NOVEMBER 2025

CITY MANAGER'S REPORT

PRESENTED BY

SHARON D. SUBADAN

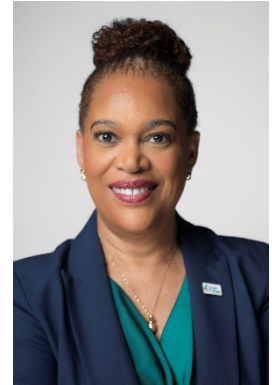

CITY MANAGER

Greetings, Honorable Mayor and City Council Members,

November marks the beginning of the holiday season and, more importantly, a time to reflect and show gratitude to others. I want to sincerely thank the Mayor and Council for your continued support throughout the year.

To our staff, I would like to express my gratitude for your commitment to service excellence. Your dedication, professionalism, and motivation to serve our residents continue to strengthen our city and enhance the quality of life for our community. Every department, every role, and every effort contributes to our collective success. Whether you are on the front lines engaging with residents or working diligently behind the scenes, your work matters—and it does not go unnoticed. Thank you for showing up each day with purpose, compassion, and a willingness to go above and beyond. I am truly grateful to have such an outstanding team.

A special thank you to our veterans, those who work for the city, live in the community, and serve across the country. Thank you for your dedicated service.

I am pleased to share that the Southwest Arts Center (SWAC) celebrated its grand re-opening with a ribbon-cutting ceremony on Tuesday, November 18th. Thank you to the Council, community partners, and residents who attended this important event. Special thanks go to John Geersten, Cultural Affairs Director; Shaheen Solomon, Public Affairs Director; and Bryan Davis, Deputy Director of Facilities Management, along with their staff, for their hard work and dedication in making this project happen. Kudos to all staff who organized and executed the program, especially those who led the facility tours.

As we continue to move forward with our two large public safety infrastructure projects, our \$96 million in bonds were validated in Fulton County Superior Court on November 18th, and we look forward to closing in December 2025.

On Friday, November 21, I attended the Public Works department Holiday Luncheon and enjoyed the opportunity to engage with staff.

I appreciate your leadership and collaboration in hosting the City-wide Thanksgiving Meal Distribution on November 22nd. This meaningful event enabled us to give back to the community during the season of giving, reaching over 1,800 residents. Aligning with our strategic goal to "Increase Community Collaboration and Improve Quality of Life," this event not only benefited the community but also the staff. It's an honor to serve our residents and employees during this time.

Thank you for trusting us to manage the city's affairs. Please accept this report as a summary of the city's successful outcomes for November 2025.

A handwritten signature in dark ink, appearing to read "Sharon D. Subadan".

ACTIONPLAN

PURCHASING CARD, PROCUREMENT,
AND FINANCE CONCERNS

Purchasing Card Program Update – November '25

Corrective actions being implemented for the P-card program are yielding positive results. The compliance rate for the program has shown fluctuations over recent months. Over the past six months, the average compliance rate was 82%. Our goal is to achieve a compliance rate of greater than 90%. When adjusting for administrative lapses (e.g., failure to upload documents in a timely manner) vs. possible or actual improper purchases (e.g., providing improper documentation, or paying sales tax), the rate is 94%. Eliminating or substantially reducing these administrative lapses will allow us to achieve that goal.

Compliance Overview

Month	Compliance Rate
April	80%
May	73%
June	84%
July	75%
August	86%
September	86%
October	86%
November	86%

Corrective & Preventive Actions

To address these challenges, staff have initiated the following corrective and preventive actions:

- **Sr. Compliance Officer:** A Senior Compliance Officer has been hired to manage the P-Card processes and is currently becoming acclimated to the program and its operational requirements.
- **Timeline Review:** A review is underway to evaluate the appropriateness of the required timelines for uploading supporting documentation.
- **Approver Model:** Department Head approvals are now fully operational. Under the Approver Model, a first-level approver is required to review cardholders' P-Card transactions to ensure compliance with all policies and legal requirements. This structure provides dual accountability and reinforces the separation of duties, preventing any single individual from both approving and benefiting from a purchase, thereby reducing conflicts of interest and increasing transparency.
- **Weekly Notice List:** The Procurement Director receives a weekly notice identifying cardholders with missing receipts, late reconciliations, outstanding items, and upcoming due dates. The Director contacts first-level approvers regarding delayed approvals to encourage timely action. The Internal Auditor is also providing notification and assistance to elected officials who are cardholders.

- **Escalation:** Beginning in September, Procurement initiated notifications to certain cardholders advising that their cards may be subject to suspension after two consecutive weekly cycles without resolution of outstanding issues.
- **Sales Tax Refunds:** The Procurement Department has begun assisting cardholders in applying for and receiving sales tax refunds to ensure proper reconciliation and compliance.
- **Non-Conclusive Purchases:** The IT Department continues efforts to migrate cardholders, where practical, from individual software agreements to citywide agreements. Amendments to the P-Card policy will be recommended to address circumstances in which such migration is not feasible.

Procurement Concerns

The Procurement Department continues to strengthen the department through targeted recruitment, staff certifications, and ongoing training initiatives. The hiring of new Procurement Agents and the recent addition of a Procurement Compliance Officer provide the department with the bandwidth to conduct more thorough transaction reviews, enforce timelines, and coach cardholders and approvers who routinely fall behind.

This strategic investment in personnel is expected to positively impact compliance ratings by reducing processing delays and minimizing oversight gaps. The Procurement Department remains actively engaged in recruiting qualified, certified professionals to support operational efficiency and regulatory adherence further.

MAYOR & COUNCIL

FINANCIAL SUMMARY REPORT
November 2025

NOTES:

General Fund Summary Revenues:

Property Taxes collected in October 2025 were \$7.705 million (12% of the \$62.92 million FY2026 budget) compared to \$7.45 million (12% of the \$60.989 million FY2025 budget) in the prior fiscal year for the same period.

Motor Vehicle Title Ad Valorem Tax (TAVT) revenue collected was \$380 thousand (11% of the \$3.5 million FY2026 budget) compared to \$252 thousand (7% of the \$3.7 million FY2025 budget).

Franchise Tax revenue collected in October 2025 was \$184 thousand (2% of the \$8.288 million FY2026 budget) compared to \$176 thousand (2% of the \$7.7 million FY2025 budget) for the same period in the previous fiscal year.

Local Option Sales Taxes (LOST) collected for October 2025 were \$3.116 million (8% of the \$37.88 million FY2026 budget) compared to \$2.876 million (8% of the \$37.682 million FY2025 budget). The rolling twelve-month comparison for October was up slightly (\$500,000) at \$36.7 million, compared to \$36.2 million for the same twelve months in the prior year.

Business and Occupation License revenues for October 2025 were \$116,187 (2% of the \$6.38 million FY2026 budget), down slightly -\$14,702 (-11.2%) from \$130,889 compared to October 2024. We receive the bulk of revenue for this category during the renewal period from January through May.

Insurance Premium Taxes posted for October 2025 were \$11.757 million (\$1,256,813 or 12% over the \$10.5 million FY2026 budget), also exceeding the \$10,308,814 recorded for FY2025.

Other Taxes collected for October 2025 were \$106,325, down slightly by -\$33,280 (or -23.84%) from \$139,605,110 for the same period in the prior fiscal year.

License and Permit revenues collected for October 2025 were \$272,200 (6% of the \$4.822 million FY2026 budget), down -\$413,895 (or -60%) compared to \$686,095 in the prior year. The budget for this category was increased by \$530,500 (or 12%) to \$4,821,800, up from \$4,291,250 in the FY2025 budget.

NOTES – Continued

Intergovernmental Agreements (IGA's – Fire Services)

The city has two intergovernmental agreements for fire services, one with Fulton County and one with the City of Atlanta (mutual aid). The budget for this category is \$1.2 million.

Charges for Services revenues for October 2025 were \$66,225 (6% of the \$1.167 million FY2026 budget). Revenue was up \$24,407 (58%) compared to \$41,818 for the same period in the prior fiscal year.

Fines and Forfeitures: The FY2026 budget remained unchanged at \$1.3 million. Collections are being deposited into the designated Municipal Court bank account. Transactions are accounted for in the Municipal Courts Fund (a custodial fund-type). The October disbursement reports show \$227,277 pending disbursement to the General Fund. This is up by \$87,795 (or 63%) from \$139,482 last October. The current rolling twelve-month average is trending upwards to \$1.682 million for the fiscal year.

Investment Earnings / Income revenues were \$305,699 (6% of the \$5.414 million FY2026 budget). Earnings are down slightly by -\$66,788 (-18%) compared to \$372,487 in the prior year.

Hotel Motel Tax: The city increased its estimated FY2026 revenue by \$120,959 (21%) to \$702,959, up from \$582,000 in the prior year.

The Budgeted Use of Reserves is an estimate for FY2026 restricted for one-time purchases. We will monitor capital outlay spending trends. The amount will be adjusted up or down at the close of the FY2026 fiscal year in conjunction with the financial closing process.

Rolling Twelve Months as of June 2025: The graph displays a 12-month performance period, regardless of the specific month or fiscal year. A rolling twelve-month historical summation measures the total of the previous twelve months. Therefore, the LOST revenue trend is \$37 million in the current fiscal year.

November 2025 Municipal and Code Board Cases

Court Case Results

November SeeClickFix Report 2025

What does the "Code Enforcement Other" category mean?

The "**Other**" category is your **catch-all option** for reporting code violations that aren't on the standard list. If you have an issue but aren't sure how to categorize it—maybe it's a unique maintenance problem, or something outside of common violations.

Animal Control

Effective **December 16, 2025**, the oversight and management of Animal Control services for Fulton County will officially transition to the **Fulton County Police Department (FCPD)**. This strategic organizational shift is implemented with the primary objective of enhancing operational efficiency and improving the overall responsiveness of critical Animal Control services delivered to the community.

Rationale and Expected Benefits

Integrating Animal Control services directly into the FCPD's operational structure is anticipated to yield the following benefits:

- **Improved Resource Allocation:** Leveraging the FCPD's existing infrastructure, dispatch, and communication systems may allow for quicker deployment of Animal Control Officers.
- **Enhanced Coordination:** Direct oversight by the Police Department should facilitate seamless coordination during emergencies, animal-related law enforcement issues, and complex public safety matters.
- **Streamlined Processes:** The move aims to streamline reporting, dispatch, and field operations, directly addressing community needs for faster Animal Control response times.

Understanding Animal Control Services: How Your 911 Call is Prioritized

The Fulton County Animal Control Division prioritizes all service requests to ensure the most dangerous and time-sensitive situations—especially those involving public health and safety—receive the fastest response. All calls are dispatched and categorized with a specific response time protocol.

The following table explains how your call is classified and the corresponding response time for an Animal Control Officer (ACO) to be dispatched to the scene:

Response Time	Situation Category	Examples of Calls (Nature Codes)
45 MINUTES (Emergency Response)	Immediate Threat to Public Safety or Serious Injury	BITE (Today): An animal-on-human bite that occurred on the current day. VICIOUS: Vicious or aggressive animal actively sighted and posing a threat. SICK/INJURED: Animal is in visible distress or has a serious injury. ASSIST: Direct request for assistance from Police or Fire Departments. EVICTIION: Court-ordered eviction that requires immediate removal of pets.
4 HOURS (High Priority Response)	Critical Public Health or Serious Welfare Concerns	RABIES SPECIMEN: Pickup required for testing following a bite incident. * CRUELTY/NEGLECT: Investigations involving the serious welfare of an animal. TETHERING: Investigation into improper, prolonged, or illegal tethering practices.
24 HOURS (Standard Response)	General Welfare, Property, and Non-Emergency Issues	STRAY/LOOSE: Non-aggressive stray or loose animal reported. CONFINED: Animal being held or contained by a resident. ABANDONMENT: Investigation into a potentially abandoned animal. INVESTIGATION: General investigations, including non-current bite reports. RESCUE: General animal rescue situations where the animal is not injured. NUISANCE: Calls related to general nuisance issues (excluding barking dogs, which are referred to Police).

Key Takeaway for Residents

If your call involves an active threat, an immediate injury, or a confirmed animal bite that occurred today, the Animal Control Division will dispatch an officer for an Emergency 45-Minute Response. For all other critical welfare or public health issues, the response is prioritized within 4 hours. Non-emergency issues, such as general strays or nuisance complaints, are addressed within 24 hours.

Goal 2

Increase Community Collaboration and Improve Quality of Life

- Two pre-conceptual meetings were held for applicants interested in various projects within the city.
- Held two pre-development meetings for applicants ready to submit for permitting for various projects within the city.
- Applied for the Food Well Alliance Local Food System Agriculture Plan grant, which, if granted, will award direct funding and support for local community gardens and other agricultural initiatives.
- Met with surrounding jurisdictions and representatives from Aerotropolis Atlanta to discuss a joint Livable Centers Initiative application for the Roosevelt Highway Corridor to improve connectivity, walkability, and economic development initiatives.

Goal 4

Strengthen and Expand Infrastructure to Support Sustainability

The following activity has taken place thus far in November 2025:

- Residential permits 91
- Commercial permits 18
- Fence / Wall Permits 19
- LDPs 6
- Pre-development meetings 3
- Pre-construction meetings 2
- Site inspections 526
- Arborist Site Visits 19

Goal: 2

Increase Community Collaboration and Improve Quality of Life

The Community Relations and Services team assisted with the annual City-wide Thanksgiving Meal Distribution. They managed the creation, oversight, and supervision of the registration process for the event, serving over 1,800 residents and nearly 100 CoSF employees. Our team received numerous calls and registered more than 400 residents in just three weeks. Additionally, some members helped with logistics and meal distribution to residents on November 22nd, working alongside the council and executive leadership team.

City-wide Customer Service Training

"Raising the Service Standard"

This training will carry on in 2026. We are currently improving the training based on feedback from our three sessions this year.

Program and Performance Stats:

SeeClickFix Cases for November 2025

The Department of Cultural Affairs is dedicated to fostering a vibrant, inclusive, and dynamic cultural landscape in South Fulton. We aim to support and promote artistic expression, cultural diversity, and community engagement to enhance the quality of life for all residents.

Currently Hiring: Full-time custodian.

Southwest Arts Center

The grand reopening of the Southwest Arts Center was a highly successful and well-attended event that showcased strong collaboration among Public Affairs, General Services, and Cultural Affairs, as well as the sustained support of elected officials. Residents, artists, and community partners filled the campus, experiencing firsthand the extensive upgrades to the facility—from refreshed public spaces and restored finishes to enhanced technical and audience amenities—while program

elements highlighted both the building's renewed role today and its vision for the future. Elected officials participated prominently in the celebration, reaffirming their commitment to the arts and underscoring the Southwest Arts Center's place as a cornerstone of cultural life and community development in the City of South Fulton.

November Event Attendance

Events	Event Type	Attendees
Early Voting	Elections	2063
General Elections	Elections	571
Wontanara Dance Festival	Festival	105
Special Elections	Elections	207
Theater Ribbon Cutting	Ceremony	105
Exploring Neurographica	Exhibition	350
Total:		3401

Education:

The Department of Cultural Affairs concluded the fall session with strong momentum, welcoming 809 participants across its programs and successfully launching its first-ever classes in podcasting, music production, video editing, and graphic design. These new offerings, combined with our

expansion to a six-day weekly schedule (Monday through Saturday), are broadening access and responding directly to the community's growing demand for creative opportunities.

Looking ahead, the winter session (January–February) is already showing promising engagement. Registration opened less than a week ago and has already generated 358 enrollments, signaling sustained interest and steady participation in the City's arts and cultural programming.

Exhibitions:

The Love and Legacy Exhibition

Opening November 22, this retrospective celebrates the remarkable 30-year creative partnership of painter Charlotte Riley-Webb and her late husband, sculptor Lucious Webb. The exhibition honors their individual artistic journeys—from Charlotte's vibrant, rhythmic paintings, which span acrylics, oils, collage, printmaking, and encaustics, to Lucious's masterful twig vessels and bas-relief bronze sculptures that preserve stories of African American history.

Together, the couple developed their signature "sculpted paintings," a collaborative medium born from an international competition they won and refined into a shared artistic language. *The Love and Legacy Exhibition* stands as a testament to their bond, their craftsmanship, and the profound impact of a life lived—and created—together.

Wolf Creek Amphitheater

During the current downtime at Wolf Creek Amphitheatre, the Cultural Affairs team remains fully engaged in strategic planning and venue improvements. Staff are actively organizing and inputting inventory to ensure all resources are in place for upcoming operations, while also incorporating winterizing efforts into broader preparation work.

Early planning is underway for next year's Juneteenth celebration, including preliminary vendor identification and development of the vendor application. In addition, opportunities to enhance the Amphitheatre's landscape through artistic interventions are being explored, with proposals to be submitted in collaboration with the Public Arts Coordinator.

Public Art

The Cultural Affairs Department had a strong and visible presence at the Red Oak Festival on November 1. The Public Art team staffed the Cultural Affairs information table and engaged with at least 30 City of South Fulton residents—many of whom were learning about the Southwest Arts Center and our classes, programs, and events for the first time. Dance instructor Algeria Stevenson's Dance Collective further deepened community connection by bringing approximately 20 family members and friends who participated in festival activities, helping boost overall attendance and generating positive visibility for our programming.

In addition, Public Art secured works on loan from three local and regional artists for installation in the Southwest Arts Center Theatre. Working in collaboration with an interior designer, the team curated and installed these pieces in advance of the theatre's reopening on November 18,

2025, enhancing the visual impact of the renovated space and spotlighting regional artistic talent.

Visual and Digital Media

The Visual and Digital Media Stream Team has successfully integrated ProPresenter into the City's live production workflow, enabling more dynamic on-screen graphics for City Council meetings and providing a secondary streaming encoder for added reliability. Two licenses have been deployed—one assigned to the travel laptop and one at City Hall—and a standard operating procedure has been published to support consistent, routine use.

To further strengthen the City's production capabilities, the team hosted a vendor demonstration with Faraz Ahmed of Amitrace to explore NDI-based workflows and assess how their services could support municipal broadcast needs. Amitrace is one of the few AV firms in Georgia authorized to distribute production software licenses, and onboarding is underway to establish them as an approved City vendor.

The Stream Team also recorded and archived the first District 4 Town Hall at Fire Station 6 since its complete renovation earlier this year, ensuring both documentation and future accessibility of the event. In addition, the mobile production kit is being upgraded to include subject auto-tracking, and options for wireless camera capabilities are currently under evaluation to enhance flexibility and coverage at on-site events.

Initiatives

Theatre/Studio Building Renovations at Southwest Arts

The Southwest Arts Theatre Building has reopened after undergoing significant renovations. There is still work to be done, but events will begin the first week of December.

Art Acquisition

The Public Art Coordinator was promoted to a full-time position. This division curated art for the Southwest Arts Center's public spaces outside of the gallery.

Outreach Expansion

Collaboration meetings with Metro Atlanta arts organizations are underway to develop activations and satellite programming within the City of South Fulton, expanding access to high-quality cultural experiences.

Local Artist Engagement

The Call to Artists initiative has identified local creatives for the City's art collection, with selected works now on display in municipal facilities, elevating the visibility of South Fulton artists.

Grants

Facilities grant applications have been submitted to support future upgrades to the Southwest Arts Center campus, building on recent capital improvements and strengthening this key cultural asset.

South Fulton Means Business Accelerator – Final Class & Program Impact

The **South Fulton Means Business Accelerator** concluded with a final class focused on Customer Service Best Practices, delivered in partnership with the UGA Small Business Development Center. Across the four-class program, there were 160 total registrations (averaging 40 participants per session) representing entrepreneurs from Gwinnett, Clayton, Fulton, and Henry counties.

Participants gained actionable strategies to strengthen client engagement and improve daily operations, and all attendees adopted new operational tools, including cash flow templates, marketing plans, and customer service scripts. Additionally, more than 30 businesses requested follow-up coaching, reflecting strong demand for continued technical assistance.

The Accelerator received highly positive feedback, supported immediate operational improvements for several businesses, and strengthened the regional business ecosystem aligned with the City's commitment to entrepreneurship and economic competitiveness.

Direct Elite Café – Sandtown Crossing, Grand Opening

Direct Elite Café opened with more than 70 attendees, reflecting strong community support. The café is owned by Chef Andrew Brown, an executive chef with over 20 years of culinary experience and a well-established catering business in the City of South Fulton. His expansion into a sit-down restaurant builds on the success of his company, Direct Elite Chef Services LLC, known for providing high-quality catering, personal chef services, and customized menus across the Atlanta region.

Chef Andrew's business has built a reputation for excellence, versatility, and premium service. The new café enhances local dining options and addresses food access needs within the community.

Old National District

Southern Smiles Dentistry – Grand Opening

More than 50 attendees celebrated the opening of Southern Smiles Dentistry, a welcome addition to the Old National corridor—the practice, led by Dr. Evans Carter and Dr.

Holyfield, with over 15 years of experience and partnerships, now operates in a newly renovated 6,000-square-foot space. They provide comprehensive dental care for patients of all ages, including their oldest patient in her 90s, and are currently accepting new patients. Demonstrating their community commitment, the office hosted a holiday toy drive the following day to support local families.

Local 1st Economic Development Update

At the Old National Merchants Association (ONMA) community meeting, Deputy Director Parhams presented highlights of ongoing business support initiatives, redevelopment activity, and upcoming opportunities for Old National corridor businesses.

The meeting included a Local 1st Business Panel featuring:

- Dr. Genise A. Evans-Carter, DDS, Southern Smiles Family Dentistry
- Dr. Linda Davis, Old National Pharmacy
- Keino Berje Jones, Sherwood Manor, DR Horton Homes
- Jeremy Dollar, RESTORE Center, World Changers International

The panel presented solutions to address gaps in community needs and emphasized the importance of quality development, business support, and improved services along the corridor. Discussions underscored the need for strengthened partnerships, expanded resources, and strategic investment to enhance the overall economic environment.

Red Oak District

First Annual Red Oak Fall Festival

The Red Oak Advisory Board, in partnership with Siloam Church International, hosted the inaugural Red Oak Fall Festival, generating increased community activity and elevated foot traffic throughout the Main Street District.

- The event featured over 30 external vendors, including food trucks, arts and crafts creators, retail merchants, and service-based small businesses.
- Main Street businesses participated in the event, using the festival to increase visibility, engage new customers, and promote their services.
- An estimated 300+ attendees visited throughout the day, contributing to increased activation across the district and higher sales for nearby businesses.
- The festival also included a live concert, which served as a central attraction and helped sustain visitors' engagement throughout the event.

South Fulton Development Authority

(Project Donness) Vantage Data Centers Tax Abatement Closing Update

The South Fulton Development Authority has finalized the closing of two bonds at each site—
Locations: Plummer Road (District 5) & Stacks Road (District 1)

Overview:

Project Donness includes the development of two hyperscale data centers and two colocation data centers within the City of South Fulton, representing a combined investment of \$2.3 billion.

Economic Impact:

- Job Creation: Approximately 32 new positions
- Average Salary: Approximately \$115,000 annually
- Projected City Revenue: \$115.5M–\$125.5M over 10 years

Annual Board Retreat Update

The board retreat was facilitated by Teri Smiley of Starfish Partnerships—a seasoned coach and facilitator with over 30 years of experience working with boards, chambers, and leadership teams.

During the retreat, authority members refined strategic priorities and strengthened governance and compliance practices. The facilitated session included strategic planning exercises and role clarity discussions designed to support future investment, development activities, and economic growth within the city.

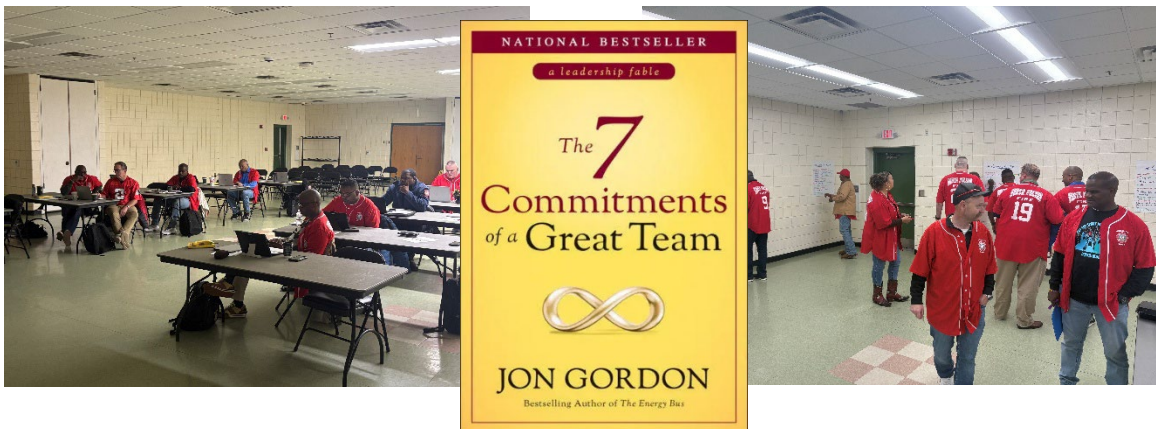

GOAL 1

Enhance Government Efficiency & Productivity

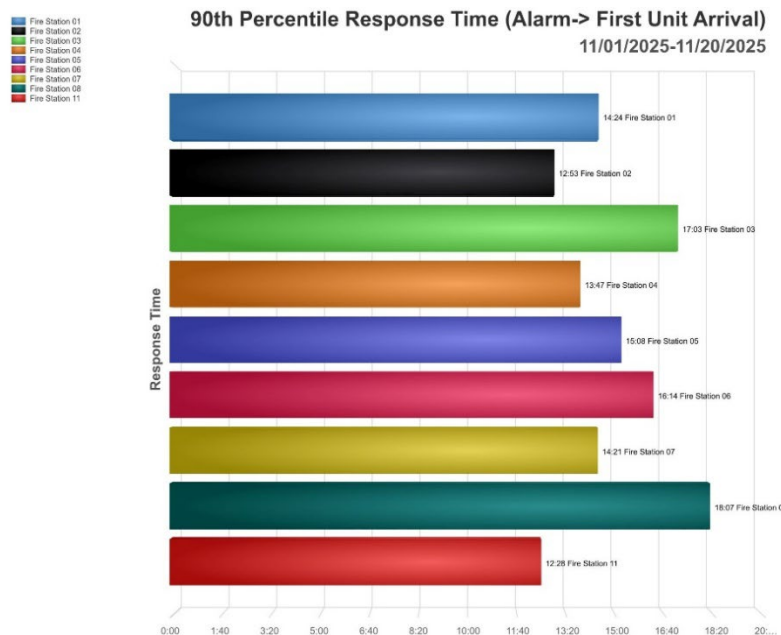

The South Fulton Fire Rescue Department is proud to recognize the team members who completed Paramedic School and graduated on November 5, 2025. This accomplishment represents not only a significant personal milestone for each participant but also a meaningful achievement for the Department. With the advanced skills these individuals bring to the field, the Department is even better positioned to deliver high-quality emergency services to the constituents of the City of South Fulton.

On November 14, 2025, the Fire Department's senior staff participated in a Leadership Retreat centered on The 7 Commitments of a Great Team and mental health awareness. Dr. Carla Moore led an in-depth discussion on mental health, emphasizing the importance of wellness, resilience, and support strategies for public safety personnel. Mac Cantrell, co-founder of 2 Impact, guided the team through a focused exploration of Jon Gordon's leadership framework, highlighting how each of the seven commitments strengthens teamwork, accountability, and organizational culture.

With the increasing number of skills acquired through the team, the Department strengthens key performance measures. The chart below illustrates the average response time per station from November 1–20, 2025. This data reflects the department’s operational performance and reinforces ongoing efforts to enhance emergency response throughout the City of South Fulton. Station 11 recorded the shortest average response time from alarm to first unit arrival at 12 minutes and 28 seconds, while the overall average from alarm to first unit arrival during this period was 14 minutes and 56 seconds.

Total number of calls: **1,237**

Average response time is **14:56**

The following data reflects the period from November 1, 2025, to November 20, 2025. There have been 140 fire inspections, resulting in a total of 1,237 incidents. Fire investigators have worked on five investigations in November thus far. Approximately 54.00% of the calls pertained to rescue and emergency services. These efforts help reinforce the City’s financial stability and economic growth by ensuring a safer environment for businesses, residents, and investors.

GOAL 2

Increase Community Collaboration and Improve Quality of Life.

As the holiday season approaches, the South Fulton Fire Rescue Department kicked off the month of November by participating in District 4’s Veterans Motorcade. This event offered constituents an opportunity to see the department’s fire engine up close while paying tribute to the men and women who have served in the armed forces. By participating, the Department not only honored veterans but also strengthened its connection with the community, demonstrating its commitment to civic engagement and public service. Also on November 1st, the Department contributed to the Red Oak Fall Festival by inspecting food trucks and overseeing safety measures to ensure a secure environment for attendees. This involvement allowed residents to enjoy food, fun, and fall festivities with confidence, while reinforcing the Department’s dedication to public safety and community well-being.

GOAL 3

Enhance the City's Financial Stability and Economic Diversification through Strategic Leadership and Community Partnership

On November 18, 2025, the South Fulton Fire Rescue Department had its ISO Public Protection Classification (PPC) survey, which evaluates the Department's ability to respond to fires and emergencies, providing an objective measure of the City's public safety infrastructure. A strong ISO rating reflects strategic leadership in fire protection, emergency preparedness, and resource management, signaling to residents, businesses, and investors that the city is committed to high-quality public safety services. By achieving and maintaining a favorable ISO rating, the Department helps reduce insurance premiums for property owners and businesses, which directly contributes to the City's financial stability. Currently, the Fire Department has an ISO rating of 3 and hopes to move to a rating of 2.

GOAL 4

Strengthen and Expand Infrastructure to Support Sustainability

The City of South Fulton Staff and Project Management Team continued meetings regarding the Headquarters project. As it stands, the contract is currently under review. However, this project represents a strategic investment in the City's critical infrastructure.

EMS-1 (pictured below) has been officially added to the Fire Department's fleet, enhancing operational readiness and support capabilities within the Emergency Medical Services Division. Adding EMS-1 to the fleet strengthens and expands the Department's infrastructure by improving the reliability, efficiency, and sustainability of EMS operations.

District Information: District 1

Council Person: Catherine Rowell

- **Southwest Arts Center (SWAC):** A ribbon-cutting ceremony was held on November 18, and the interior improvements are now nearing completion, including the final installation of acoustic panels and adjustments to the air-handling unit.
- **Trammell Crow Park:** Corrective actions are underway to address lighting issues and bathroom repairs, including scheduled bulb and LED replacements, to ensure the park remains safe and operational.
- **Sandtown Park:** The CIP team assessed the site on November 21; LDP and RFP updates are currently in progress.
- **City Administrative Building:** First-floor redesign began in early November.

District Information: District 2

Council Person: Carmalitha Gumbs

- **Fire HQ & Public Safety complex:** signage for future use has been placed.
- **Cliftondale Classroom Building:** The electrical and plumbing rough-ins, window installation, exterior trim, and mechanical subfloor have all been completed. Exterior painting is scheduled for the week of November 24–28, weather permitting. The project team conducted OAC meetings on November 4 and November 18, and the City Manager reviewed and confirmed all finish selections during the finishes meeting.

District Information: District 3

Council Person: Helen Z. Willis

- **Welcome All Community Building:** Significant progress continues at the Welcome All Community Building. The pool safety gate has been procured, with installation scheduled for mid-November. The concrete retaining wall repair has been completed, and the back door replacement has been approved; procurement and installation are now underway. Due to the current elevator modernization vendor's lack of responsiveness, the city is sourcing an alternate contractor to move the project forward.

- **4800 Campbell Welcome Center:** Two contractors submitted bids for the project, and the design team is moving forward with finalizing interior finishes, furniture selections, and regulatory coordination. Responses to GSWCC comments have been submitted, with approval anticipated in November to support issuance of the Land Disturbance Permit

District Information: District 4

Council Person: Jaceey Sebastian

- **Cedar Grove Community Building:** GSSTJ submitted the 75% schematic design package on November 19 and will deliver the final version on November 26. The city confirmed on November 12 that only the schematic design phase is required, and GSSTJ's work will conclude after this stage. HPM Johnson continues to hold bi-weekly coordination meetings to monitor progress, with the next meeting scheduled for November 25.

District Information: District 5

Council Person: Keosha Bell

- No district-specific updates.

District Information: District 6

Council Person: Natasha Williams-Brown

- **Old National Park:** Field lighting has been partially restored, and several poles identified during recent assessments are scheduled for replacement. Robert & Company will also replace the sky box using the same sandbox system previously installed at Sandtown Park

District Information: District 7

Council Person: Linda Becquer Pritchett

- **Municipal Courts Build Out:** The CIP team met with Municipal Courts on October 24 to review design direction. A site visit is being arranged to verify existing conditions. Awaiting interior as-builts for both floors to continue design refinement
- **2855 West Rd. (Passive Park):** Design phase continues; preferred concept finalized. Change order pending to advance wetlands delineation and stream buffer variance submission.

- **Fire Station #10:** HPM Johnson and BPA held coordination meetings on October 27, November 10, and November 24 to review project progress and upcoming milestones. The Land Disturbance Permit was submitted on 7/29 and is awaiting GSWCC approval before issuance. The city has elected to complete the remaining design work in-house, transitioning this responsibility from GSSTJ. BPA submitted its responses to GSWCC on 11/18, and the agency now has up to 30 days to provide any further comments. Additionally, HPM Johnson issued an RFP to the standby contractors on November 10 and extended the proposal deadline from December 5 to December 12 to allow sufficient time for accurate pricing.
- **Police Headquarters Complex:** Pre-construction activities are progressing as contract execution nears completion. The team continues to monitor the Land Disturbance Permit process and GSWCC's response to the resubmission of the erosion control plan. A proposal for the trail rendering is also expected this week. Overall, permitting documentation coordination and early mobilization planning remain underway.

Citywide & Cross-District Initiatives

Health, Safety & Compliance:

- **RFPs & SOPs:** A comprehensive review of existing RFPs and SOPs was completed, and areas requiring updates or new documentation were identified. The manager also conducted multiple inspections across designated facilities.
- **Fuel Systems:** Aboveground Storage Tank (AST) inspections are 100% complete, with all recommendations incorporated into the related RFP. Underground Storage Tanks (UST) are fully compliant for the next two years.
- **Site & Property Safety:** Tree inspections have been completed at all fire stations, with trimming and removal work scheduled accordingly. Fire system inspection follow-ups are ongoing across City facilities.
- **Safety Programs & Drills:** Coordination is underway with Fire Rescue for upcoming citywide safety drills and exercises.

Strategic Goal: 4

Fleet Management:

- **Fleet Activity:** During the reporting period, 32 maintenance and repair tasks were completed across Fire Rescue, Public Works, Parks & Recreation, Code Enforcement, and General Services.
- **Fuel Usage:** Unleaded fuel consumption totaled **1,230 gallons**, and diesel consumption totaled **630 gallons**. A new order has been placed for **8,500 gallons of unleaded** gasoline and **3,500 gallons** of diesel fuel.
- **Fleet Operations:** The Fleet Division continues to maintain vehicle readiness, preventive maintenance scheduling, and vendor coordination, while advancing tracking and oversight through the implementation of Fleetio and Uptime.

- **Police Fleet:** Registration and billing remain current. Fleet support continues with Samsara installations, vendor onboarding, and upfit quote development as part of ongoing readiness and invoicing efforts.

Strategic Goals: 1, 4

EV Charging Infrastructure Update

Sites Energized – Pending Final Commissioning

- City Hall
- Welcome All Park
- Southwest Arts Center
- South Fulton Tennis Center

Sites in Progress

- City Administration Building: Design complete; construction scheduling underway.
- Sandtown Park: Wire pull scheduled; outage date pending from Georgia Power.
- Creel Park: Energization and meter installation are being scheduled; an outage is required.
- Burdett Gym: Georgia Power redesigning site metering; outage scheduling pending.
- Wolf Creek: Construction resumed on November 10.
- Old National: Work will resume after Wolf Creek construction is complete.

Ford Pro Chargers

- Decision memo is awaiting Legal review and signature.

Strategic Goal: 4

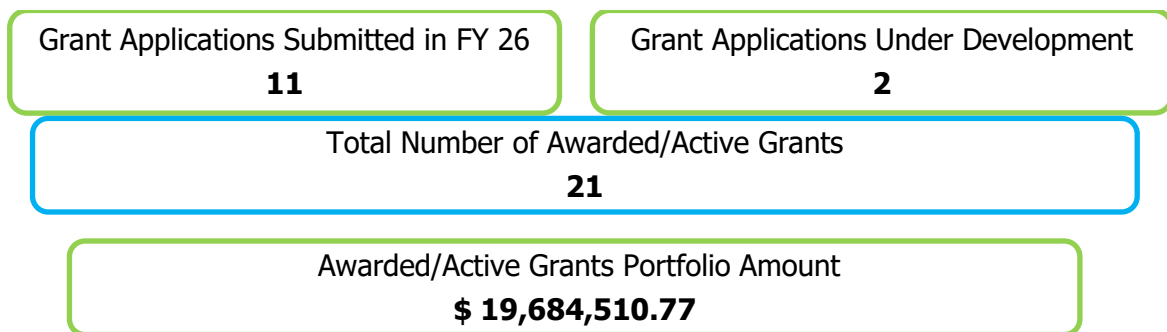

Grants Report Strategic Plan Alignment

- Goal 1: Empower Workforce Development
- Goal 2: Increase Community Collaboration & Improve Quality of Life
- Goal 3: Enhance the City's Financial Stability and Economic Diversification through Strategic Leadership and Community Partnership

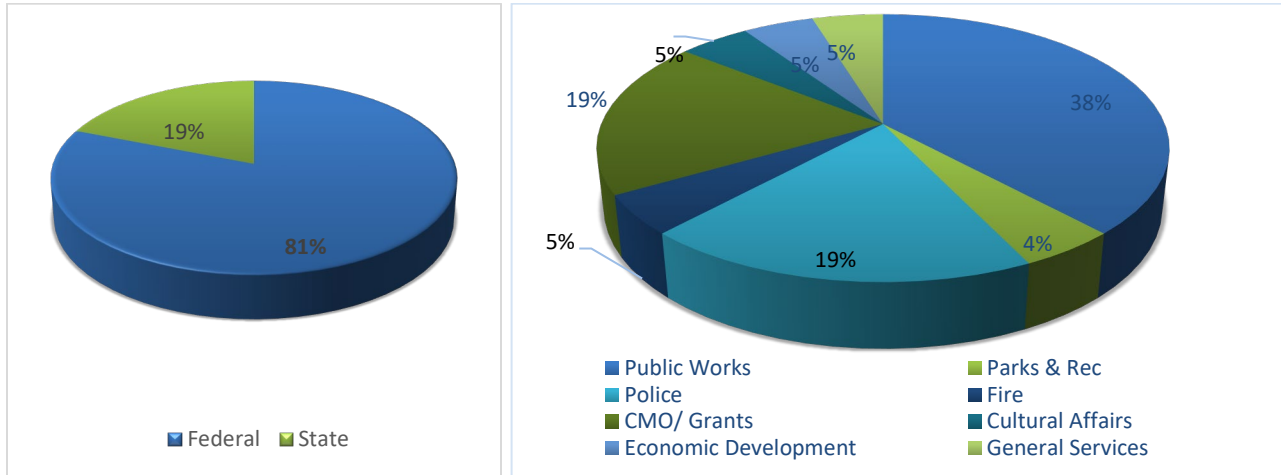

Key Highlights in November 2025

- Welcomed the new Grants Writer /Coordinator, Tara Hood, to the COSF Grants Team
- Submitted six grant applications in November for funding requests totaling \$ 548,006.00. *Refer to the table, Grant Applications Submitted – Pending Funding Decision, for a detailed breakdown.*

Performance Metrics

Awarded Grants by Funding Type & Department

Grant Applications Under Development

Grant Opportunity	Funder	Departments	Project Name	Application Deadline
Energy to Communities Program: Expert Match	U.S. Department of Energy	City Manager	Resiliency Planning	Ongoing
FY 25 Bulletproof Vests Partnership	DOJ	Police	Bulletproof Vests	12/19/2025

Awarded Grants - Pending Funding Agreements

Grant Program	Funder	Department	Project Name	Grant Award	Total Project Cost
CDBG 2025	HUD	Grants	Senior Home Rehabilitation	\$ 534,631.00	\$ 534,631.00
Justice Assistance Grant 2024	DOJ	Police	Cobwebs Software	\$ 87,361.00	\$ 87,361.00
				\$ 621,992.00	\$ 621,992.00

Active Grants – Implementation Phase

Grant Name	Project Name	Grant Award	Matching Funds	Project Budget	Expenditures	Remaining
American Rescue Plan Act (ARPA)	ARPA	\$ 11,352,517.00	\$ -	\$ 11,352,517.00	\$ 10,466,241.13	\$ 886,275.87

GOAL 1

Enhance Government Efficiency and Productivity

HR partnered with United Way.

GOAL 2

Increase Community Collaboration and Improve Quality of Life

This special surprise was part of our Fall into Wellness initiative, created by the Wellness Committee to celebrate your ongoing commitment to health, positivity, and team spirit.

GOAL 3

Enhance the City's Financial Stability and Economic Diversification

GOAL 4

Strengthen and Expand Infrastructure to Support Sustainability

Quarterly Safety Incentive Luncheon recognizing four departments, Parks and Recreation, Code, CDRA, and General Services for no at-fault accidents in the 3rd quarter of 2025.

Goal #2

Wyndoleyn Bethel said, "I love the message on it, because I am truly 'Grateful' to work amongst all these fantastic people in the City of South Fulton!"

**Goal #4**

Quarterly Safety Incentive Luncheon

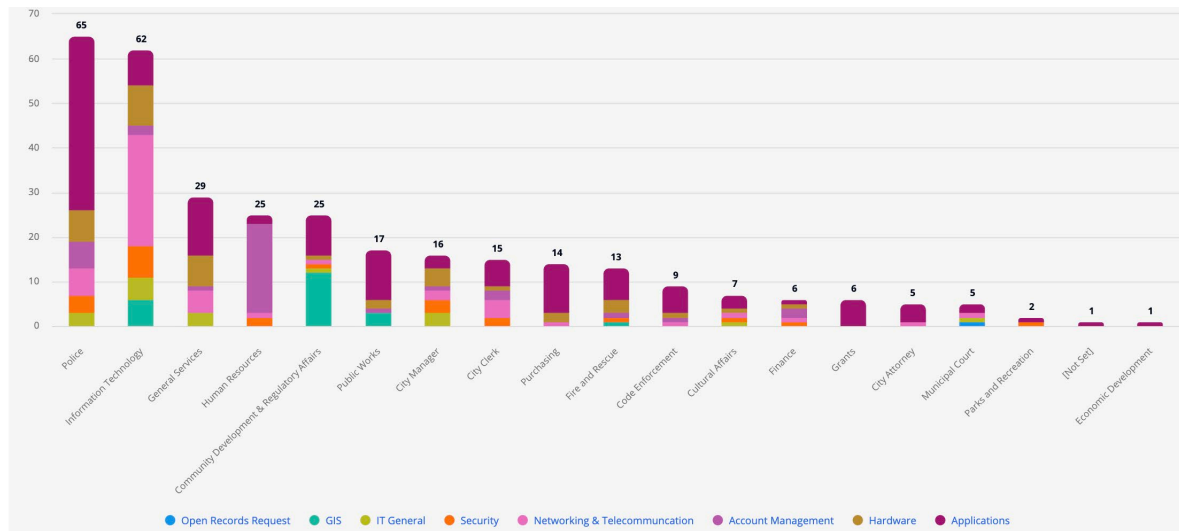

Executive Summary:

The IT Department provides secure, innovative, and scalable foundation technology services and guides the enhancement of city technology. With various technology projects, we are working to improve city services overall.

GOAL 1: Enhance Government Efficiency and Productivity

Tickets:

GOAL 2: Increase Community Collaboration and Improve Quality of Life

Camera Project:

Pending Sites	Completed Sites	Sites on Hold	Cameras Installed
5	28	8	524

Camera/Access Control Project Pending Notes:

SITE	Status Notes
Parks – Old National Park	Installation ongoing
SF Tennis Center & Dog Park	On hold due to power issues (being addressed by Georgia Power and GSD).
Fire Stations (1, 3, 5, 7, 8)	Pending Review
Fire Station 6	Install complete pending final review
Southwest Arts	Installation ongoing
Parks - Clintondale	On hold – pending review
Parks Maintenance	On hold
Boat Rock	Install complete pending final review

GOAL 3: Enhance the City's Financial Stability and Economic Diversification through Strategic Leadership and Community Partnerships

Tyler ERP Pro:

Update:

- The Tyler ERP Pro 10 rollout continues to progress as planned. Working with the implementation team to update processes and training.

Ancillary Modules – Status & Next Steps

- Bank Reconciliation (Finance): In Progress
- Tyler Payments (IT & Finance): In Progress
- Fixed Assets (Finance, Purchasing): Pending – Implementation
- Grant/Project Accounting: In progress
- Inventory (All): Pending – Implementation
- Insights: Scheduled for deployment

Tyler EP&L – Development System Configuration

Purpose: Streamline development financial tracking.

Update: The project is under review. IT's next steps are facilitating final testing and scheduling training and Go Live.

PA - Mass Notification

Purpose: To improve emergency communications and city notifications.

Update: The system is configured pending department-specific SOPs.

Sanitation Merit Mile Road Data Collection

Purpose: Update sanitation data methods.

Update: Project planning has commenced to update data collection practices.

CAD/RMS Replication Database

Purpose: Strengthen CAD/RMS reliability.

Update: The system integrations are ongoing.

GOAL 4: Strengthen and Expand Infrastructure to Support Sustainability

Adaptive

Purpose: Provide a training and simulation platform to prepare/protect organizations from advanced threats.

Update: Implementation ongoing.

Tablet Command – An incident management platform designed to support Fire & Rescue.

Purpose: A mobile incident command and response solution that increases situational awareness.

Update: System configuration has begun.

Procore – A Construction Management Software (CIP Projects)

Purpose: Simplify CIP project management.

Update: System provisioning is ongoing.

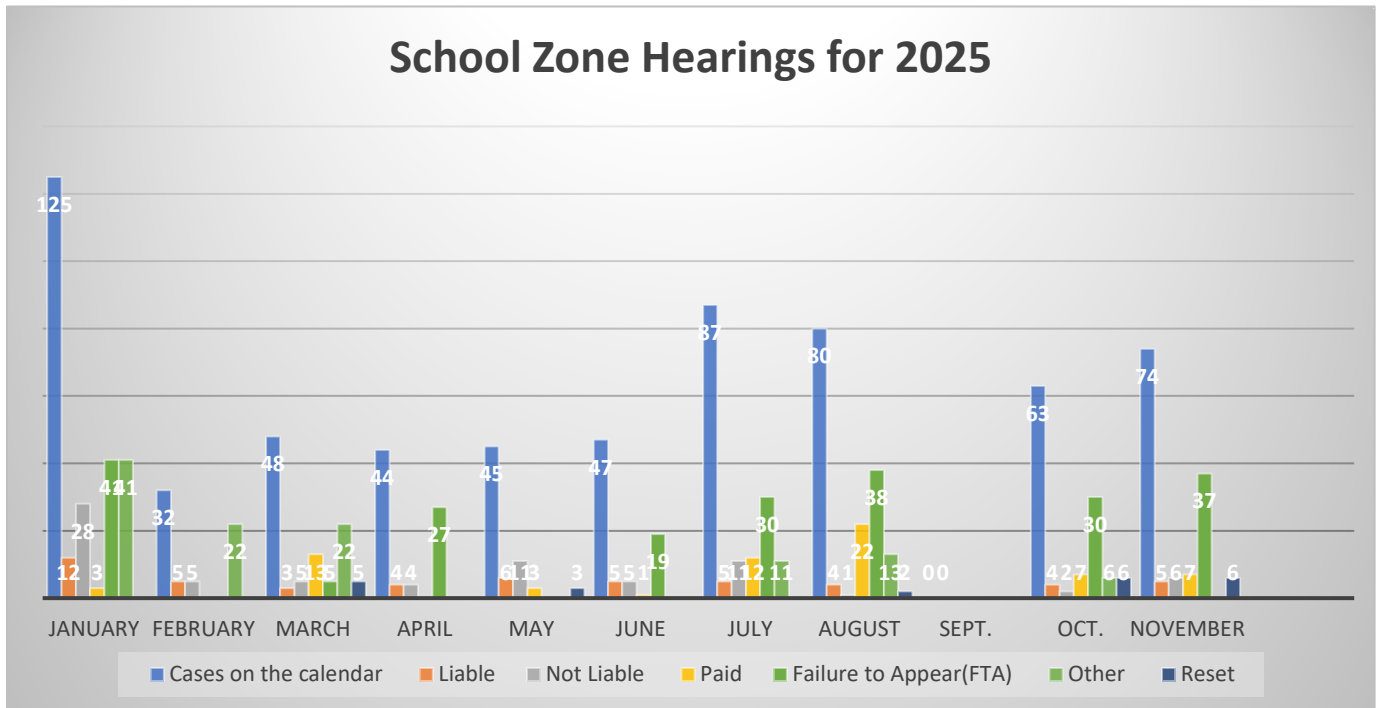

School Zone Cameras:

School zone safety is continuing to improve, with recent statistics showing reductions in speeding violations. The School Zone cameras have proven highly effective in deterring unsafe driving and reinforcing consistent compliance with posted speed limits. As a result, both citations and vehicle speeds are trending downward.

Please continue to slow down and remain alert when driving in a School Zone. Keeping our children safe remains a top priority in South Fulton.

School Zone Calendar Statistics:

- Blue: Total number of violations on the calendar.
- Orange: Individuals found liabe after hearing.
- Grey: Individuals found not liabe after hearing.

- ✚ **Yellow:** Individuals who paid their fine on the day of their court appearance rather than proceeding to trial.
- ✚ **Green:** Individuals who Failed to Appear (FTA) for their scheduled court date.

These figures reflect our continued focus on safety and accountability in designated school zones.

Nuisance and Abatement Cases:

November Nuisance and Abatement

3023 DeMooney Road – Reset to December
 4900 Delano Road-Reset to the December Calendar
 5400 Cascade Road – Reset to the December Calendar
 6355 Kimberly Mill Road – Reset to the December Calendar

Code Enforcement:

In our efforts to uphold code compliance, we remain committed to ensuring the safety of our community by resolving these cases on time and ensuring that individuals and businesses are in compliance.

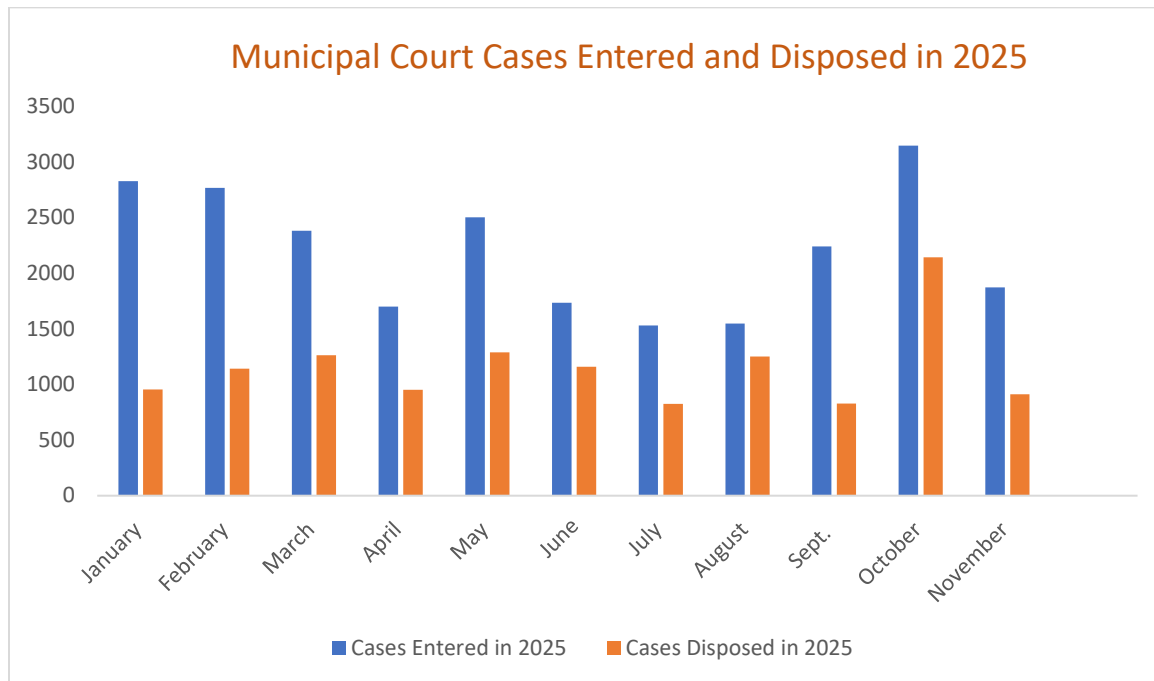

- ✚ **Code Enforcement Calendar Overview:** For November, the Code Enforcement calendar was as follows:

- 23 defendants were scheduled for court.
- 51 citations were issued.

- ✚ **Court Activity Summary**

- The outcomes for the 23 defendants are detailed below:
 - 7 Defendants Failed to Appear (FTA).
 - 1 Defendant was set for a Bench Trial.
 - 3 Cases were Dismissed.
 - 5 Cases were reset to the December Calendar.
 - 5 Cases were reset for the January Calendar.
 - 1 Case was reset for the February Calendar.

Municipal Court Cases Entered and Disposed of in 2025:

Court Calendar Days:

- **Monday**
 - Bench Trials: Held on the 2nd and last Monday of the month.
 - Plea & Arraignment: Spanish Interpreter available on the last Bench Trial Date of the month.
- **Tuesdays and Thursdays:**
 - Plea & Arraignment: Virtual Sessions at 9:00 AM and 1:00 pm.
- **Wednesday:**
 - School Zone Hearings: 1st Wednesday of the month.
 - Nuisance and Abatement Calendar: 3rd Wednesday of the month.
 - Code Enforcement Calendar: Last Wednesday of the month at 9:00 am (In person).
 - Probation Revocation Hearings: Last Wednesday of the month at 1:00 pm (In-person).
- **Thursdays:**
 - Plea & Arraignment Calendars are at 9:00 am and 1:00 pm on Tuesdays and Thursdays. Plea and Arraignment calendars are held virtually.
- **Monday, Wednesday, and Friday:**
 - First Appearance Calendars: Held virtually at 1:00 pm. for jail cases.

*In-person hearings are held at the Crestwood location:

6524 Old National Hwy
South Fulton, Georgia 30349
(470) 809-7400 (Office)

GOAL 2: Increase Community Collaboration and Improve Quality of Life

- **Location:** Burdett Park
- **Dates:** November 15, 2025
- **Event:** Thanksgiving Bingo (Councilwoman Williams-Brown)
- **Attendance:** Approximately 216 participants.

- **Highlights:** District 6 Representative Councilwoman Williams Brown recently hosted a Thanksgiving Bingo event that served meals to more than 200 seniors, underscoring the city's dedication to enhancing the quality of life and engagement for senior residents. The event offered seniors a welcoming environment to connect with others, enjoy structured activities, strengthen social bonds, and foster a sense of inclusion and belonging within the District 6 community.
- **Community Engagement:** The event highlighted strong community participation, including South Fulton Police and Divine 9 Organizations, Eastern Stars and The Masons.

- **Location:** Burdett Park
- **Attendance:** Approximately 65 participants.
- **Highlights:** District 6 Representative Councilwoman Williams Brown recently hosted a Veterans Day Brunch attended by veterans from all military branches, underscoring the city's dedication to honoring those who have served our nation. The event provided veterans a welcoming space to connect, participate in meaningful activities, strengthen social bonds, and experience the respect and inclusion that are pillars of the District 6 community.
- **Community Engagement:** The event highlighted strong community participation, including South Fulton Employees and Community Members from All Walks of Life.

Police Department

Goal 1: Enhance Government Efficiency and Productivity

The South Fulton Police Department is committed to strengthening operational efficiency by leveraging data-driven deployment strategies, streamlining case management systems, and enhancing officer training programs. These efforts ensure that resources are effectively utilized to deliver timely and professional services to the community.

Goal 2: Increase Community Collaboration and Improve Quality of Life

The Police Department will continue to build and maintain partnerships with community stakeholders through proactive outreach programs, youth engagement initiatives (PAL), and neighborhood watch (HOA) collaborations. Our focus is on reducing crime, increasing transparency, and fostering trust, thereby enhancing the overall quality of life for our residents.

Goal 3: Enhance the City's Financial Stability and Economic Diversification

The South Fulton Police Department supports economic growth by ensuring the safety of business and commercial districts, while also prioritizing fiscal responsibility. By assigning officers based on crime trends, utilizing technology to streamline paperwork, and managing overtime more efficiently, we reduce unnecessary expenses while maintaining high-quality police services. These efforts create a safe and stable environment that attracts investment and supports the City's long-term financial health.

Goal 4: Strengthen and Expand Infrastructure to Support Sustainability

The Police Department is focused on sustaining long-term public safety through strategic investments in personnel and facilities. This includes recruitment and retention initiatives to build a stable workforce, modernizing our training programs to meet evolving community needs, and strengthening partnerships with regional agencies to ensure coordinated responses during emergencies. Additionally, with the approval of our new headquarters, we are preparing to expand and modernize our operational infrastructure, which will enhance service delivery and provide a lasting foundation for the department's future growth.

Police Department Guiding Principles

SOUTH FULTON POLICE DEPARTMENT

"The South Fulton Police Department has been developed with 21st Century Policing Principles in mind. The Police Department will continue to evolve in this direction as staff seeks to create efficiencies through the use of technological advances"

Chief Keith Meadows
South Fulton Police Department

21st Century Policing Pillars

1. Building Trust & Legitimacy
2. Policy & Oversight
3. Technology & Social Media
4. Community Policing & Crime Reduction
5. Training & Education
6. Officer Wellness & Safety

Colors Presented with Pride: South Fulton Police Honor Guard

The South Fulton Police Department's Honor Guard proudly presented the colors at the opening ceremony of the Veterans Day Motorcade, marking the start of a day of community celebration and tribute to the nation's heroes. The motorcade, hosted by District 4 Councilman Jaceey Sebastian and partnering cities, made its way from Welcome All Park to Wilkerson Mill Park, where attendees enjoyed food, music, and more in appreciation of our veterans.

Bravo Award: Lt. N. Moss

The South Fulton Police Department proudly recognizes Lieutenant N. Moss for receiving the Bravo Award in acknowledgment of her exceptional investigative work and unwavering dedication to justice.

Her persistence and attention to detail led to a resolution of a complicated case involving serious crimes against a vulnerable victim. Through her tireless efforts, a dangerous offender was brought to justice and removed from the community.

Lt. N. Moss's compassion, professionalism, and commitment to protecting the most vulnerable embody the highest standards of law enforcement. Her courage and determination stand as an inspiration to her peers and to the residents we serve.

Community Partnership Spotlight: National Night Out 2025

The South Fulton Police Department's P.A.C.T. Unit extends sincere appreciation to our external community partners for their outstanding support and participation in National Night Out 2025. Their collaboration was instrumental in making this event a success, fostering connections and strengthening relationships between law enforcement and the community.

Key highlights of the event included community outreach, resources, entertainment, and family activities, all made possible through the dedication of our partners. National Night Out serves as a powerful reminder of the impact of unity and teamwork in promoting safety and trust.

The South Fulton Police Department looks forward to continued partnership and collaboration with our community stakeholders, working together to build a safer, more resilient city.

Honoring Our Heroes

The South Fulton Police Department Honor Guard had the privilege of presenting the colors at the Veterans Appreciation Brunch.

We are deeply grateful for the opportunity to honor the brave men and women who have served our nation. Their courage and sacrifice continue to inspire us every day.

Special thanks to our leadership and community partners for their continued support as we proudly represent the City of South Fulton with professionalism, discipline, and pride.

1. **Procurement Activity Update**

The city issued 227 purchase orders totaling 6,319,447.18 in November 2025. These procurements support public safety, facilities, roadway maintenance, technology, parks, and essential government operations.

Department with the highest procurement activity included

- **Sanitation**
- **General Services Facilities**
- **General Services Facilities**
- **Grants**
- **Police Department**

These purchases ensure uninterrupted sanitation collection, sustained facility operations, advanced community grant programming, support for fleet and public safety requirements, and reinforce the City's commitment to reliable, resident-focused service delivery.

GOAL 1

Enhance Government Efficiency and Productivity

The Public Affairs Department is committed to creating efficient internal operations and systems to deliver high-quality municipal services. Our goal is to improve the quality of life for residents and businesses in the City of South Fulton by ensuring that our government functions smoothly and effectively, meeting the needs of our community with professionalism and excellence.

GOAL 2

Increase Community Collaboration and Improve Quality of Life

The Public Affairs Department is dedicated to strengthening relationships with our county and state legislators, as well as surrounding municipalities, to support the City of South Fulton in adopting a regional approach to services. Launch initiatives and create change to improve our quality of life, including public safety.

GOAL 3

Enhance the City's Financial Stability and Economic Diversification

The Public Affairs Department is committed to strengthening our financial infrastructure by building and diversifying revenue sources. Focus is on promoting a healthy and prosperous economy by supporting small businesses, entrepreneurs, tourism, and public-private partnerships. We are dedicated to defining and showcasing the unique identity of the City of South Fulton and effectively marketing it to stakeholders. Through strategic initiatives and collaborations, we aim to create a vibrant economic environment that benefits all members of our community.

GOAL 4

Strengthen and Expand Infrastructure to Support Sustainability

The Public Affairs Department is committed to fostering strong relationships with our county, state legislators, and surrounding municipalities. By taking a regional approach to services, we aim to launch initiatives and drive changes that enhance the quality of life in the City of South Fulton, including improvements in public safety. Through collaboration and shared goals, we are committed to creating a safer, healthier, and more vibrant community for all current and future residents.

PUBLIC AFFAIRS – November 2025 Accomplishments

During this reporting period, the Public Affairs Department advanced the City of South Fulton's Strategic Plan through coordinated communications, community engagement, regional collaboration, and strategic content development. Sub-departments—including Events & Programs, Graphics, Press & Media, Website Services, Social Media & Analytics, and Photography/Videography—collectively supported government transparency, operational efficiency, economic visibility, and community quality of life.

EVENTS & PROGRAMS

Public Affairs coordinated, staffed, and supported citywide and district-specific activities, reinforcing community engagement and ensuring aligned messaging across departments.

Major Activities

- Coordinated planning for major holiday events, including the City Hall Tree Lighting and Holiday Choir.
- Participated in the HR Wellness Team to coordinate citywide wellness activities.
- Managed photography/videography coverage, agency coordination, and public messaging for the following events:
- Citywide, Interdepartmental, and District Events
- Red Oak Fall Festival
- District Veterans Day Programs (Districts 1, 4, 6, and 7)
- District 1 Community Cleanup
- District 3 Senior Food Distribution
- South Fulton Means Business Accelerator
- District 6 and District 7 Food Distributions
- District 7 Turkey Giveaway
- District 6 Thanksgiving Bingo
- SWAC Grand Re-Opening
- District 3/Parks Thanksgiving Dinner & Bingo
- Citywide Annual Thanksgiving Meal Distribution
- District 1 Thanksgiving Food Distribution

Strategic Alignment

These efforts strengthened community collaboration and supported high-quality public service delivery in alignment with Goals 1 and 2.

GRAPHICS & CREATIVE SERVICES

- Tree Lighting Choir Background
- City Thanksgiving Flyer
- SOFU Community Logo Development
- City Manager's Budget E-Book (Priority Project)
- Weather Alert Social Media Templates
- D5 Breakfast with Santa Flyer (Revisions)
- Veterans Day Flyer (Revision)
- ACFR Cover Redesign
- D6 Toy Distribution Flyer
- Citywide Events & Meetings Digital Display
- District 1 Senior Food Distribution Flyer

- SWAC Grand Opening Photography Graphics Package

Strategic Alignment

The department's graphic products enhanced public accessibility, improved communication standardization, and strengthened the City's branding and economic identity, supporting Goals 1 and 3.

PRESS & MEDIA RELATIONS

- COSF Fire Rescue Firefighters Save Residents Experiencing Cardiac Arrest
- Media Alert: Citywide Thanksgiving Meal Distribution
- Media Alert: City Holiday Tree Lighting
- Highlighted life-saving actions of COSF Fire Rescue
- Promoted major citywide public safety and holiday events
-

Strategic Alignment

These efforts supported transparent government operations, strengthened public trust, and enhanced regional visibility aligned with Goals 1, 2, and 3.

WEBSITE SERVICES

- City Calendar Enhancements
- Posted or updated district and citywide events including:
- Clean-ups, food distributions, shredding and recycling events
- Holiday programs across Districts 1–7
- Citywide events such as the Impact Awards, Outlaw Classic Banquet, and the Holiday Tree Lighting
- Website Content Updates
- Citywide office closures
- Weather and freezing temperature alerts
- Crime Stats webpage updates
- Public Works "No Parking" webpage modifications
- Maintenance & Infrastructure
- Removal of broken links

- Internal page updates to improve navigation and transparency

Strategic Alignment

Website updates directly supported operational efficiency, public safety, and information accessibility consistent with Goals 1 and 4.

SOCIAL MEDIA & ANALYTICS

Facebook Performance

- 205,346 page views (↑ 57%)
- 68,327 reach (↑ 119.6%)
- 2,409 interactions (↑ 40.1%)
- 153 new followers
- Top Performing Post: D6 Holiday Toy Distribution (23,278 views)

Instagram Performance

- 128,058 page views (↑ 6.7%)
- 11,216 reach (↑ 21.7%)
- 3,266 interactions (↑ 72.6%)

- Top Performing Post: D4 Food Giveaway (6,272 views)

LinkedIn Engagement Highlights

- Bishop Industrial Park Groundbreaking – 29.49% engagement
- GRPA Awards Banquet – 21.46% engagement
- Atlanta Regional Commission State of the Region – 17% engagement
- Municipal job postings – 10–11% engagement

Social Media Content Published

- Recaps for major district and city events
- Flyers and alerts for weather, office closures, and events

Strategic Alignment

These analytics demonstrate progress in improving public reach, enhancing communication with residents, and increasing visibility of economic and workforce initiatives—advancing Goals 2 and 3.

PHOTOGRAPHY & VIDEOGRAPHY SERVICES

Multimedia Documentation

The Public Affairs Department provided comprehensive photography and videography for citywide programs, community events, economic development initiatives, and district activities.

Click to View Public Link:  <https://bit.ly/43KraBJ>

- Ensured accurate documentation of city activity
- Supported media, website, and social campaign needs
- Strengthened the City's visual storytelling and brand identity

Summary

(11) Events/meetings photographed this month. Each gallery culled, edited, and distributed internally.

(8) New employees photographed. Each photo was edited & distributed to the human resources and information technology departments for identification card printing and broadcasting of new employees.

- Tracked progress of Southwest Arts Center for before and after photos and videos
- Produced time-lapse video to play at grand re-opening ceremony
- Produced before and after 40 prints to be displayed at the ceremony

(1) Proclamation photographed during City Council.

Strategic Alignment

These services enhance the communication infrastructure and promote public transparency, aligning with Goals 1, 2, and 3.

The Public Affairs Department continues to demonstrate strategic alignment with the City of South Fulton's goals through transparent communication, high-quality multimedia services, community-centered outreach, and robust support for economic and regional initiatives. Accomplishments collectively reinforce efficient government operations, improve community quality of life, strengthen regional partnerships, and expand the City's economic visibility.

The PA department is committed to operational excellence and to serving as a reliable conduit of timely, accurate, and impactful communication for residents, businesses, and stakeholders.

The following is the Transportation Update Report for November 2025. The (*) mark indicates updated information from the October 2025 report. This report provides a detailed overview of sixty-six (66) projects for the City of South Fulton in TSPLOST I, TSPLOST II, Capital Improvement, State, and Federal funding within Public Works in the following stages:

- | | |
|------------------------|---------------------------------|
| 1. Planning: | Zero (0) total projects. |
| 2. Design: | Thirty-six (36) total projects. |
| 3. ITB/ Out-to-Bid: | One (1) total project. |
| 4. Under Construction: | *Fourteen (14) total projects. |
| 5. Completed: | *Fifteen (15) total projects. |

1. Planning Phase (0 projects). Projects in this phase will have defined scopes and cost estimates. However, they will require evaluation by a design engineering firm. Once design consultants are assigned, project estimates and a schedule will be provided.

2. Design Phase (36 projects). Projects in this phase will transition to construction once the concept reports are reviewed, the design is complete, the Right-of-Way (ROW) plans have been certified, and the land parcels have been acquired. The cost estimates and project schedule are subject to change.

- **Capital Improvement Projects (CIP) (5)** -Gravel Road projects. Projects are progressing through preliminary design.
- **RG-160.** Two segments of Jones Rd need paving, and a culvert needs to be replaced. RSH, the design consultant, is assessing improvements at the Hall Road 4-way stop and a planned GDOT roundabout at Campbellton-Fairburn Road (SR 92). Design costs are \$538,268, with construction estimated to begin fall 2026. The estimated cost is \$13 million, with roughly \$3.65 million in construction funded by Union City via an Intergovernmental Agreement (IGA). A public input open house (PIOH) was held on June 12, 2025, where RSH presented drawings and discussed potential improvements with the public.
- **RG-164.** Oxford Rd is a half-mile unpaved residential street that serves as a cul-de-sac off West Stubbs Rd. Khafra Engineering is the design consultant for \$149,277. The design is expected to be completed by the end of 2025, with construction beginning in spring 2026. A PIOH was held on June 10, 2025, during which Khafra presented drawings and discussed potential improvements with the public. The concept report has been reviewed and finalized. The estimated cost is \$5.6 million.

- **RG-163.** Thames Rd, a 1600-ft gravel road, will have a complete street design, including sidewalks, implemented at the intersection with Butner Rd. Khafra Engineering is the design consultant for \$158,886. Design completion is expected by the end of 2025, with construction estimated to commence in spring 2026. The concept report has been reviewed and finalized. A PIOH was held on May 29, 2025, during which Khafra presented drawings and discussed potential improvements with the public. The estimated cost is \$5.3 million.
- **RG-162.** Rocky Head Rd. is a 900-ft. unpaved residential street connecting Owl Rock Rd. and Union Rd. Khafra Engineering is the design consultant for \$110,134. Design completion is expected by the end of 2025, with construction estimated to commence in spring 2026. The concept report has been reviewed and finalized. A PIOH was held on May 29, 2025, during which Khafra presented drawings and discussed potential improvements with the public. The estimated cost is \$3.7 million.
- **RG-161.** Hall Rd. will be paved along its one-mile unpaved stretch, including sidewalks and other improvements. The existing bridge over Line Creek may need to be replaced. Moreover, intersections with Jones Rd and Ridge Rd will need enhancements. Another segment, roughly 1.75 miles long, is already paved but needs sidewalks and other upgrades. RSH is the design consultant for \$711,960, with completion expected by summer 2026 and construction to begin by fall 2026. The concept report has been reviewed and finalized. A PIOH occurred on June 11, 2025, where RSH provided drawings and discussed potential improvements with the public. The estimated cost is \$15.9 million.

- **Federal/State Projects (5)**

- **PI0019647.** This GDOT-managed project will enhance the intersection of Fulton Industrial Blvd at Westpark Place by improving sight distance for motorists in the turning lanes by offsetting the left-turn lanes on Fulton Industrial Blvd (FIB). A Restricted Crossing U-turn (R-CUT) intersection will be implemented to alleviate congestion and reduce accidents from Westpark Place. The estimated cost is \$2.6 million, with construction *let projected for January 2027 for \$2 million. The project spans 1900 feet, with GDOT anticipating acquiring four parcels. Design engineering was authorized for \$622,727. The Preliminary Field Plan Review (PFPR) has been completed. Design of the R-CUT and median on FIB is underway.
- **PI0019841.** This GDOT-managed project will improve Jonesboro Rd at Bethsaida Rd intersection by installing a multi-lane roundabout. According to GDOT, this safety project is estimated to cost \$5.6 million, with construction estimated at \$4.1 million, starting in spring 2027 and taking two years to complete. The project is 1584 feet long. GDOT estimates four parcels along Jonesboro Rd need to be acquired. Design engineering was authorized for \$700K. The PIOH meeting was held on March 26, 2025, and the input has been evaluated.
- **T-281.** The Fulton Industrial Blvd sidewalks between Lakeview Court and Westpark, and the Fulton Industrial Blvd at Cascade Rd intersection improvements (T-282), will be let as one construction project. All agreements between the City and GDOT are in place. The City has approved the Concept reports. Both projects are part of the Fulton Industrial Community Improvement District (FICID). Construction let by GDOT through the FICID; South Fulton is listed as the local municipality, and funded through the ARC's Last Mile Connectivity Program. The estimated cost is \$9.2 million, with \$1 million coming from local funds. Kimley-Horn &

Associates, Inc. is the design engineer. *The design and land acquisition is estimated to be completed by March 2026, with construction scheduled to begin in June 2026.

- **OSI-605.** SR 92 @ Jones Rd and SR 92 @ Demooney Rd intersection improvements, including installation of two roundabouts. *The aim is to reduce the number of accidents at the intersections. The project is 4040 feet long and will be managed and funded under GDOT's safety program. Short-term and intermediate-term solutions have been developed to address safety and operational concerns, including clearing vegetation and implementing temporary traffic signals. There may be some lane closures during the project. The design is estimated to be completed by June 2026, with construction expected to commence in early 2027. The estimated cost is \$13 million, with \$52,250 allocated from TSPLOST I Funds. AECOM is the design engineer. It is estimated that GDOT will acquire eleven parcels. The PIOH meeting was held on October 9, 2025, and the input is being evaluated.
- **TSPOST II Projects (19).** The City Council approved several design consulting firms for standby design engineering services. The following projects were awarded and started in the concept phase. Once the concept report is finalized and after the PIOH occurs, the projects move into preliminary design, then to final design. Project cost estimates and schedules have been updated and are subject to change.

<u>Project Name</u>	<u>Cost Est.</u>
PBI-906. Welcome All Rd sidewalks (1.5 miles) from Roosevelt Hwy to Will Lee Rd are being designed by AEI/STV, with completion expected by the end of 2026. Concept report is being developed; cost estimates and schedules will be updated. The estimated construction phase funding of \$3,267,384 has been deferred to future funding. *PIOH to be scheduled.	\$3.7M
PBI-911. Merk Rd sidewalks (1.25 miles) from Camp Creek Parkway to Aldredge Rd are being designed by AEI/STV, with completion expected by summer 2026. Concept report is being developed. The estimated construction phase funding of \$3,888,540 has been deferred to future funding. *PIOH to be scheduled.	\$4.2M
PBI-910. Fill in sidewalk gaps, approximately ¾ of a mile within the existing sidewalk network on Jerome Rd from Old Notional Hwy to Old Bill Cook Rd. RS&H is the Design engineering, with completion expected by summer of 2026. The estimated construction phase funding of \$1,633,692 has been deferred to future funding. Concept report is being developed, and cost estimates and schedules will be updated. *PIOH to be scheduled.	\$1.8M
T-288 (B-510). Stacks Rd Bridge Replacement over CSX Railroad. Atlas is the design engineering for \$240K and CSX Transportation for \$27,550 from the Public Works' General Fund, with an estimated completion date of spring 2026. A PIOH was held on December 18, 2024. *Preliminary design continues. ROW plans are being developed, with construction estimated for *Spring 2027.	\$5MM
OSI-631. Union Rd at Thames Rd intersection improvements will include a roundabout, sidewalks, and streetlights. AEI is the design consultant with completion in early 2026 for \$194,700. Eleven parcels are estimated to be acquired. A PIOH was held on December 16,	\$1.7MM

2024. Plans are under review. *In preliminary design phase. The estimated start of construction is late 2026.	
OSI-629. Ono Rd/Hobgood Rd at Rivertown Rd intersection improvement, including a roundabout, sidewalks, and streetlights. AEI is the design consultant for \$258,060, with completion in spring 2026, with an estimated construction start in fall 2027. Plans were reviewed, and a field review is underway. Eighteen parcels are estimated to be acquired.	\$3.9MM
OSI-628. Old Fairburn Rd at Thaxton Rd intersection improvement will include a roundabout, sidewalks, and streetlights. The design, awarded to Khafra for \$196,625, is estimated to be completed in the fall of 2026, with construction starting in spring of 2027. The concept report was finalized. PIOH occurred on October 23, 2025. *Concept plans were updated, and another PIOH is to be scheduled.	\$4.3MM
OSI-622. Butner Rd at Aldredge Rd intersection improvements, including roundabout alternatives, sidewalks, and streetlights. The design, awarded to Khafra for \$195,965, is estimated to be completed in fall 2026, with construction starting in summer 2027. The concept report is being finalized. PIOH occurred on October 28, 2025. *In preliminary design phase.	\$3.2MM
OSI-600. Bethsaida Rd at Creel Rd/West Rd intersection improvements, including roundabout alternatives, sidewalks, and streetlights. The design, awarded to AEI for \$237,160, is estimated to be completed by the end of 2025, with construction scheduled for early 2028. A PIOH was held on July 10, 2025. *In preliminary design phase. *The project will be coordinated with the Bethsaida Rd sidewalk project from Old National Hwy to Nunn Woods Way (PBI-902)	\$3MM
OSI-623. Bethlehem Rd at Cedar Grove Rd intersection improvements, including roundabout alternatives, sidewalks, and streetlights. The design, for \$189,750, was awarded to Khafra and is estimated to be completed by Fall 2026, with construction starting in 2028. There is a potential concept change for this project, which may delay design and construction. *PIOH to be scheduled pending concept revisions.	\$2.7MM
OSI-620. Aldredge Rd at Merk Rd intersection improvements, including a roundabout, sidewalks, and streetlights. The design was awarded to AEI for \$248,160, with completion by *March 2026. A PIOH was held on December 16, 2024. Ten parcels are to be acquired. Anticipated construction to start in *summer 2027. *Preliminary design plans were reviewed, and a field review is underway.	\$1.9MM
PBI-914. Fill in sidewalk gaps within the existing 1.15 miles of sidewalk network on Union Rd from Owling Rock Rd to Bunting Ln. The design was awarded to Khafra for \$398,280 and is estimated to be completed by *summer 2026. The concept report has been updated. PIOH occurred on October 21, 2025. Anticipated construction to start *summer 2027.	\$5.3MM
B-508. Koweta Rd Bridge Over Deep Creek Replacement. AEI is the design consultant for \$218,750. Estimated Design completion by early *spring 2026. Anticipated construction to	\$3MM

start in *spring 2027. *The concept report has been updated. *PIOH occurred on October 22, 2025. *In preliminary design phase.	
B-505. Derrick Rd Bridge Over Deep Creek Tributary Replacement. AEI is the design consultant for \$218,750. Estimated Design completion by *spring 2026. Anticipated construction to start in *early spring 2027. The concept report has been updated. PIOH occurred on October 22, 2025. *In preliminary design phase.	\$2.9MM
PBI-908. Flat Shoals Rd sidewalks (2.5 miles) from Old National Hwy to Buffington Rd. RS&H, the design consultant for \$451,385, is developing the concept report. The design is estimated to be completed by *the end of 2026. Anticipated construction starts in *fall 2028. The construction phase estimated cost of \$5,992,080 will be deferred to future funding. *PIOH to be scheduled.	\$6.5MM
PBI-903. Cascade Rd sidewalk (3 miles) from the City of Atlanta city limits to Fulton Industrial Blvd. RS&H, the design consultant for \$581,035, is developing the concept report. The design is expected to be completed by *the end of 2026, with construction anticipated to start in *fall 2028. The construction phase estimated cost of \$6.1 million will be deferred to future funding. * PIOH to be scheduled.	\$6.8MM
PBI-902. Bethsaida Rd sidewalk (1.5 miles) from Old National Hwy to Nunn Woods Way. AEI/STV is the design consultant for \$431,749. Estimated design completion by *fall 2026, with construction to start in *summer 2028. PIOH was held on July 10, 2025. *The project will be coordinated with Bethsaida Rd at Creel Rd/West Rd intersection improvements project (OSI-600). *In preliminary design phase.	\$4.8MM
B-599. Oglesby Rd Bridge/Culvert over a tributary of Morning Creek is a quick-response bridge-replacement project. This bridge will have accessibility throughout the project. AEI is the design consultant for \$202,917. Estimated Design completion *in January 2026, with construction to start in *summer 2026. *In the final design.	\$2.3MM
T-270 (B-504). The Design of the Demooney Rd over Deep Creek Bridge Replacement, featuring sidewalks, is complete. Long Engineering was the design consultant for \$284,625 from the Public Works' General Fund. The project is in the ROW phase. Once the two remaining parcels are acquired and ROW is certified, the project can be let for construction. The estimated start for construction is *March 2026.	\$3.2MM

- **TSPLOST I Projects in the Design phase (7)**

<u>Project Name</u>	<u>Cost Est.</u>
OSI-619. The design of the Butner Rd at West Stubbs Rd intersection improvement is underway by AEI for \$47,326.90, expected to be completed by spring 2026. The estimated construction cost of \$4.8 million will be deferred to future funding. *PIOH to be scheduled.	\$5.5MM

OSI-618. The design of the Welcome All Rd at Scarborough Rd intersection improvement, including a roundabout and sidewalks, has been completed by AEI for \$141,335. Utility coordination is ongoing. ROW acquisition phase with six of nine parcels acquired. Construction is estimated to start in early 2026. The ITB for construction is anticipated to go out once the final parcels are acquired.	\$2.9MM
OSI-616. The design of Stonewall Tell Rd at Jones Rd/Pittman Rd intersection improvement, which includes a roundabout and sidewalks, has been completed by AEI for \$131,445. ROW acquisition phase with six of nine parcels acquired. Utility coordination is ongoing. Construction is estimated to start in spring 2026. \$1 million of the estimated total will be funded by Fund 212 (Camera Funds).	\$3.5MM
OSI-608. The design for the intersection improvement of Enon Rd at Stonewall Tell Rd, including a roundabout, streetlights, and sidewalks, has been completed by Jacobs Engineering for \$133,814. ROW acquisition phase with eight of eleven parcels acquired, with construction estimated to start in summer 2026. Construction phase funding of \$2.6 million is being moved to TSPLOST II funding.	\$2.9MM
OSI-607. The design of the Demooney Rd @ West Stubbs Rd intersection improvement, which includes a roundabout, streetlights, and sidewalks, has been completed by Jacobs Engineering for \$139,679. ROW acquisition phase with two of four parcels acquired. Utility coordination is ongoing. Construction is estimated to start in spring 2026.	\$2.7MM
OSI-603. Butner Rd at Pittman Rd intersection improvement includes a roundabout, sidewalks, and streetlights. AEI is the design consultant for \$143,672, with completion expected by the end of 2025. ROW acquisition phase with nine parcels to acquire. Construction is estimated to start early 2027.	\$3.4MM
OSI-601 (B-500). Butner Rd at Camp Creek Parkway intersection improvement and bridge replacement, including sidewalks and trail path access. Both projects are scheduled to be advertised together for construction. Atlas, the design engineer for the bridge replacement project, is in the final design phase for \$177,346. AEI, the design firm for the intersection project, has completed the design for \$81,500. *The ROW phase for both is complete. Utility coordination ongoing. Let for Construction is anticipated by the end of 2025.	\$7.6MM

3. Intent-To-Bid (ITB)/ Out-To-Bid *(1) Projects. Projects in this phase are either preparing to go through the bid process or are currently in the bid process. The next phase is construction.

- **TSPLOST I Projects (1)**

- **OSI-617.** Welcome All Rd at Jaillette Rd intersection improvement, including sidewalks and streetlights, was completed by Atlas for \$117,185. ROW certified. Once final utility coordination with the City of Atlanta's Department of Watershed Management is completed,

the city will prepare the ITB for advertising. Construction is expected to start once the NTP is granted, with an estimated cost of \$2.6 million and a duration of one year. *ITB is being drafted.

4. Under Construction *(14) Projects

- **Federal/State *(10)**

- **T-265.** Sidewalks and landscaping will be installed on Old National Highway from Flat Shoals Rd to Jonesboro Rd, along with signal upgrades at Bethsaida Rd, Creel Rd, Woodward Rd, McGhee Landing, and Flat Shoals Rd. Design is complete. This *2.6-mile project is funded 80% by the ARC's Last Mile Connectivity Program and 20% by local funds. Atlas is the design firm for this project, with a contract worth \$274,159. The City let the construction project on June 13, 2025, and bids closed on July 16, 2025. The city reviewed the bids, and GDOT made its recommendations. The City Council awarded the construction contract to SD&C on October 14, 2025, for an amount not to exceed \$3,796,061.45 plus a 10% contingency, for a total construction cost of \$4,175,667.60. The project is expected to take a year to complete once the Notice to Proceed (NTP) is issued.
- **T-285.** An elliptical roundabout will be built at the intersection of SR 92, Butner Rd, and Ridge Rd (1/2 mile), along with streetlights. ROW phase is complete. AECOM, the design engineering firm, completed the design for \$955,000. GDOT closed the construction bid on June 13, 2025, and awarded the contract to SD&C for \$3,918,653 on July 10, 2025. The total cost is \$6,513,798. The project is estimated to be completed by the *end of August 2027.
- **T-277.** The Cochran Rd bridge over Camp Creek is being replaced. The bridge will have lighting, sidewalks, and new roadway approaches. This project is funded 80% by ARC and 20% by local funds. Southeastern Site Development, Inc. is the construction vendor for \$3,894,560.01, plus a 10% contingency, for a total construction cost of \$4,284,016.01. Construction is estimated to be completed *in August 2026.
- **T-273.** Buffington Rd from Rock Quarry Rd to SR 14/US 29 is being upgraded. The bridge over South Fulton Parkway will be replaced. **T-272.** Additionally, Buffington Road, from Royal South Parkway to Rock Quarry Rd, is undergoing upgrades, including shoulder sidewalks and operational improvements at each intersection. Both projects are GDOT-managed. C.W. Matthews has been awarded both contracts, totaling \$42.5 million, with \$3.1 million in local funding allocated for utilities. The expected completion date for construction is November 2026. Utility relocation, storm drain installation and retaining wall construction are ongoing. Throughout the construction process, temporary lane closures, traffic shifts, and detours may be implemented to ensure the safety of everyone in the area. However, no closures will occur from 6:00 a.m. to 9:30 a.m. and 4:00 p.m. to 6:00 p.m., Monday through Friday.
- **T-266.** The sidewalk project along New Hope Rd between Campbellton Rd and Danforth Rd will include a roundabout at Boat Rock Road. It is 80% funded through the ARC's Last Mile Connectivity Program and 20% funded locally. On March 19, 2024, DAF Concrete, Inc. was awarded the construction contract for \$3,301,268, plus a 10% contingency. NTP was given on November 21, 2024. According to GDOT, the completion date is summer 2026.

- **OSI-624.** Converting Roosevelt Hwy at Washington Rd signalized T-intersection into a single-lane roundabout and other improvements. This is a GDOT-managed project. GDOT issued the NTP to Knight & Associates on November 30, 2023. The construction completion date is by *end of 2025. According to GDOT, the total cost is \$6,774,387.63, plus \$684,300 in local funding for utilities.
- **PI0013809.** Bridge Replacement on SR 14/US 29 between Mallory Road and Welcome All Road over CSX Railroad, including sidewalks. The bridge will be constructed adjacent to the existing one to facilitate traffic flow. The project has a total project length of 0.417 miles. CMES, Inc., was awarded the contract for \$17,539,855. The NTP was issued on September 11, 2024, and is scheduled for completion by the end of September 2027.
- **B-502.** Bethsaida Rd over Morning Creek Bridge will be replaced, and sidewalks will be added. The project length is 0.25 miles. GDOT will manage and fund this project under its Local Bridge Replacement Program. A PIOH was held on March 26, 2025. The project let for construction in August 2025, *with an anticipated completion by March 2028. The Total cost is \$4,802,428, with the city funding \$50k towards ROW acquisition. Wilson Construction Management, LLC., was awarded the construction contract for \$3,507,428. CHA Consulting was the project engineer (PE). There will be a detour during the bridge construction. Sixteen parcels were acquired.
- **I-285 / I-20 West Interchange Project.** This project is a major initiative by GDOT to reconstruct and widen several system-to-system ramps, add collector-distributor and auxiliary lanes, and build a flyover ramp from I-20 westbound to I-285 southbound. This design aims to improve traffic flow at this busy interchange by addressing existing congestion, safety, and operational issues. The project's expected substantial completion date is around 2030. For the City of South Fulton, residents face lane closures, ramp closures, traffic shifts, and possible detours. GDOT and the city advise motorists to plan ahead and expect delays in the interchange area. Residents are encouraged to check 511ga.org or the GA 511 mobile app for the latest traffic updates. The improved infrastructure will enhance access and mobility for the city with better highway connectivity. GDOT and Legacy Infrastructure Contractors, LLC should manage construction impacts, such as noise and traffic disruptions, and implement community mitigation measures, including noise barriers, signage, and aesthetic improvements, to lessen adverse effects on residential neighborhoods.
- **TSPLOST II Projects (1)**
 - **T-271 (B-506).** Fairburn Rd upgrades from Cascade Rd to North Utoy Creek include sidewalks, replacements of the North and South Utoy Creek bridges, addition of turn lanes, and other improvements. SD and C, Inc. was awarded the contract for \$8,454,703.64, with a contingency of \$750,000. The total estimated cost is \$9,723,473. Utility relocation and bridge work are ongoing. The estimated completion date is May 2026.

- **TSPLOST I Projects (3)**

- **OSI-613).** Improvement of the Stonewall Tell Rd at Union Rd intersection, including streetlights, sidewalks, and a roundabout—also, the Old Fairburn Rd at Union Rd intersection improvement **(615)**. Due to proximity, the projects were advertised as a single construction project. The bid closed on September 24, 2024. The estimated cost was \$4.3 million. City Council awarded the contract to Summit Construction & Development. LLC. at the November 12, 2024, City Council meeting for \$3,493,926.51 plus 10% contingency. The NTP was given in January 2025. Construction to be completed by April 30, 2026.
- **SU-700.** Flat Shoals Road Signal Upgrades and fiber communications from Mallory Rd to Old National Hwy design were completed by Jacobs Engineering for \$341,597. ROW phase complete. The city advertised the project for construction on June 13, 2025, and bids closed on July 22, 2025. NGT Group, LLC., was awarded the construction contract at the September 17th, 2025, City Council meeting for \$4,222,270.40 plus a 10% contingency of \$422,227.04 for a total construction award of \$4644,497.44. Construction will begin once the NTP is granted, and construction should take a year to complete.

5. Completed Projects *(15)

- **City of Atlanta-funded project (1)**

- **T-283.** A Culvert was replaced at the crossing of Loch Lomond Trail over Kimberly Creek. The City of Atlanta (COA) funded the installation of the culvert due to a COA water main break.

- **Federal/State-funded project *(3)**

- **T-280.** Oakley Road over Broadanax Creek bridge replacement. This GDOT-managed project includes sidewalks on both sides. Williams Contracting Company, LLC has the contract at \$1,992,985.75. The project is funded through ARC's Roadway/ Bridge Upgrade program with a GDOT let. The total cost is \$3,292,985.75 million, with \$50K in local funding. The detour lasted from June to November 2025. The new bridge opened to the public on Friday, November 21, 2025.
- **Stacks FDR.** Full-depth Reclamation of Stacks Rd from Feldwood Rd to 1,000 feet west of Mallory Rd in District 5, with widening, paving, and striping. The project was awarded to Atlanta Paving and Concrete Construction, Inc. in an amount not to exceed \$688,506.90 plus 10% contingency for a total of \$757,357.59. The project closing cost was \$757,352 plus \$44,225 in CEI services. 2020 LMIG State Funds were used to fund this project. The project was completed on September 30, 2024.

- ***I-85/I-285 Ramp Resurfacing Project (PI M006489).** GDOT is resurfacing 22 ramps along the I-85/I-285 interchange in Fulton and Clayton Counties to improve pavement quality and enhance safety on these critical travel corridors. This project is especially significant for residents of the City of South Fulton, as it includes ramps in the southwestern quadrant of the interchange near Camp Creek Parkway, Washington Road, and Sullivan Road—key routes for local and regional travel. C.W. Matthews Contracting Co., Inc. was awarded the contract by GDOT for \$20,725,922. Construction is expected to continue through Fall 2025, with most activities taking place overnight between 9 p.m. and 5 a.m., and some occurring during weekends. Travelers should anticipate periodic lane and ramp closures, detours, and occasional noise or lighting during nighttime work. Clearly marked detours will be in place, and GDOT recommends using Old National Highway or Buffington Road as alternate routes. Residents are encouraged to check 511ga.org or the GA 511 mobile app for the latest traffic updates. Once the project is complete, drivers can expect smoother travel surfaces, improved drainage, increased skid resistance, and safer, more durable ramps that enhance South Fulton's connectivity within the metro Atlanta transportation network. The project is substantially complete.
- **TSPLOST I Project (6)**
 - **OSI-604.** Improvements to the Campbellton Rd at Stonewall Tell Rd intersection, including sidewalks, turn lanes, four streetlights, and a new traffic signal in Districts 1 and 2. CMC, Inc. was awarded the contract for \$3,174,180. The total is \$3,361,538. Greystone Power activated the signal and turned the streetlights on; a new alignment of Stonewall Tell Road is now in place. The construction part of the project came in under budget at \$2,917,114.04.
 - **B-501.** Enon Rd over Camp Creek Tributary bridge replacement and sidewalks in District 1 were approved for construction and awarded to Baldwin Paving Co., Inc. for \$1,814,805.02. NTP was issued on January 24, 2024. The total cost is \$2,137,978.02. A groundbreaking ceremony was held in April 2024, and the ribbon-cutting ceremony was held in February 2025. The new culvert has been installed and is open to traffic.
 - **PBI-900.** Sidewalks and streetlights along both sides of Danforth Rd, extending from Cascade Rd to Rehoboth Circle in District 1, are complete. CMC, Inc. has the contract for \$1,394,740. The total cost is \$1,770,551. Project completed on March 26, 2025
 - **P-901.** Enon Rd sidewalks, along with streetlights on both sides, from Lynarbor Ln to Sanford J. Jones Blvd in District 2 is complete. AEI is the Engineer of Record. The contract was awarded to DAF Concrete, Inc. for \$3,583,350 with a 10% contingency. The total estimated cost is \$4.2 million. NTP was granted on March 28, 2024. A ribbon-cutting occurred on April 17th, 2025.
 - **OSI-602.** The Butner Rd at Union Rd intersection improvement project is complete. It includes streetlights, a roundabout to address congestion and reduce the severity of accidents at this intersection, as well as sidewalks and other improvements that impact Districts 2 and 3. SD and C completed construction for \$3,813,696. NTP was issued on January 22, 2024. The total cost was \$4,065,625. A ribbon-cutting ceremony was held on June 18, 2025.

- **OSI-614.** Rivertown Rd at Cedar Grove Rd intersection improvement, including a sidewalk and a roundabout in District 4, is complete. The project was awarded for construction at the October 10, 2023, City Council meeting to CMC, Inc. for \$2,786,641.10. The total cost is \$2,932,191.10. The Ribbon-cutting Ceremony is Thursday, August 7th, 2025.
-
- **TSPLOST II Project *(4)**
- **RC-127.** The Gullatt Rd full-depth reclamation project occurred from the I-85 bridge to McClarin Rd, next to the railroad tracks just before Roosevelt Highway. Gullatt Rd is partially in the City of South Fulton and partially in the City of Fairburn. An IGA was signed between both cities. The City of Fairburn awarded the construction project to Blount Construction. The City of South Fulton was responsible for 50% or \$337,306 of the construction cost (\$674,612) on the Gullatt Rd part of the project. The contractor completed the work within 180 days of July 8th, 2024, NTP by the City of Fairburn. The project was completed on November 15, 2024
- **T-276 (B-503).** Cochran Rd Bridge over Deep Creek replacement project in Districts 2 and 4. BRTU was awarded the contract for \$3,895,677.40 on September 26, 2023. The culvert was installed by the end of 2024, and the total cost, including design, was \$4,171,626.
- **TSPLOST II Resurfacing.** There were 63 resurfacing projects across the city, spanning all seven districts. The 3-phase Resurfacing Contract, which included corridors, subdivisions, and toppings, was approved for ER Snell for \$21,726,739.66. The resurfacing project started in March 2024 and was completed by August 2024. The City Council amended the contract through a project funding adjustment and amendment action on May 13, 2025, to add \$3,350,211.03 in funding, with a contingency of \$335,021, for a total amended amount of \$3,685,232.13. This action increased the total contract value not to exceed \$25,411,971.79. At the end of May 2025, the contractor was granted an NTP to finish repaving subdivisions from the original 2024 resurfacing list.
- **RS-417.** Full-depth Reclamation (Pavement Rehab) of 11 locations in the Fulton Industrial Blvd area in District 1 for 2.7 miles, and deep base repair was done where needed, along with milling and resurfacing. The project was awarded to Atlanta Paving and Concrete Contractors, Inc., for an amount not to exceed \$2,956,048.40, plus a 10% contingency, for a total of \$3,251,653.24. Within this contracted amount is \$1.84 million in Local Maintenance and Improvement Grant (LMIG) funds. Purchase orders were prepared, and an NTP was granted on November 14, 2024, for East Great Southwest Pkwy and Villanova Dr. * The City Council amended the contract through a project funding adjustment and amendment action on May 13, 2025, to add \$585,600 in funding to complete the project. Another NTP was issued at the end of May 2025 for the remaining nine locations: *Frederick Ct, Wharton Dr, Indeco Blvd, East Great Southwest Pkwy, Westgate Dr, Bucknell Ct, Villanova Dr, Loyola Dr, Fisk Dr, *Greensboro Dr, and Waterfront Dr.

- **Capital Improvement Projects (1)**

- **T-284.** The Kimberly Rd at Cascade Rd intersection improvement projects will include a new traffic signal, repaving, upgrading the sidewalk, and intersection striping. DCBC, LLC was awarded the contract for \$621,957.80, plus a 10% contingency for a total award of \$684,153.58. The total project cost, including design, is \$740,553.58. *The project is substantially complete.

DEPARTMENT OF PUBLIC WORKS

Antonio M. Valenzuela, Director

Jim Martinez, Deputy Director

INTRODUCTION

The Public Works Department is pleased to release the Project Updates Report for the various divisions- Planning, Capital, TSPLOST, and Engineering, Construction Operations and Maintenance, Traffic Operations & Maintenance, and Solid Waste.

The report is a reference document for all active projects in the City of South Fulton that are in various stages of implementation that include procurement, design, right-of-way acquisition, construction, and maintenance. Also, it outlines other standalone activities/programs, i.e., streetlights, utilities, and traffic calming.

The document is broken into four sections as outlined below:

- SeeClickFix allows residents and business owners to provide City of South Fulton staff with pictures, specific descriptions, and other valuable information needed to get the job done efficiently.
- The Transportation Section contains information related to Construction Operations & Maintenance, Traffic Operations & Maintenance, and Utilities. A summary of the Capital Improvement (CIP) and TSPLOST projects is included; however, the fact sheets are omitted from this report. Instead, the department launched a web-based real time project reporting tool using this [link](#) available on the Public Works homepage.
- The Stormwater Section briefed the reader on the conditions of the infrastructure, and maintenance needs.
- The Solid Waste section updates the reader on the residential collection program in the city.

SeeClickFix

The City of South Fulton (COSF) 311 platform provides City officials with a centralized issue management system to manage issues from creation to resolution, engaging City of South Fulton residents throughout the process. The COSF mobile app and web tools enable residents and business owners to provide City of South Fulton staff with pictures, detailed descriptions, and other valuable information necessary to complete the job efficiently. Additionally, residents can obtain information about city services or report non-emergency incidents by calling the city's **24-hour 311 Call Center at (470) 552-4311**.

Capital/TSPLOST

City of South Fulton Public Works Department

CAPITAL AND T-SPLOST TRANSPORTATION UPDATES

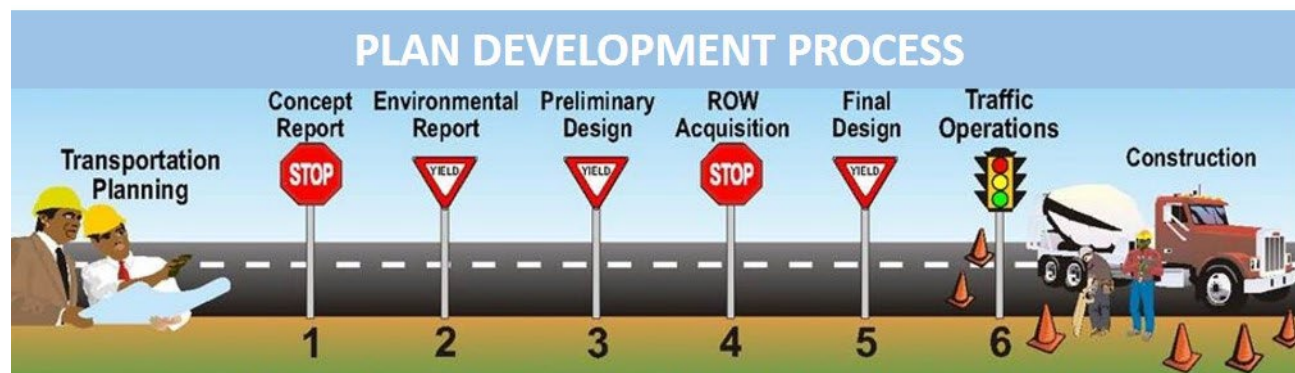

The City of South Fulton has a Capital and TSPLOST Program for implementing design projects that have been identified by City staff and stakeholders as a priority. Funding comes from the General Fund, TSPLOST sales tax collections and some Federal money.

TSPLOST-I tax collections started on April 1, 2017, and ended on March 31, 2022. TSPLOST-II tax collections started on April 1, 2022, and will end in March 31, 2027. TSPLOST-I projects are being completed, and all TSPLOST-II projects are in the concept or preliminary design stages.

The delivery of projects is centered around GDOT's Plan Development Process (PDP). This process typically consists of the four major phases: Design, Environmental Clearance, Right-of-Way (Services and Acquisition) and Construction (including CEI). Additional details of these phases are depicted below, which detail the project development process utilized by Public Works.

The plan development process, start to finish, is illustrated below:

TSPLOST I: Projects moving toward Construction

- OSI-617 – Welcome All at Jaillette Road – Utility certification is complete. The ITB is being prepared for advertising ITB.
- B-500/OSI-601 Butner Road at Camp Creek (bridge replacement and intersection improvement) – Final plans complete, utility coordination and ROW acquisition continue in advance of advertisement later this year.

Projects in Right-of-Way (ROW) Acquisition

- OSI-616 – Jones Road at Pittman Road/Stonewall Tell Road (TSPLOST-I) – Continuing in ROW Acquisition and final utility coordination before advertisement.
- OSI-618 – Welcome All Road at Scarborough Road/Jailette Road (TSPLOST-I) – Continuing in ROW Acquisition and final utility coordination before advertisement.
- T-270 – Demooney over Deep Creek (Capital Design/T-SPLOST-II Construction) – Continuing in ROW Acquisition before advertisement.
- OSI 607 – Demooney Road at West Stubbs Road (TSPLOST-I) – Continuing in ROW Acquisition before advertisement.
- OSI 608 – Enon Road at Stonewall Tell Road (TSPLOST-I Design/T-SPLOST-II Construction) – Continuing in ROW Acquisition before advertisement.

TSPLOST II: Projects in concept/design

Intersection Improvement projects

- OSI-620 – Aldredge Road and Merk Road – Preliminary plans have been reviewed. A field plan review is being scheduled.
- OSI-629 – Ono Road/Hobgood Road at Rivertown Road – Preliminary plans have been submitted. A field plan review is being scheduled.
- OSI-631 – Union Road and Thames Road – Preliminary plans have been submitted. A field plan review is being scheduled.
- OSI 600 – Bethsaida Road at Creel/West Roads – Preliminary plans being finalized for review.
- OSI 622 – Bethlehem Road at Cedar Grove Road – Preliminary design is underway.
- OSI 623 – Butner Road at Aldredge Road – Concept in further revision.
- OSI 628 – Old Fairburn Road at Thaxton Road – Additional Public Meeting being scheduled for January 2026.

Sidewalk projects

- P-914 – Union Road – Preliminary design is underway.
- P 902 – Bethsaida Road – Preliminary plans being finalized.
- P 903 – Cascade Road – Continuing in the concept development phase.
- P 908 – Flat Shoals Road – Continuing in the concept development phase.
- P 910 – Jerome Road – Continuing in the concept development phase.
- P 906 – Welcome All Road – NTP issued for concept development phase.
- P 911 – Merk Road – NTP issued for concept development phase.

Bridge/Culvert Replacement projects

- T-288 – Stacks Road over CSX RR – Continuing work on preliminary design before a field plan review is scheduled.
- B-505 – Derrick Road over Deep Creek Tributary – Preliminary design is underway.
- B-508 – Koweta Road over Deep Creek – Preliminary design is underway.
- B-599 – Oglesby Road over Morning Creek Tributary – Project is in fast design phase. The project is being accelerated for an emergency quick response.

Federally Funded Projects

- T-265 – Old National Highway Sidewalks – Construction contract awarded to SD&C, Notice to Proceed expected to be issued, January 2026.
- T-266 – New Hope Road Sidewalks – Construction is ongoing.
- T-277 – Cochran Road over Camp Creek (Bridge) – Construction is underway.

Gravel Road projects

- RG 160 – Jones Road – Preliminary design ongoing.
- RG 161 – Hall Road – Preliminary design ongoing.
- RG 162 – Rocky Head Road – Preliminary design ongoing.
- RG 163 – Thames Road – Preliminary design ongoing.
- RG 164 – Oxford Road – Preliminary design ongoing.

Bridge Repairs and Maintenance – 2021 GDOT bridge repair set. Mallory Bridge is forecasted to be completed on Jan 2026 and Cascade Bridge February 2026. These two bridges require CSX flagging coordination with the CSX railroad before repairs can be completed.

Burdett Bridge requires total wing wall repairs, which are recommended for a new ITB.

All 2023 GDOT bridge work is complete.

GDOT Projects within South Fulton

- PI0011845/OSI-624: SR 14 at Washington Road Roundabout construction continues with final construction operations. GDOT reviewing construction completion date.
- PI0013948 & PI0013939/T-272 & T-273: Buffington Road Projects – Traffic Control & Erosion Control throughout project is complete. Storm Drain installation is in progress. Projected completion in the fall of 2026.
- PI0016605/B-502: Bethsaida Rd (CR 581) over Morning Creek – Preconstruction Conference was held October 31, 2025; a date to start construction is not yet determined.
- PI0015593/T-285: SR 92 @ Butner Rd/Ridge Rd Roundabout – Construction NTP issue to contractor. Construction clearing is underway. The \$4.7 million project is scheduled for completion in fall 2027.
- PI0015642/T-280: Oakley Road over Broadanax Creek – Bridge replacement - Construction complete. Open to traffic
- PI0017398/OSI-605: SR 92 @ Jones Road/Demooney Road Roundabout – Design ongoing ahead of ROW authorization.
- PI0019647: FIB and Westpark – Median conversion and R-CUT – Preliminary plans have been completed. A PIOH Meeting is pending.
- PI0019841: SR 138 at Bethsaida Road Roundabout – Project in Final Design. Letting is expected in Fall 2027.
- PI0013809: SR 14 / US 29 @ CSX Bridge Replacement – Construction coordination with CSX for operations continues. Forecasted completion Sept 2027.
- PI0013724: SR 279 starting at Jolly Road to Sullivan Road – Construction of raised medians continue. Forecasted completion Jan 2026.

Scope of Work Performed This Month

Work items performed between the monthly report dates detailed above:

- * Stage 1 road closure of Union Rd in effect. The detour route follows Butner Road to Pittman Road SW to Stonewall Tell Road to navigate the closure.
- * Comcast and Atlanta Gas Light utility relocations.
- * Grading and removing rock on Union Rd SW for the Union Rd SW and Old Fairburn Rd roundabout.
- * Stage 1 storm drainange installation on Union Rd.

Progress and Schedule

The Physical Project Status is 42% completed as of the period ending date above.

The targeted Project Schedule Status was predicted to be 68% as of the period ending date above.

Scope of Work Planned For Next Month

- * Utility relocations for Atlanta Gas Light will continue as the contractor gets more areas graded
- * Construction of the roundabout at Union Rd and Old Fairburn Rd intersection. Stage 1 will still utilize the existing Old Fairburn Rd tie in at Union Rd.
- * Removing encountered rock within existing subgrade to reach the proposed grade for the roadway.
- * Stage 1 storm drainage pipe and structure installation

Scope of Work Performed This Month

Work items performed between the monthly report dates detailed above:

- * Grading complete for road widening from stations 1450+00 to 1146+64 LT and 48+00 to 50+00 RT.
- * Installed curb & gutter at STA 146+00 RT to STA 146+64 LT and STA 48+00 to 50+00 RT. Installed median curb & gutter at STA 48+00 to STA 50+50. INS
- * Relocated Fire Hydrant. Adjusted to grade water and gas valves at STA 146+00 to 146+64 LT and 48+00 to 50+00 RT15
- * Installed sidewalk and ADA ramp and concrete 4 inches in sidewalk and median from STA 146+64 – 150 LT and 48+00 - 50+00 LT

Progress and Schedule

- * The Physical Project Status is 45% completed as of the period ending date above.
- * The targeted Project Schedule Status was predicted to be 45% as of the period ending date above. Project delays have been related to utility delays involving relocating GA Power poles. Inssue being resolved at Cascade intersection but need GA Power to complete easement acquisition at bridge.
- * Install median color concrete stamp placed, median islands, curb & gutter at intersection installed, asphalt paving at intersection for new turn lanes and traffic signals work at the instersection for new lights.

Next Tasks Up

- Complete the Jack and Bore of waterline at culvert
- Complete Signal installation at Cascade and Fiarnburn
- Pour median at Cascade instesections
- Pavement of Intersection

Construction Operations & Maintenance

Right of Way Maintenance is required to provide safe and multi-use roadsides. A well-maintained right of way promotes a positive quality of life and is integral to the other functions such as utility installations, vehicle emergencies and sign placements. Right of way Maintenance serves to maintain a safe zone adjacent to the road pavement, improves drainage of stormwater from the road surface, and creates an attractive vista along road corridors. Accomplishments this month include:

Traffic Engineering, Operations & Maintenance

City of South Fulton Public Works Department

TRAFFIC OPERATIONS

The Traffic Operations Crew is on constant patrol in the City of South Fulton to ensure that all signs and signals are clear to see and work properly. This consists of approximately 35,000 static signs, 69 Traffic Signals, 14 Traffic Beacons, 40 School Flashers and numerous Solar Flashing signs.

The following is what each category is used for and what they represent.

- **Sign – Other Sign Down/Missing** is used for missing signs, installing new signs, replacing or upgrading signs. If there are other signs on that post, the crew will clean them.
- **Sign – Preventative Maintenance** is used for the cleaning and straightening of signs.
- **Sign - Stop/Yield Sign Down/Missing** is used for responding to or finding STOP sign or YIELD sign that has been knocked down or missing. This category is responded to as an emergency.
- **Signal - In Flash or Dark** is used to let us know that the traffic signal is flashing all RED lights, or no lights are visible. This category is responded to as an emergency.
- **Signal - Other Issues** is used to let us know if there are any other problems with the Traffic Signal, this can include a LED bulb not working, if the crosswalk is being problematic, or the signal not changing.

This month, the Traffic Operations Department acquired 200 new requests and closed 198.

The following are 198 SeeClickFix items, along with Categories that Traffic Operations **responded to and completed** this past month.

Examples of work completed this past month are highlighted in Exhibit A.

TRAFFIC OPERATIONS

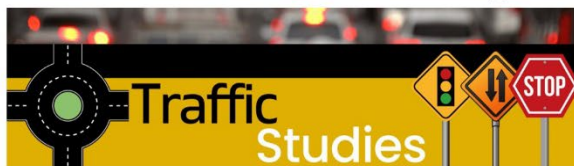

CLEANING SIGNS THROUGHOUT THE CITY

REPAIRING SIGNS

Traffic studies are conducted based on the evaluation of day-to-day traffic concerns, and also considering requests from the residents in the City of South Fulton. Recommendations are made for the installation of traffic control and traffic calming devices. Types of traffic studies include All-Way Stop Warrant Studies, Traffic Signal Warrant Studies, and Traffic Calming Studies. These studies follow the federal Manual on Uniform Traffic Control Devices (MUTCD) standards and Georgia Department of Transportation (GDOT) standards. The goal of these studies is to improve the mobility, safety, and capacity of the city's infrastructure.

Traffic Studies completed – November 2025

1. Enon Road - Camp Creek Parkway (SR 6) to Campbellton Road (SR 154) - Speed Study

The Enon Road speed study was revised with additional count data, the latest crash details, and the US Limits analysis. It is advised to lower the posted speed limit from 45 mph to 35 mph to enhance safety and address the reported crash history.

2. Campbellton-Fairburn Road at White Mill Road – Signal Warrant Analysis

During the week of November 17, 2025, staff completed a signal warrant analysis for the Campbellton-Fairburn Road and White Mill Road intersection. Based on traffic analysis, a traffic signal was not warranted per FHWA MUTCD (Manual of Uniform Traffic Control Devices) requirements.

Stormwater

November 2025

I. Stormwater Operations & Maintenance Report

Overview

Staff evaluated and identified **six high priority storm system repairs, including one emergency storm pipe repair** to restore drainage capacity and reduce localized flooding risks. Site evaluations were focused in District 4, with the pipe repair project identified in District 2. Recommended work orders focus primarily on structural repairs due to damage from vehicle traffic, sediment/debris removal, curb/gutter repairs, and one trenchless repair due to a damaged stormline. Structural deficiencies to all storm inlets in Walden Park subdivision are in progress. **The estimated project cost, based on current contractor's unit price contracts, is approximately \$31,000.** Repairs are projected to begin upon completion of Walden Park and Cedar Grove subdivision repairs (see sidewalk summary below).

Street Name	Subdivision	District	Work Orders	#Structures	LENGTH (FT)	COST (\$)
Jones Road	N/A	4	1			\$2,500.00
ESTONIAN DR	Chestnut Ridge At Cedar Grove	4	1	2		\$5,000.00
Caveat Ct	Hampton Oaks	4	1	1		\$2,500.00
Pennant Ln	Hampton Oaks	4	1	1		\$2,500.00
Ironstone Dr	Town Creek at Cedar Grove	4	1	1		\$2,500.00
Bluestone Dr	Summit At Stonewall Tell	2	1		20	\$16,000.00
		TOTAL	6	5	20	\$31,000.00

(from left to right) District 4 storm Inlets 1. damaged by vehicle traffic
2. blocked with debris 3. Standing water due to blockage

Production & Cost Summary

- Scope & cost: 6 storm-repair projects identified; **total estimated cost \$31,000**
- District 4 – **5 structures**, \$15,000 ; District 2 – 1 structures, \$16,000

Issues & Next Steps

- Continue on-site evaluation and prioritization of CCTV/cleaning and top-slab replacement of high priority structures per Storm-Sidewalk Action Plan for FY 2025-26.
- Finalize contractor, secure estimate and mobilize on trenchless pipe repair project on Bluestone Drive

II. Sidewalk Operations and Maintenance Report

Overview

Concrete sidewalk evaluation and hazard abatement is in progress for **District 4** to eliminate trip hazards and improve ADA compliance. Staff evaluated and identified **65 high priority sidewalk repairs in District 4**. Project scope is focused on larger continuous runs to maximize linear production and crew efficiency. Panels will be replaced to remove vertical displacements and surface failures; cross-slope and landing areas were field-checked to align with ADA intent. Control/expansion joints and finish quality were verified during acceptance.

Production & Cost Summary

- **Estimated Total Length:** 995 LF
- **Estimated Concrete Placed:** 598 SY
- **Estimated Total Expenditure (sidewalks):** \$53,810.00

District Summary (Costs)

- **District 4: \$53,810.00** (all sidewalk items this month)

Notable Locations & Quantities

- **Tapestry Blvd:** 298 LF, 198.7 SY — \$17,880.00
- **Locherby Dr:** 136 LF, 75.6 SY — \$6,800.00
- **Jumpers Trl:** 93 LF, 51.7 SY — \$4,650.00

Next Steps

- Continue repairs in Walden Park subdivision. Mobilize to Cedar Grove subdivision upon completion.

Pending Sidewalk repairs (District 4)

Streetlights

City of South Fulton Public Works Department

STREETLIGHTS

The Streetlight Program was established to address the need for adequate illumination of public streets or roadways within the City of South Fulton. The goal is to aid in the safety and systematic movement of vehicular traffic within the public travel roadway. Lighting on roadways is not provided for personal security, such as lighting of yards, driveways, or private property. In-house staff assesses requests from residents, conducts field visits and works with power companies to address inquiries about new lights, repairs, and upgrades.

Last year, Mayor and Council approved a resolution adopting the Streetlight Masterplan. The masterplan provides options for street and pedestrian light poles, styles, spacing, lighting technology and control, and appropriate lighting levels for various locations such as state roads, arterials minor residential streets, major street corridors including those with existing and proposed bike lanes, controlled intersections, roundabouts, uncontrolled pedestrian crossings, transit station street areas, and parks.

The department is developing a priority list to install and/or upgrade streetlights on all corridors with proposed and existing sidewalks, State routes, and intersections. All sidewalk projects will also include pedestrian lights. Upon completion, staff will meet with the power companies to draft an implementation plan that will include costs and schedules.

Requests for streetlights- new and upgrades- received to date are detailed in Exhibit A.

Utilities

UTILITY PERMITS

Purpose of utility permits is to help the City of South Fulton staff track and manage construction operations more efficiently. Each utility permit contains a unique reference number, special requirements before/ during operation, procedures, and contact information in case of emergencies. All this information is essential when dealing with construction operations in our Right of Way.

Permits	Locations	Scope of Work	Status

Solid Waste

Solid Waste Group Purpose and Responsibilities

The City of South Fulton Solid Waste Group is committed to overseeing and regulating all solid waste services within the city limits. These services include residential solid waste collection, bulk item pickup, commercial services, convenience can management, and community engagement and education.

I. Residential Services

A. Requests for Service

Residential services include weekly garbage collection and monthly bulk pickup. In November, service requests remained flat except for extra carts. Bulk service requests continue to hover around all-time highs for requests.

Requests for Service				YTD
Item	Sep	Oct	Nov	
Back Door Service	26	6	5	93
Extra Cart Request	20	37	39	473
New Construction-Add New Service	51	59	56	521
Bulk Scheduled Service Requests	334	324	327	3,271
Totals	431	426	427	4,358

Source: TracEZ

B. Service Complaints

Complaints remained flat or lower:

Service Complaints				YTD
Item	Sep	Oct	Nov	
Missed Bulk	8	14	7	67
Damaged Cart - Repair or Replace	46	79	56	521
Missed Curbside Garbage	176	140	166	1,772
Waste Administration - Spills / Litter	3	1	2	19
Totals	233	234	231	2,379

Source: TracEZ

C. Deliveries and Maintenance

In November, overall service remains flat. New construction home setups dipped to 29 reflecting slower growth in residential service expansion. Cart replacements dropped to 13 after peaking in August, while cart repairs dropped to 35. Convenience can service and recycling container service remained stable, continuing to provide reliable support for citywide waste management.

Services Performed by the Solid Waste Team				YTD
Item	Sep	Oct	Nov	
New Construction Homes	51	40	29	496
Replaced Carts	27	28	13	440
Repaired Carts	46	49	35	469
Convenience Can Servicing	128	128	158	1,246
Recycling Container Service	12	12	36	96
Totals	264	257	271	2,747

II. Merk Miles Citizens Convenience Center

The City of South Fulton operates the Merk Miles Citizens Convenience Center through a third-party vendor. This facility accepts Municipal Solid Waste (MSW), Construction Debris (C&D) and recycling. Data is reported through October 2025. The total number of vehicles serviced remains flat but the amount per weight per vehicle continues to grow. Events and Activities

Merk Miles Recycling & Municipal Solid Waste Activity				
Recycling Activities	Aug	Sep	Oct	YTD
Total Number of Recyclers	773	761	697	7,968
Recycling Collected (Tons)	12	10	7	169
MSW Collection Activities				
MSW Collection Activities	Aug	Sep	Oct	YTD
Total Number of Vehicles Serviced	2,025	1,986	1,831	20,146
Total Solid Waste Collected (Tons)	231.00	261.78	224.95	2,519
