 SOUTH FULTON, GA

WEDNESDAY
JANUARY 15TH
 6:00 PM
 CITY OF SOUTH FULTON PLANNING COMMISSION

TUESDAY
JANUARY 28TH
 6:00 PM
 CITY OF SOUTH FULTON CITY COUNCIL

ABOUT

The Georgia Planning Act of 1989 dictates that every local government is required to develop and adopt a long-range comprehensive plan to act as a guide tool for future development. The law also requires local governments to update their comprehensive plan every 5-years. The purpose of this public hearing is to brief the community on the process that will be used to update the City of South Fulton's Comprehensive Development Plan.

MORE INFORMATION

This briefing will explain opportunities for public participation and input in the development of the plan. The purpose of the public hearing will be to brief the community on the process of updating the Comprehensive Plan, to explain the public participation plan, and to obtain public input regarding the proposed process.

- 🏠 **Upgraded ERP financial system**
- 🏠 **Grants & procurement leaders onboard**
- 🏠 **Revamped Grants Program with over **\$4M** in pending LMIG funding**
- 🏠 **New Internal Auditor Internal Auditor Bambo Sonaike and improved accountability**
- 🏠 **Revamped P-card Program**
- 🏠 **Citywide awards in Public Affairs, Parks and Recreation and Code Enforcement**
- 🏠 **Launched 'Raising the Standard' city training**

Modernization & Leadership

Looking Ahead

Across all functional areas, departments are consistently demonstrating a commitment to continuous improvement, data-informed decision-making, and responsible stewardship of public resources.

City of South Fulton: Future Ready

These achievements represent a renewed commitment to public trust, shared prosperity, and an inherent belief that thoughtful governance *today* builds a better tomorrow!

THANK
YOU

CITY MANAGER'S REPORT

December 2025

PRESENTED BY
SHARON D. SUBADAN
CITY MANAGER

Greetings, Honorable Mayor and City Council Members,

It's the most wonderful time of the year! This month has been filled with holiday cheer and celebrations—perfect for fun, laughter, and quality time with family, friends, and loved ones. Reflecting on this year's progress, I am grateful for the opportunity to lead our organization.

It was a pleasure to attend the full-house event on the premier night of the Global South Film festival 2025, which was our first official event in the renovated Southwest Arts Center.

Citywide holiday celebrations kicked off with festive tree trimming and decorations at City Hall, the City Administration Building, and the Southwest Arts Center. Throughout South Fulton, major corridors shimmered with holiday lights, adding to the season's cheer. On December 8, the Public Affairs department hosted the City's 2nd Annual Holiday Tree Lighting at City Hall, featuring a special visit from Santa, performances by the Burdett Park choral angels, and the debut of the City of South Fulton Employee Unity Choir, which delighted attendees with a spirited rendition of "Deck the Halls." Residents enjoyed warm hot cocoa, fellowship, and music provided by a guest DJ from Davis Broadcasting's WJZA Smooth Jazz 101.1.

A big thank you to the Human Resources department for organizing such a delightful Spirit Week for everyone! It included fun events such as Festive Hat Day, a decorated desk contest, a stocking-decorating station, Ugly Sweater Karaoke Day, and concluded with our annual Employee Holiday Party. The Public Affairs team hosted competitive games including CoSF Jeopardy, giving staff a chance to showcase their team-building skills and city knowledge.

On December 10th, the executive leadership team and I attended the 43rd Annual Georgia Economic Outlook, hosted by the University of Georgia's Terry College of Business. The annual series features the latest research-driven insights from the Selif Center for Economic Growth. The event provided an opportunity to network and receive in-depth information from economic experts aimed at enhancing economic growth in the city. Later that evening, we attended the 3rd Annual Impact Award, honoring businesses and organizations that continue to help shape the City of South Fulton.

Throughout the month, the Public Affairs team hosted various team-building activities, providing staff with an opportunity to showcase their teamwork skills and city knowledge. The City Manager's Office hosted its Annual Holiday Event, providing an opportunity for Department Heads and Deputy Department Heads, along with city administration staff, to participate in another year of the epic White Elephant Game.

Several departments hosted holiday events to celebrate to their staff's hard work throughout the year. I was honored to attend the events for the following departments: Police, Economic Development, Community Development and Regulatory Affairs, Code Enforcement, and General Services. While I enjoyed the delicious food and desserts, it was great to mingle with the staff.

With your support, the City of South Fulton has implemented additional days off during the holiday period, providing our employees with extra time to rest and rejuvenate in anticipation of the upcoming year. Thank you!

Mayor and Council, thank you for your continued support this year and for trusting us to manage the city's affairs. Please accept this report as a summary of the city's successful outcomes for December 2025.

A handwritten signature in dark ink, appearing to read "Sharon", with a stylized flourish extending from the end.

Sharon D. Subadan
City Manager

ACTIONPLAN

PURCHASING CARD, PROCUREMENT,
AND FINANCE CONCERNS

Purchasing Card Program Update – November '25

The Purchasing Card program continues to demonstrate measurable improvement following targeted corrective actions. The program achieved over 90% compliance in November 2025, reflecting improved cardholder accountability and enhanced departmental oversight.

While current performance confirms that program controls are adequate, remaining compliance gaps are operational in nature rather than policy-related to achieve sustained 100 percent compliance, Procurement recommends transitioning from reminder-based oversight to system-enforced controls.

The next phase of improvement focuses on managing spending concentration, reducing audit exposure, and enhancing fiscal stewardship.

Compliance Overview

Month	Compliance Rate	
April	80%	
May	73%	
June	84%	
July	75%	
August	81%	
September	82%	
October	82%	
November	90% Departments	92% Council

Compliance Interpretation

To address these challenges, staff have initiated the following corrective and preventive actions:

- Review is underway to determine the appropriateness of the required timelines for uploading documents.
- Approver Model-- Department head approvals are fully operational. The Approver Model requires that a first approver review cardholders' P-Card transactions to ensure compliance with policies and legal requirements. The model provides dual accountability. The separation of duties provision prevents a single individual from approving and benefiting from a purchase, reducing conflicts of interest and increasing transparency.
- Weekly Notice List—The Procurement Director is notified each week of Cardholders missing receipts, late reconciliations, other specific outstanding items, and due dates. The Compliance Officer is reaching out to first-level approvers of lagging approvals to

encourage timely reviews. The Internal Auditor is providing notification and assistance to elected cardholders.

- Escalation -- Beginning in September, Procurement notified some cardholders that their cards were at risk of suspension after two consecutive weekly cycles without resolution.
- Sales Tax – Refunds -- The Procurement Department began assisting cardholders in applying for and receiving refunds of sales tax.
- Non-Conclusive Purchases -- The IT Department continues, where practical, to assist cardholders in migrating from individual agreements for software applications to city-level agreements. Amendments to the P-card policy will be recommended to address situations where it's not practical.

Phase II Controls and Enhancements

1. Vendor Migration

Transition high-frequency Purchasing Card vendors to master agreements or cooperative contracts.

2. Enforcement Authority

The Senior Compliance Officer will suspend cards and mandate retraining.

Resource Alignment and Risk Mitigation

Recent staffing investments within the Procurement Department are directly contributing to improving compliance outcomes. Increased capacity enables more timely reviews, proactive training, and more vigorous enforcement.

This alignment of resources allows the city to implement enhanced controls without increasing administrative burden or slowing operational needs, while materially reducing audit and reputational risk.

The Purchasing Card Program has moved from corrective action into controlled stabilization Phase with vendor governance and visibility, Procurement is position to achieve sustained full compliance.

NOTES:

General Fund Summary Revenues:

Property Taxes collected in November 2025 were \$55.425 million (88% of the \$62.92 million FY2026 budget) compared to \$22.638 million (37% of the \$60.989 million FY2025 budget) in the prior fiscal year for the same period.

Motor Vehicle Title Ad Valorem Tax (TAVT) revenue collected was \$821 thousand (23% of the \$3.5 million FY2026 budget) compared to \$252 thousand (7% of the \$3.7 million FY2025 budget).

Franchise Tax revenue collected in November 2025 was \$206 thousand (2% of the \$8.288 million FY2026 budget) compared to \$202 thousand (3% of the \$7.7 million FY2025 budget) for the same period in the previous fiscal year.

Local Option Sales Taxes (LOST) collected for November 2025 were \$6.547 million (17% of the \$37.88 million FY2026 budget) compared to \$2.876 million (8% of the \$37.682 million FY2025 budget). The rolling twelve-month comparison for November was up by \$900,000 at \$37.2 million, compared to \$36.3 million for the same twelve months in the prior year.

Business and Occupation License revenues for November 2025 were \$211,042 (3% of the \$6.38 million FY2026 budget), down slightly -\$105,633 (-33.4%) from \$316,675 compared to November 2024. We receive the bulk of revenue for this category during the renewal period from January through May.

Insurance Premium Taxes posted for November 2025 were \$11.757 million (\$1,256,813 or 12% over the \$10.5 million FY2026 budget), also exceeding the \$10,308,814 recorded for FY2025.

Other Taxes collected for November 2025 were \$308,499, down slightly by -\$21,169 (or -6.4%) from \$329,668 for the same period in the prior fiscal year.

License and Permit revenues collected for November 2025 were \$449,923 (9% of the \$4.822 million FY2026 budget), down -\$519,384 (or -54%) compared to \$969,307 in the prior year. The budget for this category was increased by \$530,500 (or 12%) to \$4,821,800, up from \$4,291,250 in the FY2025 budget.

NOTES – Continued

Intergovernmental Agreements (IGA's – Fire Services)

The city has two intergovernmental agreements for fire services, one with Fulton County and one with the City of Atlanta (mutual aid). The budget for this category is \$1.2 million.

Charges for Services revenues for November 2025 were \$165,729 (14% of the \$1.167 million FY2026 budget). Revenue was up \$41,204 (33%) compared to \$124,525 for the same period in the prior fiscal year.

Fines and Forfeitures: The FY2026 budget remained unchanged at \$1.3 million. Collections are being deposited into the designated Municipal Court bank account. Transactions are accounted for in the Municipal Courts Fund (a custodial fund-type). The November disbursement reports show \$227,277 pending disbursement to the General Fund. This is up by \$87,795 (or 63%) from \$139,482 last November. The current rolling twelve-month average is trending upwards to \$1.682 million for the fiscal year.

Investment Earnings / Income revenues were \$521 thousand (10% of the \$5.2 million FY2026 budget). Earnings are up by \$149 thousand (40%) compared to \$372 thousand in the prior year.

Hotel Motel Tax: The city increased its estimated FY2026 revenue by \$120,959 (21%) to \$702,959, up from \$582,000 in the prior year.

The Budgeted Use of Reserves is an estimate for FY2026 restricted for one-time purchases. We will monitor capital outlay spending trends. The amount will be adjusted up or down at the close of the FY2026 fiscal year in conjunction with the financial closing process.

Rolling Twelve Months as of November 2025: The graph displays a 12-month performance period, regardless of the specific month or fiscal year. A rolling twelve-month historical summation measures the total of the previous twelve months. Therefore, the LOST revenue trend is \$37 million in the current fiscal year.

December 2025 Municipal and Code Board Cases

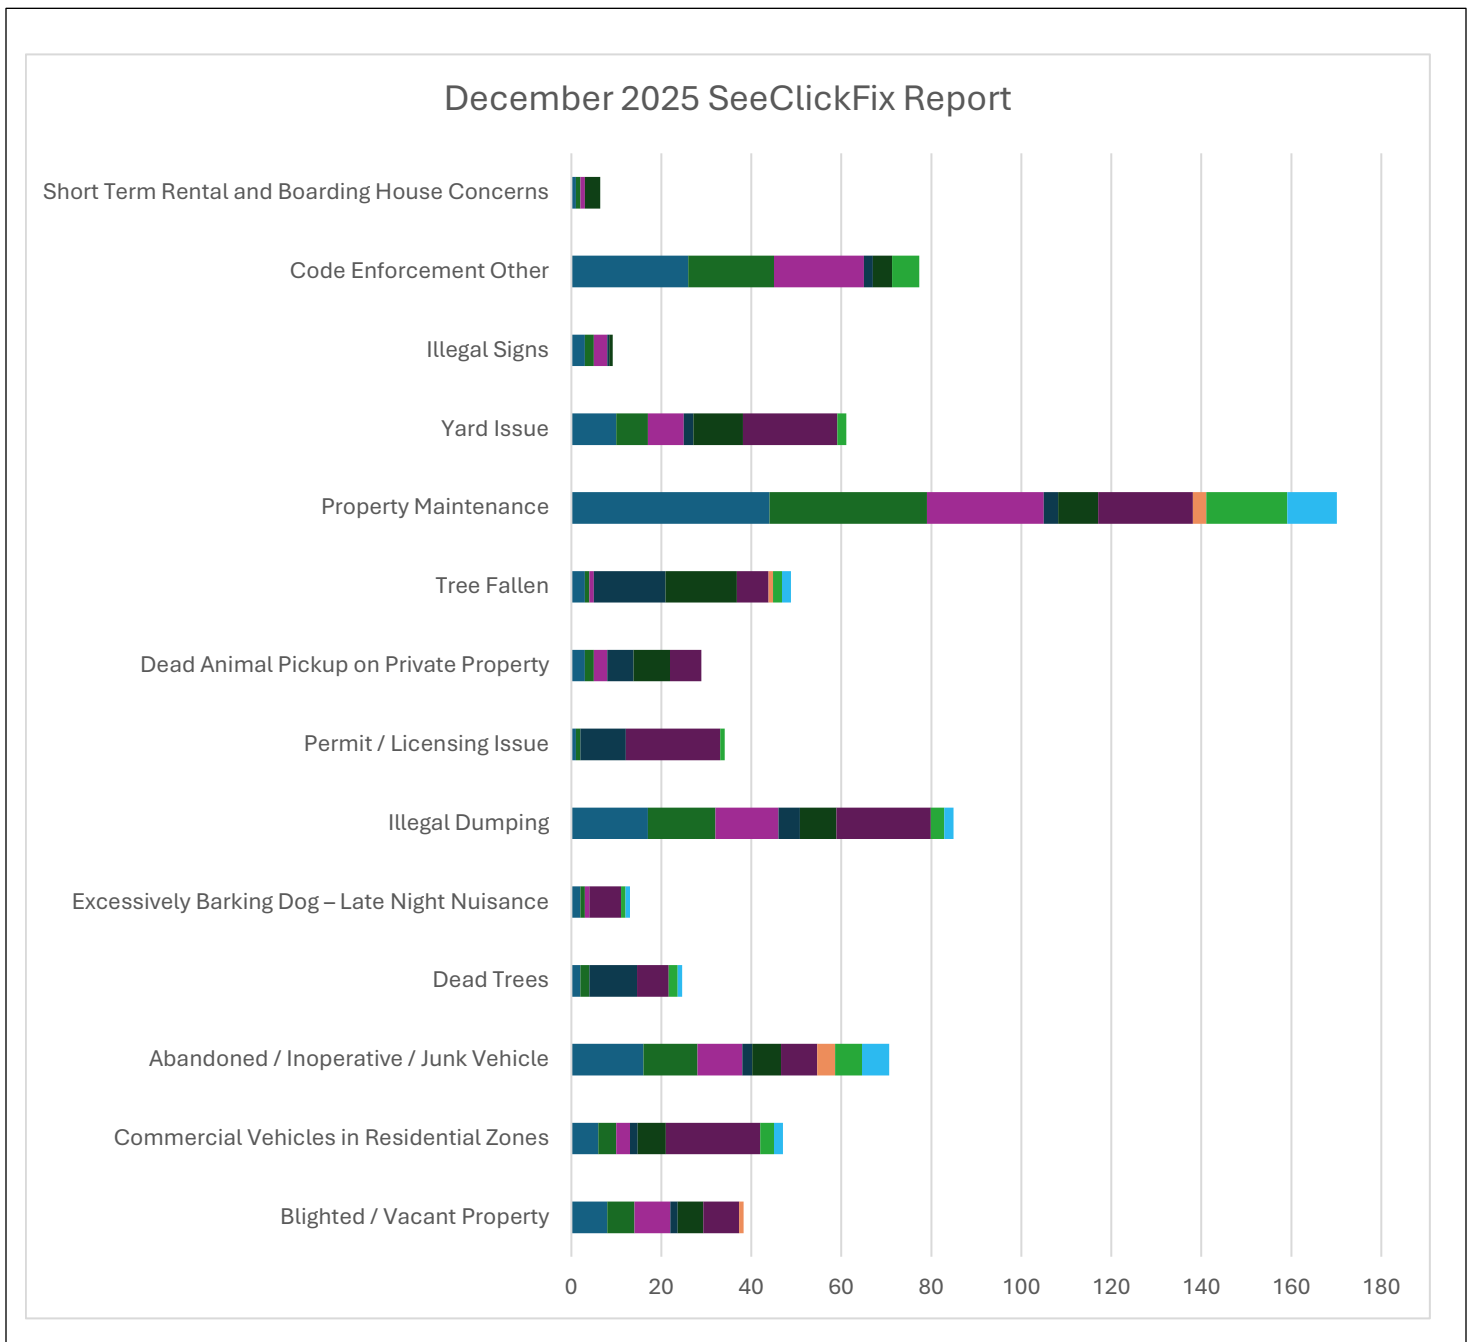

Court Case Results

Building a Better Community Through Consistent Compliance

We are excited to share that for the second month in a row, our code enforcement efforts have resulted in more properties reaching compliance than those with active violations. This isn't just a statistic; it represents a cleaner, safer environment for everyone. Our team is dedicated to keeping this momentum going every single month as we work alongside residents to uphold our community standards.

December SeeClickFix Report 2025

What does the "Code Enforcement Other" category mean?

The **"Other"** category is your **catch-all option** for reporting code violations that aren't on the standard list. If you have an issue but aren't sure how to categorize it—maybe it's a unique maintenance problem, or something outside of common violations.

A Safer Community for All: Code Safety Foundation Recognizes Our Commitment to Excellence

We are pleased to announce that the City of South Fulton's Code Enforcement team has received an official **Certificate** from the **Code Officer Safety Foundation (COSF)**.

This certification signifies the department's commitment to prioritizing officer safety and adherence to best practices as established by COSF. The value of this achievement is significant:

- **Enhanced Officer Safety:** It validates that our team is trained and equipped with the highest standards of safety protocols, which is paramount for a frontline service department.
- **Professional Validation:** The COSF is a recognized authority, and this certificate raises the professional credibility and standing of our Code Enforcement personnel.
- **Risk Mitigation:** By following these certified best practices, we are actively mitigating operational risks associated with code enforcement activities.

Goal 2

Increase Community Collaboration and Improve Quality of Life

- Two pre-conceptual meetings were held for applicants interested in various projects within the city.
- Held two pre-development meetings for applicants ready to submit for permitting for various projects within the city.

Goal 4

Strengthen and Expand Infrastructure to Support Sustainability

The following activity has taken place thus far in December 2025:

- 8 Business Licenses Issued
- 151 Residential Permits Issued
- 45 Commercial Permits Issued
- 5 Land Disturbance Permits Released
- 2 Pre-Conceptual Meetings
- 4 Pre-Development Meetings
- 2 Pre-Construction Meetings
- 347 Site Inspections Completed
- 26 Arborist Site Inspections

Department Updates:

3rd Annual Impact Awards

The Economic Development Department hosted its 3rd Annual Impact Awards, welcoming more than 100 attendees. The event celebrated local businesses across multiple categories, recognizing their contributions to economic growth, job creation, and community vitality.

Aligned with the City's South Fulton Means Business initiative, the Impact Awards reinforced the City's commitment to supporting entrepreneurship, strengthening local industry, and positioning South Fulton as a premier place to do business.

Awards:

- **Best New Business:** The Play Pad
- **Business of the Year:** Arden's Garden
- **Legacy Business of the Year:** Lee's Family Pharmacy
- **Community Service Award:** Omicron Kappa Zeta Chapter of Zeta Phi Beta Sorority Incorporated
- **Hospitality Partner of the Year:** South Atlanta Community Tennis Association
- **Non-Profit of the Year:** Habitat for Humanity ReStore Center Old National
- **Champion of the Year:** Jonathan White, Old National District Advisory Board
- **Partner of the Year:** Atlanta Suburban Alumnae Chapter of Delta Sigma Theta Sorority Incorporated

11th Annual State of the Aerotropolis

In collaboration with the South Fulton Development Authority and South Fulton Downtown Development Authority, Economic Development participated in the 11th Annual State of the Aerotropolis at the Georgia International Convention Center in College Park, Georgia. Serving as the Title Sponsor, the City was represented by the City Council and City Management, underscoring a unified commitment to regional economic growth and strategic partnerships.

The program featured Ricky Smith, General Manager of Hartsfield-Jackson Atlanta International Airport, as the keynote speaker, who shared insights on airport growth, innovation, and regional impact. Attendees also received updates on transformative projects and emerging opportunities that are shaping the Aerotropolis region, thereby reinforcing South Fulton's visibility and leadership within the broader development community.

Red Oak District

Red Oak District banners have been successfully installed along Roosevelt Highway, marking the first deployment of district-branded banners along the corridor. A total of 40 banners were installed, with placement beginning near the intersection of Roosevelt Highway and Washington Road and extending to Roosevelt Highway and Delano Road.

The banner installation supports long-term branding and economic development objectives by improving visibility and reinforcing the Red Oak District brand for both residents and visitors.

Old National District

Old Nat Pharmacy Ribbon Cutting

The Old National District sponsored the ribbon-cutting ceremony for Old Nat Pharmacy, a new locally owned and operated business that strengthens access to essential healthcare services along the corridor. Owned by Dr. Linda Davis and supported by a team of two additional

pharmacists, the pharmacy represents a meaningful investment in local entrepreneurship and professional employment.

Old Nat Pharmacy offers home delivery, full-service pharmacy care, immunizations, and blood pressure screenings, expanding convenient and reliable healthcare options for residents. This addition supports the City's economic development objectives by promoting local ownership, advancing diversity, and enhancing the vitality of the Old National commercial corridor.

C.O.R.E. Alliance Advisory Board

The C.O.R.E. Alliance Advisory Board hosted its second Connections and Collaborations Business Mixer which was held in District 4 at Elegant Occasions, bringing together more than 50 attendees, including local entrepreneurs, small business owners, and community stakeholders.

The event provided business owners the opportunity to pitch their businesses, exchange ideas, and network with fellow entrepreneurs, fostering collaboration and strengthening community connections. In addition to networking, business surveys were collected to capture feedback on business needs, challenges, and growth opportunities. The survey responses will be used to support follow-up consultations with the Economic Development team. They will also inform the Board's 2026 action planning efforts, ensuring future initiatives are aligned with the needs of the local business community.

South Fulton Downtown Development Authority

The South Fulton Downtown Development Authority has announced updates to its leadership team, effective in 2026. Joyce Hackett-Scales will continue to serve as Chair. Don Winbush has stepped down from his role as Vice Chair, and Hodari Williams, formerly the Secretary, has been appointed as Vice Chair. Darris Rollins will serve as Secretary.

GOAL 1

Enhance Government Efficiency & Productivity

The South Fulton Fire Department is taking a balanced approach to improving efficiency and productivity by addressing both operational performance and employee engagement. EMS Task Force Training was held from December 9th to December 12th. The establishment of an EMS Task Force allows the department to closely examine current emergency medical service operations, identify challenges, and develop practical, data-driven recommendations to improve response coordination, service delivery, and overall performance.

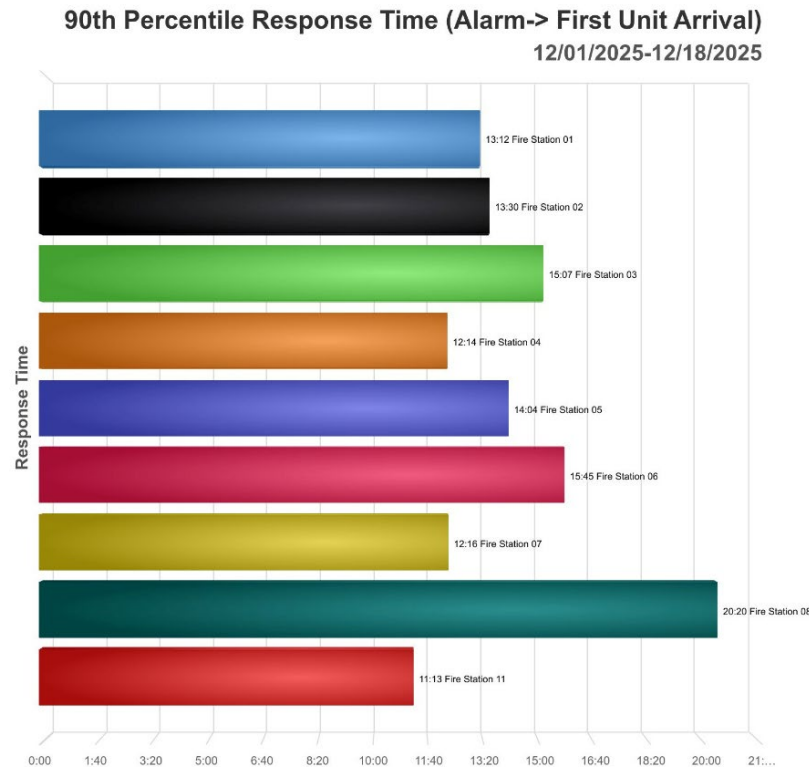

On Tuesday, December 16, 2025, the Department proudly recognized seven team members for achieving their CERT (Community Emergency Response Team) Instructor Certification. This accomplishment reflects their dedication, expertise, and commitment to enhancing community preparedness and safety. The team members honored were Joshua Carden, Winfield Odom, Horatio Reid, Aaron Pelham, Terrance Williams, Vidal Williams, and Joshua Woody. Their certification enables them to train

and empower other community members, strengthening the Department's mission to build a resilient and well-prepared community.

In addition to operational improvements, the department recognizes that workforce morale is a key driver of productivity and employee retention. From December 16 through December 18, 2025, the department hosted its annual Holiday Open House to acknowledge and appreciate the commitment of fire personnel to both the community and the organization. During the event, each department member was presented with a small token of appreciation in an atmosphere that fostered camaraderie, connection, and appreciation for their dedicated service. The surprise addition of carolers added to the festive atmosphere.

With performance driving accountability, the chart below illustrates the average response time per station from December 1, 2025, to December 18, 2025. This data reflects the department's operational performance and reinforces ongoing efforts to enhance emergency response throughout the City of South Fulton. Station 11 recorded the shortest average response time from alarm to first unit arrival at 11 minutes and 13 seconds, while the overall average from alarm to first unit arrival during this period was 14 minutes and 11 seconds.

Total number of calls: **1,187**

Average response time is **14:11**

The following data reflects the period from December 1, 2025, to December 18, 2025. There have been 103 completed fire inspections, and a total of 1,187 incidents have been reported. Fire investigators have worked on 3 investigations in the month of December thus far. Approximately 51.55 % of the calls pertained to Rescue & Emergency. These metrics ensure that staffing, apparatus placement, and budgeting align with actual service demands rather than estimates.

GOAL 2

Increase Community Collaboration and Improve Quality of Life.

During the holiday season, the South Fulton Fire Department was honored to participate in several community events that strengthened connections with the residents we proudly serve. These engagements reflect the department's ongoing commitment to community involvement beyond emergency response. On December 8, 2025, the department engaged with constituents by serving hot chocolate at the City of South Fulton's Tree Lighting Program, creating a welcoming and festive atmosphere for families and attendees. Continuing this outreach, on December 11,

2025, the department also participated in District 4's Tree Lighting celebration, further reinforcing the department's presence and partnership within the community.

On December 12, 2025, members of the department, in collaboration with Councilwoman Dr. Catherine Rowell, had the privilege of spending time with legacy residents at QLS Villa. Fire personnel assisted with a Bingo event and helped spread holiday cheer, providing fellowship, laughter, and meaningful engagement with senior residents. Through these seasonal events, the South Fulton Fire Department continues to foster trust, strengthen community relationships, and demonstrate its dedication to service both inside and outside the station.

GOAL 3

Enhance the City's Financial Stability and Economic Diversification through Strategic Leadership and Community Partnership

A City's ISO (Insurance Services Office) rating plays a critical role in strengthening financial stability and supporting economic diversification when leveraged through strategic leadership and strong community partnerships. The department continues to work toward improving its ISO rating from a Class 3 to a Class 2. In December 2025, the department submitted additional supporting documentation to ISO and anticipates receiving an updated classification no later than February 2026.

GOAL 4

Strengthen and Expand Infrastructure to Support Sustainability

The City of South Fulton staff and Project Management Team continue to work collaboratively with the selected vendor to advance the Fire Headquarters project. The City is currently finalizing the contract with the selected vendor to enable the execution and progression of the project. Additionally, the purchase of the Burn Building for the Fire Headquarters facility was approved by City Council on December 9, 2025. The selected design-build firm will be responsible for site preparation, laying the foundation, and completing construction of the burn building.

District Information: District 1
Council Person: Catherine Rowell

- **Southwest Arts Center (SWAC):** The Southwest Arts Center (SWAC) renovation is nearing completion. Remaining work includes installation of ceiling and shelving in the coat and storage room, completion of ceiling work in the education building, switchgear testing and certification, punch list closeout, mechanical finalization, and overall project turnover. The electrical contractor is currently completing the final installation of the air handling unit, while fire suppression work is anticipated to be completed within the next one to two weeks. Upon completion of these items, the project will proceed to the final building inspection, which will close out the permit and enable complete turnover of the facility.
- **Sandtown Park:** Prime Construction has been selected to complete the walking trail construction. The project is ready to proceed, with the permit in place pending receipt and verification of the contractor's required credentials.
- **455 Great Southwest Parkway – Police Evidence Facility:** At 455 Great Southwest Parkway, the Police Evidence Facility has completed the Construction Documents phase. Key milestones include the development of the Reflected Ceiling Plan, the coordination of secure evidence drawer installations, and the finalization of a code-compliant life safety plan, positioning the project to advance to the next phase.
- **City Administration Building:** The City Administration Building, located at 4715 Frederick Drive, is currently undergoing active design development. Design development is ongoing for both floors to ensure functionality, acoustics, and efficient use of space.

District Information: District 2
Council Person: Carmalitha Gumbs

- **Cliftdale Classroom Building:** The Cliftdale Classroom Building renovation is progressing steadily toward completion. Exterior painting has been finalized, while interior painting and ACT ceiling installation are currently underway. HVAC rough-in work is nearing completion, sealed concrete flooring has been completed in the mechanical room, and FRP installation is in progress. Bathroom wall tile installation is scheduled to begin this week, and exterior repairs, including louvers, washout covers, and replacement of the crawl space door, are commencing.

District Information: District 3

Council Person: Helen Z. Willis

- **Welcome All Park:** progressing under a revised master plan developed by the Parks Planning Consultant, which converts the site into a baseball-centric layout. The CIP team is coordinating future capital improvements to align with the adopted plan while also structuring the Welcome All Community Center renovation into two phases to manage funding and minimize disruption. Phase 1 work is complete or nearing completion and includes exterior stair sandblasting and painting, the installation of new front lobby doors to improve accessibility and delivery logistics, upgrades to the multi-purpose room (lighting, acoustic ceilings, and flooring), and the expansion and reconfiguration of the kitchen to enhance functionality. Phase 2, currently in planning, will include a new reception area, conversion of a staff office into a senior programming room, a new office adjacent to the lobby, and removal of the existing bar.
- **4800 Campbell Drive Welcome Center:** permitting is underway with both the City of South Fulton and the City of East Point, with easement execution to be completed as part of the contractor award. Construction documents are complete and were issued for bidding; however, two bids received exceeding the allocated budget. The CIP team and Program Manager have requested revised pricing to explore cost reductions. Based on initial bids, construction is estimated at 11–12 months, with the elevator identified as a long-lead item. A City decision is pending regarding potential scope reduction, project phasing, or a request for additional funding.
- **South Fulton Tennis Center:** the site has been marked for a comprehensive assessment, all pole lights and cameras are operational, the existing electrical disconnect requires replacement, and procurement is finalizing a bid for converting the clay courts to hard court surfaces, with release anticipated in January 2026.
- **Welcome All Park:** At Welcome All Park, the JCI contract presents several critical compliance issues, including permits that have not been pulled, unresolved boiler compliance, withheld required documentation, and an incomplete controls project. Due to the seriousness of these deficiencies, a referral to Legal is recommended for immediate review and action.

District Information: District 4
Council Person: Jaycee Sebastian

- **Cedar Grove Community Facility:** The Cedar Grove Community Facility is currently in the schematic design phase, with the General Services Capital Improvements Program (CIP) team working closely with architectural consultants to complete key design deliverables, including floor plans, building sections, and interior and exterior elevations. Upon completion of schematic design, the project is planned to be released as a design-build procurement, with all civil and site scope—such as layout, parking, grading, and utilities—incorporated into that contract. As part of the design process, four exterior façade concepts have been developed and are undergoing internal review. The CIP team is actively coordinating with District 4 leadership to evaluate and refine the overall design direction before advancing the project.
- Citywide support efforts impacting District 4 include ongoing holiday lighting installations along Cedar Grove Road and surrounding corridors, as well as anticipated Ford EV charger procurement that will serve fire stations and public facilities within the district. Key considerations include the need for timely input from the District 4 Councilmember to maintain the schematic design schedule, and the importance of executing a well-defined design-build procurement strategy to effectively manage scope, schedule, and cost once the schematic design phase is complete.

District Information: District 5
Council Person: Keosha Bell

- **Fire Station 7:** has been awarded to Brink Design, with the site survey completed and active coordination underway with the Fire Department. The proposed facility program includes a single building with four apparatus bays, sleeping quarters, a kitchen, designated visitor and employee parking, EV charging stations, and a dedicated Grady ambulance staging area. The design schedule is estimated at approximately six months; however, budget concerns have been identified based on recent construction costs for comparable fire stations in neighboring jurisdictions. Additional programmatic requests from the Fire Department, including expanded bunk areas, a larger gym, a community room, additional fueling capacity, and a storage building, are currently under review for scope and cost impacts.
- **Burdett Park:** renovation work is underway and includes restroom upgrades, kitchen improvements, HVAC system enhancements, and locker room renovations. The gymnasium exterior wall has been identified as requiring thermal insulation upgrades to support HVAC performance, and all exterior penetrations will be sealed accordingly.

District Information: District 6
Council Person: Natasha Williams-Brown

- **Old National Park:** Light bulb replacements are required throughout the facility, and a breaker box must be replaced due to vandalism. In addition, the department is awaiting vendor quotes for inspection of light poles to assess structural integrity and ensure safety compliance.

District Information: District 7
Council Person: Linda Becquer Pritchett

- **Fire Station 10:** has received three proposals identifying site construction options, which are currently under review by the project manager. The building floor plan has been finalized, and coordination is ongoing to align the final exterior design with the selected metal building manufacturer to support constructability and scheduling.

CITYWIDE / CROSS-DISTRICT

- **Health and Safety:**

Citywide and cross-district initiatives continue to advance, with holiday lighting installations completed along major corridors, parks, and roundabouts, and remaining work in progress on Old National Highway, Fulton Industrial Boulevard, Cascade Road, Stonewall Tell Road, and Oakley Industrial. Utility coordination is ongoing, with Greystone scheduled to connect eight lights on December 17, while Georgia Power connection dates remain pending. EV charging infrastructure deployment is progressing in phases, with Phase 1 sites—including City Hall, the Southwest Arts Center, Welcome All Park, Creel Park, the South Fulton Tennis Center, and Trammell Park—energized and awaiting final commissioning. Phase 2 construction is nearing completion at Wolf Creek (90 percent complete) and is approximately 50 percent complete at the Administration Building and Old National Park, while Sandtown Park and Burdett Gym are infrastructure-ready and awaiting charger delivery. Phase 3 includes 27 Ford chargers currently pending shipment. The generator program is also underway, with Fire Station 2, Sandtown Park, Fire Station 5, Welcome All Park, and Burdett Park in various stages of automatic transfer switch installation and generator fabrication. A critical risk remains at Welcome All Park under the JCI contract, where permits have not been pulled, boiler compliance remains unresolved, required documentation has been withheld, and the controls project is incomplete; a legal referral is recommended to address these issues.

Strategic Goals: 4

- **Fleet Management:**

- o **Procurement:** An RFP for light-duty vehicle repair and maintenance has been advertised. Upon closure and receipt of bids, evaluations will be conducted to determine future vendor selections.

- o **Fleet Systems:** Continued rollout of Uptime and Fleetio software for body shop and fleet management operations. To date, over **500 Police Department vehicle service records** have been entered into Fleetio to track repair history and total cost of ownership.

- o **Fleet Activity:** During the reporting period, the Fleet Division completed **47 work orders** supporting Fire Rescue, Land and Development, Police Department, Public Works, Parks & Recreation, Code Enforcement, and General Services.

- o **Training:** Fleet staff participated in Fleetio software training to enhance operational efficiency and reporting capabilities.

- o **Fuel Usage:** Total fuel consumption included approximately **8,516 gallons of unleaded fuel** and **5,500 gallons of diesel fuel**. Current on-hand inventory levels are **6,227 gallons of unleaded fuel** and **4,193 gallons of diesel fuel**.

- o **Vehicle Inventory – Salvaged Units:** A total of **22 vehicles** were identified and are being prepared for surplus disposition. Of these, **eight (8)** are pending receipt of vehicle titles. The department is awaiting completion of the required vendor documentation from Copart to proceed with the surplus process.

Strategic Goals: 1, 4

- **Thursdays:**
 - Plea & Arraignment Calendars are at 9:00 am and 1:00 pm on Tuesdays and Thursdays. Plea and Arraignment calendars are held virtually.
- **Monday, Wednesday, and Friday:**
 - First Appearance Calendars: Held virtually at 1:00 pm. for jail cases.

Goal 1: Enhance Government Efficiency and Productivity

The South Fulton Police Department is committed to strengthening operational efficiency by leveraging data-driven deployment strategies, streamlining case management systems, and enhancing officer training programs. These efforts ensure that resources are effectively utilized to deliver timely and professional services to the community.

Goal 2: Increase Community Collaboration and Improve Quality of Life

The Police Department will continue to build and maintain partnerships with community stakeholders through proactive outreach programs, youth engagement initiatives (PAL), and neighborhood watch (HOA) collaborations. Our focus is on reducing crime, increasing transparency, and fostering trust, thereby enhancing the overall quality of life for our residents.

Goal 3: Enhance the City's Financial Stability and Economic Diversification

The South Fulton Police Department supports economic growth by ensuring the safety of business and commercial districts, while also prioritizing fiscal responsibility. By assigning officers based on crime trends, utilizing technology to reduce paperwork, and managing overtime more effectively, we minimize unnecessary spending while maintaining high-quality police services. These efforts create a safe and stable environment that attracts investment and supports the City's long-term financial health.

Goal 4: Strengthen and Expand Infrastructure to Support Sustainability

The Police Department is focused on sustaining long-term public safety through strategic investments in personnel and facilities. This includes recruitment and retention initiatives to build a stable workforce, modernizing our training programs to meet evolving community needs, and strengthening partnerships with regional agencies to ensure coordinated responses during emergencies. Additionally, with the approval of our new headquarters, we are preparing to expand and modernize our operational infrastructure, which will enhance service delivery and provide a lasting foundation for the department's future growth.

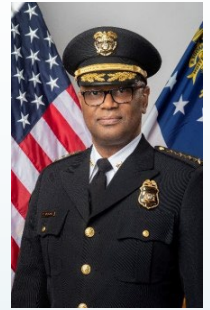

Police Department Guiding Principles

SOUTH FULTON POLICE DEPARTMENT

"The South Fulton Police Department has been developed with 21st Century Policing Principles in mind. The Police Department will continue to evolve in this direction as staff seeks to create efficiencies through the use of technological advances"

Chief Keith Meadows
South Fulton Police Department

21st Century Policing Pillars

1. Building Trust & Legitimacy
2. Policy & Oversight
3. Technology & Social Media
4. Community Policing & Crime Reduction
5. Training & Education
6. Officer Wellness & Safety

Proud of our Graduates

We proudly recognize our latest graduates from the Georgia Piedmont Technical College Law Enforcement Academy who have officially been sworn in as South Fulton Police Department officers.

Their commitment, hard work, and dedication to public safety have brought them to this milestone moment. As they step into their roles, they carry with them the values of integrity, professionalism, and service that define our department.

We look forward to the impact they will make in keeping our community safe and strong.

[Click here to view testimonials from our Graduates](#)

Congratulations, Major Jubal Rogers!

The South Fulton Police Department is proud to recognize Major Jubal Rogers, Field Operations Commander, for completing the Georgia Association of Police Chiefs Executive Training Program.

This intensive two-week program is mandated by law for all executive and management-level law enforcement leaders in the state of Georgia. The training focuses on leadership development, strategic operations, legal updates, and enhancing executive-level decision-making.

Major Rogers continues to demonstrate exceptional commitment to professional growth and excellence in service.

Please join us in congratulating Major Rogers on this outstanding accomplishment!

"A Team that dines together, fights crime together!"

We want to extend a huge THANK YOU to Sgt. M. Cooper's mom for treating the South Fulton Police Department's Gold Watch to an amazing Sunday dinner! 🍴🙌 Your kindness and generosity are truly the seasoning that makes our team stronger. 🙏 As we approach the holiday season, we're grateful for the love and support from our community and families. Thank you again for fueling our officers with good food and great spirits! 🍷

Community Support

Captain Harper, with the support of Ms. Davenport from the South Fulton Sling Shot Club, treated our Grey Day Watch to breakfast this morning. We appreciate the continued support and partnership shown to our officers. 💙

City Hall Tree Lighting

The South Fulton Police Department was honored to take part in the City of South Fulton's Annual Tree Lighting Ceremony! It was a joyful evening filled with holiday spirit, community togetherness, and bright smiles from families across our city.

Our officers enjoyed connecting with residents, sharing in the festivities, and celebrating the start of the holiday season. Events like these remind us of the strong bond we share with our community and the importance of coming together to spread positivity and cheer.

A huge thank you to everyone who joined us and to the City of South Fulton for hosting such a wonderful event. Here's to a safe, joyful, and festive holiday season!

❄️ St. Nic Returns to the South Fulton Police Department ❄️

South Fulton! Our beloved holiday tradition is back as we launch Part 1 of the St. Nic Series. This year, we're bringing even more joy, surprises, and festive spirit to our community as we celebrate the season together.

Join St. Nic as he begins his journey through South Fulton, spreading cheer, delivering smiles, and reminding us of the importance of unity and kindness during the holidays.

Stay tuned for more episodes as we follow St. Nic through his holiday adventures!

[Click Here to view the St. Nic Series](#)

Officer Commendation

We want to recognize Officer Antonio Holmes for his outstanding service and dedication to our community.

Over the Thanksgiving holiday, Officer Holmes responded to a call at South Fulton Fire Department Station 3 involving an elderly male who was unable to provide his name or home address. Through patience, compassion, and effective communication, Officer Holmes was able to identify the gentleman as Paul Primus, who suffers from dementia. After speaking with him, Officer Holmes transported Mr. Primus to the area he indicated he had come from.

While in the Pittman Park neighborhood, Officer Holmes was flagged down by Mr. Primus' daughters Tanesma, Daniella, and Rukeyah Primus who had just reported their father missing. Thanks to Officer Holmes' quick thinking and dedication, Mr. Primus was safely reunited with his family.

In appreciation, the Primus family presented Officer Holmes with a gift basket to express their gratitude for bringing their father home safely.

Excellent work, Officer Antonio Holmes!

Moments like these highlight the heart of policing and the strong bond between our officers and the community we serve.

Congratulations to Our SFPD Civilian Leaders!

The South Fulton Police Department proudly recognizes Records Administrator Latasha Childress and GCIC & Records Supervisor Natasha Pointer of the Office of Professional Standards for successfully completing Georgia State University's Leadership Advancement for Women in Law Enforcement (LAWLE) Program.

The GSU LAWLE program is a specialized leadership initiative designed to address the unique challenges women face in law enforcement. It focuses on three core areas: Leadership Development, Organizational Cohesiveness, and Community Engagement.

SFPD remains committed to investing in professional development opportunities not only for our sworn officers, but also for our civilian staff, who serve as the backbone of our department. Their dedication and leadership play a vital role in supporting our mission and strengthening our organization.

Please join us in congratulating Ms. Childress and Ms. Pointer on this outstanding achievement!

The City of South Fulton's Procurement Department continues to play a critical role in delivering on our strategic priorities, ensuring fiscal responsibility, enhancing public safety, improving infrastructure, and supporting local economic growth. Recent initiatives underscore the City's commitment to streamlined purchasing, accountability, and smart investment.

1. Fire Training Facility Investment

The Fire and Rescue Department secured Council approval to procure a modular, multi-level burn building to serve as the city's first permanent NFPA-compliant training facility. This investment enables South Fulton firefighters to conduct realistic live-fire, ventilation, and search/rescue drills year-round in compliance with NFPA 1402 standards. The 2.69 million project is sourced through the HGACBuy cooperative, streamlining procurement and securing nationally bid pricing without issuing a formal RFP.

2. Citywide Resurfacing via Unit Pricing

Public Works was authorized to move forward with unit-price resurfacing and rehabilitation through ITB 25-13. The competitively bid contract enables rapid roadway repairs including mill and overlay, deep patching, and subdivision resurfacing based on task orders issued as needed. This model enhances cost control, speeds execution, and ensures coverage across multiple city zones with increased flexibility.

3. Emergency Call Boxes in City Parks

Parks and recreation secured approval to install emergency call boxes in high-traffic park locations. Utilizing a not-to-exceed project budget of \$250,000 through a cooperative contract, this initiative will enhance public safety by providing direct emergency links for park visitors to contact city security personnel and first responders.

4. Police Radio Upgrade Improves Communication Reliability

The Police Department advanced a \$178,030 purchase of 20 APX7000 Motorola radios to upgrade field communications for officers. Leveraging the Sourcewell Contract, this cooperative purchase enhances signal clarity, dispatch integration, and emergency coordination across zones, eliminating delays in procurement.

5. Procurement Activity Update

The city issued 70 purchase orders totaling 1,866,623.63 in December 2025. These Purchase Orders fund critical operations, infrastructure, safety and services that directly impact the quality of life for residents and staff across the City of South Fulton.

Department with the highest procurement activity included

- General Services Facilities
- Fire Admin
- Public Works
- Police Department
- Fleet Services

Procurement continues to drive value by leveraging competitive sourcing, cooperative contracts, and strong internal controls, ensuring every dollar advances the City of South Fulton's goals

GOAL 1

Enhance Government Efficiency and Productivity

The Public Affairs Department is committed to creating efficient internal operations and systems to deliver high-quality municipal services. Our goal is to improve the quality of life for residents and businesses in the City of South Fulton by ensuring that our government functions smoothly and effectively, meeting the needs of our community with professionalism and excellence.

GOAL 2

Increase Community Collaboration and Improve Quality of Life

The Public Affairs Department is dedicated to strengthening relationships with our county and state legislators, as well as surrounding municipalities, to support the City of South Fulton in adopting a regional approach to services. Launch initiatives and create change to improve our quality of life, including public safety.

GOAL 3

Enhance the City's Financial Stability and Economic Diversification

The Public Affairs Department is committed to strengthening our financial infrastructure by building and diversifying revenue sources. Focus is on promoting a healthy and prosperous economy by supporting small businesses, entrepreneurs, tourism, and public-private partnerships. We are dedicated to defining and showcasing the unique identity of the City of South Fulton and effectively marketing it to stakeholders. Through strategic initiatives and collaborations, we aim to create a vibrant economic environment that benefits all members of our community.

GOAL 4

Strengthen and Expand Infrastructure to Support Sustainability

The Public Affairs Department is committed to fostering strong relationships with our county, state legislators and surrounding municipalities. By taking a regional approach to services, we aim to launch initiatives and drive changes that enhance the quality of life in the City of South Fulton, including improvements in public safety. Through collaboration and shared goals, we are committed to creating a safer, healthier, and more vibrant community for all current and future residents.

Highlight:

December was a high-volume, high-visibility month for the Department of Public Affairs, marked by expanded holiday programming, increased interdepartmental coordination, major citywide events, and sustained communications output across press, digital, social media, and web platforms. The department successfully executed and supported dozens of community-facing and internal initiatives, including the City's Annual Christmas Tree Lighting, expanded holiday corridor lighting, district-based events, economic development recognition programs, cultural programming, and preparation for major 2026 milestones. Public Affairs led strategic coordination across departments, ensured consistent messaging, maintained brand integrity, and delivered timely, fact-based communications to residents, stakeholders, and partners throughout the holiday season.

2026 Swearing-In Ceremony & Inaugural Gala Proposal Development

During the month of December, the Director Solomon led the development of a comprehensive, end-to-end proposal and presentation for both the 2026 Swearing-In Ceremony and the Inaugural Gala, serving as the foundational planning document to guide execution, vendor coordination, and interdepartmental alignment.

Scope of Work and Strategic Development

- Conceptualized and authored the full ceremonial and gala framework, establishing the vision, tone, and sequencing for both events.
- Designed detailed run-of-show outlines for each program, including ceremonial order, staging flow, protocol considerations, and transitions.
- Defined distinct identities for the Swearing-In Ceremony and Gala while ensuring continuity in City branding, professionalism, and executive presence.

Creative Direction & Program Design

- Worked with Events and Program Manager to develop stage design concepts, including lighting schemes, draping, screen content, floral framing, seating layouts, and podium usage.
- Established visual standards to ensure a dignified, elevated presentation consistent with a major municipal milestone.
- Structured formal programs to reflect tradition, civic pride, and community engagement, while maintaining operational efficiency.

Vendor Engagement & Quote Procurement

- Identified and vetted potential vendors across key service areas, including:
 - Event production and staging
 - Audio/visual and lighting
 - Entertainment and master of ceremonies
 - Décor and branding elements
 - Catering and venue coordination

- Deputy Director Wells secured multiple service quotes and scope outlines to ensure competitive options and informed decision-making.
- Coordinated discussions with venue representatives and service providers to align requirements, logistics, and operational standards.

Operational & Logistical Planning

- Anticipated logistical needs including:
 - Seating capacities and layouts
 - Back-of-house operations
 - Vendor load-in and strike timelines
 - Protocol and security considerations
 - Accessibility and guest flow
- Ensured all proposed elements complied with City standards, policies, and anticipated venue requirements.

Presentation & Executive Readiness

- Compiled all planning elements into a formal presentation, designed to clearly communicate scope, assumptions, and execution strategy.
- Prepared the proposal to support leadership review, internal alignment, and next-phase approvals.
- Positioned the City to move forward efficiently into execution planning without requiring rework or redesign.

The completed proposal and presentation now serve as the City's authoritative planning document for both the Swearing-In Ceremony and Inaugural Gala, ensuring clarity, preparedness, and a strong foundation for successful execution in 2026.

Event & Program Recaps

- Economic Development Impact Awards
- District 1 / Fire QLS Senior Breakfast
- Global South Film Festival
- Internal City Christmas Tree Trimming
- District 6 Food Distribution

Holiday Lighting & Beautification Projects

- Coordinated with General Services and Georgia Power to expand the City's Holiday Lights Project
- Added 105 additional light poles, utilizing the full inventory of 282 lights
- Oversaw contractor installation of electrical receptacles
- Coordinated energizing of poles with Georgia Power
- Scheduled removal of holiday lighting beginning January 5, 2026

Facilities & Décor Oversight

- Oversaw installation of wreaths and garland at:
 - City Hall
 - Frederick Administration Building
- Assisted with holiday tree decoration at Frederick Administration Building
- Coordinated delivery and decoration of the City Holiday Tree for the Annual Tree Lighting Ceremony
- Printed and installed office closure signage at City Hall and Frederick Administration Building

Events & Program Management

Citywide, District, and Departmental Event Support

Managed interdepartmental coordination, coverage, and logistics support (Police, Fire, Parks & Recreation, Photography) for the following:

- COSF Annual Christmas Tree Lighting
- Global South Film Festival – Mayor's Event
- Economic Development Impact Awards
- CORE Alliance Business Mixer
- Cultural Affairs: Caroling in the City
- District-based events including:

- Food Distributions (D4, D6)
- Christmas Tree Lightings (D4)
- Christmas Extravaganza (D3/D2)
- Breakfasts with Santa (D5, D6)
- Recycle & Shred (D3)
- Community Clean Up (D1 – Monthly)
- Brannu: The Urban Horseman Film Screening
- City Manager Internal Event: White Elephant Exchange
- Outlaw Classic Awards Banquet (Parks & Recreation)

Internal Employee Engagement Programming

Planned and executed:

- Ugly Sweater Karaoke
- Stocking Decoration
- Internal Tree Trimming
- Reindeer Games
- Wellness Box Deliveries

Forward Planning

- Conducted walkthroughs and coordination meetings for 2026 Swearing-In Ceremony
- Initiated development of the 2026 City Events Calendar in coordination with Cultural Affairs leadership

Digital & Social Media Performance

Facebook (Nov. 19 – Dec. 16)

Web Administration & Digital Infrastructure

Website Content & Calendar Updates

- Updated City Calendar with district, citywide, and departmental events across all six districts
- Published:
 - Monthly Financial Reports
 - City Manager's November Report
 - Public Works November Report
- Updated Crime Statistics webpage
- Created:
 - Councilmember-Elect webpage
 - Mayor-Elect webpage

Maintenance & Optimization

- General website maintenance
- Removal of broken links
- Internal updates to ensure accuracy and usability

Press Releases & News Posted

- Holiday Lighting Expansion
- Cliftondale Park Update

Overall Departmental Impact – December

- Maintained consistent City branding and messaging during peak holiday programming

- Supported dozens of community-facing and internal events across all districts
- Expanded holiday beautification and corridor lighting citywide
- Delivered timely press, digital, and web communications
- Advanced forward planning for 2026 Swearing-In and annual events calendar
- Strengthened cross-departmental collaboration and operational execution

The following is the Transportation Update Report for December 2025. The (*) mark indicates updated information from the November 2025 report. This report provides a detailed overview of sixty-six (66) projects for the City of South Fulton in TSPLOST I, TSPLOST II, Capital Improvement, State, and Federal funding within Public Works in the following stages:

- | | |
|------------------------|---------------------------------|
| 1. Planning: | Zero (0) total projects. |
| 2. Design: | Thirty-six (36) total projects. |
| 3. ITB/ Out-to-Bid: | One (1) total project. |
| 4. Under Construction: | Fourteen (14) total projects. |
| 5. Completed: | Fifteen (15) total projects. |

1. Planning Phase (0 projects). Projects in this phase will have defined scopes and cost estimates. However, they will require evaluation by a design engineering firm. Once design consultants are assigned, project estimates and a schedule will be provided.

2. Design Phase (36 projects). Projects in this phase will transition to construction once the concept reports are reviewed, the design is complete, the Right-of-Way (ROW) plans have been certified, and the land parcels have been acquired. The cost estimates and project schedule are subject to change.

- **Capital Improvement Projects (CIP) (5) -Gravel Road projects.** Projects are progressing through preliminary design.
- **RG-160.** Two segments of Jones Rd need paving, and a culvert needs to be replaced. RSH, the design consultant, is assessing improvements at the Hall Road 4-way stop and a planned GDOT roundabout at Campbellton-Fairburn Road (SR 92). Design costs are \$538,268. *Design anticipated completion by mid-February, with construction estimated to begin in the fall of 2026. The estimated cost is \$13 million, with roughly \$3.65 million in construction funded by Union City via an Intergovernmental Agreement (IGA). A public input open house (PIOH) was held on June 12, 2025, where RSH presented drawings and discussed potential improvements with the public.
- **RG-164.** Oxford Rd is a half-mile unpaved residential street that serves as a cul-de-sac off West Stubbs Rd. Khafra Engineering is the design consultant for \$149,277. The design is expected to be completed by the end of 2025, with construction beginning in spring 2026. A PIOH was held on June 10, 2025, during which Khafra presented drawings and discussed potential improvements with the public. The concept report has been reviewed and finalized. The estimated cost is \$5.6 million.

- **RG-163.** Thames Rd, a 1600-ft gravel road, will have a complete street design, including sidewalks, implemented at the intersection with Butner Rd. Khafra Engineering is the design consultant for \$158,886. Design completion is expected by the end of 2025, with construction estimated to commence in spring 2026. The concept report has been reviewed and finalized. A PIOH was held on May 29, 2025, during which Khafra presented drawings and discussed potential improvements with the public. The estimated cost is \$5.3 million.
- **RG-162.** Rocky Head Rd. is a 900-ft. unpaved residential street connecting Owl Rock Rd. and Union Rd. Khafra Engineering is the design consultant for \$110,134. Design completion is expected by the end of 2025, with construction estimated to commence in spring 2026. The concept report has been reviewed and finalized. A PIOH was held on May 29, 2025, during which Khafra presented drawings and discussed potential improvements with the public. The estimated cost is \$3.7 million.
- **RG-161.** Hall Rd. will be paved along its one-mile unpaved stretch, including sidewalks and other improvements. The existing bridge over Line Creek may need to be replaced. Moreover, intersections with Jones Rd and Ridge Rd will need enhancements. Another segment, roughly 1.75 miles long, is already paved but needs sidewalks and other upgrades. RSH is the design consultant for \$711,960, with completion expected by summer 2026 and construction to begin by fall 2026. The concept report has been reviewed and finalized. A PIOH occurred on June 11, 2025, where RSH provided drawings and discussed potential improvements with the public. The estimated cost is \$15.9 million.

- **Federal/State Projects (5)**

- **PI0019647.** This GDOT-managed project will enhance the intersection of Fulton Industrial Blvd at Westpark Place by improving sight distance for motorists in the turning lanes by offsetting the left-turn lanes on Fulton Industrial Blvd (FIB). A Restricted Crossing U-turn (R-CUT) intersection will be implemented to alleviate congestion and reduce accidents from Westpark Place. The estimated cost is \$2.6 million, with construction let projected for January 2027 for \$2 million. The project spans 1,900 feet, with GDOT anticipating the acquisition of four parcels. Design engineering was authorized for \$622,727. The Preliminary Field Plan Review (PFPR) has been completed. The design of the R-CUT and median on FIB is ongoing.
- **PI0019841.** This GDOT-managed project will improve Jonesboro Rd at Bethsaida Rd intersection by installing a multi-lane roundabout *and sidewalks. *According to GDOT, this safety project is estimated to cost \$3.6 million, with construction estimated at \$2.1 million, starting in March 2027 and taking two years to complete. The project is 1584 feet long. GDOT estimates four parcels along Jonesboro Rd need to be acquired. Design engineering was authorized for \$700K. The PIOH meeting was held on March 26, 2025, and the input has been evaluated.
- **T-281.** The Fulton Industrial Blvd sidewalks between Lakeview Court and Westpark, and the Fulton Industrial Blvd at Cascade Rd intersection improvements **(T-282)**, *are in final design and will be let as a single construction project. All agreements between the City and GDOT are in place. The city has approved the Concept reports. Both projects are part of the Fulton Industrial Community Improvement District (FICID). Construction led by GDOT through the FICID; South Fulton is listed as the local municipality and funded through the ARC's Last Mile

Connectivity Program. The estimated *combined cost is \$9.2 million, with \$1 million coming from local funds. Kimley-Horn & Associates, Inc. is the design engineer. The design and land acquisition are estimated to be completed by March 2026, with construction scheduled to begin in June 2026.

- **OSI-605.** SR 92 @ Jones Rd and SR 92 @ Demooney Rd intersection improvements, including installation of two roundabouts, *sidewalks, realignment, and streetlights. The aim is to reduce the number of accidents at the intersections. The project is 4040 feet long and will be managed and funded under GDOT's safety program. Short-term and intermediate-term solutions have been developed to address safety and operational concerns, including clearing vegetation and implementing temporary traffic signals. There may be some lane closures during the project. The design is estimated to be completed by June 2026, with construction expected to commence in *Spring 2027. The estimated cost is \$12.9 million, with \$52,250 allocated from TSPLOST I Funds. AECOM is the design engineer. It is estimated that GDOT will acquire eleven parcels. The PIOH meeting was held on October 9, 2025, and the input has been evaluated. *Following completion of the ROW Acquisition, design will be finalized, and the project can advance towards construction.
- **TSPOT II Projects (19).** The City Council approved several design consulting firms for standby design engineering services. The following projects were awarded and *started in the concept phase; once the concept report is finalized and after the PIOH occurs, the projects move into preliminary design, then to final design. Project cost estimates and schedules have been updated and are subject to change.

<u>Project Name</u>	<u>Cost Est.</u>
PBI-906. Welcome All Rd sidewalks (1.5 miles) from Roosevelt Hwy to Will Lee Rd are being designed by AEI/STV, with completion by the end of 2026. Concept report is being developed; cost estimates and schedules will be updated. The estimated construction phase funding of \$3,267,384 has been deferred to future funding. *PIOH is pending.	\$3.7M
PBI-911. Merk Rd sidewalks (1.25 miles) from Camp Creek Parkway to Aldredge Rd are being designed by AEI/STV, with completion expected by summer 2026. Concept report is being developed. The estimated construction phase funding of \$3,888,540 has been deferred to future funding. *PIOH is pending.	\$4.2M
PBI-910. Fill in sidewalk gaps, approximately $\frac{3}{4}$ of a mile within the existing sidewalk network on Jerome Rd from Old Notional Hwy to Old Bill Cook Rd. RS&H is the Design engineering, with completion expected by summer of 2026. The estimated construction phase funding of \$1,633,692 has been deferred to future funding. Concept report is being developed, and cost estimates and schedules will be updated. *PIOH is pending.	\$1.8M
T-288 (B-510). Stacks Rd Bridge Replacement over CSX Railroad. Atlas is the design engineering for \$240K and CSX Transportation for \$27,550 from the Public Works' General Fund, with an estimated completion date of spring 2026. A PIOH was held on December 18, 2024. *Preliminary design continues. ROW plans are being developed, with construction estimated for Spring 2027.	\$5MM

OSI-631. Union Rd at Thames Rd intersection improvements will include a roundabout, sidewalks, and streetlights. AEI is the design consultant with completion in early 2026 for \$194,700. Eleven parcels are estimated to be acquired. A PIOH was held on December 16, 2024. Plans are under review. In preliminary design phase. The estimated start of construction is late 2026.	\$1.7MM
OSI-629. Ono Rd/Hobgood Rd at Rivertown Rd intersection improvement, including a roundabout, sidewalks, and streetlights. AEI is the design consultant for \$258,060, with completion in spring 2026, with an estimated construction start in fall 2027. Plans were reviewed, and a field review is underway. Eighteen parcels are estimated to be acquired.	\$3.9MM
OSI-628. Old Fairburn Rd at Thaxton Rd intersection improvement will include a roundabout, sidewalks, and streetlights. The design, awarded to Khafra for \$196,625, is estimated to be completed in the fall of 2026, with construction starting in spring of 2027. The concept report was finalized. PIOH occurred on October 23, 2025. Concept plans were updated, and another PIOH is to be scheduled.	\$4.3MM
OSI-622. Butner Rd at Aldredge Rd intersection improvements, including roundabout alternatives, sidewalks, and streetlights, are in preliminary design. The design, awarded to Khafra for \$195,965, is estimated to be completed in fall 2026, with construction starting in summer 2027. The concept report is being finalized. PIOH occurred on October 28, 2025.	\$3.2MM
OSI-600. Bethsaida Rd at Creel Rd/West Rd intersection improvements, including roundabout alternatives, sidewalks, and streetlights. The design, awarded to AEI for \$237,160, is estimated to be completed by the end of 2025, with construction scheduled for early 2028. A PIOH was held on July 10, 2025. The project will be coordinated with the Bethsaida Rd sidewalk project from Old National Hwy to Nunn Woods Way (PBI-902)	\$3MM
OSI-623. Bethlehem Rd at Cedar Grove Rd intersection improvements, including roundabout alternatives, sidewalks, and streetlights. The design, for \$189,750, was awarded to Khafra and is estimated to be completed by Fall 2026, with construction starting in 2028. There is a potential concept change for this project, which may delay design and construction. PIOH to be scheduled pending concept revisions.	\$2.7MM
OSI-620. Aldredge Rd at Merk Rd intersection improvements, including a roundabout, sidewalks, and streetlights. The design was awarded to AEI for \$248,160, with completion by *April 2026. PIOH occurred on December 16, 2024. Ten parcels are to be acquired. Anticipated construction to start in summer 2027. Preliminary design plans were reviewed, and a field review is underway.	\$1.9MM
PBI-914. Fill in sidewalk gaps within the existing 1.15 miles of sidewalk network on Union Rd from Owling Rock Rd to Bunting Ln. The design was awarded to Khafra for \$398,280 and is estimated to be completed by summer 2026. The concept report has been updated. PIOH occurred on October 21, 2025. Anticipated construction to start summer 2027.	\$5.3MM

B-508. Koweta Rd Bridge Over Deep Creek Replacement. AEI is the design consultant for \$218,750. Estimated Design completion by early spring 2026. Anticipated construction to start in spring 2027. The concept report has been updated. *PIOH occurred on October 22, 2025, and input was evaluated. In preliminary design phase.	\$3MM
B-505. Derrick Rd Bridge Over Deep Creek Tributary Replacement. AEI is the design consultant for \$218,750. Estimated Design completion by spring 2026. Anticipated construction to start in early spring 2027. The concept report has been updated. PIOH occurred on October 22, 2025, and input was evaluated. In preliminary design phase.	\$2.9MM
PBI-908. Flat Shoals Rd sidewalks (2.5 miles) from Old National Hwy to Buffington Rd. RS&H, the design consultant for \$451,385, is developing the concept report. The design is estimated to be completed by the end of 2026. Anticipated construction starts in fall 2028. The construction phase estimated cost of \$5,992,080 will be deferred to future funding. PIOH to be scheduled.	\$6.5MM
PBI-903. Cascade Rd sidewalk (3 miles) from the City of Atlanta city limits to Fulton Industrial Blvd. RS&H, the design consultant for \$581,035, is developing the concept report. The design is expected to be completed by the end of 2026, with construction anticipated to start in fall 2028. The construction phase estimated cost of \$6.1 million will be deferred to future funding. PIOH to be scheduled.	\$6.8MM
PBI-902. Bethsaida Rd sidewalk (1.5 miles) from Old National Hwy to Nunn Woods Way. AEI/STV is the design consultant for \$431,749. Estimated design completion by fall 2026, with construction to start in summer 2028. PIOH was held on July 10, 2025. The project will be coordinated with Bethsaida Rd at Creel Rd/West Rd intersection improvements project (OSI-600). In preliminary design phase.	\$4.8MM
B-599. Oglesby Rd Bridge/Culvert over a tributary of Morning Creek is a quick-response bridge-replacement project. This bridge will have accessibility throughout the project. AEI is the design consultant for \$202,917. Estimated Design completion by *end of January 2026, with construction to start in summer 2026. In final design.	\$2.3MM
T-270 (B-504). The Design of the Demooney Rd over Deep Creek Bridge Replacement, featuring sidewalks, is complete. Long Engineering was the design consultant for \$284,625 from the Public Works' General Fund. The project is in the ROW phase. Once the two remaining parcels are acquired and ROW is certified, the project can be let for construction. The estimated start for construction is *mid-March 2026.	\$3.2MM

- **TSPLOST I Projects in the Design phase (7)**

<u>Project Name</u>	<u>Cost Est.</u>
OSI-619. The design of the Butner Rd at West Stubbs Rd intersection improvement is underway by AEI for \$47,326.90, expected to be completed by spring 2026. The estimated construction cost of \$4.8 million will be deferred to future funding. PIOH to be scheduled.	\$5.5MM

OSI-618. The design of the Welcome All Rd at Scarborough Rd intersection improvement, including a roundabout and sidewalks, has been completed by AEI for \$141,335. Utility coordination is ongoing. ROW acquisition phase with six of ten parcels acquired. Construction is estimated to start in early 2026. The ITB for construction is anticipated to go out once the final parcels are acquired.	\$2.9MM
OSI-616. The design of Stonewall Tell Rd at Jones Rd/Pittman Rd intersection improvement, which includes a roundabout and sidewalks, has been completed by AEI for \$131,445. ROW acquisition phase with six of nine parcels acquired. Utility coordination is ongoing. Construction is estimated to start in spring 2026, *after ROW acquisition. \$1 million of the estimated total will be funded by Fund 212 (Camera Funds).	\$3.5MM
OSI-608. The design for the intersection improvement of Enon Rd at Stonewall Tell Rd, including a roundabout, streetlights, and sidewalks, has been completed by Jacobs Engineering for \$133,814. ROW acquisition phase with eight of eleven parcels acquired, with construction estimated to start in summer 2026. Construction phase funding of \$2.6 million is being transferred to TSPLOST II funding.	\$2.9MM
OSI-607. The design of the Demooney Rd @ West Stubbs Rd intersection improvement, which includes a roundabout, streetlights, and sidewalks, has been completed by Jacobs Engineering for \$139,679. ROW acquisition phase with two of four parcels acquired. Utility coordination is ongoing. Construction is estimated to start in spring 2026.	\$2.7MM
OSI-603. Butner Rd at Pittman Rd intersection improvement includes a roundabout, sidewalks, and streetlights. AEI is the design consultant for \$143,672, with completion expected by the end of 2025. ROW acquisition phase with nine parcels to acquire. Construction is estimated to start early 2027.	\$3.4MM
OSI-601 (B-500). Butner Rd at Camp Creek Parkway intersection improvement and bridge replacement, including sidewalks and trail path access. Both projects are scheduled to be advertised together for construction. Atlas, the design engineer for the bridge replacement project, is in the final design phase for \$177,346. AEI, the design firm for the intersection project, has completed the design for \$81,500. The ROW phase for both is complete. Utility coordination ongoing. *Construction estimated to start mid-March pending final GDOT signal permit.	\$7.6MM

3. Intent-To-Bid (ITB)/ Out-To-Bid (1) Projects. Projects in this phase are either preparing to go through the bid process or are currently in the bid process. The next phase is construction.

- **TSPLOST I Projects (1)**

- **OSI-617.** Welcome All Rd at Jaillette Rd intersection improvement, including sidewalks and streetlights, was completed by Atlas for \$117,185. ROW certified. Once final utility coordination with the City of Atlanta's Department of Watershed Management is completed, the city will prepare the ITB for advertising. Construction is expected to start once the NTP is granted, with an estimated cost of \$2.6 million and a duration of one year. ITB is being drafted.

4. Under Construction (14) Projects

- **Federal/State (10)**

- **T-265.** Sidewalks and landscaping will be installed on Old National Highway from Flat Shoals Rd to Jonesboro Rd, along with signal upgrades at Bethsaida Rd, Creel Rd, Woodward Rd, McGhee Landing, and Flat Shoals Rd. Design is complete. This 2.6-mile project is funded 80% by the ARC's Last Mile Connectivity Program and 20% by local funds. Atlas is the design firm for this project, with a contract worth \$274,159. The City let the construction project on June 13, 2025, and bids closed on July 16, 2025. The city reviewed the bids, and GDOT made its recommendations. The City Council awarded the construction contract to SD&C on October 14, 2025, for an amount not to exceed \$3,796,061.45 plus a 10% contingency, for a total construction cost of \$4,175,667.60. The project is expected to take a year to complete once the Notice to Proceed (NTP) is issued.
- **T-285.** An elliptical roundabout will be built at the intersection of SR 92, Butner Rd, and Ridge Rd (1/2 mile), along with streetlights. ROW phase is complete. AECOM, the design engineering firm, completed the design for \$955,000. GDOT closed the construction bid on June 13, 2025, and awarded the contract to SD&C for \$3,918,653 on July 10, 2025. The total cost is \$6,513,798. The project is estimated to be completed by the *end of August 2027.
- **T-277.** The Cochran Rd bridge over Camp Creek is being replaced. The bridge will have lighting, sidewalks, and new roadway approaches. This project is funded 80% by ARC and 20% by local funds. Southeastern Site Development, Inc. is the construction vendor for \$3,894,560.01, plus a 10% contingency, for a total construction cost of \$4,284,016.01. Construction is estimated to be completed in August 2026.
- **T-273.** Buffington Rd from Rock Quarry Rd to SR 14/US 29 is being upgraded. The bridge over South Fulton Parkway will be replaced. **T-272.** Additionally, Buffington Road, from Royal South Parkway to Rock Quarry Rd, is undergoing upgrades, including shoulder sidewalks and operational improvements at each intersection. Both projects are GDOT-managed. C.W. Matthews has been awarded both contracts, totaling \$42.5 million, with \$3.1 million in local funding allocated for utilities. The expected completion date for construction is *end of November 2026. Utility relocation, storm drain installation, and retaining wall construction are ongoing. Throughout the construction process, temporary lane closures, traffic shifts, and detours may be implemented to ensure the safety of everyone in the area. However, no closures will occur from 6:00 a.m. to 9:30 a.m. and 4:00 p.m. to 6:00 p.m., Monday through Friday.

- **T-266.** The sidewalk project along New Hope Rd between Campbellton Rd and Danforth Rd will include a roundabout at Boat Rock Road. It is 80% funded through the ARC's Last Mile Connectivity Program and 20% funded locally. On March 19, 2024, DAF Concrete, Inc. was awarded the construction contract for \$3,301,268, plus a 10% contingency. NTP was given on November 21, 2024. According to GDOT, the completion date is *July 2026.
- **OSI-624.** Converting Roosevelt Hwy at Washington Rd signalized T-intersection into a single-lane roundabout and other improvements. This is a GDOT-managed project. GDOT issued the NTP to Knight & Associates on November 30, 2023. The construction completion date is by end of 2025. According to GDOT, the total cost is \$6,774,387.63, plus \$684,300 in local funding for utilities.
- **PI0013809.** Bridge Replacement on SR 14/US 29 between Mallory Road and Welcome All Road over CSX Railroad, including sidewalks. The bridge will be constructed adjacent to the existing one to facilitate traffic flow. The project has a total project length of 0.417 miles. CMES, Inc., was awarded the contract for \$17,539,855. The NTP was issued on September 11, 2024, and is scheduled for completion by the end of September 2027.
- **B-502.** Bethsaida Rd over Morning Creek Bridge will be replaced, and sidewalks will be added. The project length is 0.25 miles. GDOT will manage and fund this project under its Local Bridge Replacement Program. A PIOH was held on March 26, 2025. The project let for construction in August 2025, with an anticipated completion by March 2028. The Total cost is \$4,802,428, with the city funding \$50k towards ROW acquisition. Wilson Construction Management, LLC., was awarded the construction contract for \$3,507,428. CHA Consulting was the project engineer (PE). There will be a detour during the bridge construction. Sixteen parcels were acquired.
- **I-285 / I-20 West Interchange Project.** This project is a major initiative by GDOT to reconstruct and widen several system-to-system ramps, add collector-distributor and auxiliary lanes, and build a flyover ramp from I-20 westbound to I-285 southbound. This design aims to improve traffic flow at this busy interchange by addressing existing congestion, safety, and operational issues. The project's expected substantial completion date is around 2030. For the City of South Fulton, residents face lane closures, ramp closures, traffic shifts, and possible detours. GDOT and the city advise motorists to plan ahead and expect delays in the interchange area. Residents are encouraged to check 511ga.org or the GA 511 mobile app for the latest traffic updates. The improved infrastructure will enhance access and mobility for the city with better highway connectivity. GDOT and Legacy Infrastructure Contractors, LLC should manage construction impacts, such as noise and traffic disruptions, and implement community mitigation measures, including noise barriers, signage, and aesthetic improvements, to lessen adverse effects on residential neighborhoods.

- **TSPLOST II Projects (1)**

- **T-271 (B-506).** Fairburn Rd upgrades from Cascade Rd to North Utoy Creek include sidewalks, replacements of the North and South Utoy Creek bridges, addition of turn lanes, and other improvements. SD and C, Inc. was awarded the contract for \$8,454,703.64, with a contingency of \$750,000. The total estimated cost is \$9,723,473. Utility relocation and bridge work are ongoing. The estimated completion date is May 2026.

- **TSPLOST I Projects (3)**

- **OSI-613).** Improvement of the Stonewall Tell Rd at Union Rd intersection, including streetlights, sidewalks, and a roundabout—also, the Old Fairburn Rd at Union Rd intersection improvement **(615)**. Due to proximity, the projects were advertised as a single construction project. The bid closed on September 24, 2024. The estimated cost was \$4.3 million. City Council awarded the contract to Summit Construction & Development. LLC. at the November 12, 2024, City Council meeting for \$3,493,926.51 plus 10% contingency. The NTP was given in January 2025. Construction to be completed by April 30, 2026.
- **SU-700.** Flat Shoals Road Signal Upgrades and fiber communications from Mallory Rd to Old National Hwy design were completed by Jacobs Engineering for \$341,597. ROW phase complete. The city advertised the project for construction on June 13, 2025, and bids closed on July 22, 2025. NGT Group, LLC., was awarded the construction contract at the September 17th, 2025, City Council meeting for \$4,222,270.40 plus a 10% contingency of \$422,227.04 for a total construction award of \$4644,497.44. Construction will begin once the NTP is granted, and construction should take a year to complete.

5. Completed Projects (15)

- **City of Atlanta-funded project (1)**

- **T-283.** A Culvert was replaced at the crossing of Loch Lomond Trail over Kimberly Creek. The City of Atlanta (COA) funded the installation of the culvert due to a COA water main break.

- **Federal/State-funded project *(3)**

- **T-280.** Oakley Road over Broadanax Creek bridge replacement. This GDOT-managed project includes sidewalks on both sides. Williams Contracting Company, LLC has the contract at \$1,992,985.75. The project is funded through ARC's Roadway/ Bridge Upgrade program with a GDOT let. The total cost is \$3,292,985.75 million, with \$50K in local funding. The detour lasted from June to November 2025. The new bridge opened to the public on Friday, November 21, 2025.
- **Stacks FDR.** Full-depth Reclamation of Stacks Rd from Feldwood Rd to 1,000 feet west of Mallory Rd in District 5, with widening, paving, and striping. The project was awarded to Atlanta Paving and Concrete Construction, Inc., in an amount not to exceed \$688,506.90 plus 10% contingency for a total of \$757,357.59. The project closing cost was \$757,352 plus \$44,225 in CEI services. 2020 LMIG State Funds were used to fund this project. The project was completed on September 30, 2024.

- **I-85/I-285 Ramp Resurfacing Project (PI M006489).** GDOT is resurfacing 22 ramps along the I-85/I-285 interchange in Fulton and Clayton Counties to improve pavement quality and enhance safety on these critical travel corridors. This project is especially significant for residents of the City of South Fulton, as it includes ramps in the southwestern quadrant of the interchange near Camp Creek Parkway, Washington Road, and Sullivan Road—key routes for local and regional travel. C.W. Matthews Contracting Co., Inc. was awarded the contract by GDOT for \$20,725,922. Construction is expected to continue through Fall 2025, with most activities taking place overnight between 9 p.m. and 5 a.m., and some occurring during weekends. Travelers should anticipate periodic lane and ramp closures, detours, and occasional noise or lighting during nighttime work. Clearly marked detours will be in place, and GDOT recommends using Old National Highway or Buffington Road as alternate routes. Residents are encouraged to check 511ga.org or the GA 511 mobile app for the latest traffic updates. Once the project is complete, drivers can expect smoother travel surfaces, improved drainage, increased skid resistance, and safer, more durable ramps that enhance South Fulton's connectivity within the metro Atlanta transportation network. The project is substantially complete.

- **TSPLOST I Project (6)**

- **OSI-604.** Improvements to the Campbellton Rd at Stonewall Tell Rd intersection, including sidewalks, turn lanes, four streetlights, and a new traffic signal in Districts 1 and 2. CMC, Inc. was awarded the contract for \$3,174,180. The total is \$3,361,538. Greystone Power activated the signal and turned the streetlights on; a new alignment of Stonewall Tell Road is now in place. The construction part of the project came in under budget at \$2,917,114.04.
- **B-501.** Enon Rd over Camp Creek Tributary bridge replacement and sidewalks in District 1 were approved for construction and awarded to Baldwin Paving Co., Inc. for \$1,814,805.02. NTP was issued on January 24, 2024. The total cost is \$2,137,978.02. A groundbreaking ceremony was held in April 2024, and the ribbon-cutting ceremony was held in February 2025. The new culvert has been installed and is open to traffic.
- **PBI-900.** Sidewalks and streetlights along both sides of Danforth Rd, extending from Cascade Rd to Rehoboth Circle in District 1, are complete. CMC, Inc. has the contract for \$1,394,740. The total cost is \$1,770,551. Project completed on March 26, 2025
- **P-901.** Enon Rd sidewalks, along with streetlights on both sides, from Lynarbor Ln to Sanford J. Jones Blvd in District 2 is complete. AEI was the design firm. The contract was awarded to DAF Concrete, Inc. for \$3,583,350 with a 10% contingency. The total estimated cost is \$4.2 million. NTP was granted on March 28, 2024. A ribbon-cutting ceremony took place on April 17th, 2025.
- **OSI-602.** The Butner Rd at Union Rd intersection improvement project is complete. It includes streetlights, a roundabout to address congestion and reduce the severity of accidents at this intersection, as well as sidewalks and other improvements that impact Districts 2 and 3. SD and C completed construction for \$3,813,696. NTP was issued on January 22, 2024. The total cost was \$4,065,625. A ribbon-cutting ceremony was held on June 18, 2025.

- **OSI-614.** Rivertown Rd at Cedar Grove Rd intersection improvement, including a sidewalk and a roundabout in District 4, is complete. The construction phase was awarded at the October 10, 2023, City Council meeting to CMC, Inc. for \$2,786,641.10. The total cost is \$2,932,191.10. The Ribbon-cutting Ceremony occurred on Thursday, August 7th, 2025.

- **TSPLOST II Project (4)**

- **RC-127.** The Gullatt Rd full-depth reclamation project occurred from the I-85 bridge to McClarin Rd, next to the railroad tracks just before Roosevelt Highway. Gullatt Rd is partially in the City of South Fulton and partially in the City of Fairburn. An IGA was signed between both cities. The City of Fairburn awarded the construction project to Blount Construction. The City of South Fulton was responsible for 50% or \$337,306 of the construction cost (\$674,612) on the Gullatt Rd part of the project. The contractor completed the work within 180 days of the City of Fairburn's NTP on July 8th, 2024. The project was completed on November 15, 2024
- **T-276 (B-503).** Cochran Rd Bridge over Deep Creek replacement project in Districts 2 and 4. BRTU was awarded the contract for \$3,895,677.40 on September 26, 2023. The culvert was installed by the end of 2024, and the total cost, including design, was \$4,171,626.
- **TSPLOST II Resurfacing.** There were 63 resurfacing projects across the city, spanning all seven districts. The 3-phase Resurfacing Contract, which included corridors, subdivisions, and toppings, was approved for ER Snell for \$21,726,739.66. The resurfacing project started in March 2024 and was completed by August 2024. The City Council amended the contract on May 13, 2025, through a project funding adjustment and amendment action, adding \$3,350,211.03 in funding, with a contingency of \$335,021, for a total amended amount of \$3,685,232.13. This action increased the total contract value not to exceed \$25,411,971.79. At the end of May 2025, the contractor was granted an NTP to finish repaving subdivisions from the original 2024 resurfacing list.
- **RS-417.** Full-depth Reclamation (Pavement Rehab) of 11 locations in the Fulton Industrial Blvd area in District 1 for 2.7 miles, and deep base repair was done where needed, along with milling and resurfacing. The project was awarded to Atlanta Paving and Concrete Contractors, Inc., for an amount not to exceed \$2,956,048.40, plus a 10% contingency, for a total of \$3,251,653.24. Within this contracted amount is \$1.84 million in Local Maintenance and Improvement Grant (LMIG) funds. Purchase orders were prepared, and an NTP was granted on November 14, 2024, for East Great Southwest Pkwy and Villanova Dr. The City Council amended the contract through a project funding adjustment and amendment action on May 13, 2025, to add \$585,600 in funding to complete the project. Another NTP was issued at the end of May 2025 for the remaining nine locations: Frederick Ct, Wharton Dr, Indeco Blvd, East Great Southwest Pkwy, Westgate Dr, Bucknell Ct, Villanova Dr, Loyola Dr, Fisk Dr, Greensboro Dr, and Waterfront Dr.

- **Capital Improvement Projects (1)**

- **T-284.** The Kimberly Rd at Cascade Rd intersection improvement projects will include a new traffic signal, repaving, sidewalk upgrades, and intersection striping. DCBC, LLC was awarded the contract for \$621,957.80, plus a 10% contingency for a total award of \$684,153.58. The total project cost, including design, is \$740,553.58. The project is substantially complete.

DEPARTMENT OF PUBLIC WORKS

Antonio M. Valenzuela, Director

Jim Martinez, Deputy Director

INTRODUCTION

The Public Works Department is pleased to release the Project Updates Report for the various divisions- Planning, Capital, TSPLOST, and Engineering, Construction Operations and Maintenance, Traffic Operations & Maintenance, and Solid Waste.

The report is a reference document for all active projects in the City of South Fulton that are in various stages of implementation that include procurement, design, right-of-way acquisition, construction, and maintenance. Also, it outlines other standalone activities/programs, i.e., streetlights, utilities, and traffic calming.

The document is broken into four sections as outlined below:

- SeeClickFix allows residents and business owners to provide City of South Fulton staff with pictures, specific descriptions, and other valuable information needed to get the job done efficiently.
- The Transportation Section contains information related to Construction Operations & Maintenance, Traffic Operations & Maintenance, and Utilities. A summary of the Capital Improvement (CIP) and TSPLOST projects is included; however, the fact sheets are omitted from this report. Instead, the department launched a web-based real time project reporting tool using this [link](#) available on the Public Works homepage.
- The Stormwater Section briefed the reader on the conditions of the infrastructure, and maintenance needs.
- The Solid Waste section updates the reader on the residential collection program in the city.

As 2025 ends, we're proud to reflect on the transportation projects completed this year. Each project represents months of planning, design, collaboration, and community input. Today, these projects and initiatives are making a real difference and result in great benefits to residents across the city. In numbers, the department completed:

- Seven (7) capital projects at a total construction cost of nearly \$18M
- Held groundbreaking ceremonies for three capital projects at a total estimated construction cost of 7.5M
- Maintained 28 miles of gravel roads quarterly and treated with dust abatement
- Swept 133.53 miles of roadway monthly
- Performed repairs of 45 damaged storm drain, replaced 1,158 linear feet of storm pipe, and 9,766 square yards of sidewalks.
- Upgraded 1,014 regulatory signs
- Completed Traffic calming Studies in six subdivisions that include Thaxton Reserve (D2), Pinetree (D7), The Lakes at Cedar Grove (D4), Stonewall Manor (D3), Sierra Estates (D4), and Wilkerson Mill Park (D4).
- Installed 26 Speed tables totaling \$147,972

- Approved a total of 329 permits aimed at improving our utility infrastructure and increasing reliability for citizens in city.
- Installed or approved installation of nearly 400 streetlights throughout the city.
- Installed 9 streetlights at Cedar Grove Rd and Rivertown Rd roundabout.
- Installed 9 streetlights at Butner Rd at Union Rd roundabout.
- Installed 83 pedestrian lights on Danforth Rd, Sidewalk project
- Serviced 40,000 rooftops
- Serviced 23, 162 customers, Collected 3,096 tons of solid waste at the Merk Miles Citizens Convenience Center
- Held 15 community recycling events- diverting 177 tons of materials through recycling

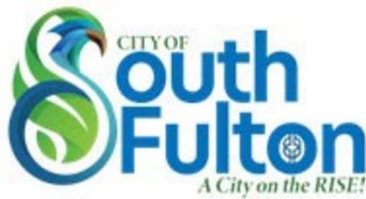

Together, we've taken important steps toward preserving and maintaining our current infrastructure in a state of good repair, meeting expected future growth, better management of the assets of the city, quick delivery of capital projects, friendly customer service, quick response to inquiries, safety, congestion relief, more transportation options, connectivity, and a better quality of life.

In 2026 and beyond, we look forward to building on this momentum and continuing to deliver projects that move our city forward.

The City of South Fulton (COSF) 311 platform provides City officials with a centralized issue management system to manage issues from creation to resolution, engaging City of South Fulton residents throughout the process. The COSF mobile app and web tools enable residents and business owners to provide City of South Fulton staff with pictures, detailed descriptions, and other valuable information necessary to complete the job efficiently. Additionally, residents can obtain information about city services or report non-emergency incidents by calling the city's **24-hour 311 Call Center at (470) 552-4311**.

Capital/TSPLOST

CAPITAL AND T-SPLOST TRANSPORTATION UPDATES

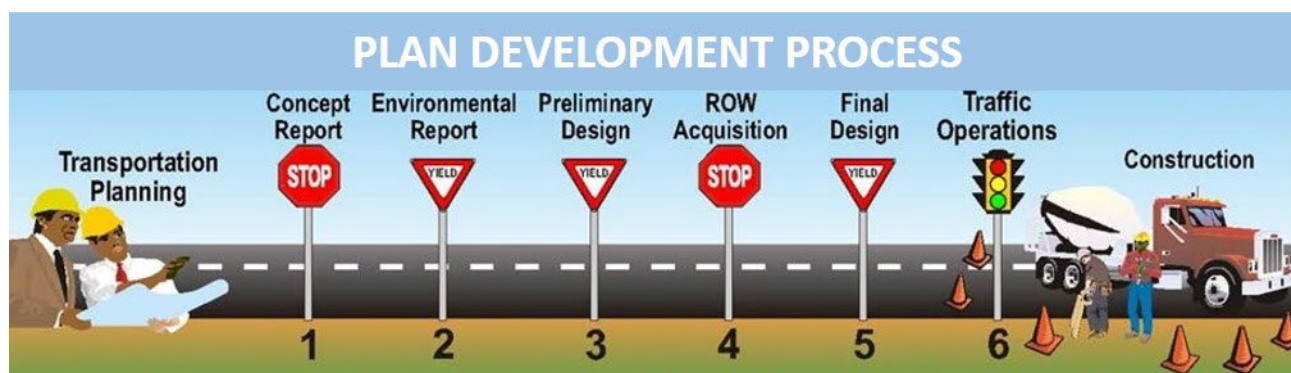

The City of South Fulton has a Capital and TSPLOST Program for implementing design projects that have been identified by City staff and stakeholders as a priority. Funding comes from the General Fund, TSPLOST sales tax collections and some Federal money.

TSPLOST-I tax collections started on April 1, 2017, and ended on March 31, 2022. TSPLOST-II tax collections started on April 1, 2022, and will end in March 2027. TSPLOST-I projects are being prioritized for completion, and all TSPLOST-II projects are in the concept or preliminary design stage.

The delivery of projects is centered around GDOT's Plan Development Process (PDP). This process typically consists of the four major phases: Design, Environmental Clearance, Right-of-Way (Services and Acquisition) and Construction (including CEI). Additional details of these phases are depicted below, which detail the project development process utilized by Public Works.

The plan development process, start to finish, is illustrated below:

TSPLOST I: Projects moving toward Construction

- OSI-617 – Welcome All at Jaillette Road – Utility certification is complete. The ITB is being prepared for advertising ITB.
- B-500/OSI-601 Butner Road at Camp Creek (bridge replacement and intersection improvement) – Final plans complete, utility coordination and ROW acquisition continue in advance of advertisement in early 2026.

Projects in Right-of-Way (ROW) Acquisition

- OSI-616 – Jones Road at Pittman Road/Stonewall Tell Road (TSPLOST-I) – Continuing in ROW Acquisition and final utility coordination before advertisement.
- OSI-618 – Welcome All Road at Scarborough Road/Jailette Road (TSPLOST-I) – Continuing in ROW Acquisition and final utility coordination before advertisement.
- B-504– Demooney over Deep Creek (Design/T-SPLOST-II Construction) – Continuing in ROW Acquisition before advertisement.
- OSI 607 – Demooney Road at West Stubbs Road (TSPLOST-I) – Continuing in ROW Acquisition before advertisement.
- OSI 608 – Enon Road at Stonewall Tell Road (TSPLOST-I Design/T-SPLOST-II Construction) – Continuing in ROW Acquisition before advertisement.

TSPLOST II: Projects in concept/design

Intersection Improvement projects

- OSI-620 – Aldredge Road and Merk Road – Preliminary plans have been reviewed. A field plan review is scheduled for January 2026.
- OSI-629 – Ono Road/Hobgood Road at Rivertown Road – Preliminary plans have been submitted. A field plan review is scheduled for January 2026.
- OSI-631 – Union Road and Thames Road – Preliminary plans have been submitted. A field plan review scheduled for January 2026.
- OSI 600 – Bethsaida Road at Creel/West Roads – Preliminary plans being finalized for review.
- OSI 622 – Bethlehem Road at Cedar Grove Road – Preliminary design is underway.
- OSI 623 – Butner Road at Aldredge Road – Concept in further revision.
- OSI 628 – Old Fairburn Road at Thaxton Road – Additional Public Meeting being scheduled for early 2026.

Sidewalk projects

- P-914 – Union Road – Preliminary design is underway.
- P 902 – Bethsaida Road – Preliminary plans being finalized.
- P 903 – Cascade Road – Continuing in the concept development phase.
- P 908 – Flat Shoals Road – Continuing in the concept development phase.
- P 910 – Jerome Road – Continuing in the concept development phase.
- P 906 – Welcome All Road – Survey field work started December 2025, concept to start after survey database is complete.
- P 911 – Merk Road – Survey field work to start following Welcome All Road, concept to start after survey database is complete.

Bridge/Culvert Replacement projects

- T-288 – Stacks Road over CSX RR – Continuing work on preliminary design before a field plan review is scheduled.
- B-505 – Derrick Road over Deep Creek Tributary – Preliminary design is underway.
- B-508 – Koweta Road over Deep Creek – Preliminary design is underway.

- B-599 – Oglesby Road over Morning Creek Tributary – Project is in fast design phase. The project is being accelerated for an emergency quick response.

Federally Funded Projects

- T-265 – Old National Highway Sidewalks – Construction contract awarded to SD&C, Notice to Proceed expected to be issued in January 2026.
- T-266 – New Hope Road Sidewalks – Construction is ongoing.
- T-277 – Cochran Road over Camp Creek (Bridge) – Construction is ongoing.

Gravel Road projects

- RG 160 – Jones Road – Preliminary design ongoing.
- RG 161 – Hall Road – Preliminary design ongoing.
- RG 162 – Rocky Head Road – Preliminary design ongoing.
- RG 163 – Thames Road – Preliminary design ongoing.
- RG 164 – Oxford Road – Preliminary design ongoing.

Bridge Repairs and Maintenance – Work is nearing completion on three bridges from the 2021 GDOT bridge repair set. Two of these (Mallory and Cascade) are in coordination with the CSX railroad before repairs can be completed. One bridge (Burdett) will require a partial wing wall repair, repairs recommended for ITB. All 2023 GDOT bridge work is complete.

GDOT Projects within South Fulton

- PI0011845/OSI-624: SR 14 at Washington Road Roundabout construction continues with traffic staging/roadway work with a projected completion in early 2026.
- PI0013948 & PI0013939/T-272 & T-273: Buffington Road Projects – Under construction. Projected completion in the fall of 2026.
- PI0016605/B-502: Bethsaida Rd (CR 581) over Morning Creek – GDOT contractor mobilized and started with Clearing and Grabbing activities.
- PI0015593/T-285: SR 92 @ Butner Rd/Ridge Rd Roundabout – Under construction, scheduled completion Fall 2027
- PI0017398/OSI-605: SR 92 @ Jones Road/Demooney Road Roundabout – Project is currently behind schedule due to ENV document.
- PI0019647: FIB and Westpark – Median conversion and R-CUT – Preliminary plans have been completed. A PIOH Meeting is pending.
- PI0019841: SR 138 at Bethsaida Road Roundabout – Project behind schedule by 6 months due to lack of safety funds.
- PI0013809: SR 14 / US 29 @ CSX Bridge Replacement – Construction coordination with CSX for operations continues. Forecasted completion Sept 2027.
- PI0013724: SR 279 starting at Jolly Road to Sullivan Road – Construction of raised medians continue. Forecasted completion Jan 2026.

Scope of Work Performed This Month

Work items performed between the monthly report dates detailed above:

- * Stage 1 road closure of Union Rd in effect. The detour route follows Butner Road to Pittman Road SW to Stonewall Tell Road to navigate the closure.
- * Atlanta Gas Light utility relocations.
- * Mobilization of additional equipment to assist with the breaking up and removal of rock in the existing subgrade
- * City of Atlanta water main found to be in conflict with proposed roadway elevation on Union Rd SW. Conflict resolution currently being designed by City of Atlanta Department of Watershed.

Progress and Schedule

The Physical Project Status is 47% completed as of the period ending date above.

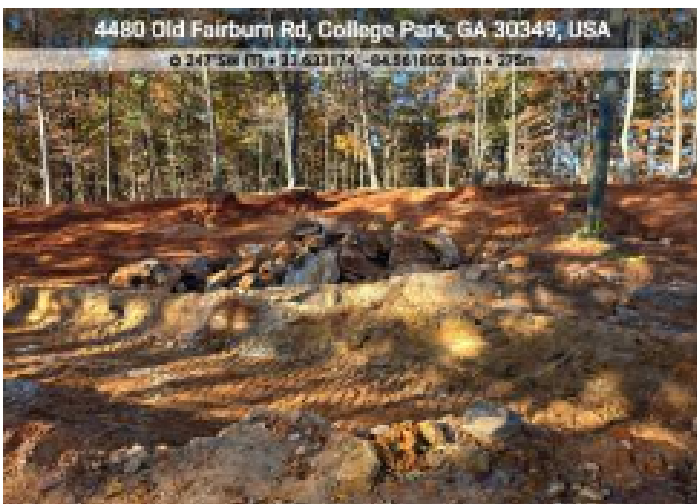

The targeted Project Schedule Status was predicted to be 75% as of the period ending date above.

Scope of Work Planned For Next Month

- * Utility relocations for Atlanta Gas Light and Greystone Power
- * Construction of the roundabout at Union Rd and Old Fairburn Rd intersection. Stage 1 will still utilize the existing Old Fairburn Rd tie in at Union Rd.
- * Removing encountered rock within existing subgrade to reach the proposed grade for the roadway.
- * Stage 1 storm drainage pipe and structure installation

Scope of Work Performed This Month

Work items performed between the monthly report dates detailed above:

- * Processing of City of Atlanta sidewalk and lane closure permits for the City of Atlanta section of the project
- * Placing of erosion control matting, grass seed, and mulch on disturbed areas throughout project

Progress and Schedule

The Physical Project Status is 70% completed as of the period ending date above.

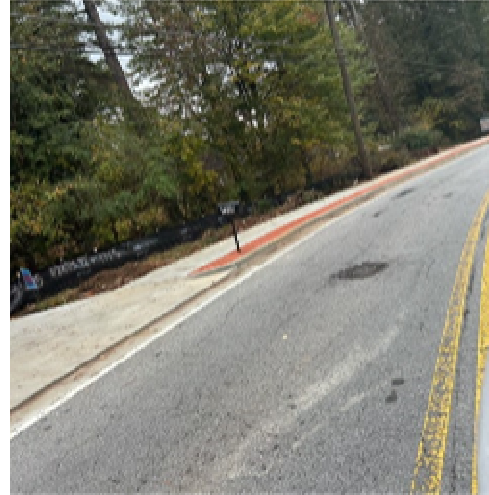

The targeted Project Schedule Status was predicted to be 88% as of the period ending date above.

Scope of Work Planned For Next Month

- * Curb and gutter, sidewalk, and stamped concrete installation in the City of Atlanta section
- * Storm drainage installation in the City of Atlanta section of the project
- * Utility relocation
- * Grading, grassing, and cleanup throughout project
- * Clearing of trees throughout project

Scope of Work Performed This Month

Work items performed between the monthly report dates detailed above:

- * SD&C poured sidewalk and curb and gutter around station 145+20 Fairburn and 51+50 Cascade Rd
- * Installed median 147+50 Fairburn
- * T&J installed pushed 110 ft of 30 in pipe through 48in casing @ S Utoy Creek for bore 1
- * Triple R milled and pave Fairburn Rd @ Cascade Rd between station 140+07 to 147
- +00 Reedwick worked on new signals activation on Cascade Rd and Fairburn Rd

Progress and Schedule

- * The Physical Project Status is **48%** completed as of the period ending date above.
- * The targeted Project Schedule Status was predicted to be **48%** as of the period ending date above. Project delays have been related to utility delays involving relocating GA Power poles. GA Power to complete easement acquisition at bridge.
- * Install median color concrete stamp placed, median islands, curb & gutter at intersection installed, asphalt paving at intersection for new turn lanes and traffic signals work at the intersection for new lights.

Next Tasks Up

- Complete 2nd Jack and Bore of waterline at culvert
- Complete median at Publix driveway
- Pour median at Fairburn Rd intersections
- Pavement of remaining intersection

Scope of Work Performed This Month

Work items performed between the monthly report dates detailed above:

- Demo of existing bridge 100% complete
- Vibration Monitoring
- Submitted EC-1 reports and dailies for rain fall amounts
- Laid Mulch for erosion control
- Drilling began on 16 Dec and drilled 6 pilot holes for bent 1
- Steel delivery for Bent 2 Caissons 9 Dec
- Foley pipes delivered 18 Dec
- Test Piles delivery 19 Dec

Progress and Schedule

- Drilling sub-contractor started late but we will still be ok on schedule
- Christmas break 22 Dec – 5 Jan
- Possible delay if WEAP Report is not approved

[illegible]

Next Tasks Up- 8 Week Look ahead

- Continue Drilling Caissons and Pilot Holes
- Work on Bent 2
- Drive Piles 2 test piles
- Temp Grassing

MONTHLY PROGRESS REPORT
FIB FDR - ITB #24-16

MONTHLY PROGRESS REPORT
FIB FDR - ITB #24-16

Construction Operations & Maintenance

Right of Way Maintenance is required to provide safe and multi-use roadsides. A well-maintained right of way promotes a positive quality of life and is integral to the other functions such as utility installations, vehicle emergencies and sign placements. Right of way Maintenance serves to maintain a safe zone adjacent to the road pavement, improves drainage of stormwater from the road surface, and creates an attractive vista along road corridors. Accomplishments this month include:

Number of Potholes Repaired: 15

SeeClickFix	Category	Location
20494702	Pothole	1645 Reynolds Rd SW
20518301	Pothole	3456-3460 Enon Rd

Traffic Engineering, Operations & Maintenance

City of South Fulton Public Works Department

TRAFFIC OPERATIONS

The Traffic Operations Crew is on constant patrol in the City of South Fulton to ensure that all signs and signals are clear to see and work properly. This consists of approximately 35,000 static signs, 69 Traffic Signals, 14 Traffic Beacons, 40 School Flashers and numerous Solar Flashing signs.

The following is what each category is used for and what they represent.

- **Sign – Other Sign Down/Missing** is used for missing signs, installing new signs, replacing or upgrading signs. If there are other signs on that post, the crew will clean them.
- **Sign – Preventative Maintenance** is used for the cleaning and straightening of signs.
- **Sign - Stop/Yield Sign Down/Missing** is used for responding to or finding STOP signs or YIELD signs that have been knocked down or are missing. This category is responded to as an emergency.
- **Signal - In Flash or Dark** is used to let us know that the traffic signal is flashing all RED lights, or no lights are visible. This category is responded to as an emergency.
- **Signal - Other Issues** is used to let us know if there are any other problems with the Traffic Signal; this can include a LED bulb not working, if the crosswalk is being problematic, or the signal not changing.

This month, the Traffic Operations Department acquired 200 new requests and closed 198.

The following are 198 SeeClickFix items, along with Categories that Traffic Operations **responded to and completed** this past month.

Examples of work completed this past month are highlighted in Exhibit A.

TRAFFIC OPERATIONS

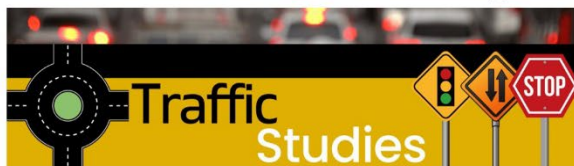

CLEANING SIGNS THROUGHOUT THE CITY

REPAIRING SIGNS

Traffic studies are conducted based on the evaluation of day-to-day traffic concerns and also considering requests from the residents in the City of South Fulton. Recommendations are made for the installation of traffic control and traffic calming devices. Types of traffic studies include All-Way Stop Warrant Studies, Traffic Signal Warrant Studies, and Traffic Calming Studies. These studies follow the federal Manual on Uniform Traffic Control Devices (MUTCD) standards and Georgia Department of Transportation (GDOT) standards. The goal of these studies is to improve the mobility, safety, and capacity of the city's infrastructure.

Traffic Studies completed – December 2025

Feldwood Road Corridor Study (Roosevelt Highway to Flat Shoals Road)

The Department completed a corridor study of Feldwood Road from Roosevelt Highway to Flat Shoals Road to evaluate capacity, operations, and safety under both existing and future conditions. Based on the results, traffic signal improvements are recommended along the corridor at Flat Shoals Road, Roosevelt Highway, and Royal South Parkway.

Stormwater

December 2025

I. Stormwater Operations & Maintenance Report

Overview

Structural repairs to all **storm inlets in Walden Park subdivision and pipe repairs on Bluestone Drive** are in progress. Staff evaluated and identified **13 high priority storm system repairs, including one emergency storm pipe repair** to restore drainage capacity and reduce localized flooding risks. Site evaluations were focused in District 4, with the pipe repair project identified in District 1. Recommended work orders focus primarily on structural repairs due to damage from vehicle traffic, sediment/debris removal, curb/gutter repairs, and one culvert repair with a scope of work including headwall replacement, 72" corrugated metal pipe point repairs, debris removal and trenchless repair to the pipes via spray on geopolymer to the stormline. **The estimated project cost for all 13 projects, based on current contractor's unit price contracts, is approximately \$380,000.** Repairs are projected to begin upon completion of Walden Park and Cedar Grove subdivision repairs (see sidewalk summary below).

Street Name	Subdivision	District	Work Orders	#Structures	LENGTH (FT)	COST (\$)
VILLAGE DR	N/A	1	1	1	153	\$350,000.00
Ann Arbor Dr	BIG CREEK	2	1	1		\$2,500.00
CHERIE LN	N/A	2	2	2		\$5,000.00
Renaissance Cir	Walden Park	2	1	1		\$2,500.00

Applemist Dr	Lakes at Cedar Grove	4	1	1		\$2,500.00
Park Close	Lakes at Cedar Grove	4	1	1		\$2,500.00
The Lakes Dr	Lakes at Cedar Grove	4	1	1		\$2,500.00
Waterlace Dr	Lakes at Cedar Grove	4	1	1		\$2,500.00
Yarbrough Dr	Lakes at Cedar Grove	4	1	1		\$2,500.00
Lorrimont Ln	Lexington Park	4	1	1		\$2,500.00
Old Arch Ln	Lexington Park	4	1	1		\$2,500.00
		TOTAL	13	13	153	\$380,000.00

(from left to right) storm Inlets 1. damaged by vehicle traffic
2. Triple 72-inch culvert with failing headwall and debris

Production & Cost Summary

- Scope & cost: 13 storm-repair projects identified; **total estimated cost \$380,000**
- **District 1 – 1 culvert, \$350,000**; District 4 – 8 structures, \$20,000; District 2 – 4 structures, \$10,000

Next Steps

- Continue on-site evaluation and prioritization of CCTV/cleaning and top-slab replacement of high priority structures per Storm-Sidewalk Action Plan for FY 2025-26.
 - Continue repairs of damaged storm repairs in Walden Park subdivision
 - Complete pipe repairs on Bluestone Drive.
 - Conduct engineering analysis, secure estimates, mobilize on debris removal, sinkhole repairs, and resetting of curb inlets for Village Drive culvert.
-

II. Sidewalk Operations and Maintenance Report

Overview

Concrete sidewalk evaluation and hazard abatement is in progress for **District 4** to eliminate trip hazards and improve ADA compliance. Staff evaluated and identified **206 high priority sidewalk repairs in Districts 2 and 4**. Project scope is focused on larger continuous runs to maximize linear production and crew efficiency. Panels will be replaced to remove vertical displacements and surface failures; cross-slope and landing areas were field-checked to align with ADA intent. Control/expansion joints and finish quality were verified during acceptance.

Production & Cost Summary

- **Estimated Total Length:** 3,011 LF
- **Estimated Concrete Placed:** 1,363 SY
- **Estimated Total Expenditure (sidewalks):** \$122,640.00

Street Name	Subdivision	District	Work Orders	LENGTH (FT)	AREA (SQ-YD)	TOTAL COST

District Summary (Costs)

- **District 2:** \$21,760.00 (538 LF)
- **District 4:** \$100,880.00 (2,473 LF)

Notable Locations & Quantities

- **The Lakes Dr:** 400 LF, 177.8 SY — \$16,000
- **Waterlace Drive:** 159.6 LF, 359 SY — \$14,360.00
- **Stillmist Dr:** 128 LF, 288 SY — \$11,520.00

Next Steps

- Continue repairs in Walden Park subdivision. Mobilize to Cedar Grove subdivision upon completion.

Pending Sidewalk repairs (District 4)

Streetlights

STREETLIGHTS

The Streetlight Program was established to address the need for adequate illumination of public streets or roadways within the City of South Fulton. The goal is to aid in the safety and systematic movement of vehicular traffic within the public travel roadway. Lighting on roadways is not provided for personal security, such as lighting of yards, driveways, or private property. In-house staff assesses requests from residents, conducts field visits and works with power companies to address inquiries about new lights, repairs, and upgrades.

Last year, Mayor and Council approved a resolution adopting the Streetlight Masterplan. The masterplan provides options for street and pedestrian light poles, styles, spacing, lighting technology and control, and appropriate lighting levels for various locations such as state roads, arterials minor residential streets, major street corridors including those with existing and proposed bike lanes, controlled intersections, roundabouts, uncontrolled pedestrian crossings, transit station street areas, and parks.

Additionally, the city is looking at various alternatives to upgrade the infrastructure, including solar lights. The city has spoken with a vendor with good experience in providing high-quality solar lighting solutions. Two TSPLOST projects where the city has investigated the possibility of solar lighting are the:

- 1.5-mile recently completed Enon Road Sidewalks.

The feasibility study looked at the lighting requirements; analyzed the last 10 years of local weather data to determine how much energy is needed; calculated what size and how many fixtures to install; and lastly developed a cost estimate for the project. Based on the photometrics, the corridor would need (107) 4000K-LED 14-foot-high solar fixtures, spaced 100 feet apart, with a 624-Watt battery capacity. Materials, installation, and shipping are quoted at \$475,363. Staff are working with Greystone to obtain a quote for comparison purposes. Upon receipt, staff will advise on the recommended technology.

- 1.75-mile long New Hope Road Sidewalks-Staff received a quote from Georgia Power to install (246) 101-Watt LED Post Top Fixtures. The lighting services agreements outline two payment options:

1. No pre-payment and a monthly cost of \$24,998.68
2. A pre-payment of \$1,300,000 with a monthly cost of \$8,381.33

The department decided to move forward with the pre-payment plan and is in the process of fully executing an agreement with the power company

Lastly, the department is developing a priority list to install and/or upgrade streetlights on all corridors with proposed and existing sidewalks, State routes, and intersections. All sidewalk projects will also include pedestrian lights. Upon completion, staff will meet with the power companies to draft an implementation plan that will include costs and schedules.

Requests for streetlights- new and upgrades- received to date are detailed in Exhibit A.

STREETLIGHT INQUIRY/APPROVED LOG

YEAR TO DATE

EXHIBIT A

Date	Request type/ Description	Location/	Number of lights	Upfront Cost	Monthly Cost to City	To Be funded from	Note
	Install (13) 120W LED lights	Camp Drive	13		\$677.56

RWEP(25)-355	4140 Stacks Rd	Comcast is to over lash 327' new 24ct fiber to existing GPC pole within the ROW of Stacks Rd to provide service to 4140 Stacks Rd.	Hasn't Started

Solid Waste

Solid Waste Group Purpose and Responsibilities

The City of South Fulton Solid Waste Group is committed to overseeing and regulating all solid waste services within the city limits. These services include residential solid waste collection, bulk item pickup, commercial services, convenience can management, and community engagement and education.

Residential Services

Requests for Service

Residential services include weekly garbage collection and monthly bulk pickup. In December, service requests remained flat and continued to decrease for extra cart requests. As the year is coming to an end. Bulk service requests also lower but around all-time highs for requests.

Requests for Service				YTD
Item	Oct	Nov	Dec	
Back Door Service	6	5	2	95
Extra Cart Request	37	39	27	500
New Construction-Add New Service	59	56	48	569
Bulk Scheduled Service Requests	324	327	211	3,482
Totals	426	427	288	4,646

Source: TracEZ

Service Complaints

Complaints remained flat or lower: In December, complaints started to decline following the holidays. Leaving Missed Curbside becoming lower than the past 2 months along with damaged carts as Solid Waste resolve complaints in a quick response with Waste Pro. Please see table on complaints.

Service Complaints				
Item	Oct	Nov	Dec	YTD
Missed Bulk	14	7	5	72
Damaged Cart - Repair or Replace	79	56	35	556
Missed Curbside Garbage	140	166	130	1,902
Waste Administration - Spills / Litter	1	2	1	20
Totals	234	231	171	2,550

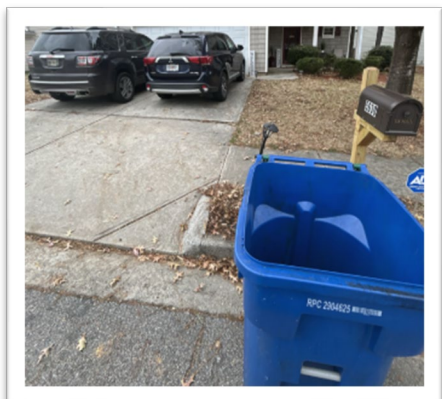

Source: TracEZ

Deliveries and Maintenance

In December, new construction home setups raised to 48, reflecting a growth in residential service expansion. Cart replacements increased to 22 after dropping in November, while cart repairs remained at 35. Convenience can service and recycling container service remained stable, continuing to provide reliable support for citywide waste management.

Services Performed by the Solid Waste Team				
Item	Oct	Nov	Dec	YTD
New Construction Homes	40	29	48	544
Replaced Carts	28	13	22	462
Repaired Carts	49	35	35	504
Convenience Can Servicing	128	158	158	1,246
Recycling Container Service	12	36	36	96
Totals	257	271		

Source: Solid Waste Staff

Before and after photos are taken for each service request to document repairs made in the field.

Merk Miles Citizens Convenience Center

The City of South Fulton operates the Merk Miles Citizens Convenience Center through a third-party vendor. This facility accepts Municipal Solid Waste (MSW), Construction Debris (C&D) and recycling. Data is reported through November 2025. The total number of vehicles serviced remains flat but the amount per weight per vehicle continues to grow. Events and Activities

Merk Miles Recycling & Municipal Solid Waste Activity				
Recycling Activities	Sep	Oct	Nov	YTD
Total Number of Recyclers	761	697	696	8,664
Recycling Collected (Tons)	10	7	11	180
MSW Collection Activities				
	Sep	Oct	Nov	YTD
Total Number of Vehicles Serviced	1,986	1,831	1,826	21,972
Total Solid Waste Collected (Tons)	261.78	224.95	274.01	2,793

December Community Engagement & Education

Looking ahead, the team will participate in upcoming events, including the **District 2 Recycling and Shredding Event on December 20th at Welcome All Park.**

CITY OF SOUTH FULTON

2026 LEGISLATIVE AGENDA

DECEMBER 12, 2025

LEGISLATIVE AGENDA ITEMS

- I. Development Authority Independence
- II. Establish South Fulton Senate Delegation
- III. Squatters Loophole Legislative Fix
- IV. Recidivism Resources for the City
- V. Trucking Restrictions
- VI. Camelot Crisis – State of Emergency
- VII. Charter Amendment – City Judges to be Full Time
- VIII. Charter Amendment – Mayor Pro-Tem Salary
- IX. Charter Amendment – Clarification of Roles
- X. Charter Amendment – Powers of the City Manager
- XI. Constitutional Amendment – Hospital Definition
- XII. Strengthen Candidate Residency Requirements

ISSUES TO CLOSELY MONITOR

- XIII. Municipal Deannexation

I. DEVELOPMENT AUTHORITY INDEPENDENCE

Mirror north Fulton County cities legislation giving the City of South Fulton Development Authority its own autonomy, no longer being subject to the rules and regulation of Fulton County's Development Authority.

II. ESTABLISH SOUTH FULTON SENATE DELEGATION

Establish an official City of South Fulton Senate Delegation. Currently, members of the Georgia Senate who represent South Fulton do not have an official Legislative Delegation.

III. SQUATTERS LOOPHOLE LEGISLATIVE FIX

Fix potential loophole that if multiple squatters are residing in single property and law enforcement cites two squatters, but there are in fact four squatters, after three days and failing to produce sufficient documentation, the authorities are not able to legally remove those squatters who were never cited three days earlier, and for other purposes.

IV. RECIDIVISM RESOURCES FOR THE CITY

This is an appropriations request to the House and Senate Appropriations Committees asking the State of Georgia to partner with the City of South Fulton on additional funding resources to assist in the area of recidivism within our City.

V. TRUCKING RESTRICTIONS

The purpose of this legislation is to repeal state law that a county has to approve restricting a truck route on a municipal road.

VI. CAMELOT CRISIS – STATE OF EMERGENCY

This is an appropriations request to the House and Senate Appropriations Committees asking the State of Georgia to partner with the City of South Fulton on additional funding resources to assist in the area of an out of control property, ownership, tenants, squatters, and war zone living conditions, including the declaration of a state of emergency.

VII. CHARTER AMENDMENT – CITY JUDGES TO BE FULL TIME

Amend the city charter by making all judges in the City of South Fulton full time positions.

VIII. CHARTER AMENDMENT – MAYOR PRO-TEM SALARY

Amend the city charter by increasing the salary of the Mayor Pro-Tem by \$5,000 dollars.

IX. CHARTER AMENDMENT – CLARIFICATION OF ROLES

Amend the city charter to clarify that the Mayor is Chief Executive Officer and City Manager is Chief Administrative Officer.

X. CHARTER AMENDMENT – POWERS OF THE CITY MANAGER

Amend the city charter increasing City Council administrative powers and removing some administrative powers from the authority of the City Manager.

XI. CONSTITUTIONAL AMENDMENT – HOSPITAL DEFINITION

Under the section of the Georgia Code pertaining to election laws, amend the definition of 'hospital' to include rehabilitation centers, urgent care clinics, and medical overnight facilities.

XII. STRENGTHEN CANDIDATE RESIDENCY REQUIREMENTS

Introduce legislation aimed to strengthen residency requirements for candidates seeking to run for public or elected office.

XIII. MUNICIPAL DEANNEXATION

Closely identify, monitor and report all legislation relating to municipal annexation of territory, and municipal deannexation that would be harmful, detrimental and negatively impact the City of South Fulton.
