of the findings of the traffic study. Anticipated construction to start in fall 2026.	\$1.9MM
PBI-914. Fill in sidewalk gaps within the existing 1.15 miles of sidewalk network on Union Rd from *Owling Rock Rd to Bunting Ln. *The concept report is being updated after a scope change. The design was awarded to Khafra for \$398,280 and is estimated to be completed by early 2026. *PIOH to be scheduled. Anticipated construction to start in late 2026 or early 2027.	\$5.3MM

B-508. Koweta Rd Bridge Over Deep Creek Replacement. AEI is the design consultant for \$218,750. Estimated Design completion by early 2026. Anticipated construction to start in Fall 2026. *PIOH to be scheduled.	\$3MM
B-505. Derrick Rd Bridge Over Deep Creek Tributary Replacement. AEI is the design consultant for \$218,750. Estimated Design completion by early 2026. Anticipated construction to start in Fall 2026. *PIOH to be scheduled.	\$2.9MM
PBI-908. Flat Shoals Rd sidewalks (2.5 miles) from Old National Hwy to Buffington Rd. RS&H, the design consultant for \$451,385, is developing the concept report. The design is estimated to be completed by summer 2027. Anticipated construction starts in early 2028. The construction phase estimated cost of \$5,992,080 will be deferred to future funding.	\$6.5MM
PBI-903. Cascade Rd sidewalk (3 miles) from the City of Atlanta city limits to Fulton Industrial Blvd. RS&H, the design consultant for \$581,035, is developing the concept report. The design is estimated to be completed by summer 2027, with anticipated construction starting in early 2028. The estimated cost of the construction phase of \$6.1 million will be deferred to future funding. *PIOH to be scheduled.	\$6.8MM
PBI-902. Bethsaida Rd sidewalk (1.5 miles) from Old National Hwy to Nunn Woods Way. AEI/STV is the design consultant for \$431,749. Estimated design completion by the end of 2025, with construction to start in early 2026. PIOH was held on July 10, 2025.	\$4.8MM
B-599. Oglesby Rd Bridge/Culvert over a tributary of Morning Creek is a quick-response bridge replacement project. This bridge will have accessibility throughout the project. AEI is the design consultant for \$202,917. Estimated Design completion by early 2026, with construction to start in early 2027.	\$2.3MM
T-270 (B-504). The Design of the Demooney Rd over Deep Creek Bridge Replacement, featuring sidewalks, is complete. Long Engineering was the design consultant for \$284,625 from the Public Works' General Fund. The project is in the ROW phase. Once the two remaining parcels are acquired, the project will enter the Invitation To Bid (ITB) phase for construction. The estimated start for construction is *December 2025.	\$3.2MM

- **TSPLOST I Projects in the Design phase (7)**

<u>Project Name</u>	<u>Cost Est.</u>
OSI-619. The design of the Butner Rd at West Stubbs Rd intersection improvement is underway by AEI for \$47,326.90, anticipated to be completed by spring 2026. The construction phase estimated cost of \$4.8 million will be deferred to future funding.	\$5.5MM
OSI-618. The design of the Welcome All Rd at Scarborough Rd intersection improvement, including a roundabout and sidewalks, has been completed by AEI for \$141,335. Utility coordination is ongoing. ROW acquisition phase with six of nine parcels acquired.	\$2.9MM

Construction is estimated to start in early 2026. The ITB is anticipated to go out November 1, 2025	
OSI-616. The design of Stonewall Tell Rd at Jones Rd/Pittman Rd intersection improvement, which includes a roundabout and sidewalks, has been completed by AEI for \$131,445. ROW acquisition phase with six of nine parcels acquired. Utility coordination is ongoing. Construction is estimated to start in spring 2026. \$1 million of the estimated total will be funded by Fund 212 (Camera Funds).	\$3.5MM
OSI-608. The design for the intersection improvement of Enon Rd at Stonewall Tell Rd, including a roundabout, streetlights, and sidewalks, has been completed by Jacobs Engineering for \$133,814. ROW acquisition phase with eight of eleven parcels acquired, with construction estimated to start in summer 2026. Construction phase funding of \$2.6 million is being moved to TSPLOST II funding. Utility coordination is ongoing.	\$2.9MM
OSI-607. The design of the Demooney Rd @ West Stubbs Rd intersection improvement, which includes a roundabout, streetlights, and sidewalks, has been completed by Jacobs Engineering for \$139,679. *ROW acquisition phase with two of four parcels acquired. Utility coordination is ongoing. Construction is estimated to start in *spring 2026.	\$2.7MM
OSI-603. Butner Rd at Pittman Rd intersection improvement includes a roundabout, sidewalks, and streetlights. AEI is the design consultant for \$143,672, with completion expected by *early 2026. Construction is estimated to start early 2027.	\$3.4MM
OSI-601 (B-500). Butner Rd at Camp Creek Parkway intersection improvement and bridge replacement, including sidewalks and trail path access. Both projects are scheduled to be advertised together for construction. Atlas, the design engineer for the bridge replacement project, is in the final design phase for \$177,346. The ROW acquisition phase has two parcels remaining to be acquired. AEI, the design firm for the intersection project, has completed the design for \$81,500. The ROW phase is also complete. *Let for Construction is anticipated to by end of 2025.	\$7.6MM

3. Intent-To-Bid (ITB)/ Out-To-Bid *(2) Projects. Projects in this phase are either preparing to go through the bid process or are currently in the bid process. The next phase is the construction phase.

- **Federal Projects *(1)**

- **T-265.** Sidewalks and landscaping will be installed on Old National Highway from Flat Shoals Rd to Jonesboro Rd, along with signal upgrades at Bethsaida Rd, Creel Rd, Woodward Rd, McGhee Landing, and Flat Shoals Rd. Design is complete. Funding for this project is provided by the ARC's Last Mile Connectivity Program. The estimated cost is \$5.4 million, which includes \$1.6 million in local funding. Atlas is the design firm for this project, with a contract worth \$274,159. The project was let for construction on June 13, 2025, and bids closed on July 16, 2025. *The city has reviewed the bids, and GDOT has made its recommendations. *Anticipated to be awarded by City Council in October. The project is expected to take a year to complete once the Notice to Proceed (NTP) is issued to the awarded vendor.

- **TSPLOST I Projects (1)**

- **OSI-617.** Welcome All Rd at Jaillette Rd intersection improvement, including sidewalks and streetlights, was completed by Atlas for \$117,185. *ROW certified. Once final utility coordination with the City of Atlanta's Department of Watershed Management is completed, the city will prepare the ITB for advertising, *which is anticipated to be November 1, 2025. *Construction is expected to start once the NTP is granted, with an estimated cost of \$2.6 million and a duration of one year.

4. Under Construction *(15) Projects

- **Federal/State *(9)**

- **T-285.** An elliptical roundabout will be built at the intersection of SR 92, Butner Rd, and Ridge Rd (1/2 mile), along with streetlights. ROW phase is complete. AECOM, the design engineering firm, completed the design for \$955,000. GDOT closed the construction bid on June 13, 2025, and awarded the contract to SD&C for \$3,918,653 on July 10, 2025. The total cost is \$6,513,798. *The project is estimated to be complete by July, 2026.
- **T-277.** The Cochran Rd bridge over Camp Creek is being replaced. The bridge will have lighting, sidewalks, and new roadway approaches. This project is funded 80% by ARC and 20% by local funds. Southeastern Site Development, Inc. is the construction vendor for \$3,894,560.01, plus a 10% contingency, for a total construction cost of \$4,284,016.01. Construction is estimated to be completed by *fall 2026.
- **T-280.** Oakley Road over Broadanax Creek bridge replacement. This GDOT-managed project includes sidewalks on both sides. Williams Contracting Company, LLC has the contract at \$1,992,985.75. The project is funded through ARC's Roadway/ Bridge Upgrade program with a GDOT let. The total cost is \$3,292,985.75 million, with \$50K in local funding. The detour is from June to *November 2025, and the project's anticipated completion is by the end of 2025.
- **T-273.** Buffington Rd from Rock Quarry Rd to SR 14/US 29 is being upgraded. The bridge over South Fulton Parkway will be replaced. **T-272.** Additionally, Buffington Road, from Royal South Parkway to Rock Quarry Rd, is undergoing upgrades, including shoulder sidewalks and operational improvements at each intersection. Both projects are GDOT-managed. C.W. Matthews has been awarded both contracts, totaling \$42.5 million, with \$3.1 million in local funding allocated for utilities. The expected completion date for construction is November 2026. Utility relocation, storm drain installation, and retaining wall construction are ongoing. Throughout the construction process, temporary lane closures, traffic shifts, and detours may be implemented to ensure the safety of everyone in the area. However, no closures will occur from 6:00 a.m. to 9:30 a.m. and 4:00 p.m. to 6:00 p.m., Monday through Friday.

- **T-266.** The sidewalk project along New Hope Rd between Campbellton Rd and Danforth Rd will include a roundabout at Boat Rock Road. It is 80% funded through the ARC's Last Mile Connectivity Program and 20% funded locally. On March 19, 2024, DAF Concrete, Inc. was awarded the construction contract for \$3,301,268, plus a 10% contingency. NTP was given on November 21, 2024. According to GDOT, the completion date is *summer 2026.
- **OSI-624.** Converting Roosevelt Hwy at Washington Rd signalized T-intersection into a single-lane roundabout and other improvements. This is a GDOT-managed project. GDOT issued the NTP to Knight & Associates on November 30, 2023. The construction completion date is on track for late fall 2025. According to GDOT, the total cost is \$6,774,387.63, plus \$684,300 in local funding for utilities.
- **PI0013809.** Bridge Replacement on SR 14/US 29 between Mallory Road and Welcome All Road over CSX Railroad, including sidewalks. The bridge will be constructed adjacent to the existing one to facilitate traffic flow. The project has a total project length of 0.417 miles. CMES, Inc., was awarded the contract for \$17,539,855. The NTP was issued on September 11, 2024, and is scheduled for completion by the end of September 2027.
- ***B-502.** Bethsaida Rd over Morning Creek Bridge will be replaced, and sidewalks will be added. The project length is a quarter of a mile. GDOT will manage and fund this project under its Local Bridge Replacement Program. A PIOH was held on March 26, 2025. The project was let for construction in August 2025. *The Total cost is \$4,802,428 with the city funding \$50k towards ROW acquisition. *Wilson Construction Management, LLC., was awarded the contract for \$3,507,428. CHA Consulting *was the project engineer (PE). There will be a detour during the bridge construction. Sixteen parcels *were acquired.

- **TSPLOST II Projects (3)**

- **TSPLOST II Resurfacing.** There were 63 resurfacing projects throughout the city in all seven districts. The 3-phase Resurfacing Contract, which included corridors, subdivisions, and toppings, was approved for ER Snell for \$21,726,739.66. The resurfacing project started in March 2024 and was completed by August 2024. The City Council amended the contract through a project funding adjustment and amendment action on May 13, 2025, to add funding of \$3,350,211.03 with a contingency of \$335,021, for a total amended amount of \$3,685,232.13. This action increased the total contract value not to exceed \$25,411,971.79. At the end of May 2025, the contractor was granted an NTP to finish repaving subdivisions from the original 2024 resurfacing list.
- **T-271 (B-506).** Fairburn Rd upgrades from Cascade Rd to North Utoy Creek include sidewalks, replacements of the North and South Utoy Creek bridges, addition of turn lanes, and other improvements. SD and C, Inc. was awarded the contract for \$8,454,703.64, with a contingency of \$750,000. The total estimated cost is \$9,723,473. Utility relocation and bridge work are ongoing. The estimated completion date is May 2026.

- **RS-417.** Full-depth Reclamation (Pavement Rehab) of 11 locations in the Fulton Industrial Blvd area in District 1 for 2.7 miles, and deep base repair was done where needed, along with milling and resurfacing. The project was awarded to Atlanta Paving and Concrete Contractors, Inc. for an amount not to exceed \$2,956,048.40, plus a 10% contingency, totaling \$3,251,653.24. Within this contracted amount is \$1.84 million in Local Maintenance and Improvement Grant (LMIG) funds. Purchase orders were prepared, and an NTP was granted on November 14, 2024, for East Great Southwest Pkwy and Villanova Dr. Another NTP was issued at the end of May 2025 for the remaining nine locations. Ten locations, Frederick Ct, Wharton Dr, Indeco Blvd., East Great Southwest Pkwy, Westgate Dr, Bucknell Ct, Villanova Dr, Loyola Dr, Fisk Dr, and Greensboro Dr., are complete. The last location, Waterfront Dr., will be finished by the end of mid-November 2025.

- **TSPLOST I Projects *(3)**

- **OSI-613).** Improvement of the Stonewall Tell Rd at Union Rd intersection, including streetlights, sidewalks, and a roundabout—also, the Old Fairburn Rd at Union Rd intersection improvement **(615)**. Due to proximity, the projects were advertised as a single project for construction. The bid closed on September 24, 2024. The estimated cost was \$4.3 million. City Council awarded the contract to Summit Construction & Development. LLC at the November 12, 2024, City Council meeting for \$3,493,926.51 plus 10% contingency. The NTP was given in January 2025. Construction to be completed by *April 30, 2026.
- ***SU-700.** Flat Shoals Road Signal Upgrades and fiber communications from Mallory Rd to Old National Hwy design were completed by Jacobs Engineering for \$341,597. ROW phase complete. The city advertised the project for construction on June 13, 2025, and bids closed on July 22, 2025. *NGT Group, LLC. was awarded the construction contract at the September 17th, 2025, City Council meeting for \$4,222,270.40 plus a 10% contingency of \$422,227.04 for a total construction award of \$4644,497.44. Construction will begin once the NTP is granted and should take a year to complete.

5. Completed Projects (11)

- **City of Atlanta-funded project (1)**

- **T-283.** A Culvert was replaced at the crossing of Loch Lomond Trail over Kimberly Creek. The City of Atlanta (COA) funded the installation of the culvert due to damage caused by a COA water main break.

- **Federal/State funded project (1)**

- **Stacks FDR.** Full-depth Reclamation of Stacks Rd from Feldwood Rd to 1,000 feet west of Mallory Rd in District 5, with widening, paving, and striping. The project was awarded to Atlanta Paving and Concrete Construction, Inc. in an amount not to exceed \$688,506.90 plus 10% contingency for a total of \$757,357.59. The project closing cost was \$757,352 plus \$44,225 in CEI services. 2020 LMIG State Funds were used to fund this project. The project was completed on September 30, 2024.

- **TSPLOST 1 Project (6)**

- **OSI-604.** Improvements to the Campbellton Rd at Stonewall Tell Rd intersection, including sidewalks, turn lanes, four streetlights, and a new traffic signal in Districts 1 and 2. CMC, Inc. was awarded the contract for \$3,174,180. The total is \$3,361,538. Greystone Power activated the signal and turned the streetlights on; a new alignment of Stonewall Tell Road is now in place. The construction part of the project came in under budget at \$2,917,114.04.
- **B-501.** Enon Rd over Camp Creek Tributary bridge replacement and sidewalks in District 1 were approved for construction and awarded to Baldwin Paving Co., Inc. for \$1,814,805.02. NTP was issued on January 24, 2024. The total cost is \$2,137,978.02. A groundbreaking ceremony was held in April 2024, and the ribbon-cutting ceremony was held in February 2025. The new culvert has been installed and is open to traffic.
- **PBI-900.** Sidewalks and streetlights along both sides of Danforth Rd, extending from Cascade Rd to Rehoboth Circle in District 1, are complete. CMC, Inc. has the contract for \$1,394,740. The total cost is \$1,770,551. Project completed on March 26, 2025
- **P-901.** Enon Rd sidewalks, along with streetlights on both sides, from Lynarbor Ln to Sanford J. Jones Blvd in District 2 is complete. AEI is the Engineer of Record. The contract was awarded to DAF Concrete, Inc. for \$3,583,350 with a 10% contingency. The total estimated cost is \$4.2 million. NTP was granted on March 28, 2024. A ribbon-cutting occurred on April 17th, 2025.
- **OSI-602.** The Butner Rd at Union Rd intersection improvement project is complete. It includes streetlights, a roundabout to address congestion and reduce the severity of accidents at this intersection, sidewalks, and other improvements that impact Districts 2 and 3. SD and C completed construction for \$3,813,696. NTP was issued on January 22, 2024. The total cost was \$4,065,625. A ribbon-cutting ceremony was held on June 18, 2025.
- **OSI-614.** Rivertown Rd at Cedar Grove Rd intersection improvement, including a sidewalk and a roundabout in District 4, is complete. The project was awarded for construction at the October 10, 2023, City Council meeting to CMC, Inc. for \$2,786,641.10. The total cost is \$2,932,191.10. The Ribbon-cutting Ceremony is Thursday, August 7th, 2025.

- **TSPLOST 2 Project (2)**

- **RC-127.** The Gullatt Rd full-depth reclamation project occurred from the I-85 bridge to McClarin Rd, next to the railroad tracks just before Roosevelt Highway. Gullatt Rd is partially in the City of South Fulton and partially in the City of Fairburn. An IGA was signed between both cities. The City of Fairburn awarded the construction project to Blount Construction. The City of South Fulton was responsible for 50% or \$337,306 of the construction cost (\$674,612) on the Gullatt Rd part of the project. The contractor completed the work within 180 days of July 8th, 2024, NTP by the City of Fairburn. The project was completed on November 15, 2024

- **T-276 (B-503).** Cochran Rd Bridge over Deep Creek replacement project in Districts 2 and 4. BRTU was awarded the contract for \$3,895,677.40 on September 26, 2023. The culvert was installed by the end of 2024, and the total cost, including design, was \$4,171,626.

- **Capital Improvement Projects (1)**

- **T-284.** The Kimberly Rd at Cascade Rd intersection improvement projects will include a new traffic signal, repaving, upgrading the sidewalk, and intersection striping. DCBC, LLC was awarded the contract for \$621,957.80, plus a 10% contingency for a total award of \$684,153.58. The total project cost, including design, is \$740,553.58. *The project is substantially complete.

TRAFFIC SIGNAL AT KIMBERLY MILL ROAD AND CASCADE ROAD- ACTIVATED ON SEPTEMBER 23, 2025

One Department * One Mission * One Team

DEPARTMENT OF PUBLIC WORKS

Antonio M. Valenzuela, Director

Jim Martinez, Deputy Director

INTRODUCTION

The Public Works Department is pleased to release the Project Updates Report for the various divisions- Planning, Capital, TSPLOST, and Engineering, Construction Operations and Maintenance, Traffic Operations & Maintenance, and Solid Waste.

The report is a reference document for all active projects in the City of South Fulton that are in various stages of implementation that include procurement, design, right-of-way acquisition, construction, and maintenance. Also, it outlines other standalone activities/programs, i.e., streetlights, utilities, and traffic calming.

The document is broken into four sections as outlined below:

- SeeClickFix allows residents and business owners to provide City of South Fulton staff with pictures, specific descriptions, and other valuable information needed to get the job done efficiently.
- The Transportation Section contains information related to Construction Operations & Maintenance, Traffic Operations & Maintenance, and Utilities. A summary of the Capital Improvement (CIP) and TSPLOST projects is included; however, the fact sheets are omitted from this report. Instead, the department launched a web-based real time project reporting tool using this [link](#) available on the Public Works homepage.
- The Stormwater Section briefed the reader on the conditions of the infrastructure, and maintenance needs.
- The Solid Waste section updates the reader on the residential collection program in the city.

Noteworthy accomplishments

- On September 23, the traffic signal at Kimberly Mill Rd and Cascade Rd has been fully activated
- Multi-road full depth reclamation project in the Fulton Industrial Boulevard area is complete

City of South Fulton Public Works Department

SeeClickFix

The City of South Fulton (COSF) 311 platform provides City officials with a centralized issue management system to manage issues from creation to resolution, engaging City of South Fulton residents throughout the process. The COSF mobile app and web tools allow residents and business owners to provide City of South Fulton staff with pictures, specific descriptions, and other valuable information needed to do the job efficiently. In addition, residents may seek information about city services or report non-emergency incidents by calling the city's **24-hour 311 Call Center at (470) 552-4311**.

Capital/TSPLOST

City of South Fulton Public Works Department

CAPITAL AND T-SPLOST TRANSPORTATION UPDATES

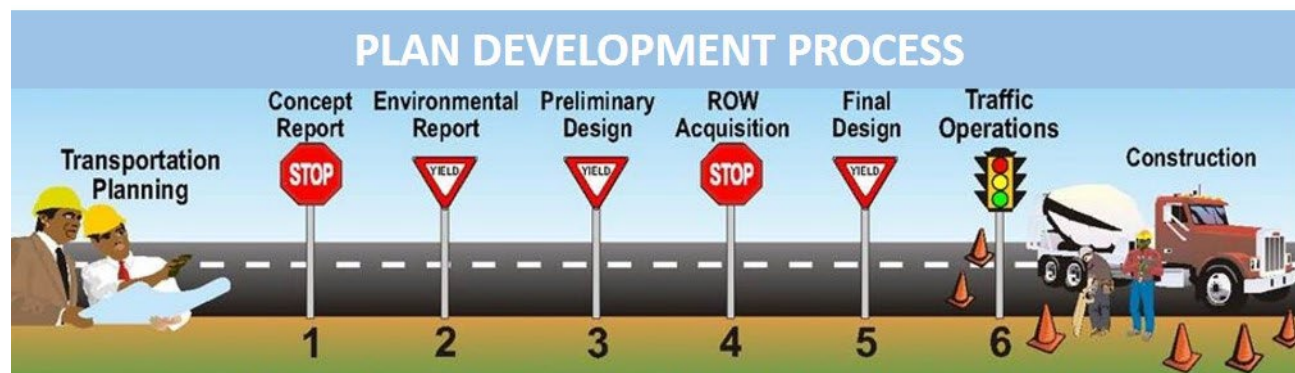

The City of South Fulton has a Capital and TSPLOST Program for implementing design projects that have been identified by City staff and stakeholders as a priority. Funding comes from the General Fund, TSPLOST sales tax collections and some Federal money.

TSPLOST-I tax collections started on April 1, 2017, and ended on March 31, 2022. TSPLOST-II tax collections started on April 1, 2022, and will end in 2027. TSPLOST-I projects are being prioritized for completion, and all TSPLOST-II projects will be in the concept or preliminary design stage.

The delivery of projects is centered around GDOT's Plan Development Process (PDP). This process typically consists of the four major phases: Design, Environmental Clearance, Right-of-Way (Services and Acquisition) and Construction (including CEI). Additional details of these phases are depicted below, which detail the project development process utilized by Public Works.

The plan development process, start to finish, is illustrated below:

TSPLOST I: Projects moving toward Construction

SU-700 – Flat Shoals Road ATMS – Project was awarded to NGT Group, LLC. Contract execution is being routed.

OSI-617 – Welcome All at Jaillette Road – Finalizing utility certification. A draft ITB is being prepared for advertising ITB.

B-500/OSI-601 Butner Road at Camp Creek (bridge replacement and intersection improvement) – Final design, utility coordination and ROW acquisition continue in advance of advertisement later this year.

Projects in Right-of-Way (ROW) Acquisition

OSI-616 – Jones Road at Pittman Road/Stonewall Tell Road (TSPLOST-I) – Continuing in ROW Acquisition and final utility coordination before advertisement.

OSI-618 – Welcome All Road at Scarborough Road/Jailette Road (TSPLOST-I) – Continuing in ROW Acquisition and final utility coordination before advertisement.

T-270 – Demooney over Deep Creek (Capital Design/T-SPLOST-II Construction) – Continuing in ROW Acquisition before advertisement.

OSI 607 – Demooney Road at West Stubbs Road (TSPLOST-I) – Continuing in ROW Acquisition before advertisement.

OSI 608 – Enon Road at Stonewall Tell Road (TSPLOST-I Design/T-SPLOST-II Construction) – Continuing in ROW Acquisition before advertisement.

TSPLOST II: Projects in concept / design

Intersection Improvement projects

OSI-620 – Aldredge Road and Merk Road – Preliminary plans have been reviewed. A field plan review is being scheduled.

OSI-629 – Ono Road/Hobgood Road at Rivertown Road – Preliminary plans have been reviewed. A field plan review is being scheduled.

OSI-631 – Union Road and Thames Road – Preliminary plans being finalized for review.

OSI 600 – Bethsaida Road at Creel/West Roads - Preliminary plans being finalized for review.

OSI 622 – Bethlehem Road at Cedar Grove Road – Concept alternatives completed. Public Meeting scheduled for Oct 28, 2025.

OSI 623 – Butner Road at Aldredge Road– Concept in further revision.

OSI 628 – Old Fairburn Road at Thaxton Road – Concept alternatives completed. Public Meeting scheduled for October 23, 2025.

Sidewalk projects

P-914 – Union Road – Concept alternatives completed. Public Meeting scheduled for October 21, 2025.

P 902 – Bethsaida Road – Preliminary plans being finalized.

P 903 – Cascade Road – Continuing in the concept development phase.

P 908 – Flat Shoals Road – Continuing in the concept development phase.

Bridge/Culvert Replacement projects

T-288 – Stacks Road over CSX RR – Continuing work on preliminary design before a field plan review is scheduled.

B-505 – Derrick Road over Deep Creek Tributary – Concept alternatives completed. Public Meeting scheduled for October 22, 2025.

B-508 – Koweta Road over Deep Creek – Concept alternatives completed. Public Meeting scheduled for October 22, 2025.

B-599 – Oglesby Road over Morning Creek Tributary – Project is in fast design phase. The project is being accelerated for an emergency quick response.

Federally Funded Projects

T-266 – New Hope Road Sidewalks – is in construction and a monthly report has been included.

T-277 – Cochran Road over Camp Creek (Bridge) – The contractor mobilized to commence work.

T-265 – Old National Highway Sidewalks – The CA with GDOT and the lowest responsible bidder is recommended at the October 14 Council meeting for approval.

Gravel Road projects

RG 160 – Jones Road – Preliminary design plan authorized to the consultant.

RG 161 – Hall Road – Preliminary design plan authorized to the consultant.

RG 162 – Rocky Head Road – Preliminary design plan authorized to the consultant.

RG 163 – Thames Road – Preliminary design plan authorized to the consultant.

RG 164 – Oxford Road – Preliminary design plan authorized to the consultant.

Bridge Repairs and Maintenance – Work is nearing completion on three bridges from the 2021 GDOT bridge repair set. Two of these (Mallory and Cascade) are in coordination with the CSX railroad before repairs can be completed.

One bridge (Burdett) will require a partial wing wall repair, repairs recommended for ITB. All 2023 GDOT bridge work is complete.

GDOT Projects within South Fulton

PI0011845/OSI-624: SR 14 at Washington Road Roundabout construction continues with grading operations with a projected completion in late 2025.

PI0013948 & PI0013939/T-272 & T-273: Buffington Road Projects - Traffic Control & Erosion Control throughout project is complete. Storm Drain installation is in progress. Projected completion in the fall of 2026.

PI0016605/B-502: Bethsaida Rd (CR 581) over Morning Creek – project was Let in August 2025 – contractor yet to be selected and a date to start construction is not yet determined.

PI0015593/T-285: SR 92 @ Butner Rd/Ridge Rd Roundabout project was Let in June 2025 – SD&C was selected as the contractor; a date to start construction is not yet determined. Project completion date is forecasted for July 2026.

PI0015642/T-280: Oakley Road over Broadanax Creek – Bridge replacement - Construction on going. Project completion forecasted December 2025.

PI0017398/OSI-605: SR 92 @ Jones Road/Demooney Road Roundabout – Under Preliminary Design. A PIOH Meeting was held October 9, 2025.

PI0019647: FIB and Westpark – Median conversion and R-CUT: Under Preliminary Design.

PI0019841: SR 138 at Bethsaida Road Roundabout – Project in Final Design. Letting is expected in Fall 2027.

PI0013809: SR 14 / US 29 @ CSX Bridge Replacement: Construction coordination with CSX for operations continues. Forecasted completion Sept 2027.

PI0013724: SR 279 starting at Jolly Road to Sullivan Road. Construction of raised medians continues. Forecasted completion Jan 2026.

Scope of Work Performed This Month

Work items performed between the monthly report dates detailed above:

- * Rough grading including tree stump removal and off-site disposal
- * Grading for new location of Old Fairburn Rd and Union Rd intersection

Progress and Schedule

The Physical Project Status is 30% completed as of the period ending date above.

The targeted Project Schedule Status was predicted to be 55% as of the period ending date above.

Scope of Work Planned For Next Month

- * Utility relocations
Beginning 9/29/2025, Stage 1 construction will require a temporary road closure of Union Road west of Old Fairburn Road. The detour route will follow Butner Road to Pittman Road SW to Stonewall Tell Road to navigate the closure.
- * Construction of the roundabout at Union Rd and Old Fairburn Rd intersection. Stage 1 will still utilize the existing Old Fairburn Rd tie in at Union Rd.
- * Stage 1 storm drainage pipe and structure installation

Progress Photos are attached on the following pages

Scope of Work Performed This Month

Work items performed between the monthly report dates detailed above:

- * Curb and gutter installation has taken place from Boat Rock Road to Danforth Road
- * Sidewalk, concrete driveway, and stamped concrete strip installation has taken place throughout the project
- * Storm drainage pipe and draiange structure installation has continued throughout project

Progress and Schedule

The Physical Project Status is 69% completed as of the period ending date above.

The targeted Project Schedule Status was predicted to be 71% as of the period ending date above.

Scope of Work Planned For Next Month

- * Continue concrete installation of curb and gutter, sidewalk, and driveways
- * Continue storm drainage pipe and structure installation
- * Utility coordination meetings and relocation
- * Georgia Power relocation of electrical boxes in conflict with the proposed work
- * Georgia Power relocation of electrical boxes in conflict with the proposed work
- * Clearing of trees throughout project

Construction Operations & Maintenance

City of South Fulton Public Works Department

CONSTRUCTION OPERATIONS AND MAINTENANCE

Right of Way Maintenance is required to provide safe and multi-use roadsides. A well-maintained right of way promotes a positive quality of life and is integral to the other functions such as utility installations, vehicle emergencies and sign placements. Right of way Maintenance serves to maintain a safe zone adjacent to the road pavement, improves drainage of stormwater from the road surface, and creates an attractive vista along road corridors. Accomplishments this month include:

Number of Potholes Repaired: 56

Traffic Engineering, Operations & Maintenance

City of South Fulton Public Works Department

TRAFFIC OPERATIONS

The Traffic Operations Crew is on constant patrol in the City of South Fulton to ensure that all signs and signals are clear to see and work properly. This consists of approximately 35,000 static signs, 69 Traffic Signals, 14 Traffic Beacons, 42 School Flashers and numerous Solar Flashing signs.

The following is what each category is used for and what they represent.

- **Sign – Other Sign Down/Missing** is used for missing signs, installing new signs, replacing or upgrading signs. If there are other signs on that post, the crew will clean them.
- **Sign – Preventative Maintenance** is used for the cleaning and straightening of signs.
- **Sign - Stop/Yield Sign Down/Missing** is used for responding to or finding STOP signs or YIELD signs that have been knocked down or missing. This category is responded to as an emergency.
- **Signal - In Flash or Dark** is used to let us know that the traffic signal is flashing all RED lights, or no lights are visible. This category is responded to as an emergency.
- **Signal - Other Issues** is used to let us know if there are any other problems with the Traffic Signal, this can include an LED bulb not working, a problematic crosswalk, or a signal not changing.

This month, the Traffic Operations Department acquired 145 new requests and closed 142.

The following are 142 SeeClickFix items, along with Categories that Traffic Operations **responded to and completed** this past month.

Examples of work completed this past month are highlighted in Exhibit A.

TRAFFIC OPERATIONS

UPGRADING SIGNS THROUGHOUT THE CITY

REPAIRING SIGNS

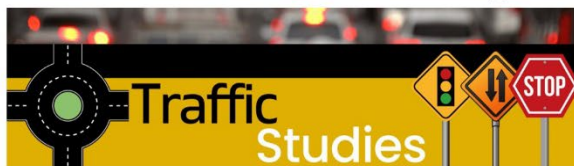

REMOVING VEGETATION

REPAIRING TRAFFIC SIGNALS

Traffic studies are conducted based on the evaluation of day-to-day traffic concerns and also considering requests from the residents in the City of South Fulton. Recommendations are made for the installation of traffic control and traffic calming devices. Types of traffic studies include All-Way Stop Warrant Studies, Traffic Signal Warrant Studies, and Traffic Calming Studies. These studies follow the federal Manual on Uniform Traffic Control Devices (MUTCD) standards and Georgia Department of Transportation (GDOT) standards. The goal of these studies is to improve the mobility, safety, and capacity of the city's infrastructure.

Traffic Studies Completed – September 2025

1. Enon Road at Wallace Road Intersection – All-Way Stop Control (AWSC) Warrant Study.

During the week of September 8, 2025, staff conducted an All-Way Stop Control (AWSC) warrant study for the Enon Road at Wallace Road intersection. Based on the analysis, staff concluded that the current traffic volumes do not meet the AWSC warrant criteria specified in the Manual on Uniform Traffic Control Devices (MUTCD), and the installation of All-Way Stop Control is not recommended for this intersection.

2. The Parks at Cedar Grove Subdivision – Traffic Engineering Study

The Public Works department received a petition for traffic calming measures on Kirkly Way in the Parks at Cedar Grove subdivision. Based on speed data, traffic calming measures are not warranted on the Kirkly Way (North of Chastain Way) as the speed and volume threshold criteria were not met.

Utilities

UTILITY PERMITS

The purpose of utility permits is to help the City of South Fulton staff track and manage construction operations more efficiently. Each utility permit contains a unique reference number, special requirements before and during operation, procedures, and contact information in case of emergencies. All this information is essential when dealing with construction operations in our Right of Way.

Permits	Locations	Scope of Work	Status
RWEP(25)-265	557 ft east of Gulford Lane on the Northside of Flat Shoals Road	Georgia Power needs to replace a wood pole along Flat Shoals Rd ROW to correct existing NESC violations	Complete
RWEP(25)-266	1400 Elva Dr SW Atlanta, GA 30331	Install 50' x 1/2" gas plastic service and tie into existing 2" gas plastic main along Elva Dr SW	Complete
RWEP(25)-267	6000 Boat Rock Blvd	Comcast is to excavate, bore, and install 320' new 0.625" UG coax cable to be pulled through new 2" conduit within the ROW of Boat Rock Blvd to provide service to 6000 Boat Rock Blvd	Complete
RWEP(25)-268	3395 and 3387 Lee Pl Atlanta, GA 30349	Tie into existing 2" plastic main to install - Prop 75' X 1/2" plastic service (3395) and Prop 82' X 1/2" plastic service (3387)	Complete
RWEP(25)-269	5370 Tolar Rd	Comcast to riser down 25' from an existing pole and excavate, bore, and install 2703' new 0.625" ug coax cable	Complete
RWEP(25)-270	Old Fairburn Rd - between Union Rd SW & Camp Creek Pkwy SR 6	Directional bore ~11,747' and open trench ~1446' of 6" MHP PLS gas main to improve natural gas pressure in the area during peak hours. Install four (4) 8" ANSI ball valves	Hasn't Started
RWEP(25)-271	6577 Dekeon Dr. Atlanta, GA 30349	Directional bore and install 2-2" HDPE conduits and pull new 1-24ct Greystone fiber (36" min cover)	Complete
RWEP(25)-272	4050 Flad Morning Dr	Comcast to over-lash 3920' new 48ct fiber to existing GPC and ATT poles within the Jaillette Rd, Thaxton Rd, and Old Fairburn Rd ROW to complete a node split	
RWEP(25)-273	1940 Waycrest Dr SW	Comcast to excavate, bore, and install 95' new 24ct fiber to be pulled through new 2" conduit within the ROW of Waycrest Dr SW to provide service to 1940 Waycrest Dr SW	In Progress

Permits	Locations	Scope of Work	Status
RWEP(25)-274	6474 E Stubbs Rd Atlanta, GA 30349	Run new gas service line to residence at 6474 E Stubbs Rd Atlanta, GA 30349	Complete
RWEP(25)-275	Along Goodson Road	Georgia Power Company to remove existing overhead ground wire	Hasn't Started
RWEP(25)-276	Along Fayetteville Road	Georgia Power Company to remove existing overhead ground wire	Hasn't Started
RWEP(25)-277	Oakley Industrial Blvd at Graham Rd	Georgia Power Company to remove existing overhead ground wire	In Progress

RWEP(25)-279	6149 Old National Hwy	Comcast to over-lash 1639' new 24ct fiber to existing GPC poles; excavate, bore and install 219' new 24ct fiber; and pull new 2" conduit within the ROW of Flat Shoals Rd to provide service to 6149 Old National Hwy	In Progress
RWEP(25)-280	3855 Jaillette Rd SW	Comcast to excavate and install 50' new 48ct fiber; pull new 2" conduit and riser up 25' to existing GPC pole within the ROW of Jaillette Rd SW to provide service to 3855 Jaillette Rd	Complete
RWEP(25)-281	4780 Baker Ferry Rd SW	Pull 115' of new 24ct buried fiber cable through proposed and existing buried conduit trench - new 2" buried conduit	In Progress
RWEP(25)-282	Great Southwest Pkwy SW next to building at 5601 FIB SW	Pull 115' of new 24ct buried fiber cable through proposed & existing buried conduit	Hasn't Started
RWEP(25)-283	4352 Sublime Trail	Comcast to excavate, bore, and install 68' new 0.625" ug coax cable; pull through new 2" conduit within the ROW of Sublime Trail to replace existing damaged cable	Hasn't Started
RWEP(25)-284	140 West Village Ct	Comcast to excavate, bore, and install 203' new 0.625" ug coax cable; pull through new 2" conduit within the ROW of W Village Ct to replace existing damaged cable	In Progress
RWEP(25)-285	4620 Union Rd	Comcast to build 642' new 0.25" strand & 24-count fiber and over-lash 660' new 24-count fiber to existing GSPC poles within the ROW of Union Rd for relocation	Hasn't Started
RWEP(25)-286	520 Twin Lakes Ct	Comcast to excavate, bore, and install 196' of new 0.625" ug coax cable and pull through new 2" conduit within the ROW of Twin Lakes CT to replace existing damaged cable	Hasn't Started

Stormwater

City of South Public Works Department STORMWATER DIVISION

September 2025

I. Stormwater Maintenance Report

Overview

Crews executed targeted storm system spot repairs and limited curb/gutter replacements to restore drainage capacity and reduce localized flooding risks. Work occurred across Districts 1, 2, 3, and 6, with most volume concentrated in District 3. All repair sites restored drainage functionality, minimized ponding potential, and addressed observed surface failures. Traffic control was implemented as needed per MUTCD.

Production & Cost Summary

- **Annual Inspections (Year-To-Date):**

- o Storm Structures – 1,262
- o Storm Pipe – 1,115
- o Ditches – 10
- o Outfalls – 187

Repair Type	Street Name	Subdivision	District	# Structures	LENGTH (FT)	AREA (SQ-YD)	COST
Storm Drain Repair	HAPPY VALLEY CIR	ENON FOREST	1	1			\$2,500.00
Storm Drain Repair	BUCKNELL DR	N/A	1	1			\$2,500.00
Storm Drain Repair	ELK HORN TRAIL	COLDWATER CREEK	2	1			\$2,500.00
Storm Drain Repair	ELK HORN TRAIL	HALCYON DR	3	2			\$5,000.00
Storm Drain Repair	HIDDEN CT	HIDDEN VALLEY	3	1			\$2,500.00
DAMAGED CURB/GUTTER	HARRIER LN	PITTMAN PARK	3		24		\$600.00
DAMAGED CURB/GUTTER	SULENE DR	SOUTHERN COLONY	3		36		\$900.00
Storm Drain Repair	BROWN DR	BETHSAIDA WOODS	6	1			\$2,500.00
			TOTAL	7	60	0.00	\$19,000.00

5211 Bucknell - BEFORE

5211 Bucknell - AFTER

- **Storm Drain Structures Repaired in September:** 7 (top slab replacement)
- **Curb & Gutter Restored:** 60 LF
- **Total Expenditure (storm + curb/gutter): \$19,000.00**
 - o Storm drain spot repairs: \$17,500.00
 - o Curb & gutter: \$1,500.00

District Summary

- **District 1: \$5,000.00** (Happy Valley Circle, Bucknell Drive)
- **District 2: \$2,500.00** (Elk Horn Trail – Coldwater Creek)
- **District 3: \$9,000.00** (Halcyon Drive – 2 structures; Hidden Court – 1 structure; plus curb/gutter on Sulene Drive & Harrier Lane)
- **District 6: \$2,500.00** (Brown Drive – Bethsaida Woods)

Issues & Next Steps

- Schedule CCTV/cleaning and top-slab replacement of high priority structures per Storm-Sidewalk Action Plan for FY 2025-26.
- Identify additional curb/gutter segments with settlement adjacent to sidewalks for inclusion next month.

II. Sidewalk Maintenance Report

Overview

Concrete sidewalk hazard abatement continued in **District 3 (Creekside subdivision)** to eliminate trip hazards and improve ADA compliance. Packages focused on larger continuous runs to maximize linear production and crew efficiency. Panels were replaced to remove vertical displacements and surface failures; cross-slope and landing areas were field-checked to align with ADA intent. Control/expansion joints and finish quality were verified during acceptance.

Production & Cost Summary

- **Total Length Repaired:** 4,567 LF
- **Concrete Placed:** 2,000.04 SY
- **Total Expenditure (sidewalks):** \$180,628.10

Repair Type	Street Name	Subdivision	District	LENGTH (FT)	AREA (SQ-YD)	COST
Sidewalk Repairs	ANTELOPE COVE	Creekside	3	750	332.9	\$29,962.80
Sidewalk Repairs	Heath Ter	Creekside	3	302	134.2	\$12,080.70
Sidewalk Repairs	LARKSPUR LN	Creekside	3	1,811	797.8	\$71,798.00
Sidewalk Repairs	LICHEN TRAIL	Creekside	3	560	248.9	\$22,400.00
Sidewalk Repairs	MASON RD	Creekside	3	743	330.2	\$29,721.60
Sidewalk Repairs	SEDUM WAY	Creekside	3	341	156.0	\$14,665.00
			TOTAL	4,507	2,000.04	\$180,628.10

District Summary (Costs)

- **District 3: \$180,628.10** (all sidewalk items this month)

Notable Locations & Quantities

- **Larkspur Ln:** 1,811 LF, 797.8 SY — \$71,798.00
- **Antelope Cove:** 750 LF, 332.92 SY — \$29,962.80
- **Mason Rd:** 743 LF, 330.2 SY — \$29,721.60

- **Lichen Trail:** 560 LF, 248.89 SY — \$22,400.00
- **Sedum Way:** 341 LF, 156.00 SY — \$14,665.00
- **Heath Ter:** 302 LF, 134.23 SY — \$12,080.70

Next Steps

- Review quotes and mobilize on Walden Park and Cedar Grove subdivisions.

Streetlights

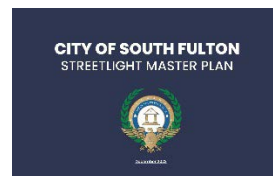

City of South Fulton Public Works Department

STREETLIGHTS

The Streetlight Program was established to address the need for adequate illumination of public streets or roadways within the City of South Fulton. The goal is to aid in the safety and systematic movement of vehicular traffic within the public travel roadway. Lighting on roadways is not provided for personal security, such as lighting of yards, driveways, or private property. In-house staff assesses requests from residents, conducts field visits and works with power companies to address inquiries about new lights, repairs, and upgrades.

Last year, Mayor and Council approved a resolution adopting the Streetlight Masterplan. The masterplan provides options for street and pedestrian light poles, styles, spacing, lighting technology and control, and appropriate lighting levels for various locations such as state roads, arterials minor residential streets, major street corridors including those with existing and proposed bike lanes, controlled intersections, roundabouts, uncontrolled pedestrian crossings, transit station street areas, and parks.

Additionally, the city is looking at various alternatives to upgrade the infrastructure, including solar lights. The city has spoken with a vendor with good experience in providing high-quality solar lighting solutions. Two TSPLOST projects where the city has investigated the possibility of solar lighting are the:

- 1.5-mile recently completed Enon Road Sidewalks.

The feasibility study looked at the lighting requirements; analyzed the last 10 years of local weather data to determine how much energy is needed; calculated what size and how many fixtures to install; and lastly developed a cost estimate for the project. Based on the photometrics, the corridor would need (107) 4000K-LED 14-foot-high solar fixtures, spaced 100 feet apart, with a 624-Watt battery capacity. Materials, installation, and shipping are quoted at \$475,363. Staff are working with Greystone to obtain a quote for comparison purposes. Upon receipt, staff will advise on the recommended technology.

- 1.75-mile long New Hope Road Sidewalks-Staff received a quote from Georgia Power to install (246) 101-Watt LED Post Top Fixtures. The lighting services agreements outline two payment options:

1. No pre-payment and a monthly cost of \$24,998.68
2. A pre-payment of \$1,300,000 with a monthly cost of \$8,381.33

The department decided to move forward with the pre-payment plan and is in the process of fully executing an agreement with the power company

Lastly, the department is developing a priority list to install and/or upgrade streetlights on all corridors with proposed and existing sidewalks, State routes, and intersections. All sidewalk projects will also include pedestrian lights. Upon completion, staff will meet with the power companies to draft an implementation plan that will include costs and schedules.

Requests for streetlights- new and upgrades- received to date are detailed in Exhibit A. There is an ample number of streetlights proposed during the construction of our capital and TSPLOST projects. The estimated number of lights, by project id, are listed in Exhibit B.

STREETLIGHT INQUIRY/APPROVED LOG

Solid Waste

Solid Waste Group Purpose and Responsibilities

The City of South Fulton Solid Waste Group is committed to overseeing and regulating all solid waste services within the city limits. These services are funded through the Solid Waste Enterprise Fund and include residential solid waste collection, bulk item pickup, commercial services, convenience can management, and community education and outreach.

In addition, the group operates the Merk Miles Citizens Convenience Center, providing residents with a dedicated location for responsible disposal and recycling. This report summarizes Solid Waste activities and performance for the period of August 26 through September 25.

Solid Waste hosted District 5 Recycling and Paper Shredding Event.

Residential Services

Residential services include weekly garbage collection and monthly bulk pickup. In September, service activity slightly decreased across most categories compared to August. Bulk service requests in particular saw a modest decline, while new construction requests increased, reflecting continued growth in newly established homes. This trend suggests that residents remain informed on how to request services, particularly bulk collection, even as overall demand fluctuates.

Requests for Service					YTD
Item	Dec	Jul	Aug	Sep	
Back Door Service	#	6	11	26	82
Extra Cart Request	#	79	61	20	397
New Construction-Add New Service	#	55	30	51	406
Bulk Scheduled Service Requests	#	405	368	334	2,620
Totals		545	470	431	3,505

Source: TracEz

Service Complaints

Service complaints decreased in September compared to the prior two months, falling to 231 total complaints from 303 in August. The most notable improvement came from Missed Curbside Garbage, which declined from 229 in August to 174 in September, though it remains

the largest category of complaints overall. Damaged Cart requests also dropped but continue to be a significant driver of service concerns. Missed Bulk remained steady at 8 complaints, while reports of spills/litter were slightly higher than the previous month.

Service Complaints					YTD
Item	Dec	July	Aug	Sep	
Missed Bulk	2	15	8	8	46
Damaged Cart - Repair or Replace	#	69	65	46	386
Missed Curbside Garbage	#	203	229	176	1,466
Waste Administration - Spills / Litter	2	4	1	3	16
Totals		291	303	233	1,914

Source: TracEZ

Deliveries and Maintenance

In September, overall service activity moderated compared to the prior two months. New construction home setups remained consistent at 49, reflecting steady growth in residential service expansion. Cart replacements declined to 28 after peaking in August, while cart repairs also dropped but stayed above earlier summer levels. Convenience can servicing and recycling container service remained stable, continuing to provide reliable support for citywide waste management.

Services Performed by the Solid Waste Team					YTD
Item	Dec	July	Aug	Sep	
New Construction Homes	#	55	51	51	427
Replaced Carts	#	43	65	27	399

Merk Miles Citizens Convenience Center

The City of South Fulton operates the Merk Miles Citizens Convenience Center through a third-party vendor. This facility accepts Municipal Solid Waste (MSW), Construction Debris (C&D) and recycling. Data is reported through August 2025. Recycling continues to grow. The total

number of vehicles serviced remains flat but the amount per weight per vehicle continues to grow.

Merk Miles Recycling & Municipal Solid Waste Activity				
Recycling Activities	Jun	Jul	Aug	YTD

Events and Activities

September

The Solid Waste Team actively supported two major community events on **September 20, 2025** the **Caribbean Festival** and the **Azucar Festival**. Both events highlighted the department's ongoing commitment to engaging with residents and promoting community pride.

October

Looking ahead, the team will participate in upcoming events, including the **District 2 Recycling and Shredding Event** on **October 11** and the **District 4 Household Hazardous Waste Collaboration Event** on **October 18**. These initiatives continue to provide residents with accessible opportunities to responsibly manage waste while reinforcing the City's dedication to environmental stewardship.

Raising the Service Standard

A Citywide Initiative for Service Excellence

Presented to the Mayor & City Council
October 14, 2025

City of South Fulton
“City on the Rise”

Purpose

Objective:

- To unify all departments around a common standard of customer service and professional conduct that reflects the City's mission and values.

Focus Areas:

- Strengthening interpersonal service delivery
- Building internal collaboration
- Elevating the citizen experience

Background

Why Now:

- Resident expectations are increasing
- City departments interact daily with diverse customers
- The City's strategic plan emphasizes Government Efficiency & Community Collaboration

Foundation:

- National Customer Service Week 2025 theme – “Mission Possible.”

Program Overview

The 'Raising the Service Standard' Training

Format:

- Full-day interactive training experience
- Co-facilitated by CRS and Human Resources
- Includes discussions, challenges, and real-world scenarios
- Reinforces professionalism, collaboration, and accountability

Participants:

- All City employees, phased by department, beginning January 2026.

Core Modules

Five Pillars of
Service
Excellence

Internal and
External
Customer Service

Service
Commitment

Professionalism
& Etiquette in
Government

Outcomes

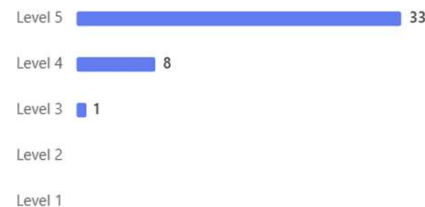

Expected Results:

- Consistent, high-quality service across departments
 - Improved teamwork and communication
 - Increased employee morale and ownership
 - Strengthened resident confidence and satisfaction
 - Foundation for annual recognition and awards tied to service excellence
- 

Participants Responses

- The first training session was held on August 19, followed by a second session on September 23. The final session of the year took place on October 7, intentionally scheduled to coincide with National Customer Service Week.

Overall, how satisfied are you with Raising the Service Standard: Customer Service Training?

How could the training be improved?
