Public Works – Transportation Report	48

Greetings, Honorable Mayor and City Council Members,

February is recognized as Black History Month, honoring the lasting contributions and achievements of African Americans throughout our nation's history. This month also includes the observance of Presidents' Day, American Heart Month, and National Cancer Prevention Month, emphasizing the importance of heart health, preventive care, and overall wellness.

In the spirit of engagement and team connection, the recent professional caricature trend offered a creative, lighthearted way to showcase departmental identity. Participating in this effort added a unique and engaging element to this month's report and promoted team spirit, pride, and a little fun!

This month has several highlights that reflect our continued commitment to service, collaboration, and community engagement.

On February 3rd, the Parks and Recreation Department hosted the Workforce Academy Roofing Inaugural Graduation, celebrating the successful completion of its first seven-week cohort. This impactful program was designed to provide workforce development opportunities for individuals ages 17 to 28, equipping participants with practical skills and pathways to sustainable employment. We commend the department for launching this important initiative and investing in the future of our young residents.

Department staff welcomed District 2 Councilman Johnson through a series of departmental briefings designed to introduce team members, explain operational functions, and foster meaningful discussion on key priorities. These engagements promote transparency, strengthen cross-departmental understanding, and foster alignment among City leadership.

The City Manager's Office hosted a brunch meeting with Mayor Gumbs and department leaders. During the session, the mayor outlined her expectations for progress, encouraged open dialogue, and emphasized a collaborative approach to improve teamwork and organizational efficiency. Staff had the opportunity to ask questions and engage directly, which was both productive and motivating.

Thank you, Mayor Gumbs, for organizing an employee appreciation event for our wonderful city staff. This act of gratitude highlights our mutual commitment to honoring and celebrating the hard work of our employees.

On February 5th, I attended the District 4 Town Hall Meeting, provided departmental updates, and discussed progress and next steps for the Welcome Center. Community engagement remains a priority, and we will continue to ensure residents are informed and involved.

The City of South Fulton was well-represented at the South Metro Development Outlook Conference (SMDO), a premier forum focused on regional growth and economic development. I was honored to moderate a discussion on the upcoming FIFA World Cup 2026™, exploring its expected economic impact, infrastructure readiness, and opportunities for community involvement across the South Metro region.

I also had the opportunity to briefly attend Mayor Gumbs' "One Heart Beat Senior Valentine's Sweetheart Day Party." The event was lively, filled with fellowship and joy, highlighting the strong community spirit and appreciation we have for our senior residents.

Additionally, it was a pleasure to host U.S. Congresswoman Lucy McBath and her team for a meeting with the Mayor and Council to discuss key legislative priorities and strategic initiatives vital to the ongoing growth and success of the City.

At the Aerotropolis South Fulton Broker's Reception, hosted by the Aerotropolis Atlanta Alliance, I delivered opening remarks. The event highlighted key development sites in the South Fulton Region and investment opportunities for neighboring cities, promoting meaningful discussions.

I am pleased to report that the City of South Fulton Solid Waste Division has received a Trash Trap Grant of \$195,500 from Georgia Rivers, an organization dedicated to protecting and connecting people with Georgia rivers. The grant will fund the purchase and installation of six (6) trash traps in priority tributaries to the Chattahoochee River within the city's jurisdiction, capturing and removing waste before it reaches the waterways. I also attended the South Fulton Fire Recruit Graduation for the Class of 2025-1, and the State of Fulton County hosted by the Council for Quality Growth.

On Friday, February 27, I attended the Georgia Power Municipal Franchise Fee Reception, where the City was officially presented with a franchise fee check for \$3.8 million. This annual partnership demonstrates our ongoing collaboration and the tangible benefits it offers to the City and our residents.

The City reached a milestone with the demolition of Building 9 at Camelot – a move toward improving living conditions for residents and a first step toward future redevelopment. The following day, the Knights Inn at Fulton Industrial and I-20 was demolished by Fulton County to eliminate blight and make way for future redevelopment.

In celebration of Black History Month, our Public Affairs and Cultural Affairs teams gathered staff for a meaningful event to honor the depth and beauty of the contributions made by many. We concluded the observance with a special program for all employees featuring live performances that showcased musical traditions and highlighted the lasting impact of African Americans. The program ended with a debut performance by the Mayor and Council, the executive leadership team, and staff — all coming together in a fun, unified way.

Mayor and Council, thank you for your continued support and for trusting us to manage the city's affairs. Please accept this report as a summary of the city's successful outcomes for February 2026.

Sharon D. Subadan, ICMA-CM, MPS, CPM
City Manager

NOTES:

General Fund Summary Revenues:

Property Taxes collected in January 2026 were \$59.143 million (94% of the \$62.92 million FY2026 budget) compared to \$56.231 million (92% of the \$60.989 million FY2025 budget) in the prior fiscal year for the same period.

Motor Vehicle Title Ad Valorem Tax (TAVT) revenue collected was \$1.091 million (31% of the \$3.5 million FY2026 budget) compared to \$1.057 million (28% of the \$3.7 million FY2025 budget).

Franchise Tax revenue collected as of January 2026 was \$2.663 million (32% of the \$8.288 million FY2026 budget) compared to \$2.743 million (36% of the \$7.7 million FY2025 budget) for the same period in the previous fiscal year.

Local Option Sales Taxes (LOST) collected as of January 2026 were \$13.733 million (36% of the \$37.88 million FY2026 budget) compared to \$12.607 million (33% of the \$37.682 million FY2025 budget). The rolling twelve-month comparison as of January was up by \$916 thousand at \$37.657 million, compared to \$36.741 million for the same twelve months in the prior year.

Business and Occupation License revenues as of January 2026 were \$399,346 (6% of the \$6.38 million FY2026 budget), down by -\$198,983 (-33%) from \$598,329 compared to January 2025. We receive the bulk of revenue for this category during the renewal period from January through May.

Insurance Premium Taxes posted as of January 2026 were \$11.765 million (\$1.265 million or 12% over the \$10.5 million FY2026 budget), also exceeding the \$10,308,814 recorded for FY2025.

Other Taxes collected as of January 2026 were \$591,486 (46% of \$1.276 million budget), down slightly by -\$14,633 (or -2.4%) from \$606,149 for the same period in the prior fiscal year.

License and Permit revenues collected as of January 2026 were \$791,465 (16% of the \$4.822 million FY2026 budget), down -\$1.325 million (or -63%) compared to \$2.116 million in the prior year. The budget for this category was increased by \$530,500 (or 12%) to \$4,821,800, up from \$4,291,250 in the FY2025 budget.

Intergovernmental Agreements (IGA's – Fire Services)

The city has two intergovernmental agreements for fire services, one with Fulton County and one with the City of Atlanta (mutual aid). The budget for this category is \$1.2 million.

NOTES – Continued

Charges for Services revenues collected as of January 2026 were \$374,414 (32% of the \$1.167 million FY2026 budget). Revenue was up by \$113,188 or 43% compared to \$261,226 for the same period in the prior fiscal year.

Fines and Forfeitures: The FY2026 budget remained unchanged at \$1.3 million. Collections are being deposited into the designated Municipal Court bank account. Transactions are accounted for in the Municipal Courts Fund (a custodial fund-type). The January disbursement reports show \$862,024 pending disbursement to the General Fund. This is up by \$432,863 (or 101%) from \$429,161 last January. The current rolling twelve-month average is trending at \$2.027 million for the current fiscal year.

Investment Earnings / Income revenues were \$1.090 million (21% of the \$5.2 million FY2026 budget). Earnings were down by -\$501 thousand (-31.5%) compared to \$1.591 million in the prior year. This line includes \$2,700 in donations, \$56,600 from Gain on Sale of Assets, and \$219,380 in Miscellaneous Revenue.

Hotel Motel Tax: The city increased its estimated FY2026 revenue by \$120,959 (21%) to \$702,959, up from \$582,000 in the prior year. Revenues are received, calculated, accrued, and recorded monthly in the Hotel Motel Tax Fund. The transfers to the General Fund are calculated and posted at the end of the fiscal year.

The Budgeted Use of Reserves is an estimate for FY2026 restricted for one-time purchases. We will monitor capital outlay spending trends. The amount will be adjusted up or down at the close of FY2026, in conjunction with the financial closing process.

Rolling Twelve Months as of January 2026: The graph displays a 12-month performance period, regardless of the specific month or fiscal year. A rolling twelve-month historical summation measures the total of the previous twelve months. Therefore, the LOST revenue trend is \$37.6 million in the current fiscal year.

NOTES – Continued

General Fund Summary of Expenditures by (Department): The following departments have open purchase orders as of January 2026:

1535 – Information Technology: _____ \$1.511 M

Purchased/Contracted Services _____ \$890 K, Supplies _____ \$618 K,
Capital Outlay: Computers _____ \$3 K.

1565 – Facilities Maintenance: _____ \$3.830 M

Capital Outlay: Buildings and Improvements:_____ \$2.806 M,

 Furniture and Fixtures_____ \$21 K,

 Other Equipment_____ \$100 K.

7450 – Code Enforcement:_____ \$453 K

Purchased/Contracted Services_____ \$435 K, Supplies_____ \$18 K.

*** end of report ***

Convention Center Market Analysis & Feasibility Study

Strategic Goal: Enhance Financial Stability and Economic Diversification

Conventions, Sports and Leisure International (CSL) was engaged to conduct a comprehensive Convention Center Market Analysis and Feasibility Study to evaluate market demand, economic impact, and long-term financial feasibility of a potential convention and event facility.

A two-day site visit was conducted with CSL representatives that included corridor tours, development site analysis, and engagement with developers, hospitality leaders, sports partners, chamber representatives, and state economic development officials. These discussions strengthened regional coordination and informed fiscal modeling assumptions, which will assist in the market analysis and feasibility study.

Next Steps:

- Review draft study (end of February)
- Conduct fiscal impact scenario analysis
- Present final findings to City Council in April
- Identify policy direction based on feasibility outcomes

Development Partner Guide – Creation, Promotion & Launch

Strategic Goals:

- Enhance Government Efficiency and Productivity
- Enhance Financial Stability and Economic Diversification

The Economic Development Department created and released the 2026 Economic Development Broker & Development Partner Guide to modernize development communications and enhance investor navigation.

The guide outlines clear development process steps, corridor highlights, demographic and retail data, Tax Allocation District details, and structured project guidance. It was officially introduced at the Aerotropolis Alliance Brokers Reception and distributed to developers and regional partners.

Access the guide here:

<https://emwebsiteportfolio.my.canva.site/2026-economic-development-broker-and-development-guide>

Strategic Priorities:

- Continue promoting through broker and development networks.
- Integrate the guide into all development-related meetings.
- Track digital engagement metrics.
- Update quarterly to reflect changes in the project pipeline.

South Fulton Small Business Success Quick Guide – Creation & Distribution

Strategic Goals:

- Increase Community Collaboration and Improve Quality of Life
- Enhance Financial Stability and Economic Diversification

The Department finalized the South Fulton Small Business Guide, a resource intended to help entrepreneurs with licensing, permitting, funding access, and operational growth within the City.

The guide has been distributed during outreach events and is now integrated into corridor business visits and business retention efforts.

Strategic Priorities:

- Promote the guide digitally using City platforms.
- Incorporate into Business Retention and Expansion visits.

Corridor Activation & Business Engagement

Strategic Goals:

- Increase Community Collaboration and Improve Quality of Life
- Enhance Financial Stability and Economic Diversification

Business Retention & Expansion (BRE) efforts officially started in the **Old National District**. The Economic Development Department began with the first site visit, accompanied by Mayor Pro Tem Bell, during which 15 corridor businesses were visited.

During these visits, the team:

- Provided information on available City services and economic development resources.
- Distributed swag bags and business materials.
- Shared the South Fulton Small Business Guide.
- Strengthened direct relationships between business owners and City leadership.
- Administered and collected business surveys to gather data on operational needs, workforce challenges, corridor conditions, and expansion interest.

The surveys will inform targeted support strategies, future programming, and corridor stabilization planning. This proactive engagement approach enhances communication, boosts service delivery, and reinforces the City's commitment to supporting locally owned businesses.

In the **Red Oak District**, corridor activation continued with **the opening of Pop-Up Shop 2**, enhancing retail diversity along Roosevelt Highway and supporting the growth of locally owned businesses. A proclamation, initiated by Fulton County Commissioner Marvin Arrington, recognizing January 9, 2026 as Pop-Up Shop Day, highlighted the ongoing momentum of investment.

Additionally, the Red Oak District Advisory Board, along with the Economic Development Department team, hosted the **Connections & Collaboration Mixer**, uniting entrepreneurs, property owners, development stakeholders, and regional partners. Holding the mixer in the corridor boosted foot traffic, strengthened business relationships, and increased awareness of available commercial opportunities.

Regional Collaboration & Infrastructure Planning

Strategic Goals:

- Increase Community Collaboration and Improve Quality of Life
- Strengthen and Expand Infrastructure to Support Sustainability

City leadership and the Department took part in the **Aerotropolis Atlanta Alliance FIFA planning session** to prepare South Fulton for economic opportunities during the **2026 FIFA World Cup**.

The team also engaged with southern Fulton County municipalities and the Aerotropolis Atlanta Alliance to coordinate a proposal for the **Atlanta Regional Commission's (ARC) Livable Centers Initiative (LCI)** funding opportunity. These discussions supported the Kick-Off Meeting for the US-29/Roosevelt Highway Corridor Study, which will develop a comprehensive redevelopment and multimodal connectivity roadmap designed to enhance safety, improve walkability, and strengthen long-term corridor vitality.

The team's participation in the **South Metro Development Outlook Conference** further strengthened regional positioning and investment readiness.

Strategic Priorities:

- Continue FIFA regional coordination.
- Participate in corridor stakeholder engagement.
- Identify catalytic redevelopment sites.
- Align infrastructure priorities with funding strategies.

Downtown Development Authority (DDA) Governance Update**Strategic Goals:**

- Enhance Government Efficiency and Productivity
- Increase Community Collaboration and Improve Quality of Life

The Downtown Development Authority held a governance training and strategic planning session to strengthen board effectiveness and support downtown revitalization efforts.

The Board welcomed new member Gloria Powell in 2026. Attorney Danielle Matricardi and Financial Advisor Ed Wall provided an overview of DDA powers and board responsibilities to reinforce compliance and operational clarity.

During visioning discussions, the Board identified priorities including expanding public-private partnerships, strengthening coordination with City leadership and partner authorities, and increasing downtown visibility. Branding and outreach strategies will be finalized at the March 17, 2026, meeting.

A presentation on philanthropic and grant opportunities was also provided for Board consideration.

The next required DDA Training Session will take place on March 24, 2026.

Strategic Priorities:

- Ensure training compliance.
- Advance partnership development.
- Evaluate grant opportunities.
- Strengthen coordination across authorities.

GOAL 1

Enhance Government Efficiency & Productivity

South Fulton Fire Rescue kicked off the month of February by observing Firefighter Recognition Day at the State Capitol. On February 3, 2026, Fire Chief Chad Jones represented the City of South Fulton at this event. The event recognizes the dedication, sacrifice, and leadership of fire service professionals across Georgia in addition to strengthening relationships between fire service leaders and state legislators.

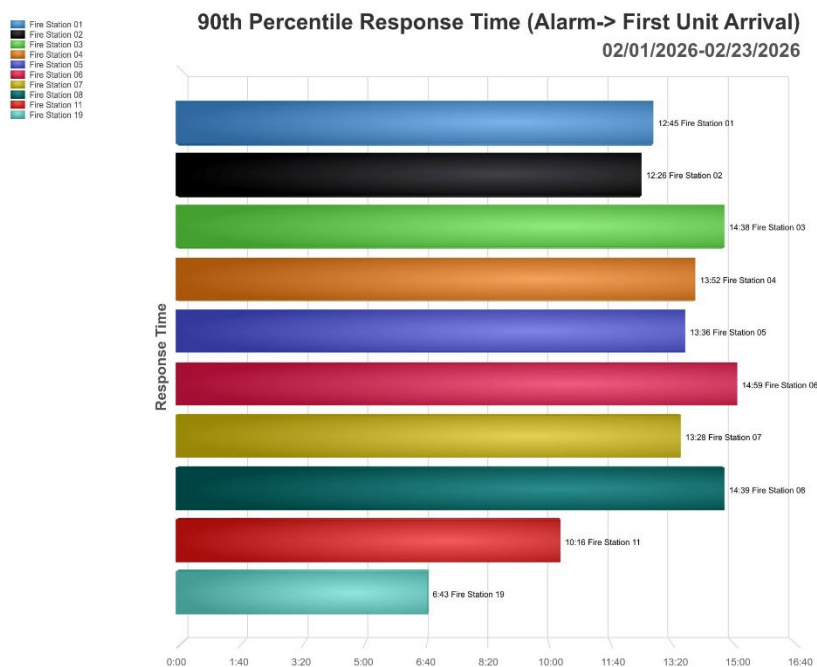

Additionally, in February, Live Fire Training was conducted for fire recruits. Live Fire Training builds realistic experience that cannot be replicated in the classroom. Firefighters who train under live conditions make faster, more accurate decisions on the fireground, thereby reducing incident duration, limiting property damage, and improving life safety outcomes. Shorter, more efficient incidents mean fewer resources tied up and quicker return to service.

The Department wrapped up the month of February with the Official Recruit Graduation for Class 2025-1 at the Southwest Arts Center on Thursday, February 19, 2026. The ceremony marked the successful completion of months of rigorous training, preparation, and evaluation, as recruits demonstrated their readiness to serve the citizens of South Fulton. Surrounded by family members, friends, department leadership, and community supporters, the graduates were recognized for their discipline, perseverance, and commitment to public safety.

With this focus on readiness and effectiveness, performance metrics provide a clear measure of accountability. The chart below illustrates the average response time per station from February 1, 2026, through February 23, 2026. This data reflects the department's operational effectiveness and reinforces ongoing efforts to enhance emergency response across the City of South Fulton. During this period, Station 11 recorded the shortest average response time from alarm to first unit arrival at 10 minutes and 16 seconds, while the overall department average was 13 minutes and 24 seconds from alarm to first unit arrival.

Total number of calls: **1,452**

Average response time is **13:24**

From February 1, 2026, through February 23, 2026, personnel conducted 375 fire inspections and responded to a total of 1,452 incidents. Fire Investigators have completed 2 investigations thus far in the month of February. Approximately 55.51% of all calls for service were medical-related, highlighting the continued demand for emergency medical response within the community.

GOAL 2

Increase Community Collaboration and Improve Quality of Life.

The Fire Department increases community collaboration and improves quality of life by actively engaging residents through inclusive, relationship-building events and outreach initiatives. On February 12, 2026, the department had a resource table at District 7's Lunch and Learn, creating opportunities for direct interaction with community members, allowing firefighters to share critical fire safety information, emergency preparedness resources, and available services while also listening to resident concerns and needs.

On February 13, 2026, the department provided EMT Services for the Mayor's Sweetheart Celebration for Seniors and the Senior Valentine's Day Brunch on February 15, 2026. The Fire Department increases community collaboration and improves quality of life by actively engaging residents through inclusive, relationship-building events and outreach initiatives. Hosting a resource table at a lunch and learn creates opportunities for direct interaction with community members, allowing firefighters to share critical fire safety information, emergency preparedness resources, and available services while also listening to resident concerns and needs.

GOAL 3

Enhance the City's Financial Stability and Economic Diversification through Strategic Leadership and Community Partnership

The South Fulton Fire Rescue Department has begun integrating Tablet Command into its daily operations to enhance incident management, situational awareness, and operational accountability. Training on the Tablet Command platform was conducted from February 17, 2026, through February 19, 2026, to ensure personnel are proficient in its use and prepared to effectively support emergency response operations.

GOAL 4

Strengthen and Expand Infrastructure to Support Sustainability

The City of South Fulton staff, in coordination with the selected vendor, Winter Johnson, for the Fire Headquarters design, continues to advance the Headquarters project forward. The team is also working with HPM Johnson on the design for Fire Station 7. Designing and constructing a new Fire Headquarters and Fire Station 7 ensures facilities are built to current safety codes, operational standards, and technological needs. Modern stations improve workflow efficiency, apparatus access, storage capacity, and overall functionality.

District Information: District 1
Council Person: Catherine Rowell

- **Southwest Arts Center (SWAC):** The project remained in the closeout/punch list phase. The fire panel, strobes, and horns installation were completed; the closeout matrix was completed. Six punch list items remained, with fire panel testing ongoing due to hood-related error. Pye-Barker completed emergency troubleshooting and reconfiguration of the panic/fire alarm system.
- **Sandtown Park Walking Trail:** The site safety planning advanced through coordination with the contractor. The land disturbance permit was issued. Prime Contractors progressed with mobilization planning and held an on-site coordination meeting to confirm safety measures (snow fencing, barricade procedures, public communications), as well as construction sequencing. Surveying activity continued through late February, with erosion control installation to begin in early March.
- **City Administration Building:** The CIP Team provided a presentation of design ideas to the City Manager for review. The pipe repairs on the fire suppression system are set to be complete in early March. Safety KeelN will conduct the ceiling removal, scheduled to begin the first week of March, in phases to avoid disrupting business operations and to address pest and demolition control issues as defined.

Goals: 1, 2, 4

District Information: District 2
Council Person: Aaron Johnson

- **Cliffondale Classroom Building:** Construction progressed with interior painting, and ACT ceilings are nearing completion. The interior door installation, exterior painting, and electrical panel replacement were completed in late February; slight modifications to the exit sign placement required additional Clarity. The millwork delivery is expected in the first week of March, with substantial completion by March 13, 2026, per the updated schedule.

Goals: 1, 2, 4

District Information: District 3
Council Person: Helen Z. Willis

- **The Welcome Center 4800 Campbell Drive:** The Project remained under cost-reduction review due to bids far exceeding the budgeted amount. February actions included recurring status meetings, VE coordination, updated quotes, and support for easement documentation. This allowed the project to come within an acceptable range. Groundbreaking coordination began with a date set in the first week of March. Land development permits continued while the Fulton County sewer service permitting remained in process, and easement documentation has been received.

Goals: 1, 3, 4

- **Welcome All Community Building:** The CIP team has been steadily advancing the design, and the program managers have shopped the phased budget numbers for facility upgrades.

District Information: District 4
Council Person: Jaceey Sebastian

- **Cedar Gove:** Schematic drawings are complete, and procurement is preparing the bidding package for contractors. We expect to receive construction bids between late April and early May 2026.

District Information: District 5
Council Person: Keosha Bell

- **Burdette Park:** There has been pre-renovation environmental sampling/testing completed during February. There was also a fire and life safety inspection completed, which included upgrading the fire extinguishers and exit signage to code and passing inspection. It is now in compliance through 2027.
- **Fire Station 7:** The design coordination continued with the architectural firm to progress the schematic design. Budget pressure persisted due to current market construction costs. The CIP has worked to assess the lead piping infrastructure by reviewing historical testing records from the City of Atlanta Watershed's open records.

Goals: 1, 2, 4

District Information: District 6
Council Person: Natasha Williams-Brown

- **Old National Park:** The CIP team conducted a Crime Prevention Through Environmental Design security assessment with recommendations for lighting improvements, dugout renovations, and replacement of safety equipment put forward.

Goals: 2, 4

District Information: District 7
Council Person: Linda Becquer Pritchett

- **Fire Station 10 Warehouse:** The project continues with scope revisions to meet the budget. The Civil consultant proposal revisions were completed and approved; City approval/notice to proceed issued February 20, with the consultant projecting completion of additional scope by the end of July. The CIP team received a Best and Final Offer for the MEP design, and it is under review for City distribution. The schedule remains achievable for a late September completion, though permitting and earlier milestones require a reset.

Goals: 1, 4

Citywide / Cross-District Operational Updates

Health, Safety, & Compliance

- Welcome All Park & Sandtown Park: Pre-renovation testing (Welcome All) and fire/life-safety inspections completed; fire extinguishers and exit signage upgraded and passed.
- Citywide Compliance: Monthly AED/Bleed Control and fire extinguisher inspections completed at all City facilities.
- Public Safety Readiness: Issued 50 Class B first aid kits to police vehicles; purchased Narcan and scheduled installation in all City facilities alongside AEDs (SB395 compliance).
- Public Health: Procured sanitizer dispenser stations for all fire stations; completed and submitted monthly health awareness bulletin.
- Security & SOPs: Reviewed CCTV plan for Clifftondale renovations; submitted Court Emergency Preparedness & Security SOP; completed Parks & Rec Transportation SOP; advanced pool childproof fence installation through vendor coordination.

Goals: 1, 2, 4

Fleet Operations (Citywide)

- **Police Fleet:** Nine PD vehicles were delivered and inspected prior to release. The Fleet team, in coordination with PD, has identified High-mileage vehicles for retirement and auction processing. Purchase orders have been issued for vehicle upfitting. The new fleet software platform has been expanded to accelerate quote compliance and repairs. Samsara installations continued, and non-reporting units were being corrected.

- **Fire Fleet:** Out-of-service units are being continuously tracked with expected/estimated completion dates where available. PM services were completed on five apparatus, with ladder testing scheduled for the week of 3/2; the fleet reported that the apparatus remained compliant with inspections and pump testing. A primary constraint has remained the manufacturing delays for specialty parts.
- **General Fleet:** All scheduled preventive maintenance completed. Down units included Public Works bucket sign truck (warranty), General Services bucket truck (warranty), Fire (Engine 6/Truck 6/Truck 4), and Code Enforcement (Chevrolet Colorado). 51 work orders completed across departments with no critical units down at reporting time.
 - Fuel Usage:
 - ~8,620 gallons of regular
 - ~3,100 gallons of diesel

Procurements included a new enclosed trailer and three sand spreaders; Parks & Rec transitioned four F-150s to four electric F-150s.

Goals: 1, 4

Sustainability Initiatives

- **Lighting & Electrical Upgrades:** LED field lighting replacements and electrical improvements continue citywide, with vandalism-prevention measures under evaluation to protect infrastructure.
- **EV Infrastructure Expansion:** EV chargers are operational at six locations, with additional park and fire station installations in progress or out for bid to advance fleet electrification and reduce fuel dependency.
- **Generators & HVAC Improvements:** Generator installations and HVAC upgrades are advancing across facilities and fire stations to strengthen outage resilience, indoor air quality, and long-term operational reliability.
- **Infrastructure Modernization:** Fiber installation, building envelope testing, and mechanical system upgrades are underway to improve efficiency, sustainability, and asset performance.
- **Seasonal Energy Planning:** Coordination is underway to improve holiday lighting deployment efficiency and durability for future seasons.

Goals: 1, 2, 3, 4

Executive Summary for City Manager & Council

During the January–February reporting period, the Human Resources Department advanced foundational work supporting the City’s 2025–2029 Strategic Plan. Key outcomes include:

- Progress toward modernized performance management and merit alignment.
- Initiation of standardized policy review and procedural consistency.
- Net workforce growth of 11 employees.
- Turnover rate of 2.30% (early-year indicator).
- 30 active open positions under recruitment.
- Implementation of multiple employee wellness and engagement initiatives.

HR remains focused on strengthening workforce capacity, improving operational consistency, and building sustainable infrastructure to support long-term organizational excellence.

GOAL 1: Implement Performance Management

In Progress

- Developed draft merit-based compensation framework aligned with performance outcomes and organizational accountability.

Upcoming (Q1–Q2)

- Supervisor training on coaching, documentation, and evaluation standards (March launch).
- Legal and executive review of merit framework.
- Pilot implementation of revised evaluation tools.

GOAL 3: Empower Workforce Development

Workforce Recruitment & Stability (YTD)

- Total Employees: 783
- 29 New Hires Year-to-Date
- 18 Separations Year-to-Date
 - 14 Voluntary
 - 4 Involuntary
- Turnover Rate: 2.30% (January–February reporting period)
- Net Workforce Growth: +11 Employees
- 30 Open Requisitions currently active in the recruitment pipeline

HR continues proactive recruitment efforts to maintain service delivery capacity and minimize operational disruptions.

Recruitment Expansion

- Planning City of South Fulton Career Fair – April 1 to strengthen candidate pipelines and community engagement.
- Collaborating with departments to prioritize critical staffing needs.
- Streamlining requisition tracking and recruitment workflows.

Employee Engagement & Wellness Initiatives (Q1)

To strengthen retention, morale, and overall employee well-being, HR implemented the following initiatives:

- Conducted Q1 Random Drug Testing Program to reinforce workplace safety and compliance standards.
- Launched Citywide Walking Challenge (Feb 2 – March 2), promoting physical health and cross-department collaboration.
- Hosted Financial Wellness Event (BrightPlan, Feb 25) to support financial literacy and long-term employee stability.
- Facilitated Heart Health Month engagement activity (Feb 9) to promote holistic wellness and morale.

These initiatives reflect a commitment to total employee wellbeing as a strategic retention and performance driver.

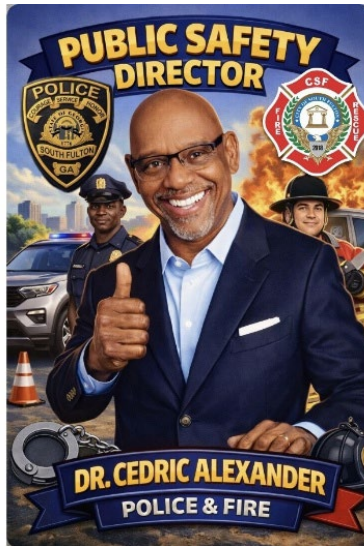

GOAL 4: Enhance and Sustain Communication

Engagement & Visibility

- Increased HR accessibility through on-site employee engagement events.
- Facilitated cross-department participation in wellness and financial education initiatives.
- Provided workforce updates and recruitment status tracking to leadership.

In Progress

- Developing a communication strategy for the upcoming policy and merit system rollout.
- Coordinating messaging in advance of the April 1 Career Fair.

Goal 1: Enhance Government Efficiency and Productivity

The South Fulton Police Department is committed to strengthening operational efficiency by leveraging data-driven deployment strategies, streamlining case management systems, and enhancing officer training programs. These efforts ensure that resources are used effectively to deliver timely, professional services to the community.

Goal 2: Increase Community Collaboration and Improve Quality of Life

The Police Department will continue to build and maintain partnerships with community stakeholders through proactive outreach programs, youth engagement initiatives (PAL), and neighborhood watch (HOA) collaborations. Our focus is on reducing crime, increasing transparency, and fostering trust, thereby enhancing the overall quality of life for our residents.

Goal 3: Enhance the City's Financial Stability and Economic Diversification

The South Fulton Police Department supports economic growth by ensuring the safety of business and commercial districts, while also prioritizing fiscal responsibility. By assigning officers based on crime trends, utilizing technology to reduce paperwork, and managing overtime more effectively, we minimize unnecessary spending while maintaining high-quality police services. These efforts create a safe and stable environment that attracts investment and supports the City's long-term financial health.

Goal 4: Strengthen and Expand Infrastructure to Support Sustainability

The Police Department is focused on sustaining long-term public safety through strategic investments in personnel and facilities. This includes recruitment and retention initiatives to build a stable workforce, modernizing our training programs to meet evolving community needs, and strengthening partnerships with regional agencies to ensure coordinated responses during emergencies. Additionally, with the approval of our new headquarters, we are preparing to expand and modernize our operational infrastructure, which will enhance service delivery and provide a lasting foundation for the department's future growth.

South Fulton Police 'Hey Twin' campaign sparks 23M viral social media views

The South Fulton Police Department's "Hey Twin" Campaign has reached an incredible milestone, surpassing 23 million views across social media platforms. What started as a fun, authentic way to connect with our community quickly turned into a viral movement that highlighted the human side behind the badge. The campaign's impact extended beyond digital engagement, earning features on Fox 5 and Atlanta News First, further amplifying our message of unity, relatability, and positive community policing. This achievement reflects the power of creative engagement and the strong bond between our officers and the City of South Fulton.

Congratulations, Detective E. Mills

The South Fulton Police Department proudly congratulated Detective E. Mills on being awarded the Bravo Award in recognition of her outstanding dedication and investigative excellence. While on call on January 24 and January 30, Detective E. Mills responded to three separate incidents involving a sexual assault, a battery, and a home invasion. Throughout each investigation, she remained focused, professional, and committed to ensuring each case was handled thoroughly and efficiently.

Despite long hours and the added responsibility of preparing to travel to Texas for an interview, Detective E. Mills continued to push forward, successfully following all three cases through to completion. Thanks to her hard work and persistence, arrest warrants were obtained in each case.

Detective E. Mills' commitment, reliability, and unwavering professionalism truly set her apart. She is highly deserving of this recognition, and we are proud to have her as part of the South Fulton Police Department.

Welcoming Mayor Carmalitha Gumbs to SFPD Headquarters

The South Fulton Police Department was honored to welcome Mayor Carmalitha Gumbs to headquarters as she attended our weekly S.C.O.R.E. meeting. These meetings play an important role in reviewing public safety strategies, addressing community concerns, and ensuring continued collaboration across departments to better serve our residents.

We appreciate Mayor Carmalitha Gumbs taking the time to engage with our leadership team and support ongoing efforts to strengthen safety and service throughout the City of South Fulton.

Police Officer II B.Unitas was awarded the Officer of the Month

On January 29, 2026 Police Officer II B.Unitas was awarded the Officer of the Month in recognition of her outstanding service and dedication while serving on the Gold Nights Shift. Her professionalism, proactive patrol efforts, and unwavering commitment to public safety continue to make a positive impact within her shift, and throughout the City of South Fulton community.

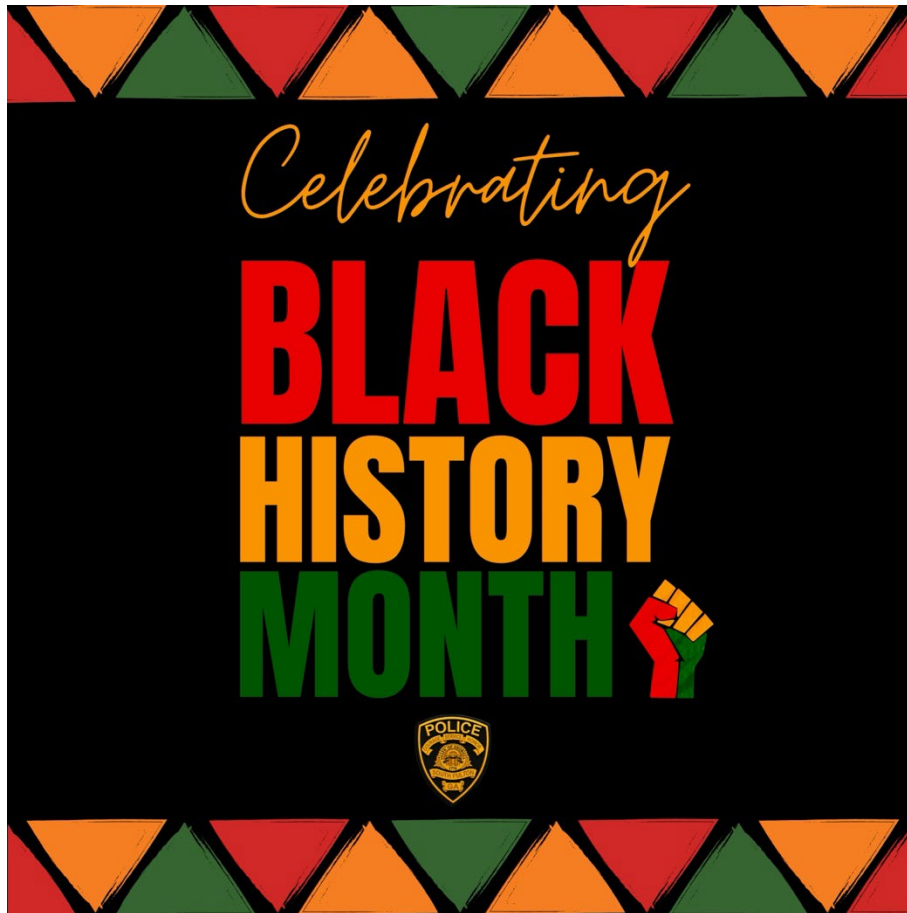

Celebrating Black History Month

This February, the South Fulton Police Department proudly joins our community in recognizing Black History Month, honoring the achievements, contributions, and enduring legacy of African Americans who have helped shape our nation and our communities.

We celebrate the leaders, innovators, public servants, and everyday citizens whose courage and commitment continue to inspire progress, unity, and service.

Throughout the month, we encourage our community to reflect, learn, and celebrate the rich history and cultural contributions that continue to strengthen and uplift us all.

Together, we honor the past while continuing to build a stronger future for our community.

Commendation for Outstanding Leadership.

The South Fulton Police Department proudly recognized Captain Nic Williams for his exceptional leadership and professionalism during Winter Storm Fern. His calm demeanor, clear communication, and collaboration with internal and external partners ensured the accurate and timely sharing of critical weather information. Captain Williams and his team worked tirelessly staffing the Emergency Operations Center, managing WebEOC, coordinating with partner agencies, and providing continuous updates all while meeting demanding deadlines under pressure. Their dedication and teamwork played a vital role in keeping stakeholders informed and prepared. We commend Captain Williams and his entire team for their outstanding service and commitment to excellence.

Letter of Commendation to our Gold Nights Shift

We proudly congratulated the Gold Nights Shift on receiving a Letter of Commendation in recognition of their outstanding initiative, sound officer discretion, diligent patrol activity, and consistent attention to public safety.

Their professionalism, commitment, and dedication to protecting our community did not go unnoticed. Thank you for your continued service and for setting the standard in keeping our city safe.

GOAL 1

Enhance Government Efficiency and Productivity

The Public Affairs Department is committed to creating efficient internal operations and systems to deliver high-quality municipal services. Our goal is to improve the quality of life for residents and businesses in the City of South Fulton by ensuring that our government functions smoothly and effectively, meeting the needs of our community with professionalism and excellence.

GOAL 2

Increase Community Collaboration and Improve Quality of Life

The Public Affairs Department is dedicated to strengthening relationships with our county and state legislators and surrounding municipalities to aid the City of South Fulton in taking a regional approach to services. Launch initiatives and create change to improve our quality of life, including public safety.

GOAL 3

Enhance the City's Financial Stability and Economic Diversification

The Public Affairs Department is committed to strengthening our financial infrastructure by building and diversifying revenue sources. Focus is on promoting a healthy and prosperous economy by supporting small businesses, entrepreneurs, tourism, and public-private partnerships. We are dedicated to defining and showcasing the unique identity of the City of South Fulton and effectively marketing it to stakeholders. Through strategic initiatives and collaborations, we aim to create a vibrant economic environment that benefits all members of our community.

GOAL 4

Strengthen and Expand Infrastructure to Support Sustainability

The Public Affairs Department is dedicated to strengthening relationships with our county, state legislators, and surrounding municipalities. By taking a regional approach to services, we aim to launch initiatives and drive changes that enhance the quality of life in the City of South Fulton, including improvements in public safety. Through collaboration and shared goals, we are committed to creating a safer, healthier, and more vibrant community for all current and future residents.

PUBLIC AFFAIRS – February 2026 Accomplishments

This report highlights the coordinated efforts of the Public Affairs Department across all functional teams. Each initiative is aligned with the City's adopted Strategic Goal Areas and reflects a focused commitment to operational excellence, community engagement, economic vitality, and infrastructure sustainability.

FIRE RESCUE COMMUNICATIONS

STRATEGIC GOAL 1

Enhance Government Efficiency and Productivity

- Severe & Winter Weather Communications (January 16–19; January 23–26, 2026)
 - Executed coordinated, citywide emergency messaging during severe weather events.
 - Issued leadership advisories outlining operational posture, monitoring protocols, and warming center activation.
- Supported interdepartmental all-hands briefings and ensured consistent public updates.

Impact: Delivered timely, accurate crisis communications while strengthening internal coordination and operational readiness.

STRATEGIC GOAL 2

Increase Community Collaboration and Improve Quality of Life

- Amplified Fire Recruit Swearing-In Ceremony (Station 11).
- Promoted Firefighter Recognition Day observances at the Georgia State Capitol.
- Finalized and launched communications plan for the Citizens Fire Academy.
- Initiated planning and visibility strategy for Camp E.M.B.R.S.
- Coordinated amplification for Fire Recruit Graduation (Class 1, 2026).
- Prepared recognition messaging for Shield Award ceremony honoring first responders.
- Developed feature stories highlighting new uniforms and fire apparatus.
- Initiated communications planning for new headquarters groundbreaking.

Impact: Increased public awareness of fire services, strengthened community trust, and supported recruitment and youth engagement initiatives.

DIGITAL MEDIA & SOCIAL MEDIA ANALYTICS

STRATEGIC GOAL 1

Enhance Government Efficiency and Productivity

- Produced holiday office closure notices and City Council meeting graphics.

- Developed real-time winter weather alerts and safety guidance.
- Published traffic advisories, including Old Fairburn Road extension and Mallory Road closure.
- Maintained consistent public updates during operational changes.

Impact: Improved transparency, ensured message clarity, and strengthened public access to timely government information.

STRATEGIC GOAL 2

- Increase Community Collaboration and Improve Quality of Life
- Published recaps of senior engagement events, town halls, and district meetings.
- Amplified Workforce Academy Graduation and Employee Appreciation Day.
- Promoted Comprehensive Development Plan meetings (Districts 2, 3, and 5).
- Highlighted Public Works winter response efforts.
- Amplified "One Heart Beat" community event.
-

Impact: Encouraged civic participation and strengthened connections between residents and City leadership.

STRATEGIC GOAL 3

- Enhance the City's Financial Stability and Economic Diversification
- Promoted Economic Development Business Mixer (highest Instagram engagement rate at 12.8%).
- Amplified Franchisee Day and business-focused initiatives.
- Supported SMDO 2026 promotion and regional visibility efforts.

Impact: Elevated the City's brand, supported economic outreach, and strengthened stakeholder engagement.

Highest engagement:

- Employee Appreciation Day recap (101.83%)
- Workforce Academy Graduation (65.93%)
- Departmental alignment meeting (42.28%)

Impact: Demonstrated measurable audience growth and increased engagement across platforms.

EVENTS & PROGRAMS

STRATEGIC GOAL 1

- Enhance Government Efficiency and Productivity
- Maintained Monday tracking reports to reconcile event calendar discrepancies.
- Supported internal wellness programming coordination.
- Ensured cross-department scheduling alignment for high-volume events.

Impact: Improved internal event coordination processes and operational oversight.

STRATEGIC GOAL 2

Increase Community Collaboration and Improve Quality of Life

- Coordinated logistics and cross-departmental representation for:
 - Broadnax Bridge Ribbon Cutting
 - District Town Halls
 - Senior Valentine and Sweetheart events
 - Employee Appreciation Day
 - Comprehensive Development Plan meetings
 - Recycle & Shred events
 - Food distribution programs
 - Workforce Academy Graduation
 - Black History Month programming
 - Talent Showcase events
- Maintained Monday tracking reports Managed coverage for Police, Fire, Parks & Recreation, and Photography to ensure unified representation.

Impact: Strengthened civic engagement, expanded resident access to services, and supported transparent community dialogue.

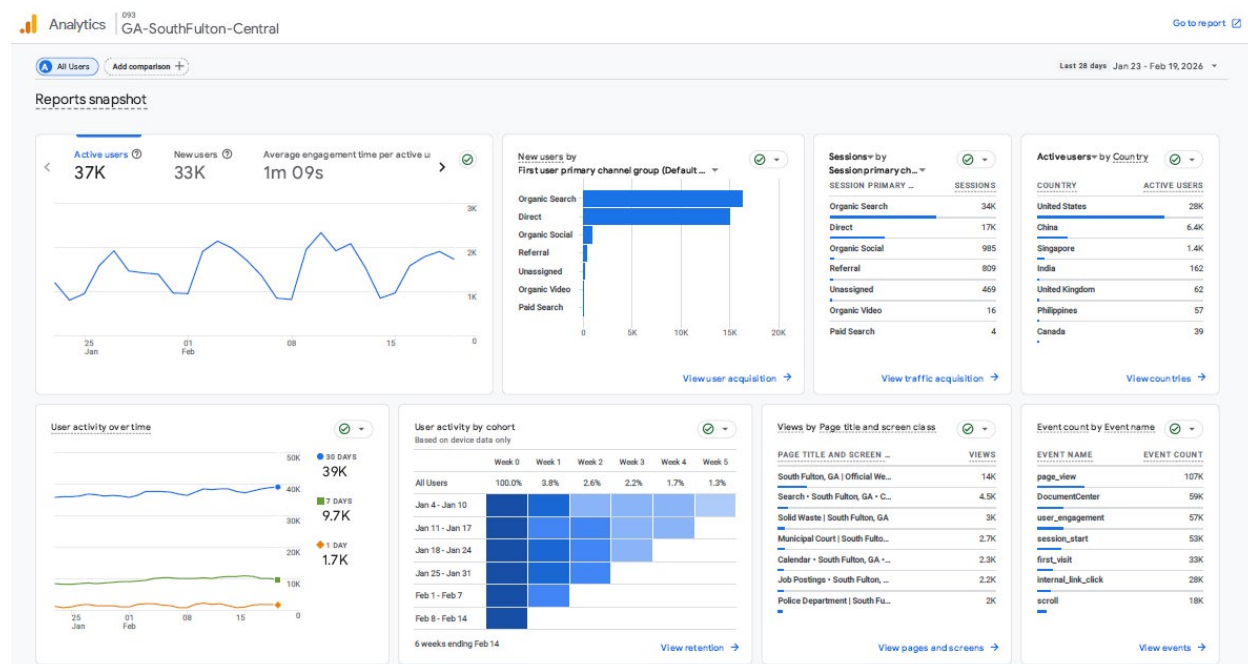

WEBSITE & DIGITAL INFRASTRUCTURE

STRATEGIC GOAL 1

Enhance Government Efficiency and Productivity

- Updated Procurement, Crime Statistics, and district webpages.
- Uploaded January City Manager's Report and FY26 Adopted Budget.
- Maintained and updated Citywide event calendar.
- Created "Filmed in South Fulton" webpage.

Impact: Strengthened transparency, improved access to public records, and enhanced digital service delivery.

GRAPHIC DESIGN & BRANDING

STRATEGIC GOAL 3

- Enhance the City's Financial Stability and Economic Diversification
- Designed SMDO26 promotional materials and booth visuals.
- Developed 2026 State of the City graphics.
- Produced Budget Book organizational charts and financial visuals.
- Designed citywide infographic templates and branded materials.

Impact: Strengthened the City's visual identity and supported economic marketing efforts.

STRATEGIC GOAL 2

- Increase Community Collaboration and Improve Quality of Life
- Created district event calendars and community flyers.
- Produced wellness campaign materials (Walk-A-Thon, Jet Dental, financial planning).
- Designed Fire Graduation 2026 graphics and Parks & Recreation spotlight feature.

Impact: Improved visual clarity of community messaging and strengthened resident engagement.

PRESS & PUBLIC INFORMATION

STRATEGIC GOAL 2

Increase Community Collaboration and Improve Quality of Life

- Issued press releases including:
 - Black History Month: Honoring the Past, Shaping Our Future
 - Statement on the passing of Jesse Louis Jackson Sr.
 - Fire Rescue participation in Firefighters Recognition Day
 - Public safety and road closure notices
 - Youth athletics championship recognition

Impact: Maintained transparency, honored community milestones, and reinforced public trust through proactive media engagement.

INFRASTRUCTURE & REGIONAL COORDINATION

STRATEGIC GOAL 4

Strengthen and Expand Infrastructure to Support Sustainability

- Communicated I-20/I-285 West Interchange project updates.
- Issued traffic advisories and temporary road closure notices.
- Highlighted Public Works winter weather operations.
- Coordinated Holiday Lights Project planning with utility partners and maintenance vendors.

Impact: Increased public awareness of infrastructure investments and strengthened regional coordination efforts.

PHOTOGRAPHY & VISUAL RECAP

Comprehensive photography coverage documented ribbon cuttings, town halls, public safety ceremonies, workforce graduations, economic development initiatives, and community outreach programs.

EXECUTIVE SUMMARY

Throughout February 2026, each division within the Public Affairs Department advanced the City's Strategic Goals through measurable digital growth, strengthened crisis communications, expanded visibility for community programming, enhanced economic promotion, and increased infrastructure awareness. Collectively, these efforts reflect disciplined execution, strategic alignment, and continued commitment to excellence in municipal communications.

The following is the Transportation Update Report for February 2026. The (*) mark indicates updated information from the December 2025 report. This report provides a detailed overview of sixty-six (66) projects for the City of South Fulton in TSPLOST I, TSPLOST II, Capital Improvement, State, and Federal funding within Public Works in the following stages:

- | | |
|------------------------|---------------------------------|
| 1. Planning: | Zero (0) total projects. |
| 2. Design: | Thirty-six (35) total projects. |
| 3. ITB/ Out-to-Bid: | One (2) total project. |
| 4. Under Construction: | Fourteen (14) total projects. |
| 5. Completed: | Fifteen (15) total projects. |

1. Planning Phase (0 projects). Projects in this phase will have defined scopes and cost estimates. However, they will require evaluation by a design engineering firm. Once design consultants are assigned, project estimates and a schedule will be provided.

2. Design Phase (35 projects). Projects in this phase will transition to construction once the concept reports are reviewed, the design is complete, the Right-of-Way (ROW) plans have been certified, and the land parcels have been acquired. The cost estimates and project schedule are subject to change.

- **Capital Improvement Projects (CIP) (5)** -Gravel Road projects. Projects are progressing through preliminary design.
- **RG-160.** Two segments of Jones Rd need paving, and a culvert needs to be replaced. RSH, the design consultant, is assessing improvements at the Hall Road 4-way stop and a planned GDOT roundabout at Campbellton-Fairburn Road (SR 92). Design costs are \$538,268. The total estimated cost is \$13 million, with roughly \$3.65 million in construction funded by Union City via an Intergovernmental Agreement (IGA). A public input open house (PIOH) was held on June 12, 2025, where RSH presented drawings and discussed potential improvements with the public.
- **RG-164.** Oxford Rd is a half-mile unpaved residential street that serves as a cul-de-sac off West Stubbs Rd. Khafra Engineering is the design consultant for \$149,277. A PIOH was held on June 10, 2025, during which Khafra presented drawings and discussed potential improvements with the public. The concept report has been reviewed and finalized. The estimated cost is \$5.6 million.

- **RG-163.** Thames Rd, a 1600-ft gravel road, will have a complete street design, including sidewalks, implemented at the intersection with Butner Rd. Khafra Engineering is the design consultant for \$158,886. The concept report has been reviewed and finalized. A PIOH was held on May 29, 2025, during which Khafra presented drawings and discussed potential improvements with the public. The estimated cost is \$5.3 million.
- **RG-162.** Rocky Head Rd. is a 900-ft. unpaved residential street connecting Owl Rock Rd. and Union Rd. Khafra Engineering is the design consultant for \$110,134. The concept report has been reviewed and finalized. Khafra presented drawings and discussed potential improvements with the public at a PIOH held on May 29, 2025. The estimated cost is \$3.7 million.
- **RG-161.** Hall Rd. will be paved along its one-mile unpaved stretch, including sidewalks and other improvements. The existing bridge over Line Creek may need to be replaced. Moreover, intersections with Jones Rd and Ridge Rd will need enhancements. Another segment, roughly 1.75 miles long, is already paved but needs sidewalks and other upgrades. RSH is the design consultant for \$711,960. The concept report has been reviewed and finalized. A PIOH occurred on June 11, 2025, where RSH provided drawings and discussed potential improvements with the public. The estimated cost is \$15.9 million.

- **Federal/State Projects (5)**

- **PI0019647.** This GDOT-managed project will enhance the intersection of Fulton Industrial Blvd at Westpark Place by improving sight distance for motorists in the turning lanes by offsetting the left-turn lanes on Fulton Industrial Blvd (FIB). A Restricted Crossing U-turn (R-CUT) intersection will be implemented to alleviate congestion and reduce accidents from Westpark Place. The estimated cost is \$2.6 million, with construction advertisement projected for January 2027 for \$2.3 million. The project spans 1900 feet, with GDOT anticipating acquiring four parcels. Design engineering was authorized for \$622,727. The Preliminary Field Plan Review (PFPR) is complete. *The PIOH commenting period ended on January 5th, and GDOT responded on January 28, 2026.
- **PI0019841.** This GDOT-managed project will improve the Jonesboro Rd at Bethsaida Rd intersection by installing a multi-lane roundabout and sidewalks. This safety project is estimated to cost \$3.6 million, with construction at *\$2.4 million, starting in March 2027 and taking around two years to complete. The project is 1584 feet long. GDOT estimates four parcels along Jonesboro Rd need to be acquired. Design engineering was authorized for \$700K. The PIOH meeting was held on March 26, 2025, and the input was evaluated.
- **T-281.** The Fulton Industrial Blvd sidewalks between Lakeview Court and Westpark, and the Fulton Industrial Blvd at Cascade Rd intersection improvements (**T-282**), are in final design and will be let as a single construction project. All agreements between the City and GDOT are in place. The city has approved the Concept reports. Both projects are part of the Fulton Industrial Community Improvement District (FICID). Construction advertising by GDOT through the FICID; South Fulton is listed as the local municipality and funded through ARC's Last Mile Connectivity Program. The estimated combined cost is \$9.2 million, with \$1 million coming from local funds. Kimley-Horn & Associates, Inc. is the design engineer. The design

and land acquisition are estimated to be completed by *end of March 2026, with construction scheduled to be let for construction by June 2026.

- **OSI-605.** SR 92 @ Jones Rd and SR 92 @ Demooney Rd intersection improvements, including installation of two roundabouts, sidewalks, realignment, and streetlights. The aim is to reduce the number of accidents at the intersections. The project is 4040 feet long and will be managed and funded under GDOT's safety program. Short-term and intermediate-term solutions have been developed to address safety and operational concerns, including clearing vegetation and implementing temporary traffic signals. There may be some lane closures during the project. The design is estimated to be completed by *Summer 2026, with construction expected to commence in *late 2028. The estimated cost is \$12.9 million, with \$52,250 allocated from TSPLOST I Funds. AECOM is the design engineer. It is estimated that GDOT will acquire eleven parcels. The PIOH meeting was held on October 9, 2025, and the input was evaluated. Following completion of the ROW Acquisition and environmental documentation, design will be finalized, and the project can advance towards construction.
- **TSPOST II Projects (19).** The City Council approved several design consulting firms for standby design engineering services. The following projects were awarded and started in the concept phase; once the concept report is finalized and after the PIOH occurs, the projects move into preliminary design, then to final design. Project cost estimates and schedules have been updated and are subject to change.

<u>Project Name</u>	<u>Cost Est.</u>
PBI-906. Welcome All Road sidewalks (1.5 miles) from Roosevelt Hwy to Will Lee Rd are being designed by AEI/STV, with completion by the end of 2026. Survey work is ongoing with the concept to follow; cost estimates and schedules will be updated. The estimated construction phase funding of \$3,267,384 has been deferred to future funding. PIOH is pending.	\$3.7M
PBI-911. Merk Rd sidewalks (1.25 miles) from Camp Creek Parkway to Aldredge Rd are being designed by AEI/STV, with completion expected by summer 2026. Survey work is ongoing with the concept to follow. The estimated construction phase funding of \$3,888,540 has been deferred to future funding. PIOH is pending.	\$4.2M
PBI-910. Fill in sidewalk gaps, approximately $\frac{3}{4}$ of a mile within the existing sidewalk network on Jerome Rd from Old Notional Hwy to Old Bill Cook Rd. RS&H is the Design engineering, with completion expected by *summer of 2026. The estimated construction phase funding of \$1,633,692 has been deferred to future funding. *Concept is underway. PIOH is pending.	\$1.8M
T-288 (B-510). Stacks Rd Bridge Replacement over CSX Railroad. Atlas is the design engineering for \$240K and CSX Transportation for \$27,550 from the Public Works' General Fund, with an estimated completion date of spring 2026. A PIOH was held on December 18, 2024. Preliminary design continues. *ROW services to begin in April 2026, with construction estimated for *summer 2027.	\$5MM

OSI-631. Union Rd at Thames Rd intersection improvements will include a roundabout, sidewalks, and streetlights. AEI is the design consultant for \$194,700. Eleven parcels are estimated to be acquired. A PIOH was held on December 16, 2024. Preliminary design plans are under review. The estimated start of construction is *summer 2027.	\$1.7MM
OSI-629. Ono Rd/Hobgood Rd at Rivertown Rd intersection improvement, including a roundabout, sidewalks, and streetlights. AEI is the design consultant for \$258,060, with completion in spring 2026, with an estimated construction start *by the end of 2027. Preliminary design plans were reviewed, and a field review is underway. Eighteen parcels are estimated to be acquired.	\$3.9MM
OSI-628. Old Fairburn Rd at Thaxton Rd intersection improvement will include a roundabout, sidewalks, and streetlights. The design, awarded to Khafra for \$196,625, is estimated to be completed in the fall of 2026, with construction starting in spring of 2027. The concept report was finalized. PIOH occurred on October 23, 2025. Concept plans were updated, and another PIOH is to be scheduled.	\$4.3MM
OSI-622. Butner Rd at Aldredge Rd intersection improvements, including roundabout alternatives, sidewalks, and streetlights, are in preliminary design. The design, awarded to Khafra for \$195,965, is estimated to be completed in fall 2026, with construction starting in summer 2027. PIOH occurred on October 28, 2025.	\$3.2MM
OSI-600. Bethsaida Rd at Creel Rd/West Rd intersection improvements, including roundabout alternatives, sidewalks, and streetlights. The design, awarded to AEI for \$237,160, is estimated to be completed by the *end of 2026, with construction scheduled for early 2028. A PIOH was held on July 10, 2025. The project will be coordinated with the Bethsaida Rd sidewalk project from Old National Hwy to Nunn Woods Way (PBI-902)	\$3MM
OSI-623. Bethlehem Rd at Cedar Grove Rd intersection improvements, including roundabout alternatives, sidewalks, and streetlights. The design, for \$189,750, was awarded to Khafra and is estimated to be completed by Fall 2026, with construction starting in 2028. There is a potential concept change for this project, which may delay design and construction. PIOH to be scheduled pending concept revisions.	\$2.7MM
OSI-620. Aldredge Rd at Merk Rd intersection improvements, including a roundabout, sidewalks, and streetlights. The design was awarded to AEI for \$248,160, with completion by April 2026. PIOH occurred on December 16, 2024. Ten parcels are to be acquired. Anticipated construction to start in summer 2027. Preliminary design plans were reviewed, and a field review is underway.	\$1.9MM
PBI-914. The design to fill in sidewalk gaps within the existing 1.15 miles of the sidewalk network on Union Rd from Owling Rock Rd to Bunting Ln is underway by Khafra for \$398,280 and is estimated to be completed by summer 2026. PIOH occurred on October 21, 2025. Anticipated construction to start in the summer of 2027.	\$5.3MM

B-508. The design of Koweta Rd Bridge Over Deep Creek Replacement is underway by AEI for \$218,750. Estimated design completion by fall 2026. Anticipated construction to start in spring 2027. The concept report has been updated. PIOH occurred on October 22, 2025, and input has been evaluated.	\$3MM
B-505. The design of Derrick Rd Bridge Over Deep Creek Tributary Replacement is underway by AEI for \$218,750. Estimated Design completion by *fall 2026. Anticipated construction to start *in spring 2027. The concept report has been updated. PIOH occurred on October 22, 2025, and input was evaluated.	\$2.9MM
PBI-908. Flat Shoals Rd sidewalks (2.5 miles) from Old National Hwy to Buffington Rd. RS&H, the design consultant for \$451,385, is developing the concept report. The design is estimated to be completed by the end of 2026. Anticipated construction starts in fall 2028. The construction phase estimated cost of \$5,992,080 will be deferred to future funding. PIOH to be scheduled.	\$6.5MM
PBI-903. Cascade Rd sidewalk (3 miles) from the City of Atlanta city limits to Fulton Industrial Blvd. RS&H, the design consultant for \$581,035. *Construction anticipated to start in 2029. The construction phase estimated cost of \$6.1 million will be deferred to future funding. PIOH to be scheduled. Concept development phase.	\$6.8MM
PBI-902. The design of the Bethsaida Rd sidewalk (1.5 miles) from Old National Hwy to Nunn Woods Way is underway by AEI/STV for \$431,749. Estimated design completion by *December 2026, with construction to start in summer 2028. PIOH was held on July 10, 2025. The project will be coordinated with Bethsaida Rd at Creel Rd/West Rd intersection improvements project (OSI-600).	\$4.8MM
B-599. Oglesby Rd Bridge/Culvert over a tributary of Morning Creek is a quick-response bridge-replacement project. This bridge will have accessibility throughout the project. AEI is the design consultant for \$202,917. Estimated Design completion by early 2026, with construction to start in summer 2026. In final *fast design.	\$2.3MM
T-270 (B-504). The Design of the Demooney Rd over Deep Creek Bridge Replacement, featuring sidewalks, was completed by Long Engineering for \$284,625 from the Public Works' General Fund. The project is in the ROW phase. Once the two remaining parcels are acquired and ROW is certified, the project can be let for construction. The estimated construction start is summer 2026.	\$3.2MM

- TSPLOST I Projects in the Design phase *(6)**

<u>Project Name</u>	<u>Cost Est.</u>
OSI-619. The design of the Butner Rd at West Stubbs Rd intersection improvement is underway by AEI for \$47,326.90, expected to be completed by *April 2026. The estimated construction cost of \$4.8 million will be deferred to future funding. PIOH to be scheduled.	\$5.5MM

OSI-618. The design of the Welcome All Rd at Scarborough Rd intersection improvement, including a roundabout and sidewalks, has been completed by AEI for \$141,335. Utility coordination is ongoing. ROW acquisition phase with five of nine parcels acquired. Construction is estimated to start * summer 2026. The ITB for construction is anticipated to go out once the final parcels are acquired.	\$2.9MM
OSI-616. The design of Stonewall Tell Rd at Jones Rd/Pittman Rd intersection improvement, which includes a roundabout and sidewalks, has been completed by AEI for \$131,445. ROW acquisition phase with six of nine parcels acquired. Utility coordination is ongoing. Construction is estimated to start in *summer 2026, after ROW acquisition. \$1 million of the estimated total will be funded by Fund 212 (Camera Funds).	\$3.5MM
OSI-608. The design for the intersection improvement of Enon Rd at Stonewall Tell Rd, including a roundabout, streetlights, and sidewalks, has been completed by Jacobs Engineering for \$133,814. ROW acquisition phase with ten of eleven parcels acquired, with construction estimated to start in summer 2026. Construction phase funding of \$2.6 million is being transferred to TSPLOST II funding.	\$2.9MM
OSI-607. The design of the Demooney Rd @ West Stubbs Rd intersection improvement, which includes a roundabout, streetlights, and sidewalks, has been completed by Jacobs Engineering for \$139,679. ROW acquisition phase with one of four parcels acquired. Utility coordination is ongoing. Construction is estimated to start in *summer 2026.	\$2.7MM
OSI-603. Butner Rd at Pittman Rd intersection improvement includes a roundabout, sidewalks, and streetlights. AEI is the design consultant for \$143,672, with completion expected by spring 2026. Construction is estimated to start in *summer of 2027.	\$3.4MM

3. Intent-To-Bid (ITB)/ Out-To-Bid (2) Projects. Projects in this phase are either preparing to go through the bid process or are currently in the bid process. The next phase is construction.

- **TSPLOST I Projects *(2)**

- **OSI-601 (B-500).** Butner Rd at Camp Creek Parkway intersection improvement and bridge replacement, including sidewalks and trail path access. Both projects are scheduled to be advertised together for construction. Atlas, the design engineer for the bridge replacement project, is in the final design phase for \$177,346. AEI, the design firm for the intersection project, has completed the design for \$81,500. The ROW phase for both is complete. Utility coordination ongoing. Construction estimated to start *May 2026 for \$7.4 million. Preparing ITB for construction.
- **OSI-617.** Welcome All Rd at Jaillette Rd intersection improvement, including sidewalks and streetlights, was completed by Atlas for \$117,185. ROW certified. *Utility coordination with the City of Atlanta's Department of Watershed Management is completed. Preparing the ITB for advertising. Construction is expected to start once the NTP is granted, with an estimated cost of \$2.6 million and a duration of one year.

4. Under Construction (14) Projects

- **Federal/State (10)**

- **T-265.** Sidewalks and landscaping will be installed on Old National Highway from Flat Shoals Rd to Jonesboro Rd, along with signal upgrades at Bethsaida Rd, Creel Rd, Woodward Rd, McGhee Landing, and Flat Shoals Rd. Design is complete. This 2.6-mile project is funded 80% by the ARC's Last Mile Connectivity Program and 20% by local funds. Atlas is the design firm for this project, with a contract worth \$274,159. The City let the construction project on June 13, 2025, and bids closed on July 16, 2025. The city reviewed the bids, and GDOT made its recommendations. The City Council awarded the construction contract to SD&C on October 14, 2025, for an amount not to exceed \$3,796,061.45 plus a 10% contingency, for a total construction cost of \$4,175,667.60. The project is expected to take a year to complete once the Notice to Proceed (NTP) is issued.
- **T-285.** An elliptical roundabout will be built at the intersection of SR 92, Butner Rd, and Ridge Rd (1/2 mile), along with streetlights. ROW phase is complete. AECOM, the design engineering firm, completed the design for \$955,000. GDOT closed the construction bid on June 13, 2025, and awarded the contract to SD&C for \$3,918,653 on July 10, 2025. The total cost is \$6,513,798. The project is estimated to be completed by the end of August 2027.
- **T-277.** The Cochran Rd bridge over Camp Creek is being replaced. The bridge will have lighting, sidewalks, and new roadway approaches. This project is funded 80% by ARC and 20% by local funds. Southeastern Site Development, Inc. is the construction vendor for \$3,894,560.01, plus a 10% contingency, for a total construction cost of \$4,284,016.01. Construction is estimated to be completed *by June 2026.
- **T-273.** Buffington Rd from Rock Quarry Rd to SR 14/US 29 is being upgraded. The bridge over South Fulton Parkway will be replaced. **T-272.** Additionally, Buffington Road, from Royal South Parkway to Rock Quarry Rd, is undergoing upgrades, including shoulder sidewalks and operational improvements at each intersection. Both projects are GDOT-managed. C.W. Matthews has been awarded both contracts, totaling \$42.5 million, with \$3.1 million in local funding allocated for utilities. The expected completion date for construction is the end of November 2026. Utility relocation, storm drain installation, and retaining wall construction are ongoing. Throughout the construction process, temporary lane closures, traffic shifts, and detours may be implemented to ensure the safety of everyone in the area. However, no closures will occur from 6:00 a.m. to 9:30 a.m. and 4:00 p.m. to 6:00 p.m., Monday through Friday.
- **T-266.** The sidewalk project along New Hope Rd between Campbellton Rd and Danforth Rd will include a roundabout at Boat Rock Road. It is 80% funded through the ARC's Last Mile Connectivity Program and 20% funded locally. On March 19, 2024, DAF Concrete, Inc. was awarded the construction contract for \$3,301,268, plus a 10% contingency. NTP was given on November 21, 2024. According to GDOT, the completion date is July 2026.
- **OSI-624.** Converting Roosevelt Hwy at Washington Rd signalized T-intersection into a single-lane roundabout and other improvements. This is a GDOT-managed project. GDOT issued the NTP to Knight & Associates on November 30, 2023. The construction completion date is by

*Spring 2026. According to GDOT, the total cost is \$6,774,387.63, plus \$684,300 in local utility funding.

- **PI0013809.** Bridge Replacement on SR 14/US 29 between Mallory Road and Welcome All Road over CSX Railroad, including sidewalks. The bridge will be constructed adjacent to the existing one to facilitate traffic flow. The project has a total project length of 0.417 miles. CMES, Inc., was awarded the contract for \$17,539,855. The NTP was issued on September 11, 2024, and is scheduled for completion by September 2027.
- **B-502.** Bethsaida Rd over Morning Creek Bridge will be replaced, and sidewalks will be added. The project length is 0.25 miles. GDOT will manage and fund this project under its Local Bridge Replacement Program. A PIOH was held on March 26, 2025. The project let for construction in August 2025, with an anticipated completion by March 2028. The Total cost is \$4,802,428, with the city funding \$50k towards ROW acquisition. Wilson Construction Management, LLC., was awarded the construction contract for \$3,507,428. CHA Consulting was the project engineer (PE). There will be a detour during the bridge construction. Sixteen parcels were acquired.
- **I-285 / I-20 West Interchange Project.** This project is a major initiative by GDOT to reconstruct and widen several system-to-system ramps, add collector-distributor and auxiliary lanes, and build a flyover ramp from I-20 westbound to I-285 southbound. This design aims to improve traffic flow at this busy interchange by addressing existing congestion, safety, and operational issues. The project's expected substantial completion date is around 2030. For the City of South Fulton, residents face lane closures, ramp closures, traffic shifts, and possible detours. GDOT and the city advise motorists to plan ahead and expect delays in the interchange area. Residents are encouraged to check 511ga.org or the GA 511 mobile app for the latest traffic updates. The improved infrastructure will enhance access and mobility for the city with better highway connectivity. GDOT and Legacy Infrastructure Contractors, LLC should manage construction impacts, such as noise and traffic disruptions, and implement community mitigation measures, including noise barriers, signage, and aesthetic improvements, to lessen adverse effects on residential neighborhoods.

- **TSPLOST II Projects (1)**

- **T-271 (B-506).** Fairburn Rd upgrades from Cascade Rd to North Utoy Creek include sidewalks, replacements of the North and South Utoy Creek bridges, addition of turn lanes, and other improvements. SD and C, Inc. was awarded the contract for \$8,454,703.64, with a contingency of \$750,000. The total estimated cost is \$9,723,473. Utility relocation and bridge work are ongoing. The estimated completion date is May 2026.

- **TSPLOST I Projects (3)**

- **OSI-613.** Improvement of the Stonewall Tell Rd at Union Rd intersection, including streetlights, sidewalks, and a roundabout—also, the Old Fairburn Rd at Union Rd intersection improvement (**615**). Due to proximity, the projects were advertised as a single construction project. The bid closed on September 24, 2024. The estimated cost was \$4.3 million. City

Council awarded the contract to Summit Construction & Development. LLC. at the November 12, 2024, City Council meeting for \$3,493,926.51 plus 10% contingency. The NTP was given in January 2025. Construction to be completed by April 30, 2026.

- **SU-700.** Flat Shoals Road Signal Upgrades and fiber communications from Mallory Rd to Old National Hwy design were completed by Jacobs Engineering for \$341,597. ROW phase complete. The city advertised the project for construction on June 13, 2025, and bids closed on July 22, 2025. NGT Group, LLC., was awarded the construction contract at the September 17th, 2025, City Council meeting for \$4,222,270.40 plus a 10% contingency of \$422,227.04 for a total construction award of \$4644,497.44. *Under construction as of January 2026, and construction to be complete by summer 2027.

5. Completed Projects (15)

- **City of Atlanta-funded project (1)**

- **T-283.** A Culvert was replaced at the crossing of Loch Lomond Trail over Kimberly Creek. The City of Atlanta (COA) funded the installation of the culvert due to a COA water main break.

- **Federal/State-funded project (3)**

- **T-280.** Oakley Road over Broadanax Creek bridge replacement. This GDOT-managed project includes sidewalks on both sides. Williams Contracting Company, LLC has the contract at \$1,992,985.75. The project is funded through ARC's Roadway/ Bridge Upgrade program with a GDOT let. The total cost is \$3,292,985.75 million, with \$50K in local funding. The detour lasted from June to November 2025. The new bridge opened to the public on Friday, November 21, 2025.
- **Stacks FDR.** Full-depth Reclamation of Stacks Rd from Feldwood Rd to 1,000 feet west of Mallory Rd in District 5, with widening, paving, and striping. The project was awarded to Atlanta Paving and Concrete Construction, Inc., in an amount not to exceed \$688,506.90 plus 10% contingency for a total of \$757,357.59. The project closing cost was \$757,352 plus \$44,225 in CEI services. 2020 LMIG State Funds were used to fund this project. The project was completed on September 30, 2024.
- **I-85/I-285 Ramp Resurfacing Project (PI M006489).** GDOT is resurfacing 22 ramps along the I-85/I-285 interchange in Fulton and Clayton Counties to improve pavement quality and enhance safety on these critical travel corridors. This project is especially significant for residents of the City of South Fulton, as it includes ramps in the southwestern quadrant of the interchange near Camp Creek Parkway, Washington Road, and Sullivan Road—key routes for local and regional travel. C.W. Matthews Contracting Co., Inc. was awarded the contract by GDOT for \$20,725,922. Construction is expected to continue through Fall 2025, with most activities taking place overnight between 9 p.m. and 5 a.m., and some occurring during weekends. Travelers should anticipate periodic lane and ramp closures, detours, and occasional noise or lighting during nighttime work. Clearly marked detours will be in place, and GDOT recommends using Old National Highway or Buffington Road as alternate routes.

Residents are encouraged to check 511ga.org or the GA 511 mobile app for the latest traffic updates. Once the project is complete, drivers can expect smoother travel surfaces, improved drainage, increased skid resistance, and safer, more durable ramps that enhance South Fulton's connectivity within the metro Atlanta transportation network. The project is substantially complete.

- **TSPLOST I Project (6)**

- **OSI-604.** Improvements to the Campbellton Rd at Stonewall Tell Rd intersection, including sidewalks, turn lanes, four streetlights, and a new traffic signal in Districts 1 and 2. CMC, Inc. was awarded the contract for \$3,174,180. The total is \$3,361,538. Greystone Power activated the signal and turned the streetlights on; a new alignment of Stonewall Tell Road is now in place. The construction part of the project came in under budget at \$2,917,114.04.
- **B-501.** Enon Rd over Camp Creek Tributary bridge replacement and sidewalks in District 1 were approved for construction and awarded to Baldwin Paving Co., Inc. for \$1,814,805.02. NTP was issued on January 24, 2024. The total cost is \$2,137,978.02. A groundbreaking ceremony was held in April 2024, and the ribbon-cutting ceremony was held in February 2025. The new culvert has been installed and is open to traffic.
- **PBI-900.** Sidewalks and streetlights along both sides of Danforth Rd, extending from Cascade Rd to Rehoboth Circle in District 1, are complete. CMC, Inc. has the contract for \$1,394,740. The total cost is \$1,770,551. Project completed on March 26, 2025
- **P-901.** Enon Rd sidewalks, along with streetlights on both sides, from Lynarbor Ln to Sanford J. Jones Blvd in District 2 is complete. AEI was the design firm. The contract was awarded to DAF Concrete, Inc. for \$3,583,350 with a 10% contingency. The total estimated cost is \$4.2 million. NTP was granted on March 28, 2024. A ribbon-cutting ceremony took place on April 17th, 2025.
- **OSI-602.** The Butner Rd at Union Rd intersection improvement project is complete. It includes streetlights, a roundabout to address congestion and reduce the severity of accidents at this intersection, as well as sidewalks and other improvements that impact Districts 2 and 3. SD and C completed construction for \$3,813,696. NTP was issued on January 22, 2024. The total cost was \$4,065,625. A ribbon-cutting ceremony was held on June 18, 2025.
- **OSI-614.** Rivertown Rd at Cedar Grove Rd intersection improvement, including a sidewalk and a roundabout in District 4, is complete. The construction phase was awarded at the October 10, 2023, City Council meeting to CMC, Inc. for \$2,786,641.10. The total cost is \$2,932,191.10. The Ribbon-cutting Ceremony occurred on Thursday, August 7th, 2025.

- **TSPLOST II Project (4)**

- **RC-127.** The Gullatt Rd full-depth reclamation project occurred from the I-85 bridge to McClarin Rd, next to the railroad tracks just before Roosevelt Highway. Gullatt Rd is partially in the City of South Fulton and partially in the City of Fairburn. An IGA was signed between

both cities. The City of Fairburn awarded the construction project to Blount Construction. The City of South Fulton was responsible for 50% or \$337,306 of the construction cost (\$674,612) on the Gullatt Rd part of the project. The contractor completed the work within 180 days of the City of Fairburn's NTP on July 8th, 2024. The project was completed on November 15, 2024

- **T-276 (B-503).** Cochran Rd Bridge over Deep Creek replacement project in Districts 2 and 4. BRTU was awarded the contract for \$3,895,677.40 on September 26, 2023. The culvert was installed by the end of 2024, and the total cost, including design, was \$4,171,626.
- **TSPLOST II Resurfacing.** There were 63 resurfacing projects across the city, spanning all seven districts. The 3-phase Resurfacing Contract, which included corridors, subdivisions, and toppings, was approved for ER Snell for \$21,726,739.66. The resurfacing project started in March 2024 and was completed by August 2024. The City Council amended the contract on May 13, 2025, through a project funding adjustment and amendment action, adding \$3,350,211.03 in funding, with a contingency of \$335,021, for a total amended amount of \$3,685,232.13. This action increased the total contract value not to exceed \$25,411,971.79. At the end of May 2025, the contractor was granted an NTP to finish repaving subdivisions from the original 2024 resurfacing list.
- **RS-417.** Full-depth Reclamation (Pavement Rehab) of 11 locations in the Fulton Industrial Blvd area in District 1 for 2.7 miles, and deep base repair was done where needed, along with milling and resurfacing. The project was awarded to Atlanta Paving and Concrete Contractors, Inc., for an amount not to exceed \$2,956,048.40, plus a 10% contingency, for a total of \$3,251,653.24. Within this contracted amount is \$1.84 million in Local Maintenance and Improvement Grant (LMIG) funds. Purchase orders were prepared, and an NTP was granted on November 14, 2024, for East Great Southwest Pkwy and Villanova Dr. The City Council amended the contract through a project funding adjustment and amendment action on May 13, 2025, to add \$585,600 in funding to complete the project. Another NTP was issued at the end of May 2025 for the remaining nine locations: Frederick Ct, Wharton Dr, Indeco Blvd, East Great Southwest Pkwy, Westgate Dr, Bucknell Ct, Villanova Dr, Loyola Dr, Fisk Dr, Greensboro Dr, and Waterfront Dr.

- **Capital Improvement Projects (1)**

- **T-284.** The Kimberly Rd at Cascade Rd intersection improvement projects will include a new traffic signal, repaving, sidewalk upgrades, and intersection striping. DCBC, LLC was awarded the contract for \$621,957.80, plus a 10% contingency for a total award of \$684,153.58. The total project cost, including design, is \$740,553.58. The project is substantially complete.

FEBRUARY 2026

PUBLIC WORKS Monthly

Ribbon Cutting Ceremony for the Bridge on Oakley Road over Broadanax Creek

One Department * One Mission * One Team

DEPARTMENT OF PUBLIC WORKS

Antonio M. Valenzuela, Director

Jim Martinez, Deputy Director

INTRODUCTION

The Public Works Department is pleased to release the Project Updates Report for the various divisions- Planning, Capital, TSPLOST, and Engineering, Construction Operations and Maintenance, Traffic Operations & Maintenance, and Solid Waste.

The report is a reference document for all active projects in the City of South Fulton that are in various stages of implementation that include procurement, design, right-of-way acquisition, construction, and maintenance. Also, it outlines other standalone activities/programs, i.e., streetlights, utilities, and traffic calming.

The document is broken into four sections as outlined below:

- SeeClickFix allows residents and business owners to provide City of South Fulton staff with pictures, specific descriptions, and other valuable information needed to get the job done efficiently.
- The Transportation Section contains information related to Construction Operations & Maintenance, Traffic Operations & Maintenance, and Utilities. A summary of the Capital Improvement (CIP) and TSPLOST projects is included; however, the fact sheets are omitted from this report. Instead, the department launched a web-based real time project reporting tool using this [link](#) available on the Public Works homepage.
- The Stormwater Section briefed the reader on the conditions of the infrastructure, and maintenance needs.
- The Solid Waste section updates the reader on the residential collection program in the city.

The City of South Fulton (COSF) 311 platform provides City officials with a centralized issue management system to manage issues from creation to resolution, engaging City of South Fulton residents throughout the process. The COSF mobile app and web tools enable residents and business owners to provide City of South Fulton staff with pictures, detailed descriptions, and other valuable information necessary to complete the job efficiently. Additionally, residents can obtain information about city services or report non-emergency incidents by calling the city's **24-hour 311 Call Center at (470) 552-4311**.

City of South Fulton Public Works Department

CAPITAL AND T-SPLOST TRANSPORTATION UPDATES

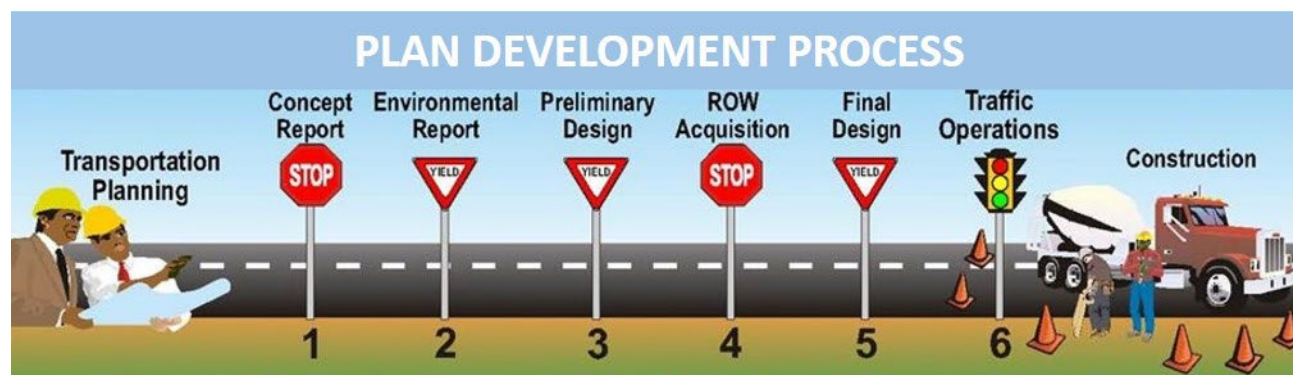

The City of South Fulton has a Capital and TSPLOST Program for implementing design projects that have been identified by City staff and stakeholders as a priority. Funding comes from the General Fund, TSPLOST sales tax collections and some Federal money.

TSPLOST-I tax collections started on April 1, 2017, and ended on March 31, 2022. TSPLOST-II tax collections started on April 1, 2022, and will end in 2027. TSPLOST-I projects are being prioritized for completion, and all TSPLOST-II projects will be in the concept or preliminary design stage.

The delivery of projects is centered around GDOT's Plan Development Process (PDP). This process typically consists of the four major phases: Design, Environmental Clearance, Right-of-Way (Services and Acquisition) and Construction (including CEI). Additional details of these phases are depicted below, which detail the project development process utilized by Public Works.

The plan development process, start to finish, is illustrated below:

TSPLOST I: Projects moving toward Construction

- OSI-617 – Welcome All at Jaillette Road – Utility certification is complete. The ITB is being prepared for advertising ITB.
- B-500/OSI-601 Butner Road at Camp Creek (bridge replacement and intersection improvement) – Final plans complete, utility coordination and ROW acquisition continue in advance of advertisement in Spring 2026.
- OSI-700 – Flat Shoals Road Signal Upgrades & ATMS – Construction contract awarded to NGT Group. Construction NTP issued.

Projects in Right-of-Way (ROW) Acquisition

- OSI-616 – Jones Road at Pittman Road/Stonewall Tell Road (TSPLOST-I) – Continuing in ROW Acquisition and final utility coordination before advertisement.
- OSI-618 – Welcome All Road at Scarborough Road/Jailette Road (TSPLOST-I) – Continuing in ROW Acquisition and final utility coordination before advertisement.
- T-270 – Demooney over Deep Creek (Capital Design/T-SPLOST-II Construction) – Continuing in ROW Acquisition before advertisement.
- OSI 607 – Demooney Road at West Stubbs Road (TSPLOST-I) – Continuing in ROW Acquisition before advertisement.
- OSI 608 – Enon Road at Stonewall Tell Road (TSPLOST-I Design/T-SPLOST-II Construction) – Continuing in ROW Acquisition before advertisement.

TSPLOST II: Projects in concept/design

Intersection Improvement projects

- OSI-620 – Aldredge Road and Merk Road – Preliminary plans have been reviewed. A field plan review is scheduled for March 2026.
- OSI-629 – Ono Road/Hobgood Road at Rivertown Road – Preliminary plans have been submitted. A field plan review is scheduled for March 2026.
- OSI-631 – Union Road and Thames Road – Preliminary plans have been submitted. A field plan review is scheduled for March 2026.
- OSI 600 – Bethsaida Road at Creel/West Roads – Preliminary plans being finalized for review.
- OSI 622 – Bethlehem Road at Cedar Grove Road – Preliminary design is underway.
- OSI 623 – Butner Road at Aldredge Road – Concept in further revision.
- OSI 628 – Old Fairburn Road at Thaxton Road – Additional Public Meeting scheduled for March 19, 2026.

Sidewalk projects

- P-914 – Union Road – Preliminary design is underway.
- P 902 – Bethsaida Road – Preliminary plans being finalized.
- P 903 – Cascade Road – Continuing in the concept development phase.
- P 908 – Flat Shoals Road – Continuing in the concept development phase.
- P 910 – Jerome Road – Continuing in the concept development phase.
- P 906 – Welcome All Road – Survey field work started December 2025, concept to start after survey database is complete.
- P 911 – Merk Road – Survey field work to start following Welcome All Road, concept to start after survey database is complete.

Bridge/Culvert Replacement projects

- T-288 – Stacks Road over CSX RR – Continuing work on preliminary design before a field plan review is scheduled.
- B-505 – Derrick Road over Deep Creek Tributary – Preliminary design is underway.
- B-508 – Koweta Road over Deep Creek – Preliminary design is underway.
- B-599 – Oglesby Road over Morning Creek Tributary – Project is in fast design phase. The project is being accelerated for an emergency quick response.

Federally Funded Projects

- T-265 – Old National Highway Sidewalks – Construction contract awarded to SD&C, work expected to begin January 2026.
- T-266 – New Hope Road Sidewalks – Construction is ongoing.
- T-277 – Cochran Road over Camp Creek (Bridge) – Construction is ongoing.

Gravel Road projects

- RG 160 – Jones Road – Preliminary design ongoing.
- RG 161 – Hall Road – Preliminary design ongoing.
- RG 162 – Rocky Head Road – Preliminary design ongoing.
- RG 163 – Thames Road – Preliminary design ongoing.
- RG 164 – Oxford Road – Preliminary design ongoing.

Bridge Repairs and Maintenance – Work is nearing completion on three bridges from the 2021 GDOT bridge repair set. Two of these (Mallory and Cascade) are in coordination with the CSX railroad before repairs can be completed. One bridge (Burdett) will require a partial wing wall repair, repairs recommended for ITB. All 2023 GDOT bridge work is complete.

GDOT Projects within South Fulton

- PI0011845/OSI-624: SR 14 at Washington Road – Roundabout construction substantially complete, projected opening Spring 2026.
- PI0013948 & PI0013939/T-272 & T-273: Buffington Road Projects – Under construction. Projected completion in the Fall of 2026.
- PI0016605/B-502: Bethsaida Rd (CR 581) over Morning Creek – Construction is underway with R/W clearing activities, scheduled completion Spring 2028.
- PI0015593/T-285: SR 92 @ Butner Rd/Ridge Rd Roundabout – Under construction with R/W clearing activities, scheduled completion Fall 2027.
- PI0017398/OSI-605: SR 92 @ Jones Road/Demooney Road Roundabout – In preliminary design, projected letting Spring 2027.
- PI0019647: FIB and Westpark – Median conversion and R-CUT – Preliminary plans have been completed. A PIOH Meeting is pending.
- PI0019841: SR 138 at Bethsaida Road Roundabout – Project behind schedule by 6 months due to lack of safety funds.
- PI0013809: SR 14 / US 29 @ CSX Bridge Replacement – Under construction, with drainage, utility relocation and grading activities. Forecasted completion Fall 2027.
- PI0017995/0018185: SR 70 Streetscape Improvements/SR 70 @ Cascade Rd Intersection Improvement – Project is in final design, final plans to be submitted March 2026.
- M006470: SR 154 from SR 70 TO I-285 Resurfacing – Contractor to start work Feb. 2026, scheduled completion late summer 2026.

Scope of Work Performed This Month

Work items performed between the monthly report dates detailed above:

- Stage 1 road closure of Union Rd in effect. The detour route follows Butner Road to Pittman
- * Road SW to Stonewall Tell Road to navigate the closure. Reopen date projected to 5/12/2026 due to utility relocations and conflict with water main
- * Atlanta Gas Light gas main installation
- * City of Atlanta water main found to be in conflict with proposed roadway elevation on Union Rd SW. Redesign completed to add relocation of water main to scope of project
- Change order for City of Atlanta water main work approved. This work will clear the conflict
- * and allow for continued construction of the Union Rd SW at Old Fairburn Rd roundabout to be completed per plan elevations. Change Order includes a 148 calendar day time extension.

Progress and Schedule

The Physical Project Status is 52% completed as of the period ending date above.

The targeted Project Schedule Status was predicted to be 87% as of the period ending date above.

Scope of Work Planned For Next Month

- * Utility relocations for City of Atlanta Water, Atlanta Gas Light, and Greystone Power.
- * Construction of the roundabout at Union Rd and Old Fairburn Rd intersection. Stage 1 will still utilize the existing Old Fairburn Rd tie in at Union Rd.
- * Grading for roundabout at Union Rd SW and Old Fairburn Rd
- * City of Atlanta water main redesign work beginning

Scope of Work Performed This Month

Work items performed between the monthly report dates detailed above:

- * Highway Services removed existing traffic signs and replaced with new updated signs
- * Subcontractor T&J finished installation of two 30 in 45 degree angle fittings with a 10 ft water main piping out of Bore Pit 1 @ Sta 162+00 LT
- * Subcontractor T&J began preparations for receiving end of Bore Pit #1 installation of 45 degree fitting and water main piping @ Sta 163+00 LT
- * SD&C formed median and island @ Publix entrance/exit on Fairburn Rd between Sta 149+00 & 151+31
- * SD&C poured median and island @ Publix entrance/exit on Fairburn Rd between Sta 149+00 & 151+31

Progress and Schedule

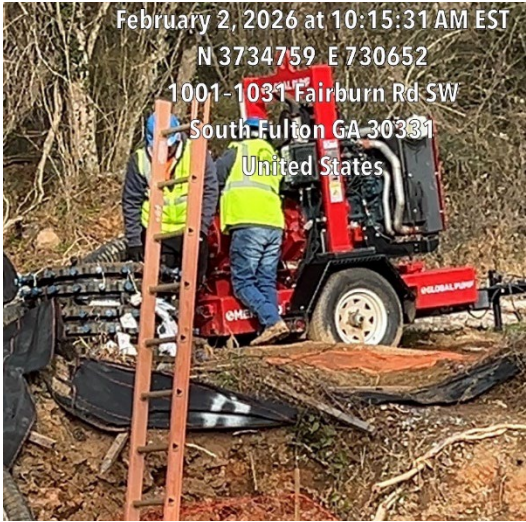

151+31

- * The Physical Project Status is **48%** completed as of the period ending date above.
- * The targeted Project Schedule Status was predicted to be **50%** as of the period ending date above. Project delays have been related to utility delays involving relocating GA Power poles. Issue being resolved at Cascade intersection but need GA Power to complete easement acquisition at bridge.

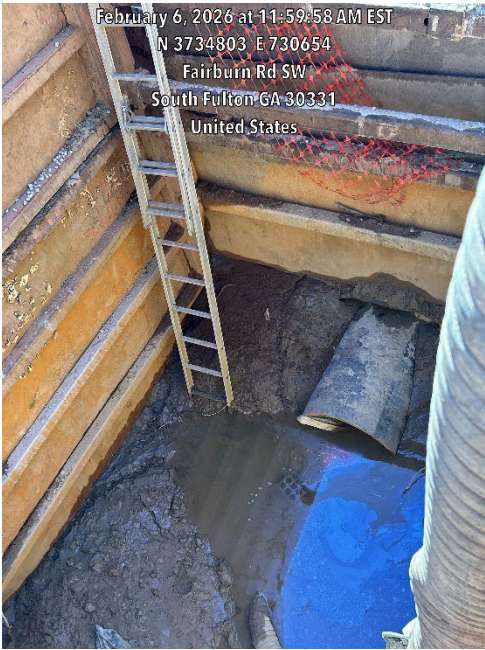

Next Tasks Up

- Continuing traffic control
- Continuing By-Pass operations

Scope of Work Performed This Month

Work items performed between the monthly report dates detailed above:

- Vibration Monitoring
- Submitted EC-1 reports and dailies for rain fall amounts
- Drove piles on Bent 1
- Installed rebar -Poured cap on Bent 2
- Installed rebar -Poured cap on Bent 1
- Drove piles on Bent 3
- Tied Rebar for Bent 3

Progress and Schedule

- Delay of Schedule / Critical Path - Delay from GDOT approving Beams and Deck Drain. Submittals were submitted on 31 Oct 2025 and approved on 19 Feb 2026. Beams will now go into a queue to be manufactured which will result in at least a 45-day delay of critical path. Southeastern Site Development may be requesting a Stop Time.

Construction Operations & Maintenance

City of South Fulton Public Works Department

CONSTRUCTION OPERATIONS AND MAINTENANCE

Right of Way Maintenance is required to provide safe and multi-use roadsides. A well-maintained right of way promotes a positive quality of life and is integral to the other functions such as utility installations, vehicle emergencies and sign placements. Right of way Maintenance serves to maintain a safe zone adjacent to the road pavement, improves drainage of stormwater from the road surface, and creates an attractive vista along road corridors. Accomplishments this month include:

Traffic Engineering, Operations & Maintenance

City of South Fulton Public Works Department TRAFFIC OPERATIONS

The Traffic Operations Crew is on constant patrol in the City of South Fulton to ensure that all signs and signals are clear to see and work properly. This consists of approximately 35,000 static signs, 69 Traffic Signals, 14 Traffic Beacons, 40 School Flashers and numerous Solar Flashing signs.

The following is what each category is used for and what they represent.

- **Sign – Other Sign Down/Missing** is used for missing signs, installing new signs, replacing or upgrading signs. If there are other signs on that post, the crew will clean them.
- **Sign – Preventative Maintenance** is used for the cleaning and straightening of signs.
- **Sign - Stop/Yield Sign Down/Missing** is used for responding to or finding STOP signs or YIELD signs that have been knocked down or are missing. This category is responded to as an emergency.
- **Signal - In Flash or Dark** is used to let us know that the traffic signal is flashing all RED lights, or no lights are visible. This category is responded to as an emergency.
- **Signal - Other Issues** is used to let us know if there are any other problems with the Traffic Signal; this can include an LED bulb not working, if the crosswalk is being problematic, or the signal not changing.

This month, the Traffic Operations Department acquired 129 new requests and closed 122.

The following is a summary of SeeClickFix requests, along with Categories that Traffic Operations **responded to and completed** this past month.

Examples of work completed this past month are highlighted in Exhibit A.

Signal – In Flash or Dark: 6

TRAFFIC OPERATIONS

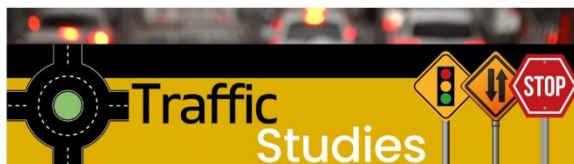

CLEANING SIGNS THROUGHOUT THE CITY

REPAIRING SIGNS

Traffic studies are conducted based on the evaluation of day-to-day traffic concerns and considering requests from the residents in the City of South Fulton. Recommendations are made for the installation of traffic control and traffic calming devices. Types of traffic studies include All-Way Stop Warrant Studies, Traffic Signal Warrant Studies, and Traffic Calming Studies. These studies follow the federal Manual on Uniform Traffic Control Devices (MUTCD) standards and Georgia Department of Transportation (GDOT) standards. The goal of these studies is to improve the mobility, safety, and capacity of the city's infrastructure.

Traffic Studies Completed – February 2026

1. Cascade Hills Subdivision – Traffic Engineering Study

The Public Works department received a petition for traffic calming measures for the Cascade Hills Circle, Cascade Hills Dr, and Cascade Hills Lane roadways in the Cascade Hills subdivision. A traffic study is in progress, and traffic calming recommendations will be provided during the week of March 2, 2026.

2. Oakhurst Glen Subdivision – Traffic Engineering Study

The Public Works department received a petition for traffic calming measures for the Montberry Lane, Oakhurst Drive, Bleusparrow Drive, Jennadee Drive, and Merrigold Way roadways in the Oakhurst Glen subdivision. A traffic study is in progress, and traffic calming recommendations will be provided during the week of March 13, 2026.

3. Woodside Hills Subdivision – Traffic Engineering Study

The Public Works department received a petition for traffic calming measures for Woodside Drive, Reynolds Road, Fren Valley Drive, and Zane Drive. Staff ordered traffic counts to conduct a traffic engineering study to identify traffic calming measures to mitigate speeding issues.

4. Stonewall Manor Subdivision – Speed table installation

Georgia Paving is installing 5 speed tables (2 on Rosehall Court and 3 on Jamerson Drive) in the Stonewall Manor subdivision on the 25th and 26th of February.

Stormwater

City of South Public Works Department STORMWATER DIVISION

February 2026

I. Stormwater Operations & Maintenance Report

Completed Projects

Maintenance crews completed **eight structural top repairs, two throat repairs, and replaced approximately 59 linear feet of 24-inch curb and gutter** at locations including Hartly Drive, Selborn Drive, Village Loop, Cascade Palmetto Highway, Selig Drive, Parham Way, Welcome All Road, and Walden Boulevard. **The Georgia Concrete Pipe Association also hosted its PIPE (Pipe Installation Practices Education) training course at the City of South Fulton.** The PIPE course is a half-day program for public works staff, designers, and inspectors focusing on pipe installation best practices.

City of South Public Works Department STORMWATER DIVISION

Field Inspections

For February field evaluations, staff identified **five (5) high priority storm system repairs** to restore drainage capacity and reduce localized flooding risks. Recommended work orders focus primarily on structural repairs due to damage from vehicle traffic, sediment/debris removal, curb/gutter repairs, and trenchless repairs of damaged pipe using cured in place pipe technology. **The estimated project cost for all 5 projects, based on current contractor's unit price contracts, is approximately \$24,500.**

Street Name	Subdivision	District	Work Orders	#Structures	LENGTH (FT)	COST (\$)
Cascade Rd	N/A	1	1	1	20	\$7,500.00
Wallace Rd	NA	1	1		40	\$7,000.00
Great SW Pkwy	N/A	1	1	1		\$2,500.00
Equinox Ln	Ashwood Estates	4	1	1		\$2,500.00
Lake Ln	NA	1	1		20	\$5,000.00
		TOTAL	5	3	80	\$24,500.00

Next Steps

- Continue on-site evaluation and prioritization of CCTV/cleaning and top-slab replacement of high priority structures per Storm-Sidewalk Action Plan for FY 2025-26.
- Continue repairs of damaged storm systems identified from routine inspections
- Conduct engineering analysis, secure estimates, mobilize on debris removal, sinkhole repairs, and resetting of curb inlets for Village Drive culvert.

City of South Public Works Department
STORMWATER DIVISION

II. Sidewalk Operations and Maintenance Report

Completed Maintenance

Concrete sidewalk evaluation and hazard abatement in Bethsaida Pointe, Oakley Township, Old Jonesboro Landing, and Walton Hill, with the largest single repair at 6125 Old National Hwy to address trip hazards and improve ADA compliance. As of February 2026, **field crews have completed approximately 400 linear feet (210 square yards) of sidewalk repairs.**

City of South Public Works Department STORMWATER DIVISION

Field Inspections

Staff evaluated and identified **60 high priority sidewalk repairs in February, totaling 1,292 feet in length and 711 square yards**. Project scope is focused on larger continuous runs to maximize linear production and crew efficiency. Panels will be replaced to remove vertical displacements and surface failures; cross-slope and landing areas were field-checked to align with ADA intent.

Street Name	Subdivision	District	Work Orders	LENGTH (FT)	AREA (SQ-YD)	TOTAL COST
Campbellton Rd	N/A	1	2			\$0.00
Cascade Rd	N/A	1	46	1,148	637.8	\$57,400.00
Cole Ln	Walden Park	2	2	21	9.3	\$840.00
Casa Blanca Ln	The Falls at Camp Creek	1	2	28	15.6	\$1,400.00
Fitzgerald Pl	Walden Park	2	2	36	16.0	\$1,440.00
Big Boat Dr	Estates At Sandtown Center	1	1	13	7.2	\$650.00
Great SW Pkwy	N/A	1	5	46	25.6	\$2,300.00
		TOTAL	60	1,292	711	\$64,030.00

Next Steps

Continue repairs based on field evaluations and First Steps (2025) Pavement/Sidewalk Inventory and Assessment dataset and classify inventory results into a comprehensive GIS map for field evaluations and maintenance updates.

Streetlights

City of South Fulton Public Works Department

STREETLIGHTS

The Streetlight Program was established to address the need for adequate illumination of public streets or roadways within the City of South Fulton. The goal is to aid in the safety and systematic movement of vehicular traffic within the public travel roadway. Lighting on roadways is not provided for personal security, such as lighting of yards, driveways, or private property. In-house staff assesses requests from residents, conducts field visits and works with power companies to address inquiries about new lights, repairs, and upgrades.

Last year, Mayor and Council approved a resolution adopting the Streetlight Masterplan. The masterplan provides options for street and pedestrian light poles, styles, spacing, lighting technology and control, and appropriate lighting levels for various locations such as state roads, arterials minor residential streets, major street corridors including those with existing and proposed bike lanes, controlled intersections, roundabouts, uncontrolled pedestrian crossings, transit station street areas, and parks.

The department is finalizing a priority list to install and/or upgrade streetlights on all corridors with proposed and existing sidewalks, State routes, and intersections. All sidewalk projects will also include pedestrian lights. Upon completion, staff will meet with the power companies to draft an implementation plan that will include costs and schedules.

Requests for streetlights- new and upgrades- received to date are detailed in Exhibit A.

STREETLIGHT INQUIRY/APPROVED LOG

YEAR TO DATE

Utilities

UTILITY PERMITS

The purpose of utility permits is to help the City of South Fulton staff track and manage construction operations more efficiently. Each utility permit contains a unique reference number, special requirements before/during operation, procedures, and contact information in case of emergencies. All this information is essential when dealing with construction operations in our Right of Way.

Permits	Locations	Scope of Work	Status
RWEP (25)-01	1928 Waycrest Dr	Directional bore and pull buried fiber cable thru existing conduit and place a new handhole.	Hasn't Started
RWEP(25)-02	4600 Frederick Dr Sw	Comcast is to excavate and install 65' new 24-count fiber to be pulled through new 2" conduit within the row of Frederick Dr SW to provide service to 4600 Frederick DR SW	In Progress
RWEP(25)-03	1010 Carlo Woods Dr SW, Atlanta, GA 30331	Directional bore 58' of 1/2" pls svc at a minimum 48" depth across Carlo Woods Dr SW for a new service.	Hasn't Started
RWEP(25)-04	6001 Plummer Rd SW South Fulton, Ga 30331	Clear trees and build a pad for a small distribution substation.	Complete
RWEP(25)-05-Extension	From the city limits on Bakers Ferry Rd to Mendel Dr to Selig Dr and ending at the GDOT right-of-way	Install approximately 10,225ft of HDPE duct by directional bore and trench as shown on drawings. Install 12-handholes flush with existing grade. Install 1-1728ct FOC through proposed conduit.	In Progress
RWEP(25)-06-Extension	Great Southwest Pkwy Fulton Industrial Pkwy/SR-70 to Villanova Dr	Install approximately 7579ft of HDPE duct by directional bore and trench as shown on drawings. Install 9-handholes flush with existing grade. Install 1-1728ct FOC through proposed conduits.	In Progress
RWEP(25)-07	5200 Phillip Lee Dr. S.W. Atlanta, GA 30331	Comcast is to bore and install a total of 147' .625 coaxial cable in new 2" conduit in existing row, then continue construction on to private property to service 5200 Phillip Lee Dr Sw	In Progress
RWEP(25)-08	3650 Union Road	New overhead primary span crossing over Union Road to 3650 Union Road. 1/0 ASCR primary and neutral. Pole is a 45/4 wood pole.	Hasn't Started
RWEP(25)-09	4128 Thornbud Rd	Comcast is to excavate & install 138' new 0.625" ug coax cable to be pulled through new 2" conduit within the ROW of Thornbud Rd to replace existing damaged cable.	Hasn't Started

Permits	Locations	Scope of Work	Status
RWEP(25)-10	7035 Old National Hwy- 2705 Old Jonesboro Rd	Comcast is to overlash 4,177' of new 24ct fiber to existing poles along Bethsaida RD, Old National Way, Westbridge RD and Old Jonesboro RD in City of South Fulton jurisdiction to complete a node split.	Hasn't Started
RWEP(25)-11	Fayetteville Rd.	GPC will be rebuilding an existing 230kV transmission line that crosses over Fayetteville Rd. They will be removing old poles to install new poles.	In Progress
RWEP(25)-12	Mastiff Rd.	GPC will be rebuilding an existing 230kV transmission line that crosses over Mastiff Rd. They will be removing poles to install new poles.	In Progress
RWEP(25)-13	Bakers Ferry Rd. SW	Georgia Power Company will be rebuilding an existing 230kV transmission line that parallels and crosses over Bakers Ferry Rd. SW. They will be removing and installing new poles as well.	Hasn't Started
RWEP(25)-14	Old Thyeme Rd.	GPC will be rebuilding an existing 230kV transmission line that crosses over Old Thyeme Rd. They will be removing poles to install new poles.	Complete
RWEP(25)-15	3466 Buffington Center	Directional bore 450' of new 24ct buried fiber cable.	In Progress
RWEP(25)-16	5500 Campbellton Fairburn Rd	Comcast is to excavate, bore, & install 499' new 0.625" ug coax cable to be pulled through new 2" conduit within the ROW of Thompson Rd to provide service to 5500 Campbellton Fairburn Rd.	Hasn't Started
RWEP(26)-17	Stonewall Tell Rd, Union Rd, & Old Fairburn Rd	Open trench 210' and directional bore 65' of 4" MHP PLS gas main & open trench 1212' and directional bore 988' of 4" MHP STL gas main in order to relocate existing gas mains to accommodate intersection improvements.	Hasn't Started
RWEP(26)-18	Old Fairburn Rd; In between Union Rd SW and Camp Creek Pkwy SR 6.	Open trench ~1821' and directional bore 1036' of 4" MHP STL gas main & open trench ~295' and directional bore ~140' of 6" MHP STL gas main in order to renew existing 4" and 6" STL gas mains.	In Progress
RWEP(26)-19	6360 Red Oak Rd	Comcast is to overlash 3399' new 48ct fiber to existing GPC and ATT poles within the row of Flat Shoals Rd to complete a node split.	Hasn't Started

Solid Waste

Solid Waste Group Purpose and Responsibilities

The City of South Fulton Solid Waste Group is committed to overseeing and regulating all solid waste services within the city limits. These services include residential solid waste collection, bulk item pickup, commercial services, convenience can management and education.

The images shown is from the February 21st District 5 Recycling and Shredding Event at Burkett Park.

Residential Services

Requests for Service

Residential services include weekly garbage collection and monthly bulk pickup. In February, service requests decreased for extra cart requests and continued to decrease for New Service. Bulk service requests also decrease as residents shift more towards Merk Miles. Overall requests remain low compared to Last year report of November.

Requests for Service				YTD
Item	Dec	Jan	Feb	
Back Door Service	2	7	10	17
Extra Cart Request	27	57	51	108
New Construction-Add New Service	48	47	43	90
Bulk Scheduled Service Requests	211	281	261	542
Totals	288	382	365	757

Source: TracEZ

Service Complaints

In February, complaints remain similar to January. Missed curbside increase over the past 2 months with damage carts decreased.

Service Complaints				YTD
Item	Dec	Jan	Feb	
Missed Bulk	5	7	7	14
Damaged Cart - Repair or Replace	35	59	54	113
Missed Curbside Garbage	130	148	176	324
Waste Administration - Spills / Litter	1	2	2	4
Totals	171	216	239	455

Source: TracEZ

Deliveries and Maintenance

In February, New Construction homes added to the system decreased, showing slower growth in residential service expansion. Replaced and Repaired Carts decreased slightly.

Services Performed by the Solid Waste Team				YTD
Item	Dec	Jan	Feb	
New Construction Homes	48	47	31	78
Replaced Carts	22	33	25	58
Repaired Carts	35	44	40	88
Convenience Can Servicing	N/A	141	141	282
Recycling Container Service	N/A	12	12	24
Totals	N/A	277	249	530

Merk Miles Citizens Convenience Center

The City of South Fulton operates the Merk Miles Citizens Convenience Center through a third-party vendor. This facility accepts Municipal Solid Waste (MSW), Construction Debris (C&D) and recycling. Data is reported through January 2026. The total number of vehicles serviced and collected material by weight continues to grow.

Merk Miles Recycling & Municipal Solid Waste Activity				
Recycling Activities	Nov	Dec	Jan	YTD
Total Number of Recyclers	696	823	618	618
Recycling Collected (Tons)	11	11	7.25	7.25
MSW Collection Activities	Nov	Dec	Jan	YTD
Total Number of Vehicles Serviced	1,826	2,149	1,635	1,635
Total Solid Waste Collected (Tons)	274.01	278.17	219.87	219.87

Events and Activities

Community Engagement & Education

Solid Waste helped with District 2 Recycling and Shredding Event at Wolf Creek Library. Along with District 5 Recycling and Shredding Event at Burdette Tennis Center.

Looking ahead, the team will participate in upcoming events, including the

- District 6 Paper Shredding and Recycling March 7 at Creel Park
- District 4 Paper Shredding and Recycling March 21 at Cedar Grove Park

LEOP and COOP

Presented by
Chad Jones
Fire Chief- South Fulton Fire Rescue

What is the LEOP?

Local Emergency Operations Plan (LEOP) is the City's official emergency playbook.

It defines:

- How the City responds to disasters and major incidents
- Who has authority and responsibility during emergencies
- How departments coordinate resources and operations
- How we align with City/County/State/Federal response systems

Bottom Line:

The LEOP ensures the city can respond quickly, legally, and in a coordinated way.

Why the LEOP is Needed

Emergencies require fast decisions, clear authority, and coordination.

Without a LEOP:

- Departments respond independently
- Confusion over roles and responsibilities
- Delays in evacuations, sheltering, and public messaging
- Increased liability and higher recovery costs

With a LEOP:

- Organized response structure
- Faster resource deployment
- Better interagency coordination
- Stronger public confidence

What the LEOP Covers (RealWorld Impacts)

Community Lifelines

Safety & Security

Energy &
Communications

Medical Services

Food, Water, Shelter

Provides Guidance for

Evacuation/Shelter
Operations

Mass Casualty
and
Mass Fatality Incidents

Flooding/Water
Infrastructure Failure

Winter Weather
Operations

Resource Management

Public Information
and
Emergency Alerts

Severe Weather

EOC Activation

What City Leadership Must Know

The LEOP is not just an emergency management document, it is a Citywide plan.

City leadership support ensures:

- Department heads understand assigned emergency roles
- Training and exercises validate response capability
- Clear policy backing for emergency authority decisions
- FEMA/GEMA compliance for eligibility and funding

Leadership Action Needed:

- Support annual review/update cycle
- Support participation in exercises
- Ensure departments align SOPs with the LEOP

What is the COOP?

Continuity of Operations Plan (COOP) ensures the City can continue essential functions during disruption.

COOP answers:

- How do we keep operating if facilities are damaged?
- What if key leaders are unavailable?
- How do we continue payroll, public safety, utilities, and critical services?
- How do we restore normal operations quickly?

Bottom Line:

COOP is about government survival and stability during crisis.

COOP Overview

Why COOP is Needed

Disruptions don't have to be catastrophic to cripple operations

Threats that trigger COOP:

- Cyberattack / ransomware
- Power grid failure
- Tornado or facility damage
- Water system disruption
- Pandemic / staffing shortages
- Leadership absence
- Communications outages

Without COOP:

- Payroll delays
- Service interruptions
- Leadership confusion
- Loss of public trust
- Increased recovery costs

What COOP Protects (Essential Functions)

COOP identifies critical services the city must maintain, including

Examples of Essential Functions:

- Fire/EMS response and dispatch coordination
- Police operations and emergency communications
- Public Works (roads, debris, utilities support)
- Water/sewer continuity coordination
- IT systems and cybersecurity restoration
- Payroll, finance, procurement continuity
- Emergency public messaging and alerts
- Continuity of leadership and decision making

Key COOP Tools:

- Orders of succession
- Delegations of authority
- Alternate facilities
- Backup communications
- Vital records protection

What City Leadership Must Know

COOP requires leadership involvement to be realistic and usable.

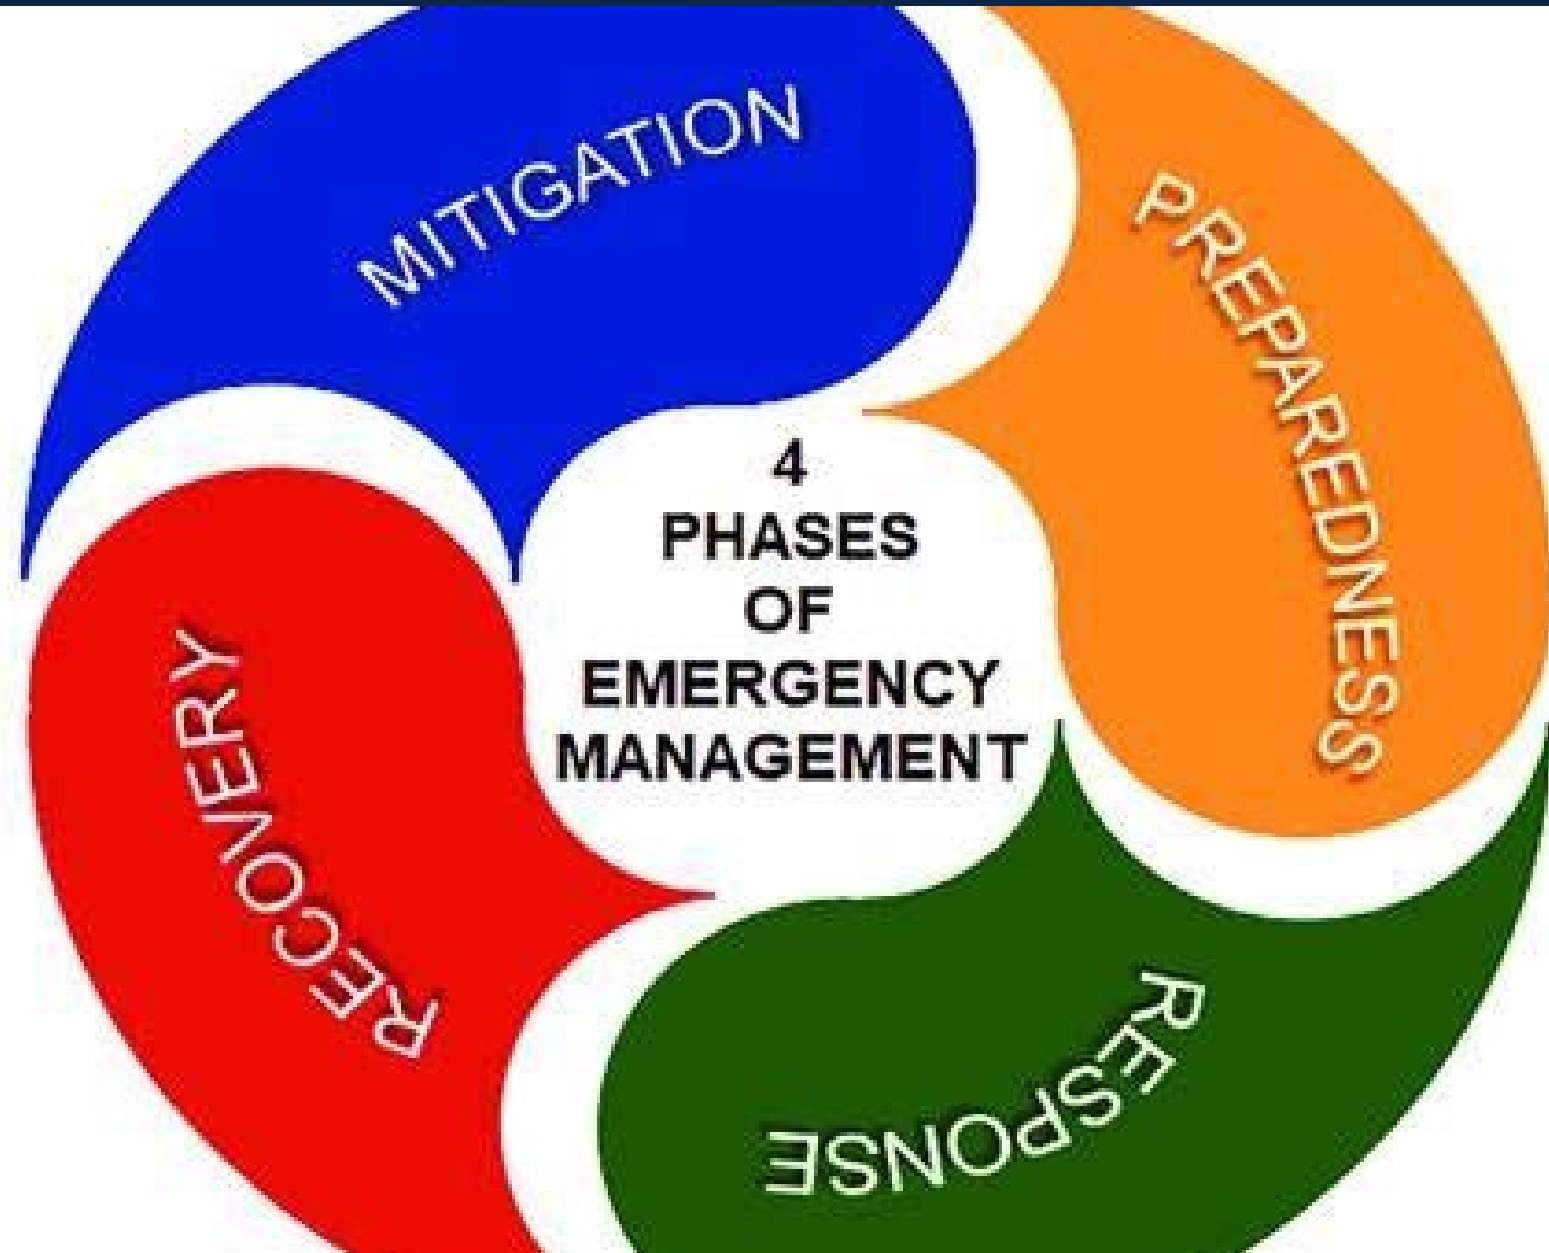

Leadership Support Needed:

- Confirm essential functions per department
- Identify alternates for key leadership roles
- Support succession planning and delegations of authority
- Ensure departments maintain updated contact lists and vital records
- Support COOP exercises and validation

Next Steps:

- Department COOP worksheets completed
- COOP tabletop exercise
- Annual review and improvement cycle
- Integration with LEOP and EOC procedures
